

Ok! Lets go!

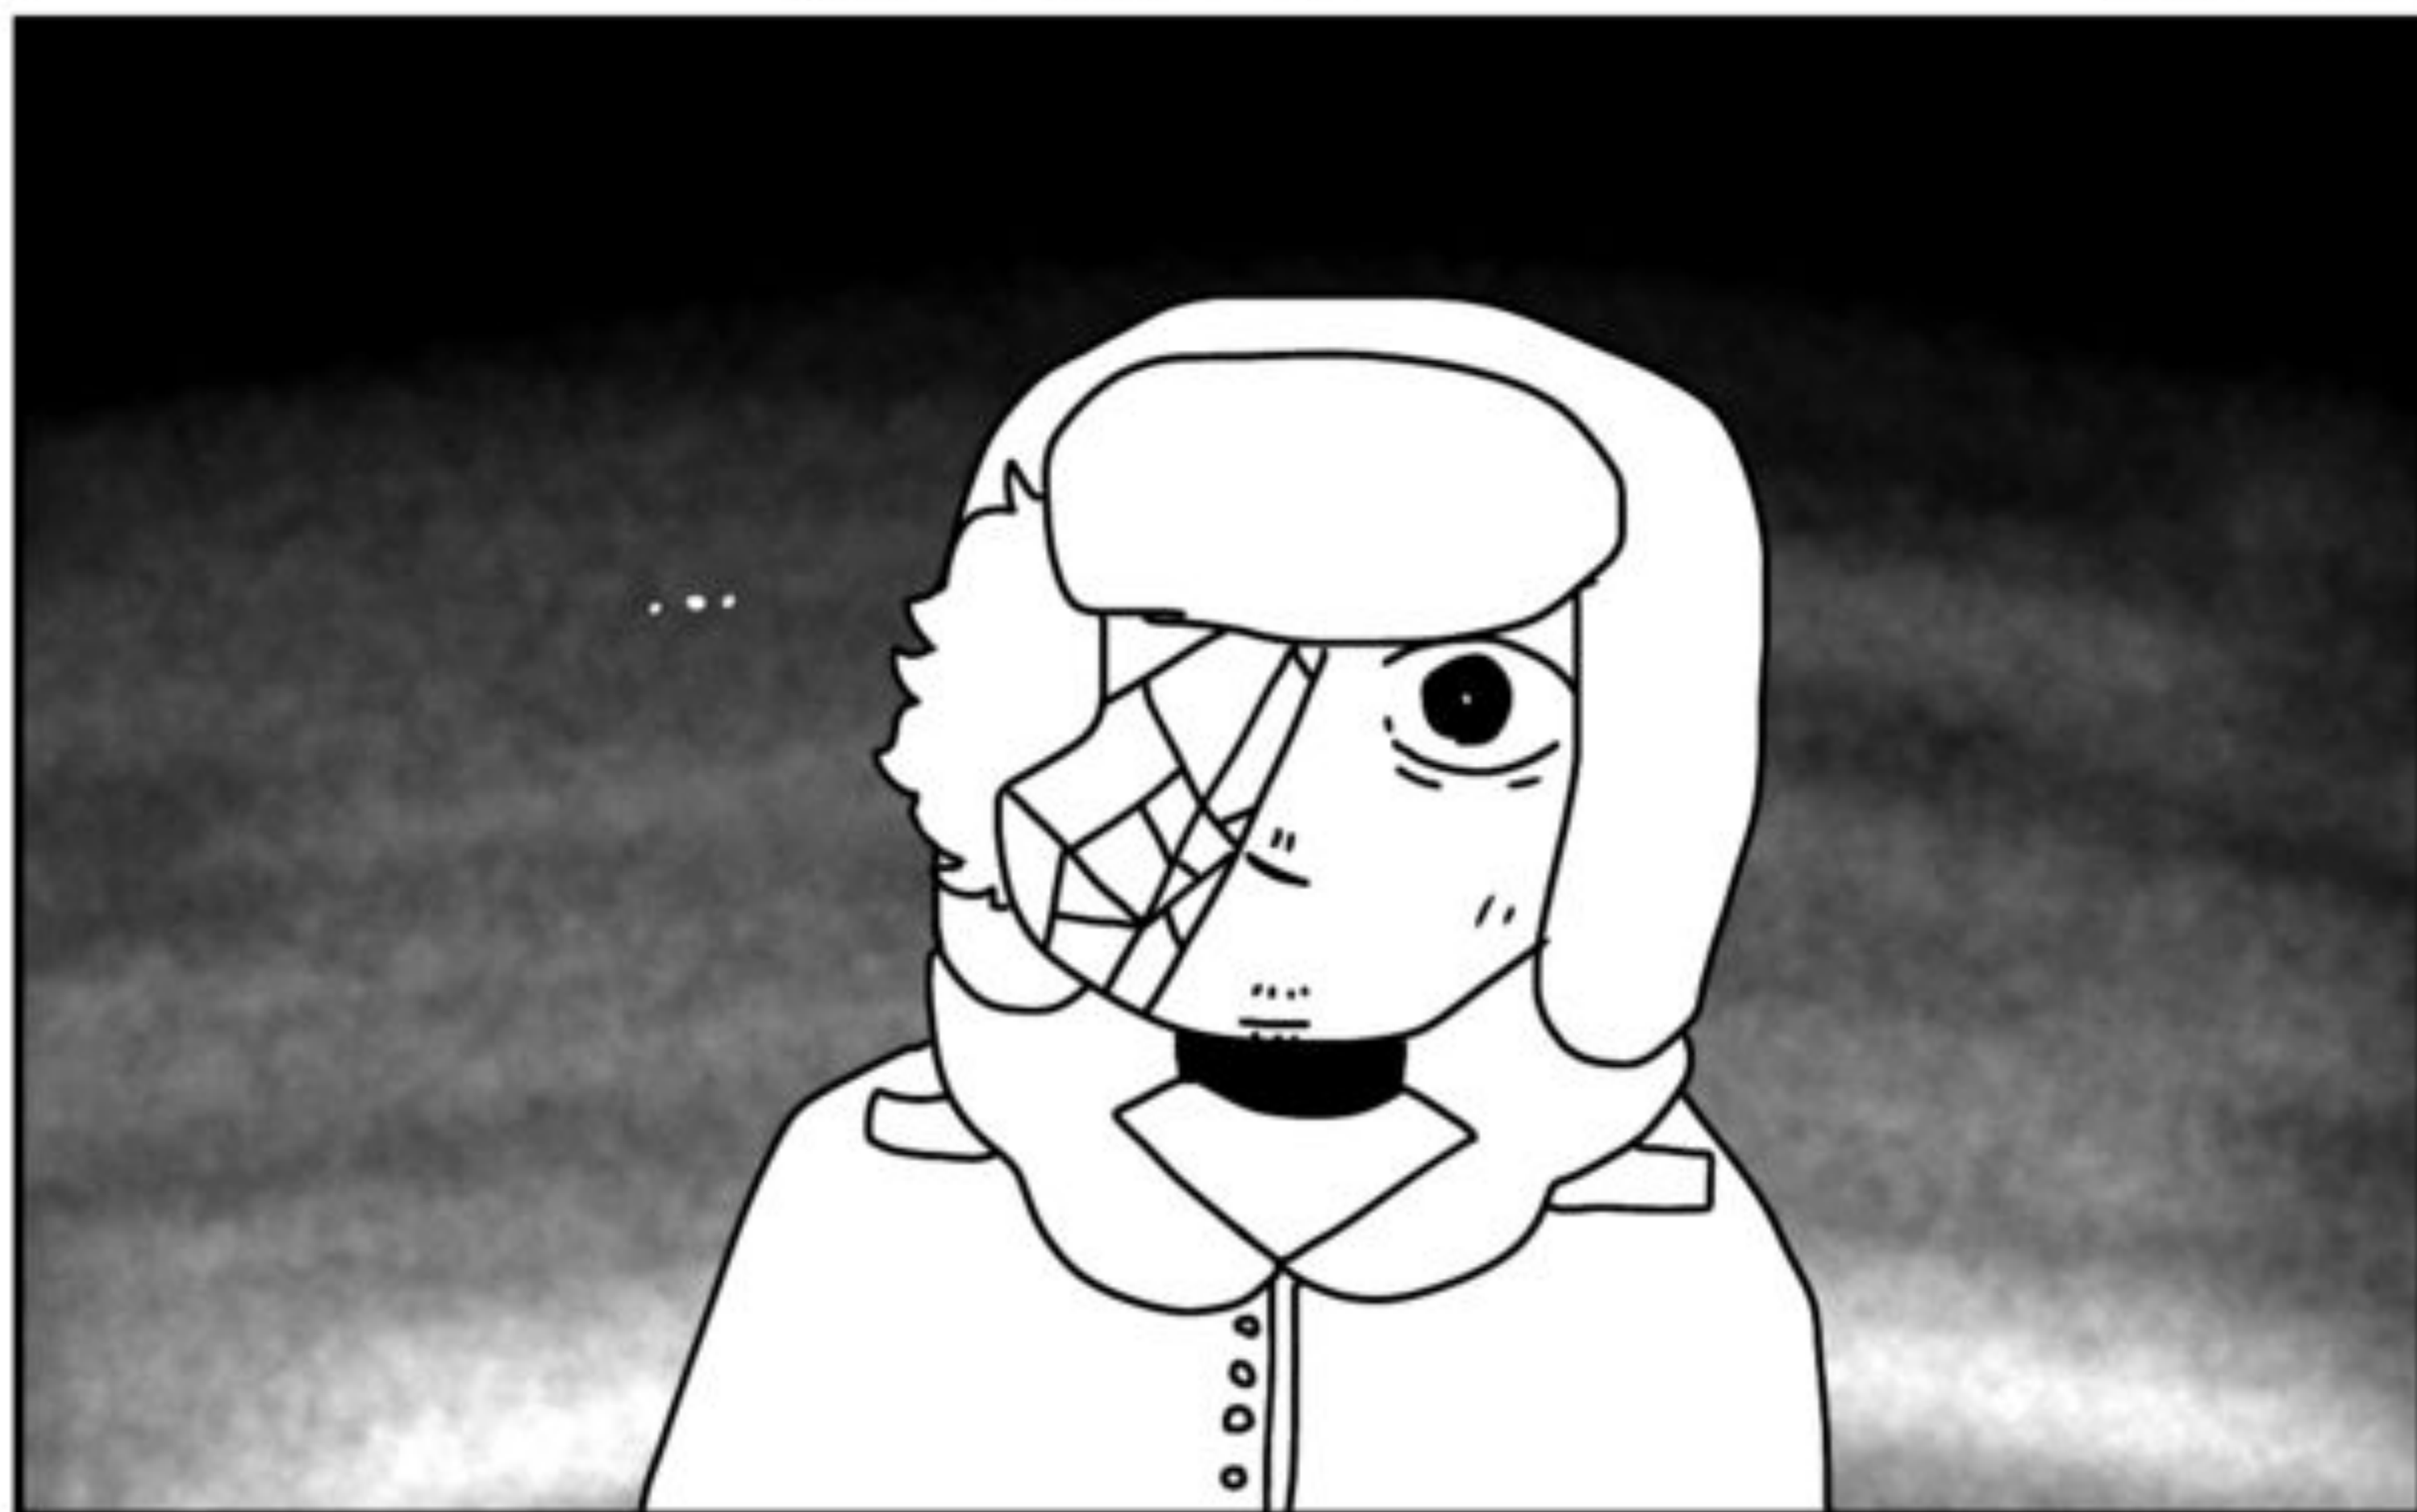

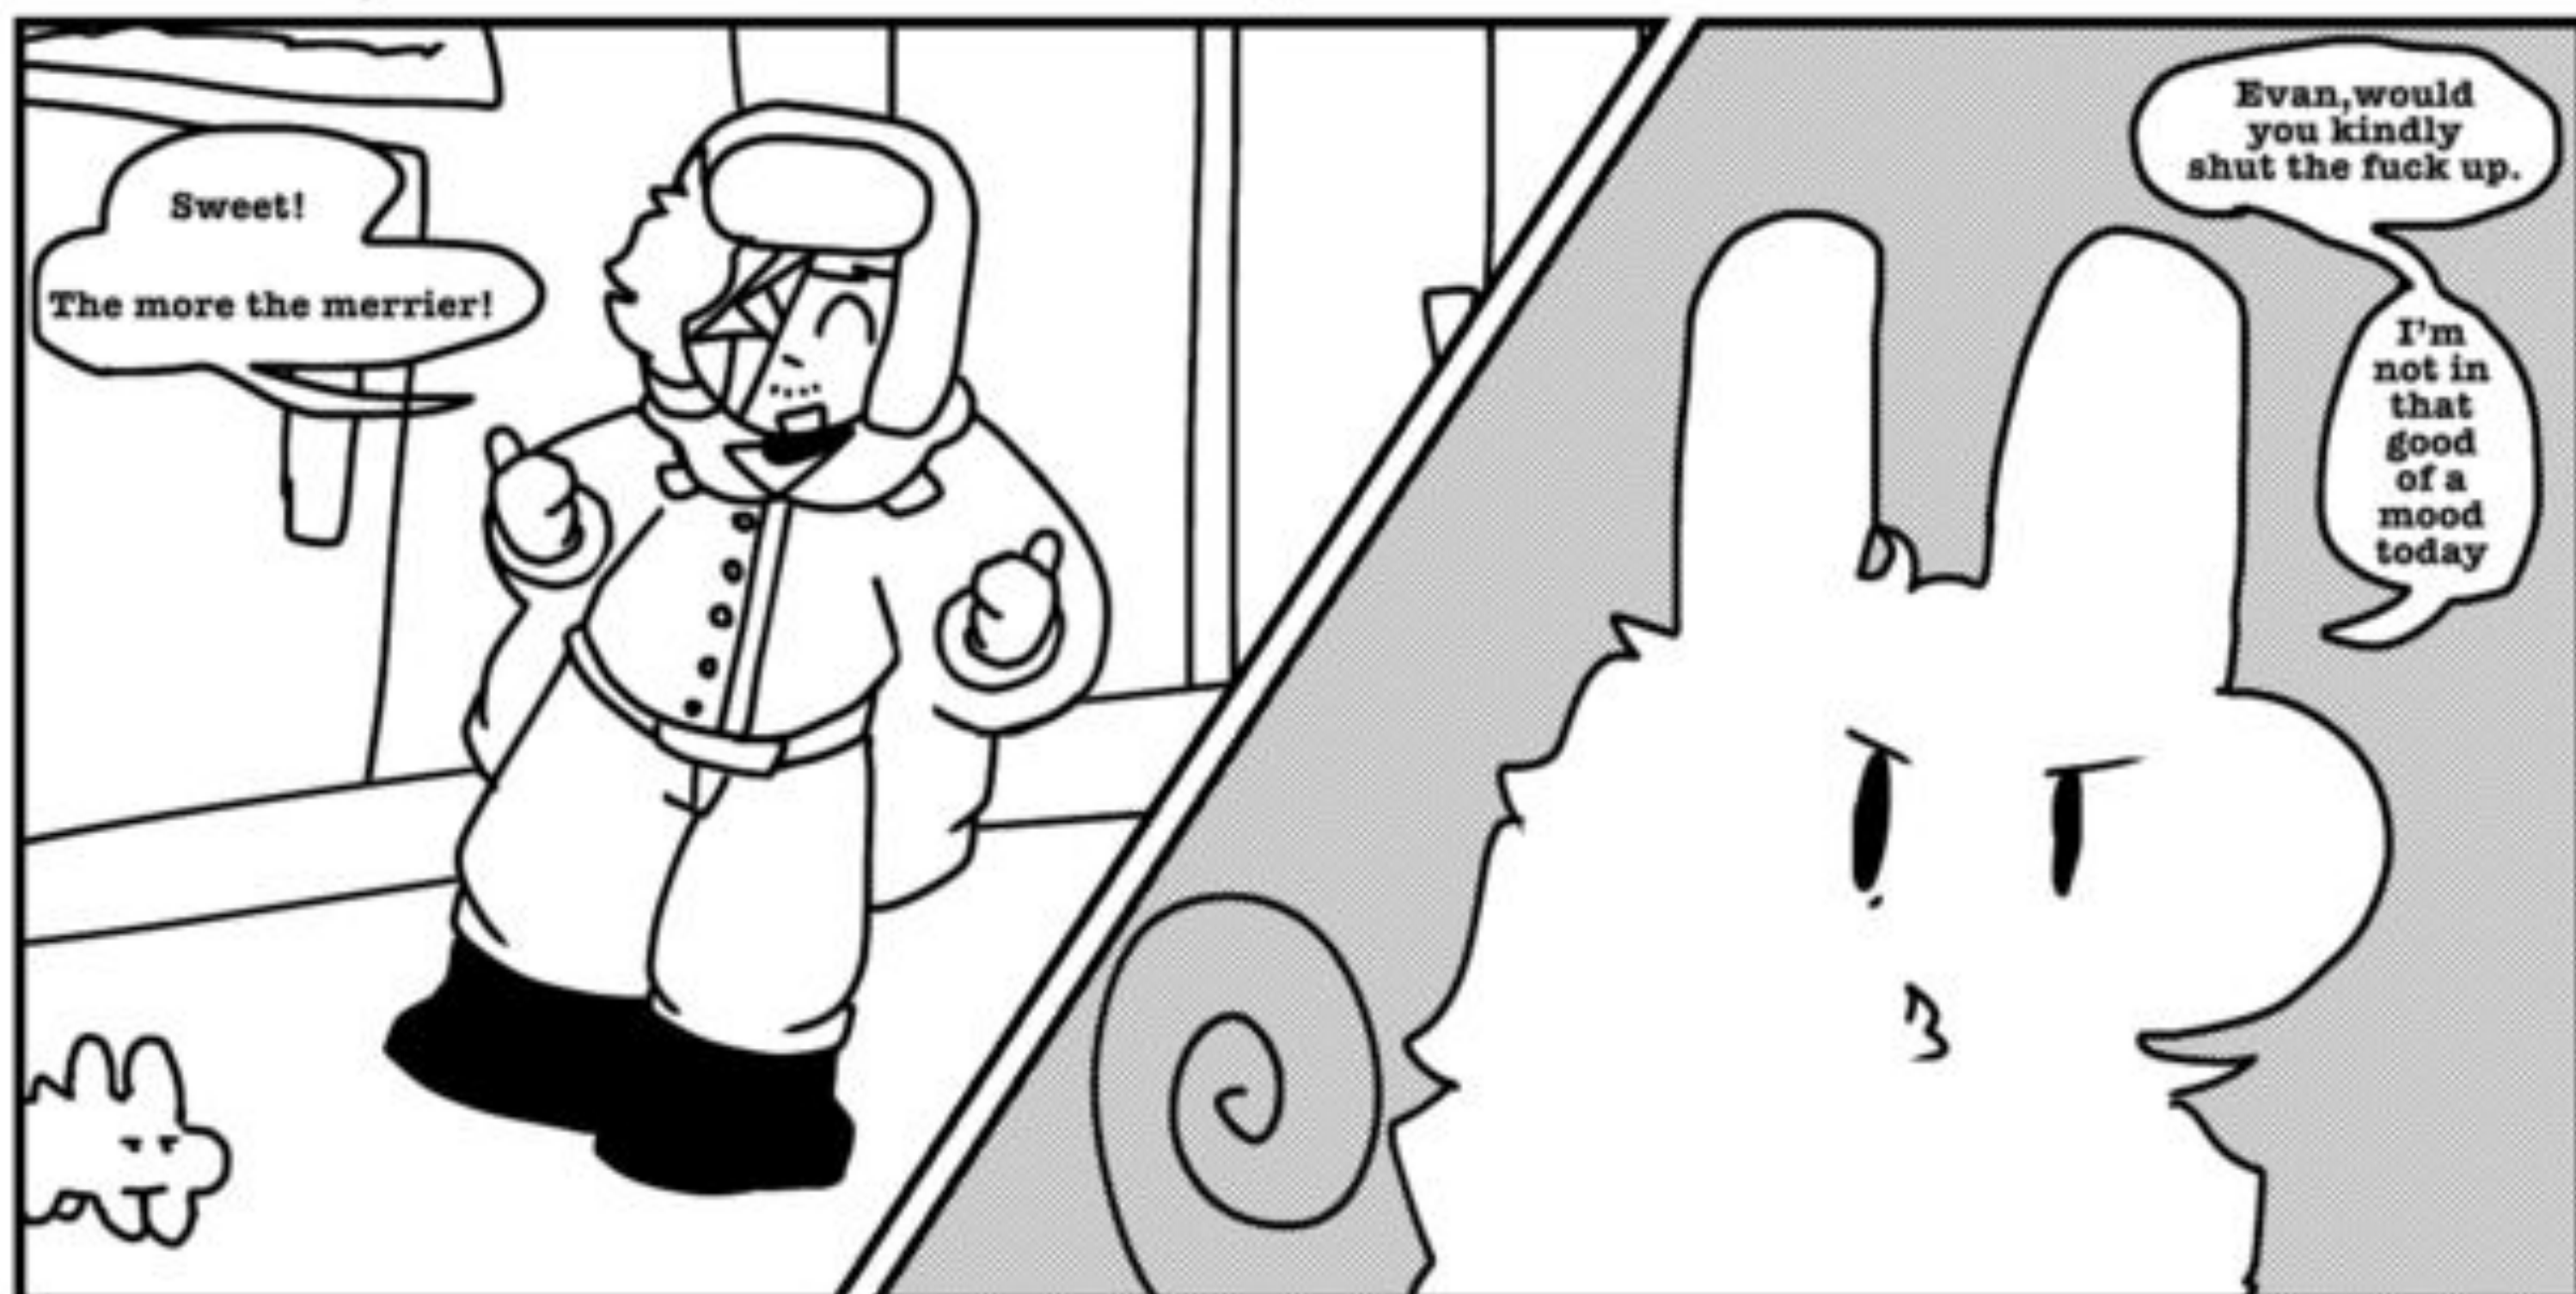

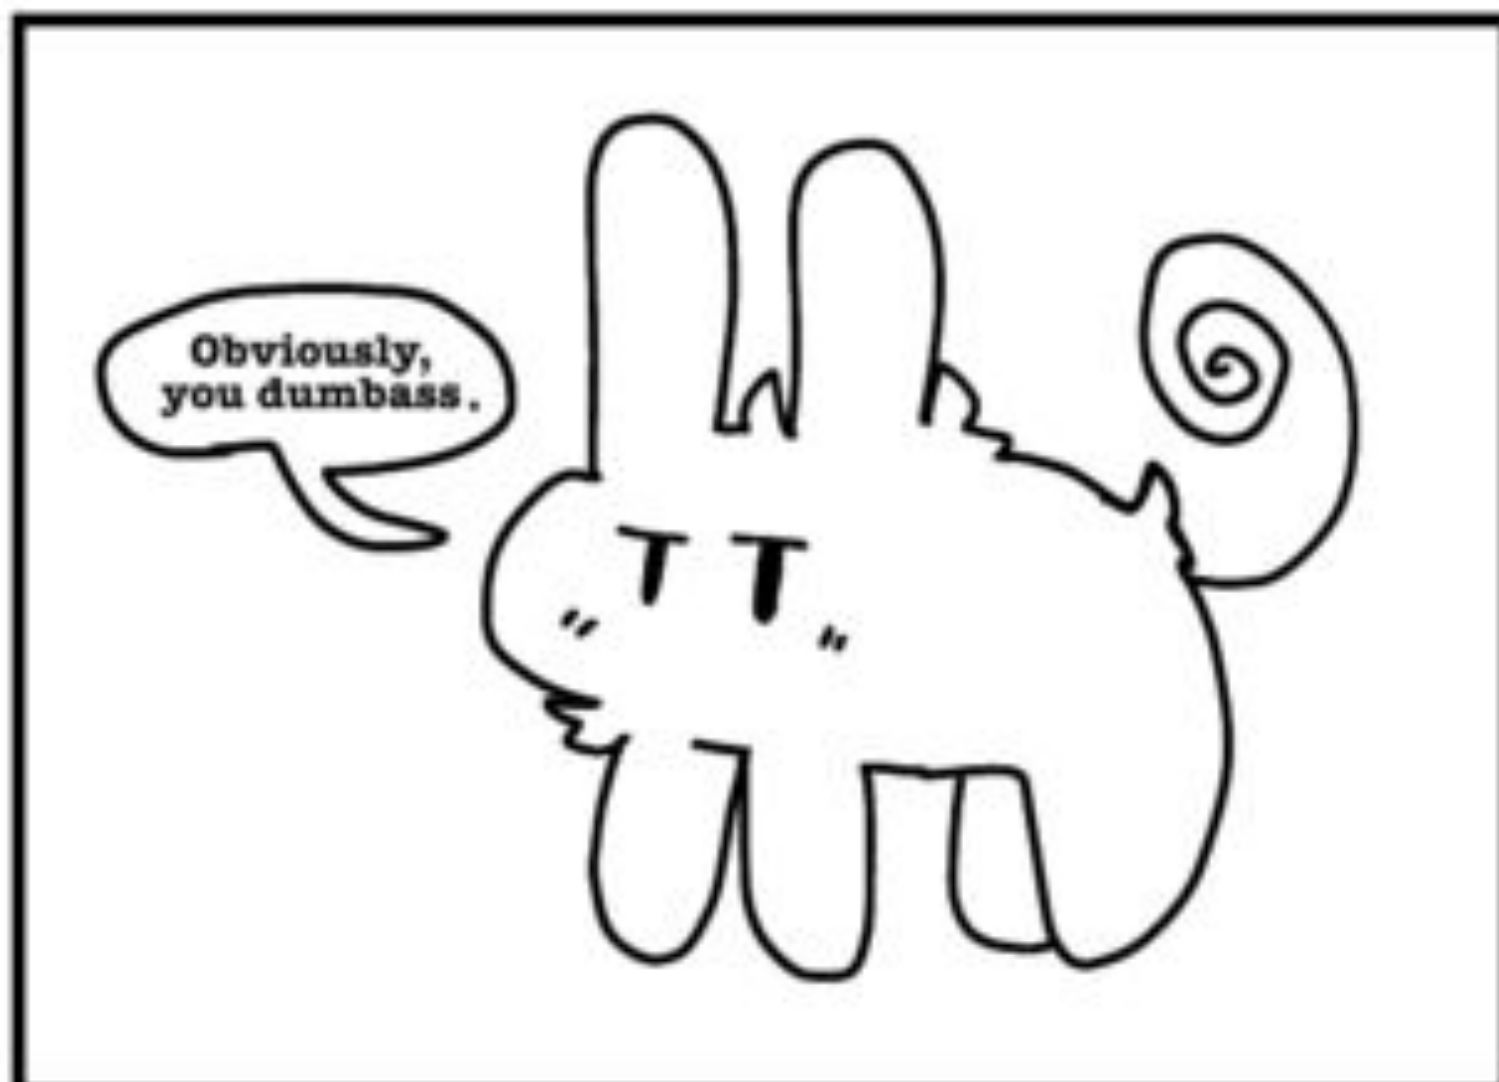

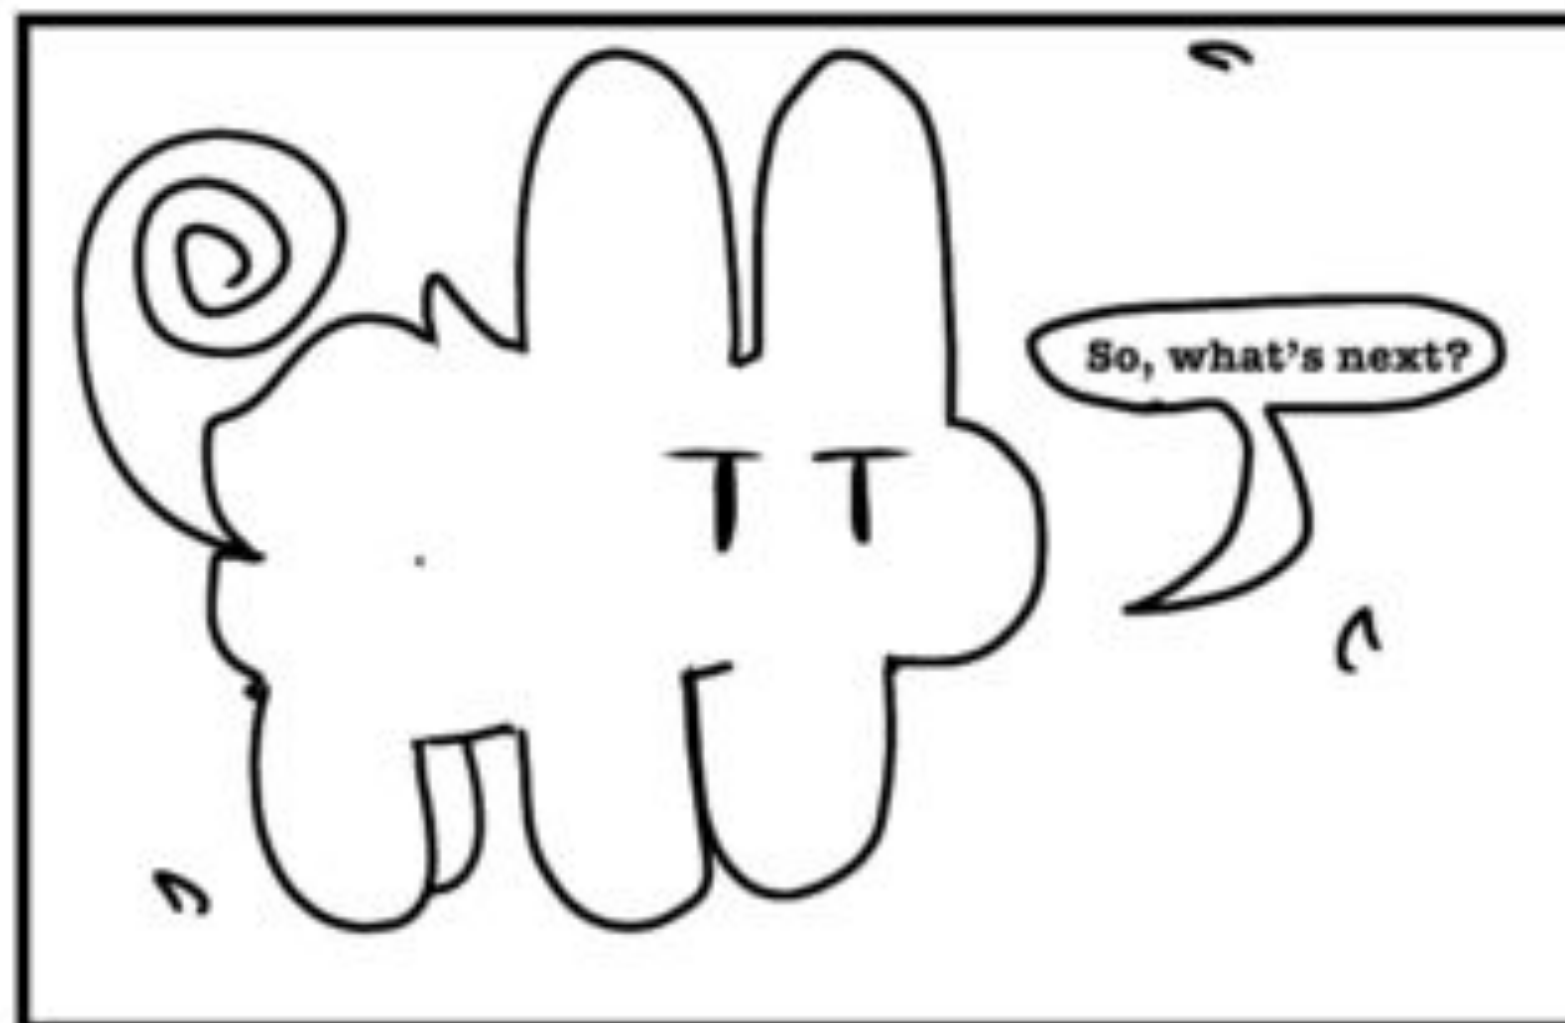

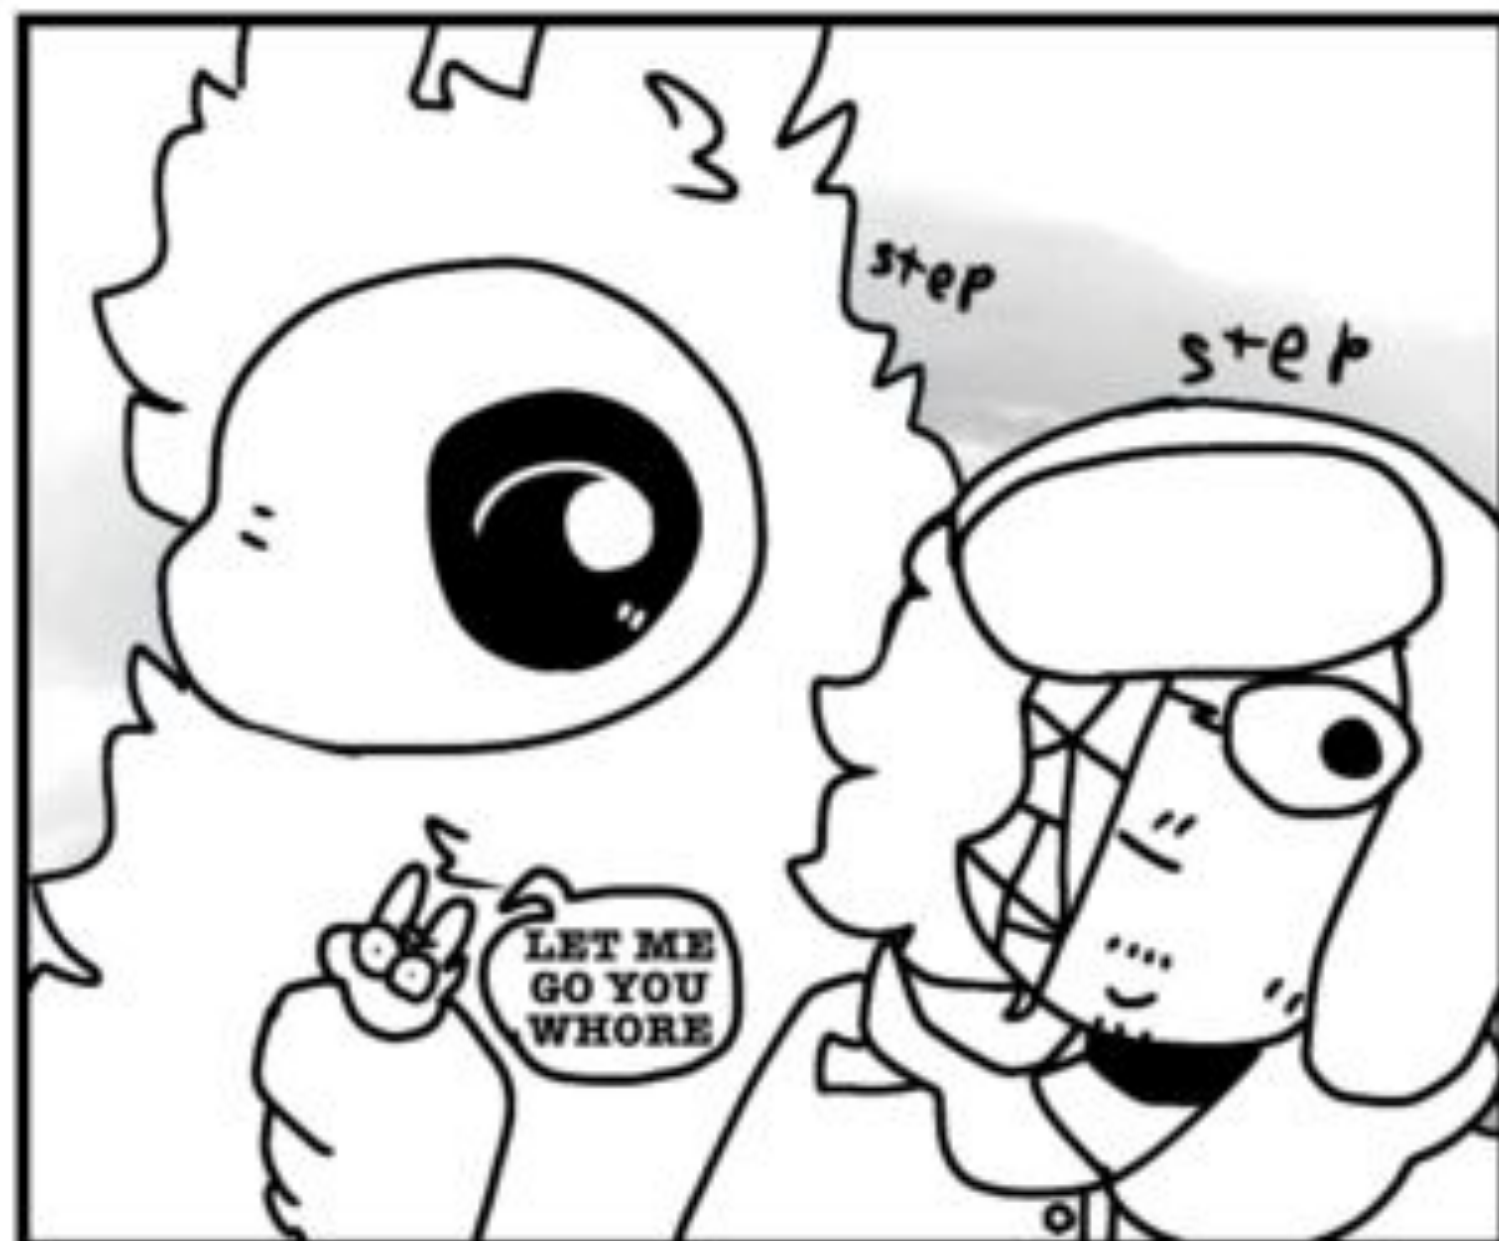

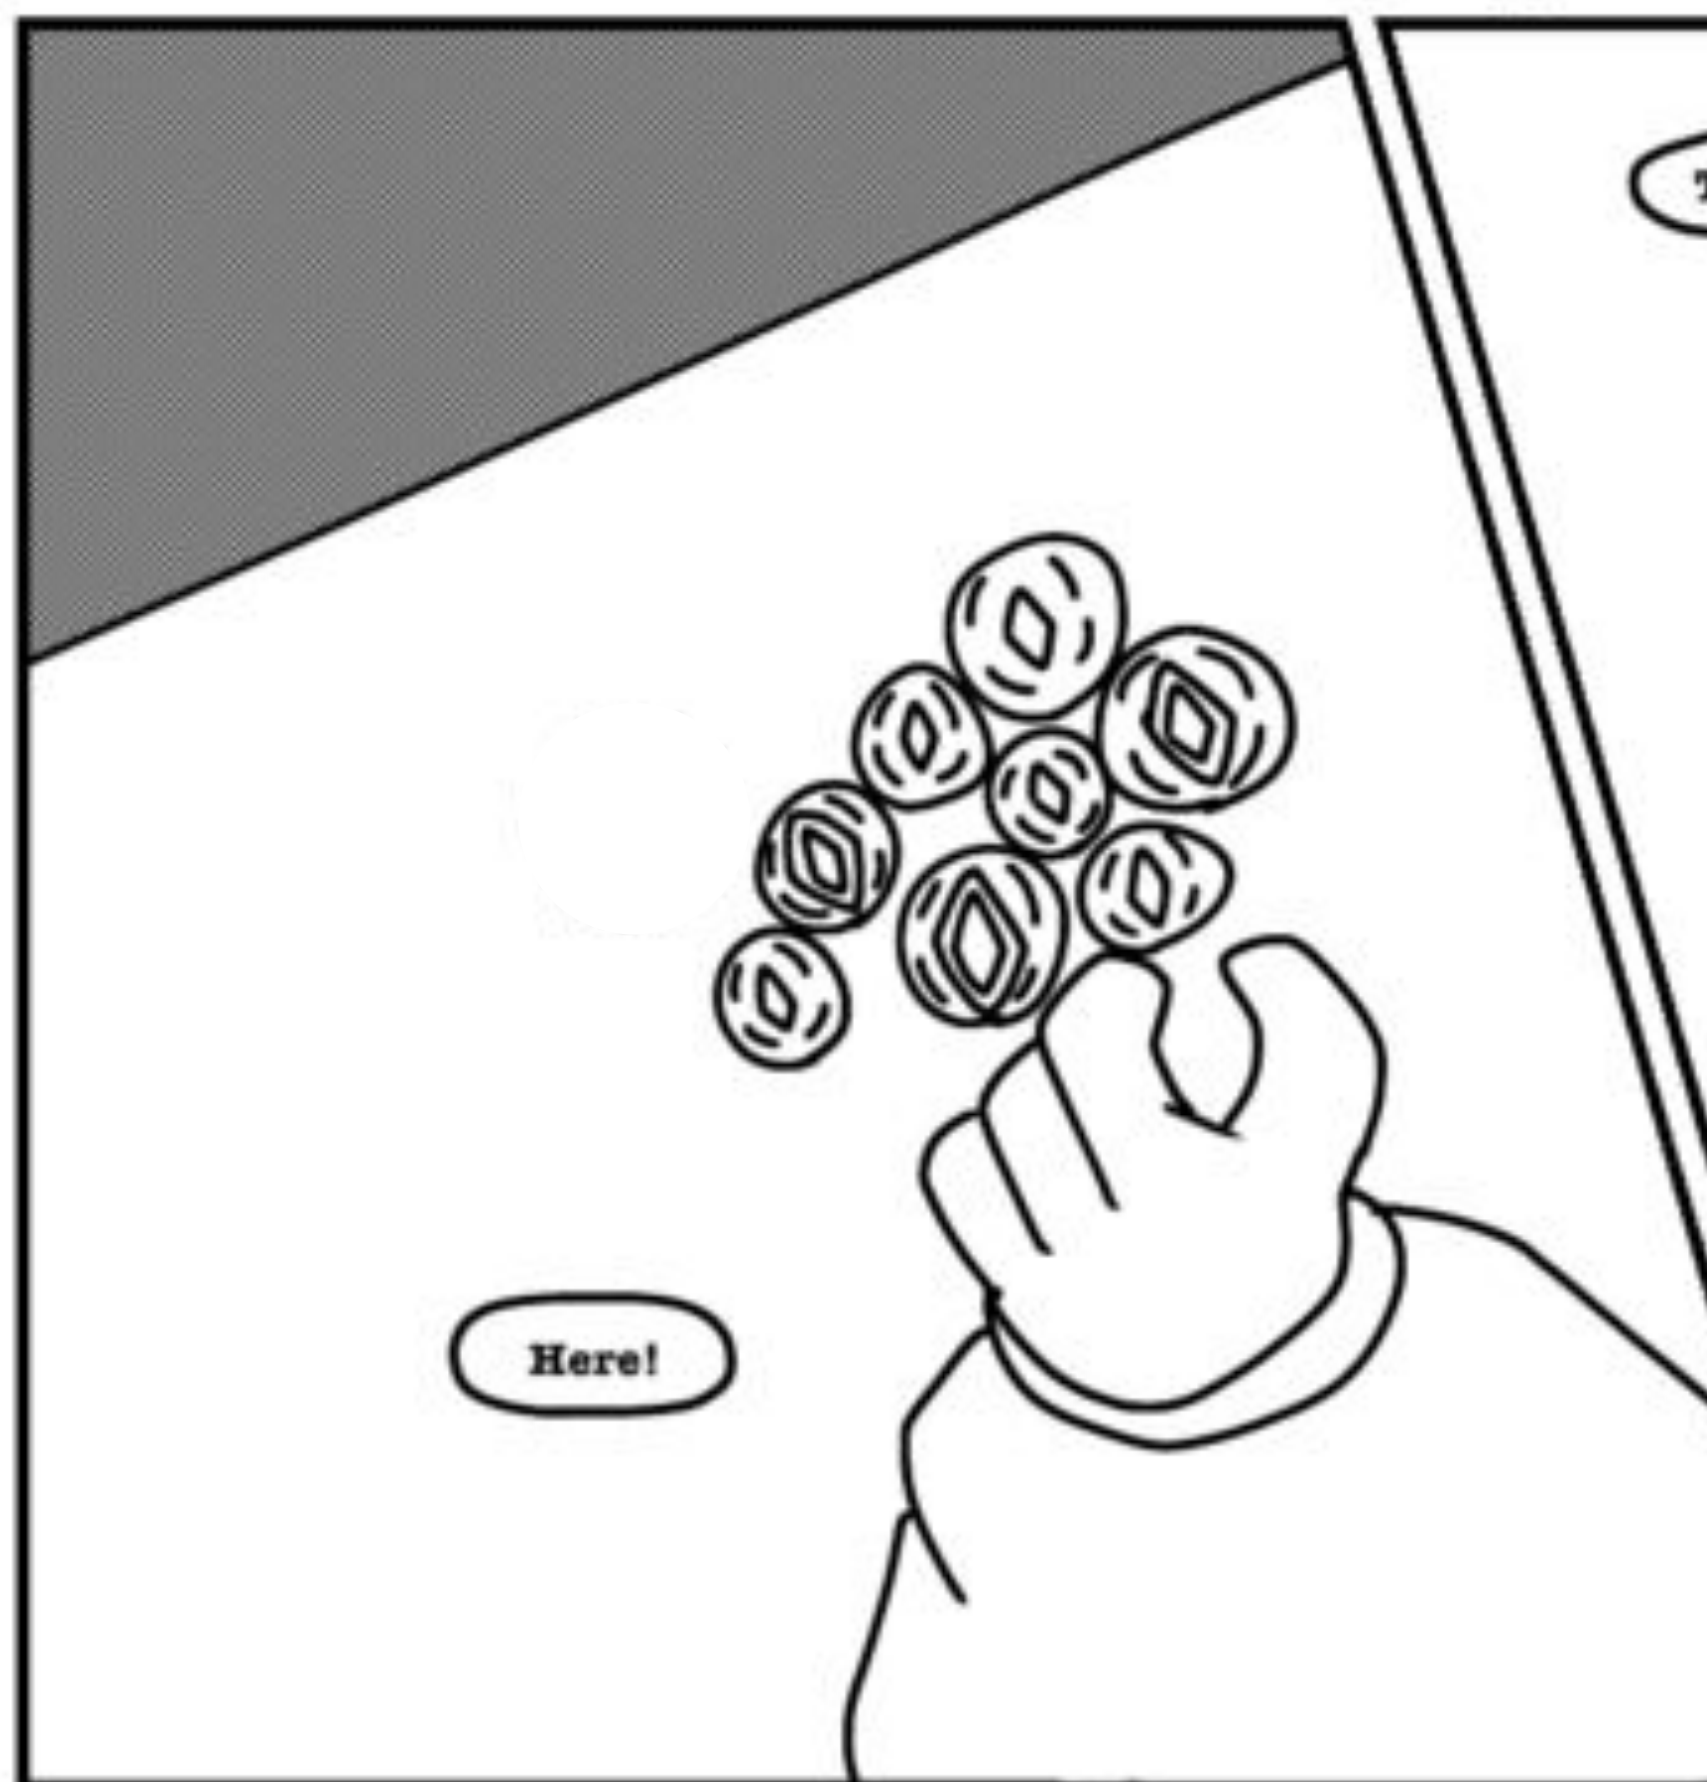

Evan: HOW DID
HE/SHE/THEY
SPEAK IN GOD DAMN
MORSE CODE WTF BRO
AND HOW DID PEBIS
UNDERSTAND OH MY GOD

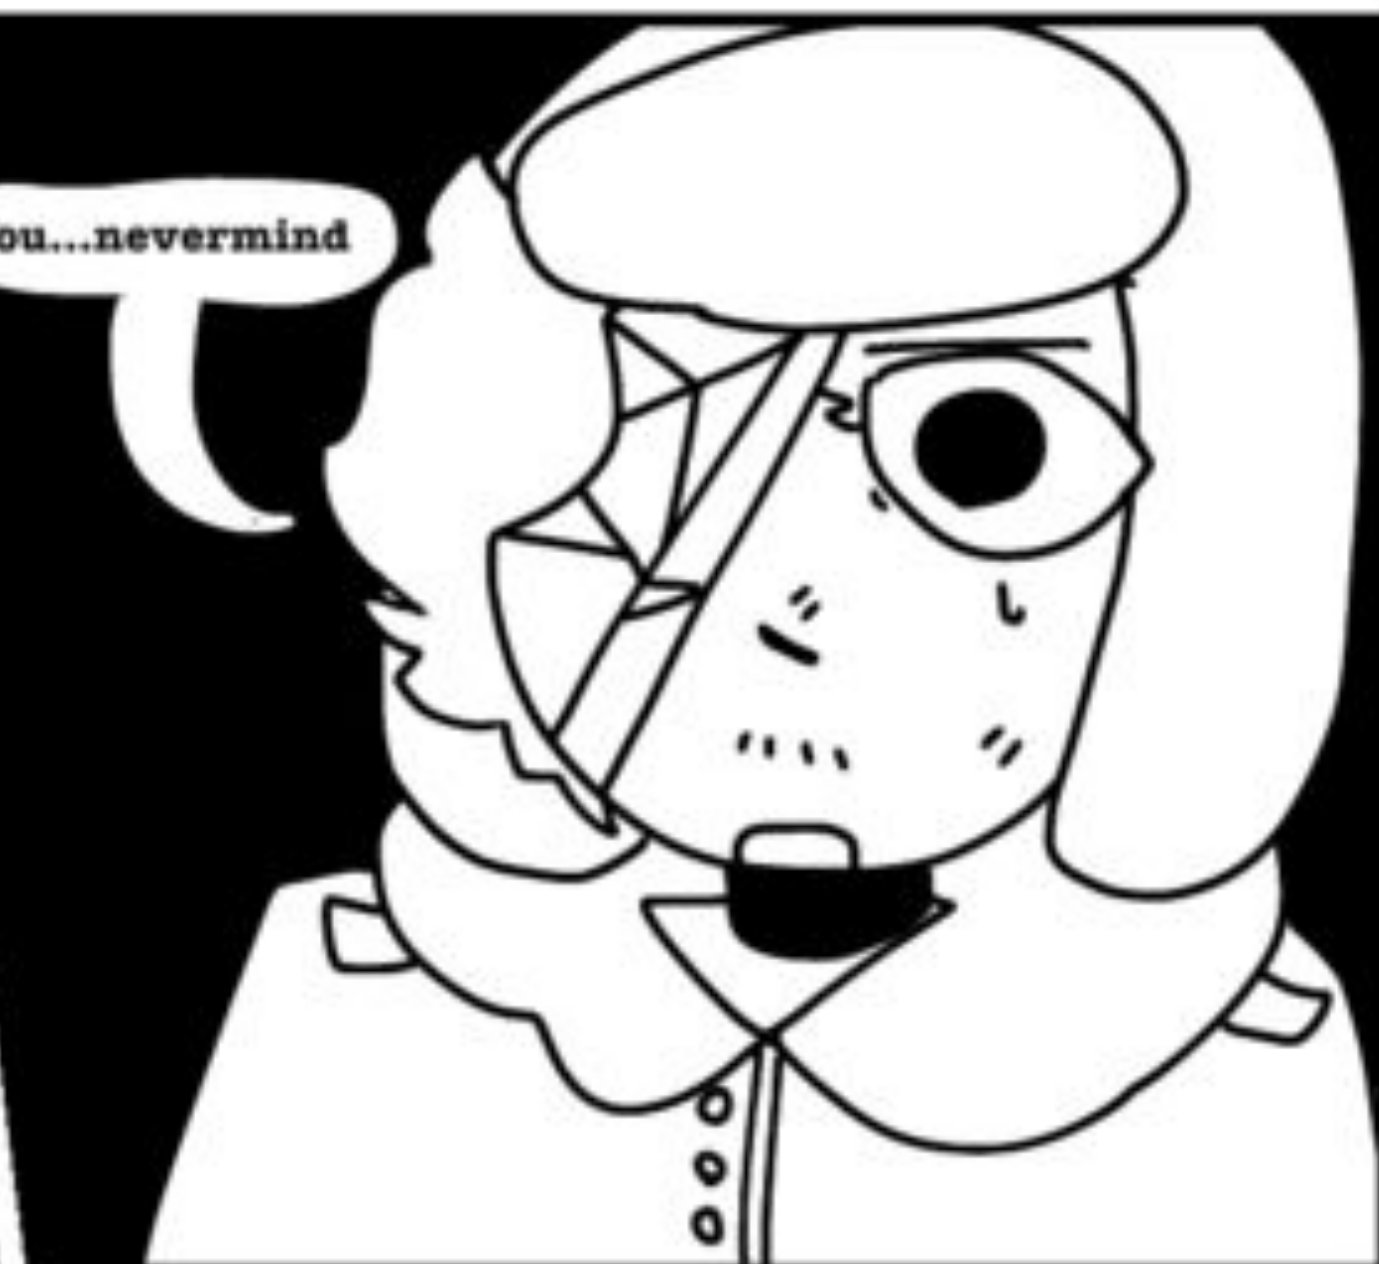

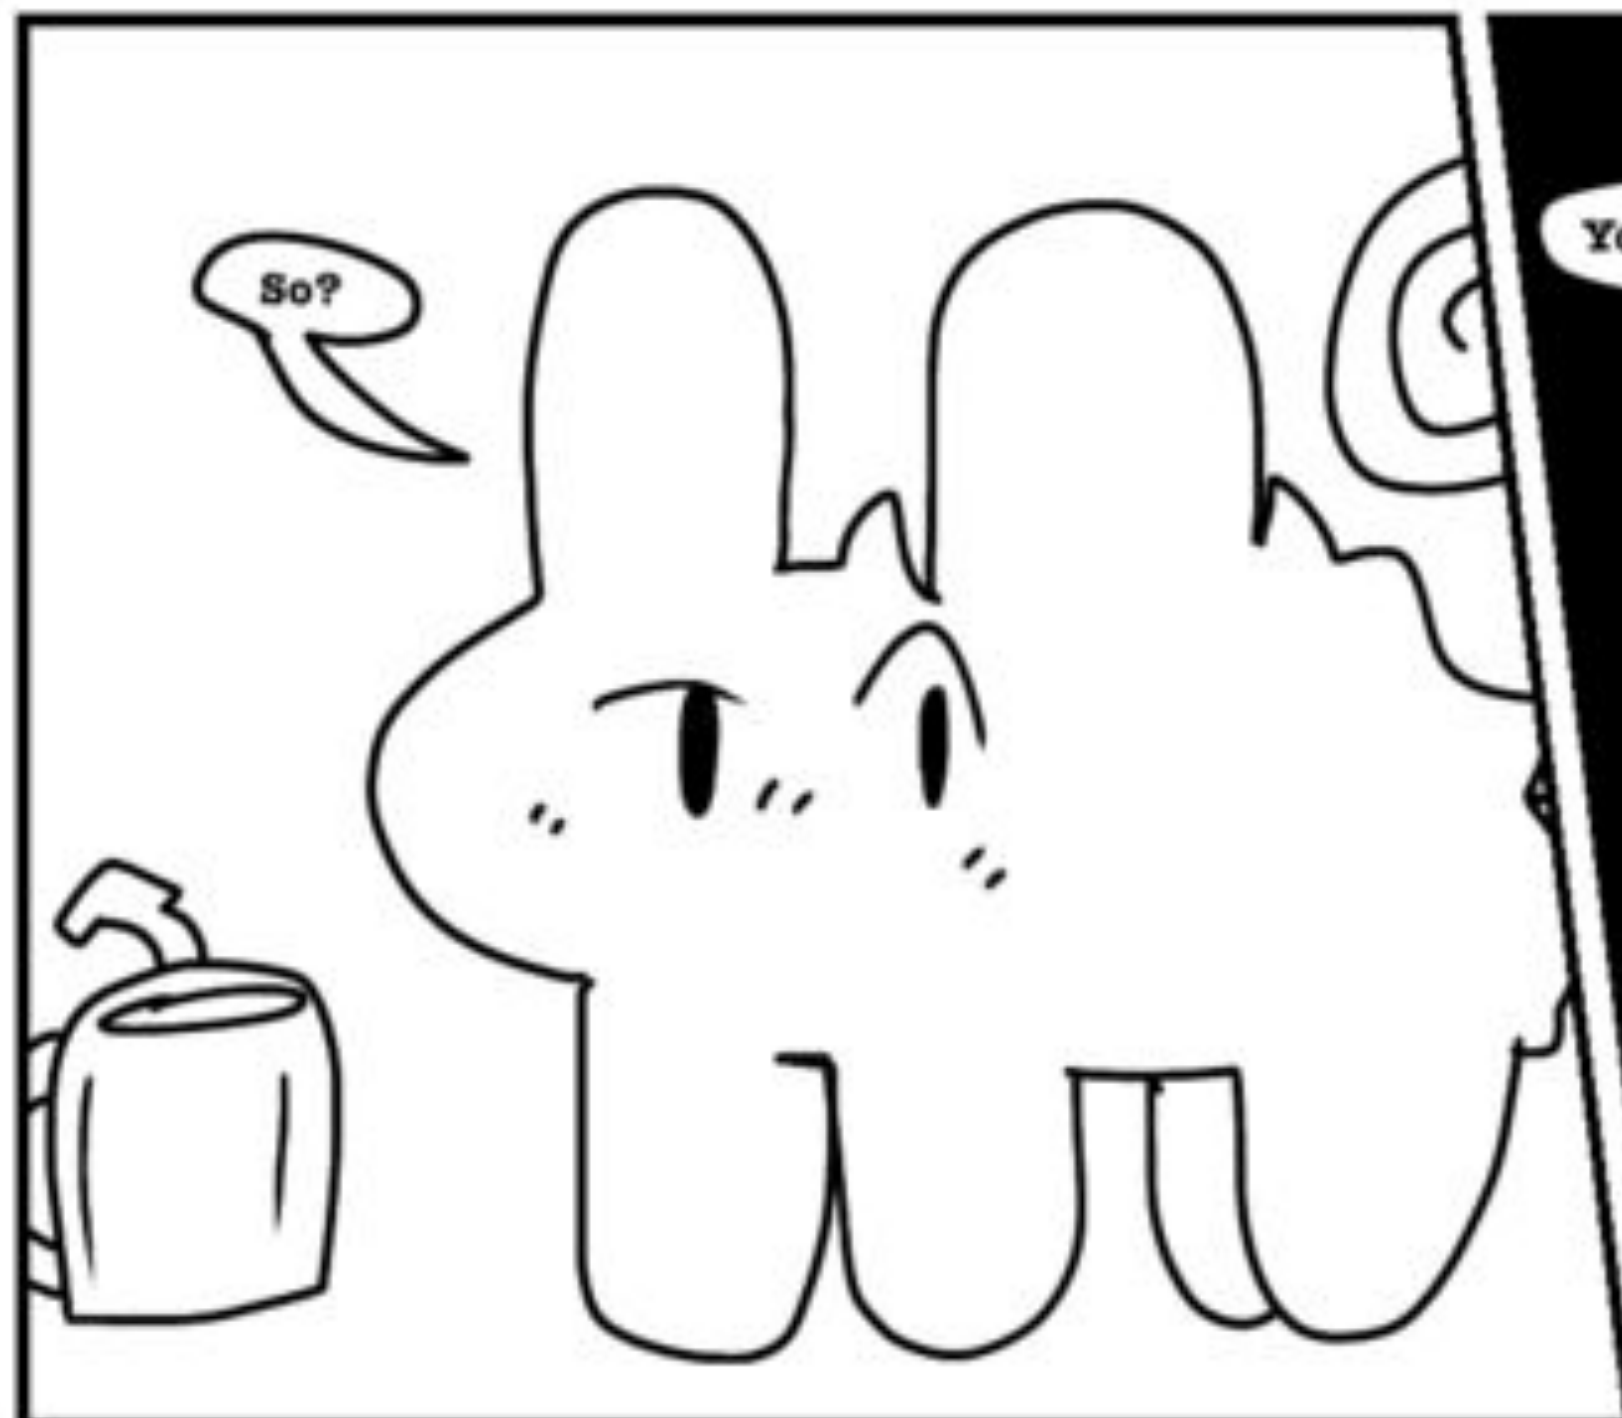

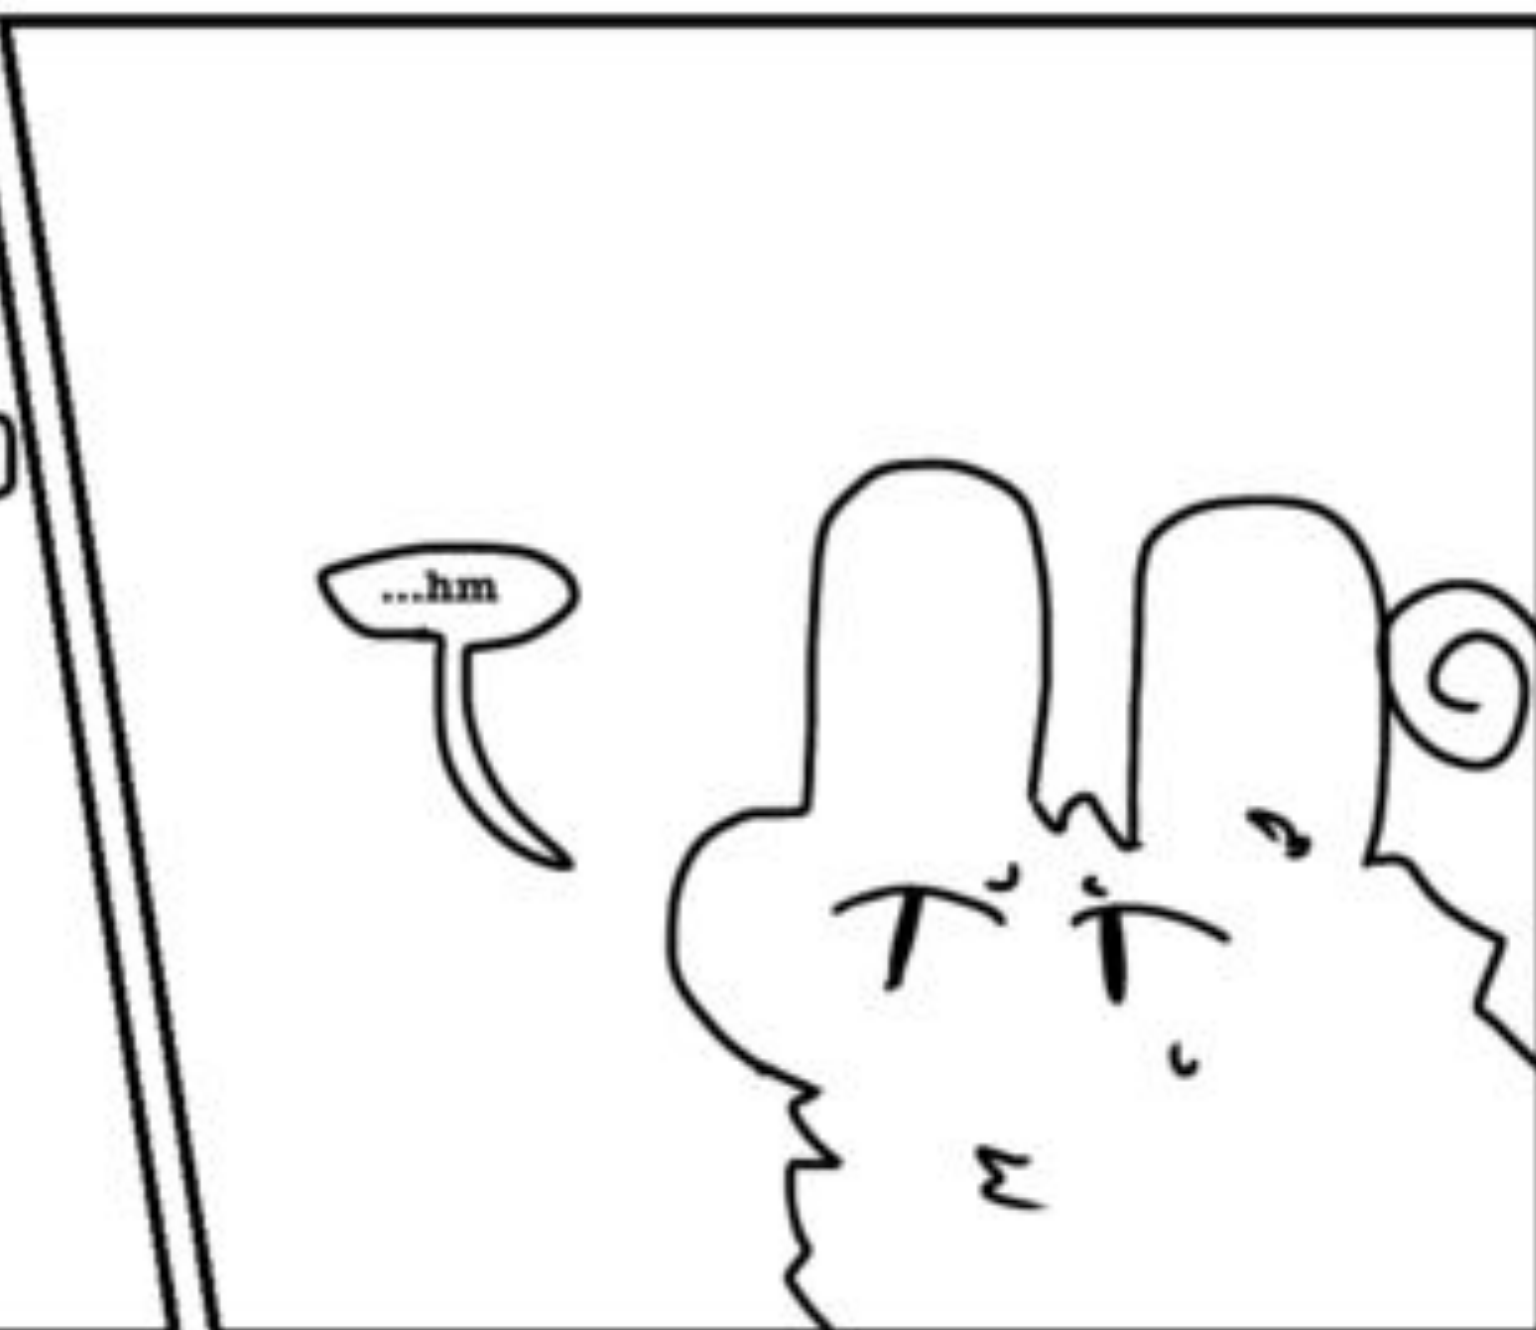

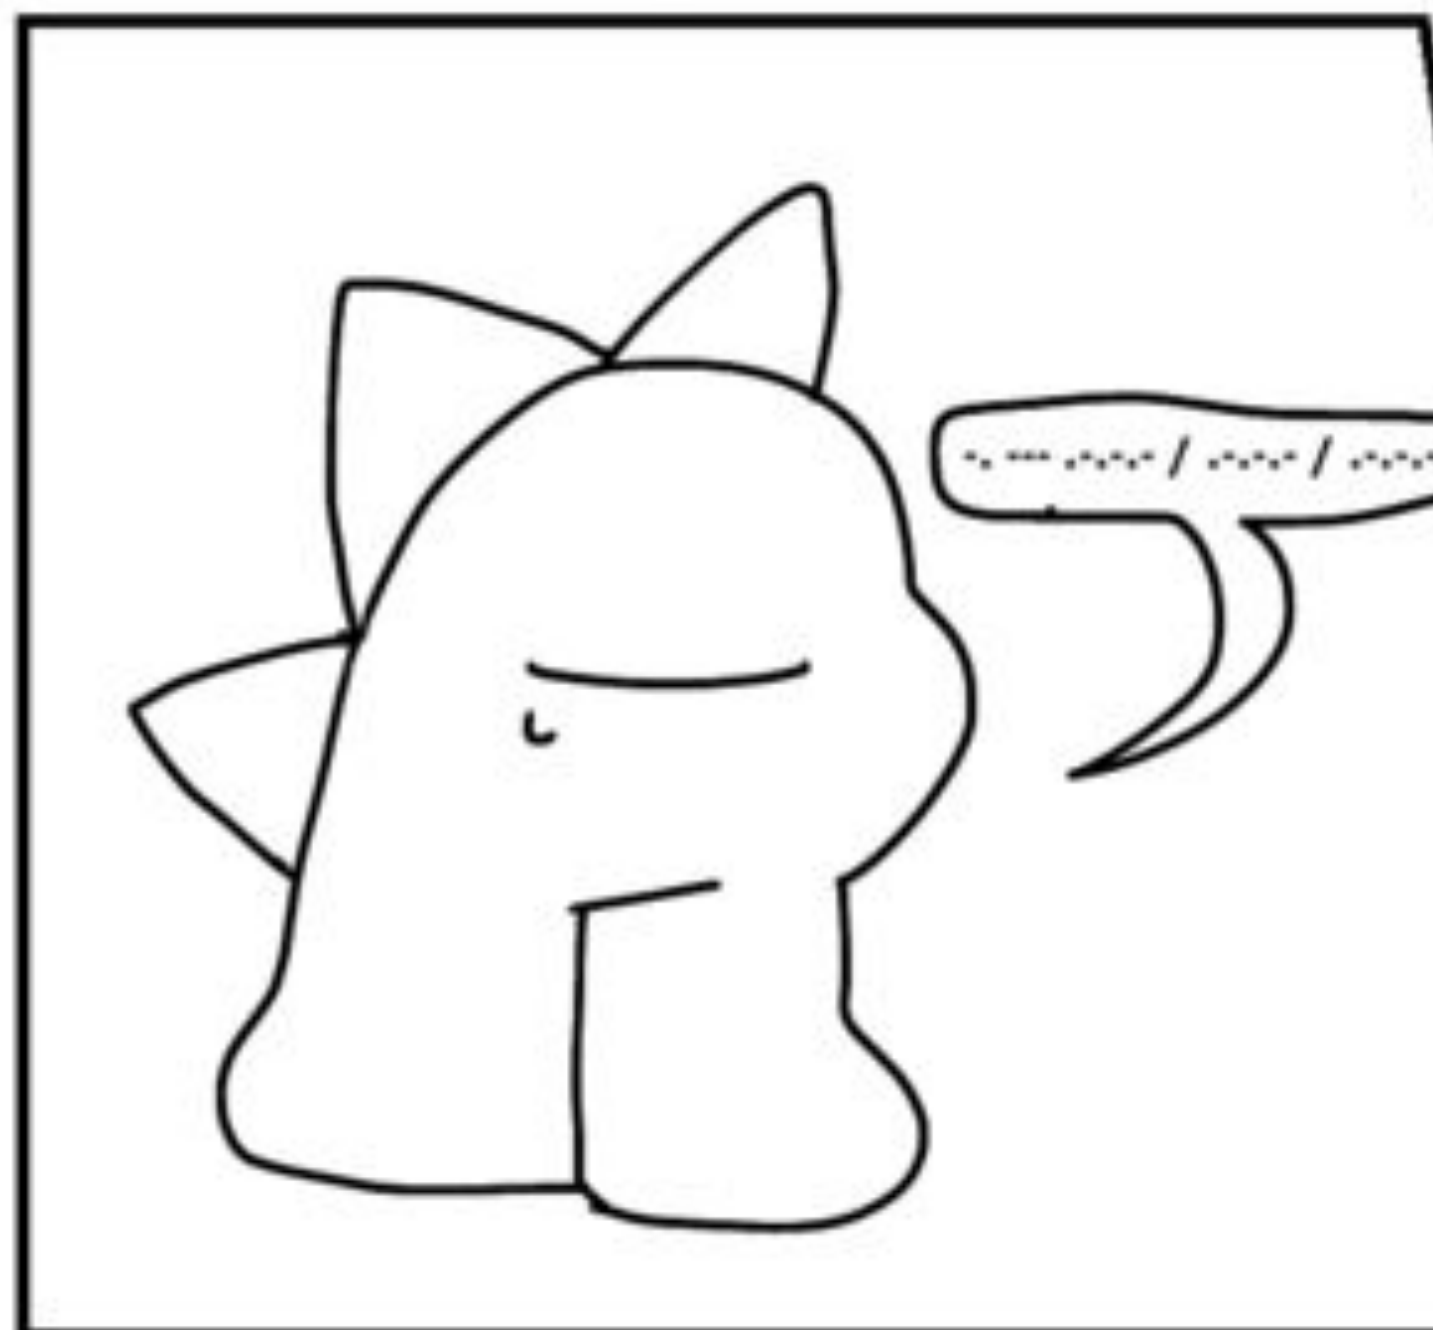

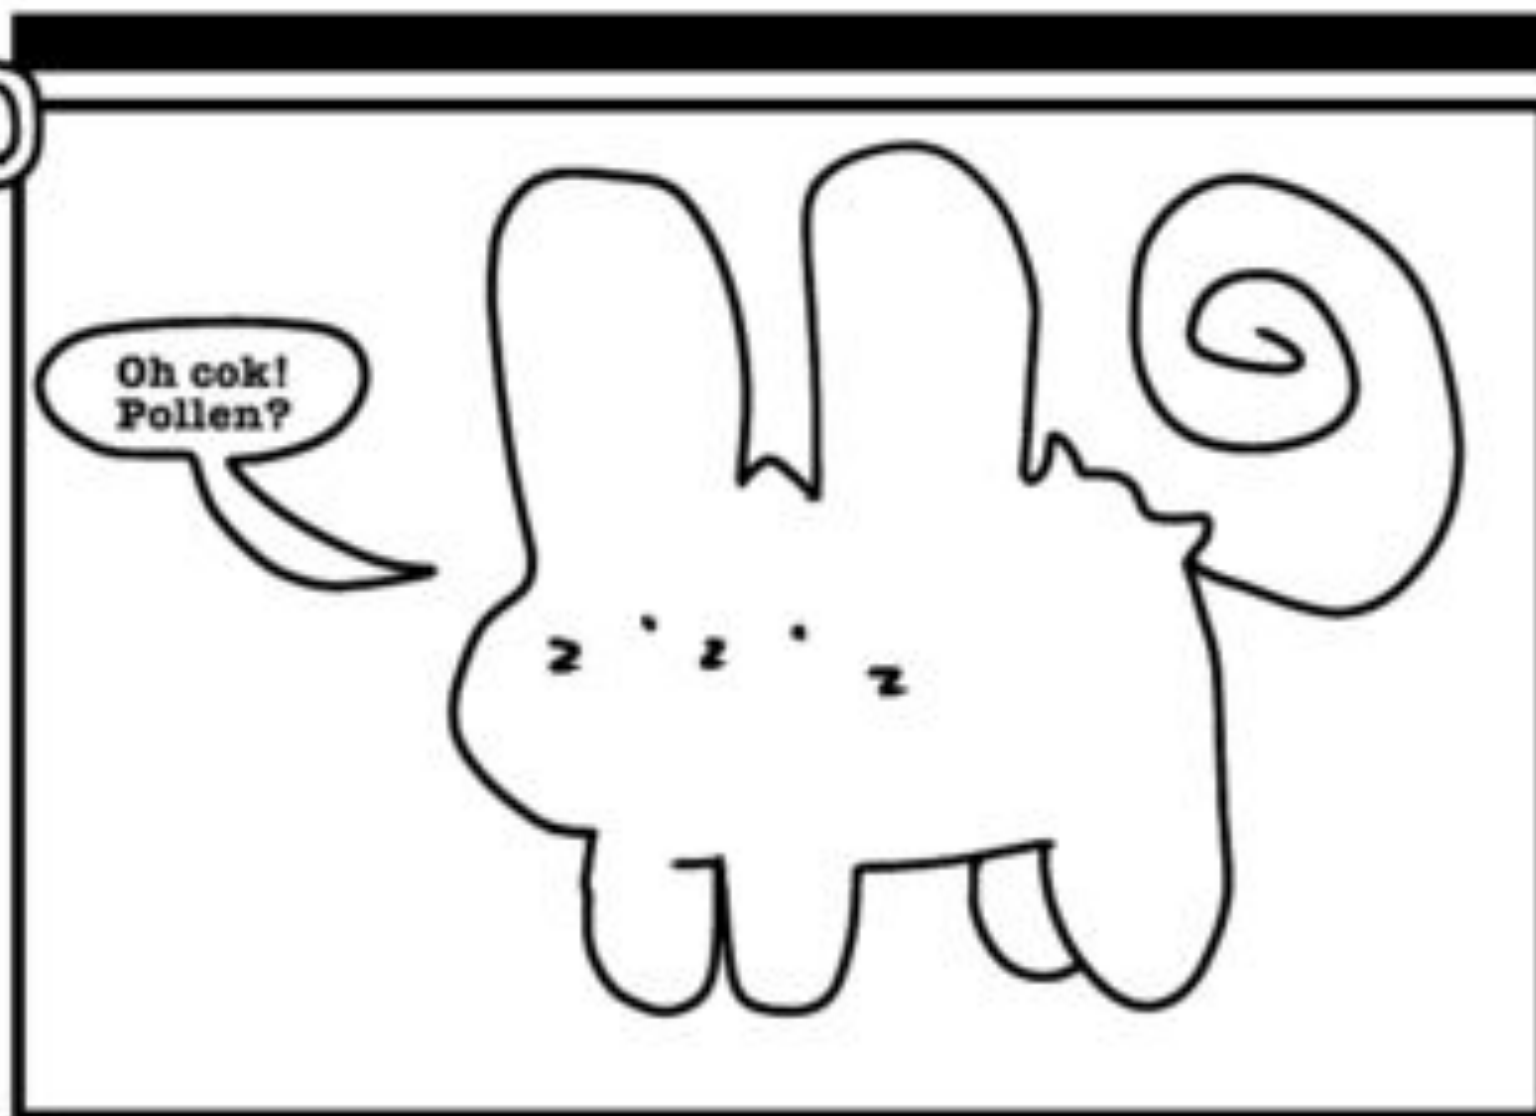

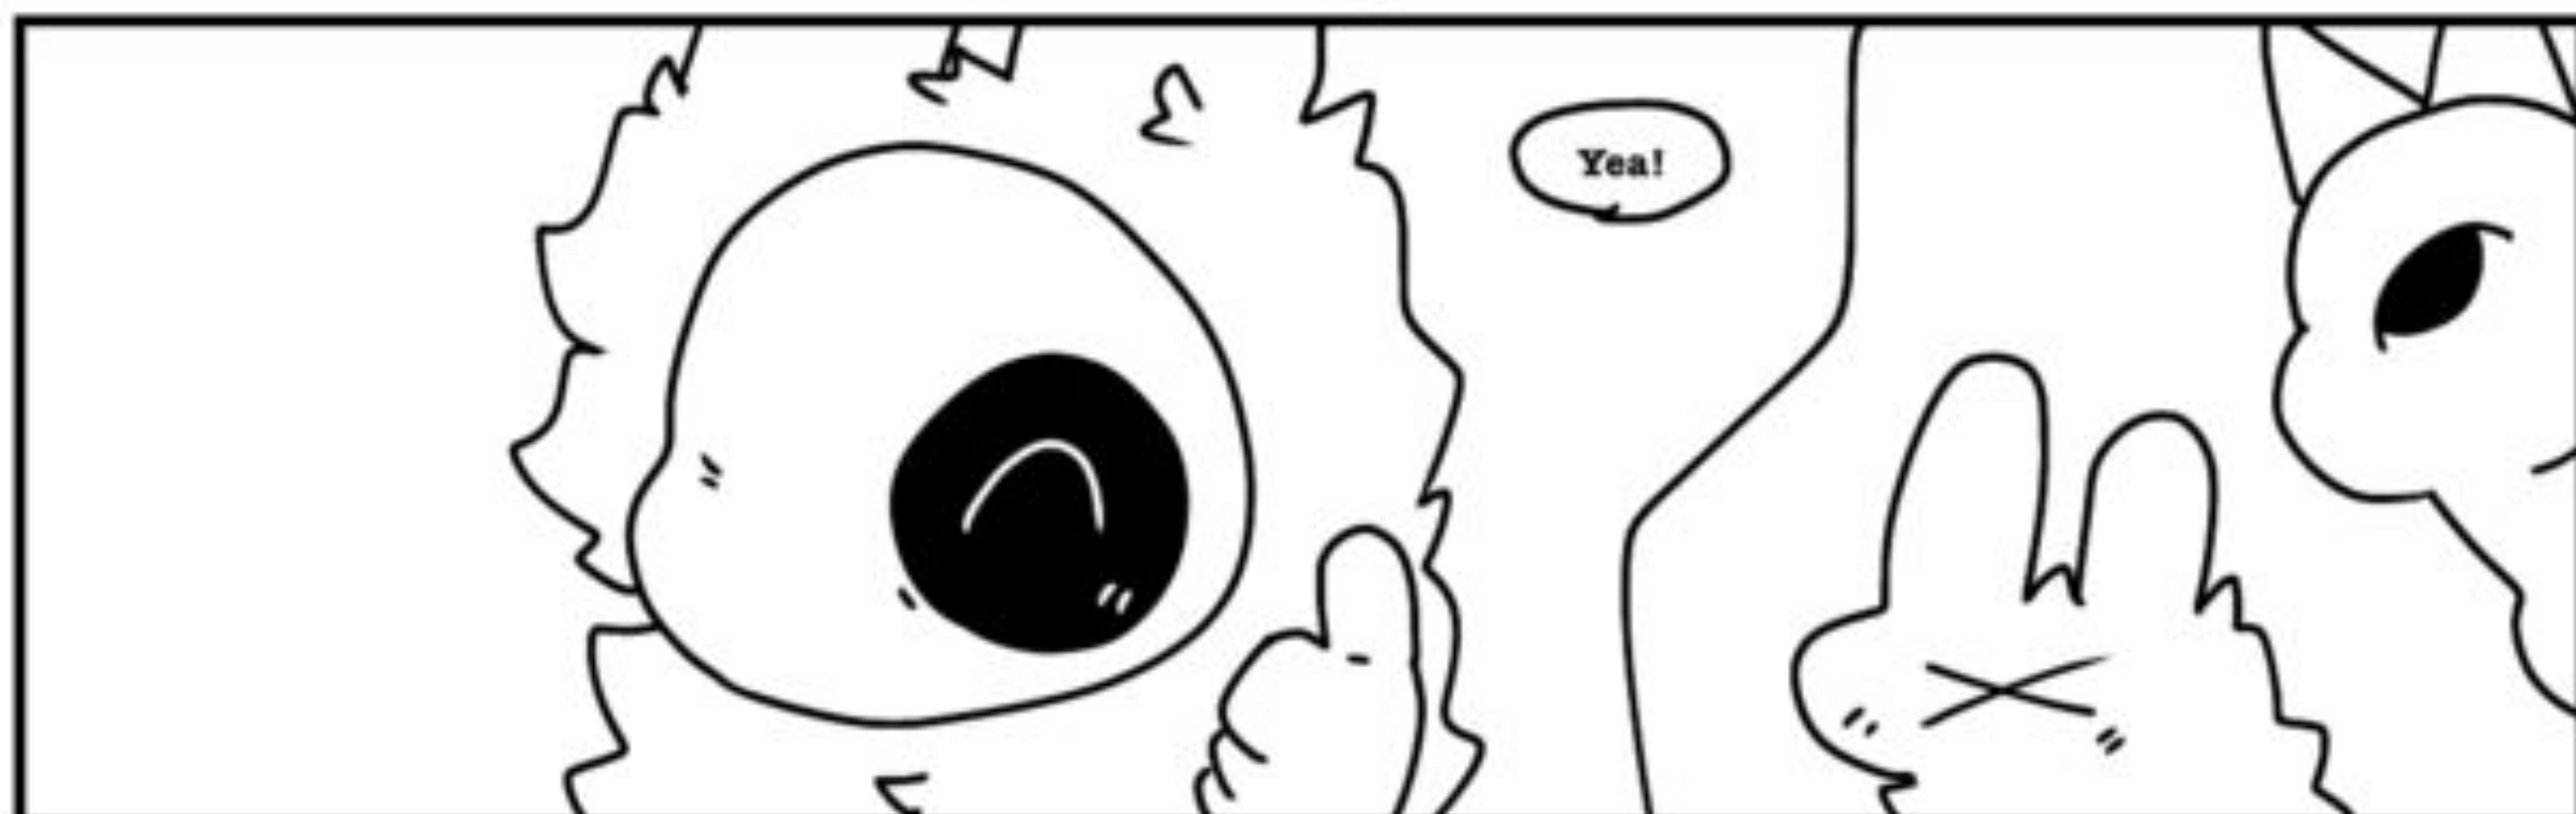

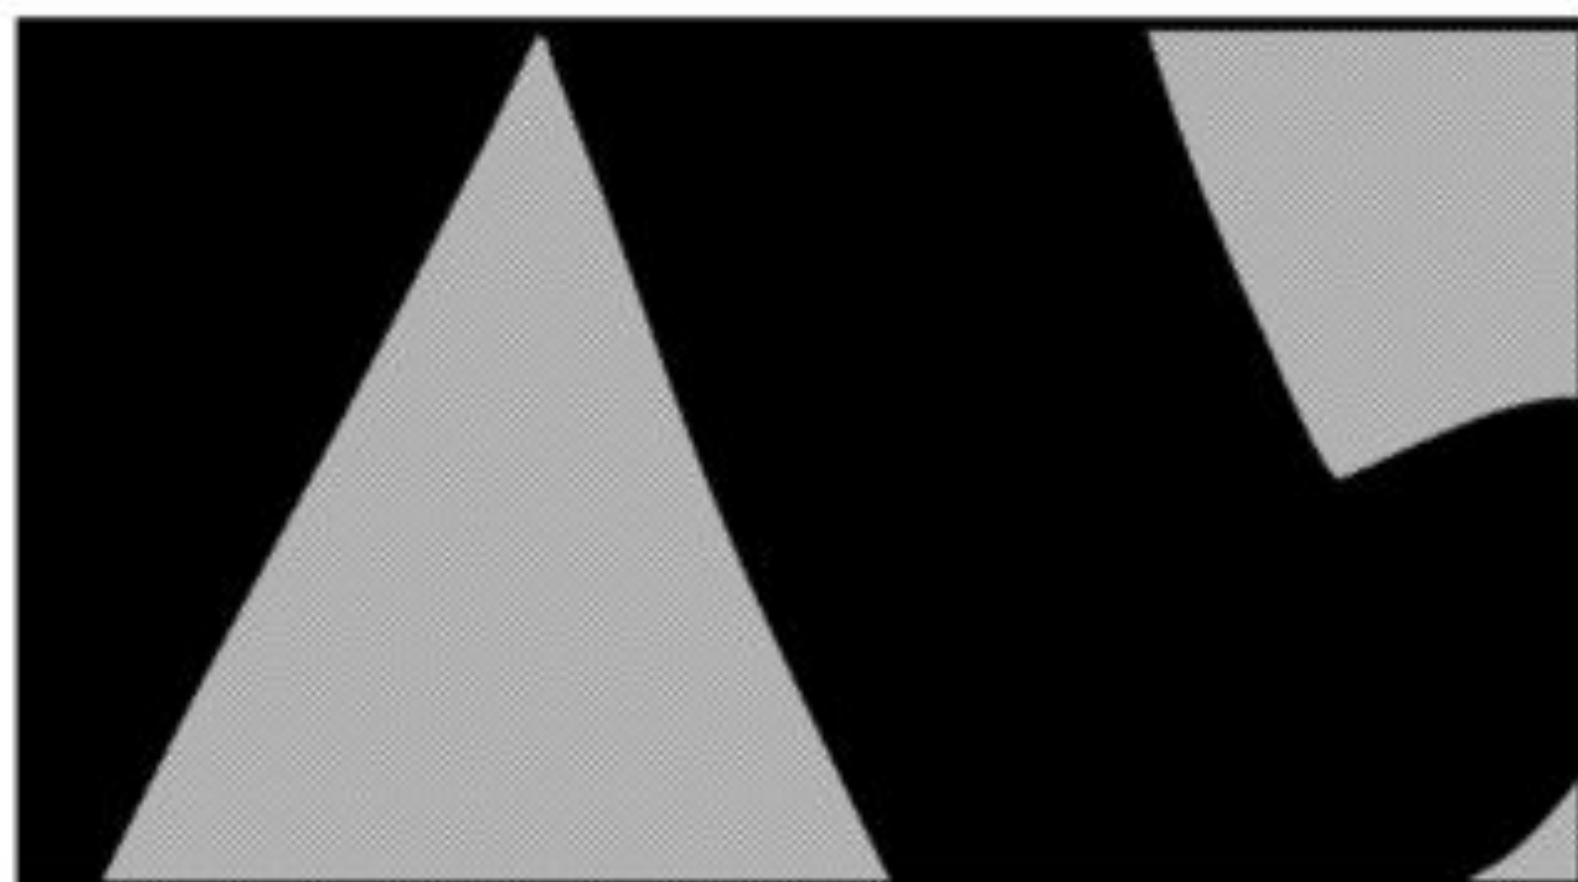

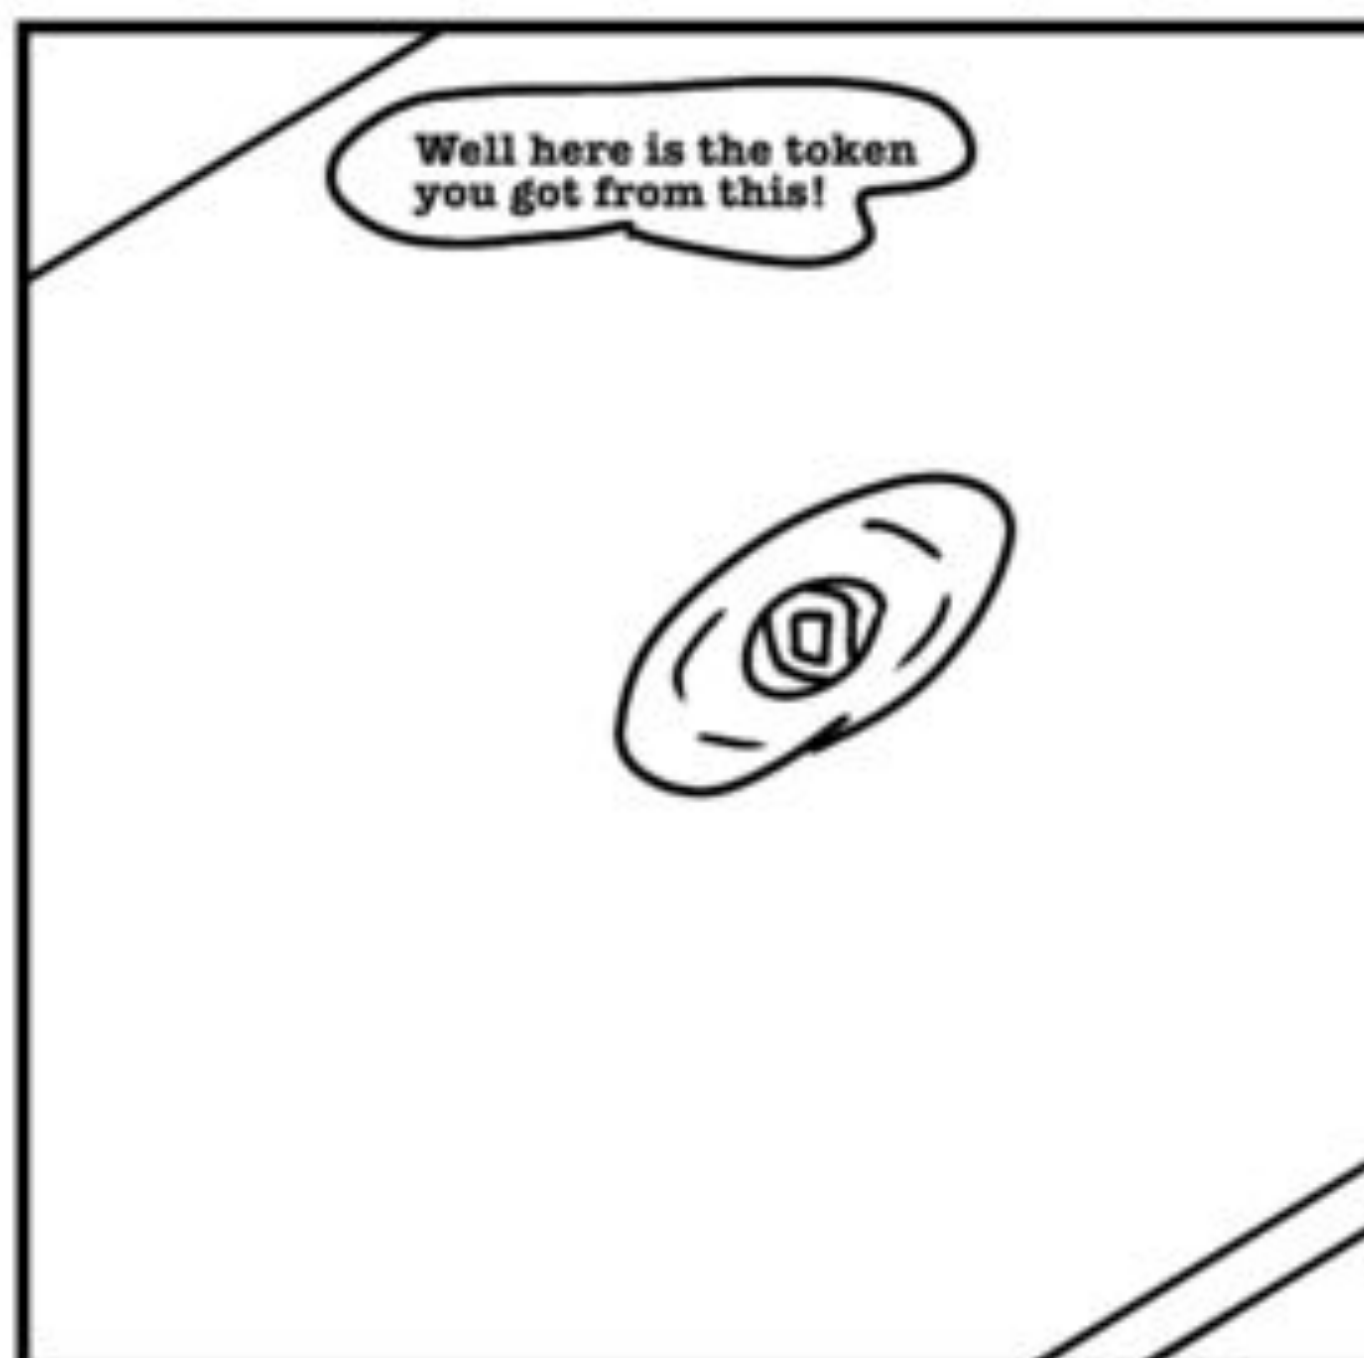

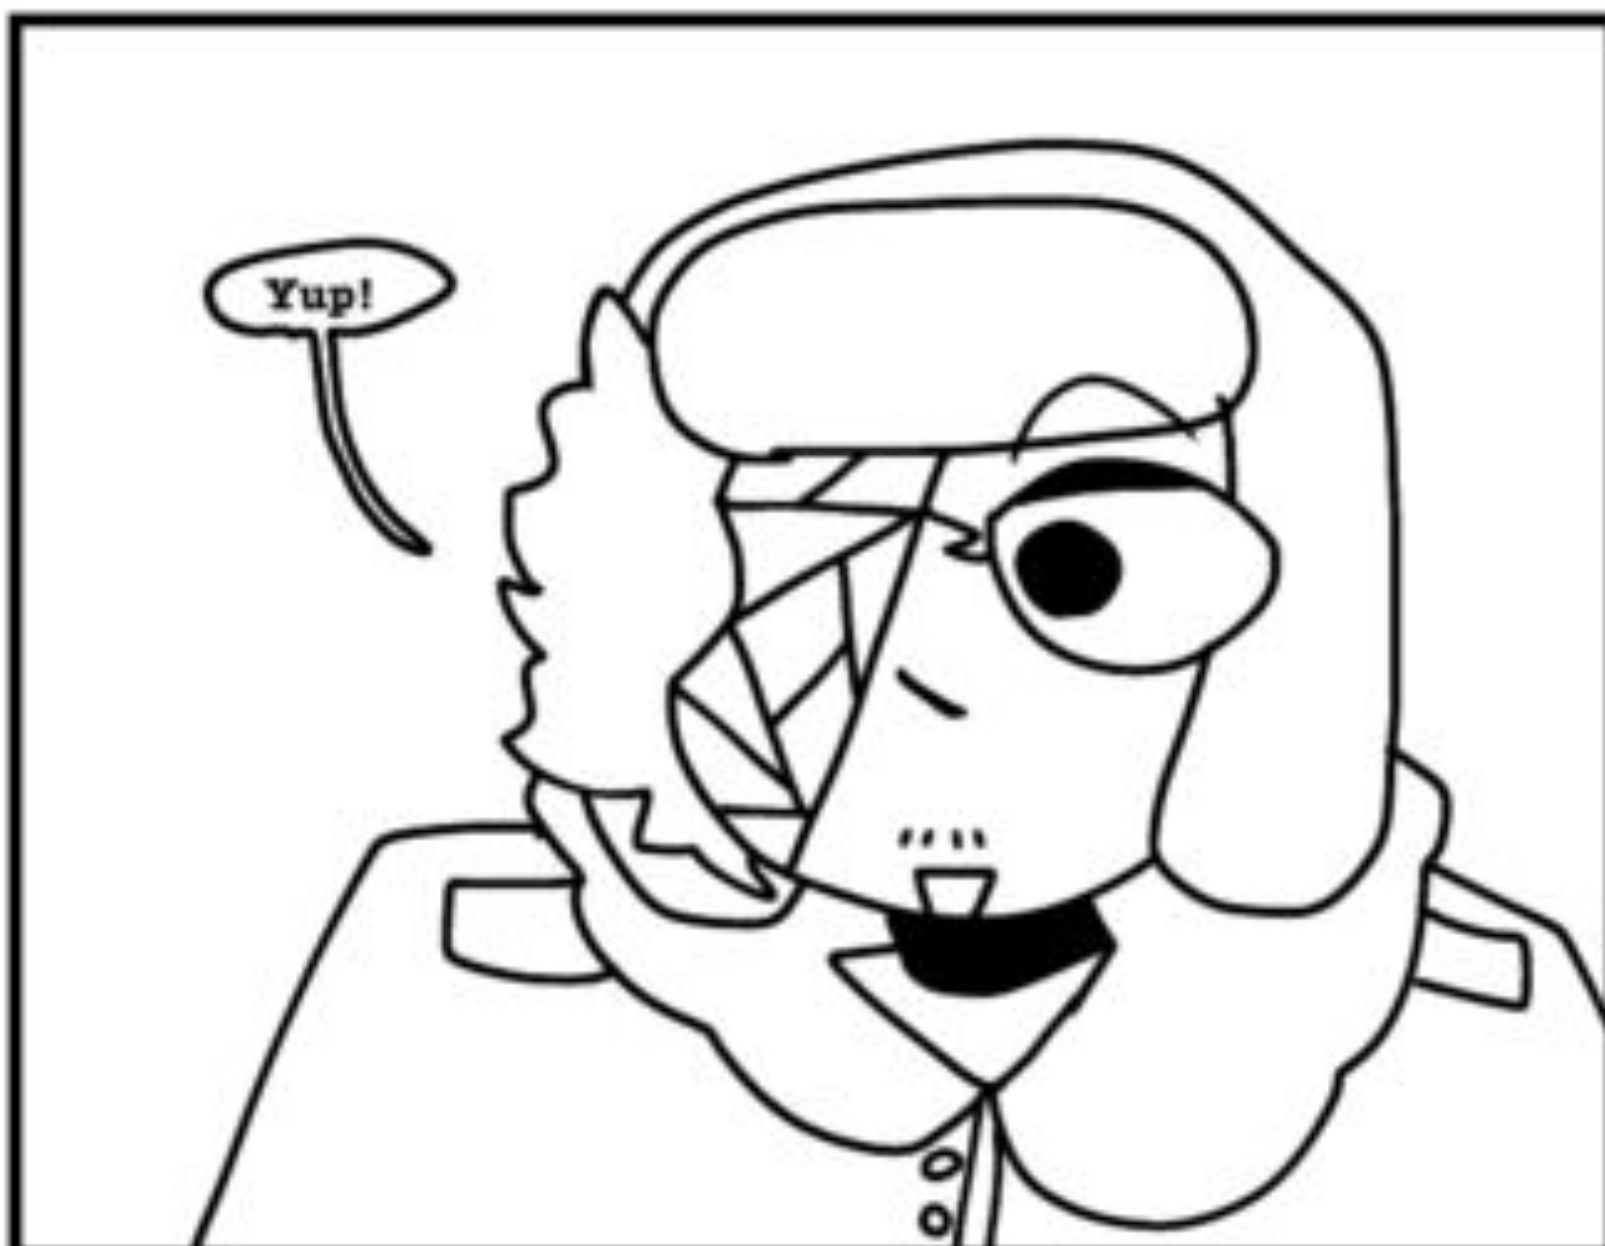

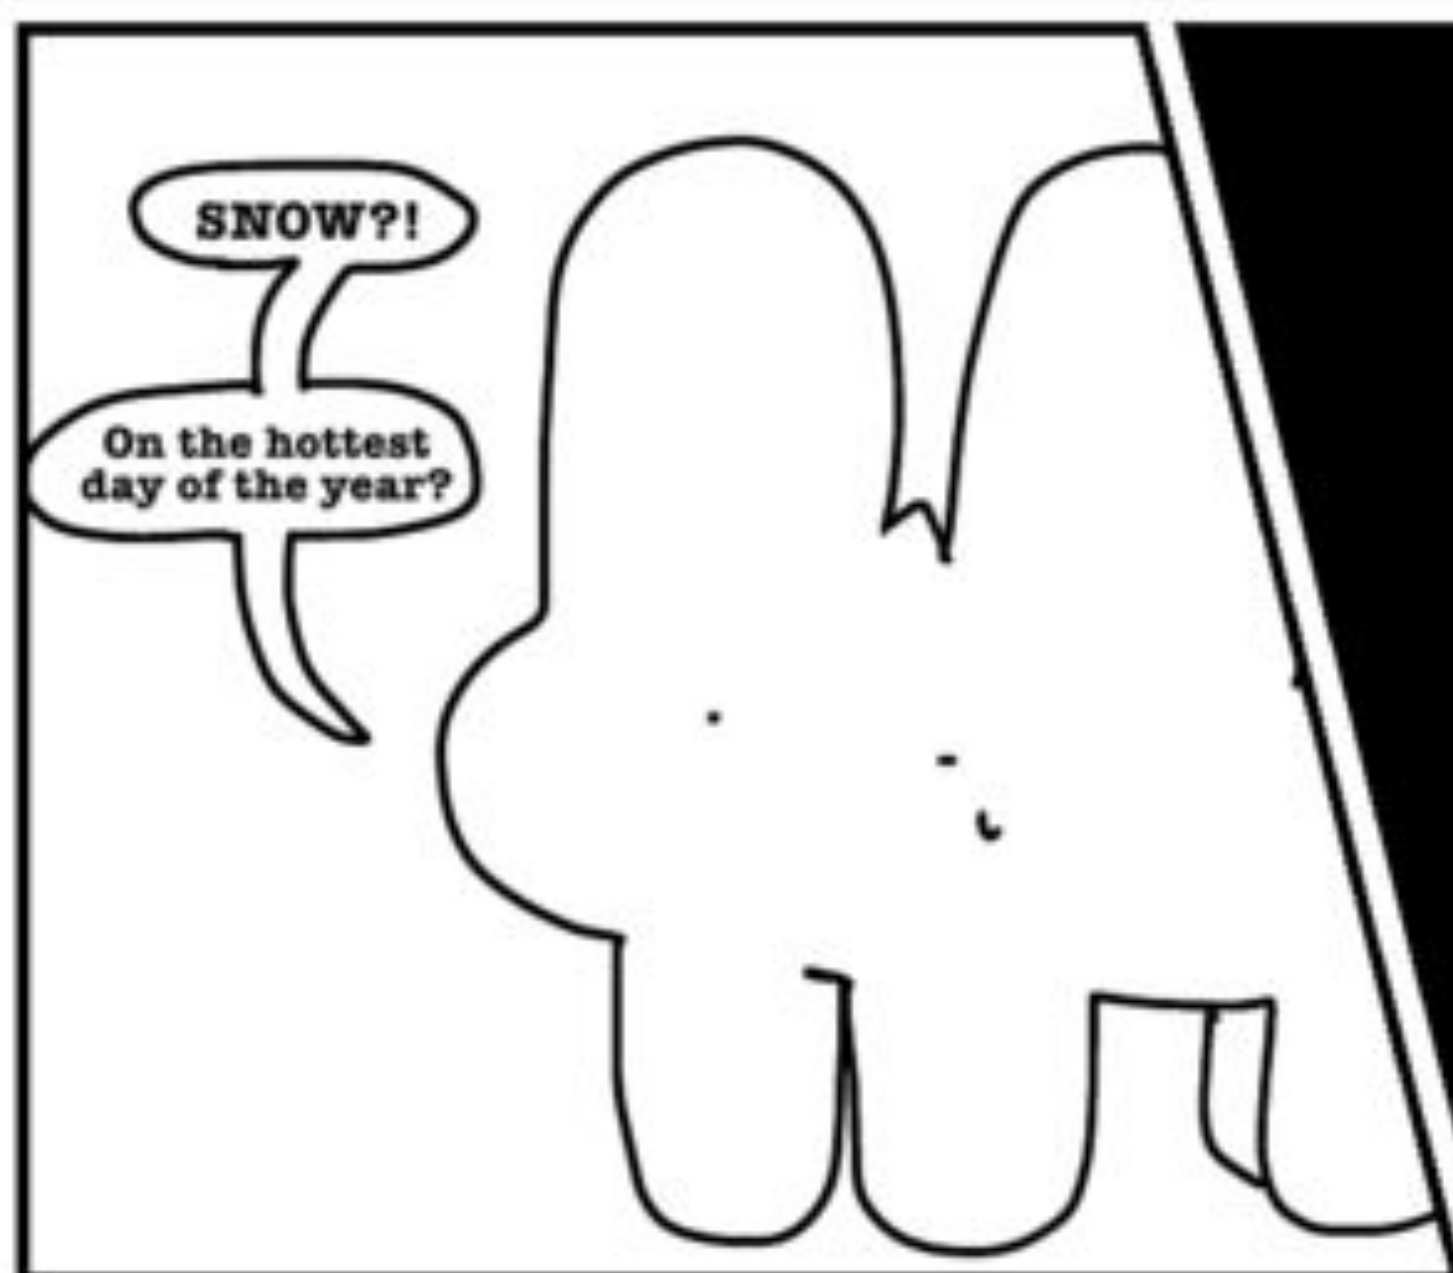

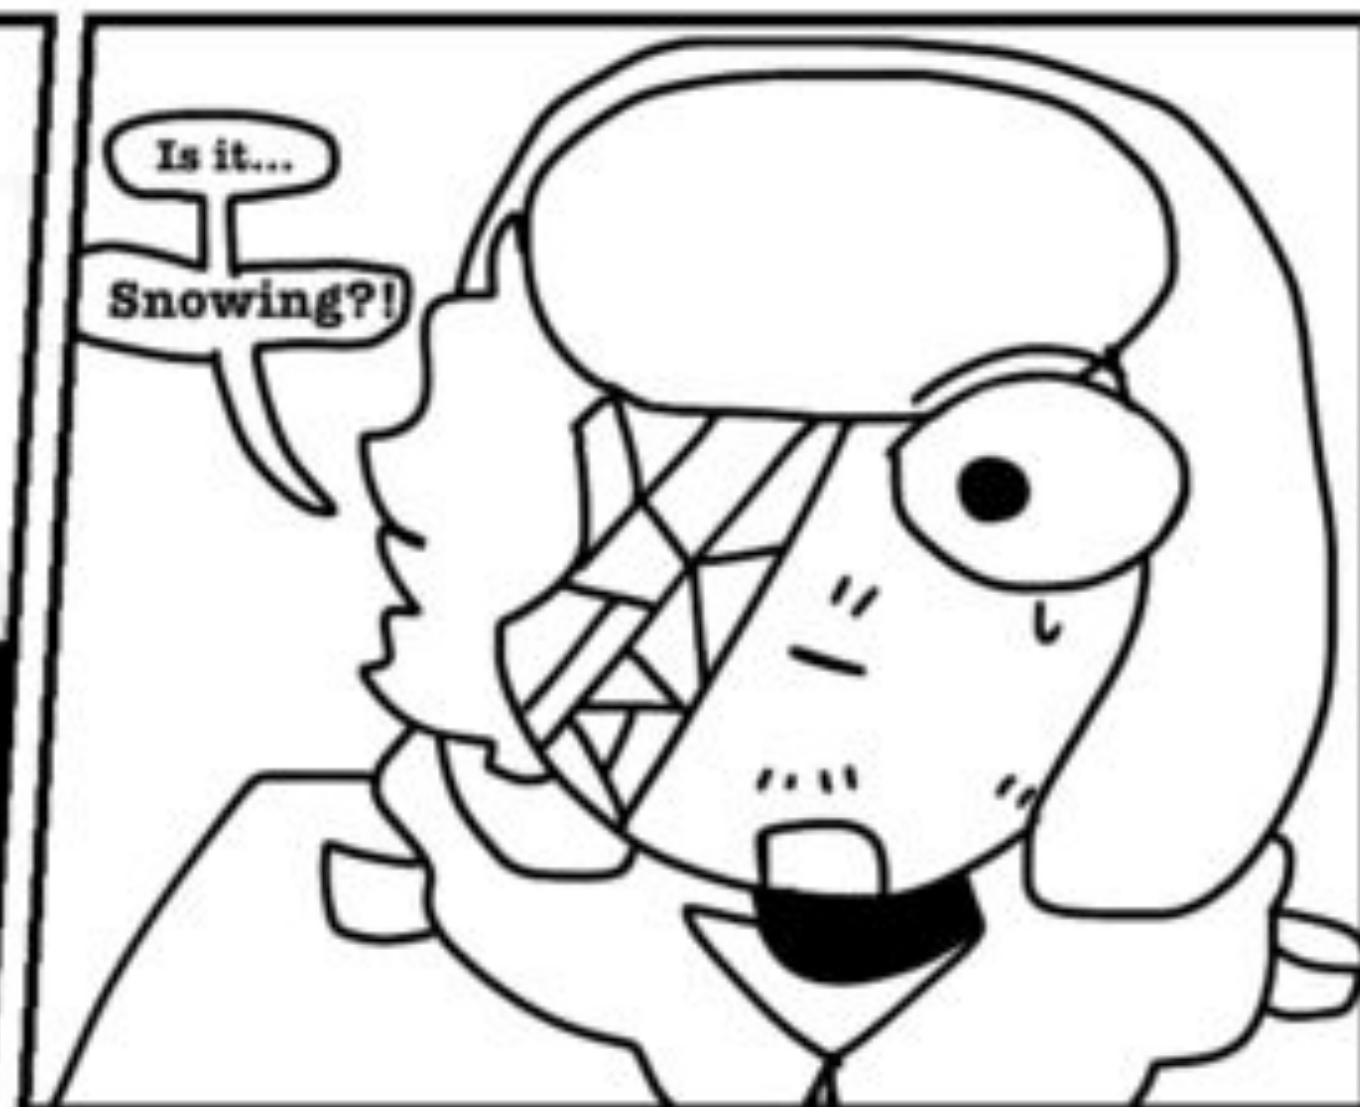

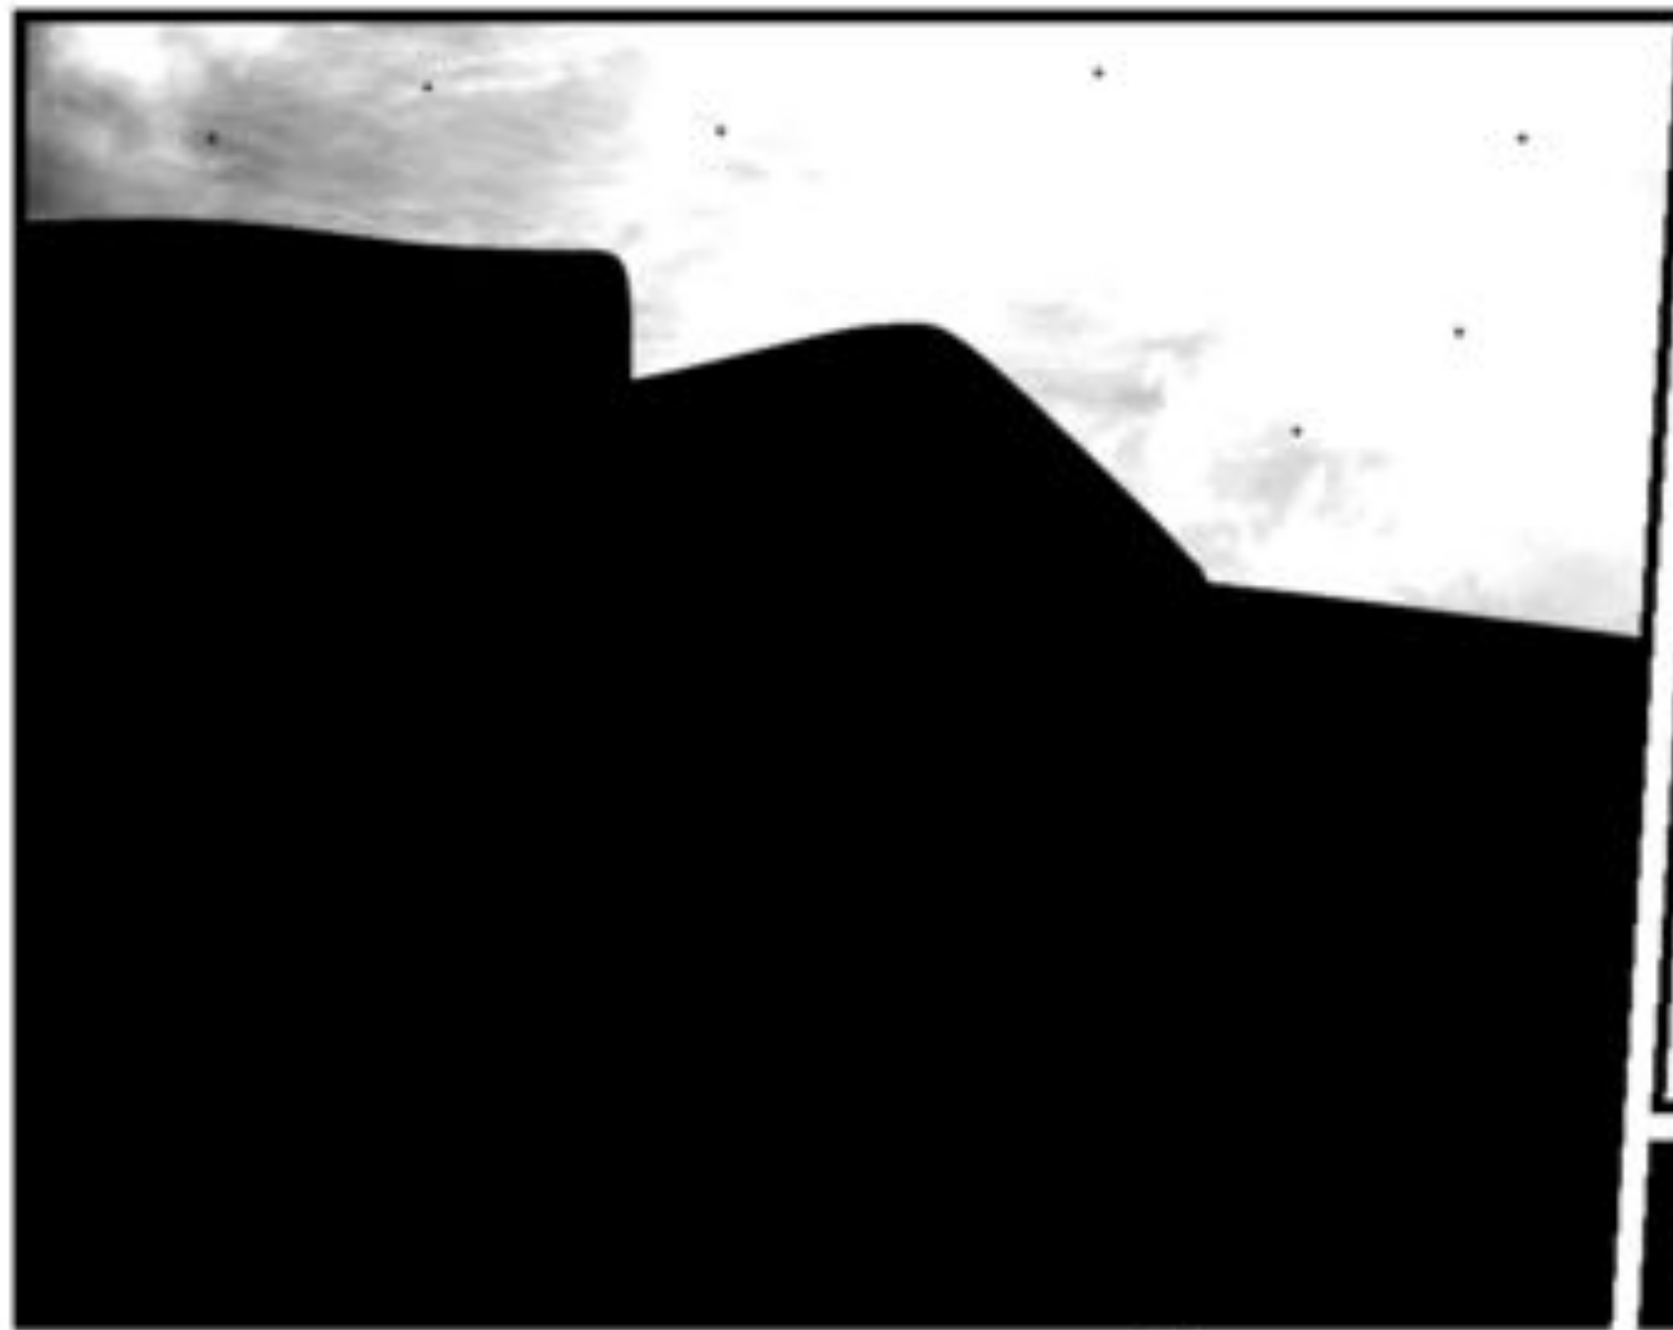

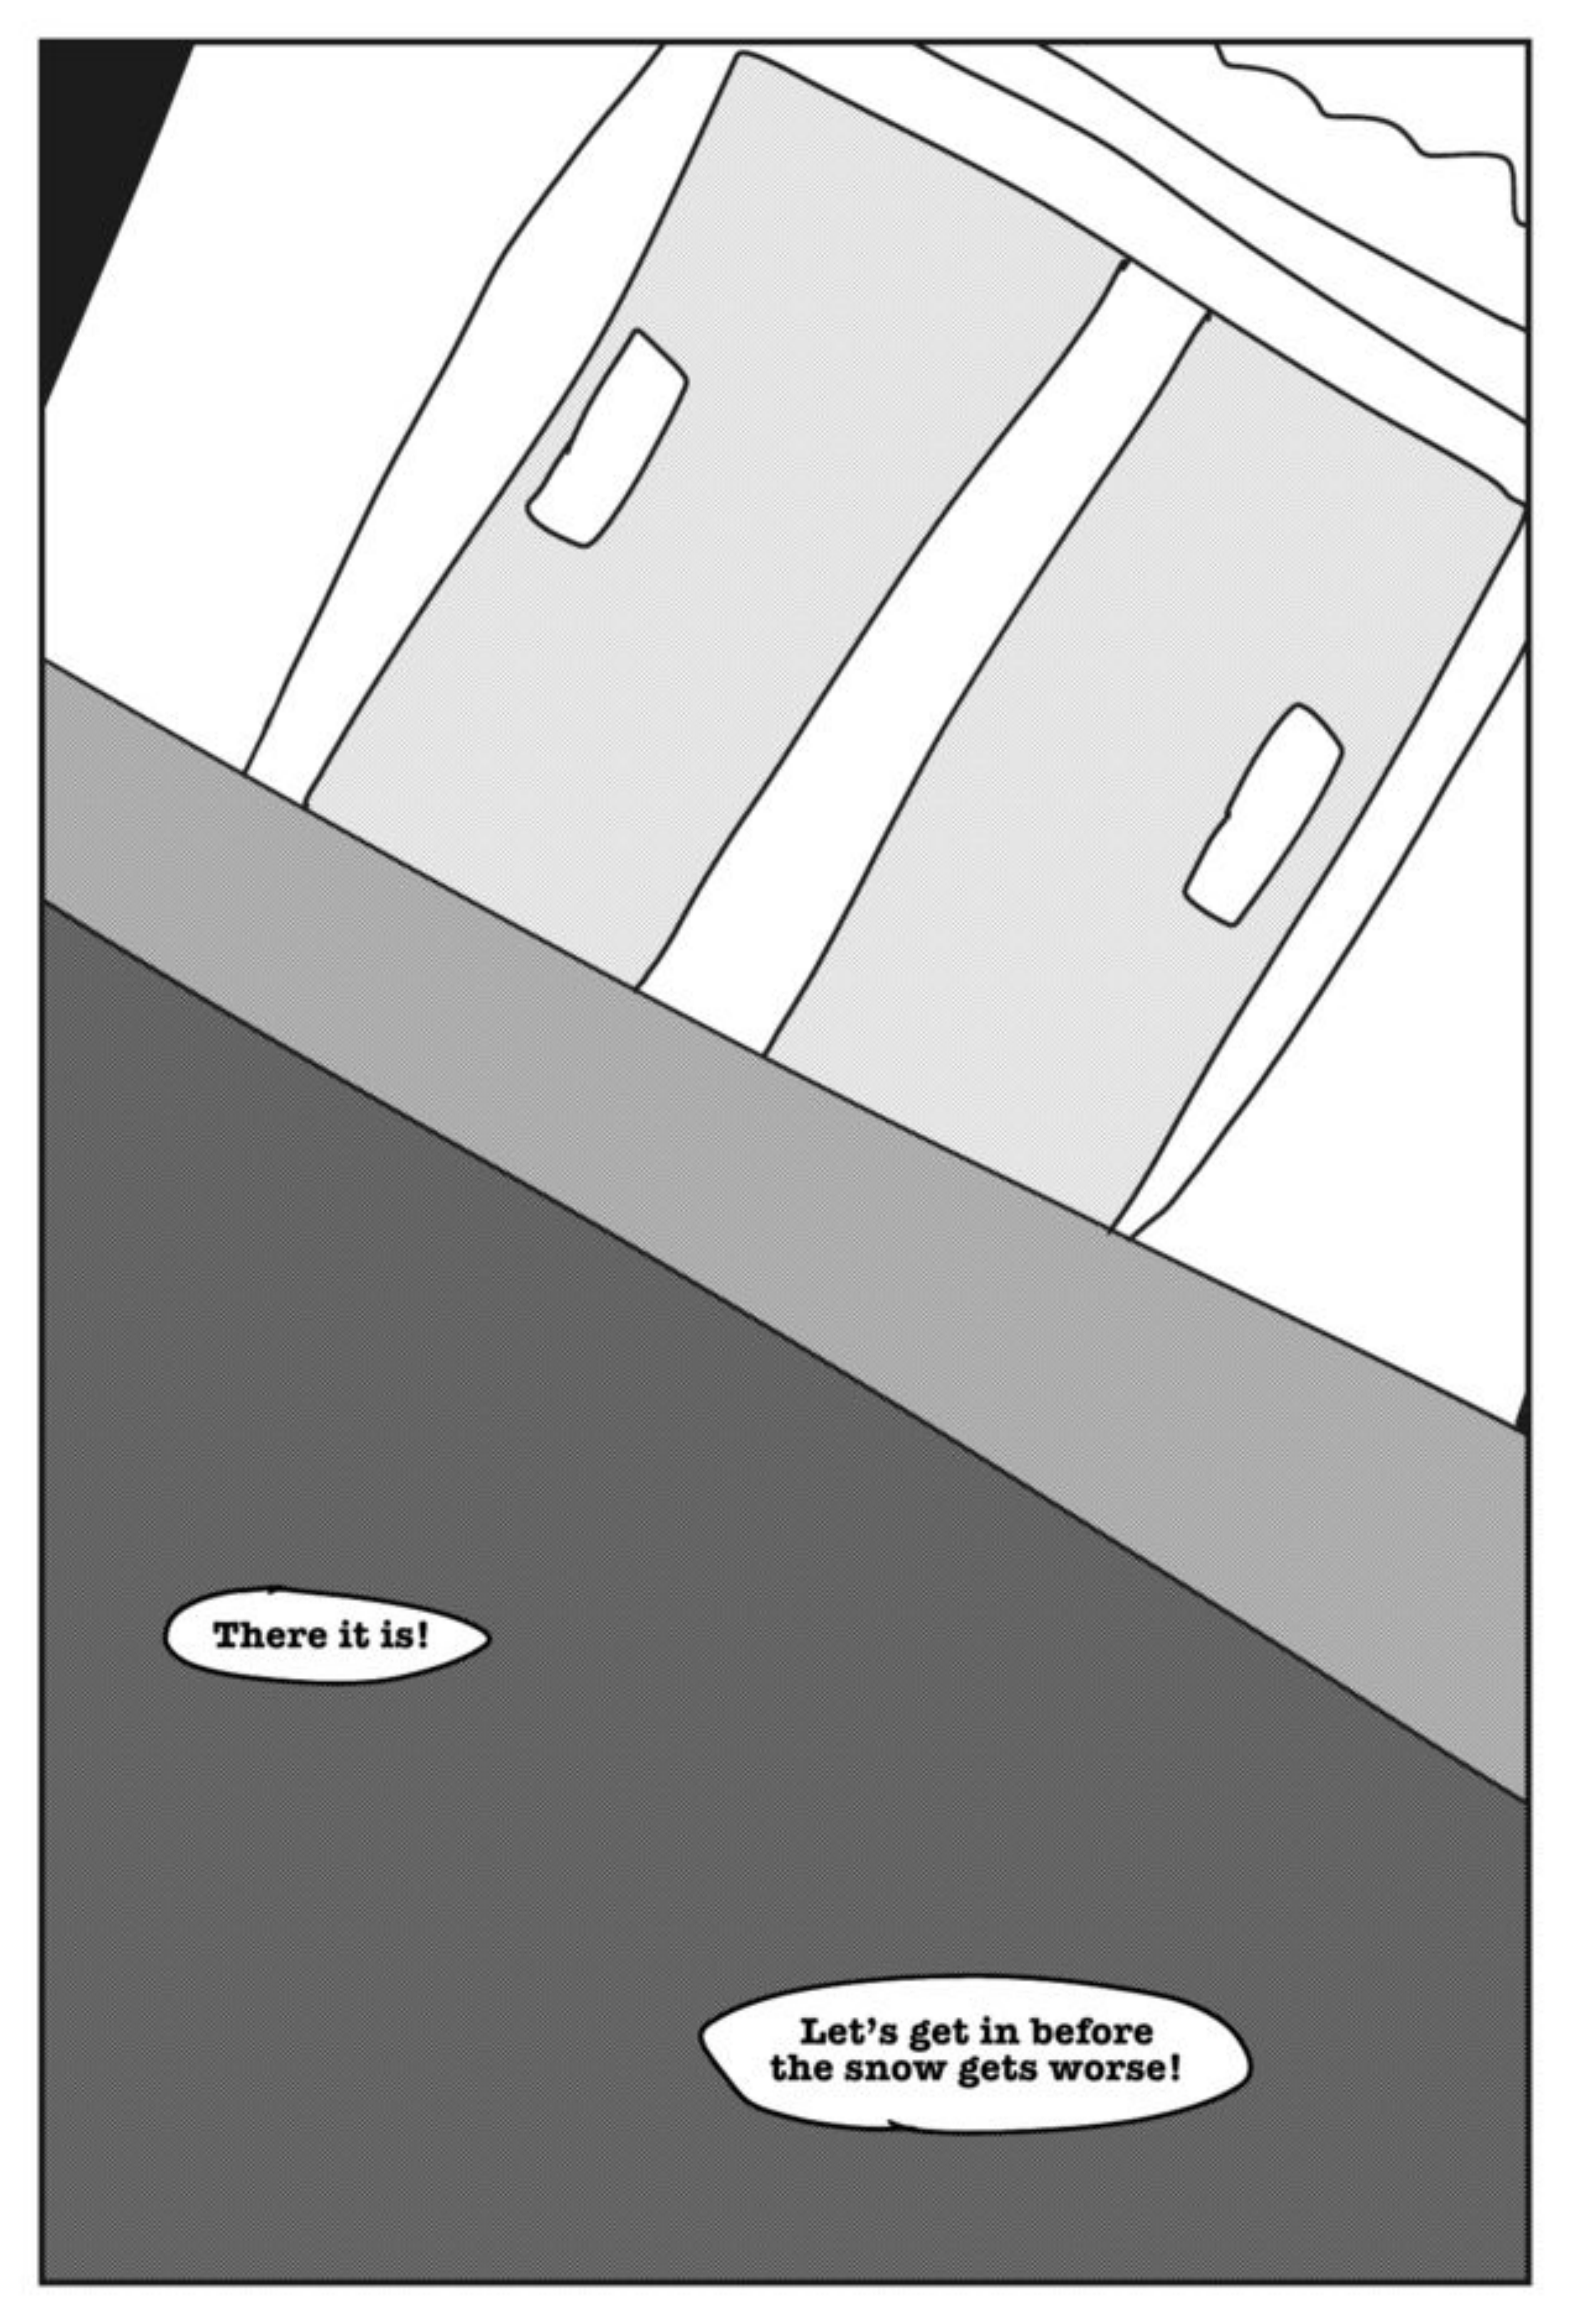

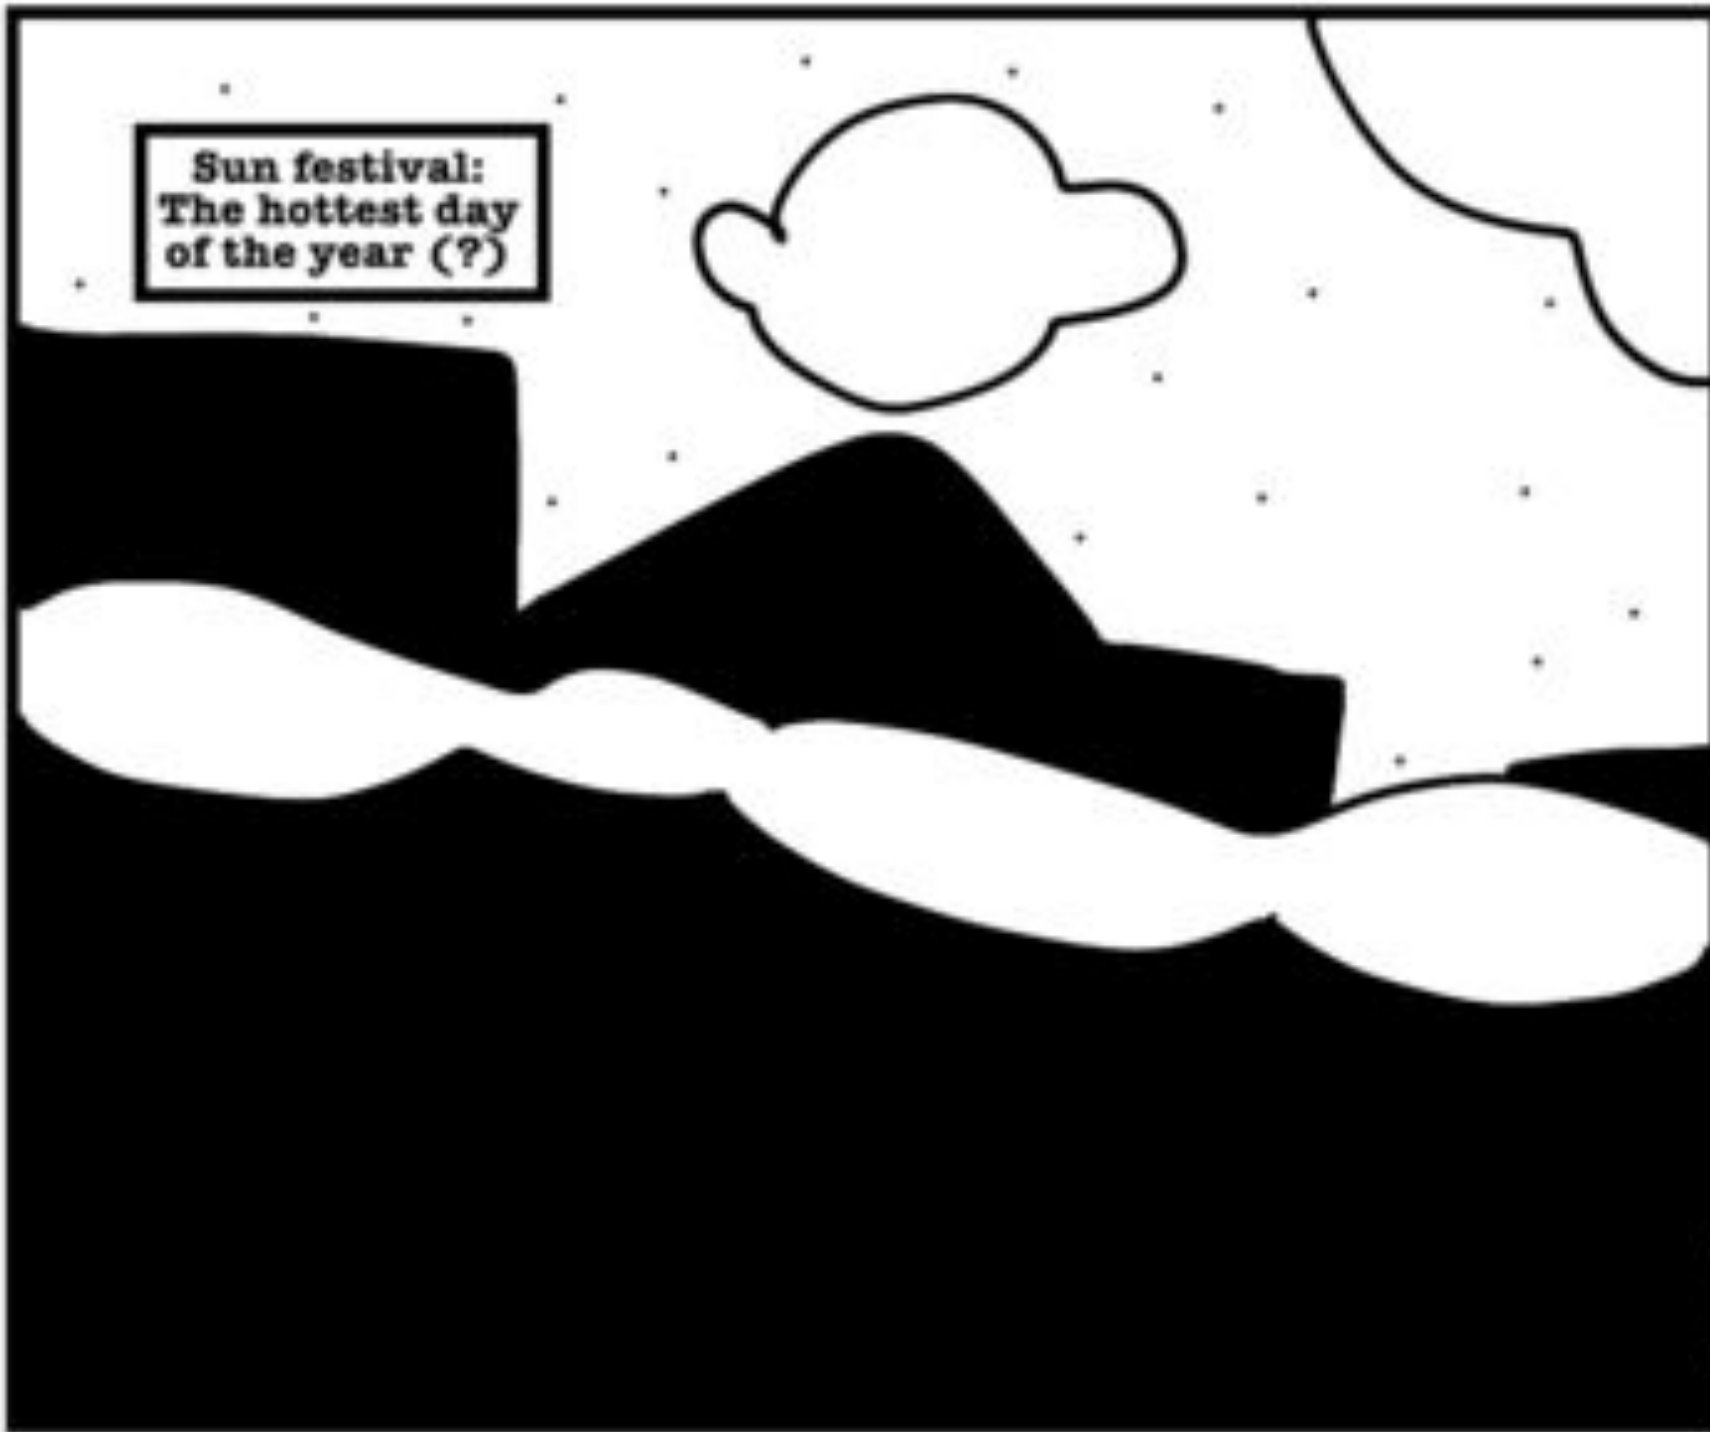

There it is!

**Let's get in before
the snow gets worse!**

Sun festival:
The hottest day
of the year (?)

CHAPTER 3
GRUMB'S PIE SHOP

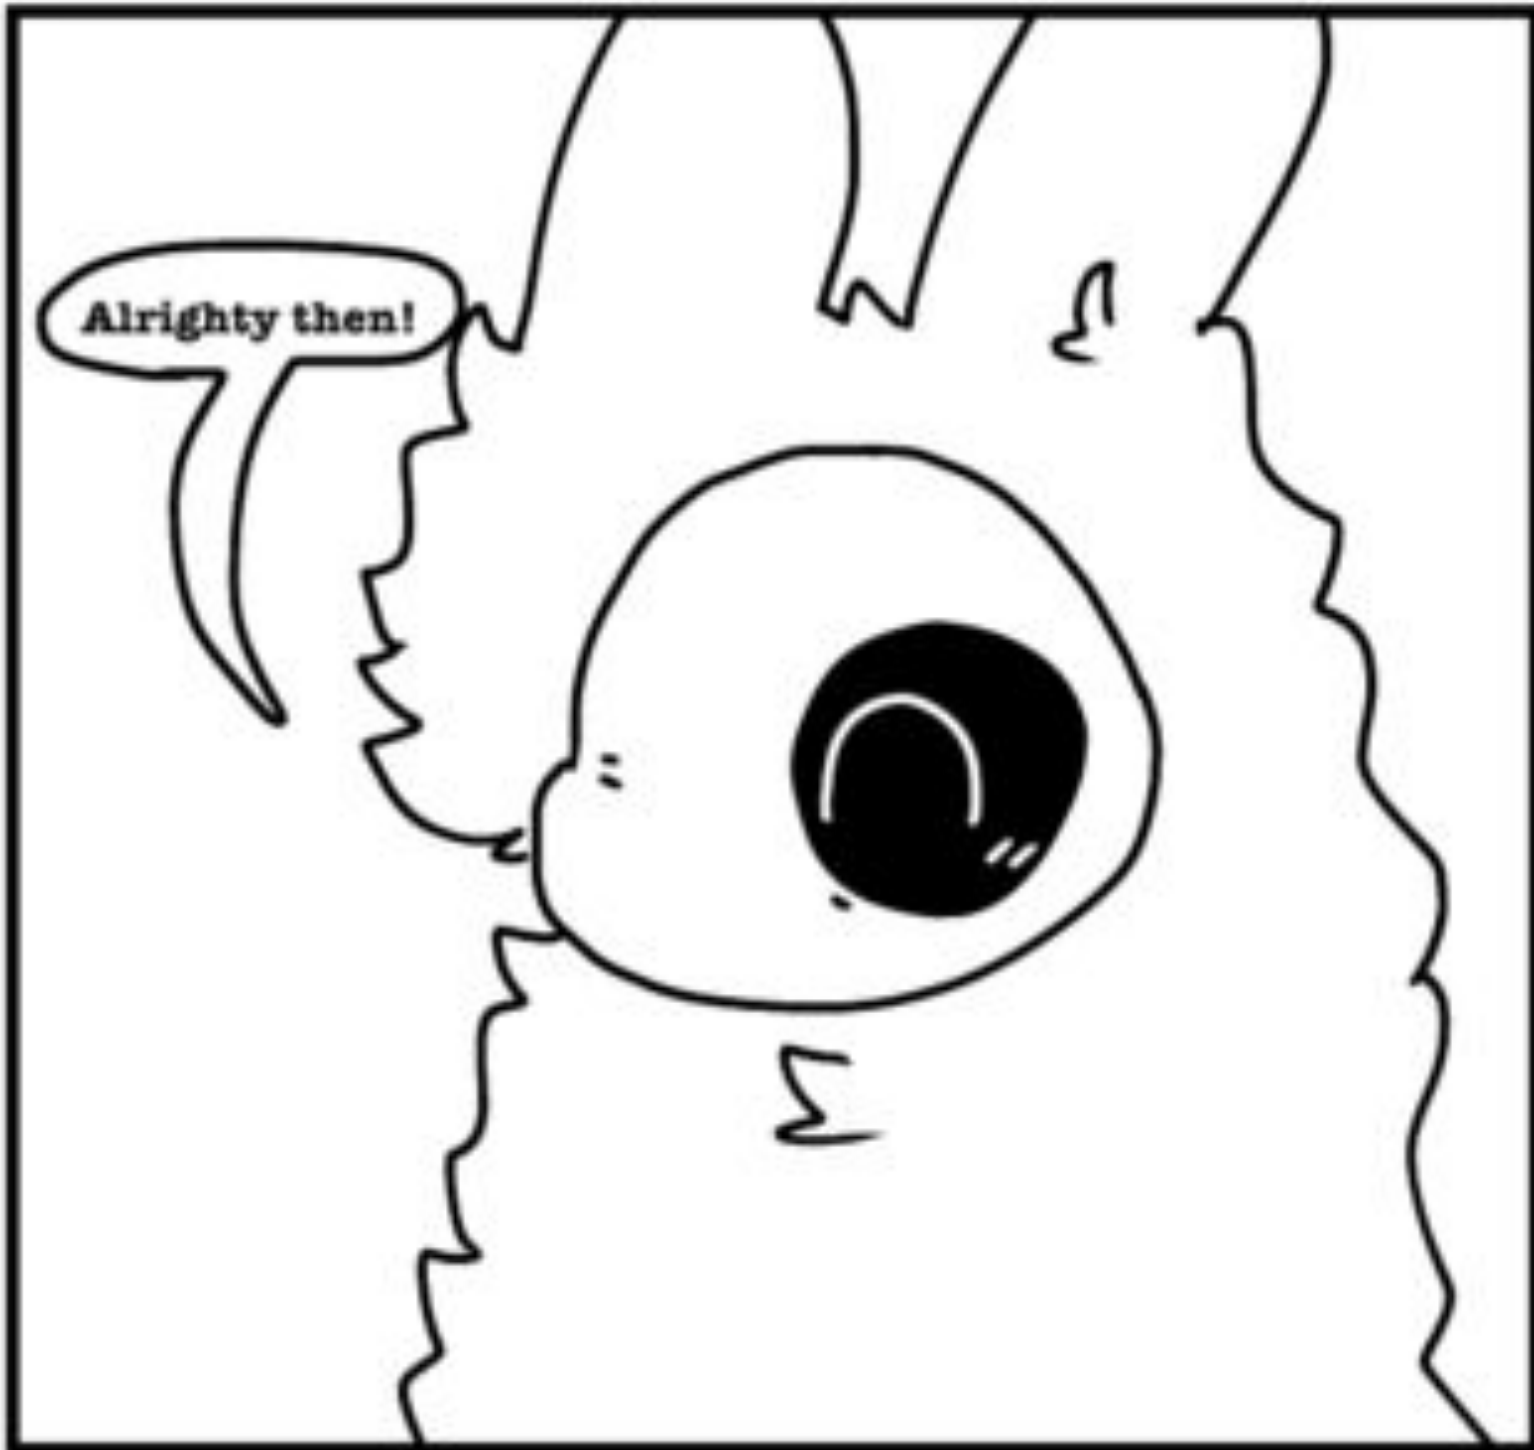

Are you buying the pre-made pie
or buying ingredients

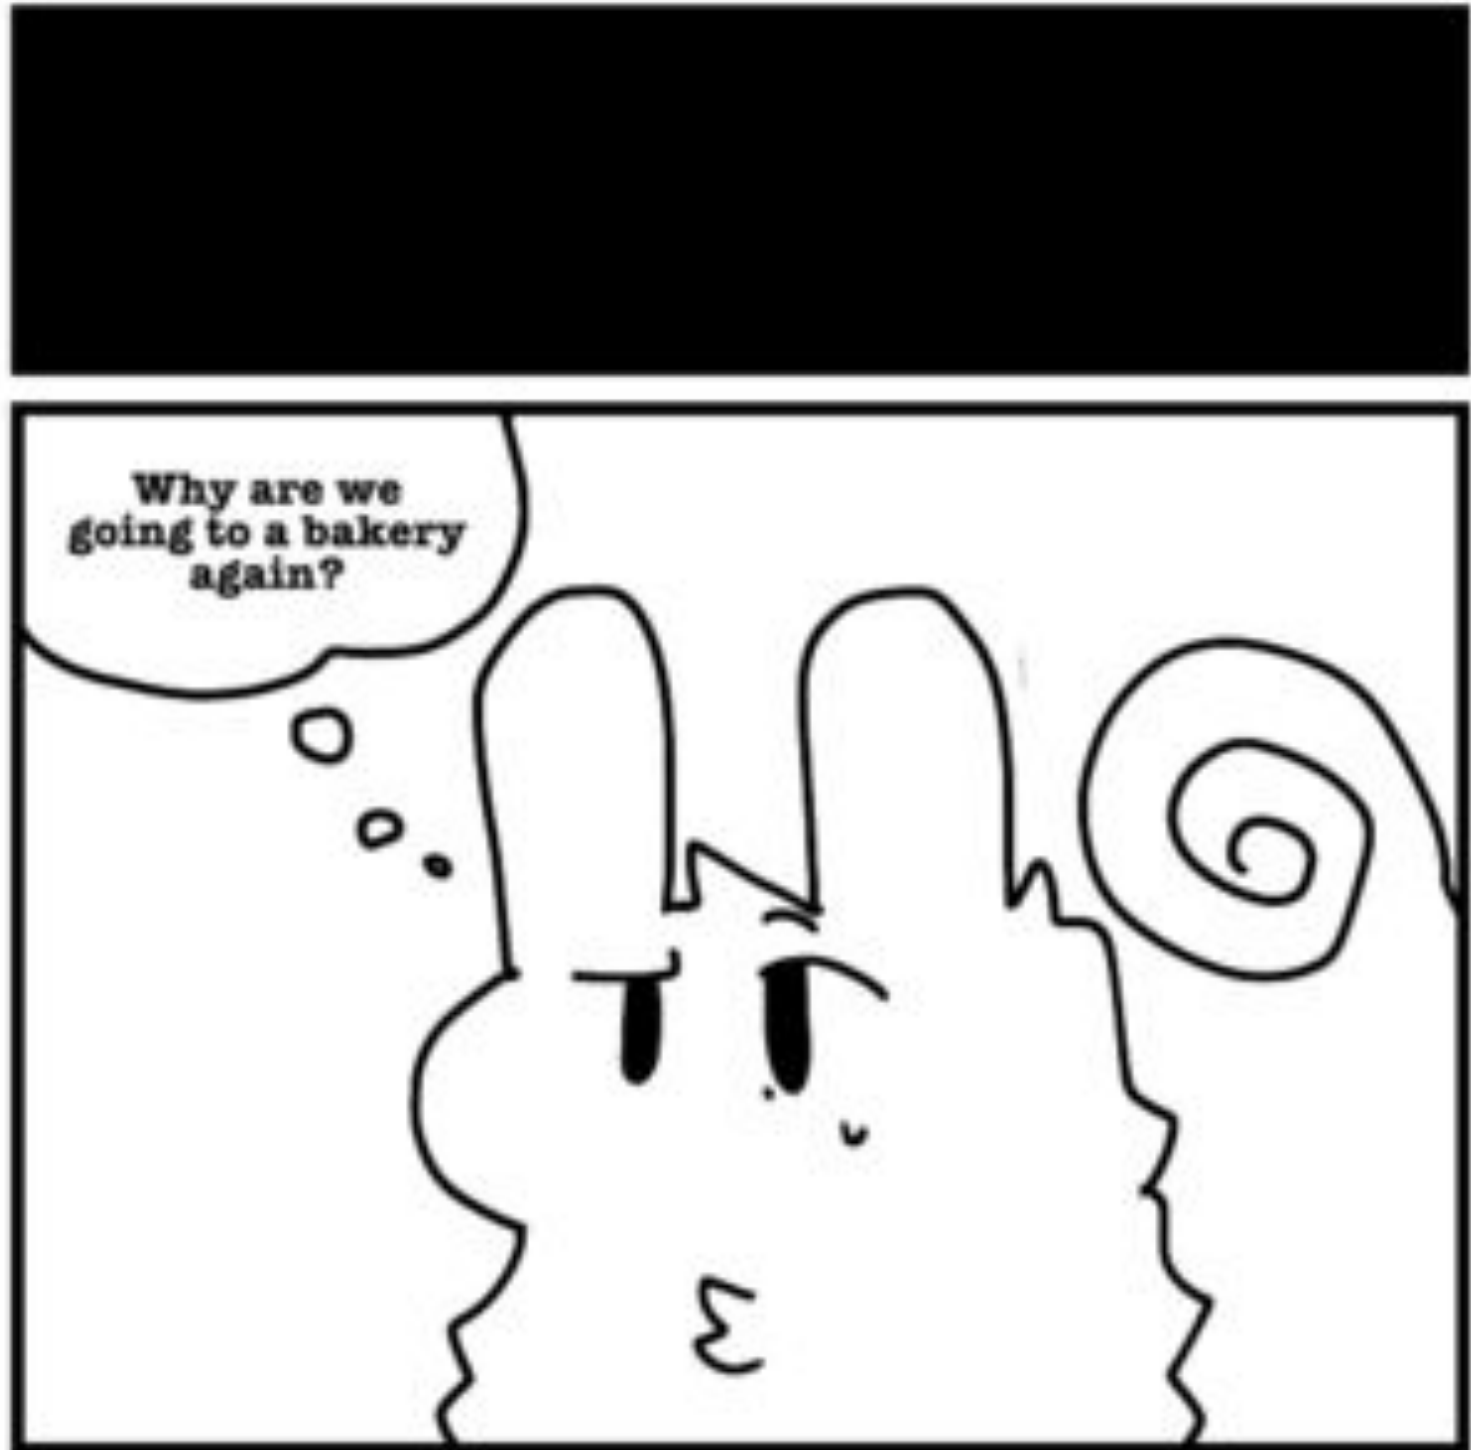

I'll probably
buy the
ingredients,

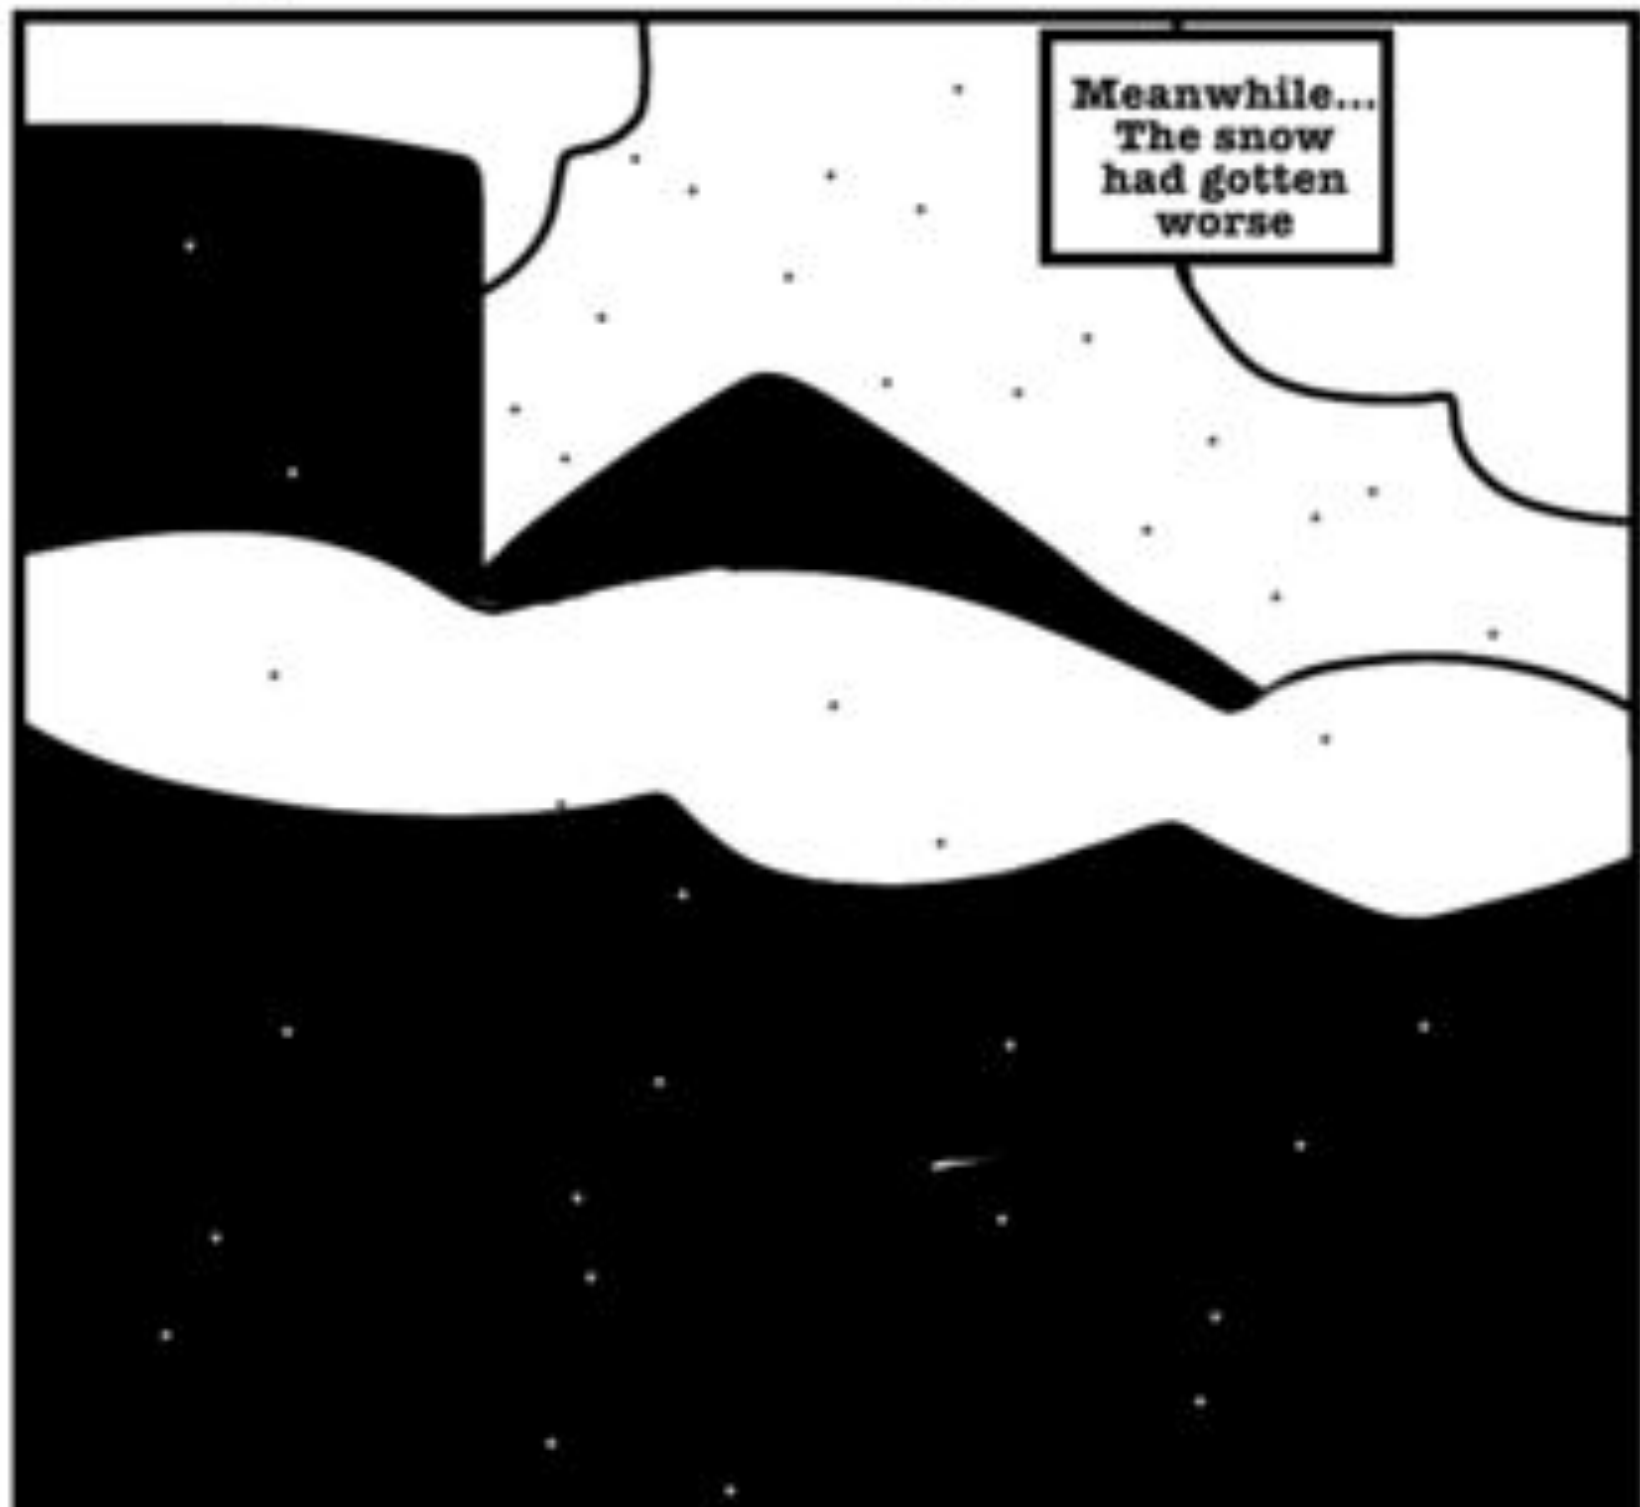

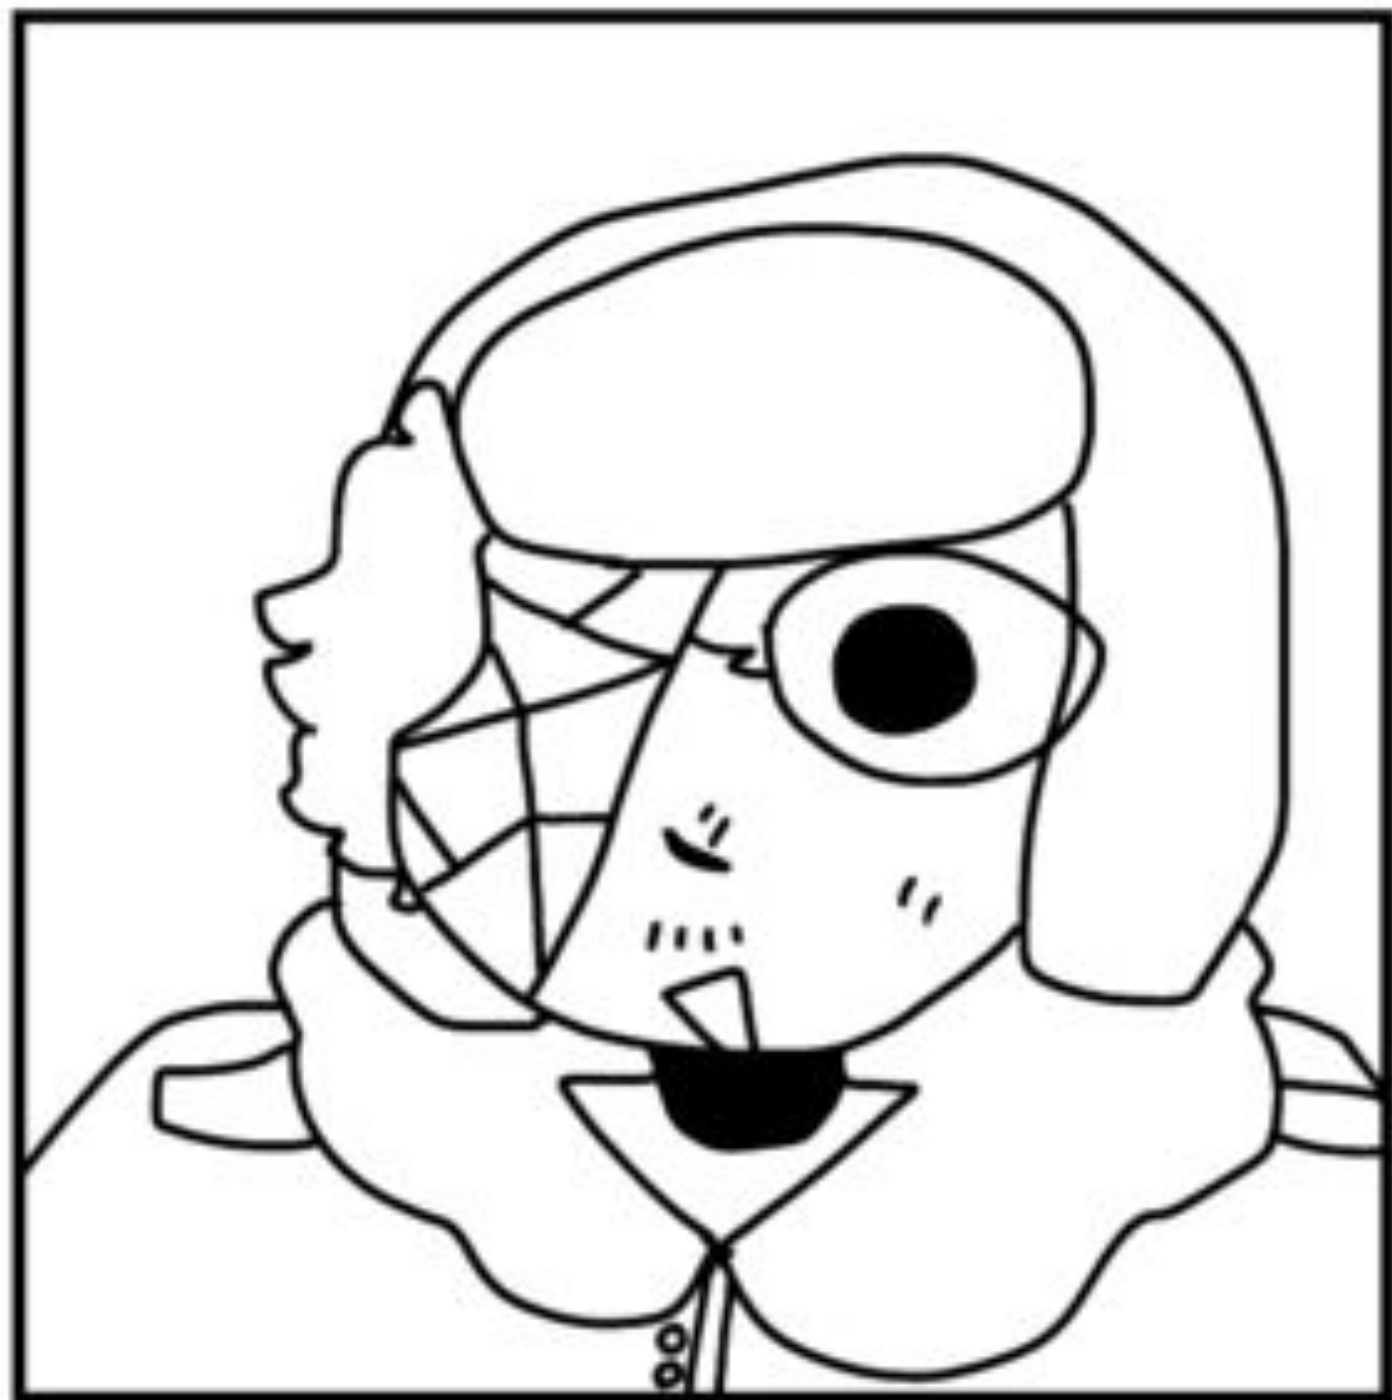

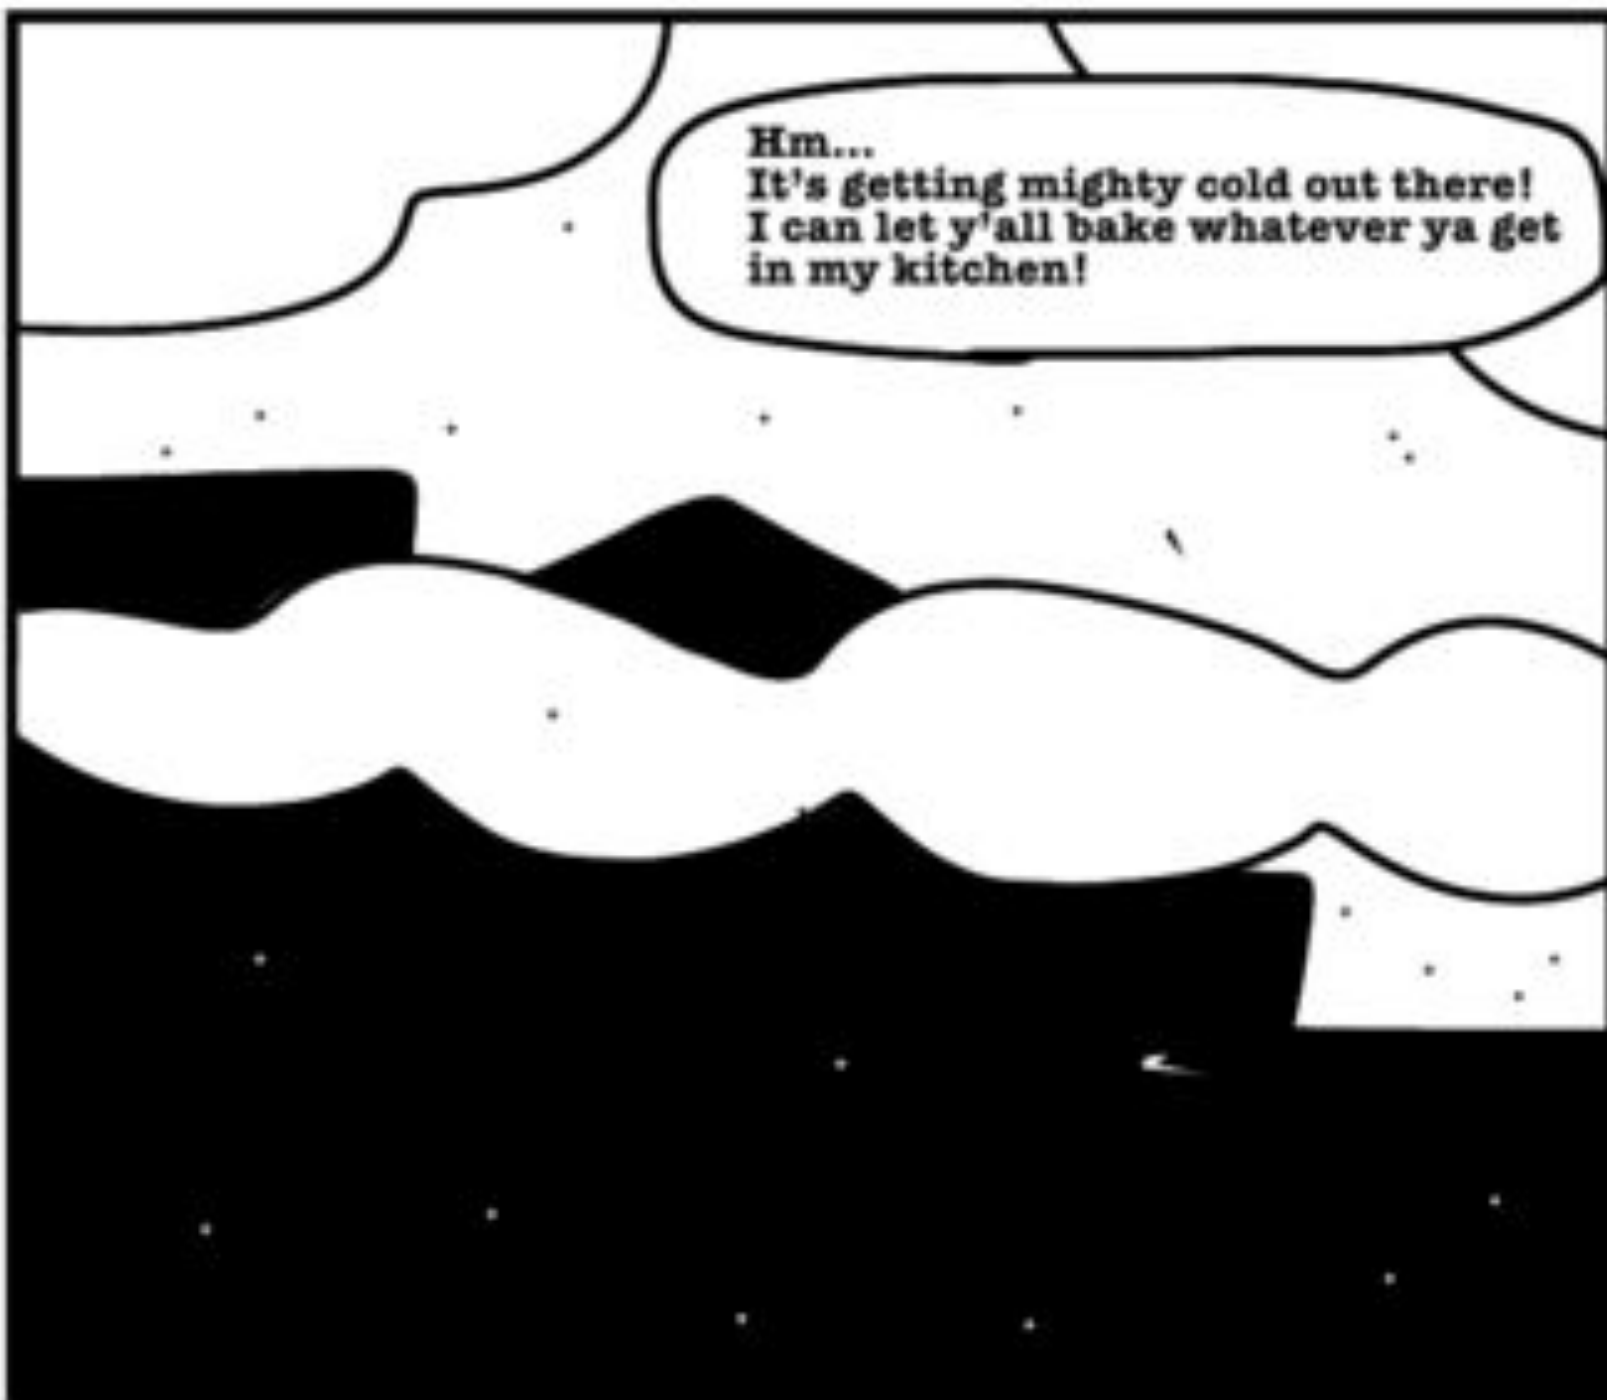

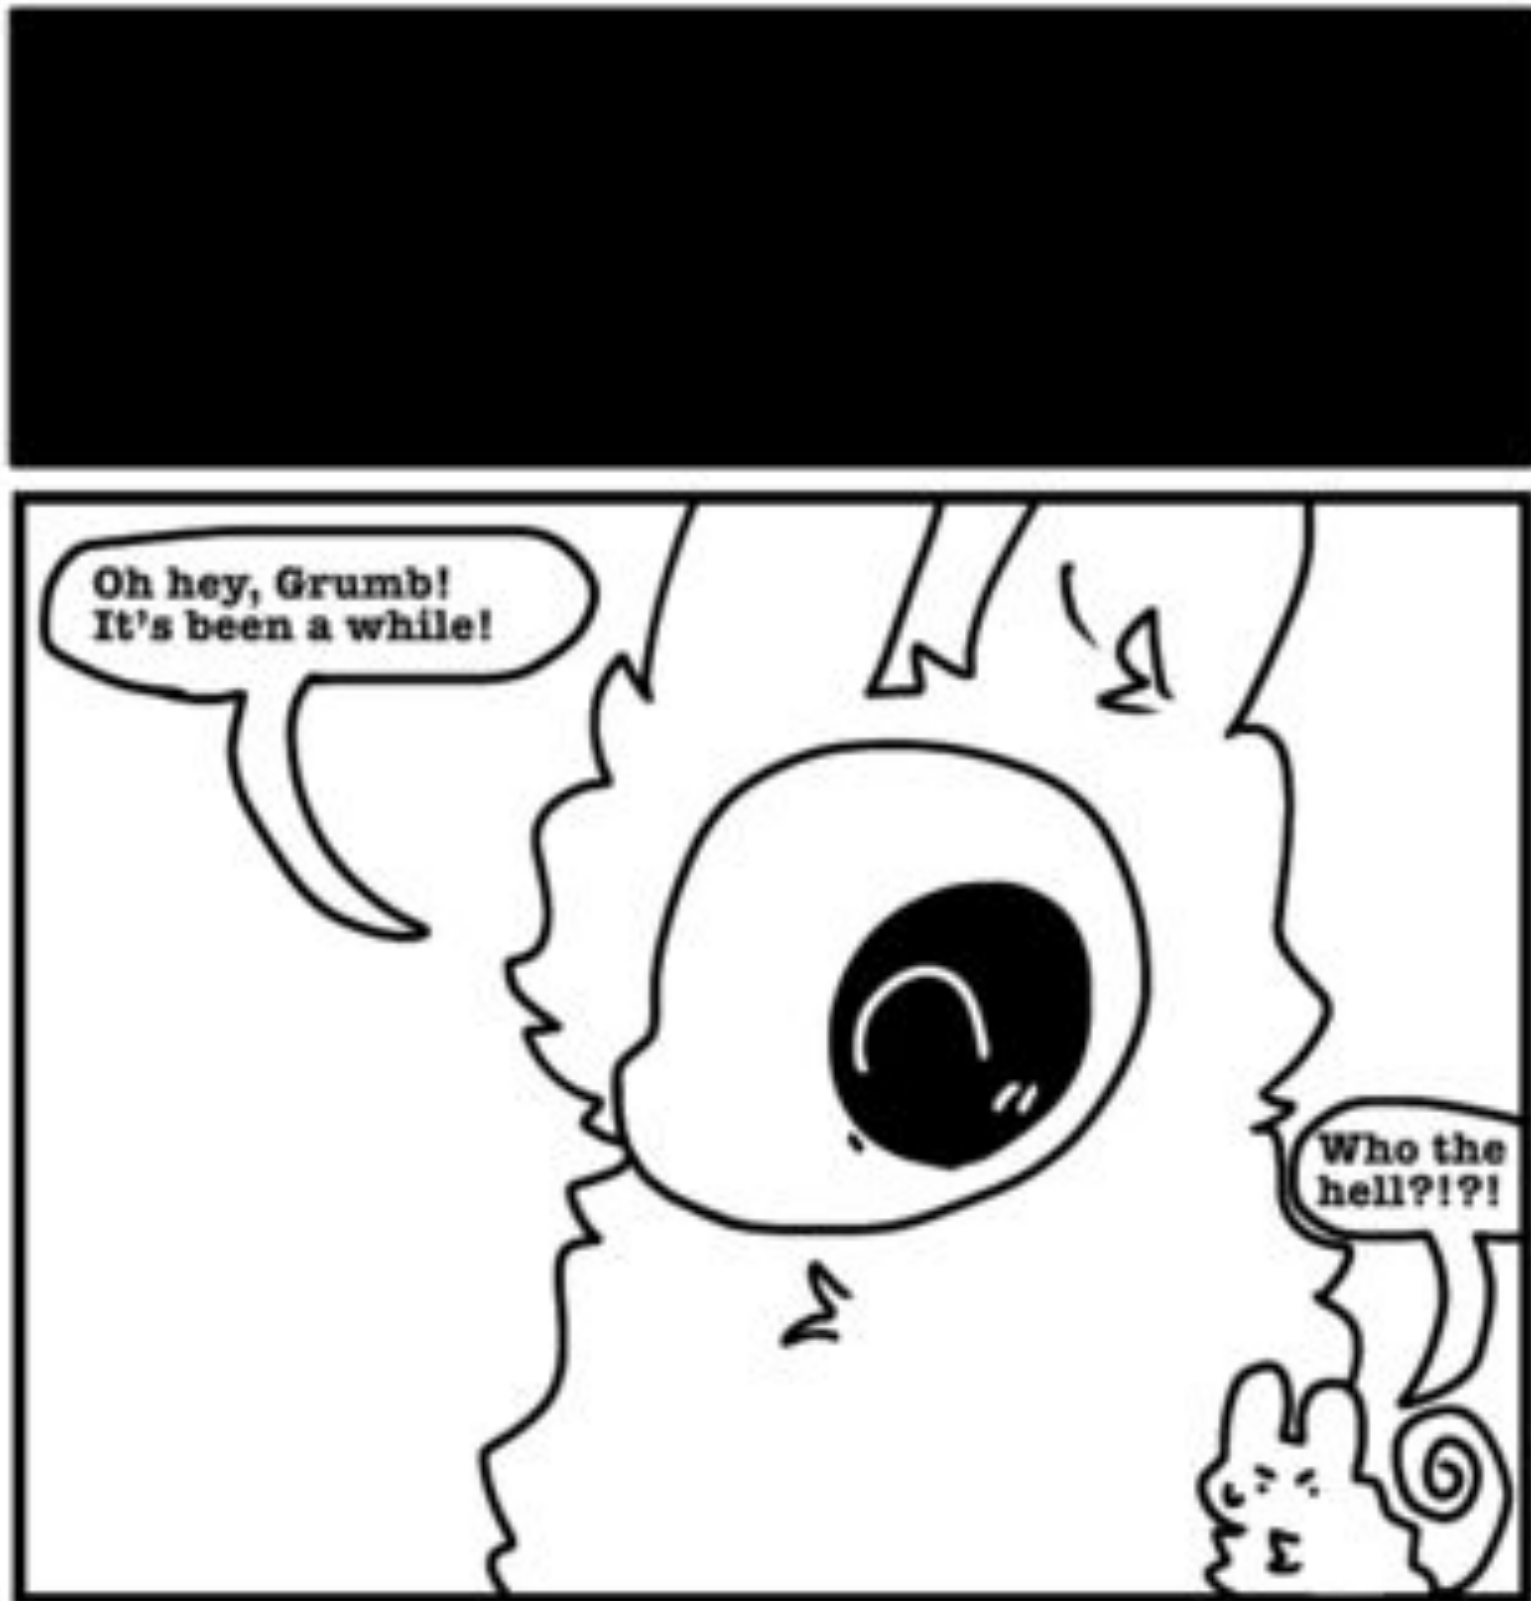

I like
baking

Alrighty then!

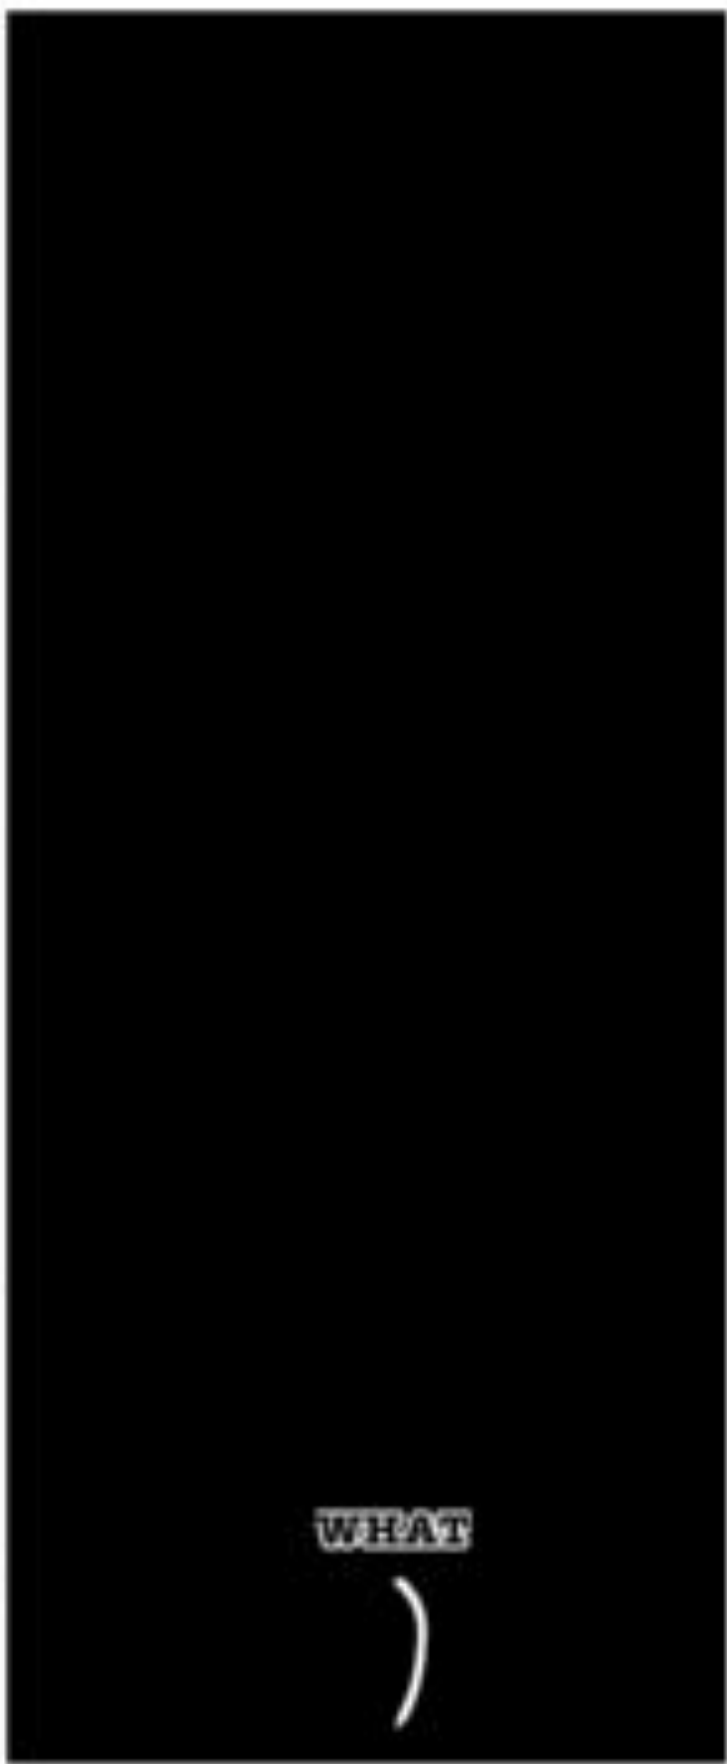

Why are we
going to a bakery
again?

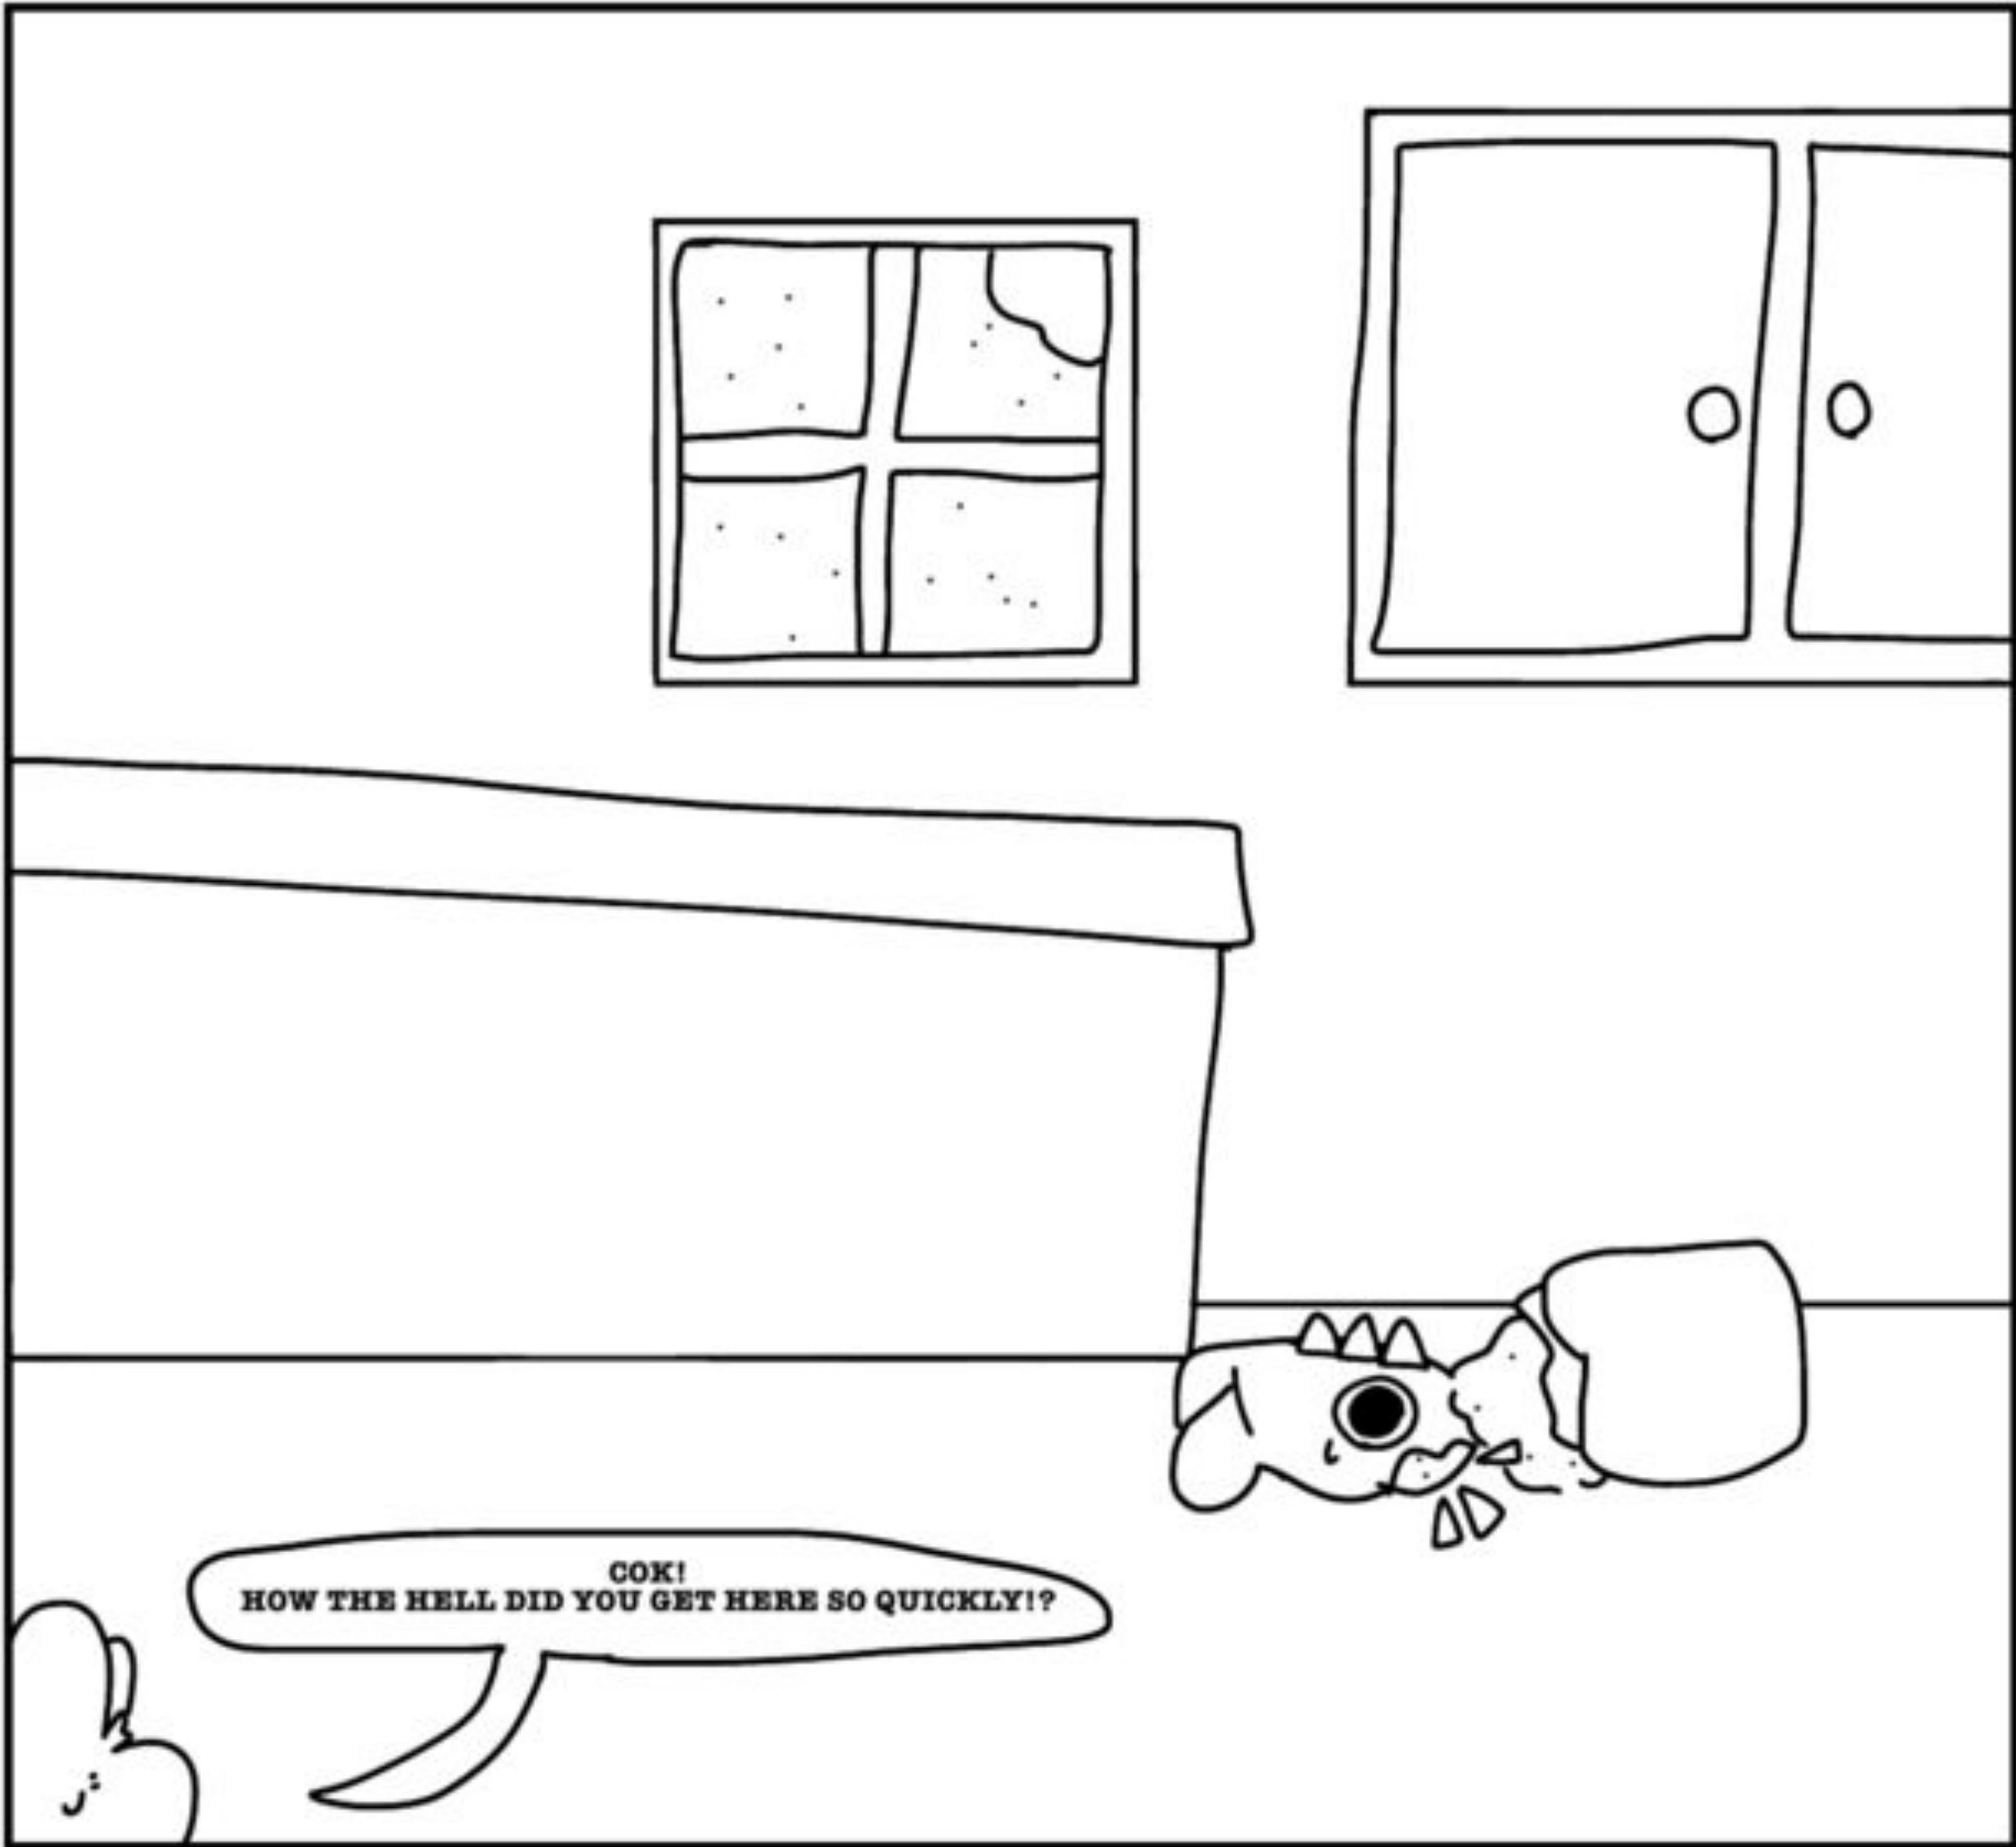

Wha..

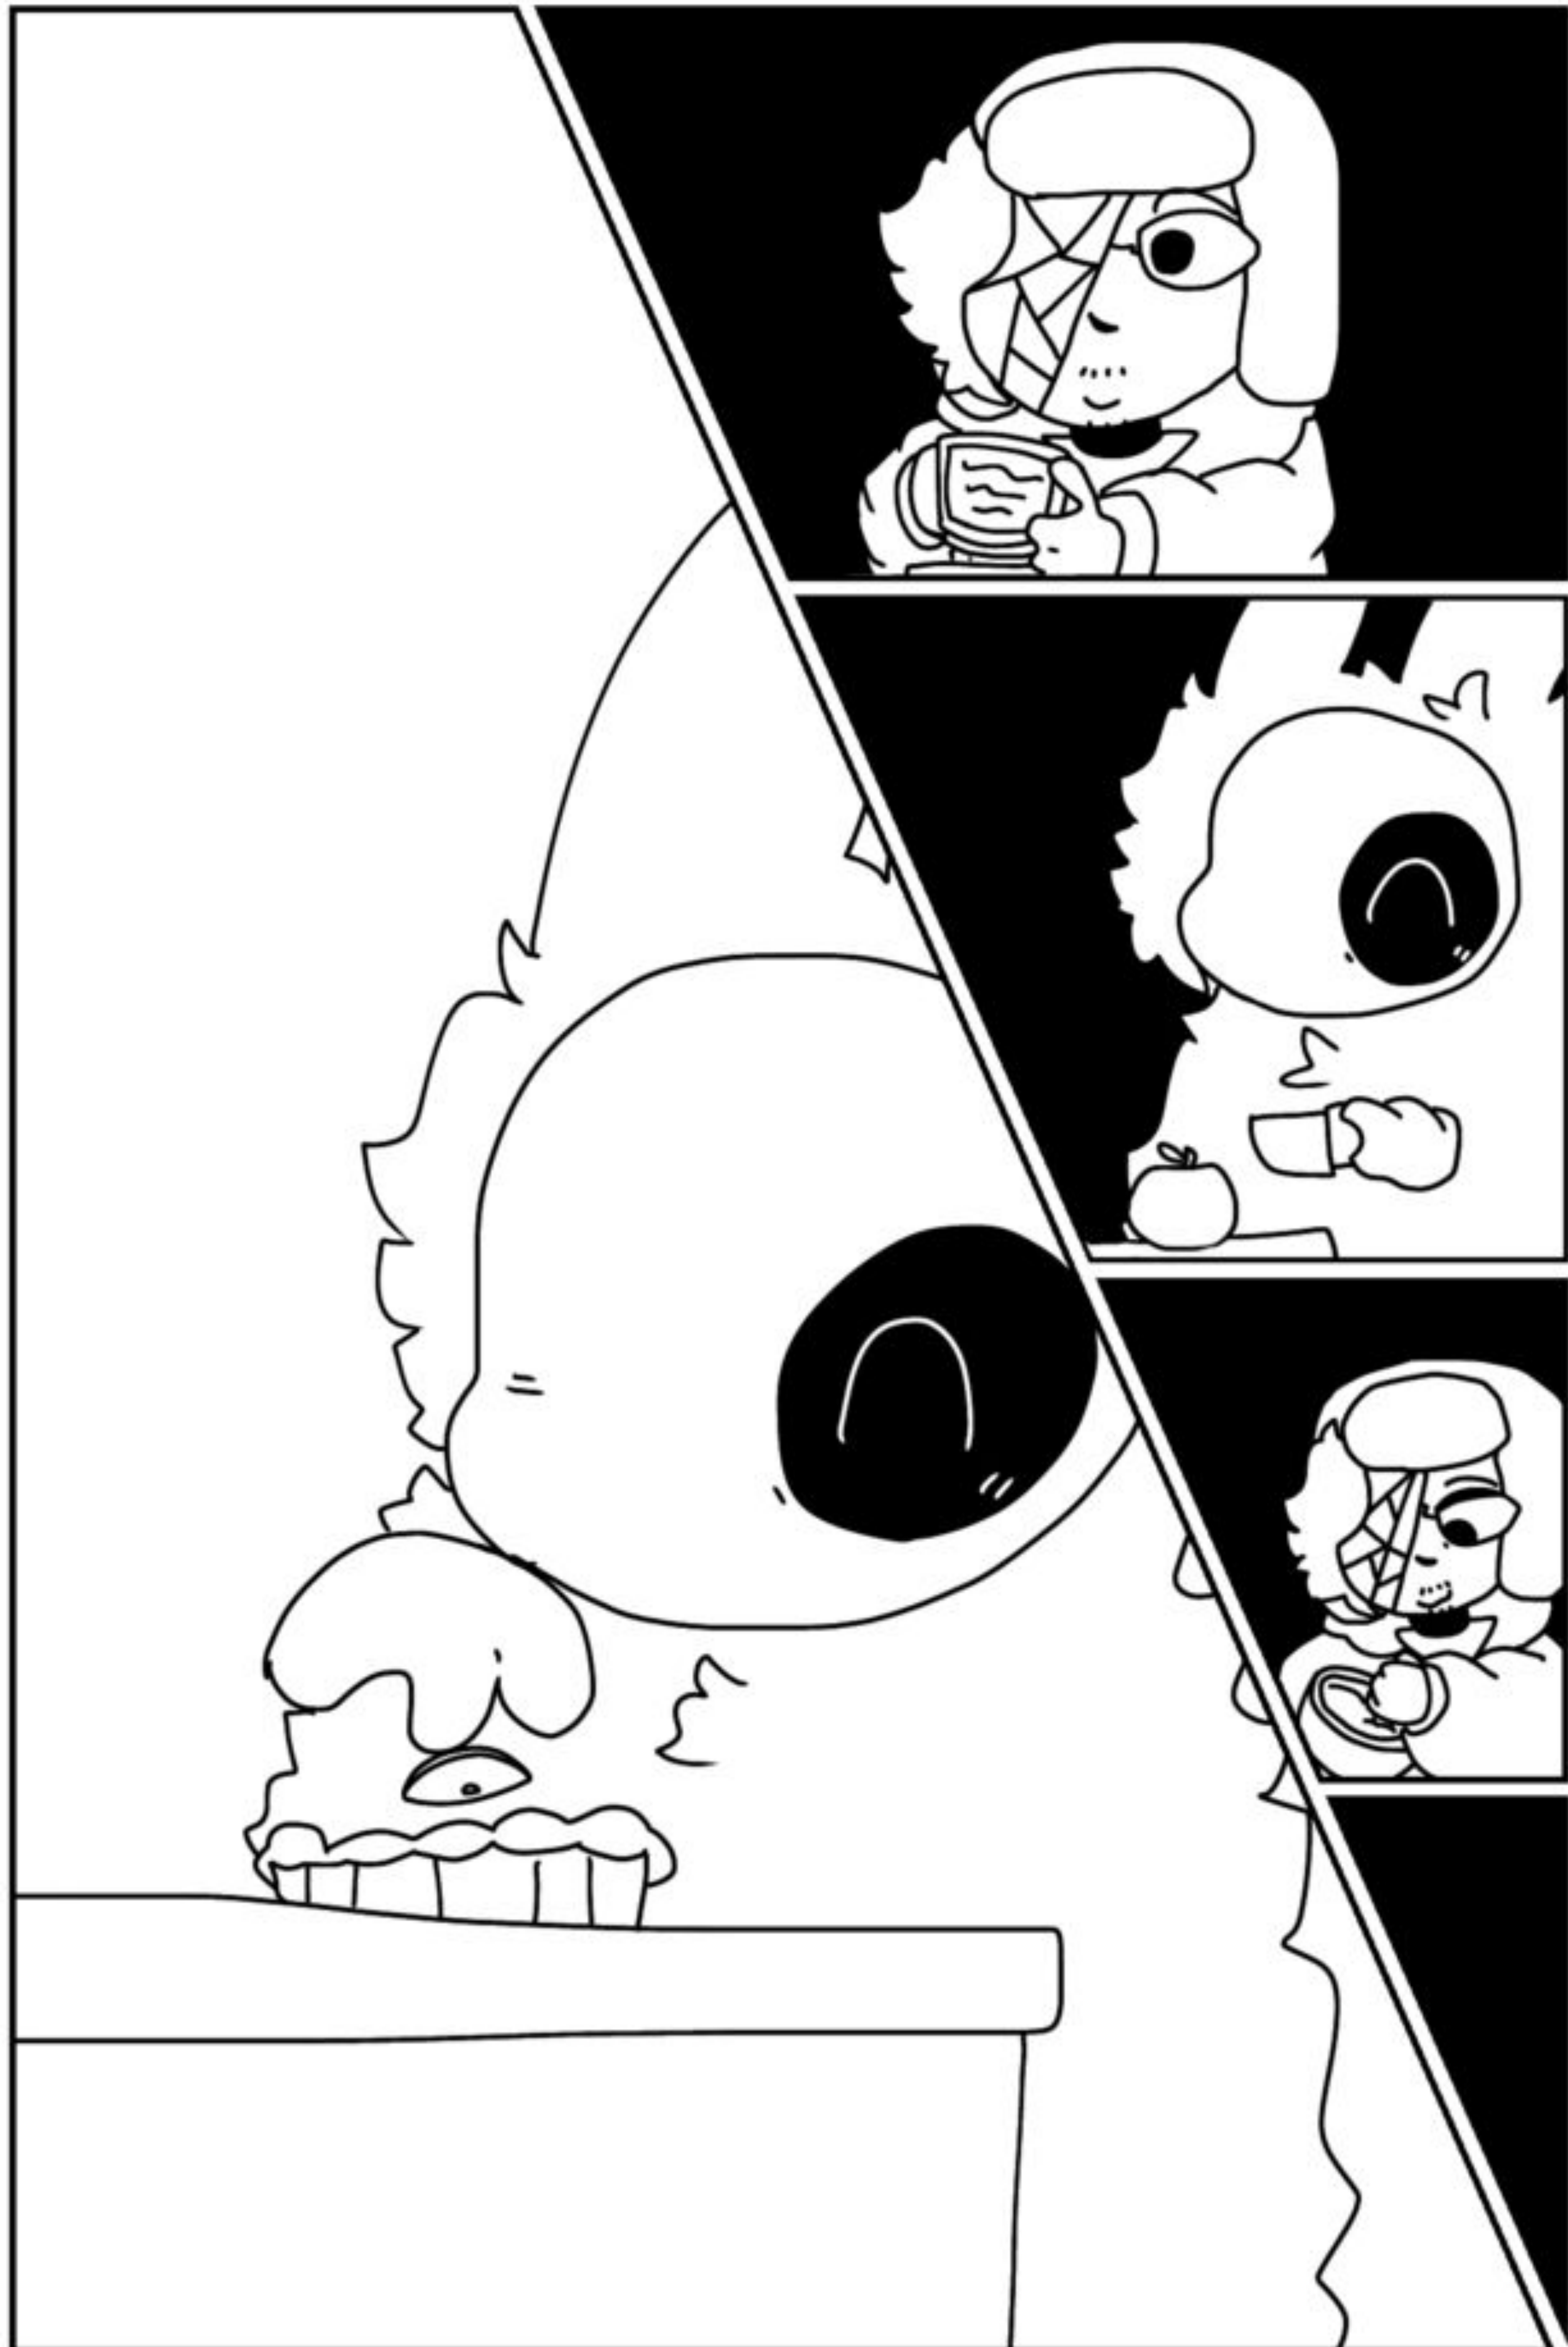

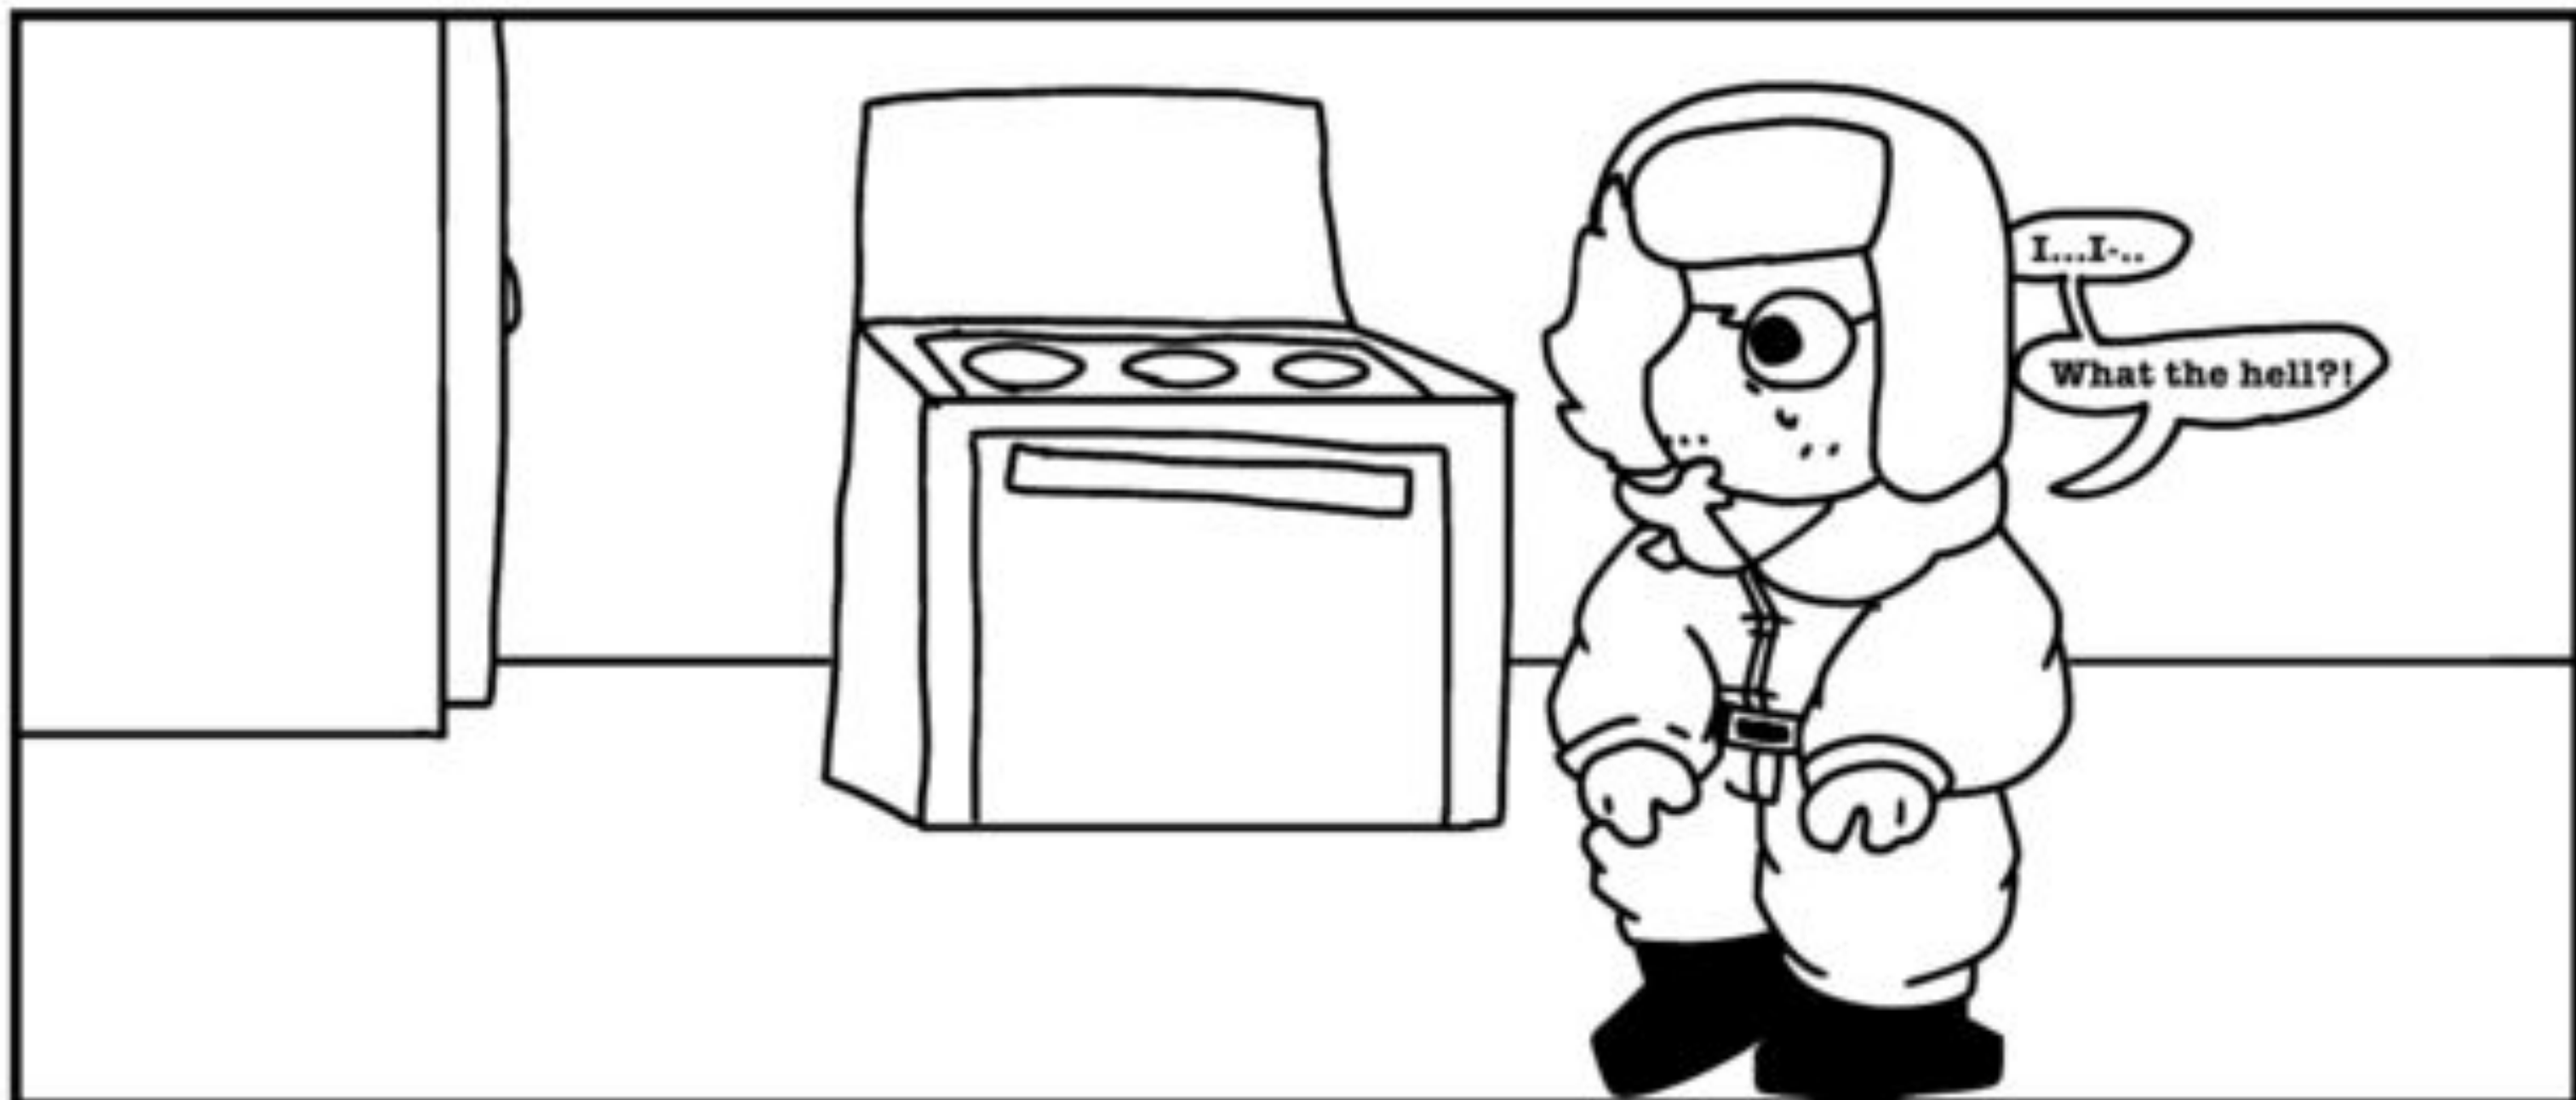

WHAT

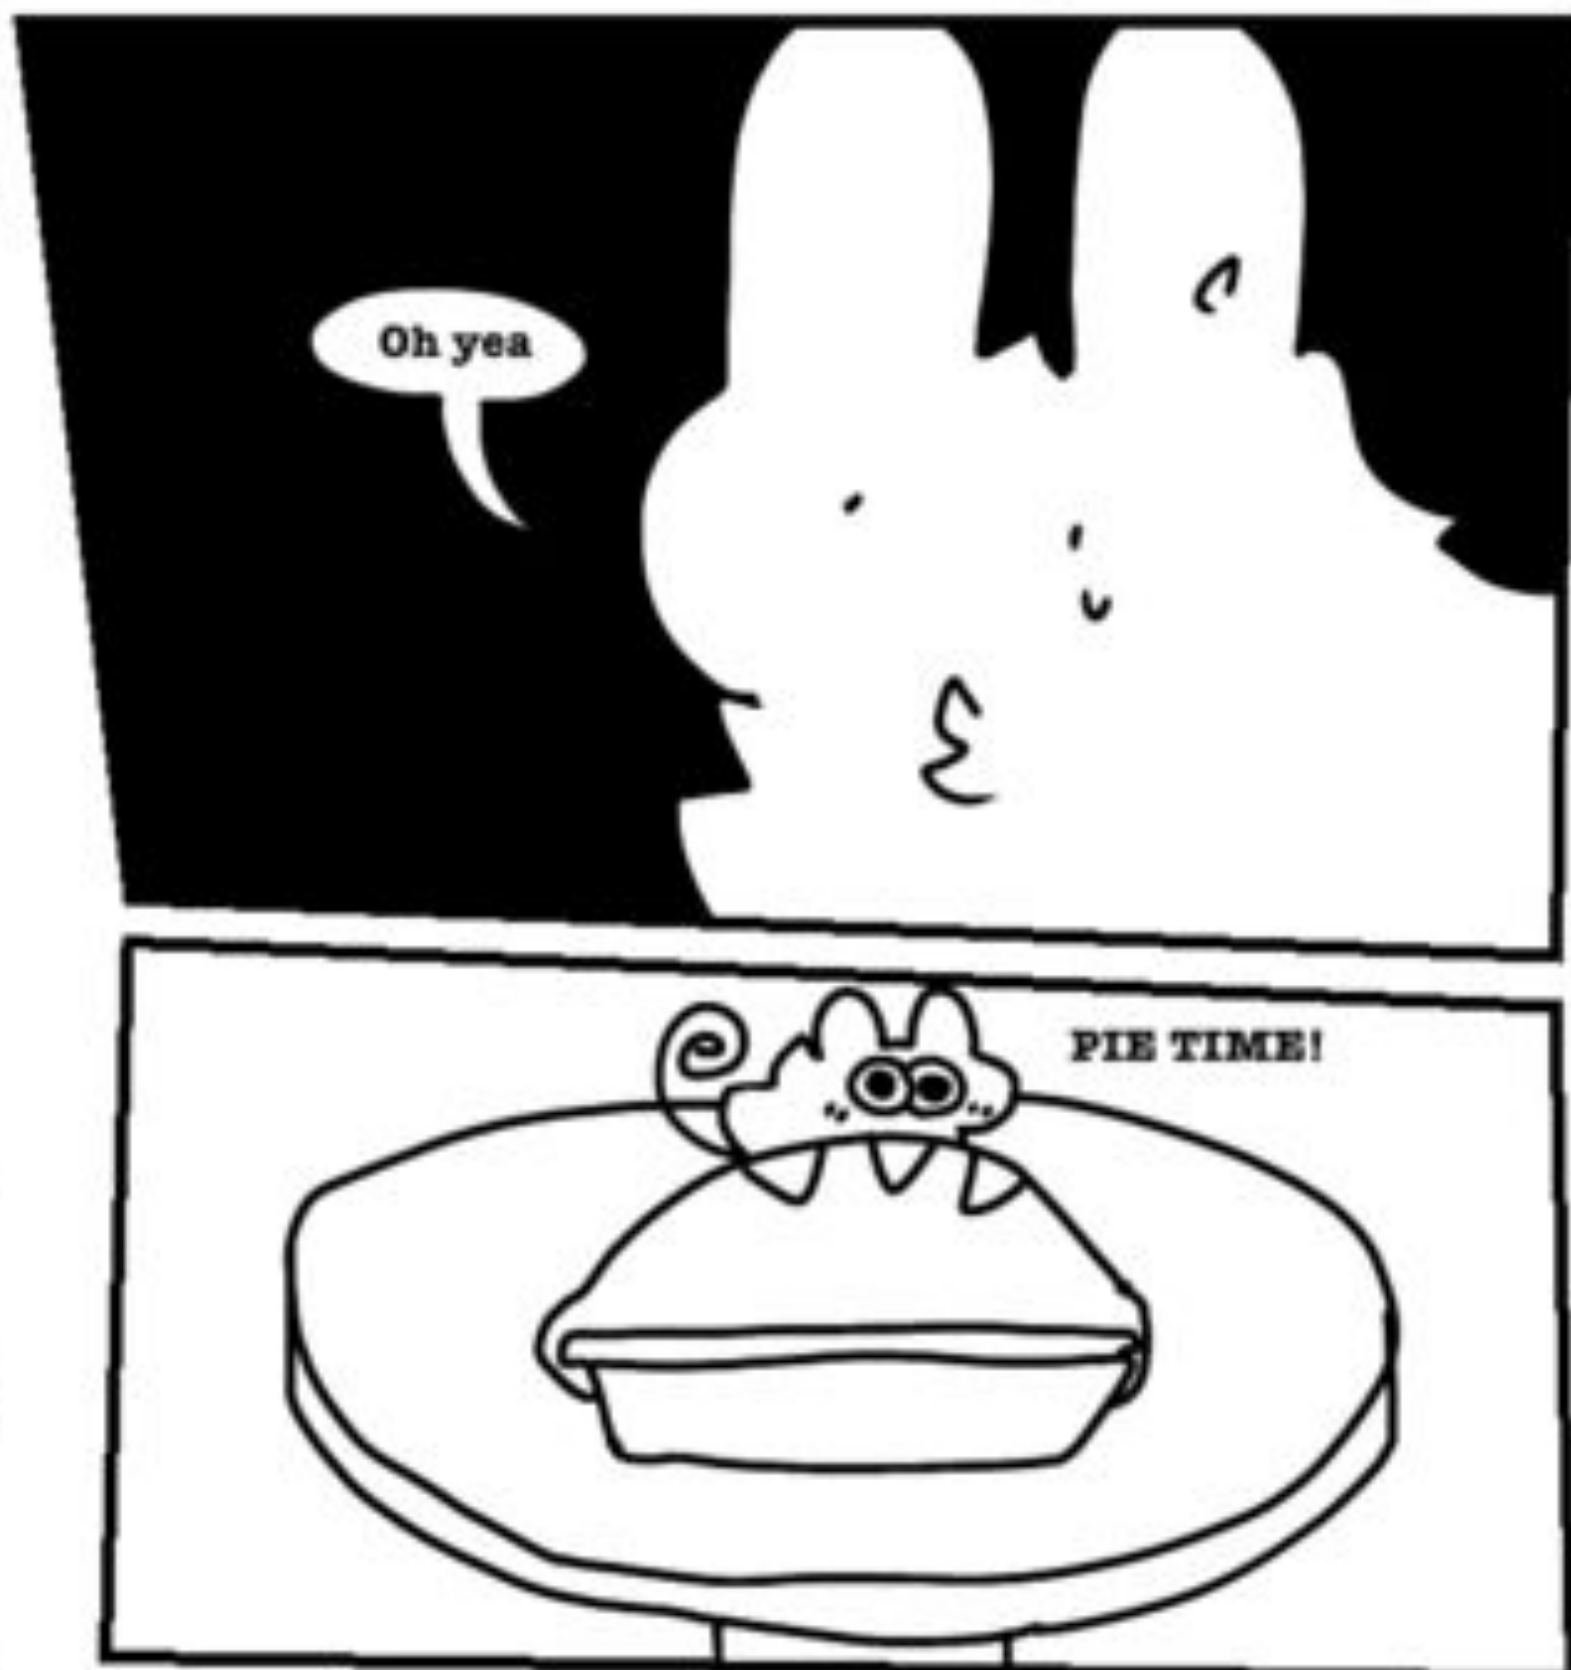

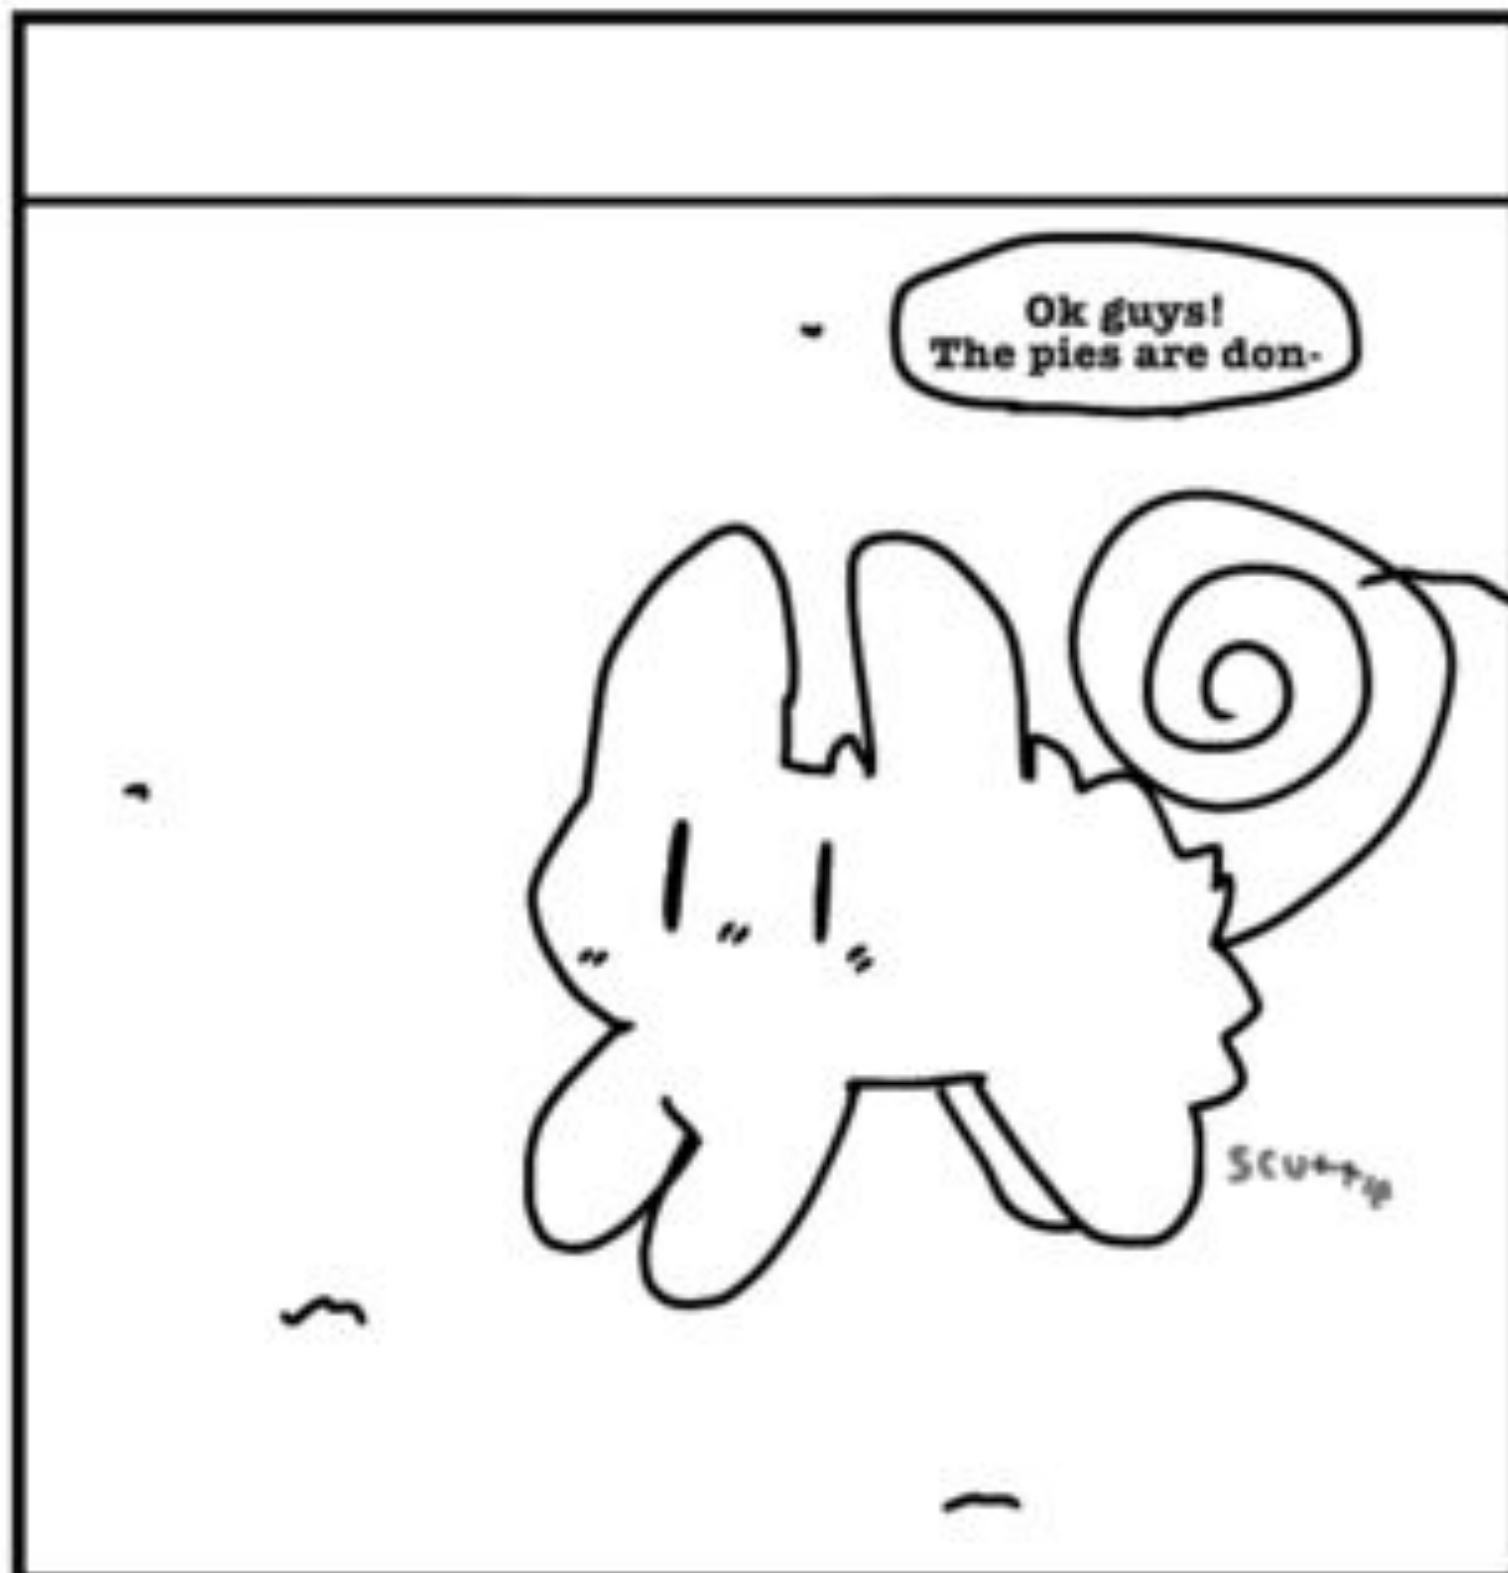

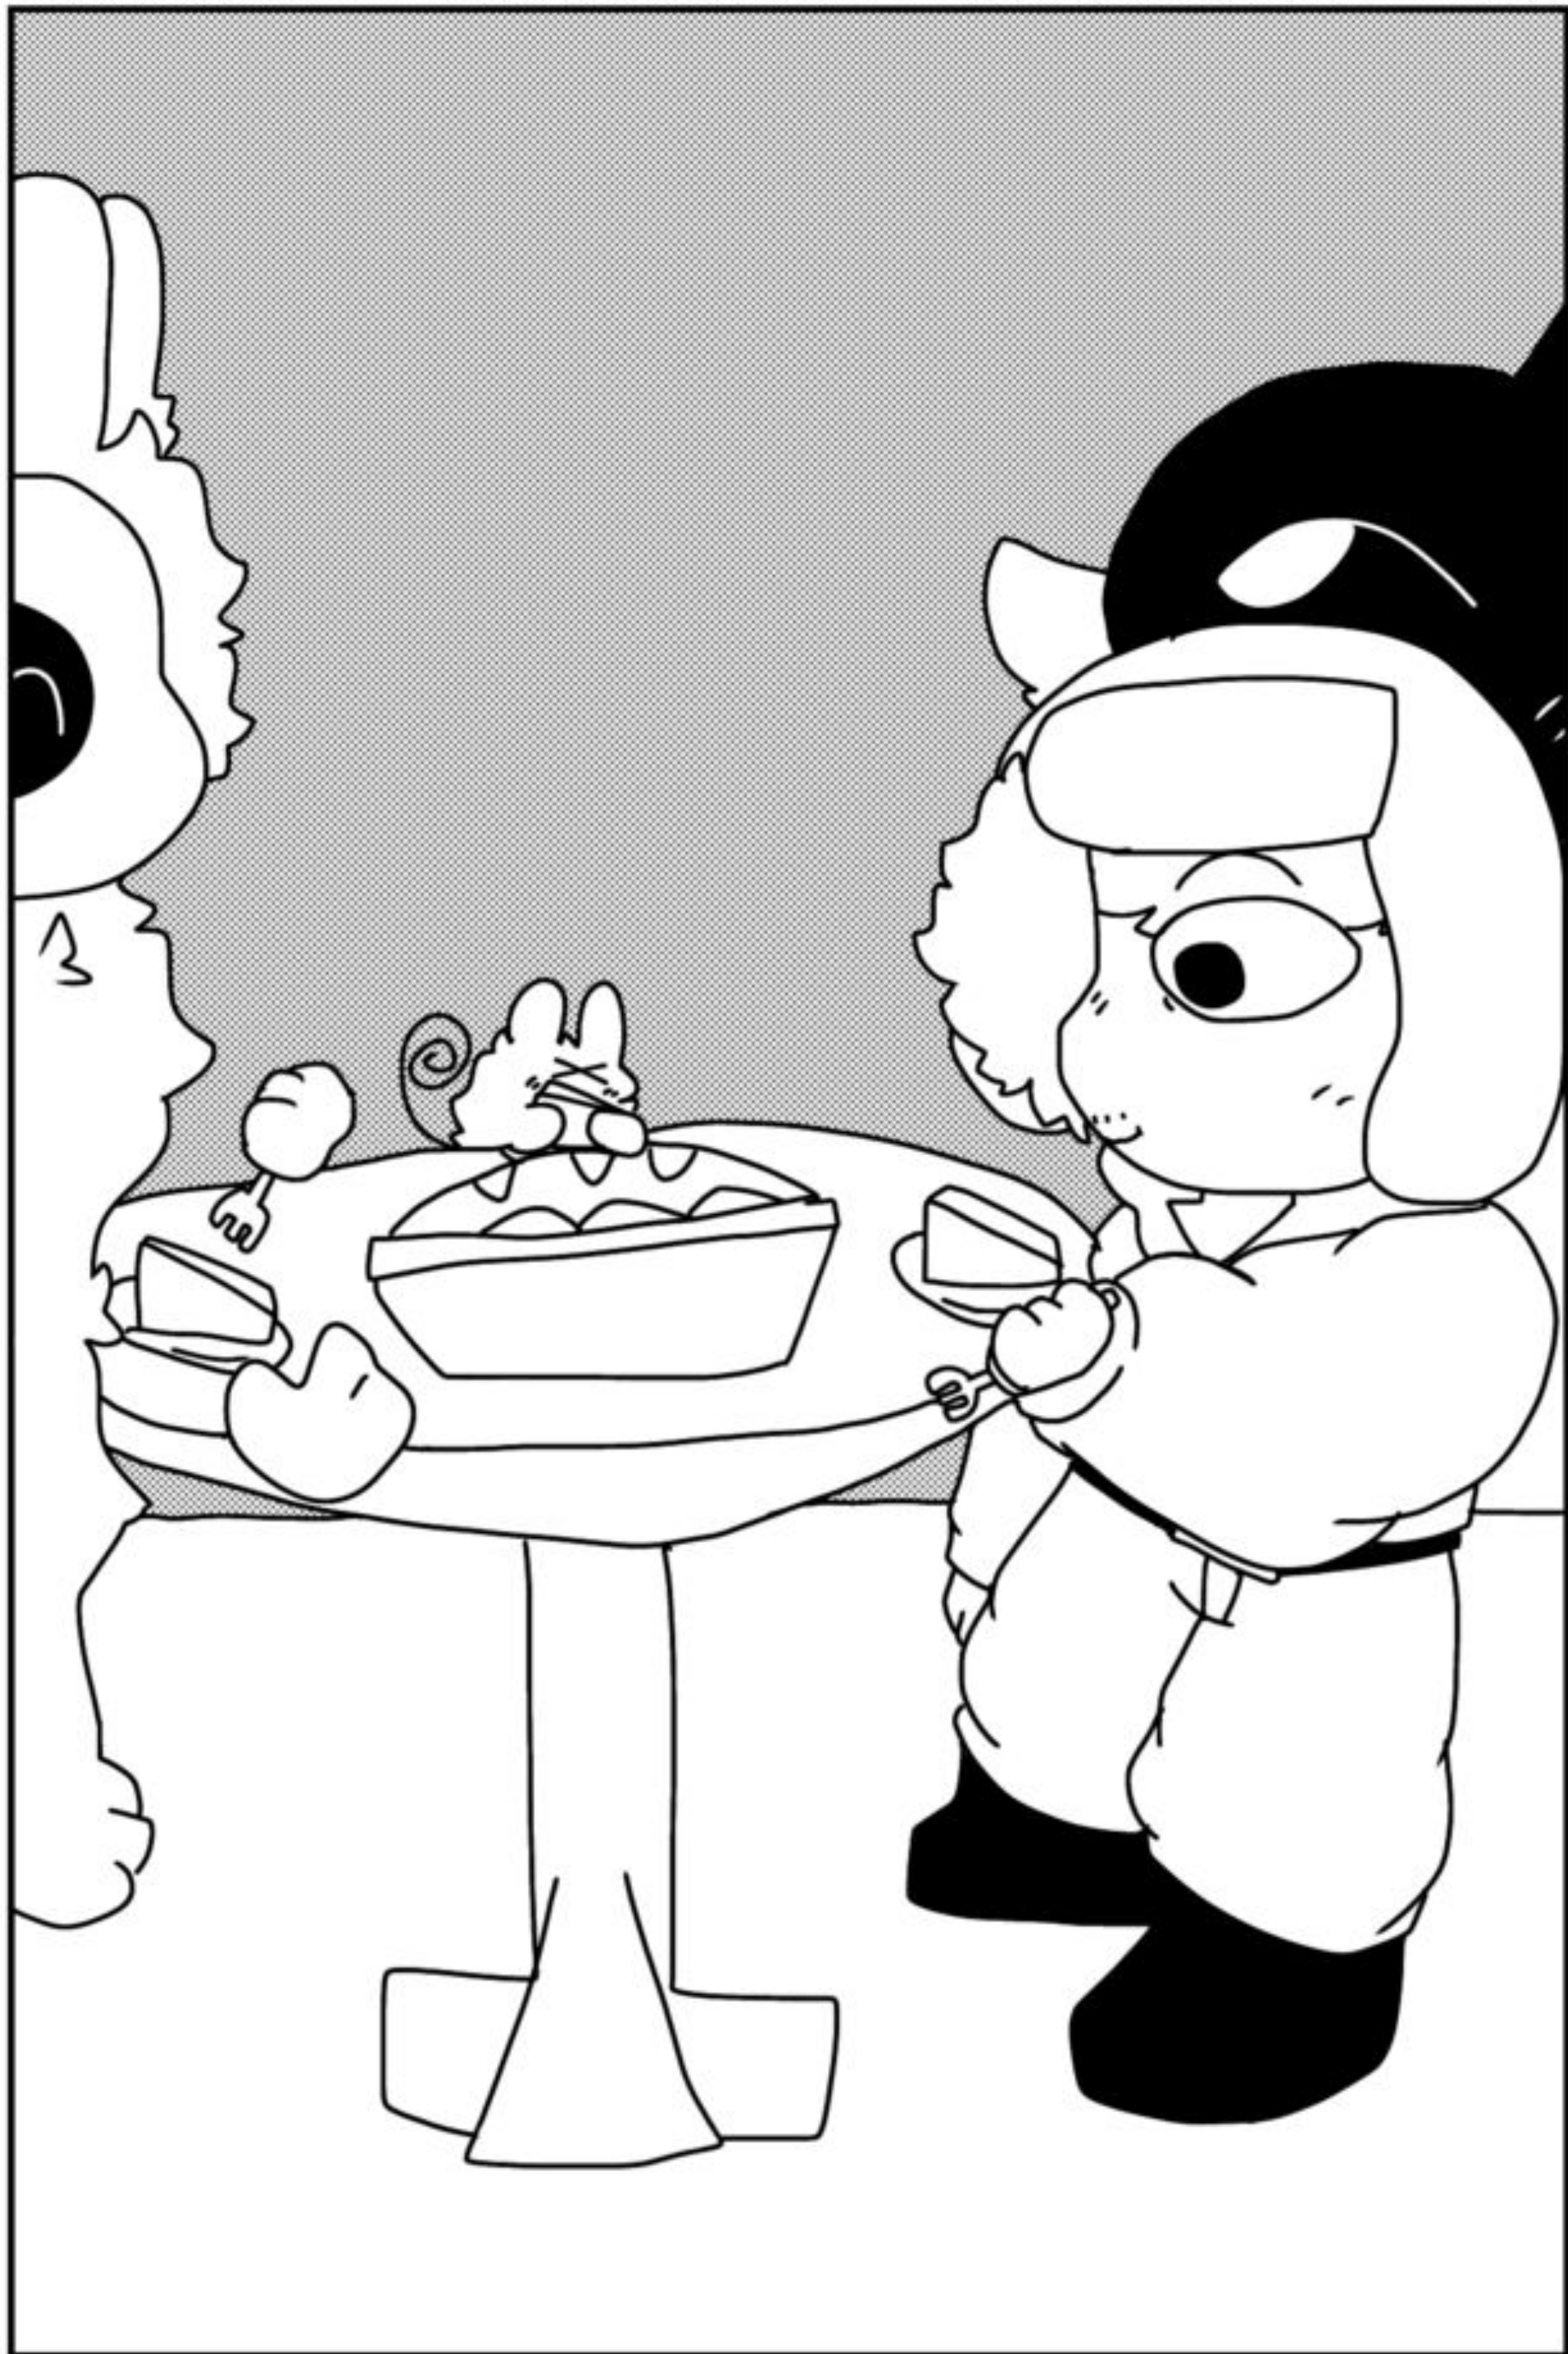

COK!
HOW THE HELL DID YOU GET HERE SO QUICKLY!?

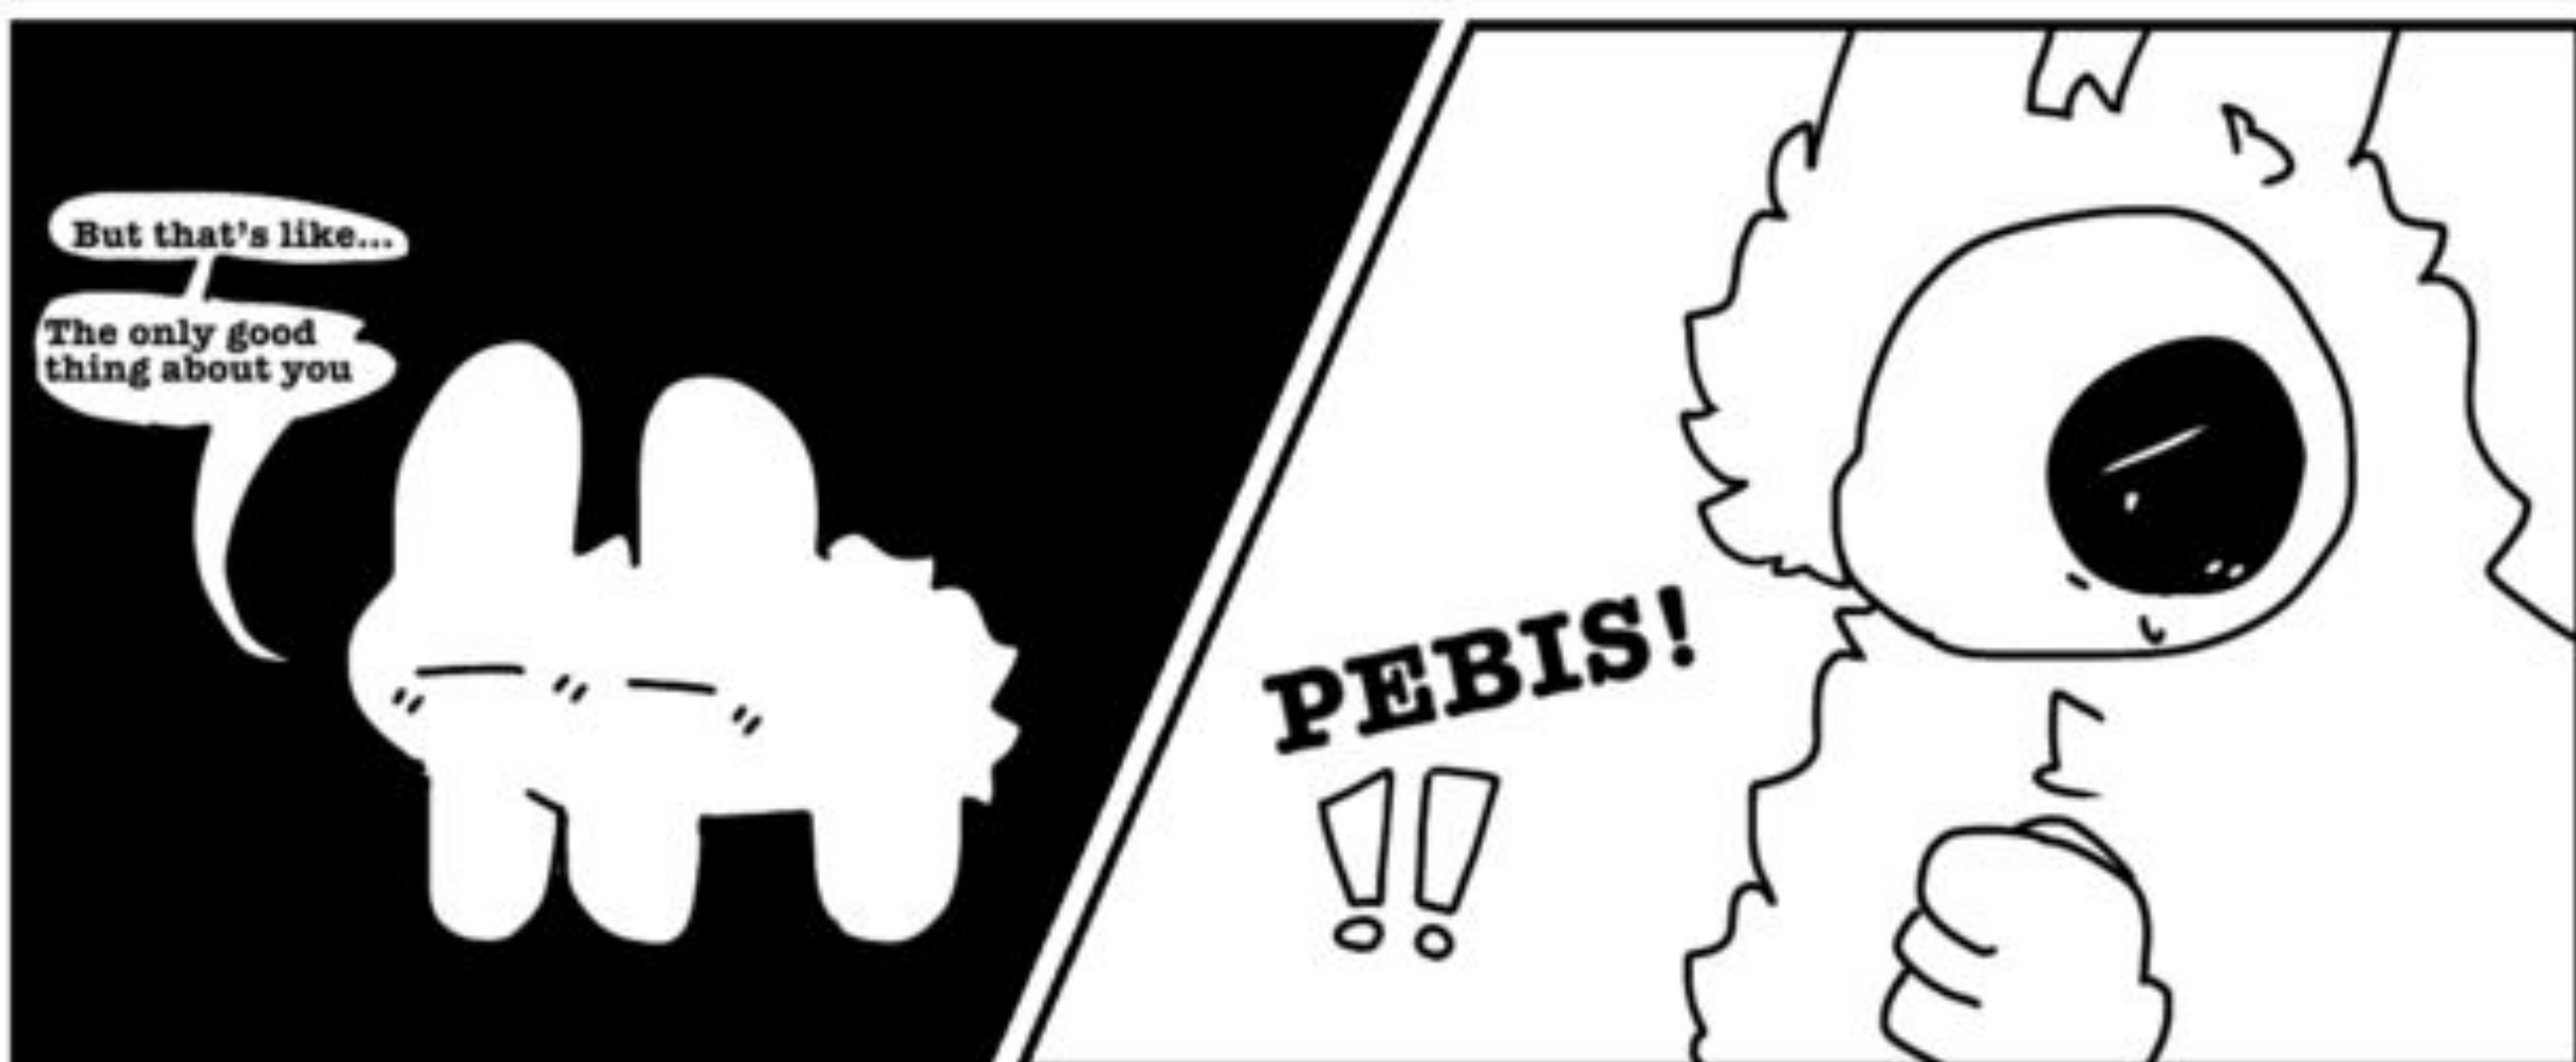

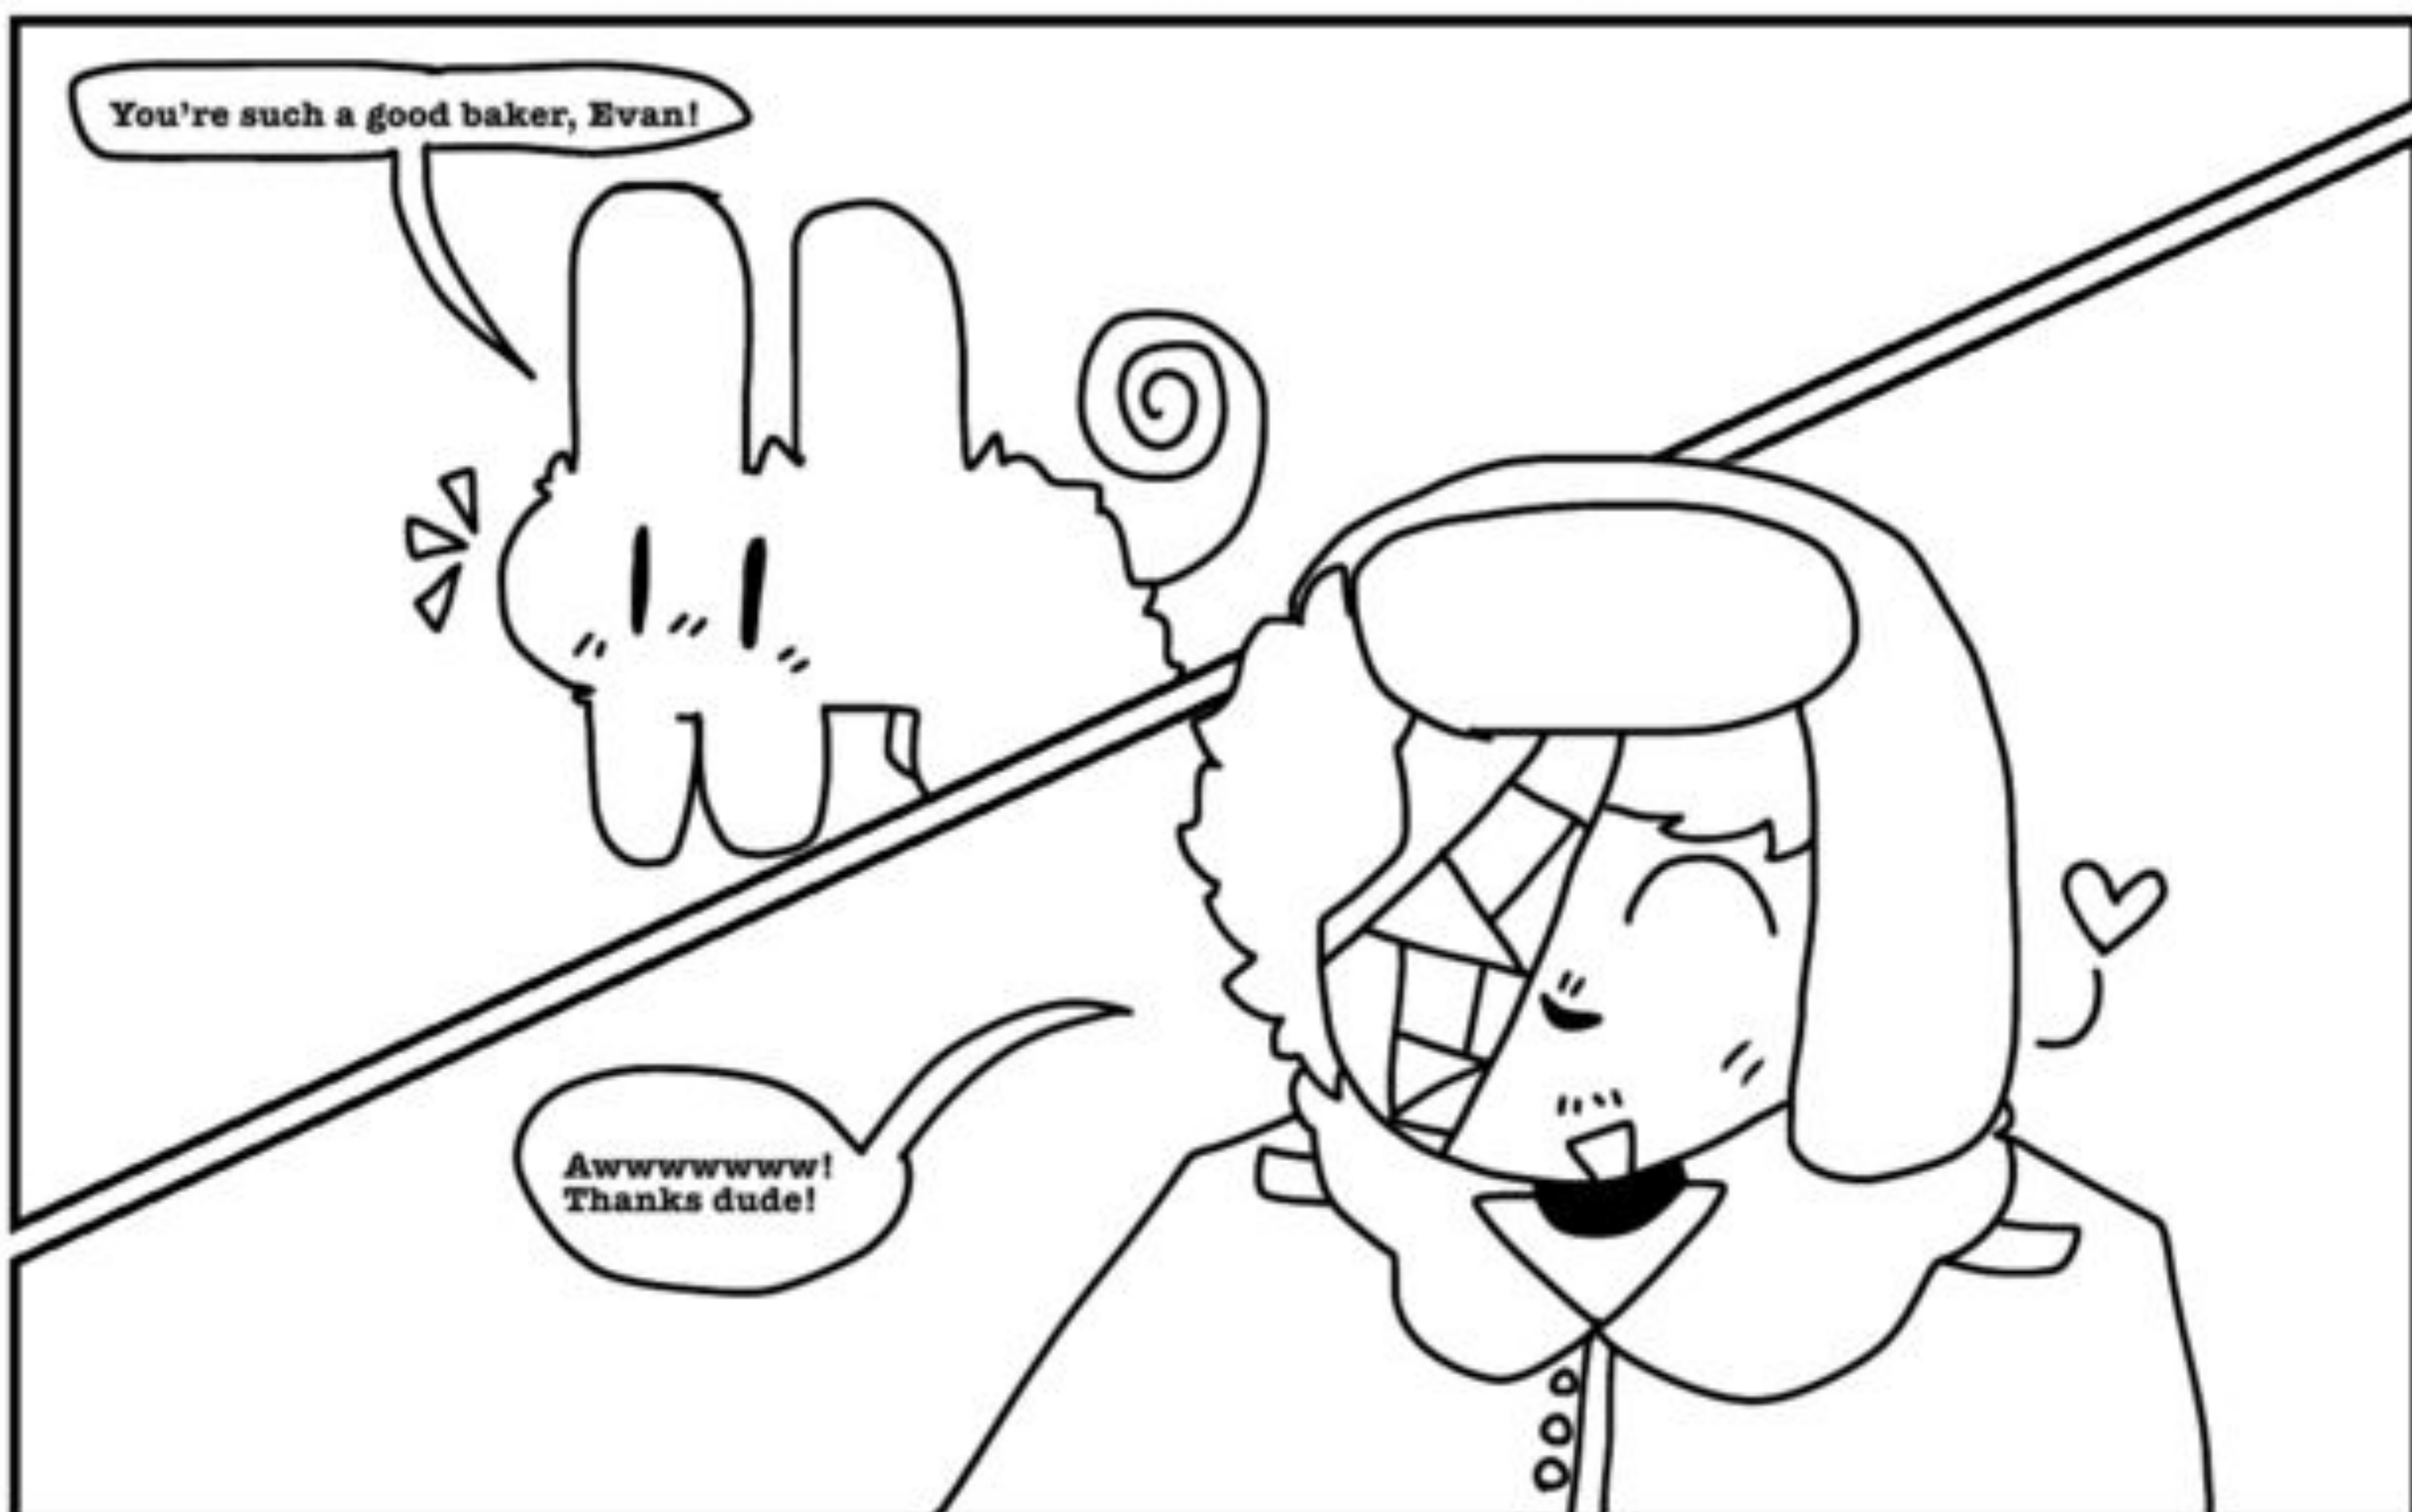

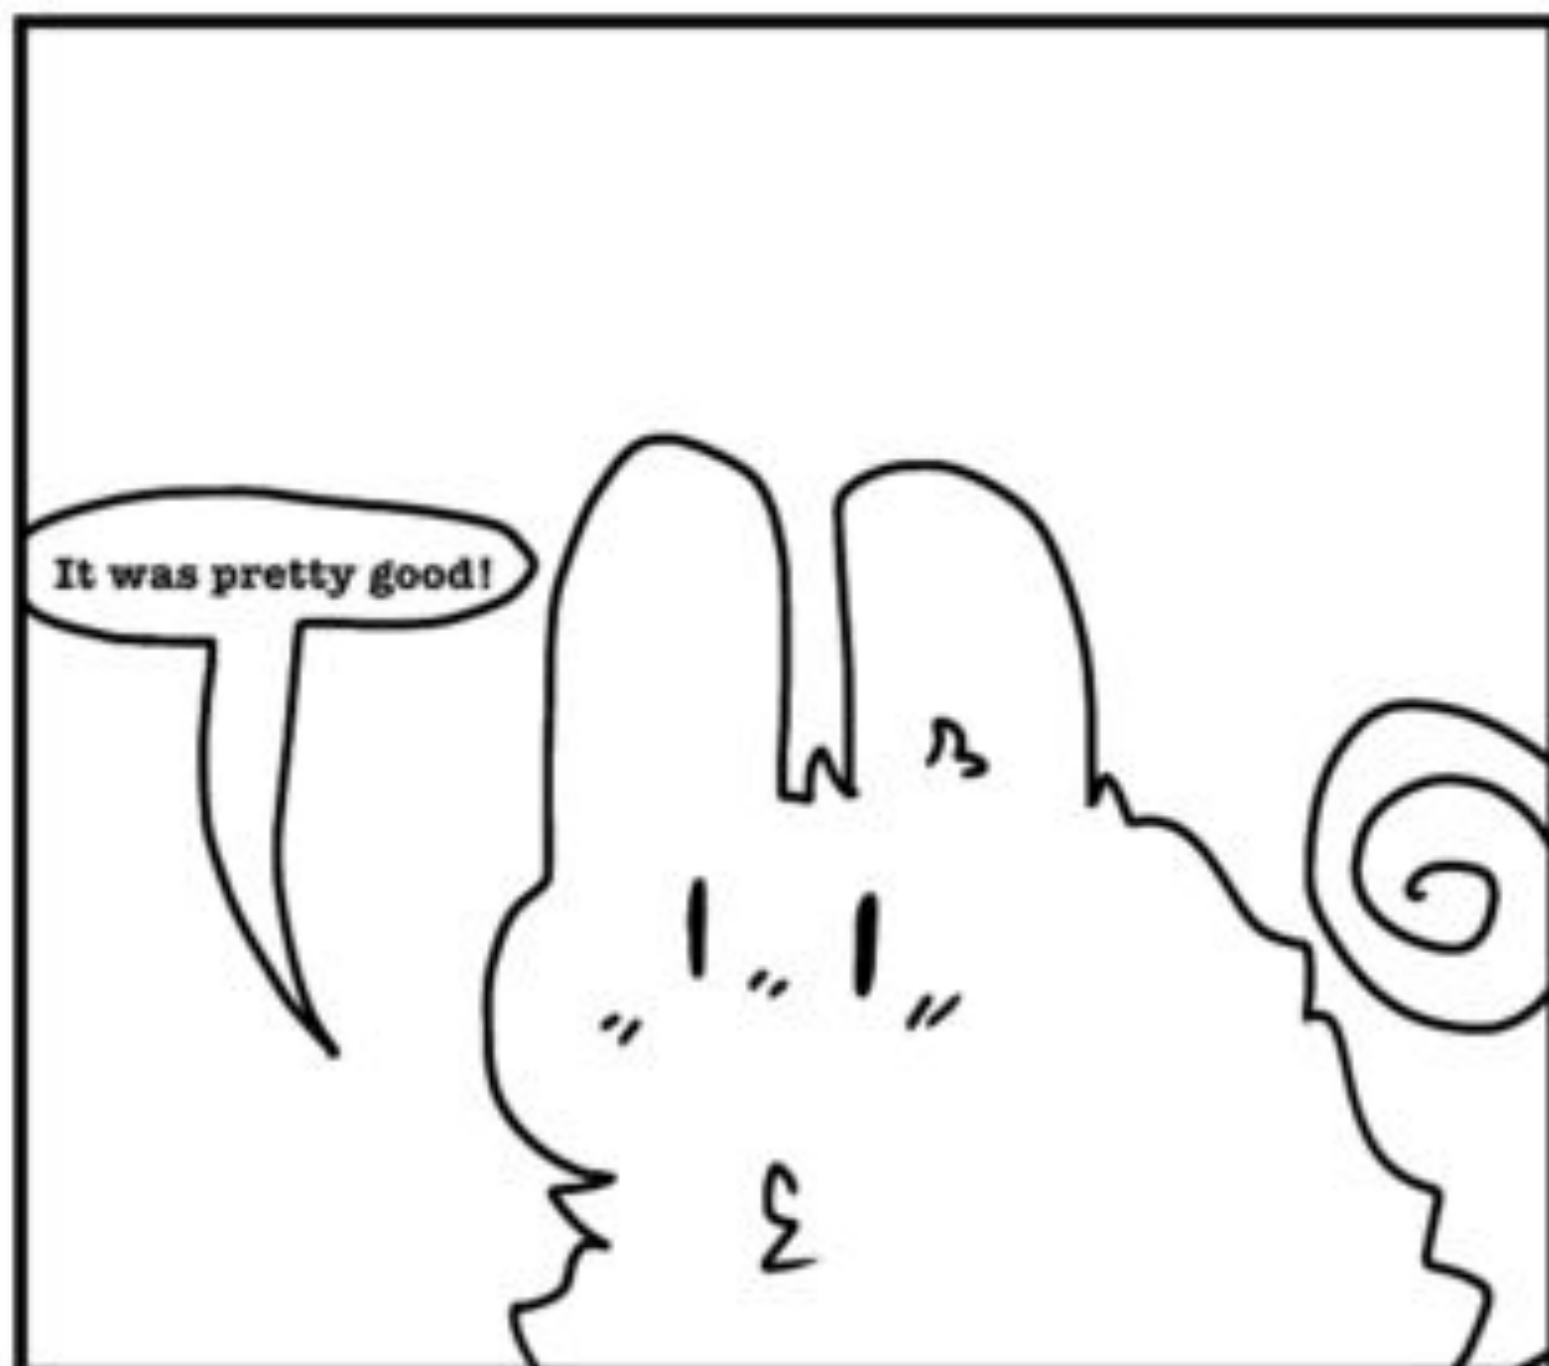

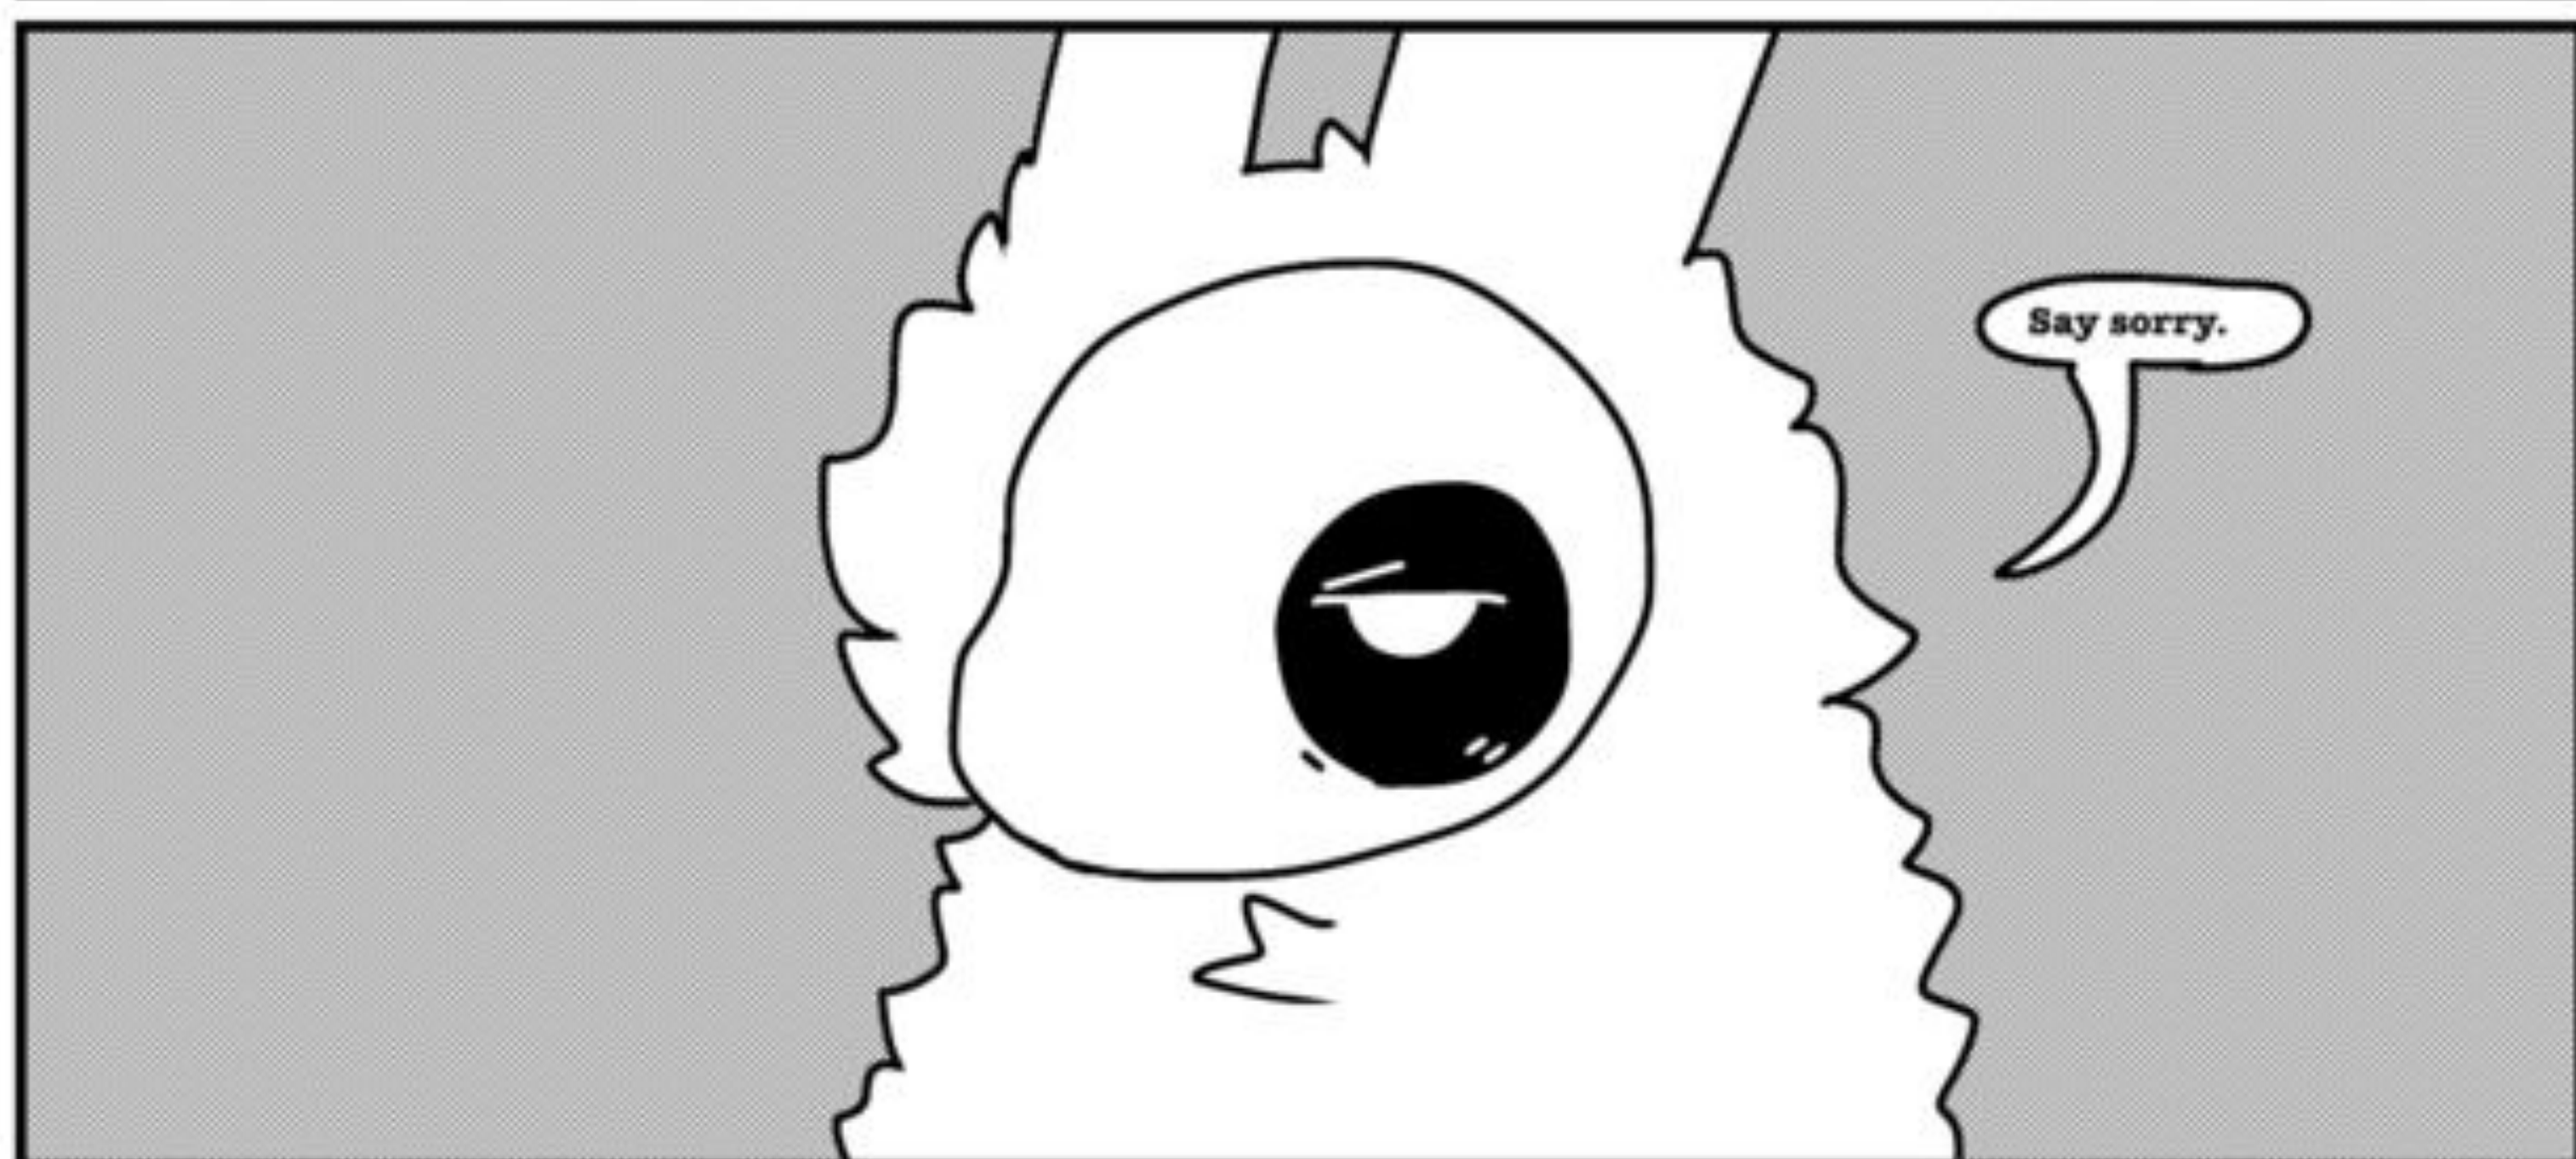

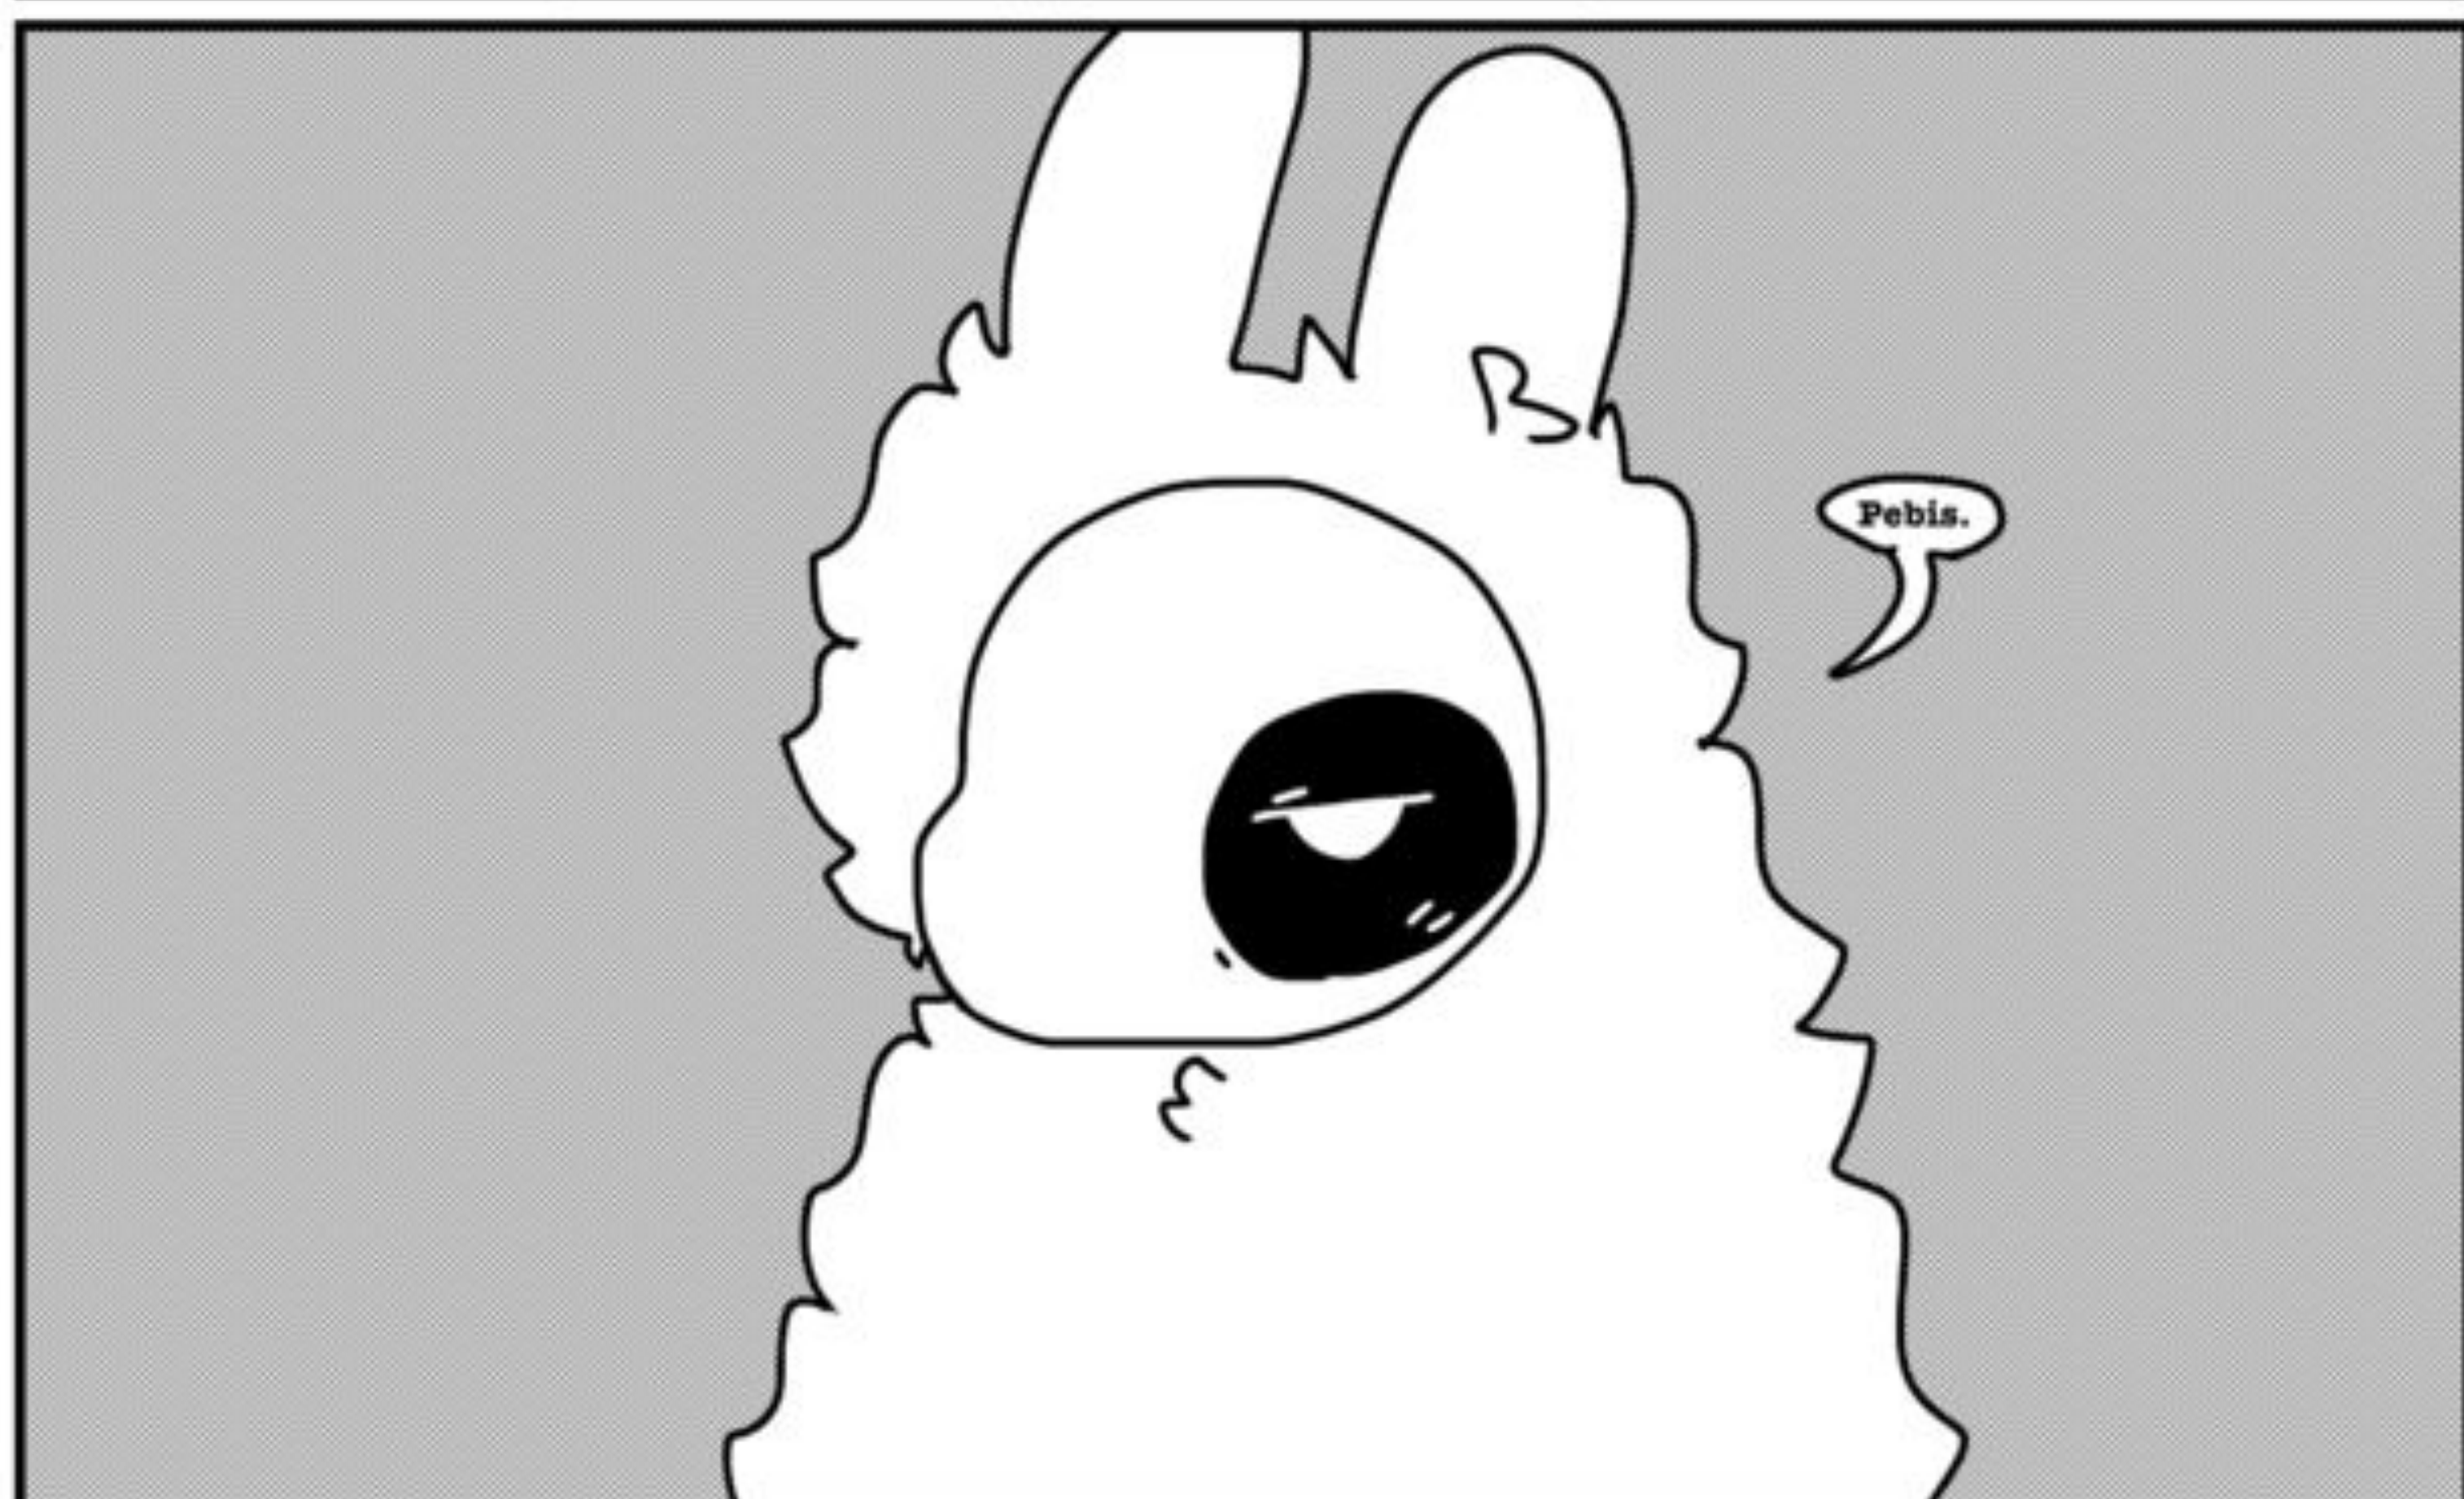

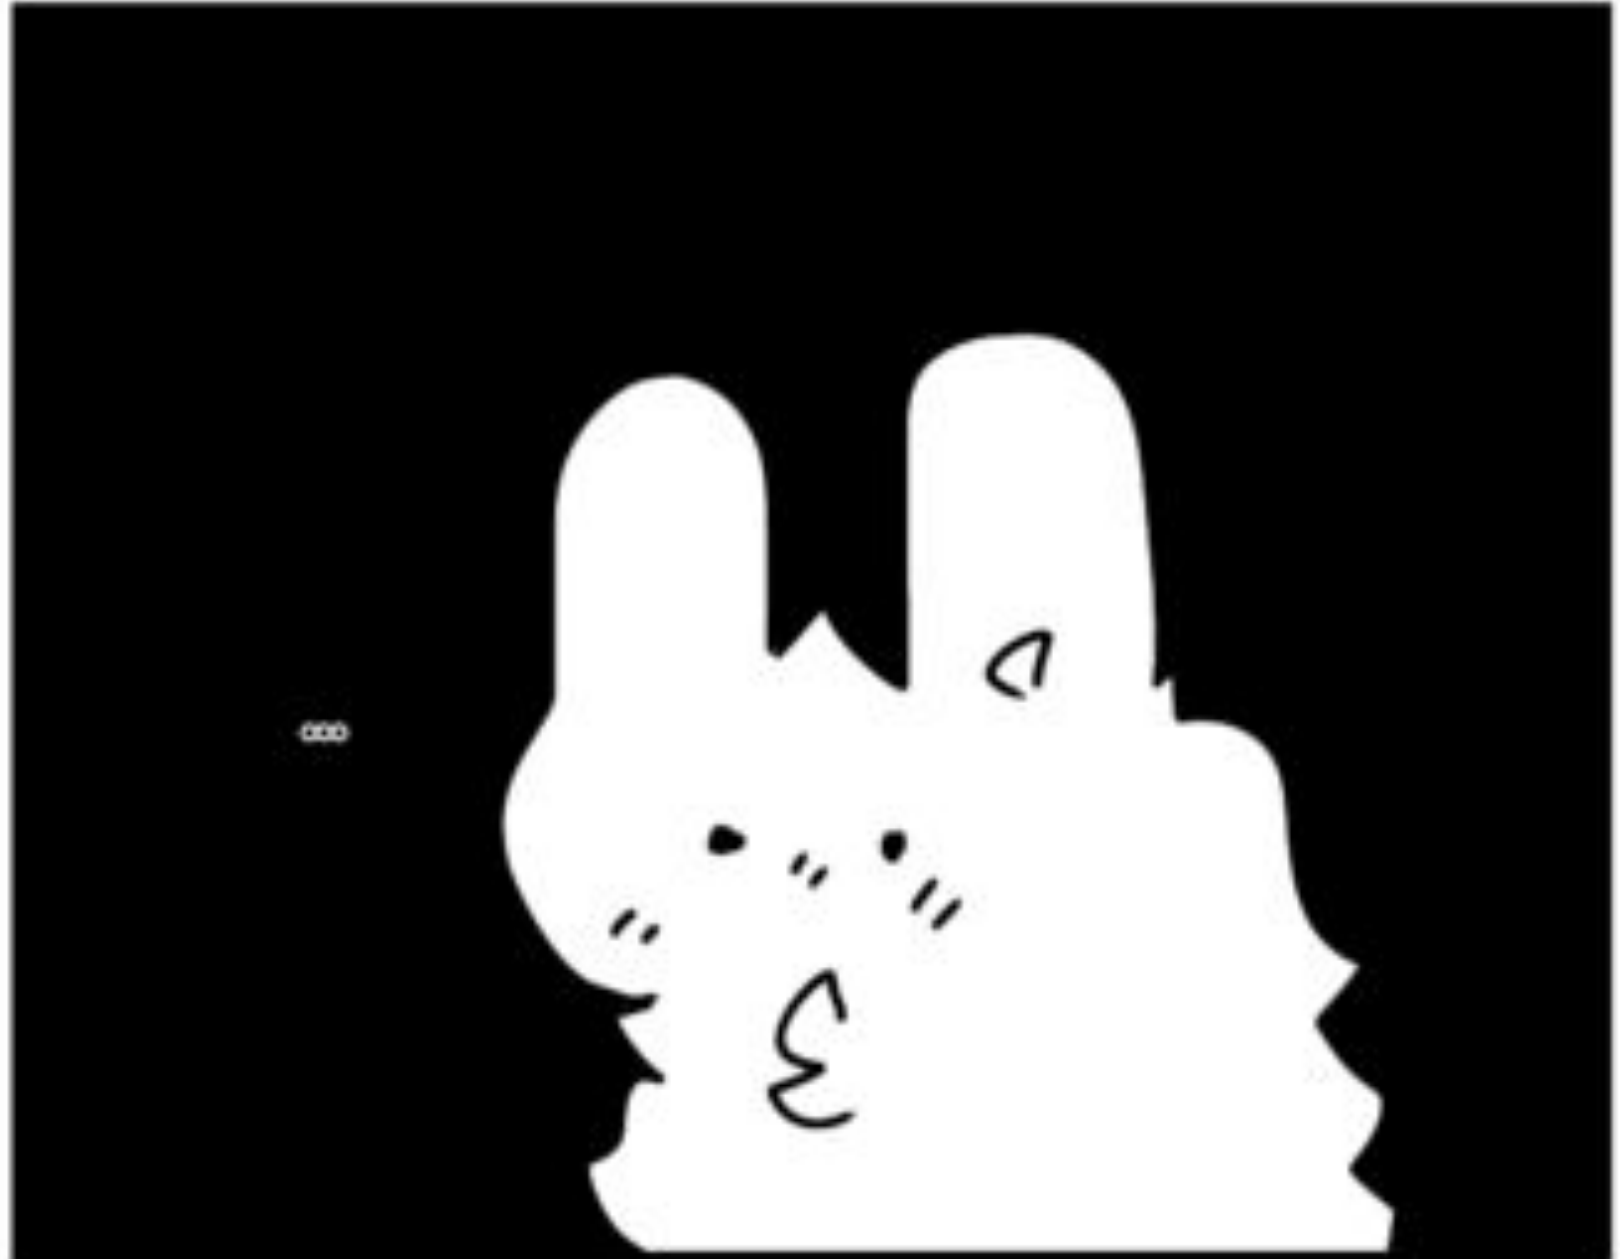

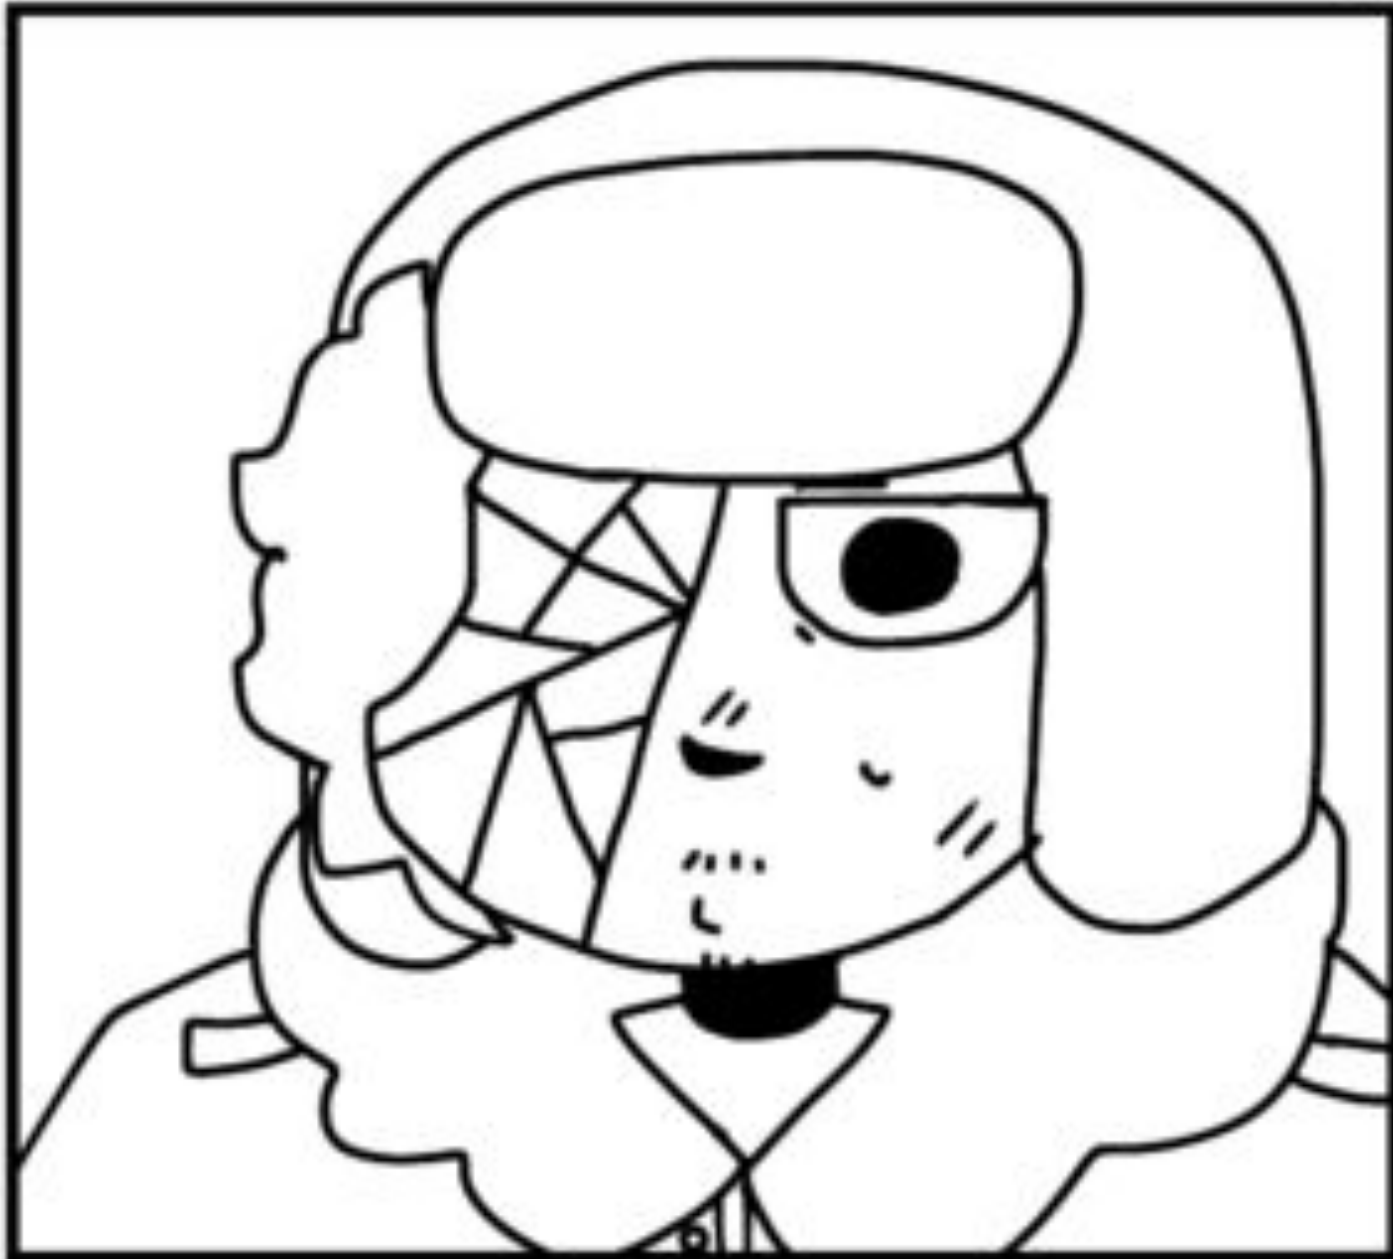

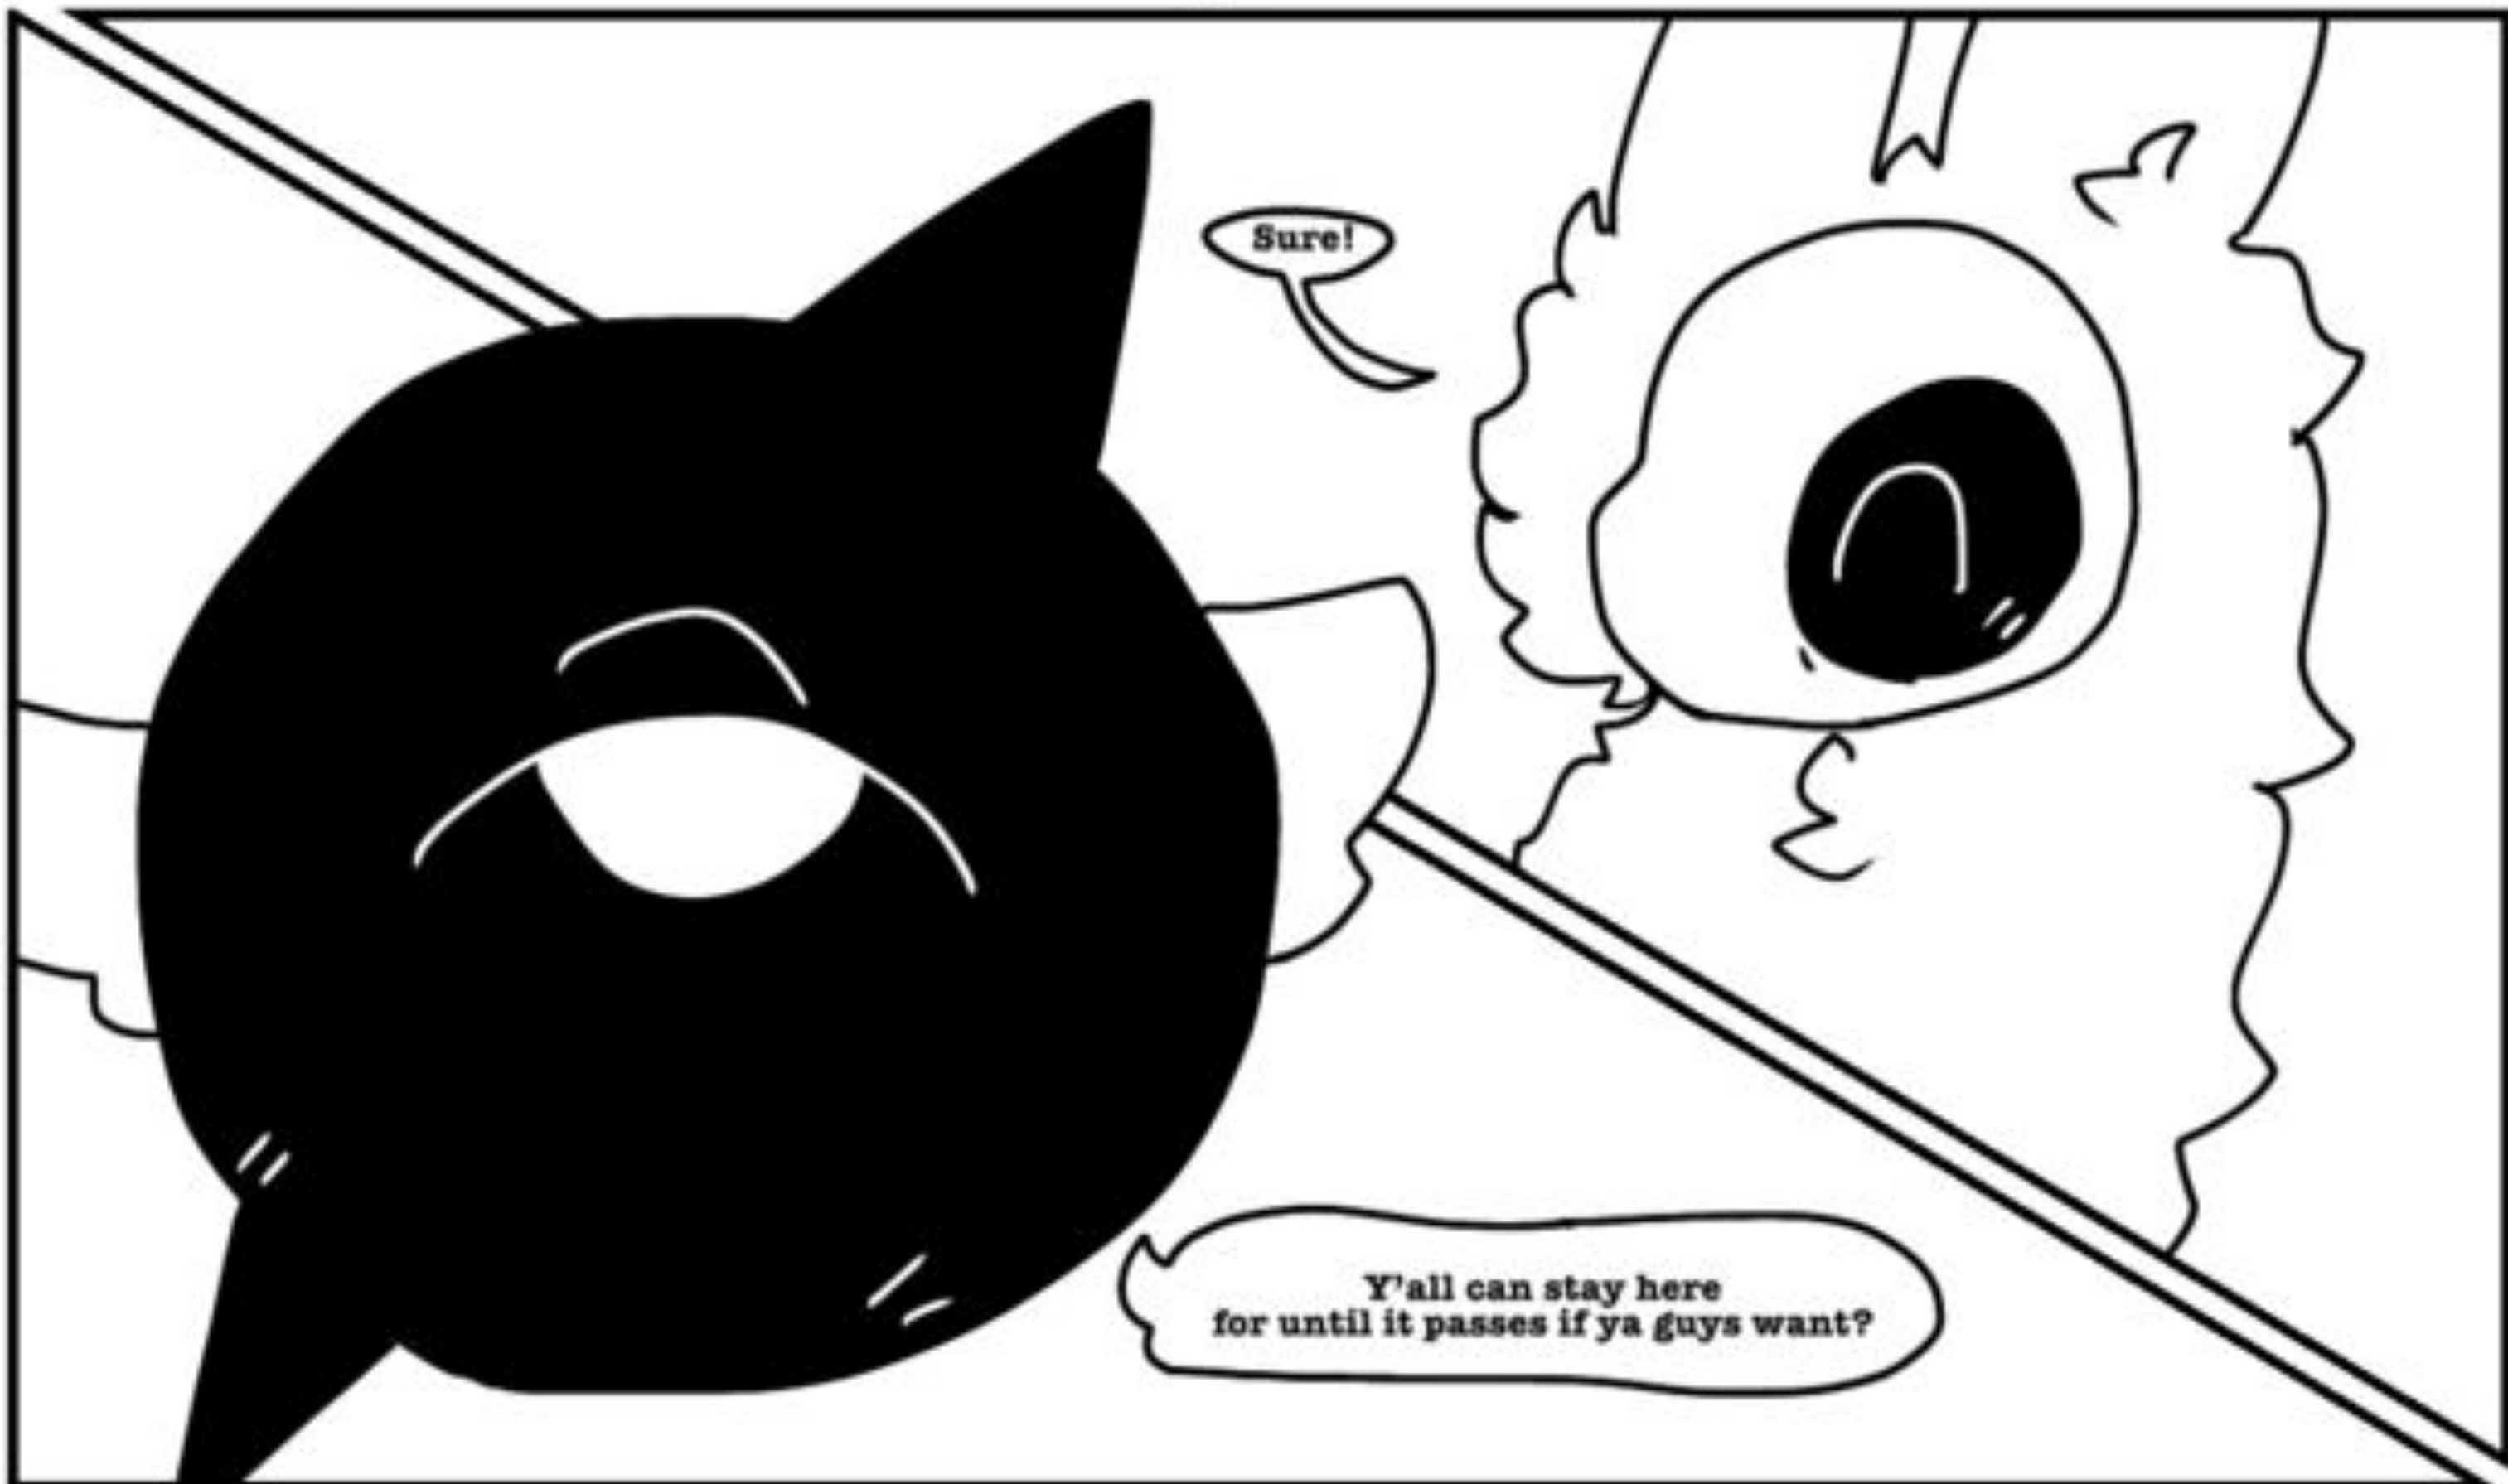

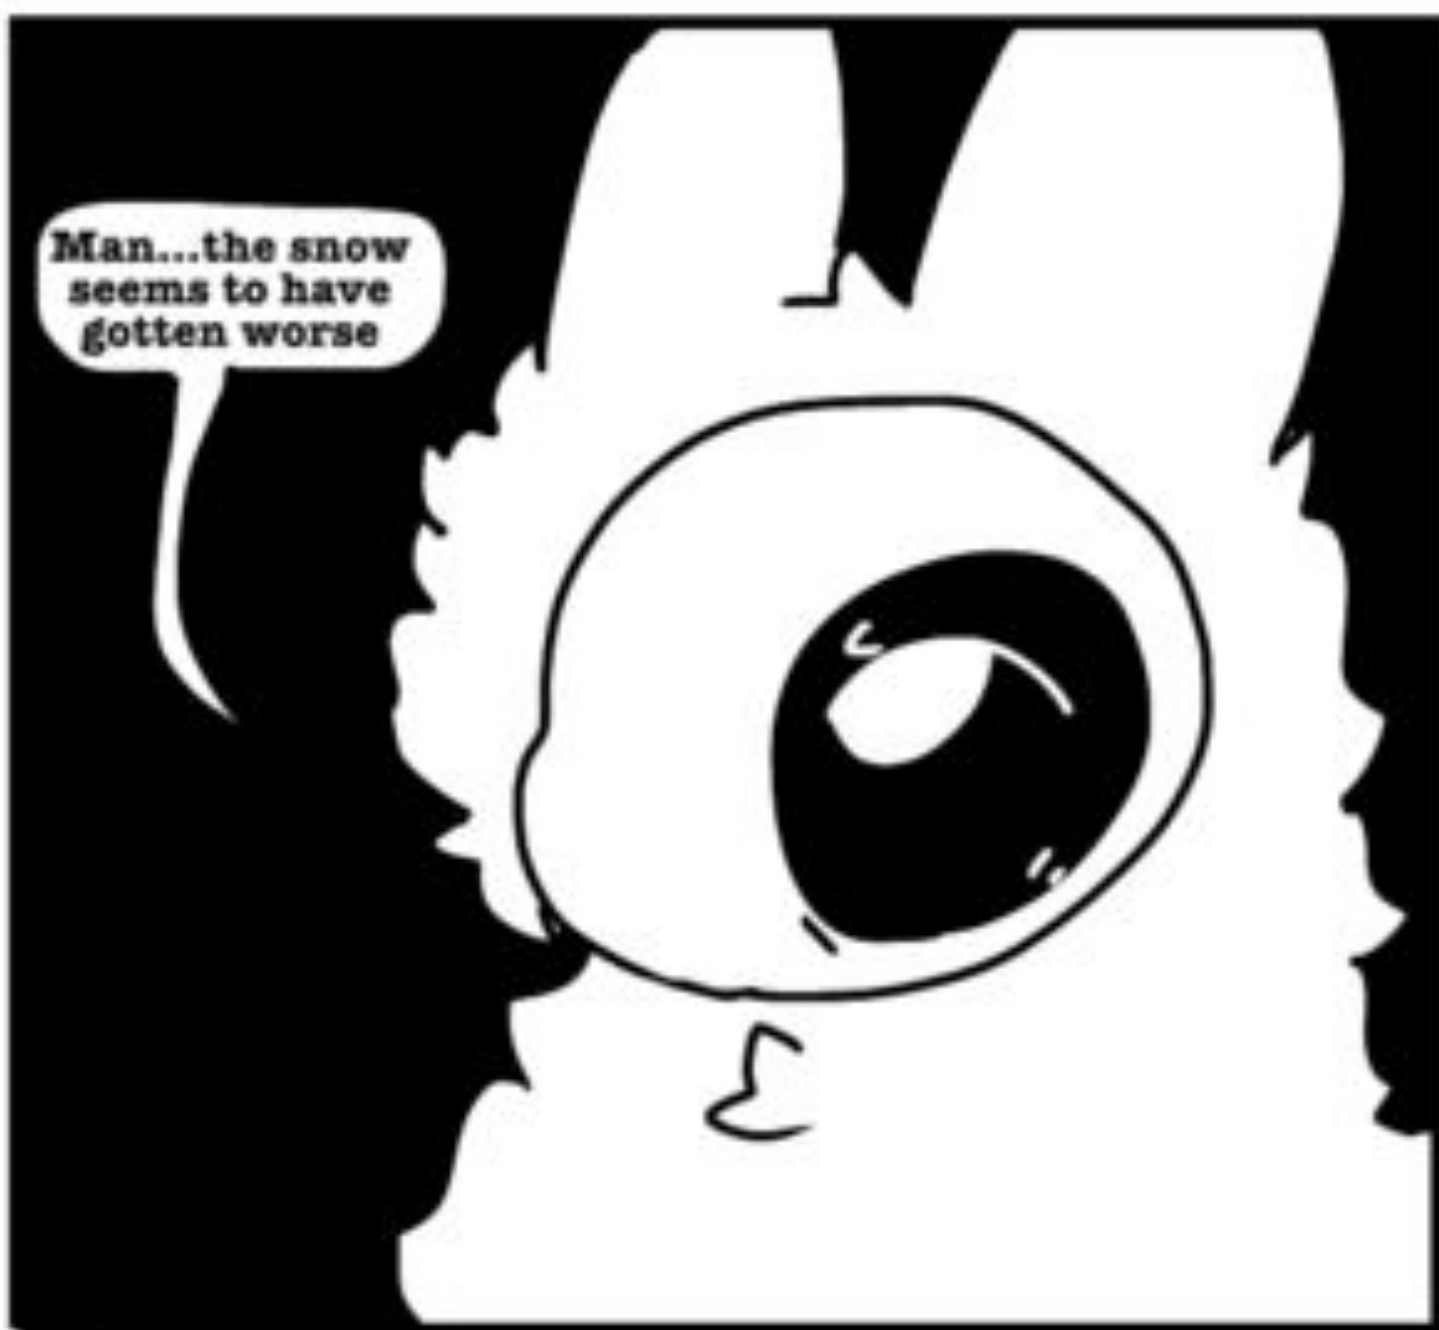

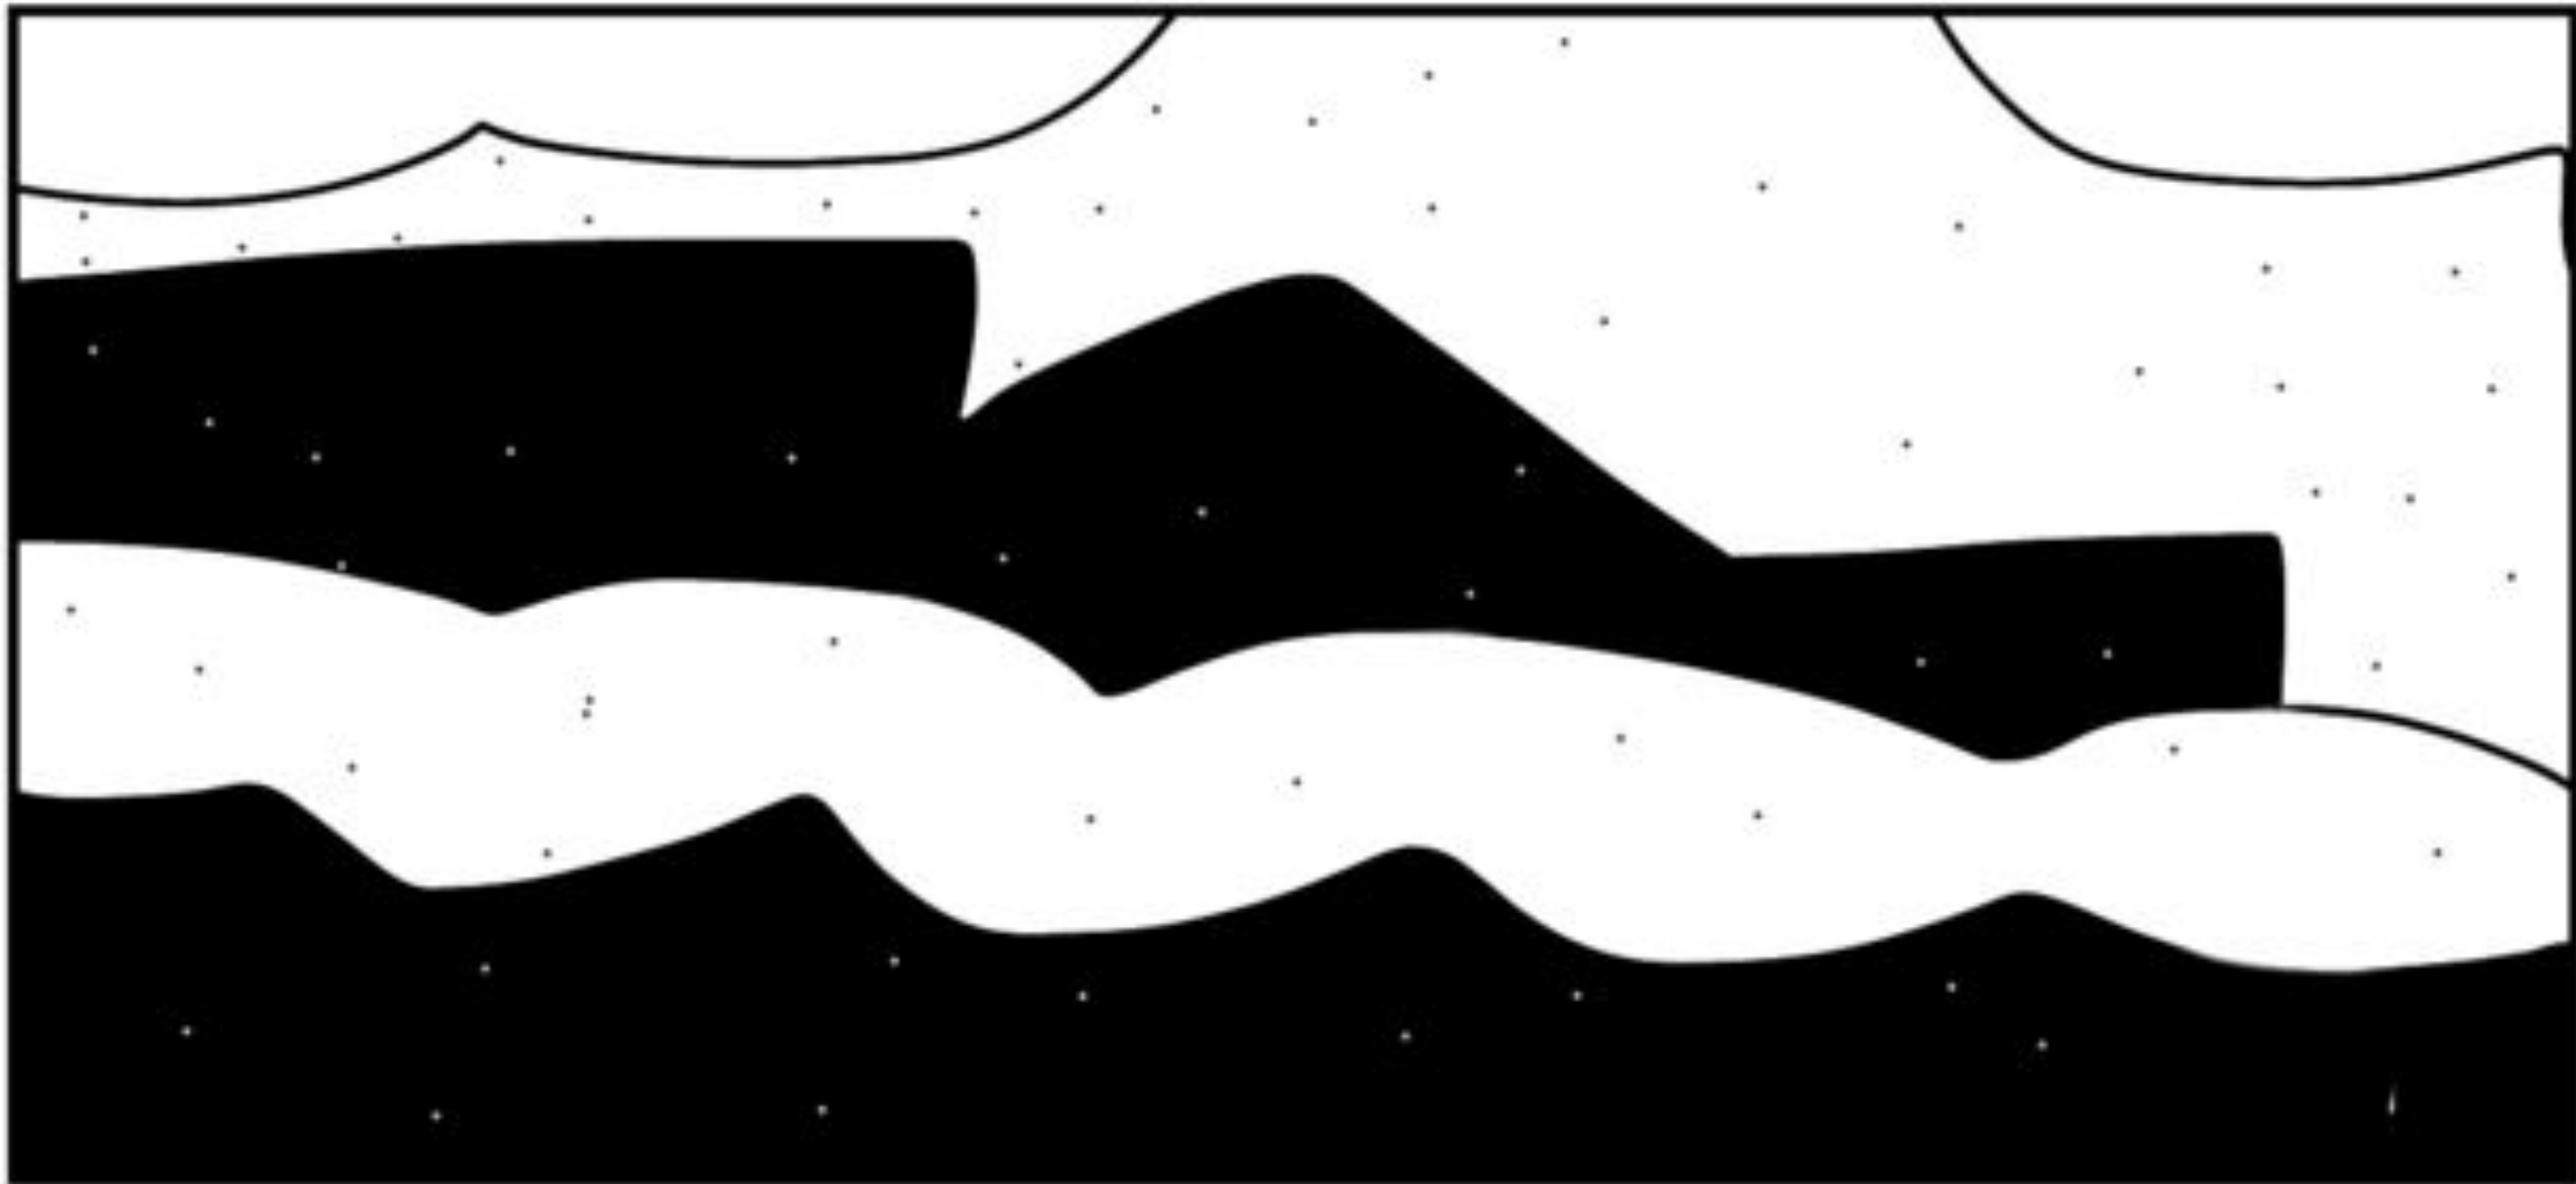

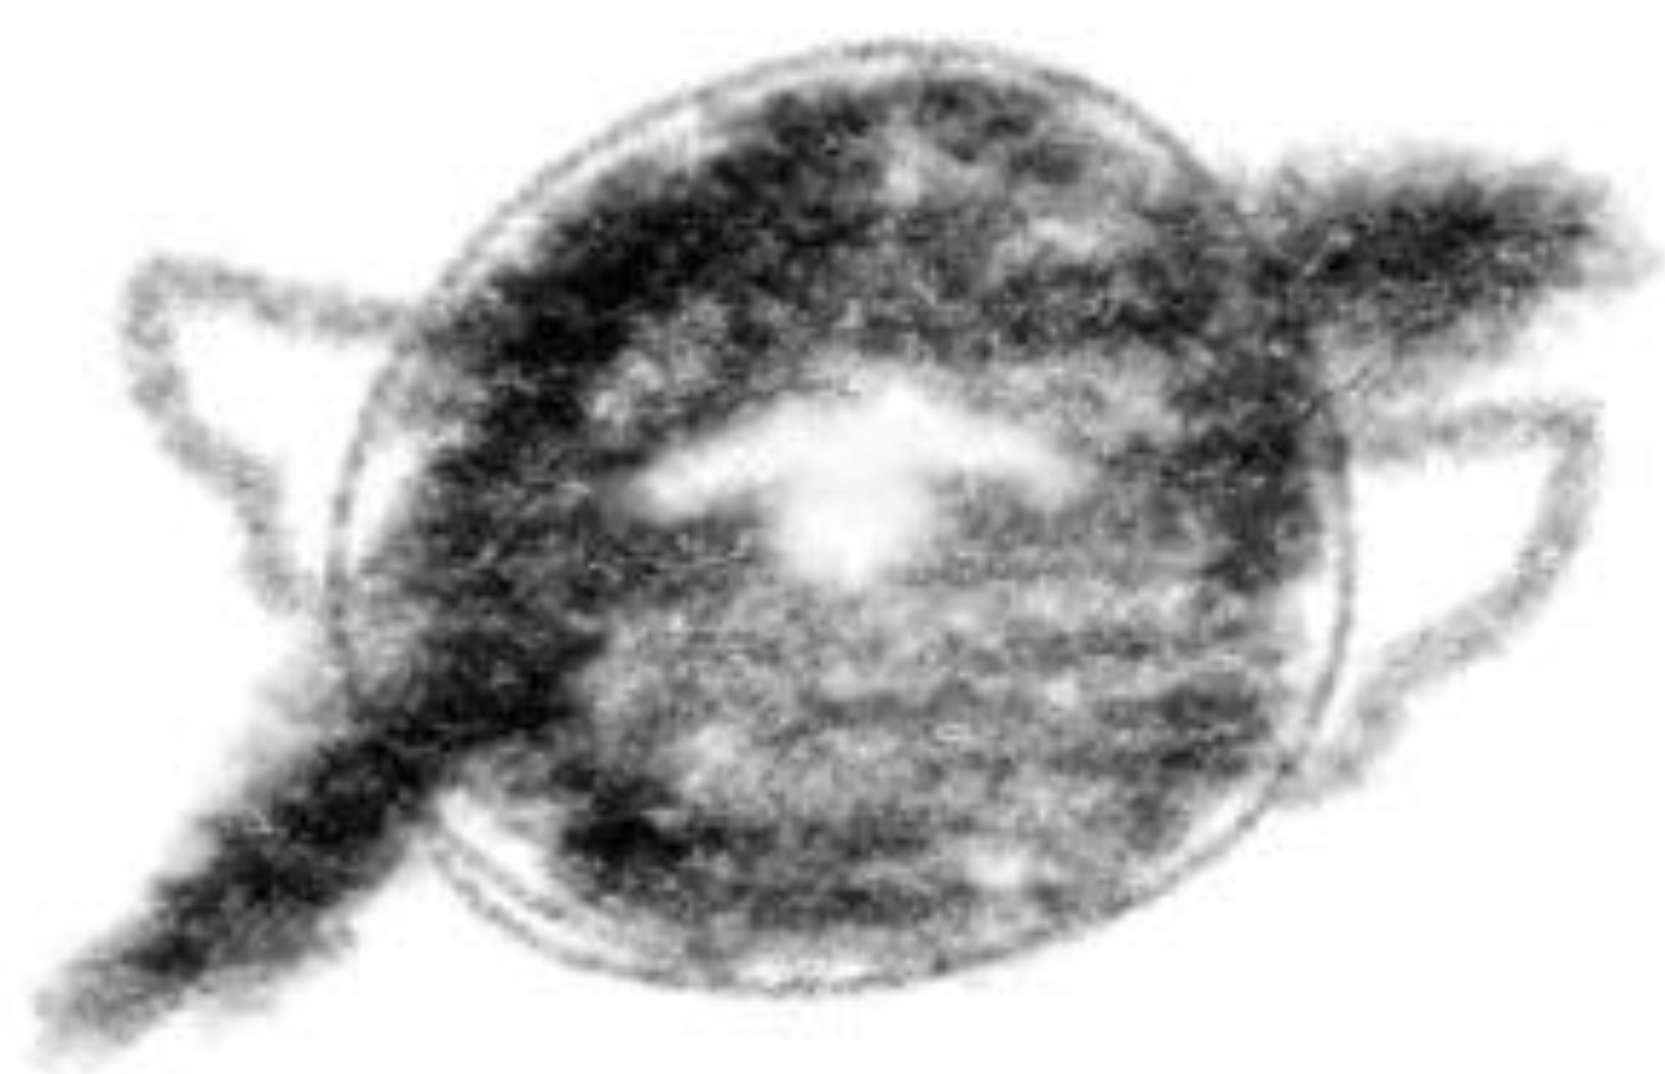

Man..

1 hour later...

W-when is this blizzard gonna go through?! It's been over an hour and i'm getting tired of sitting here!

I'd say about 2 more hours till it passes by.

THAT'S GONNA TAKE FOREVER!!!

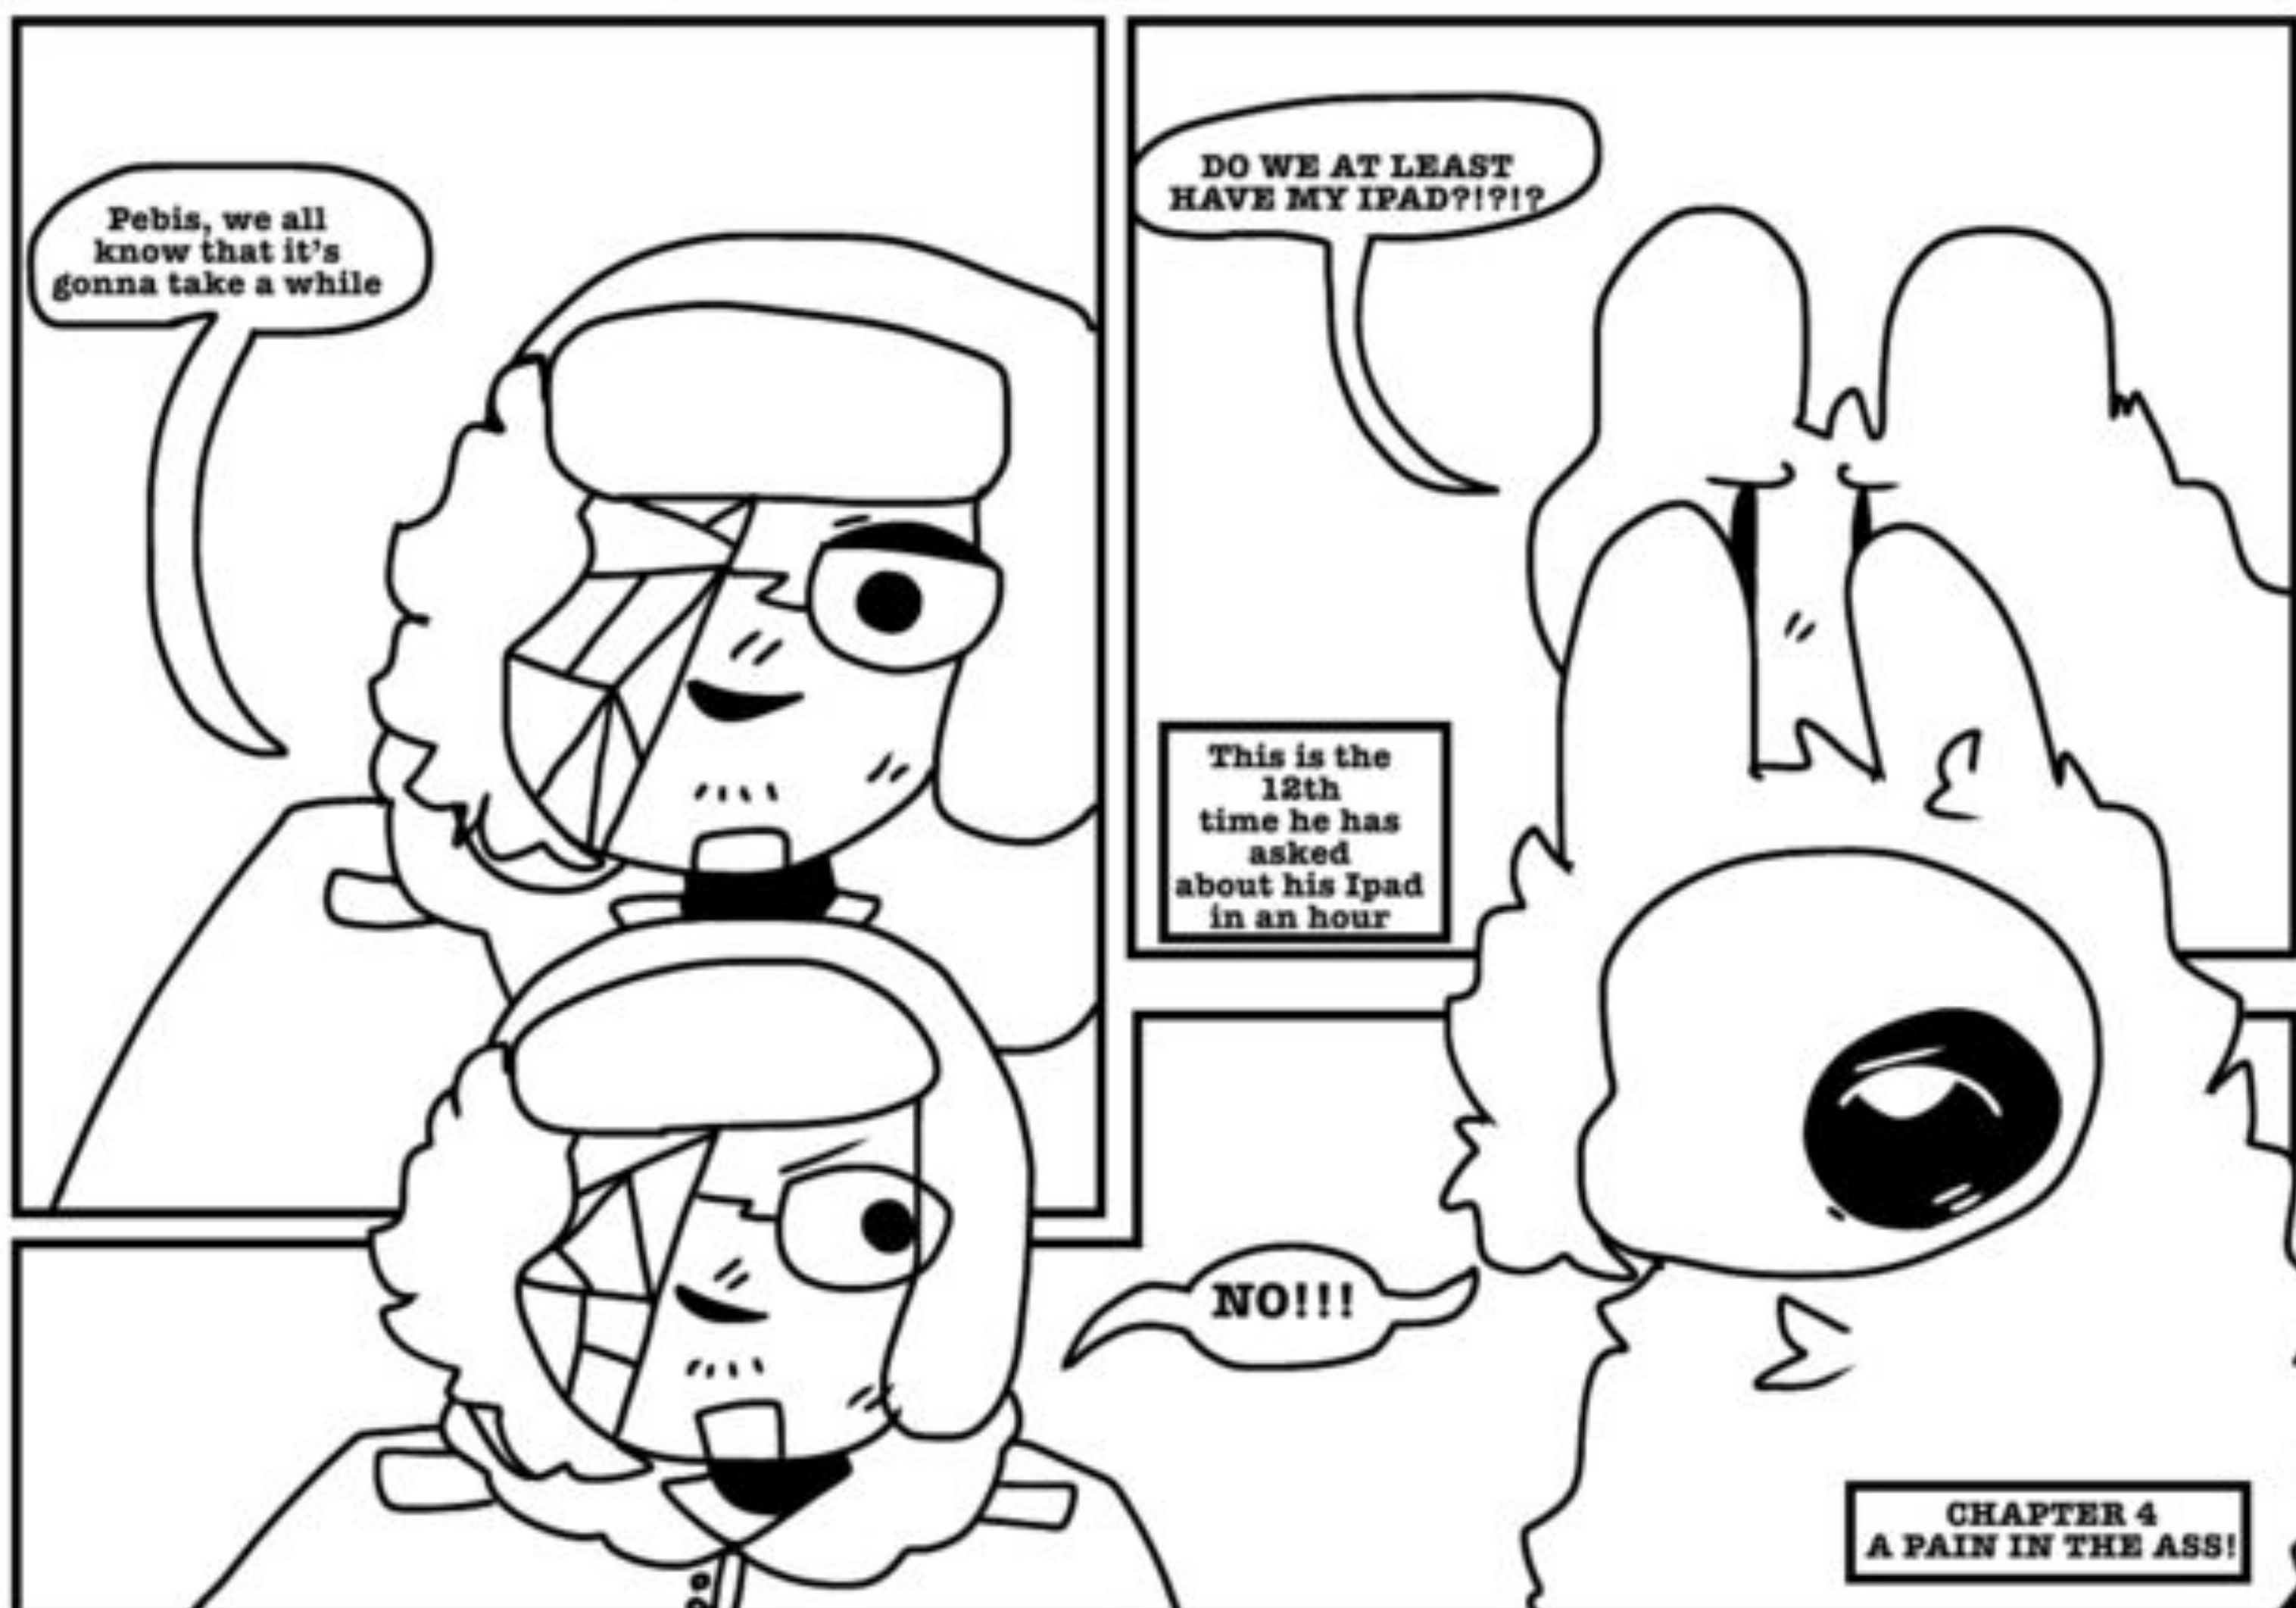

Pebis, we all know that it's gonna take a while

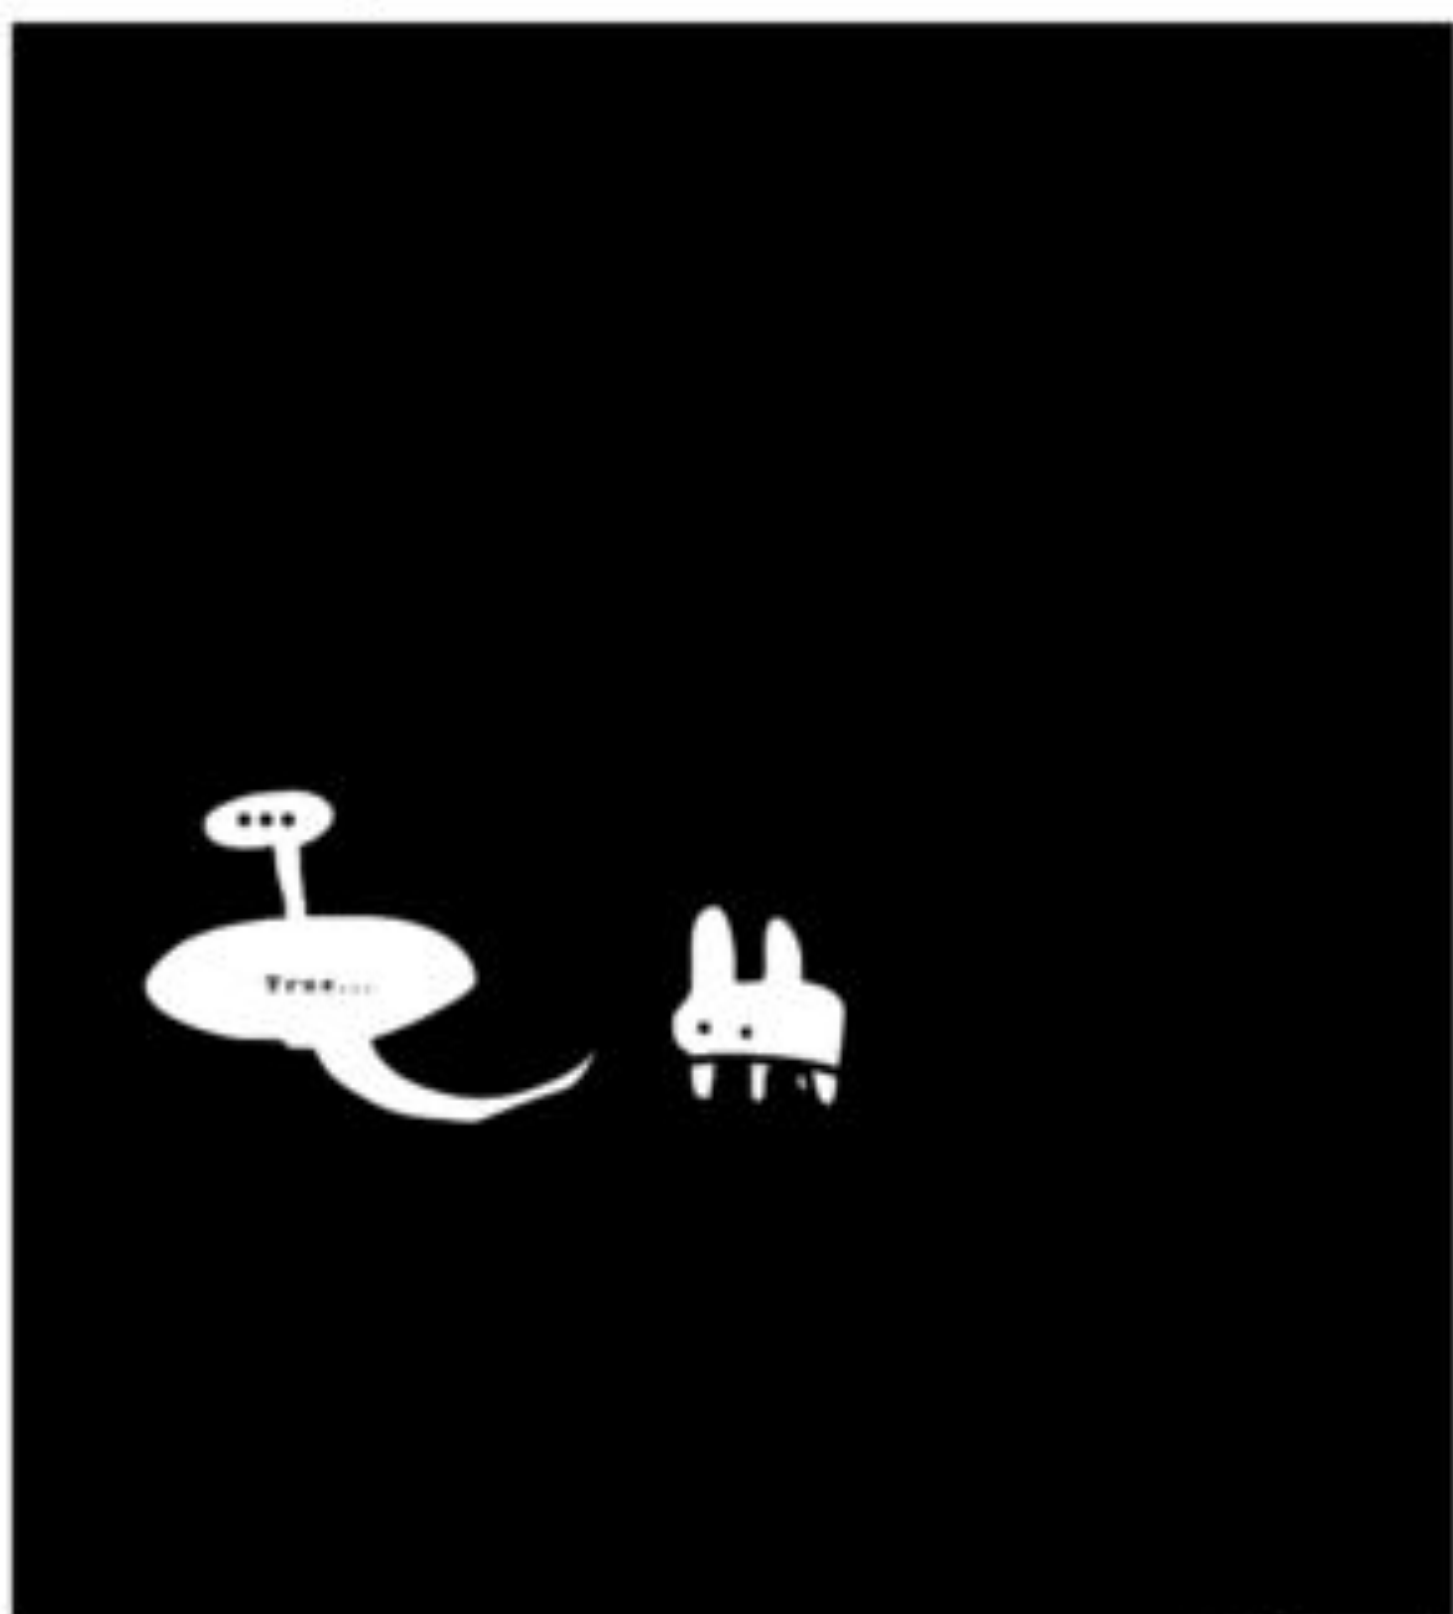

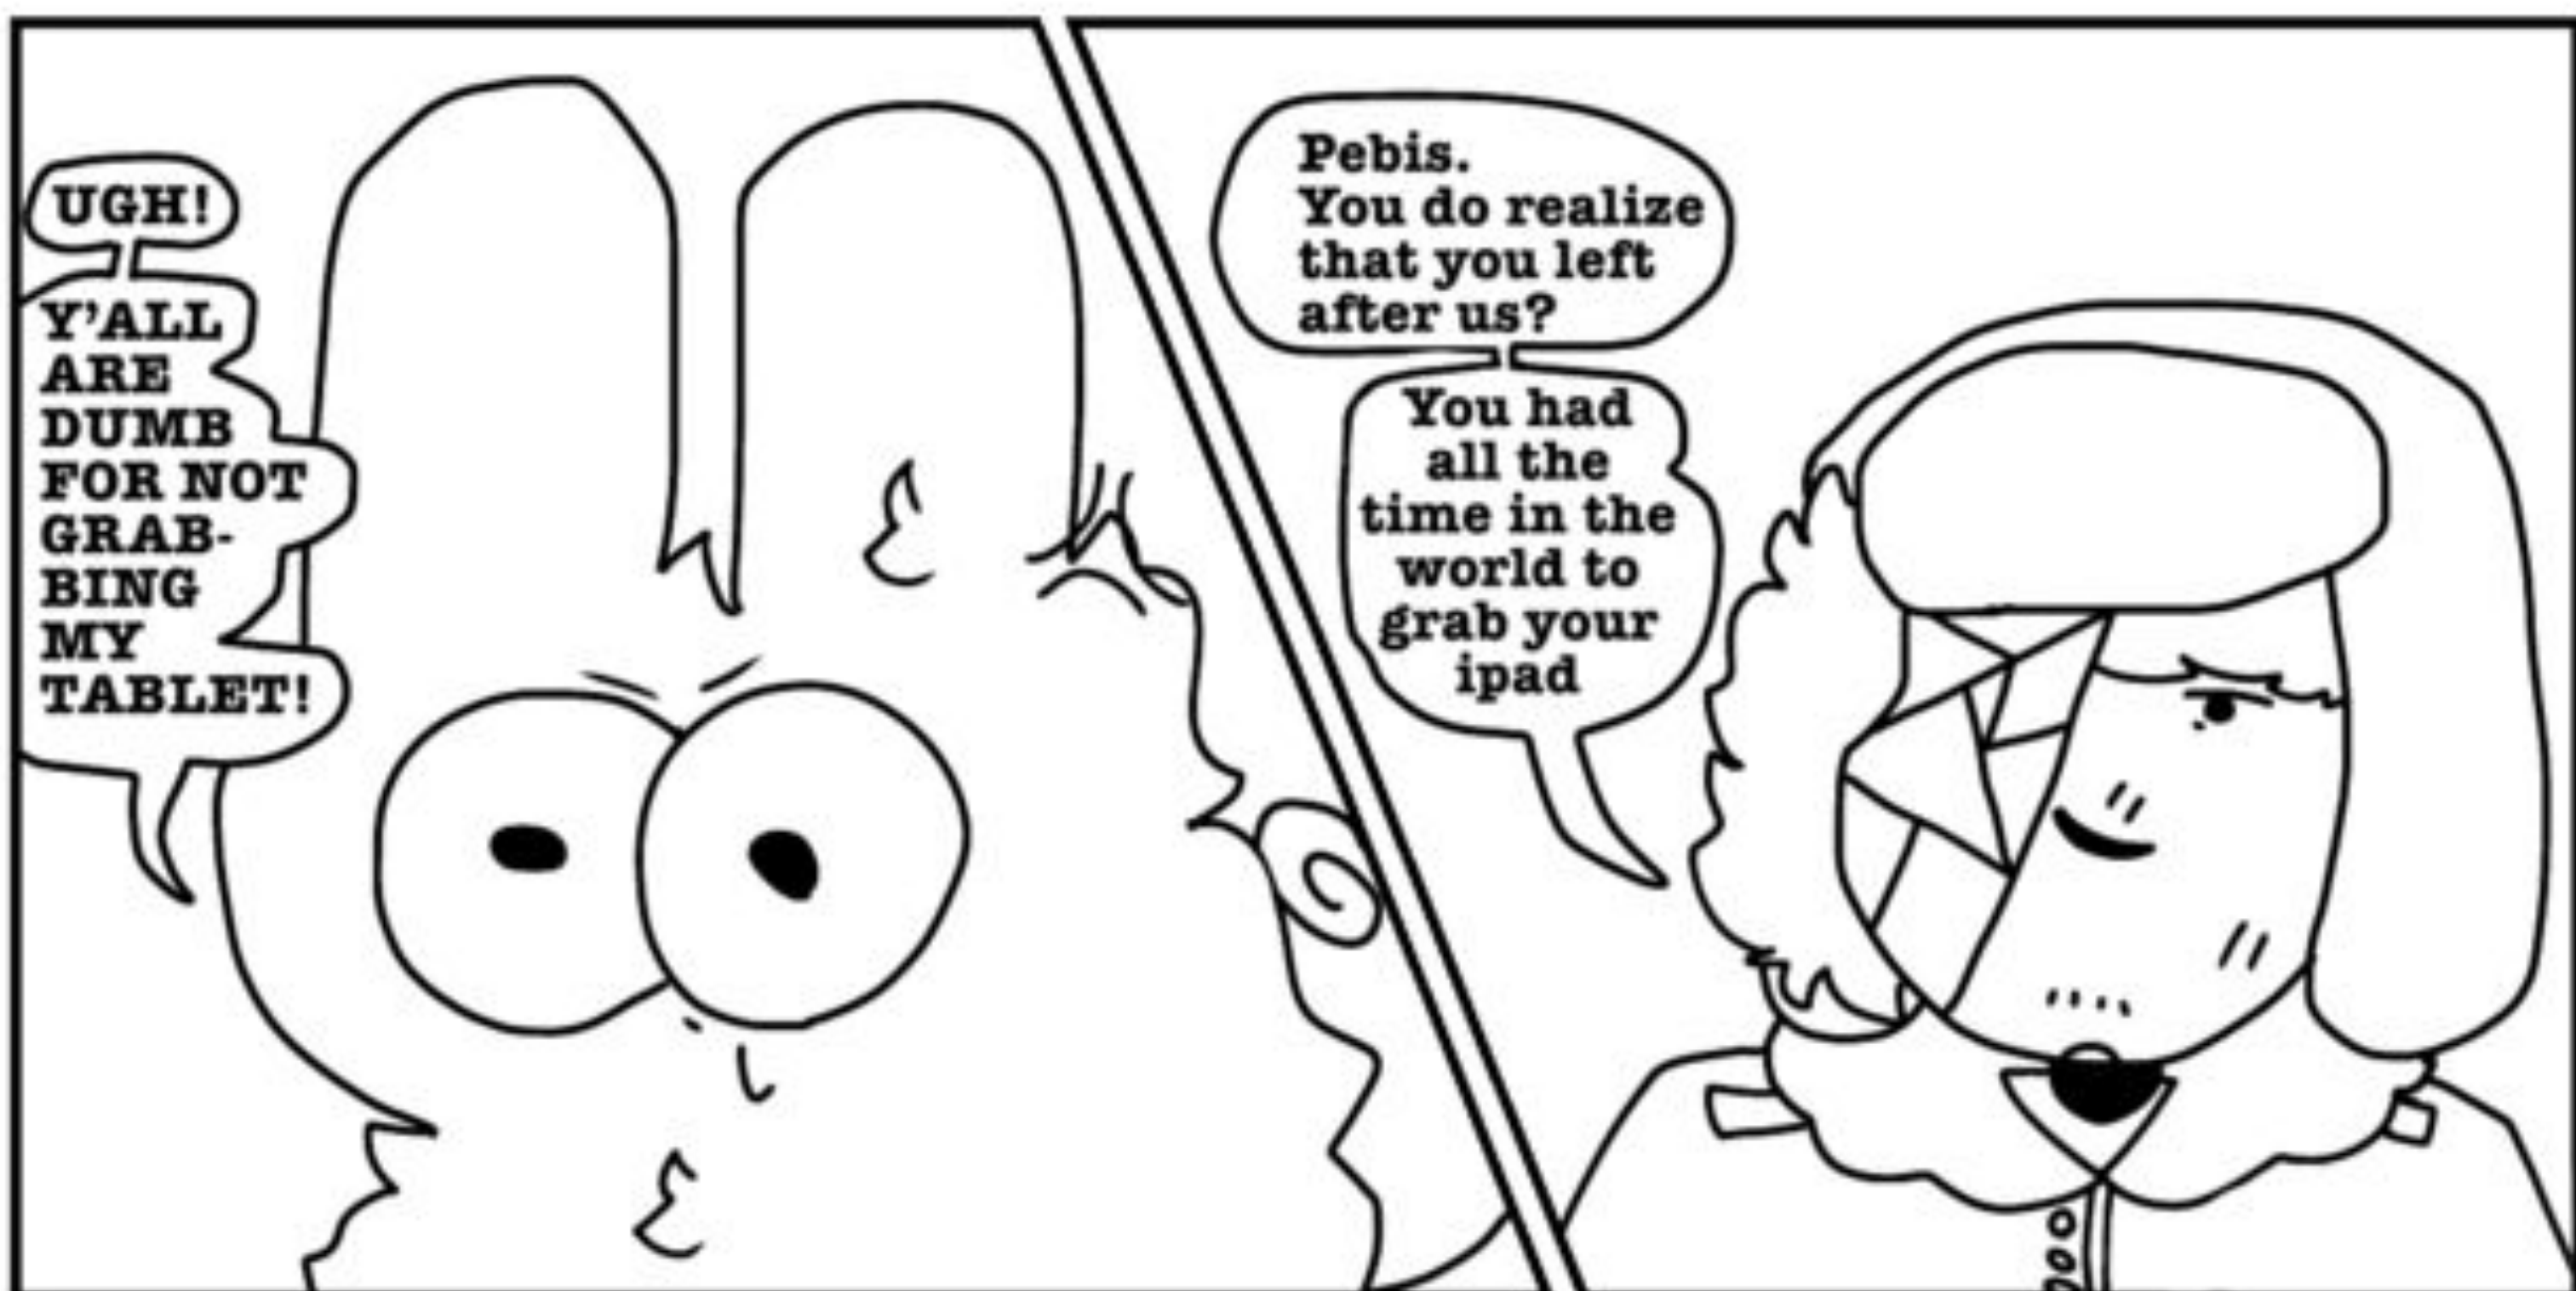

DO WE AT LEAST HAVE MY IPAD?!?!?

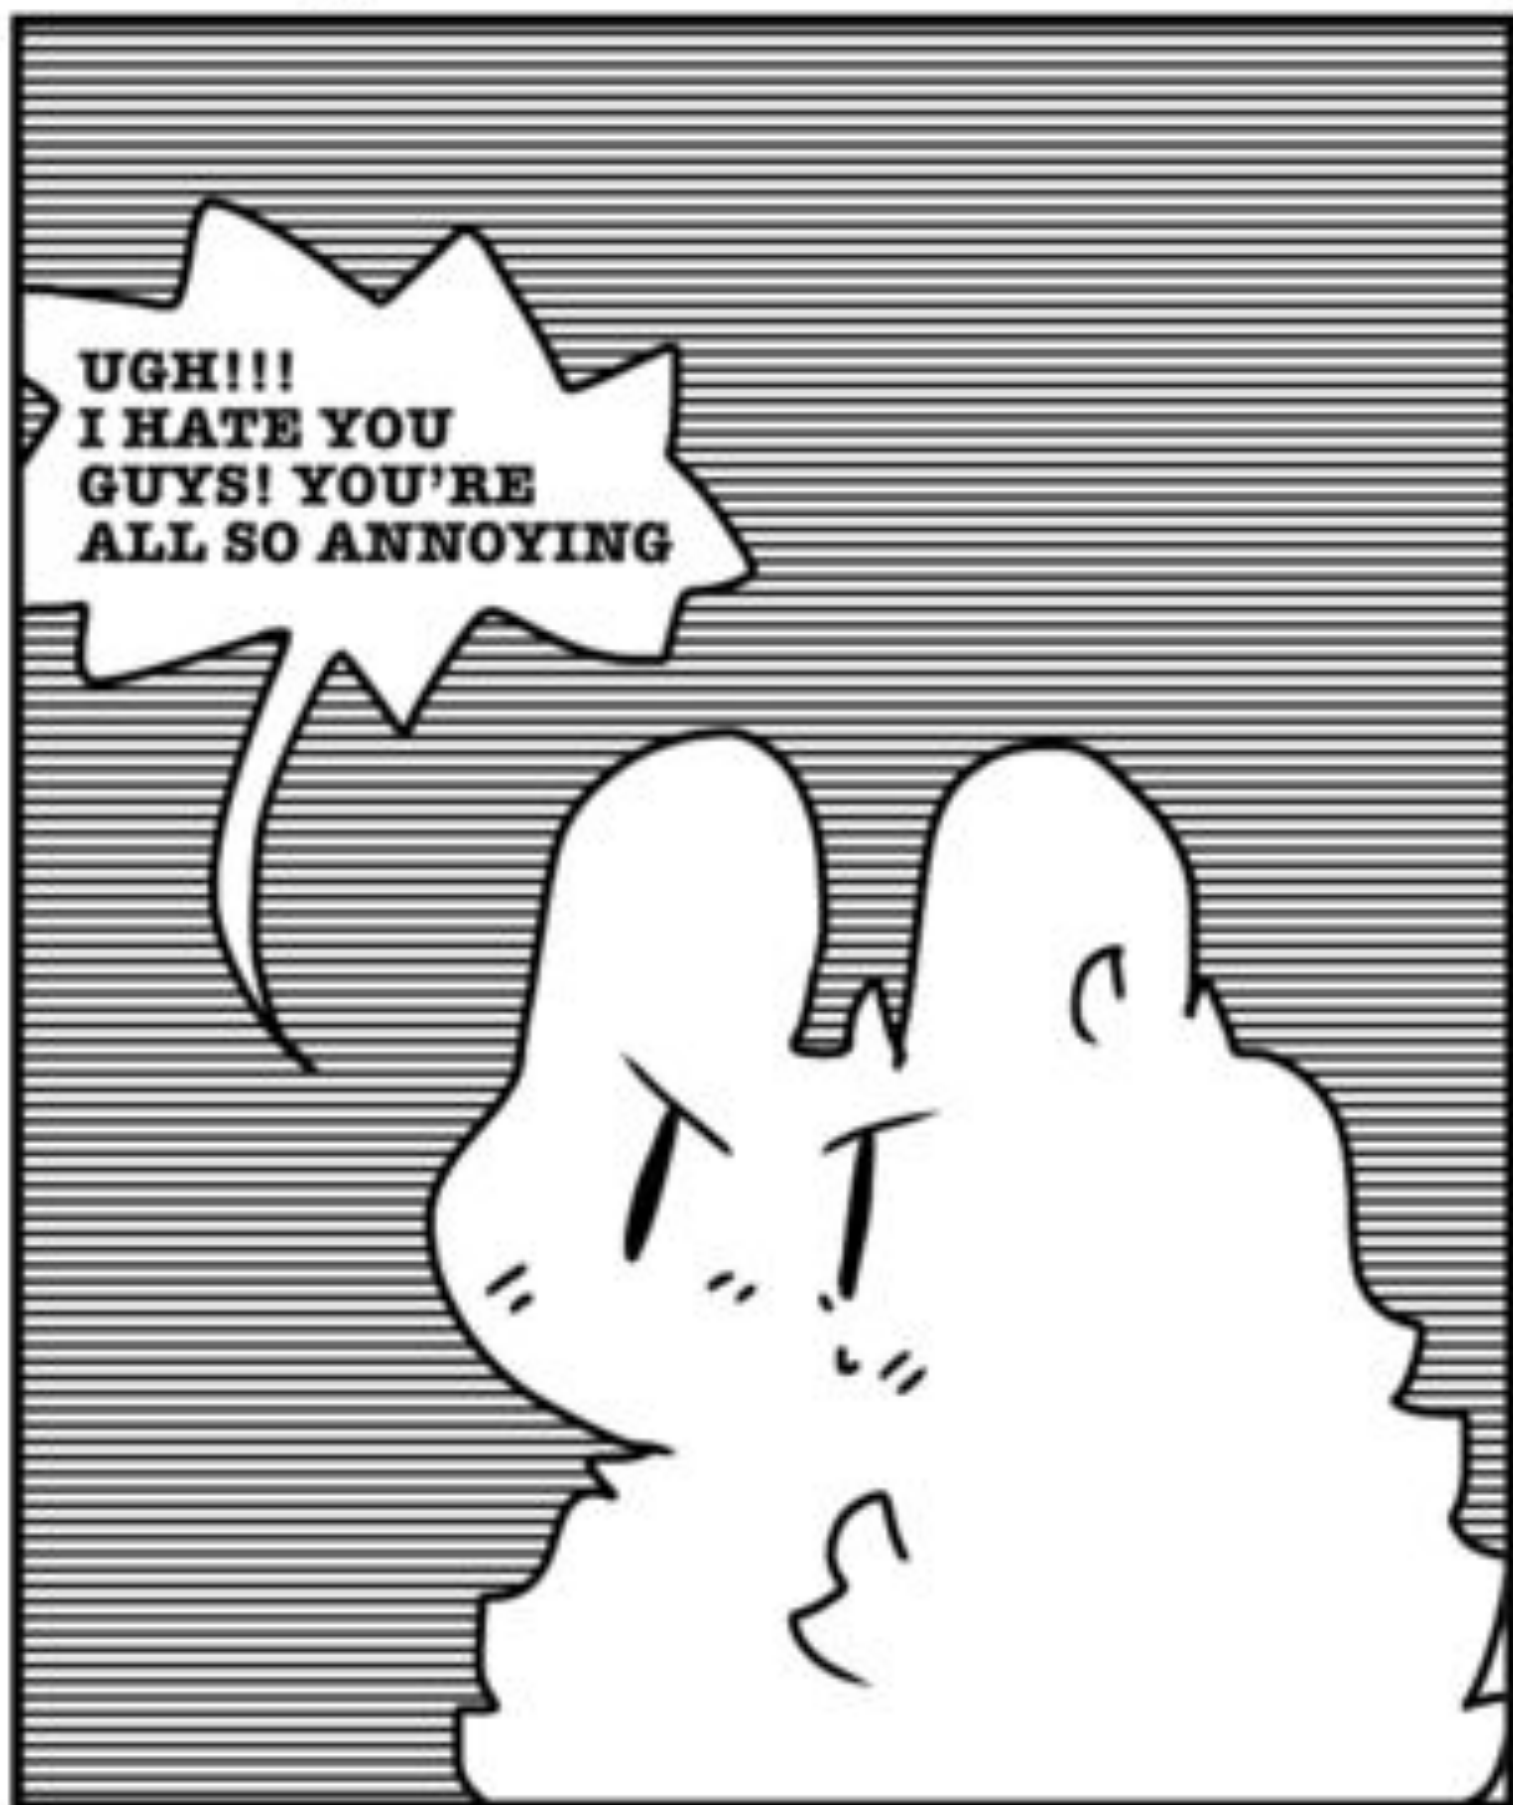

This is the 12th time he has asked about his Ipad in an hour

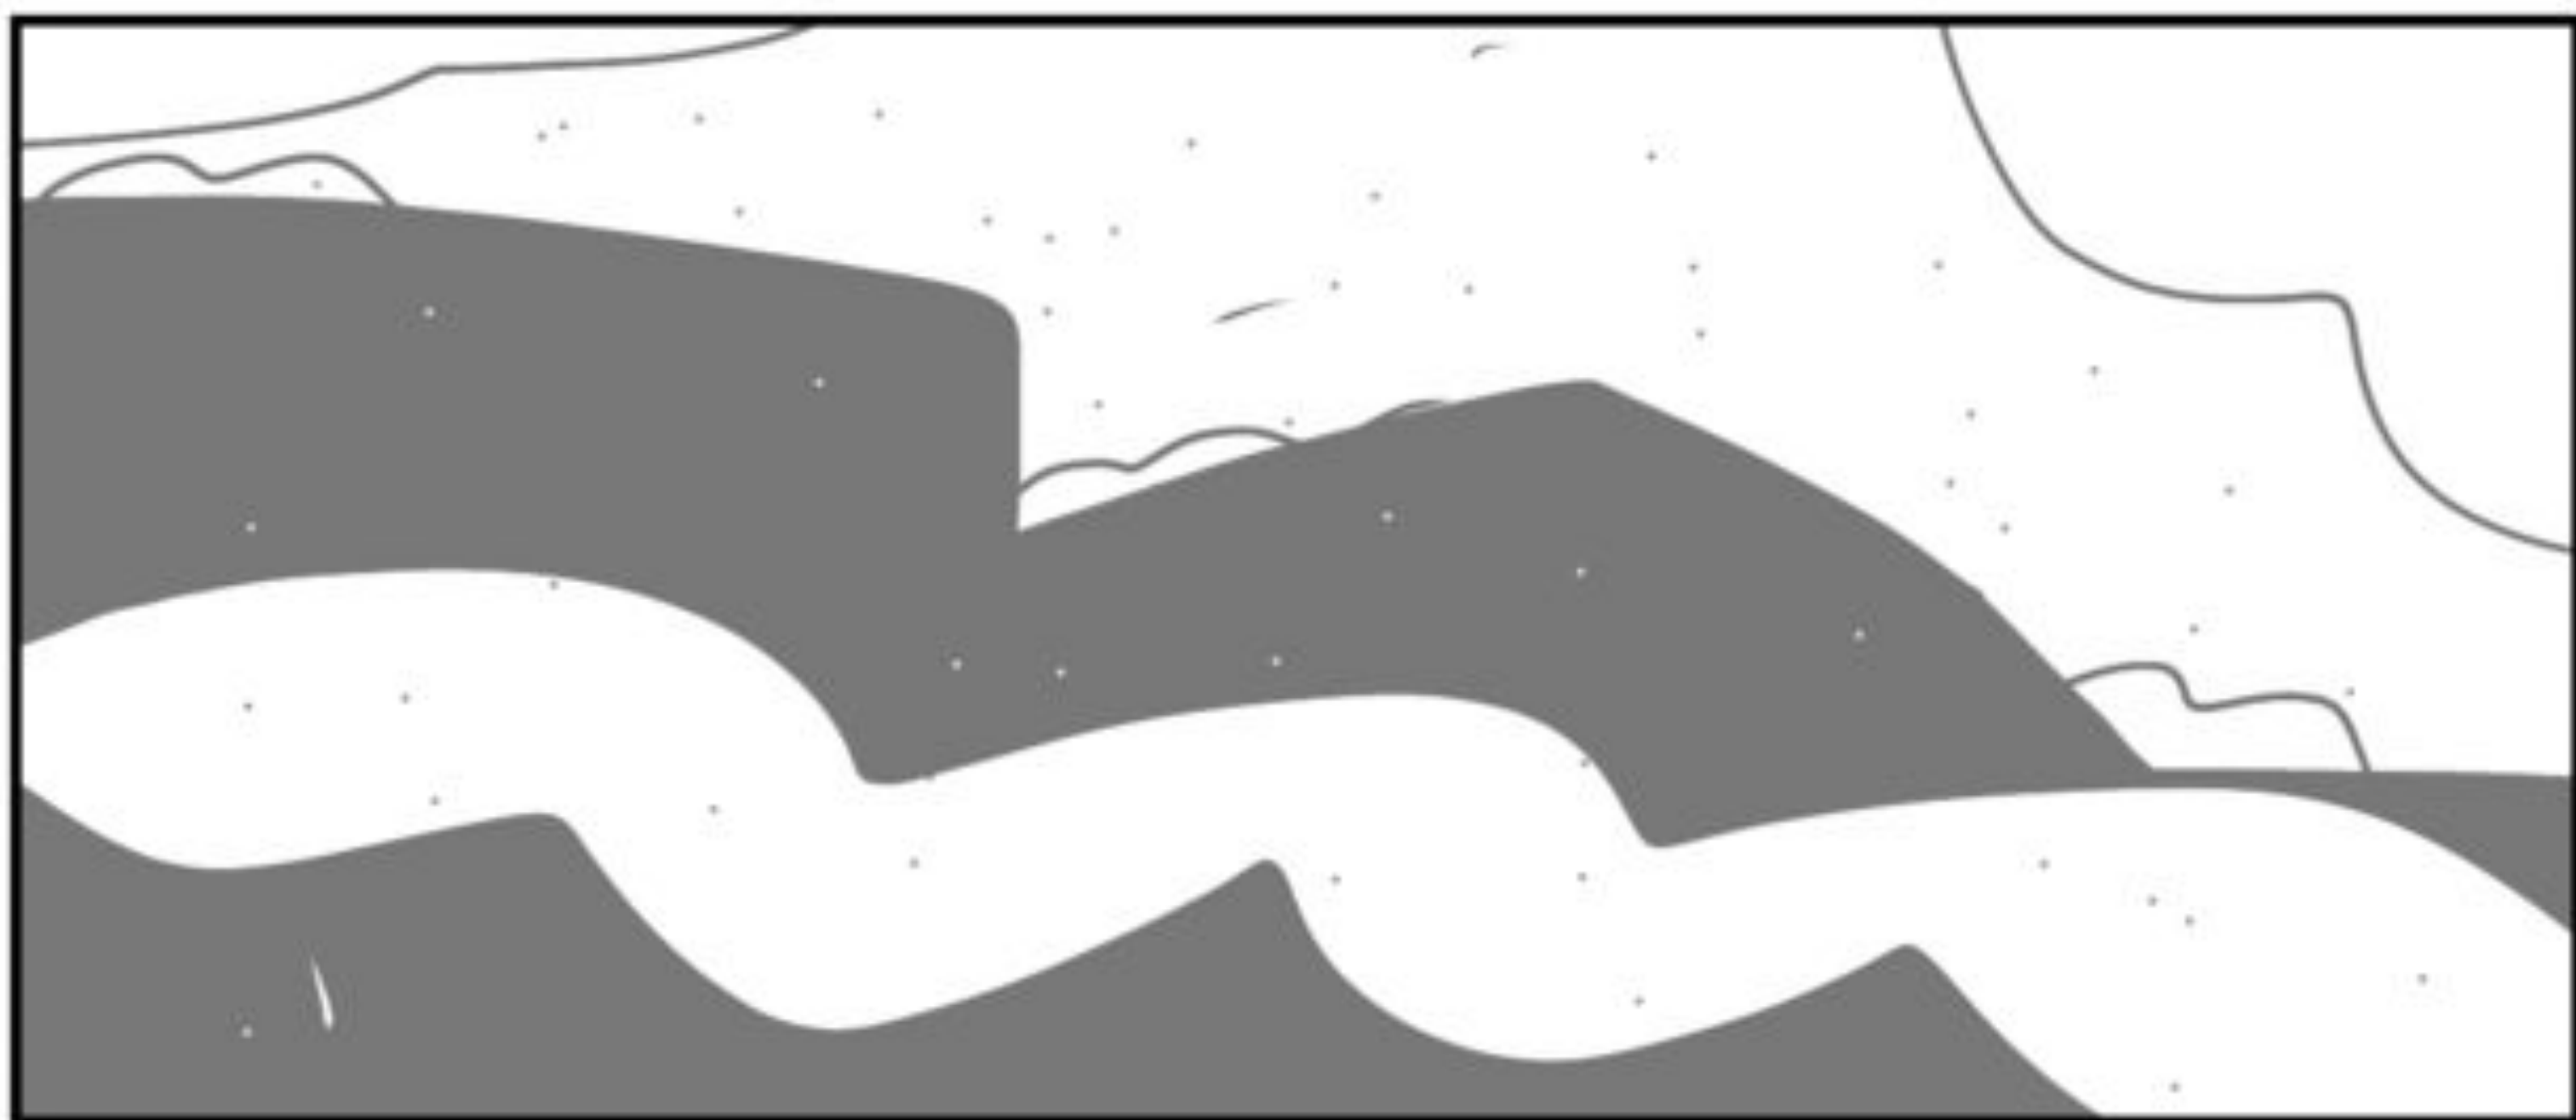

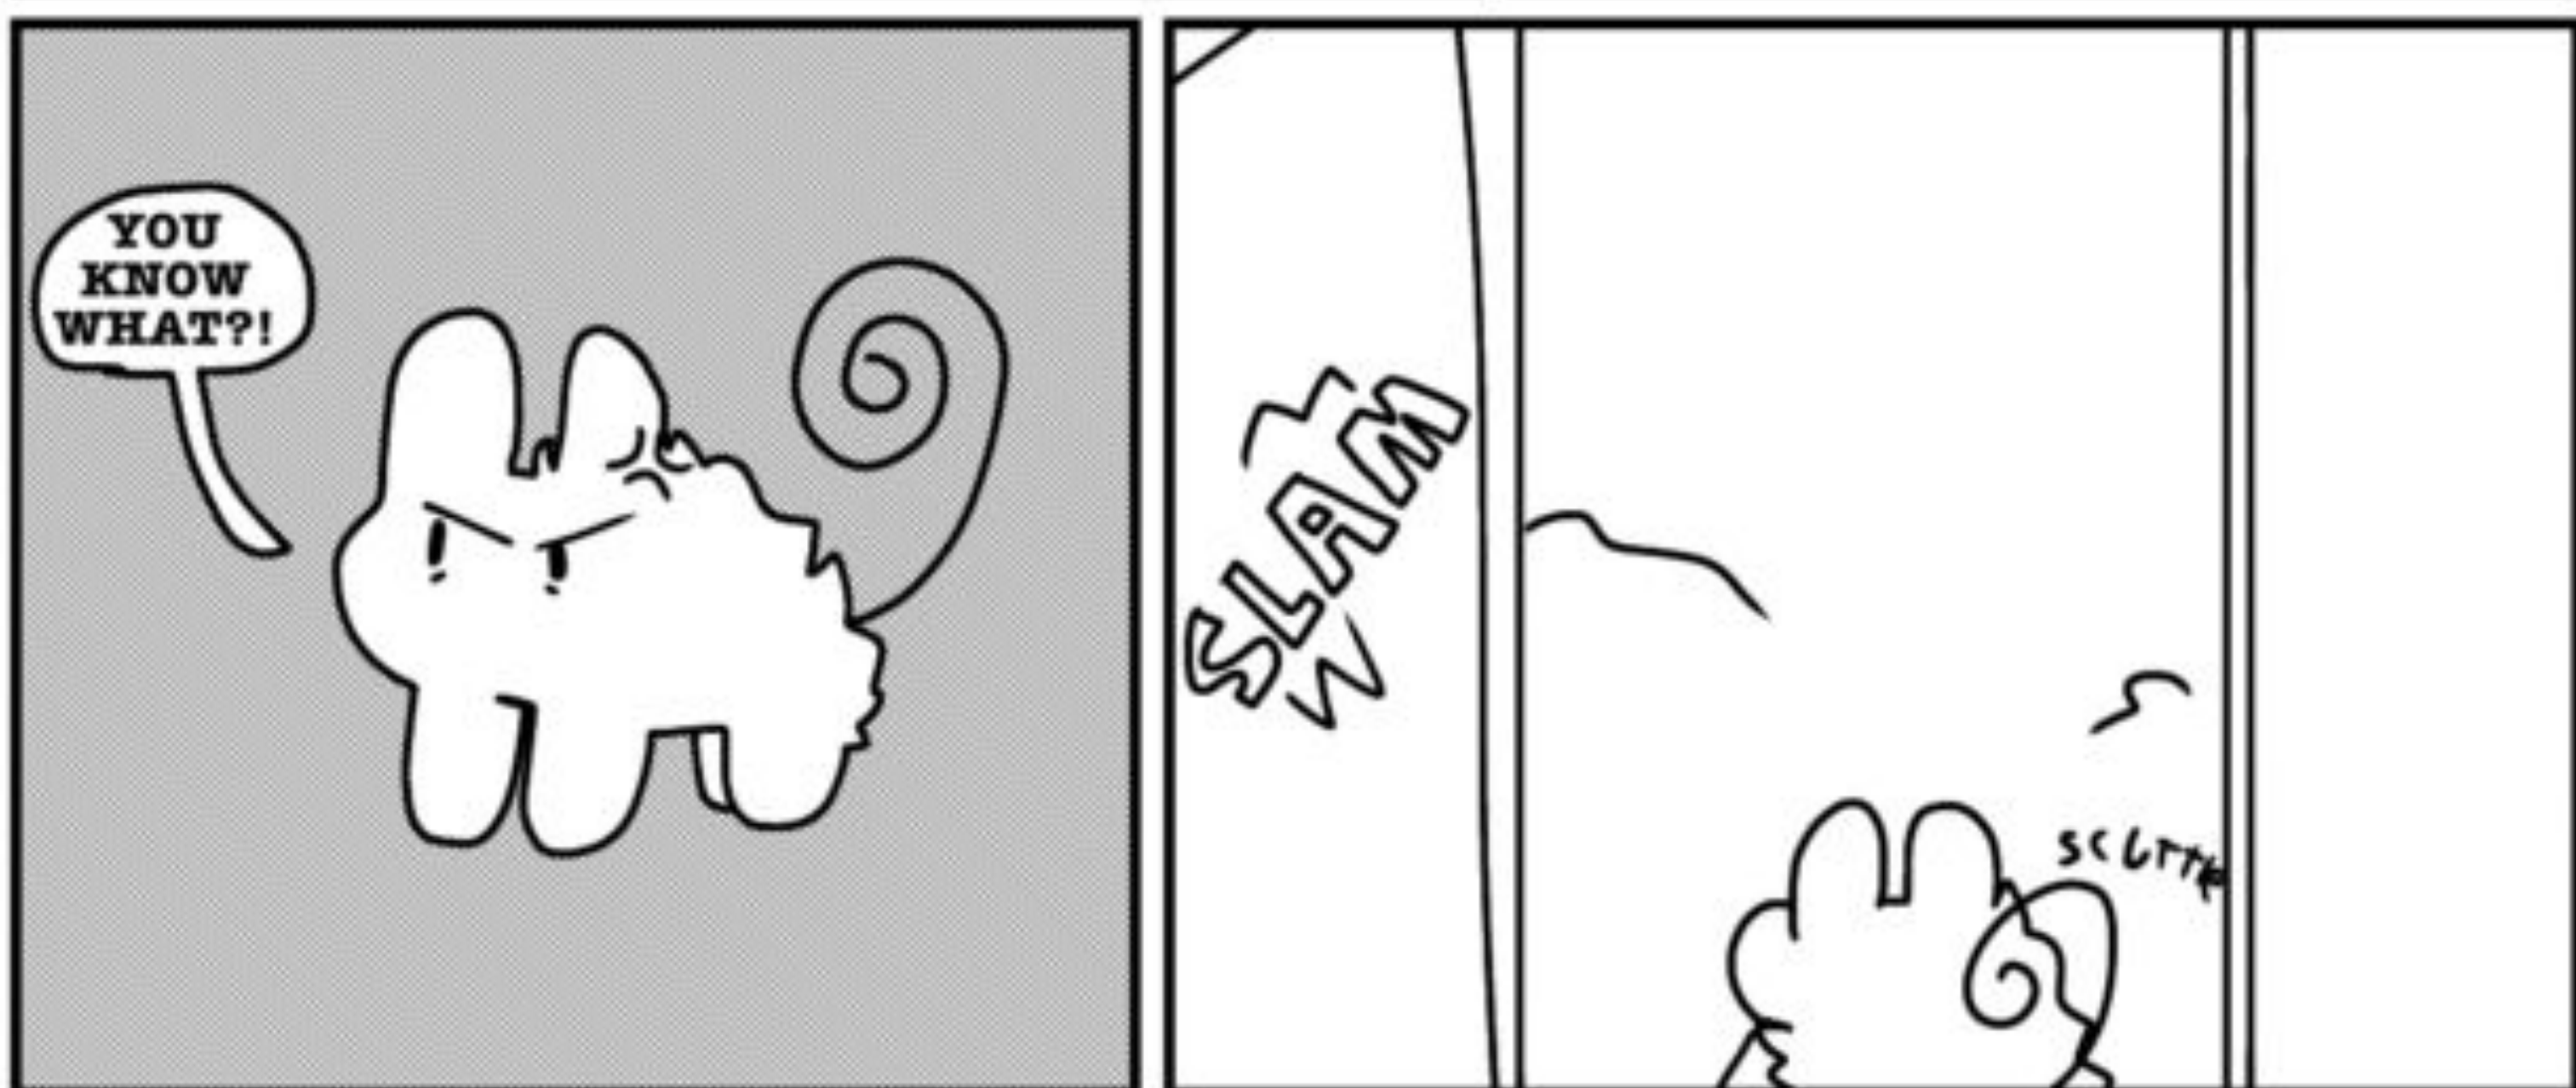

NO!!!

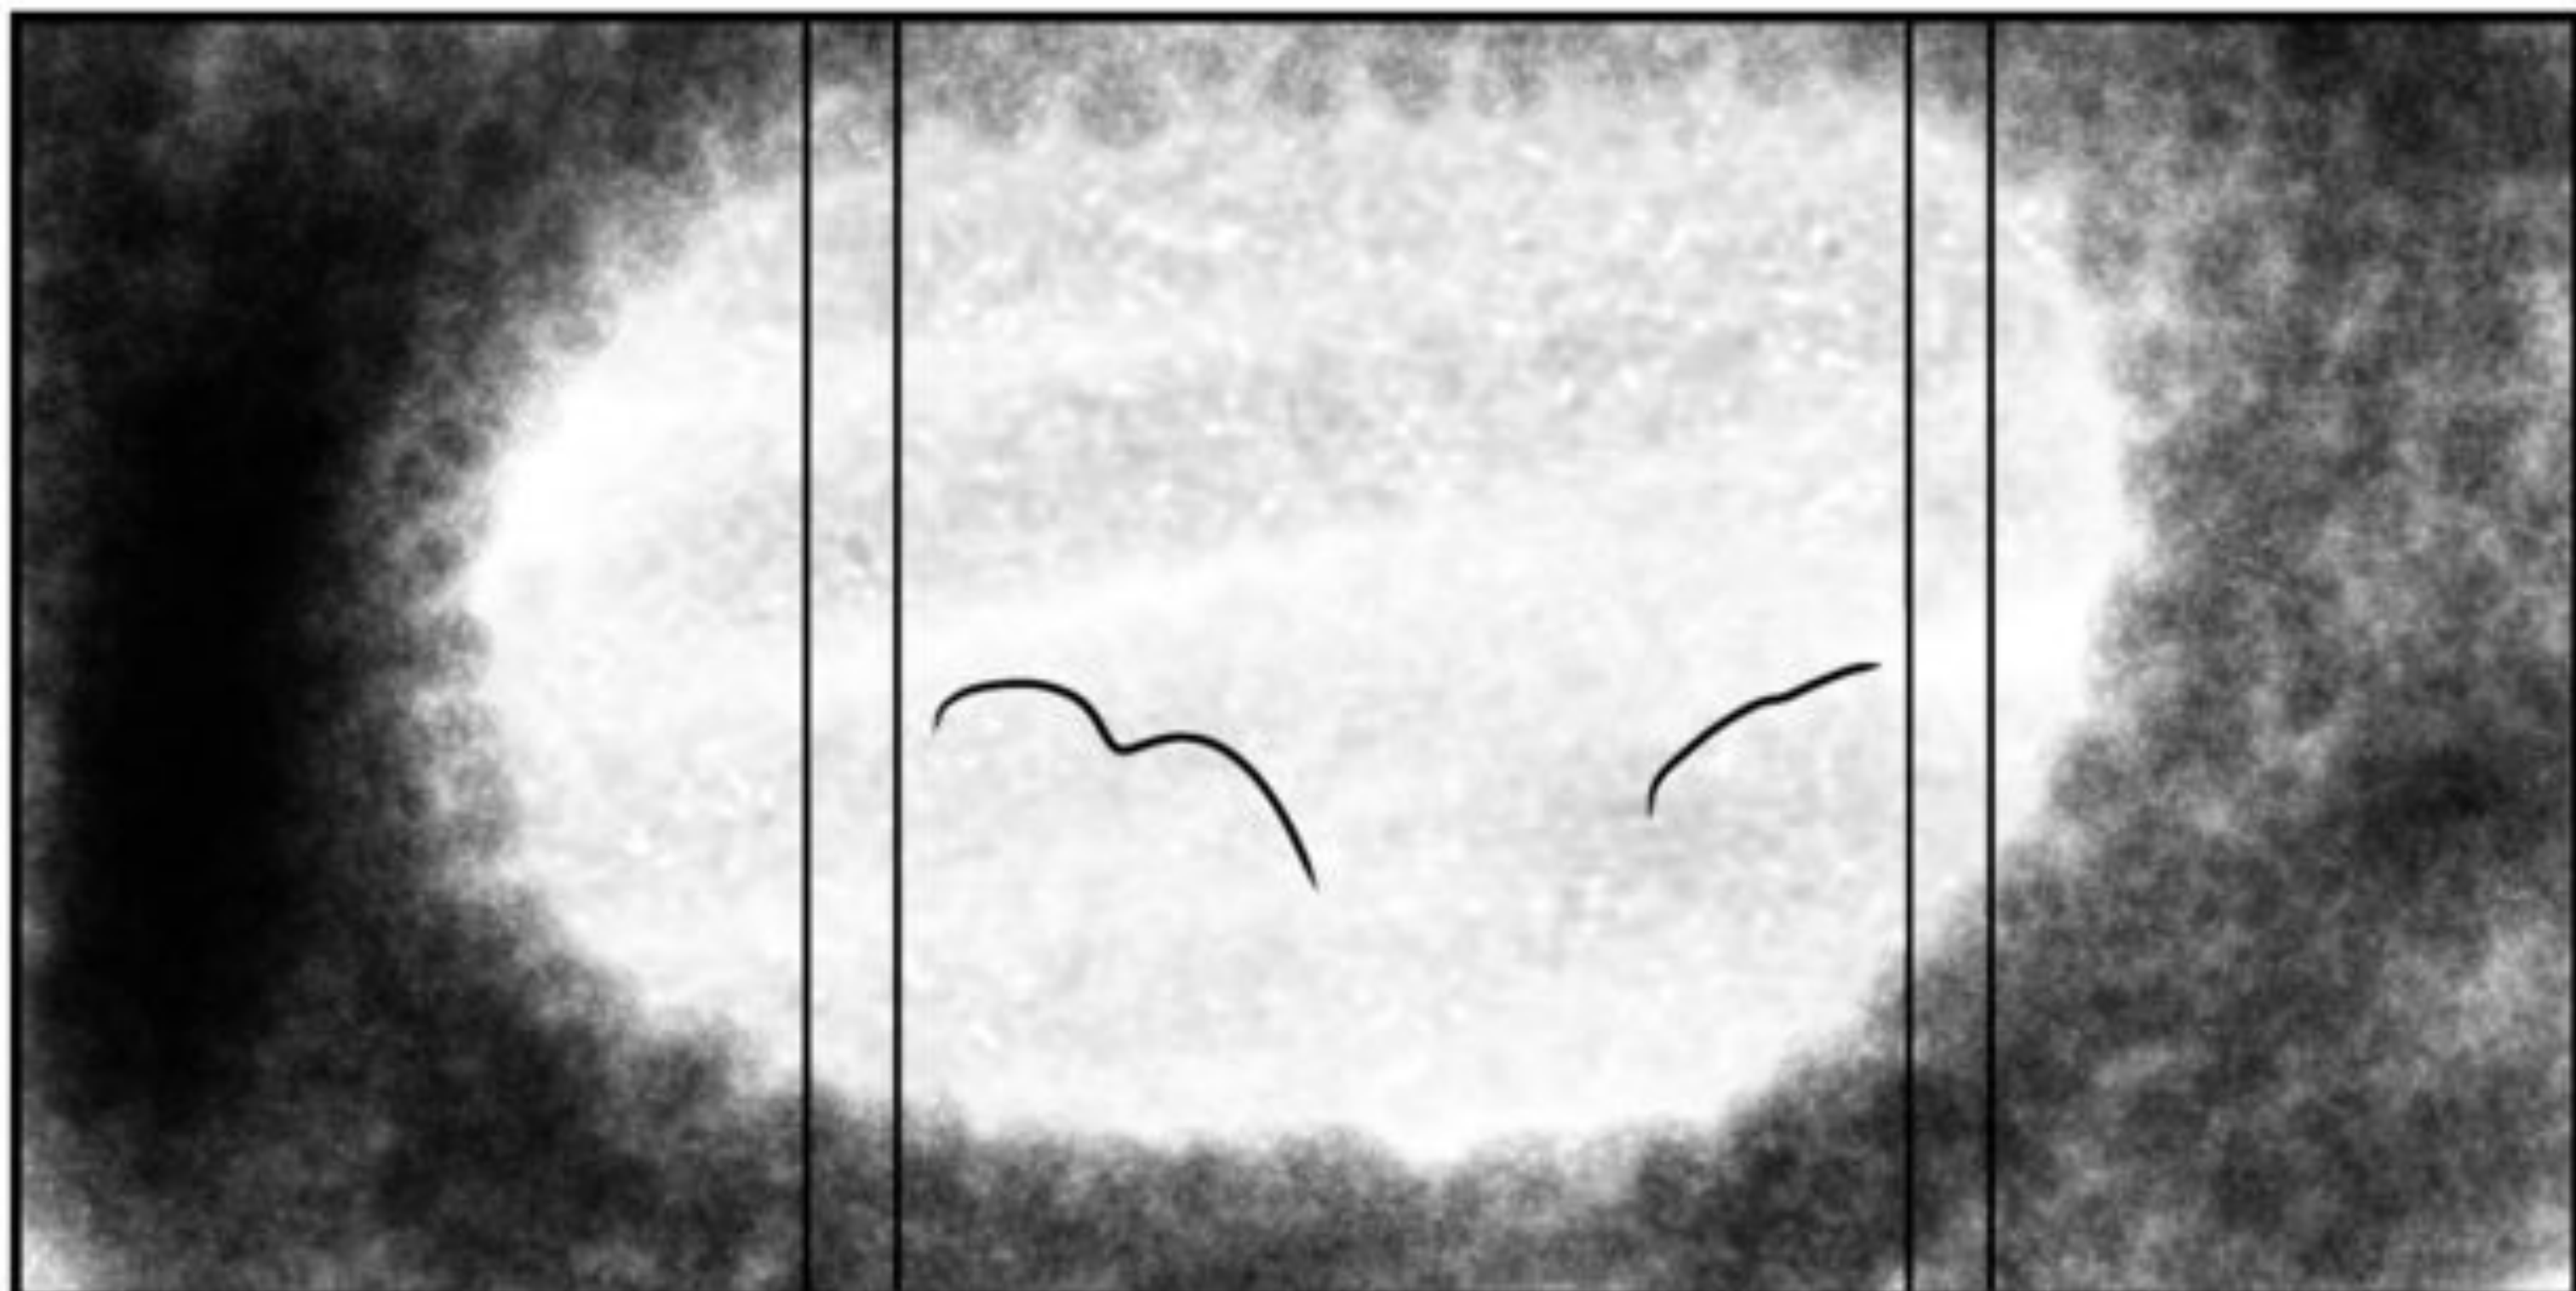

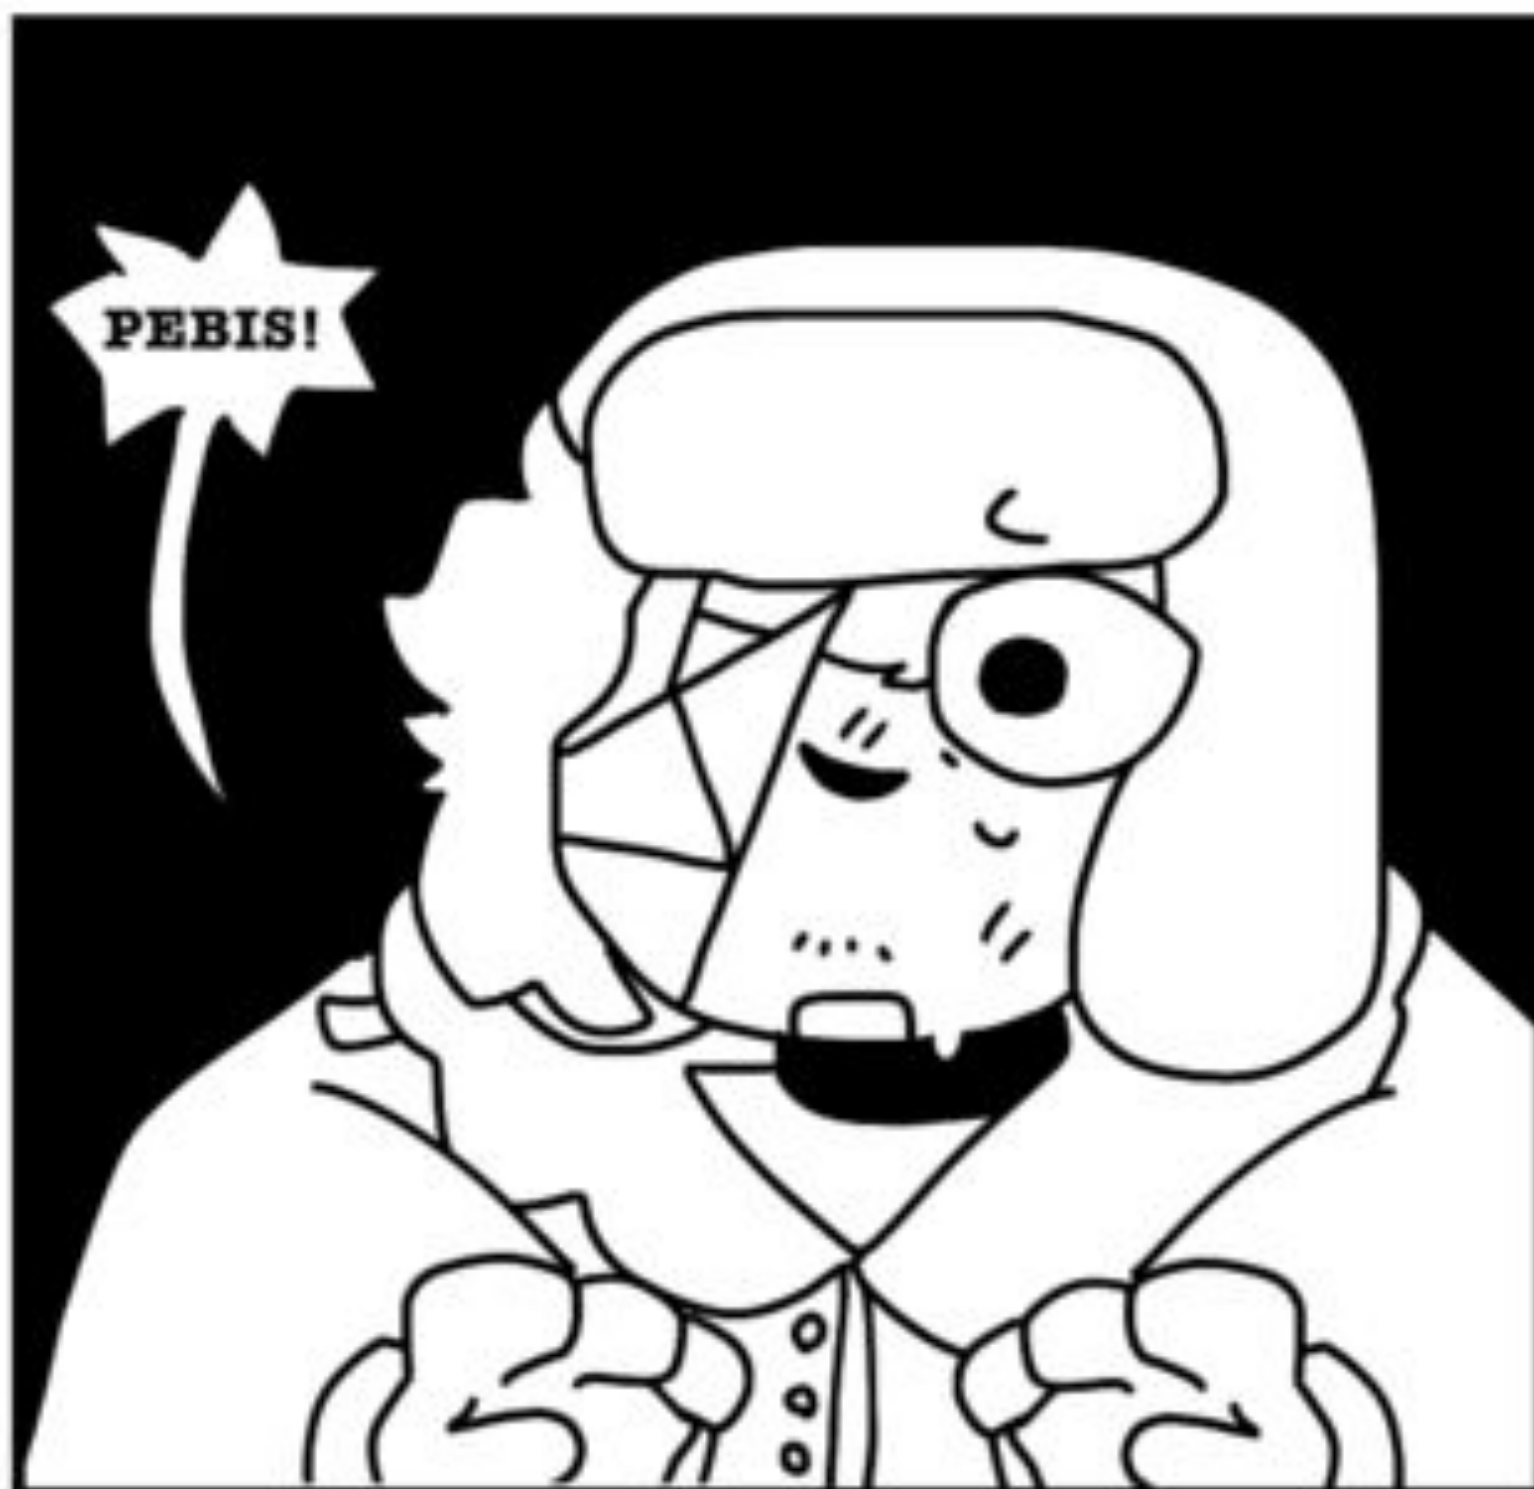

CHAPTER 4
A PAIN IN THE ASS!

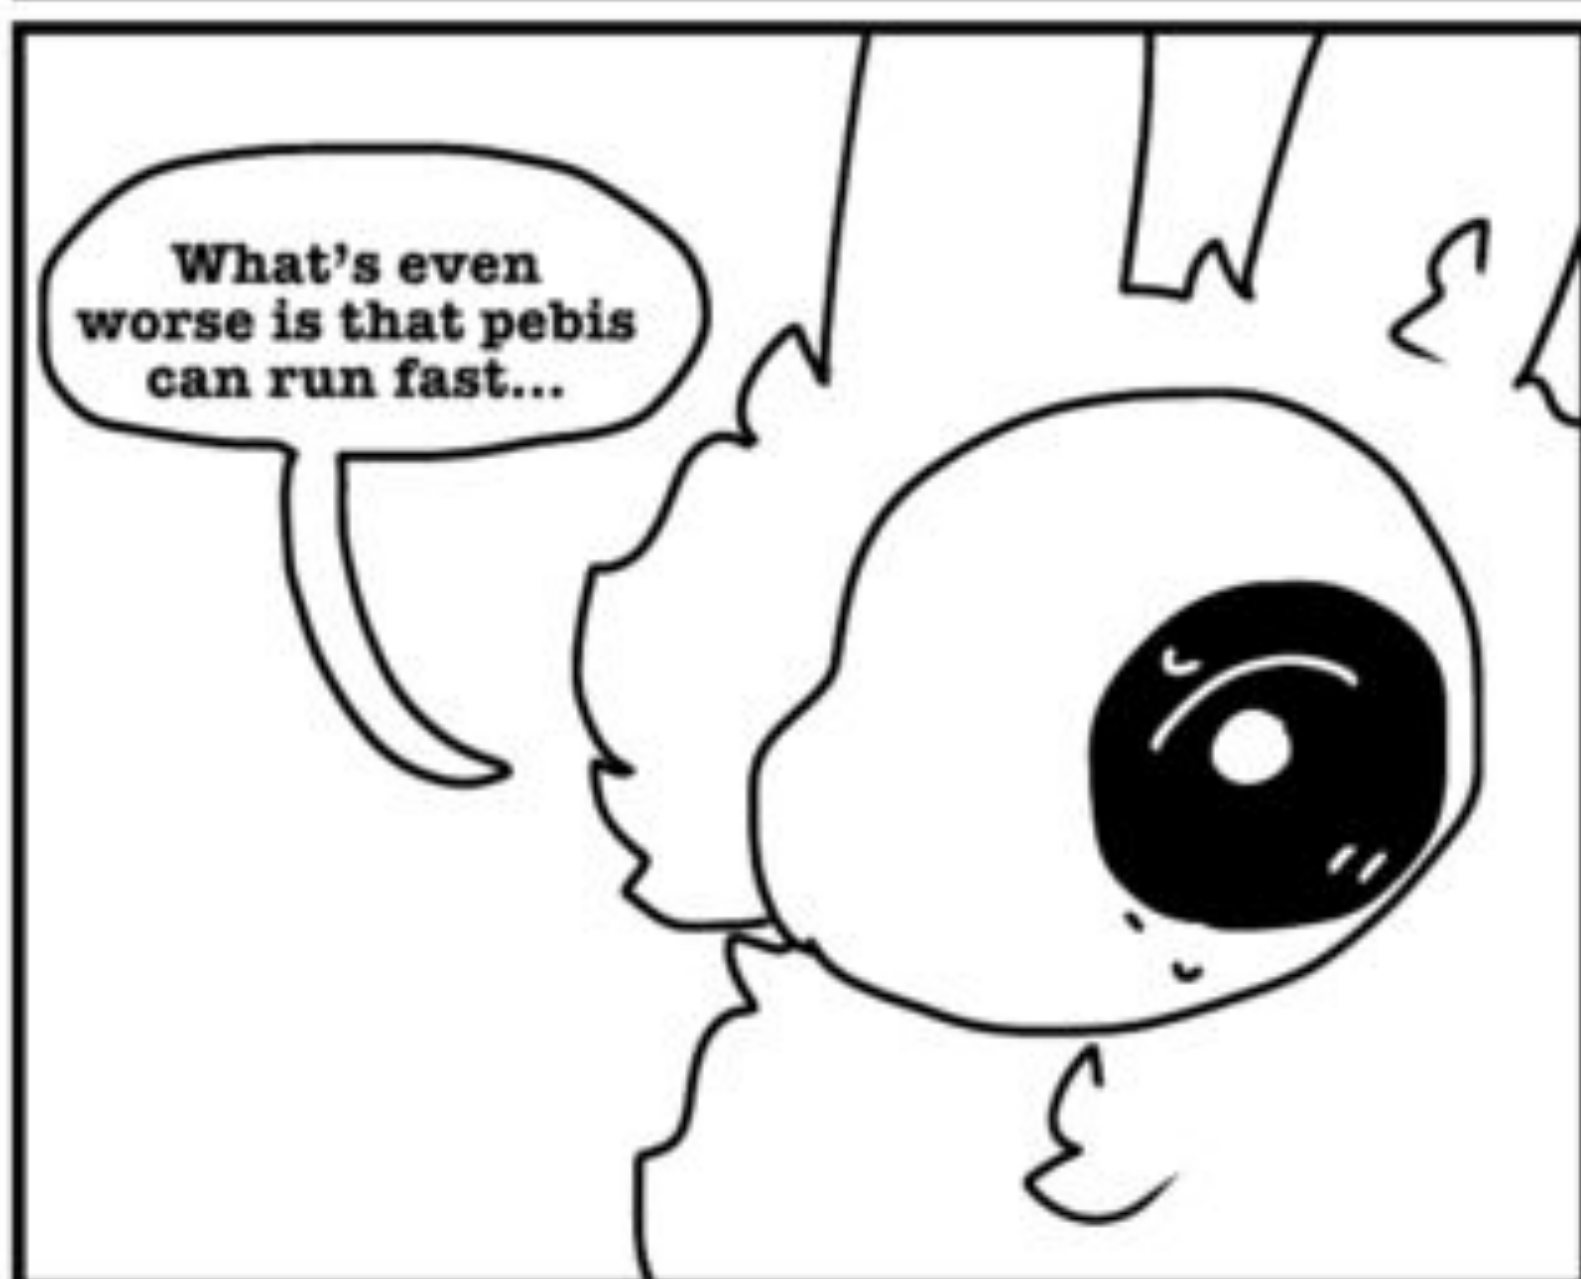

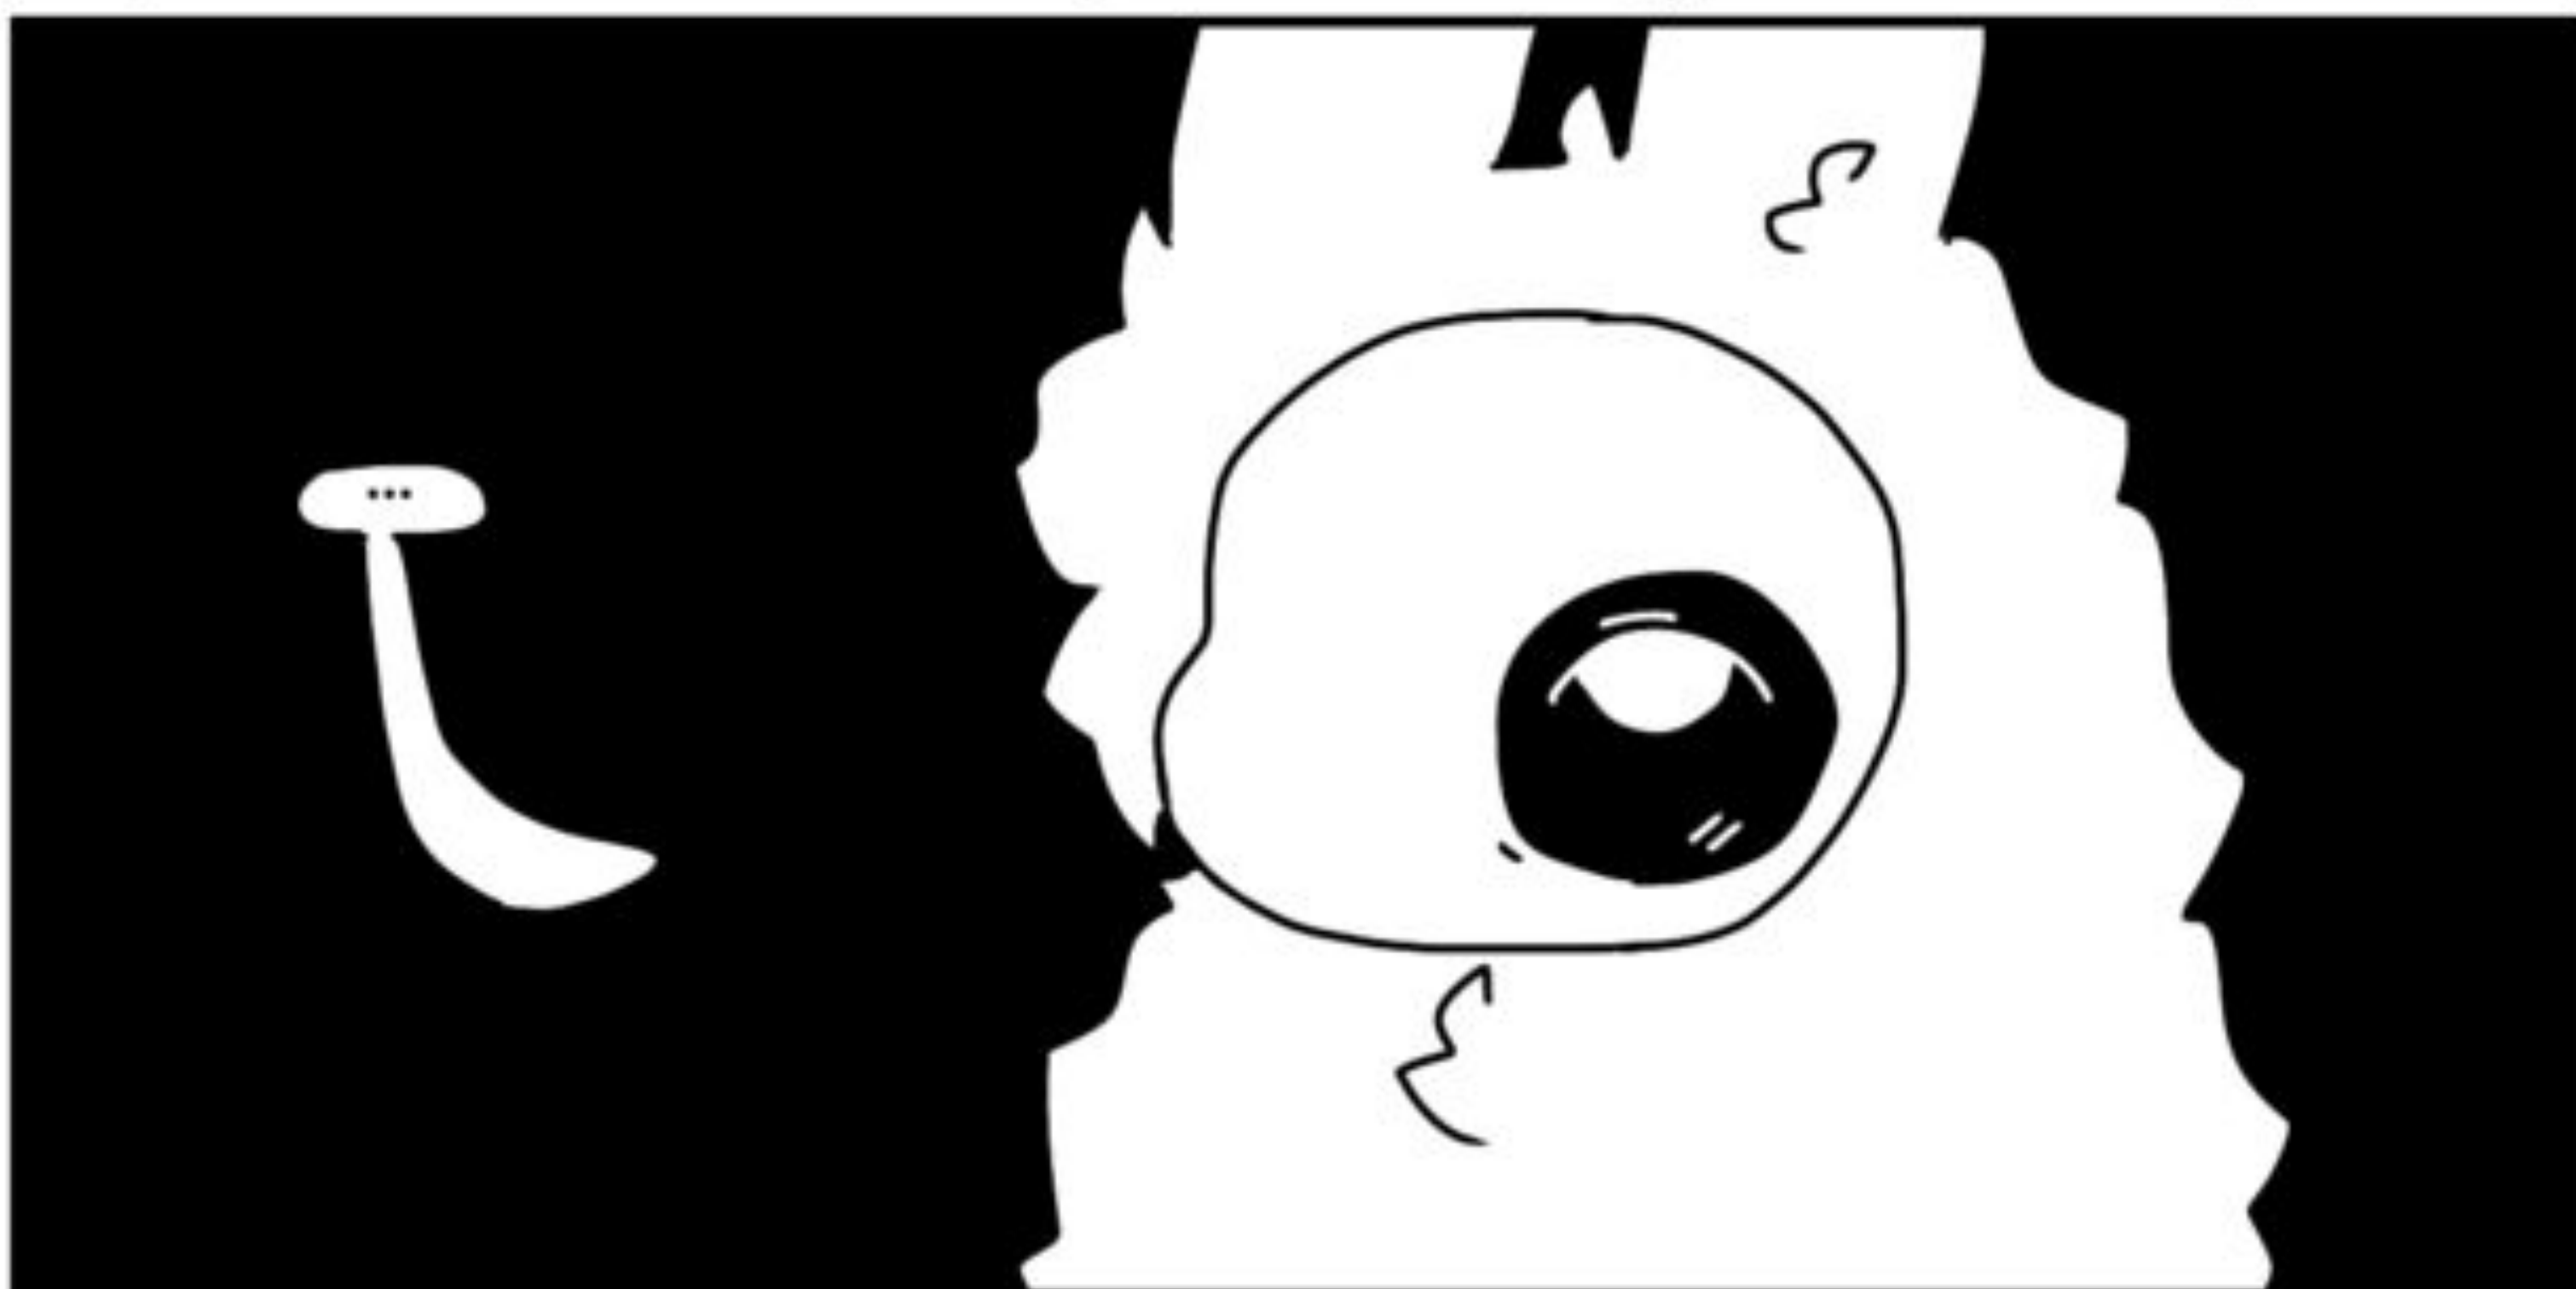

Shit...

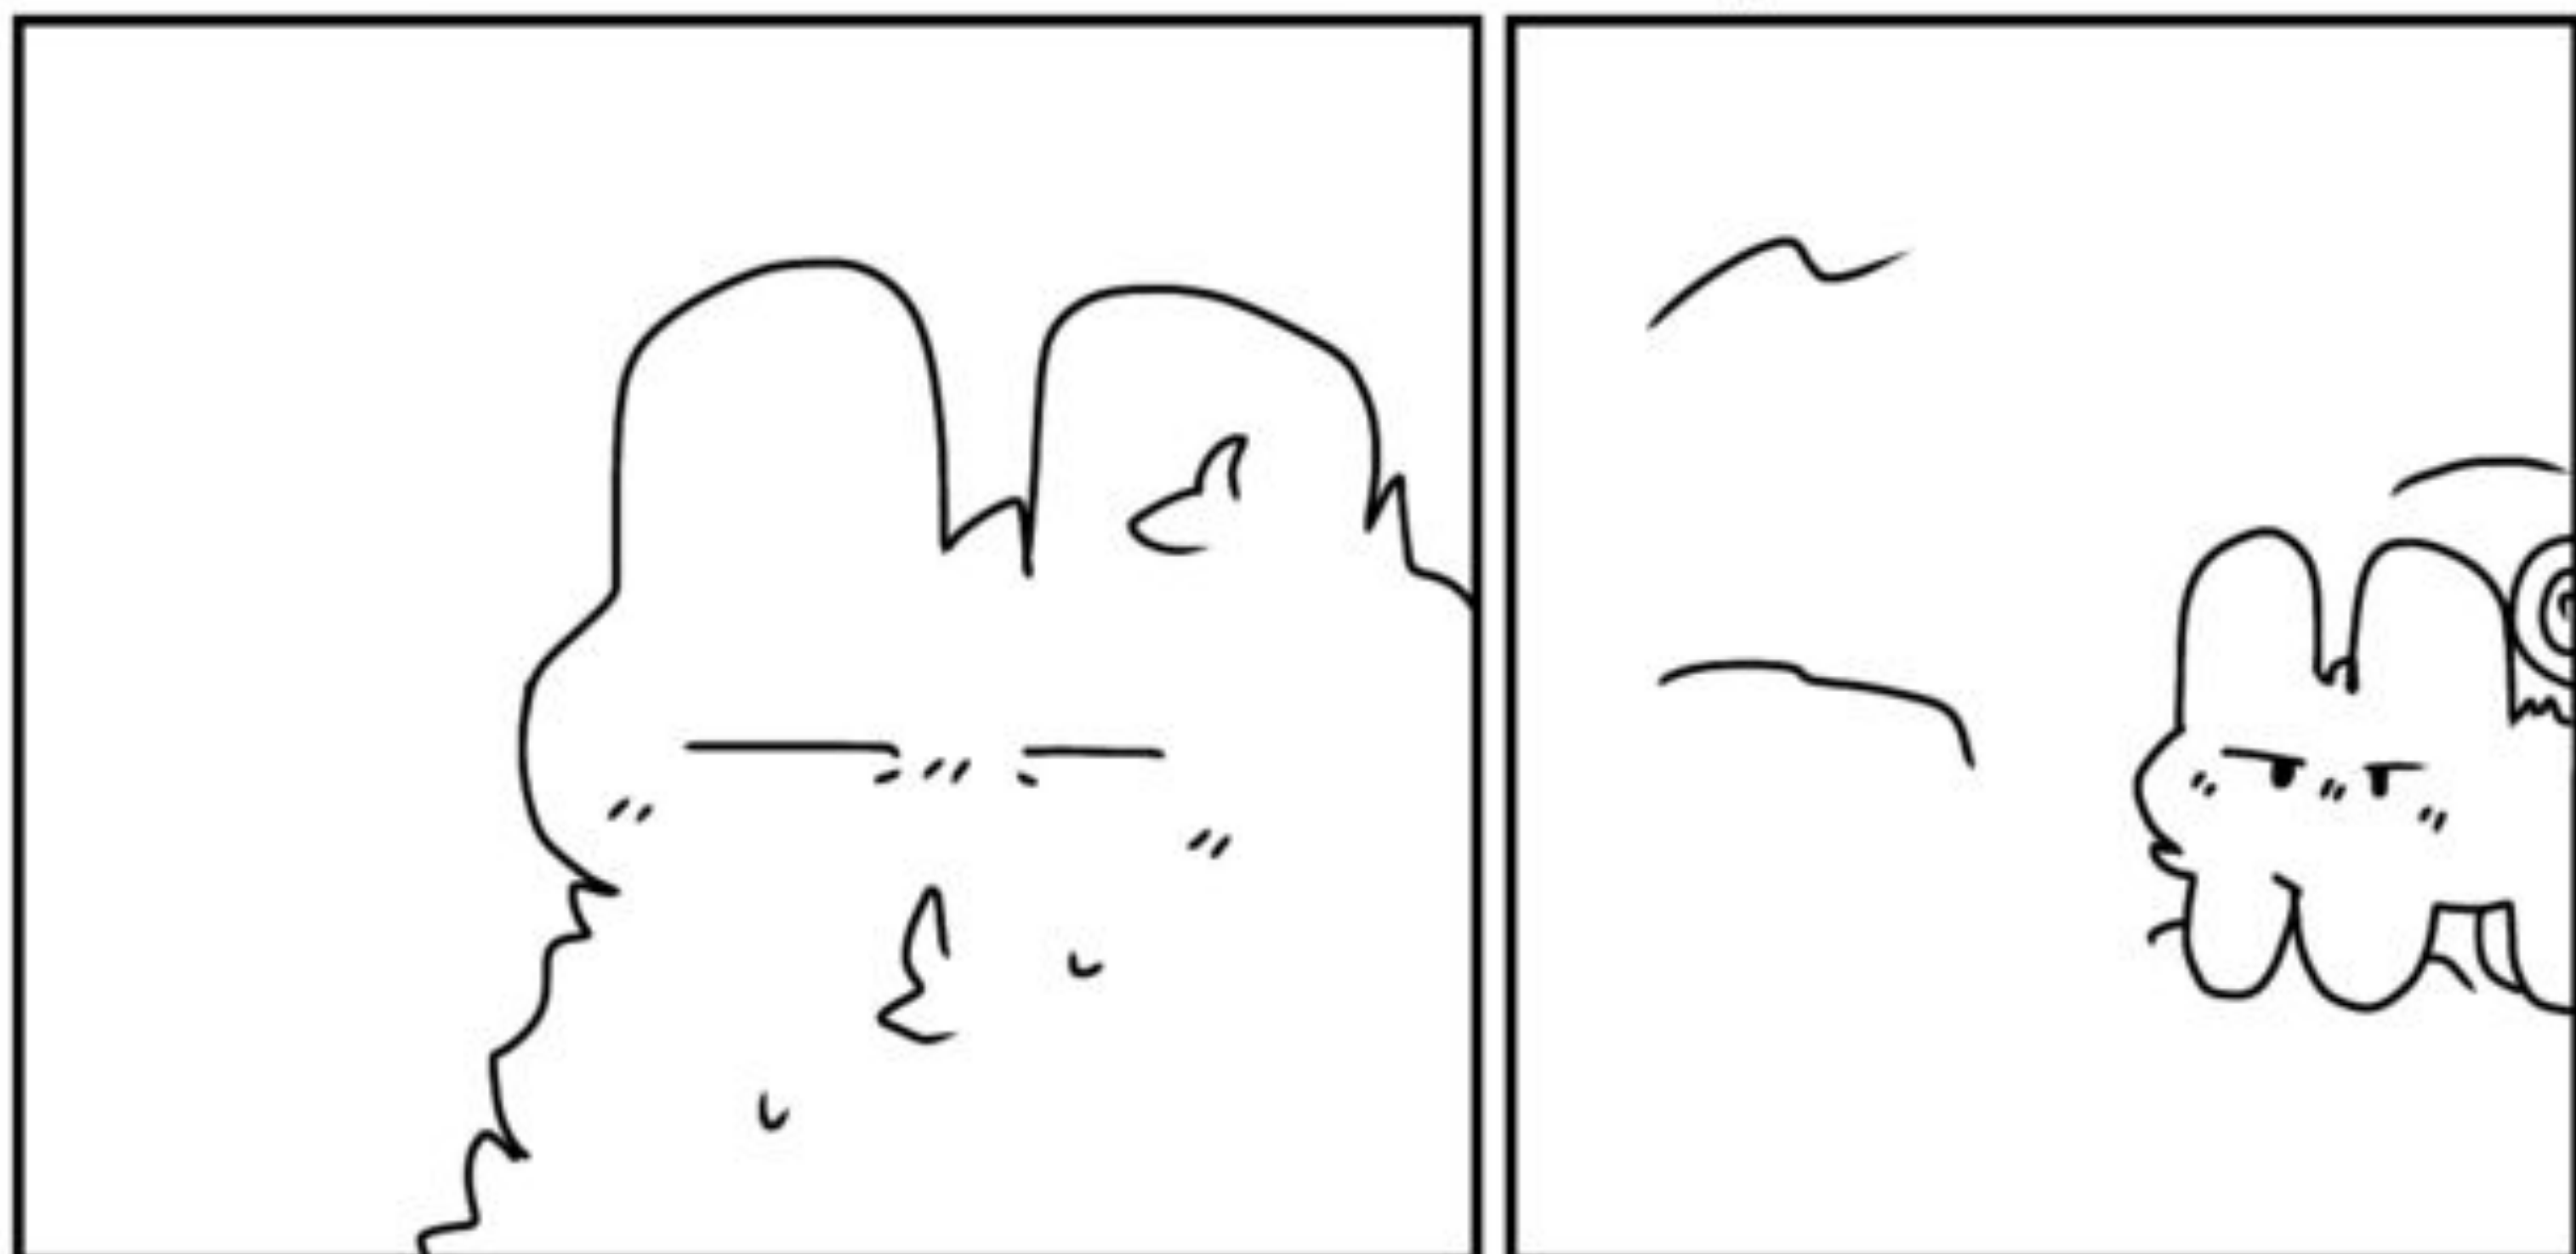

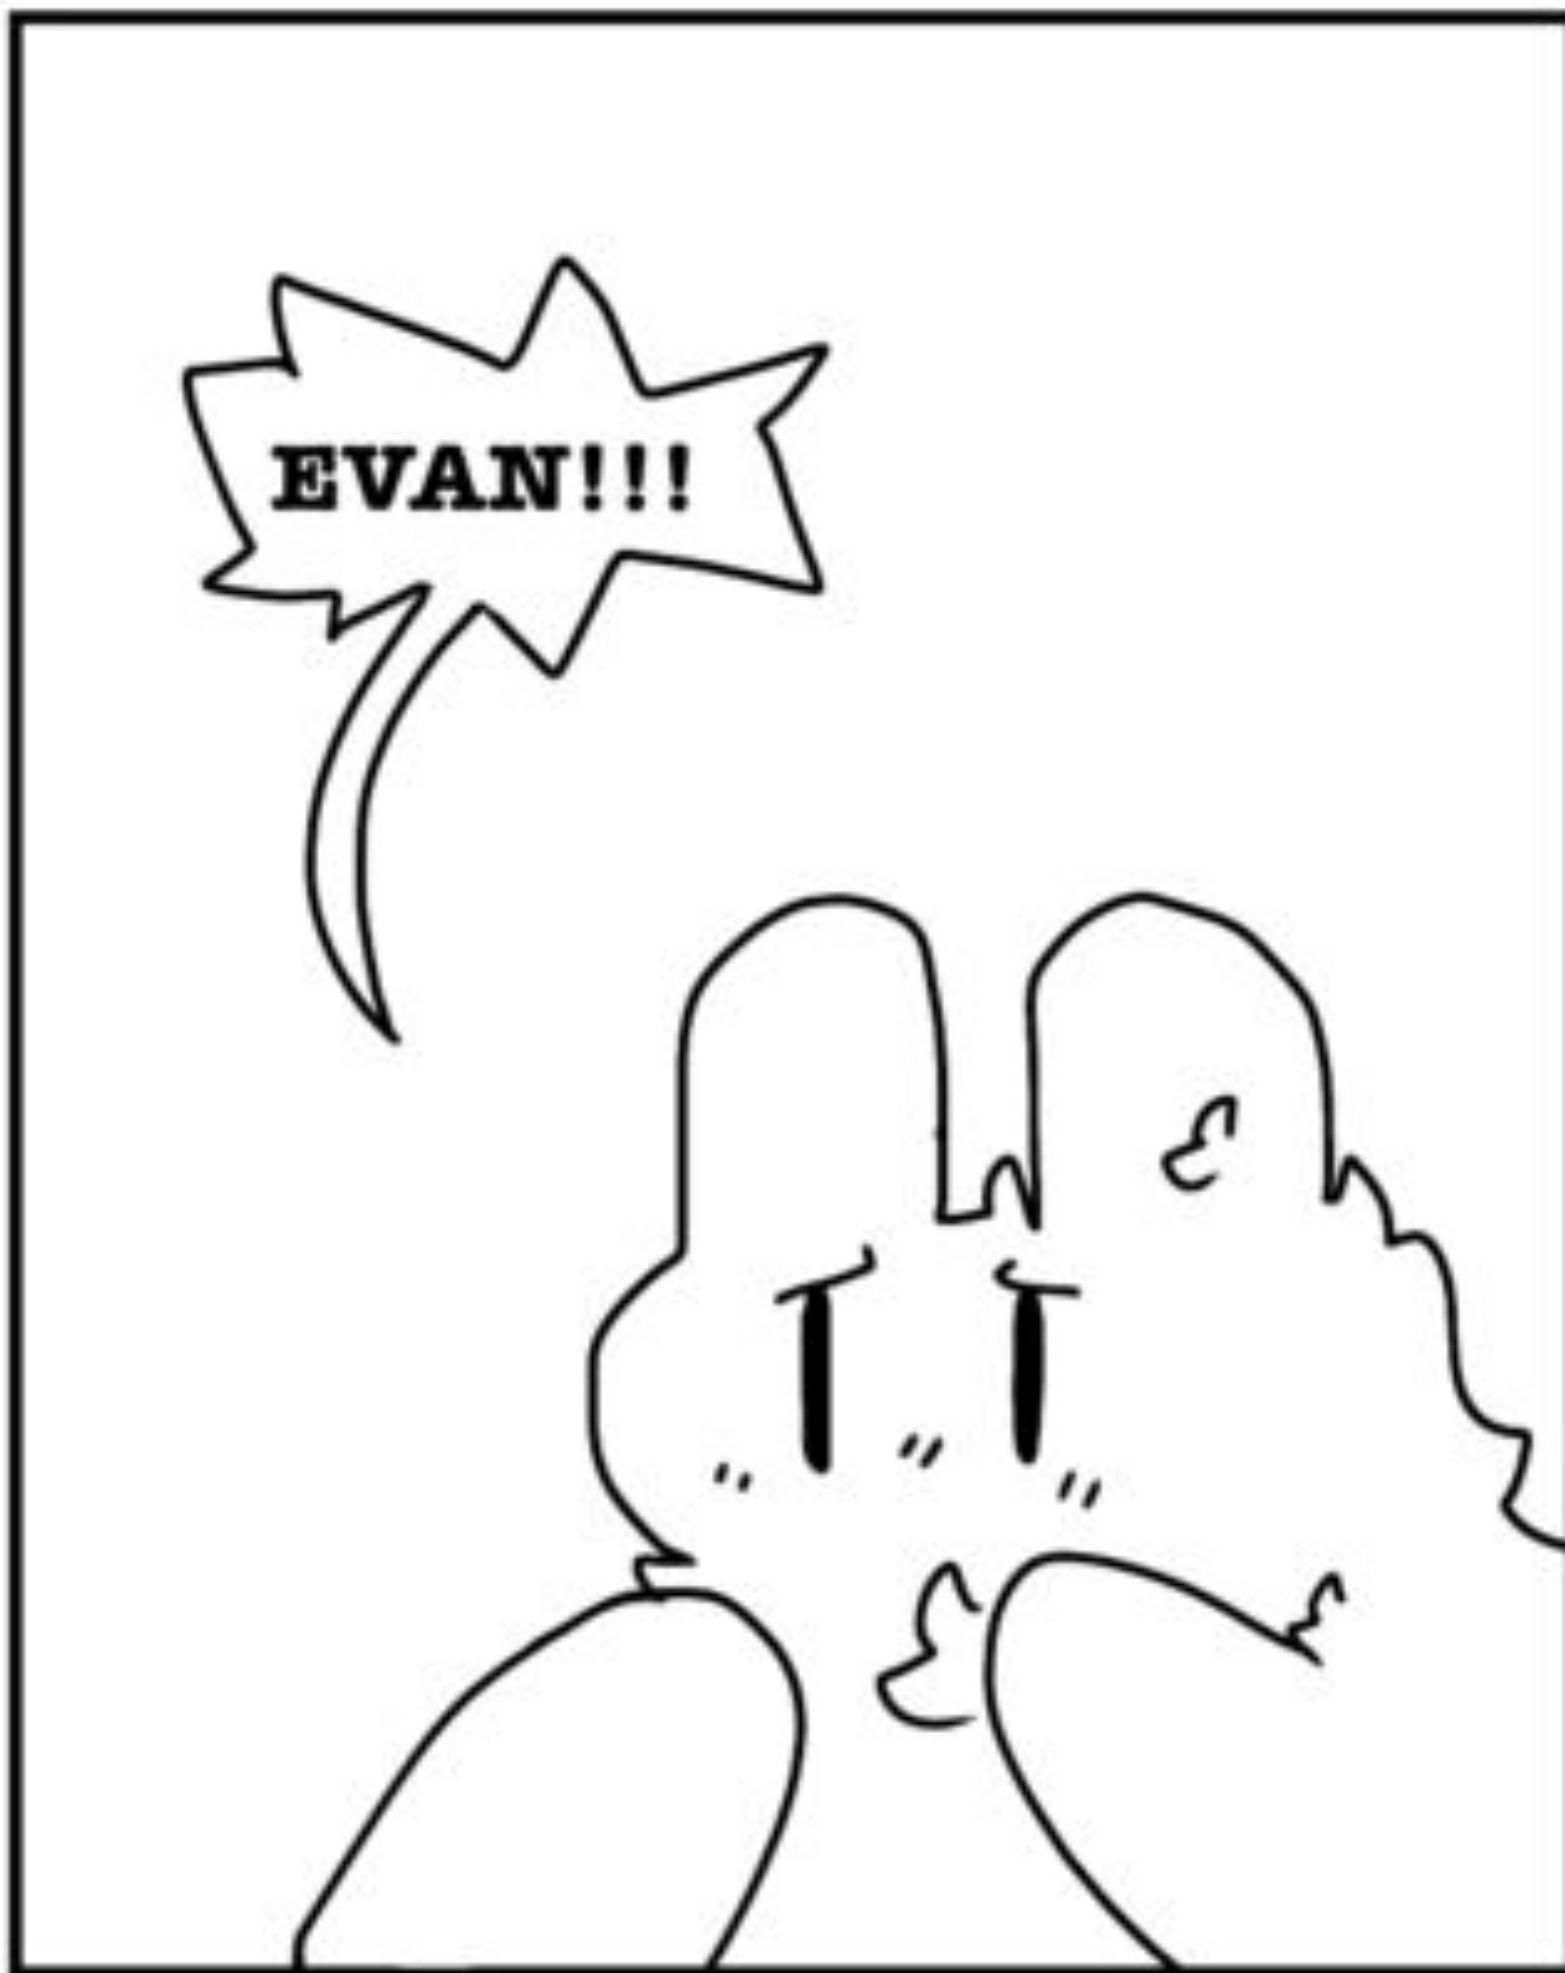

Meanwhile, pebis

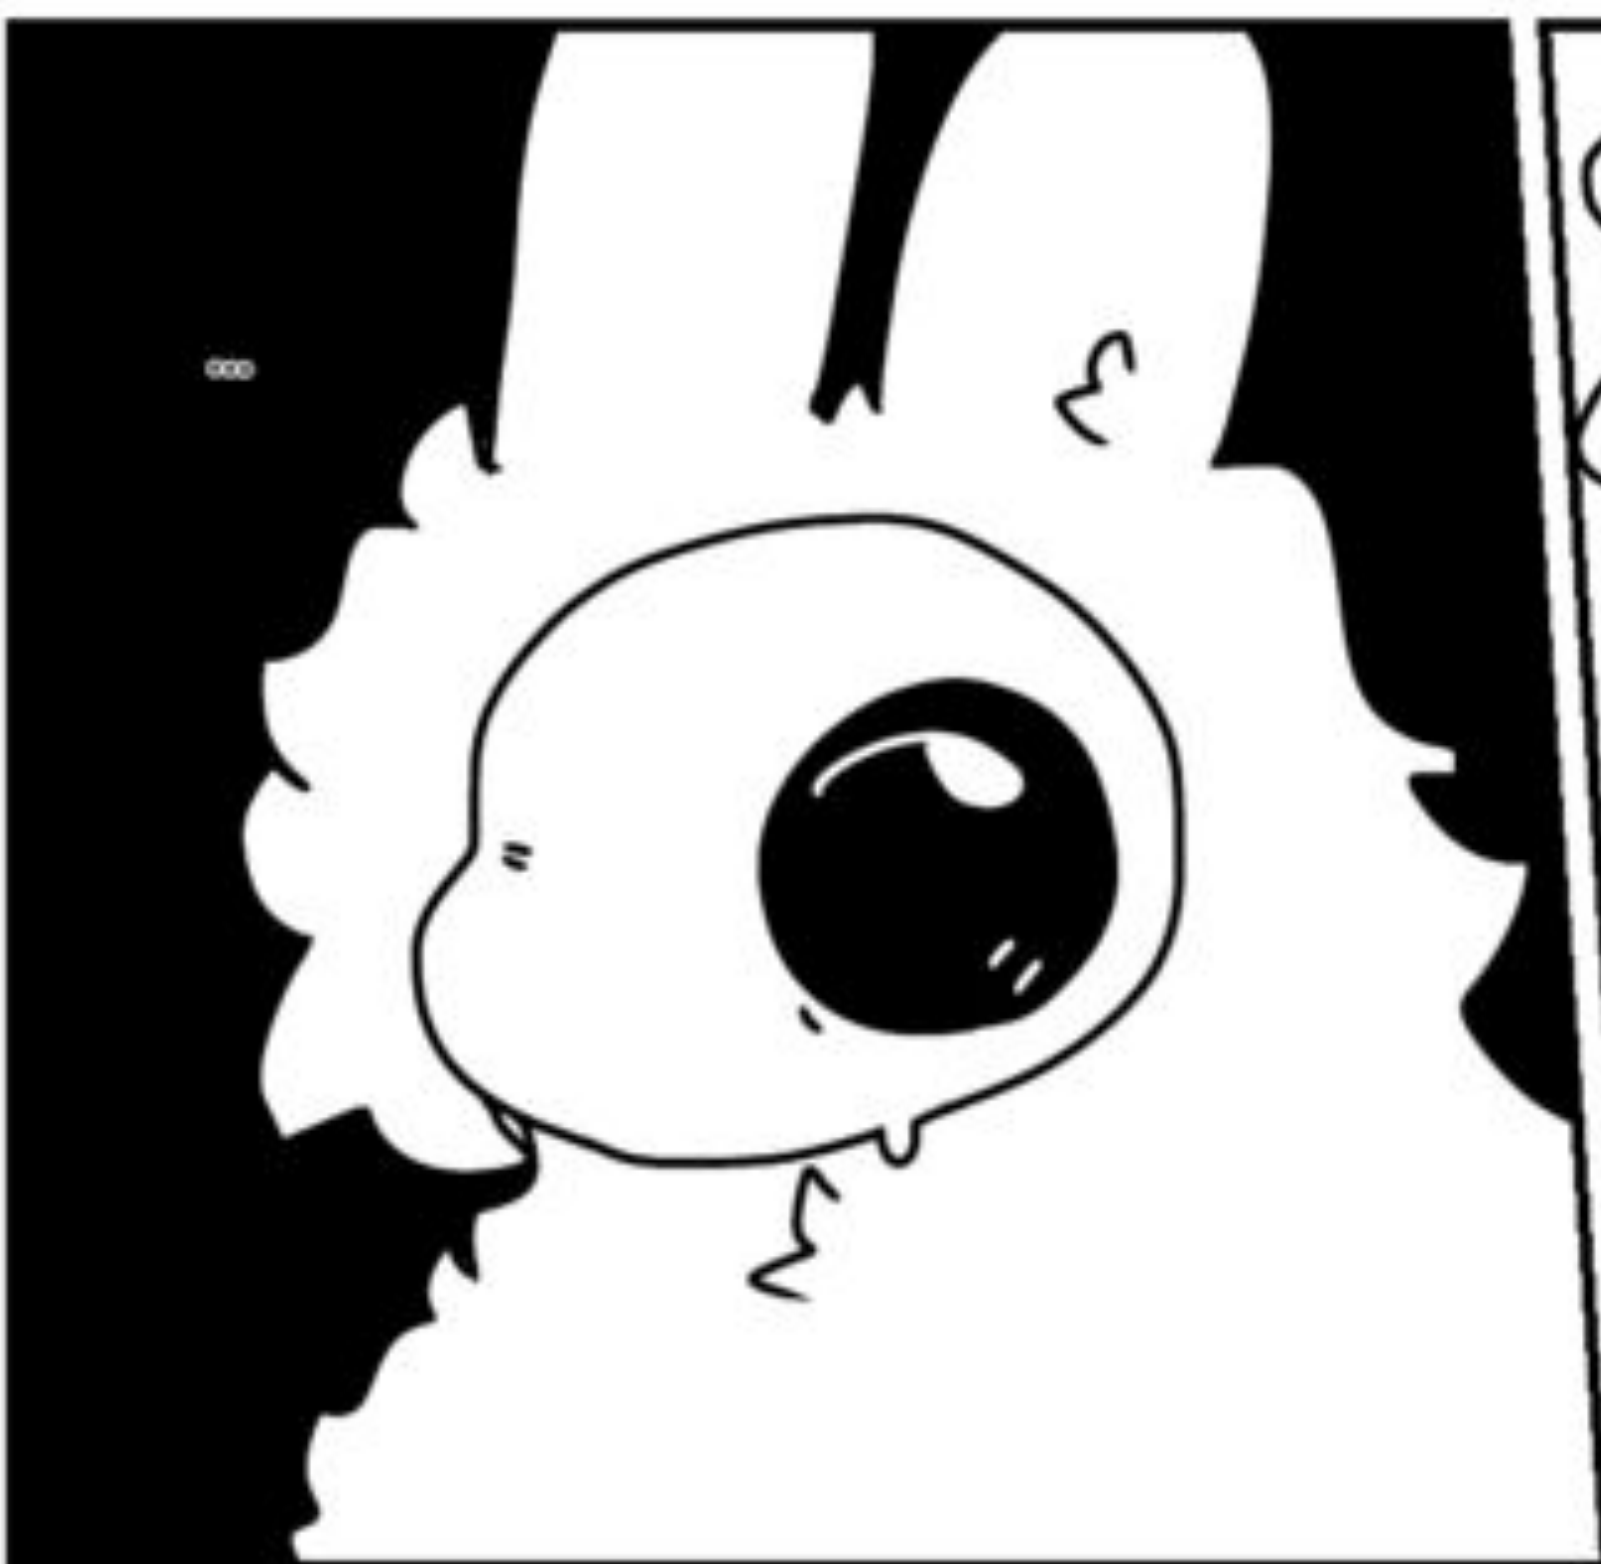

..they're so
annoying...

Stupid guardian...
Stupid evan,
should have gotten
my tablet for me

I didn't think
running away
would be this boring

25 minutes later

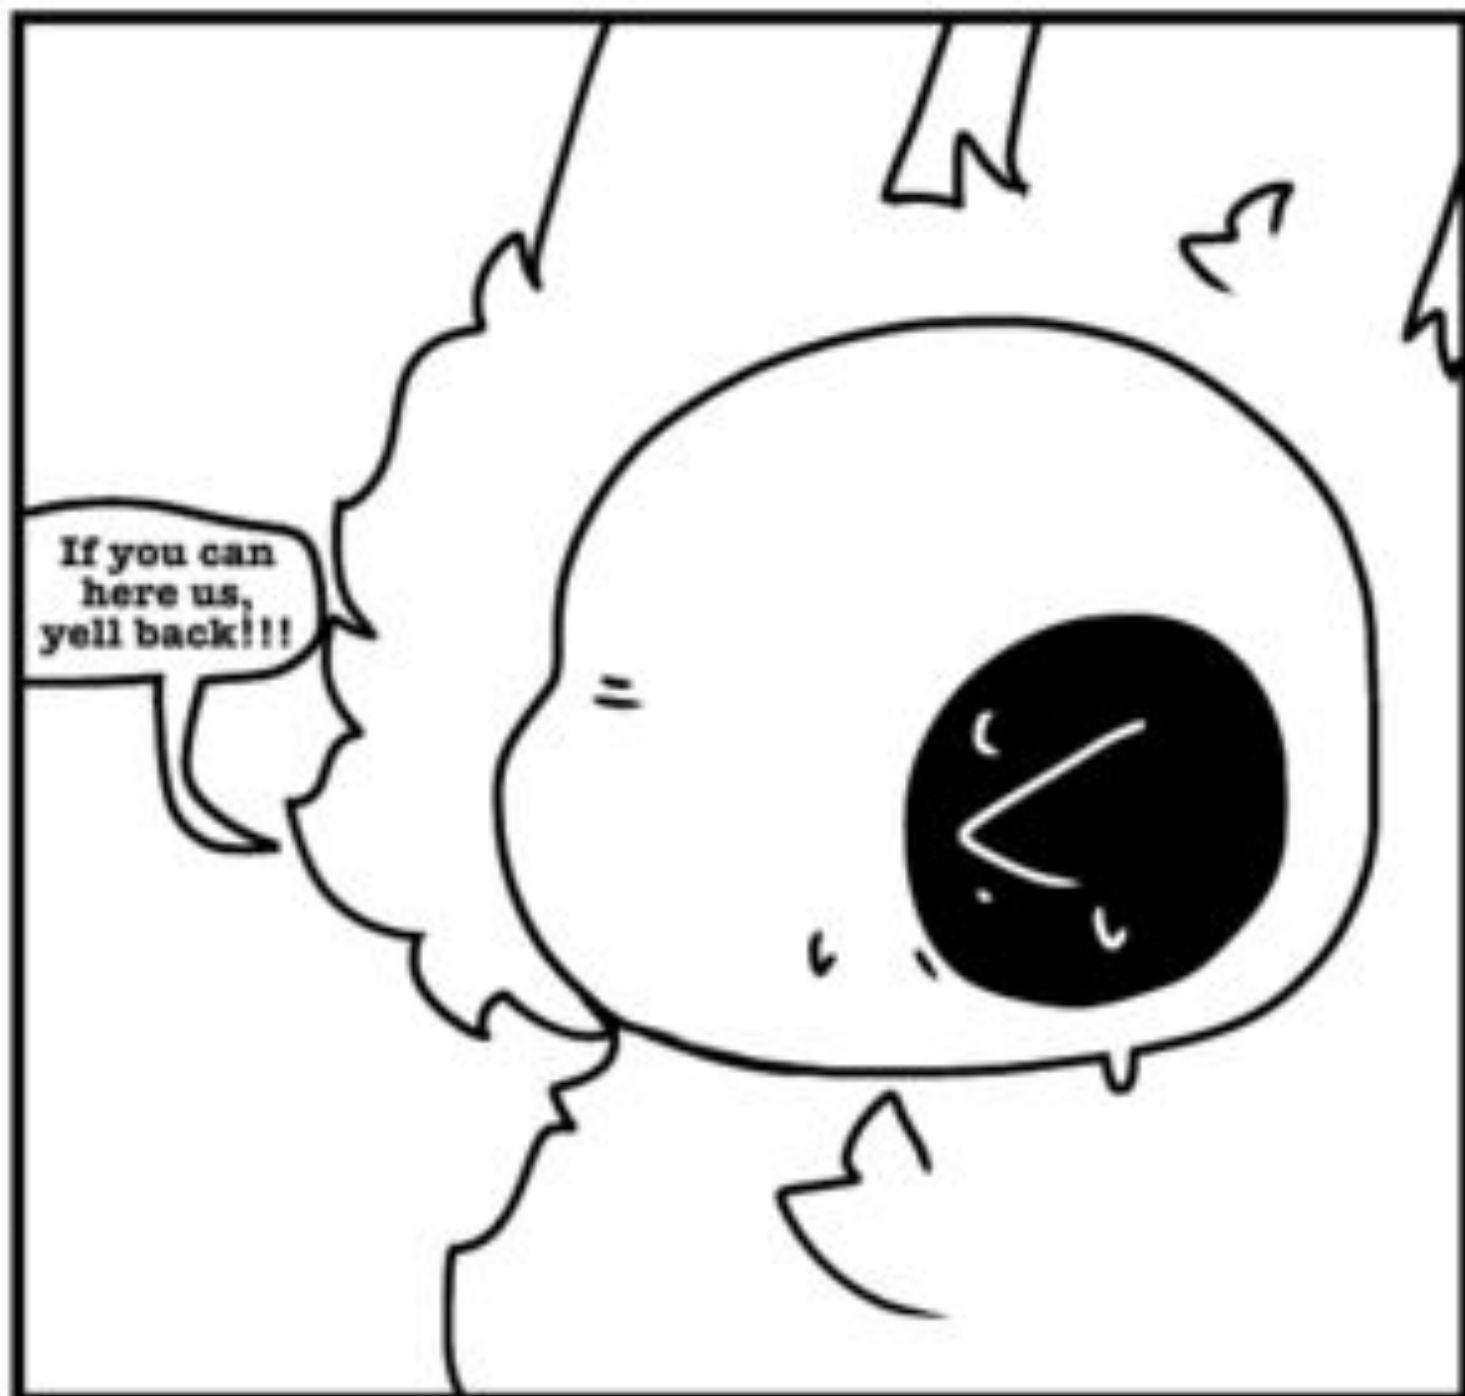

Guardian, he isn't here..

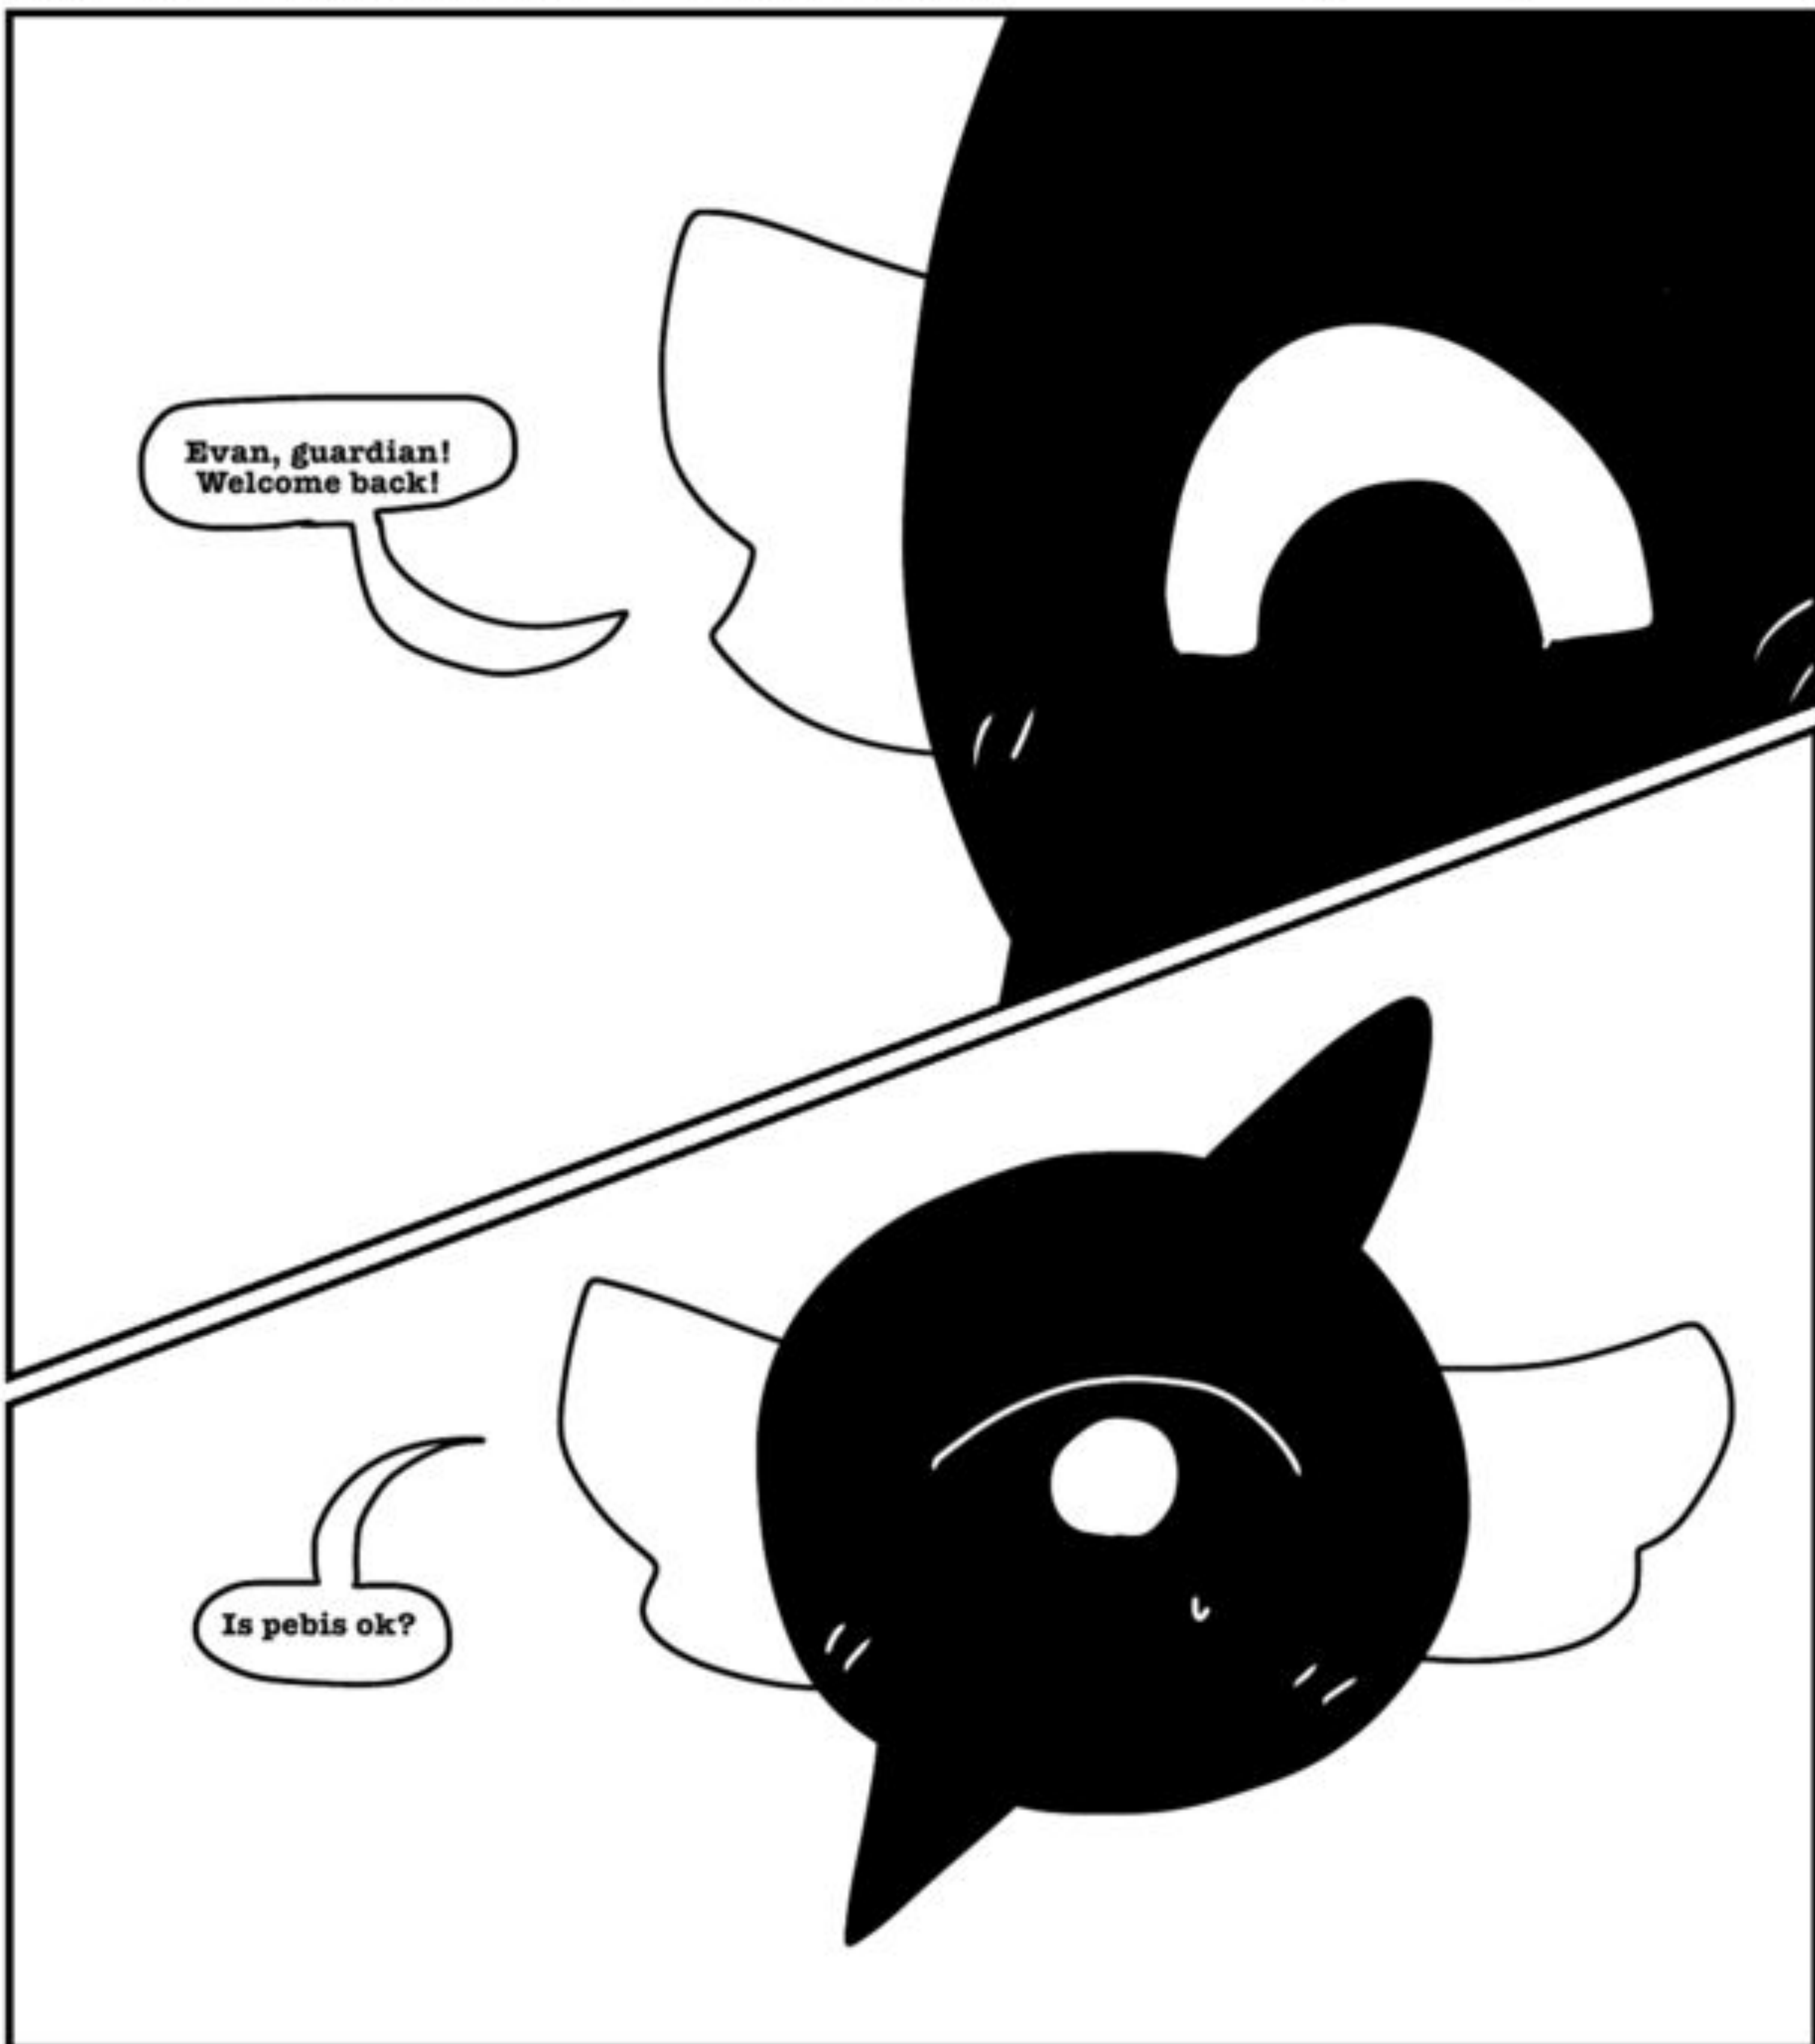

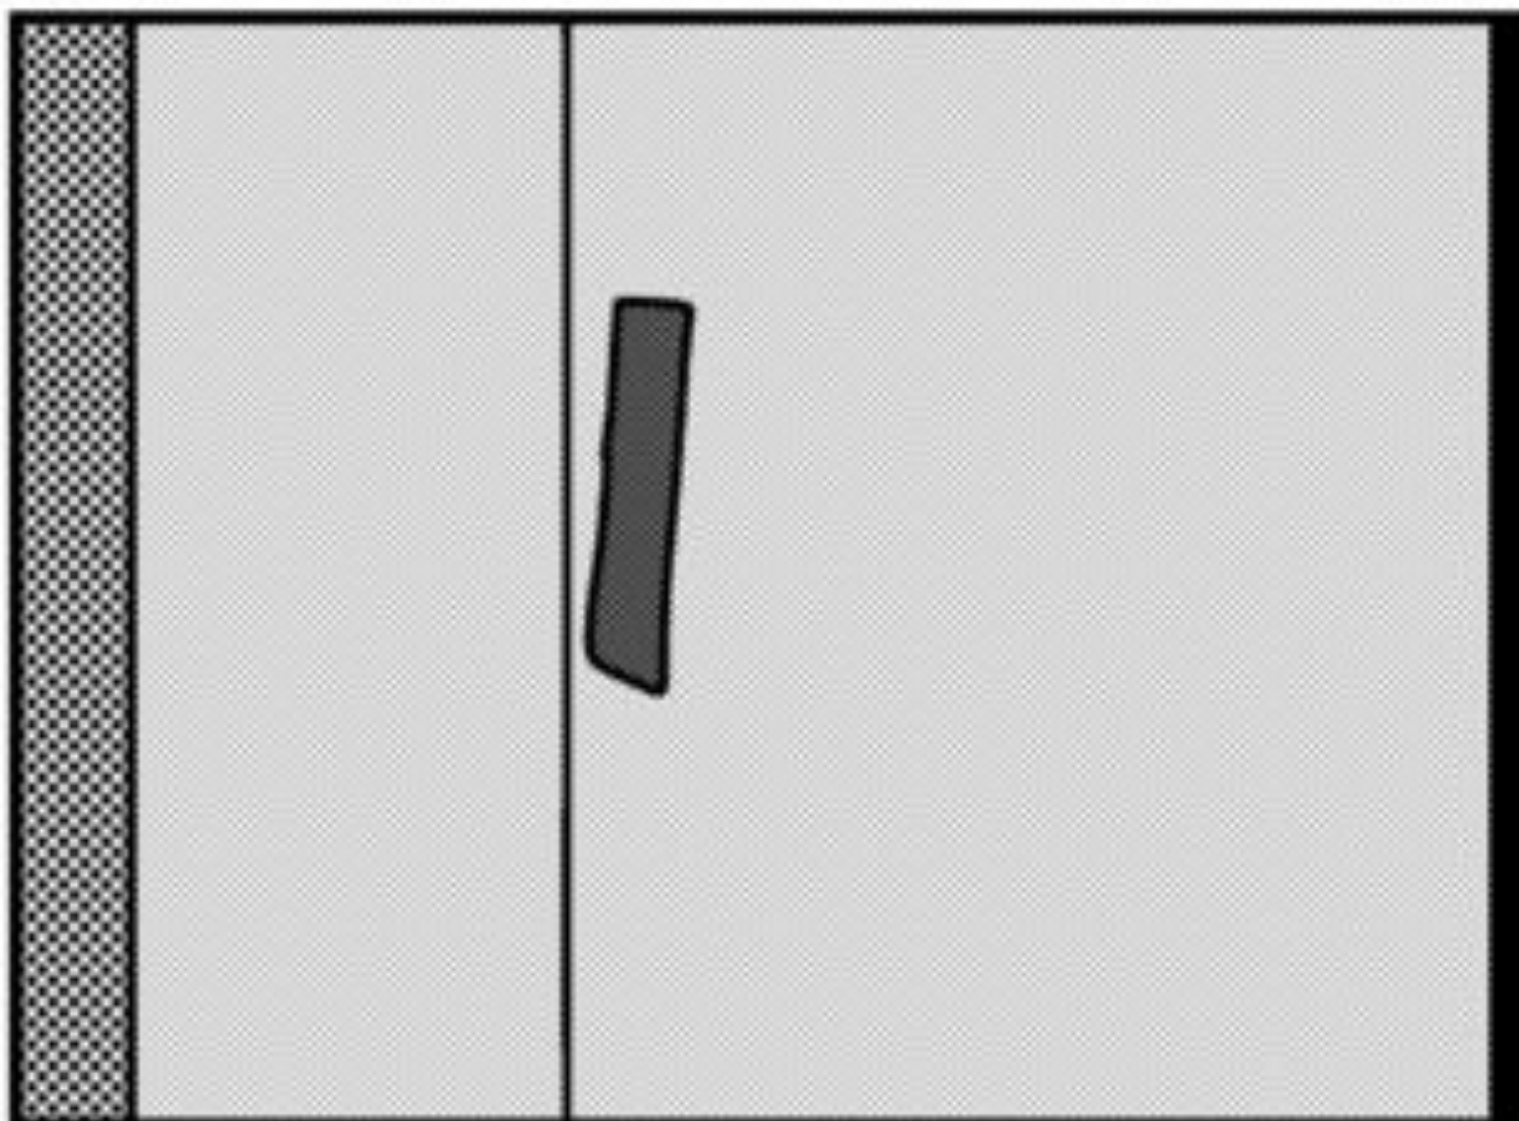

Where could he have gone..!

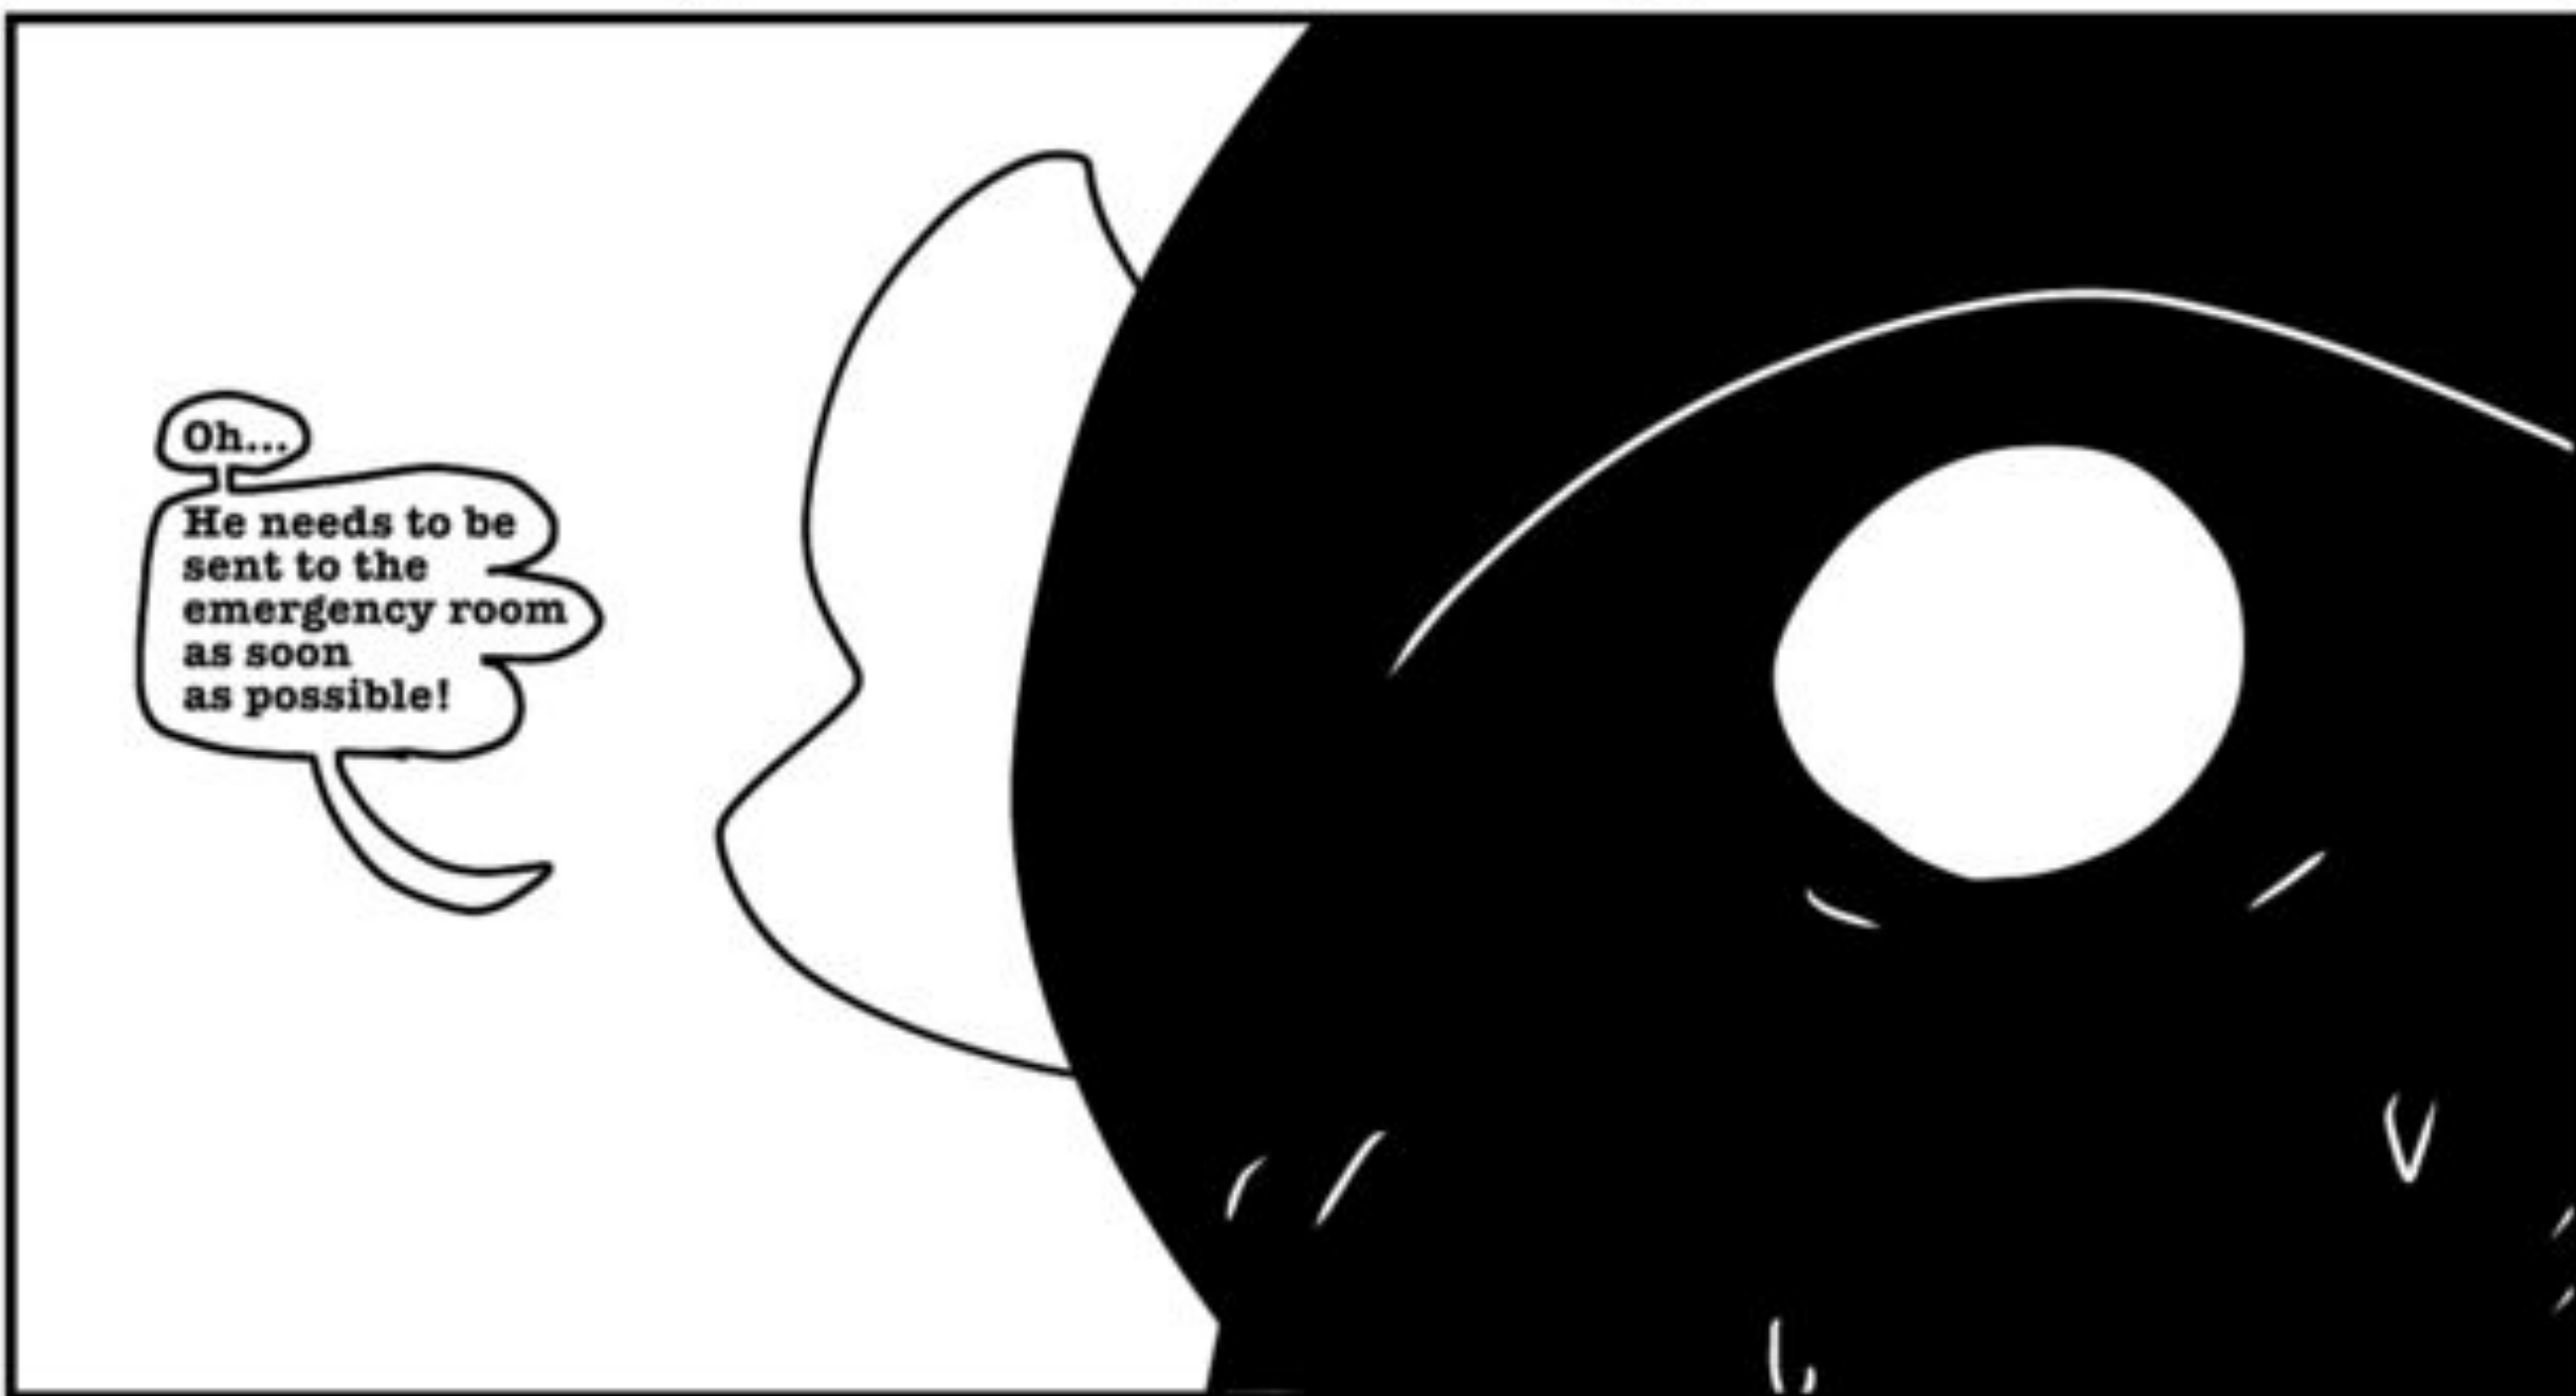

I thought he would be here

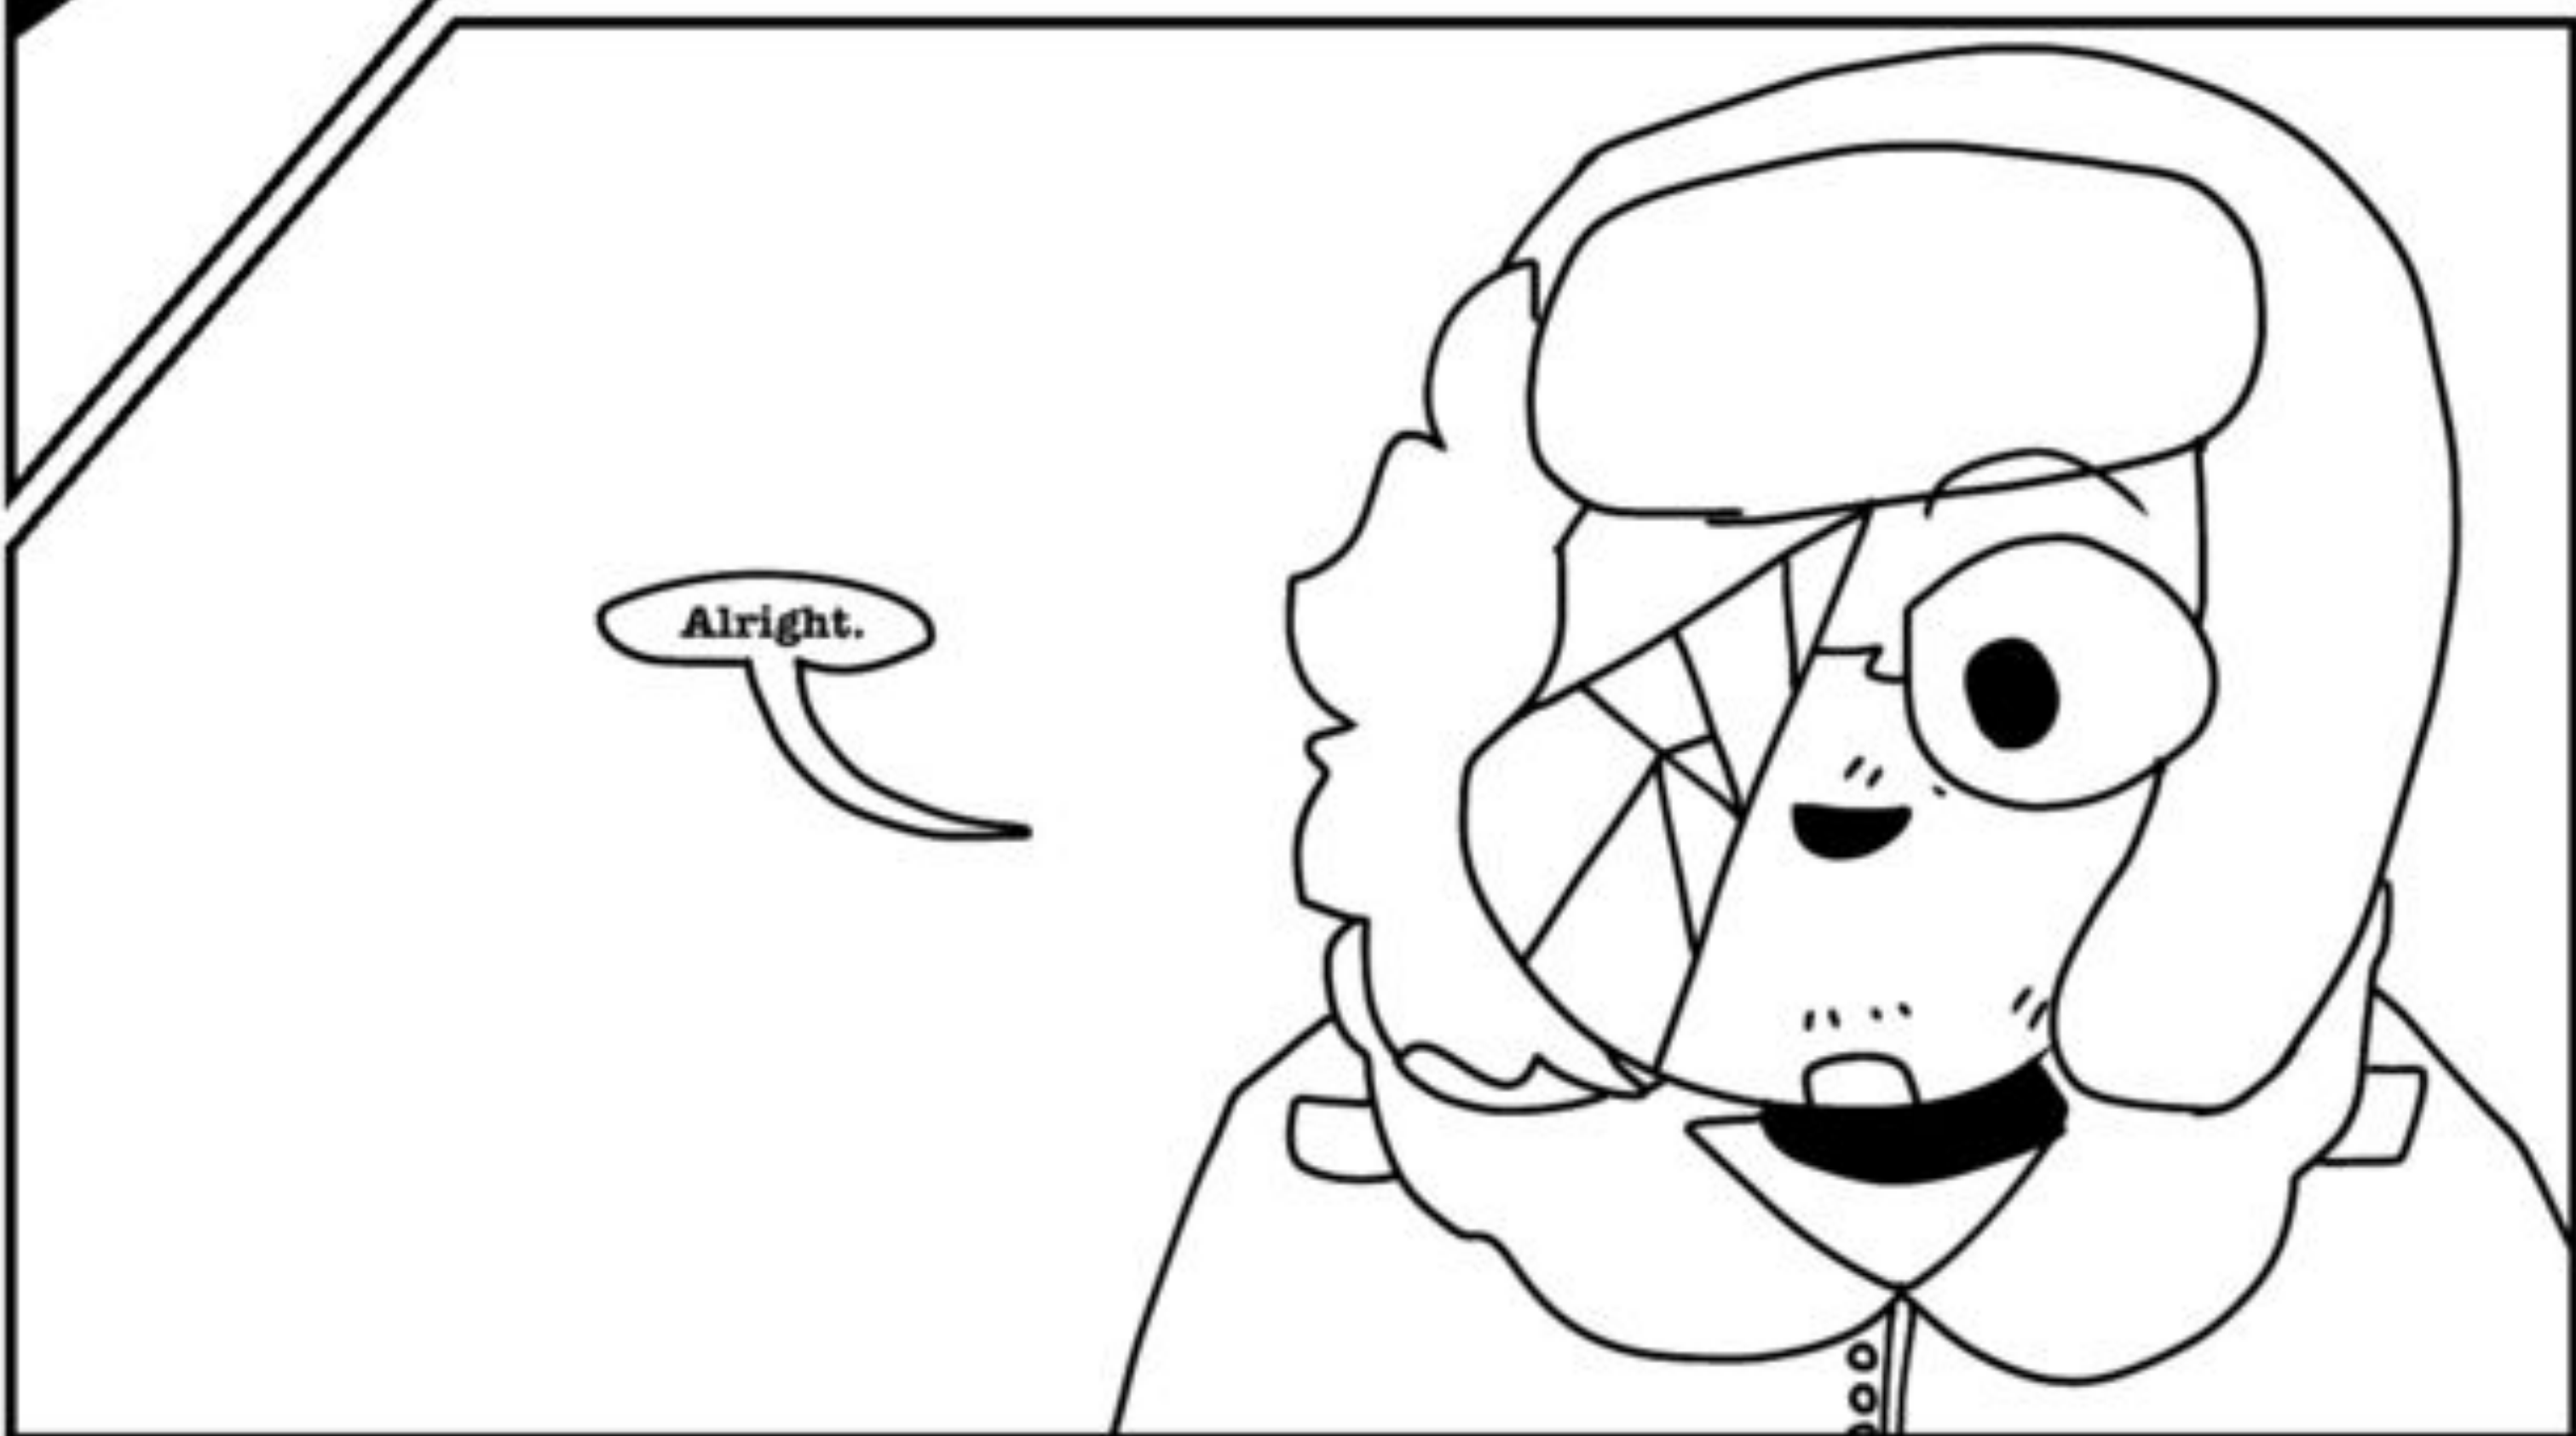

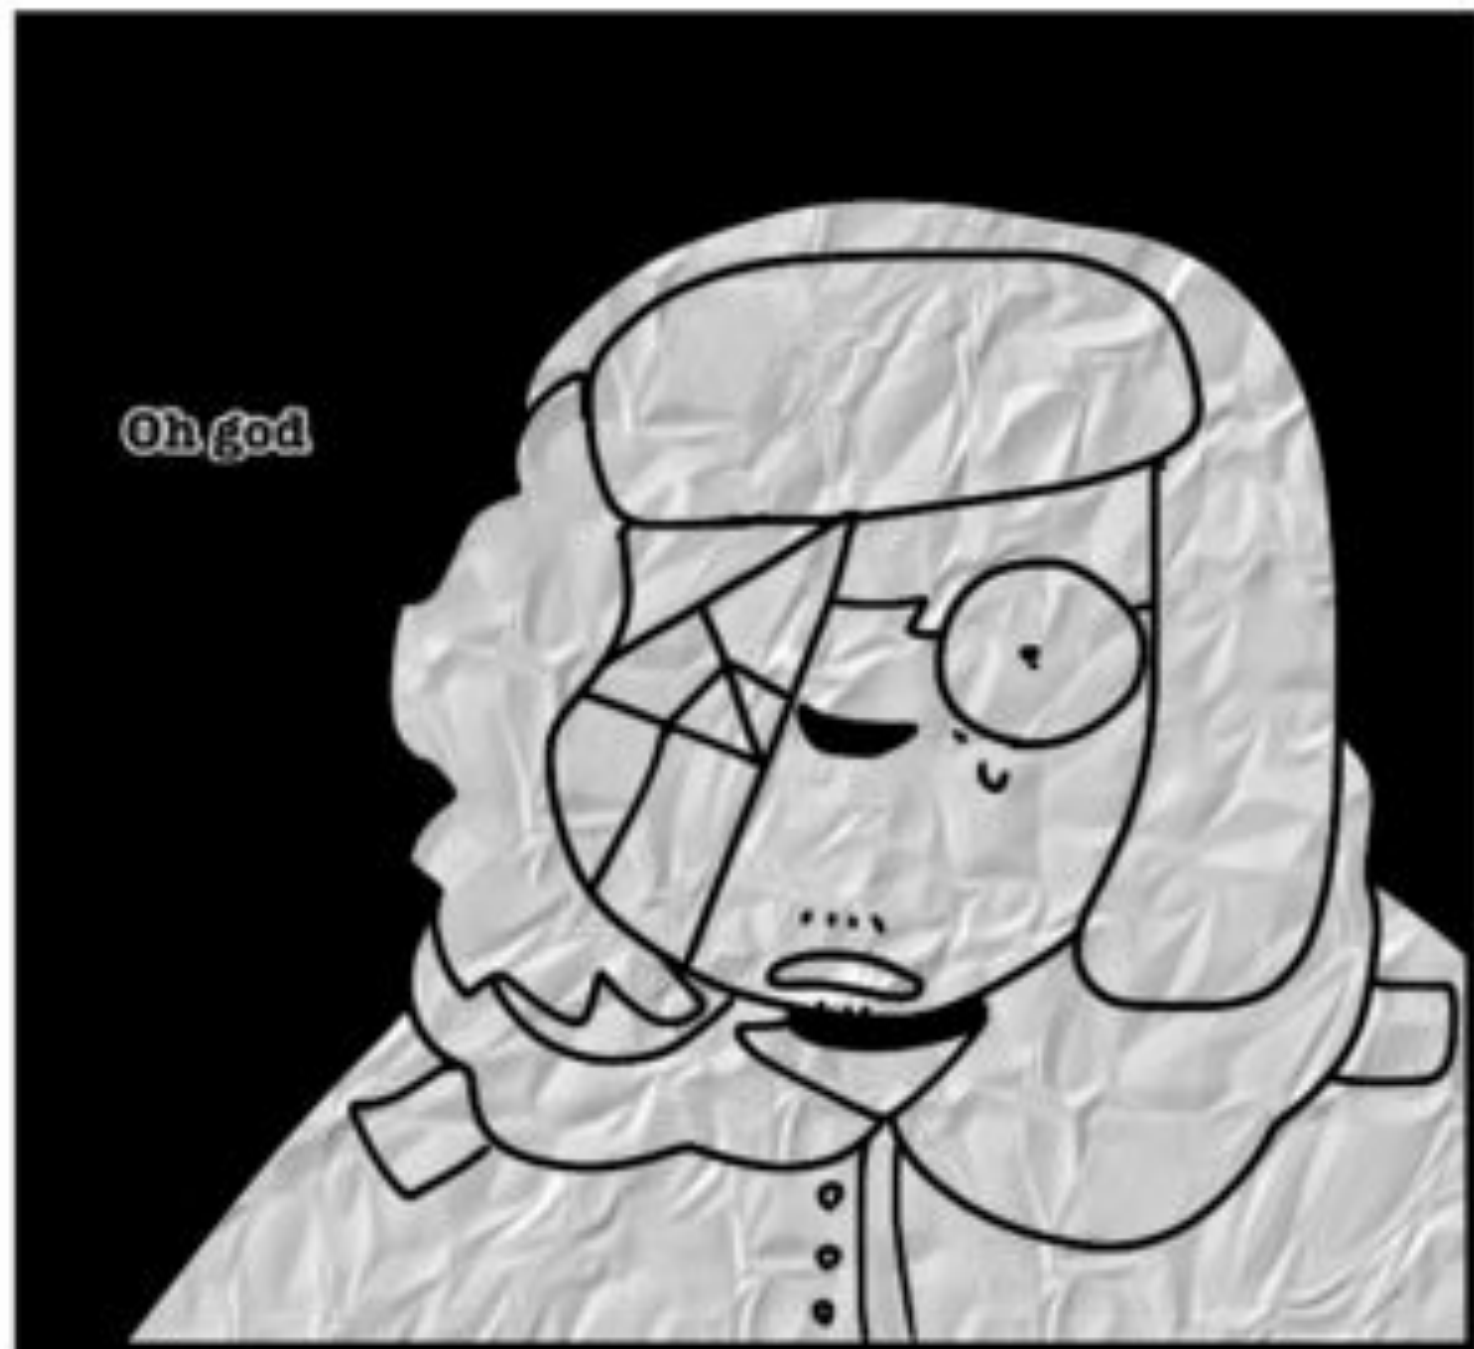

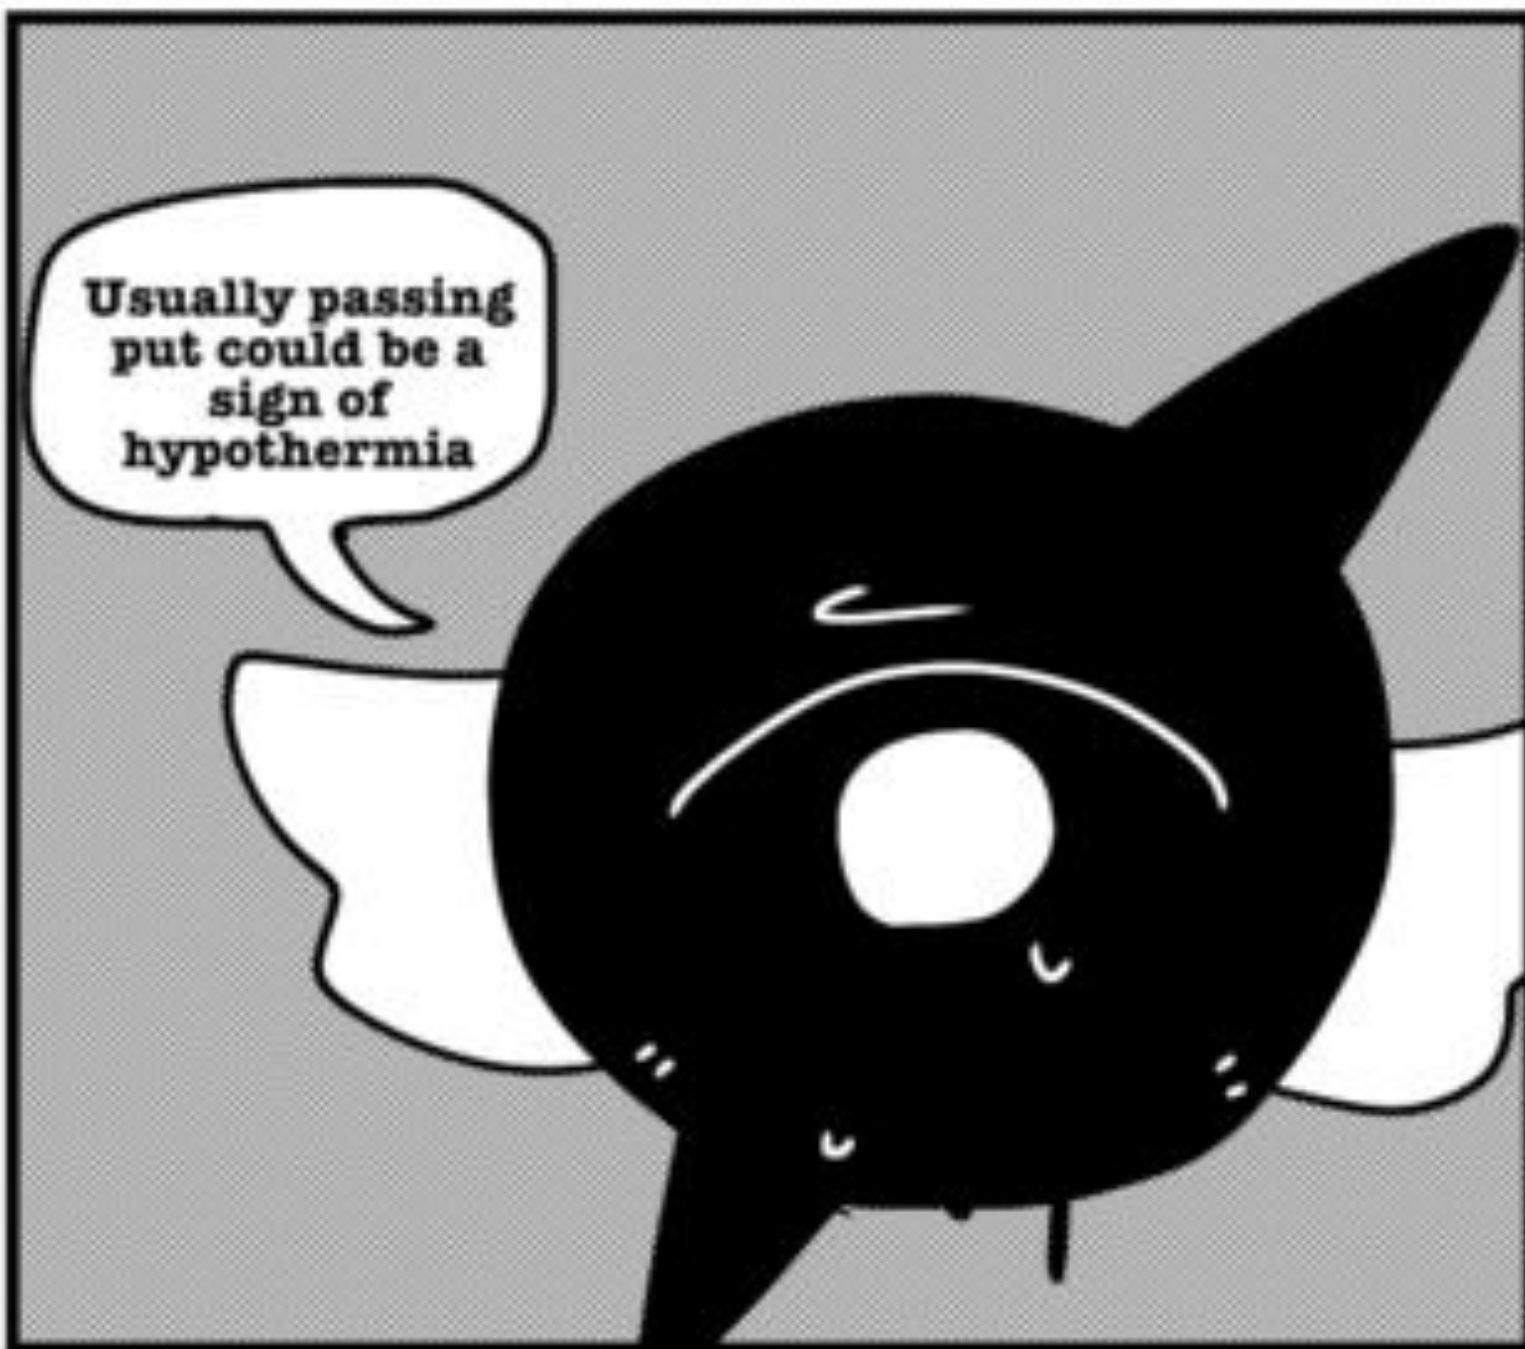

Let's continue searching for now

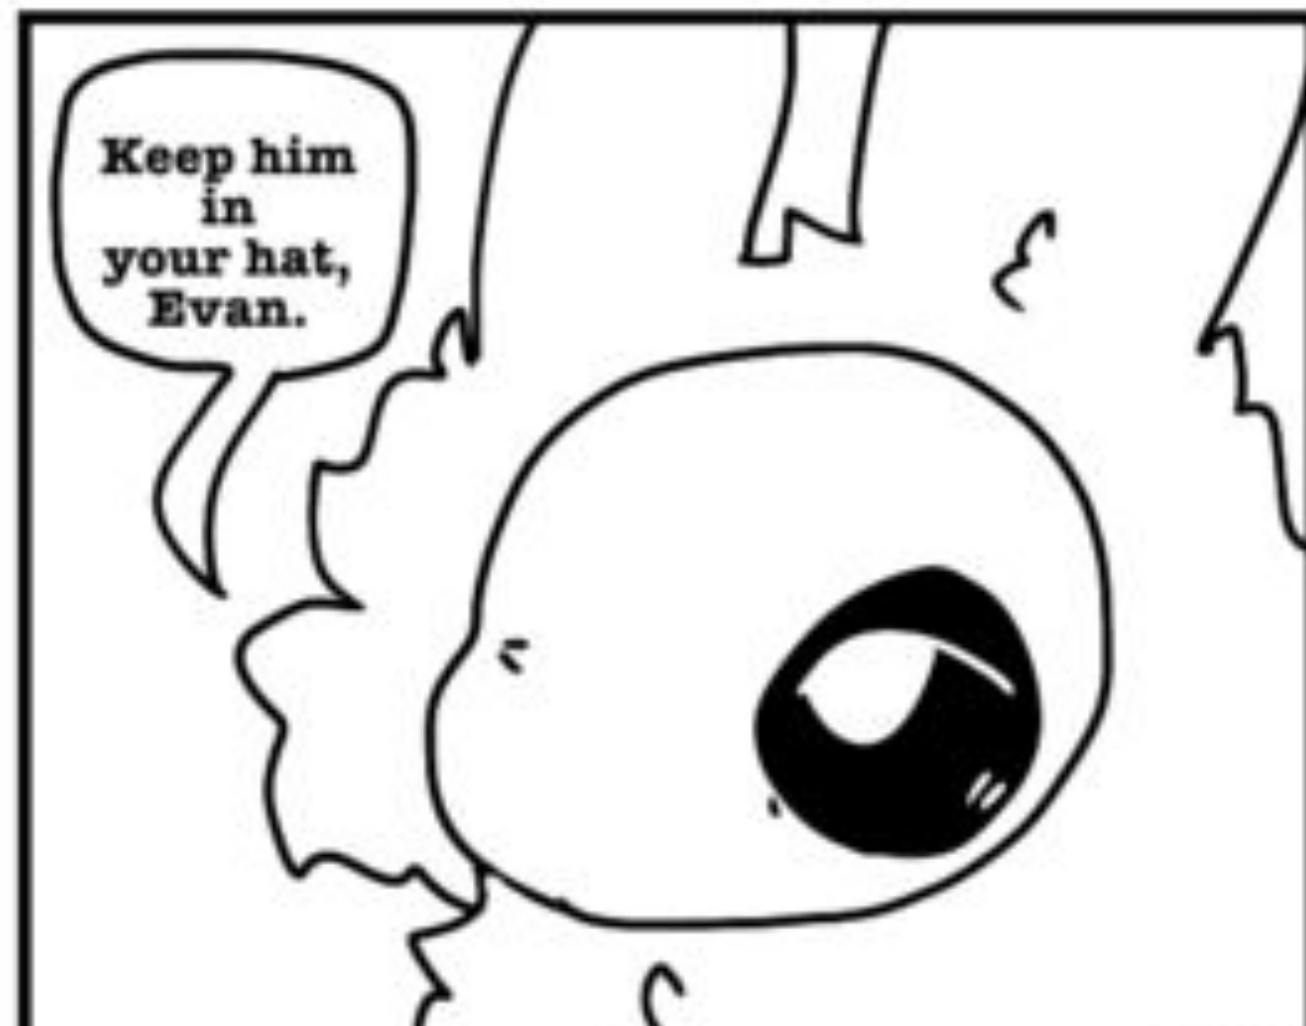

My hands hurt like hell

Keep him
in
your hat,
Evan.

Will do!

I wish
it didn't
snow today

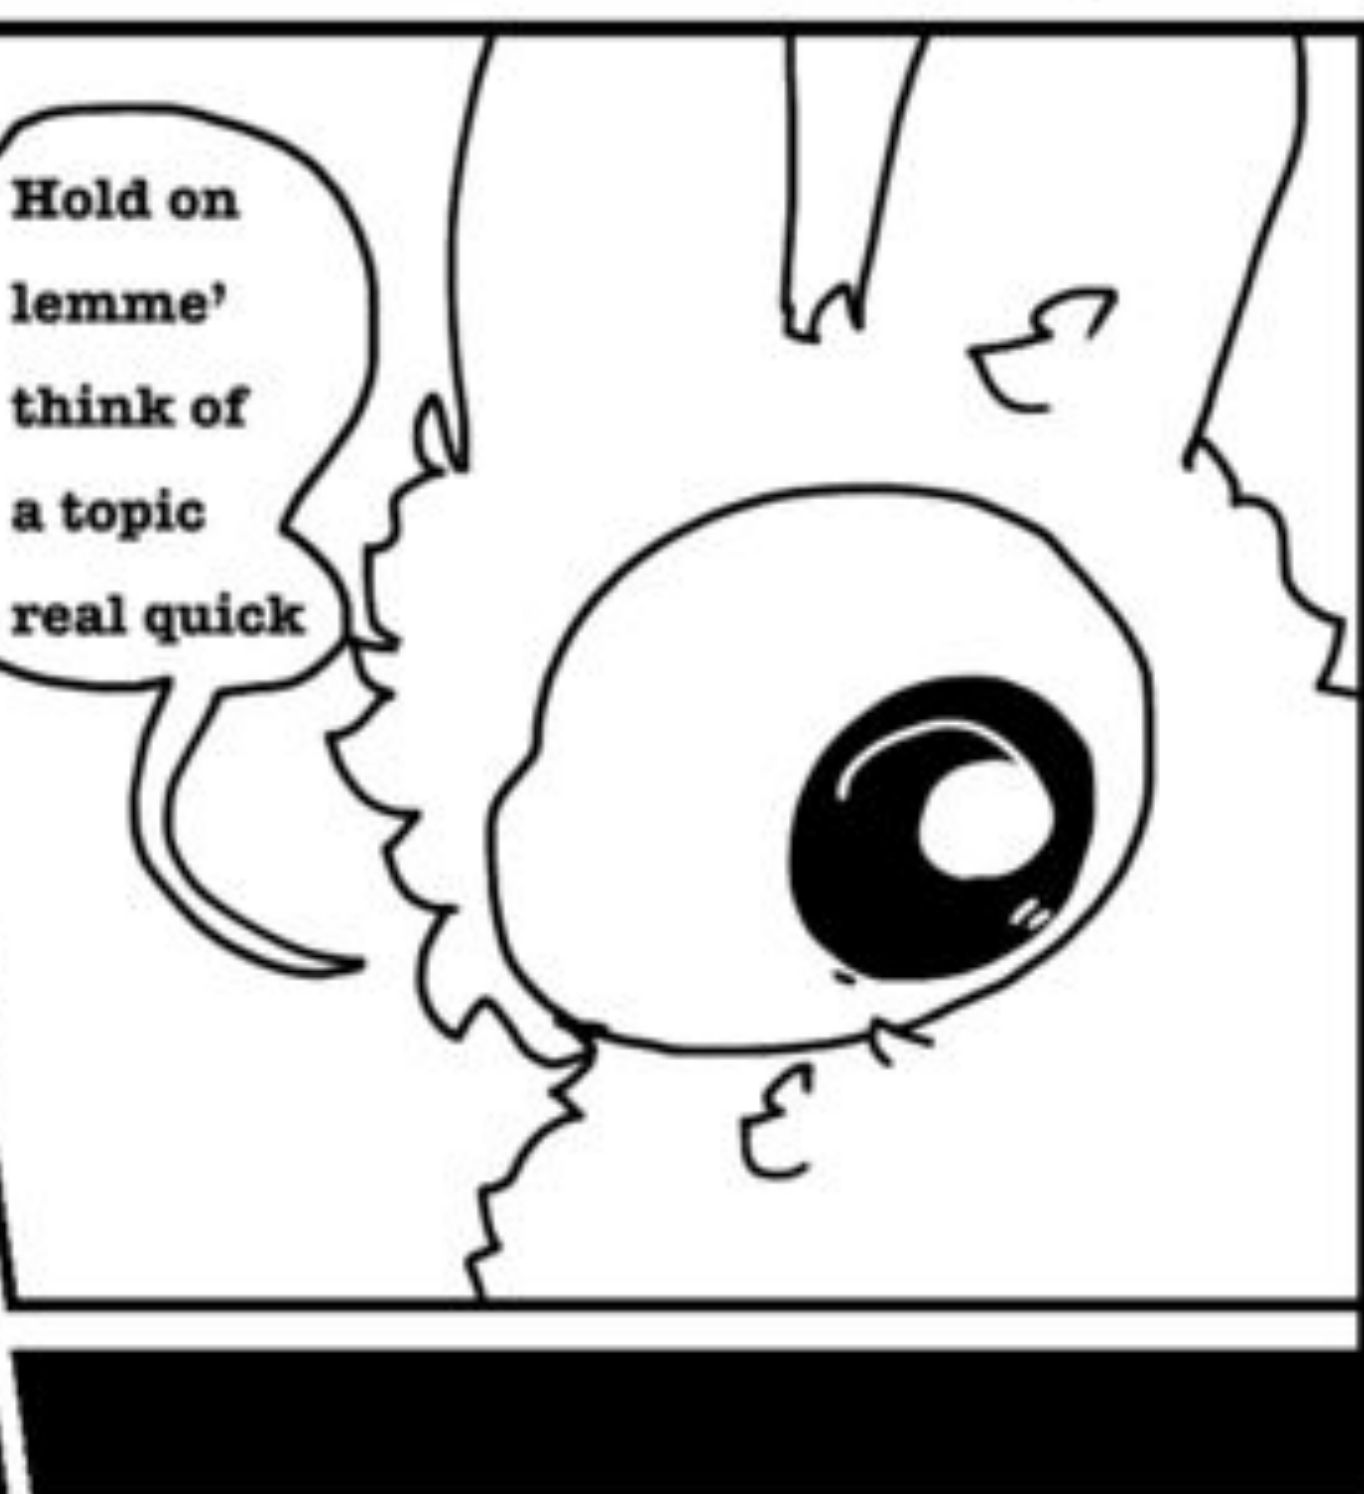

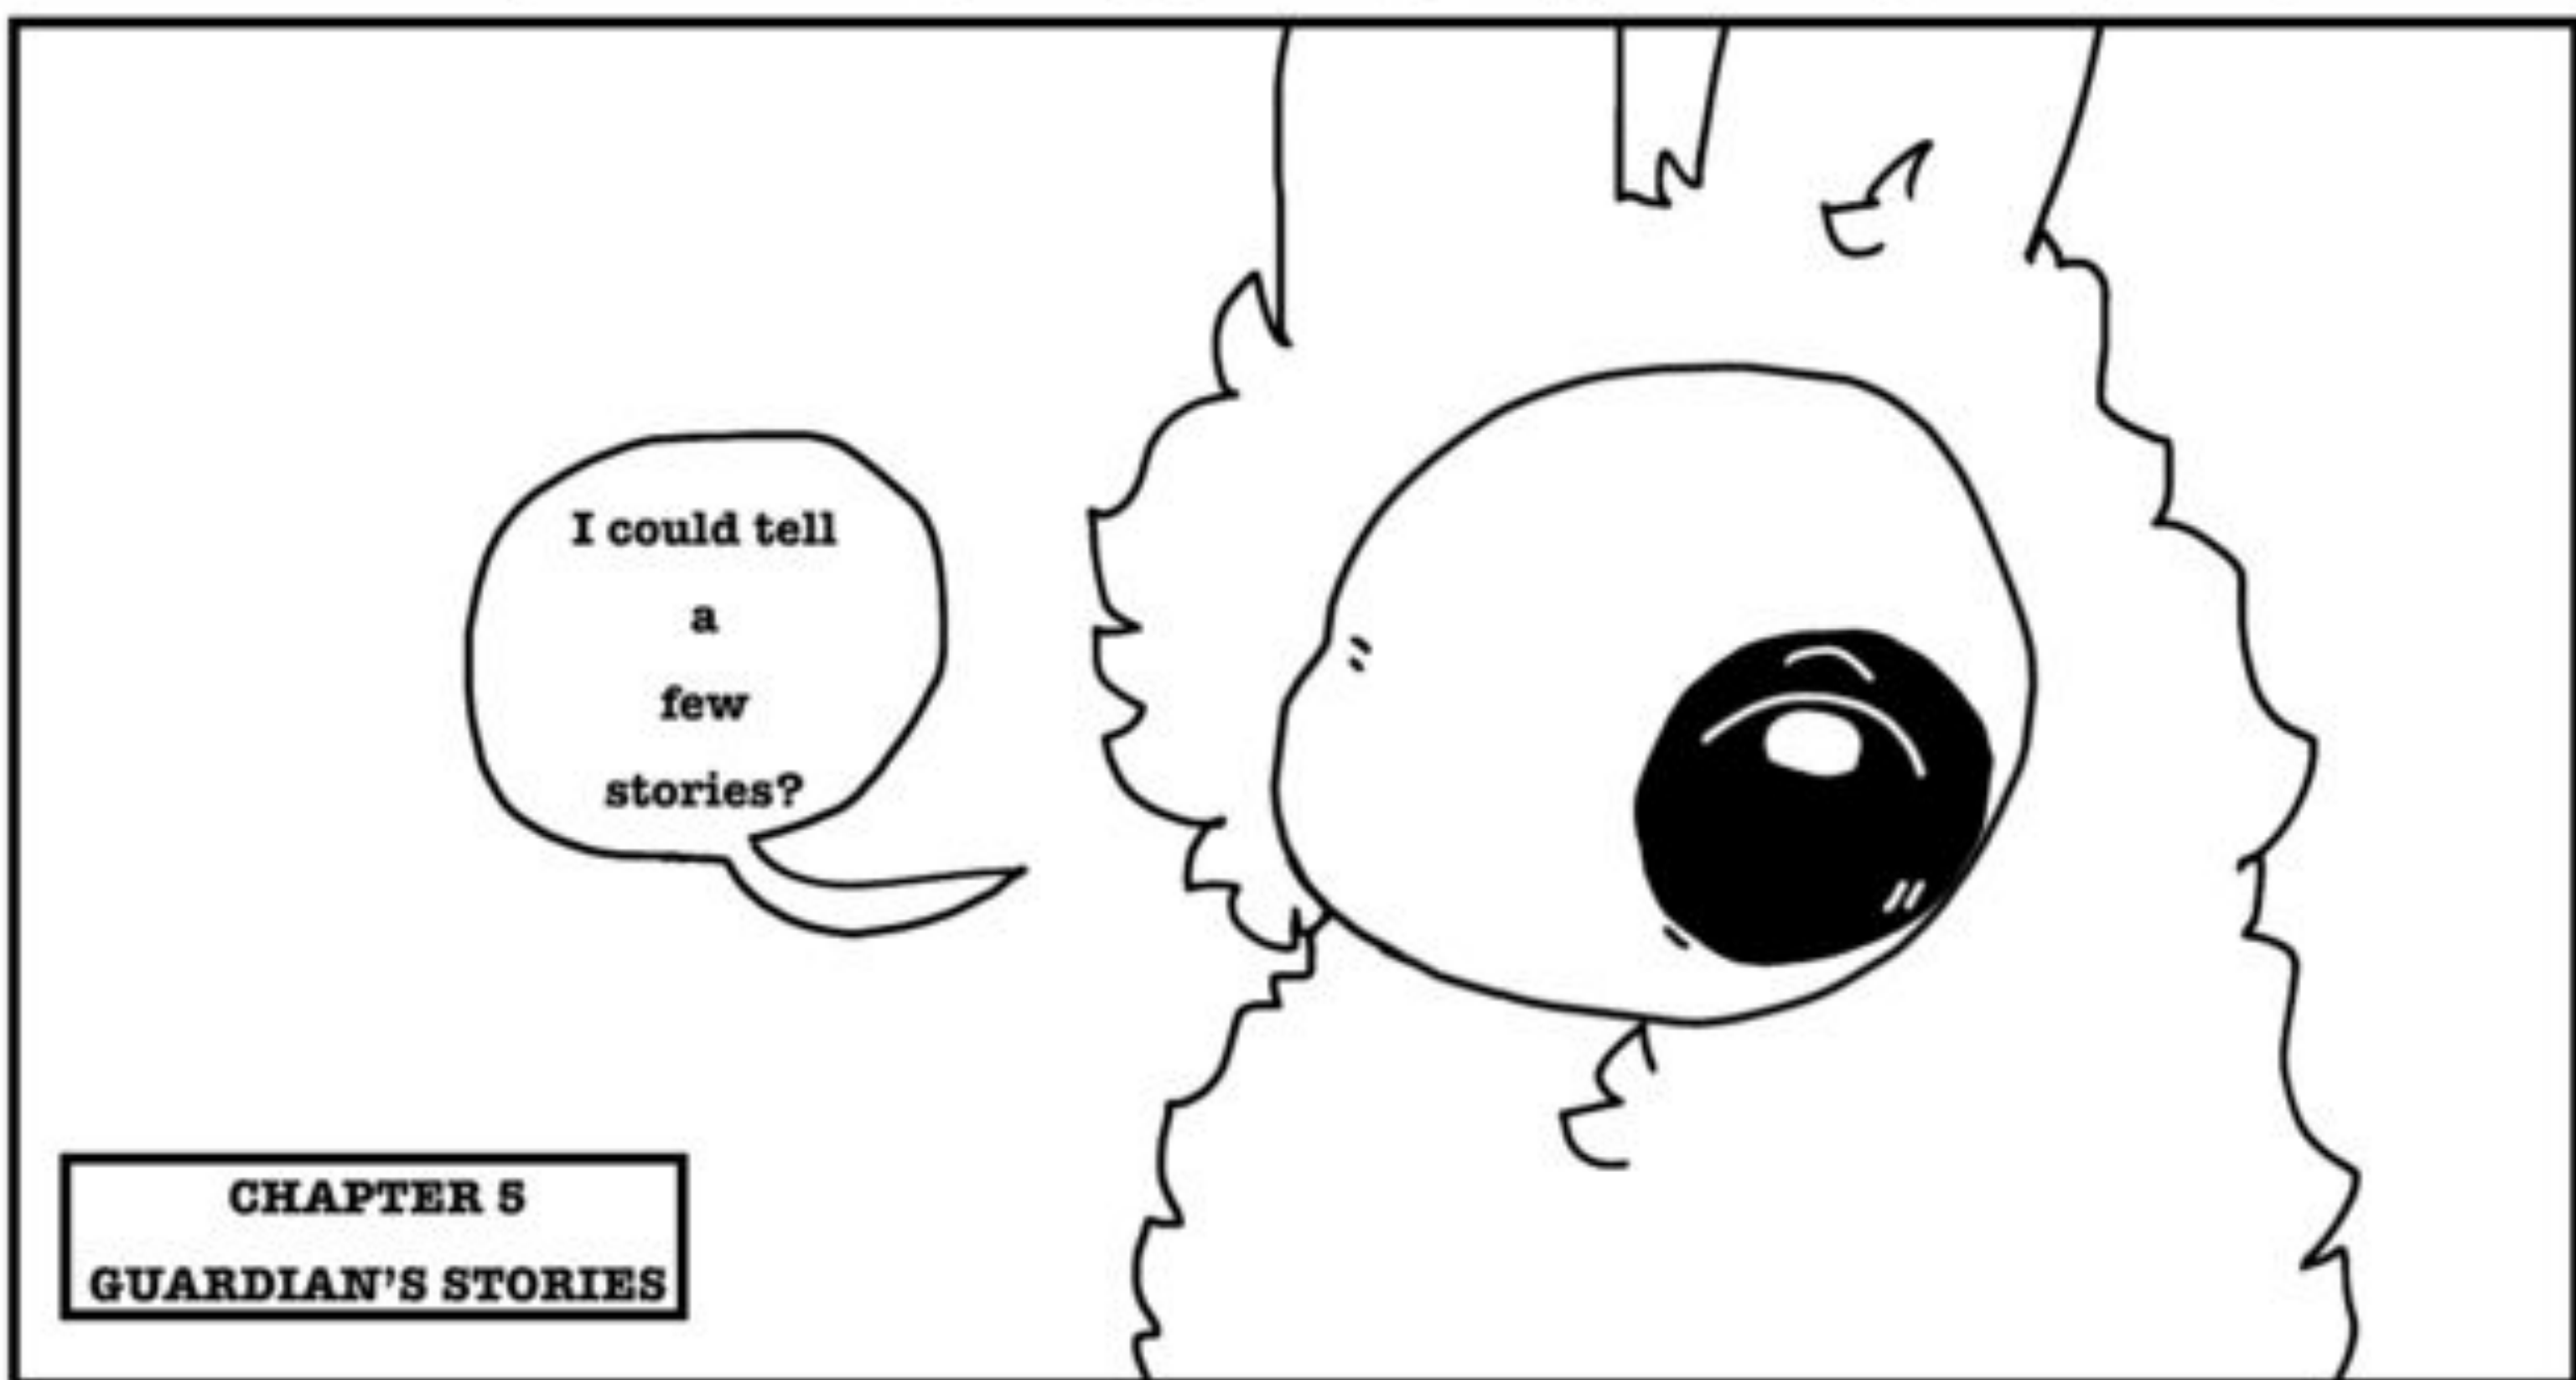

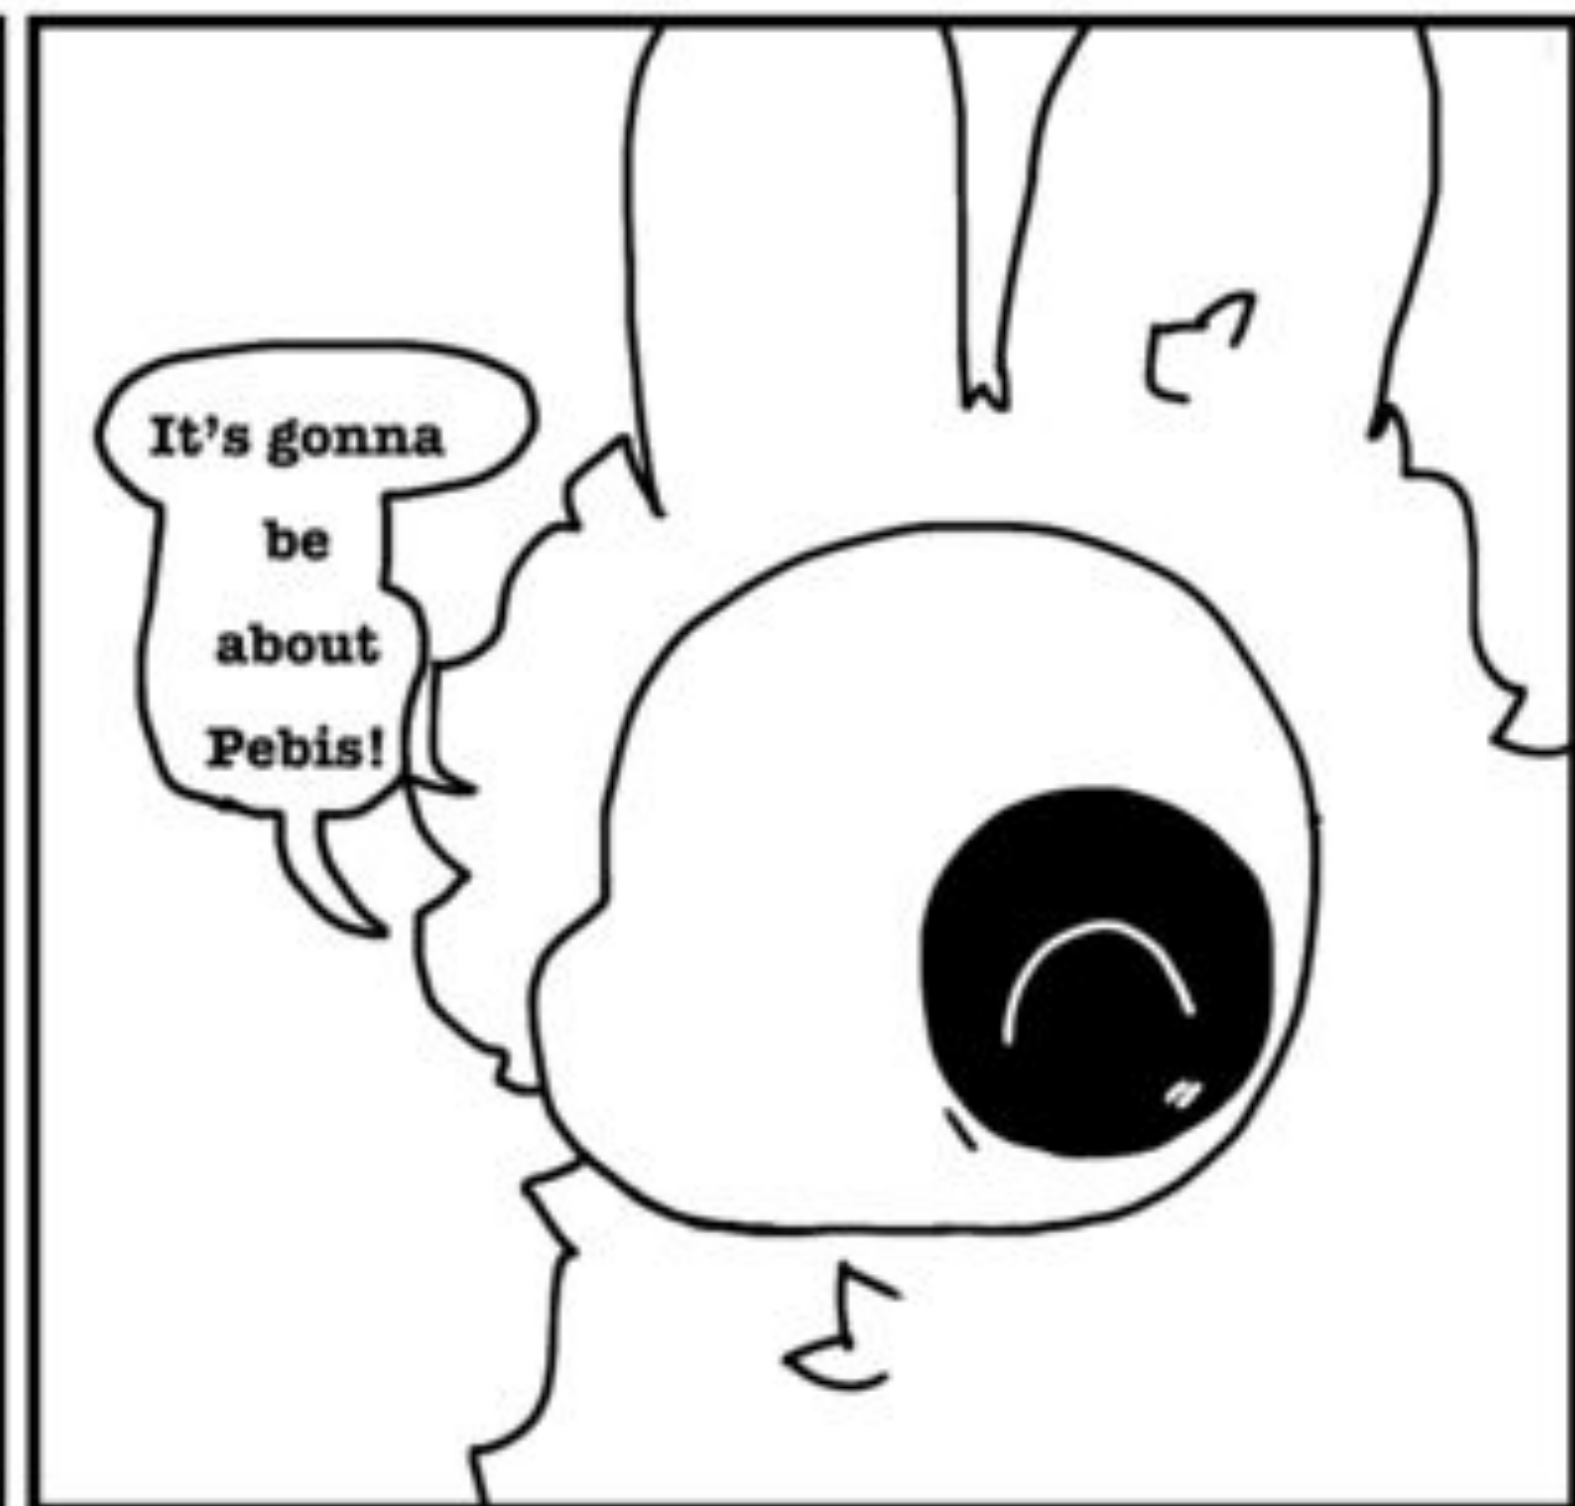

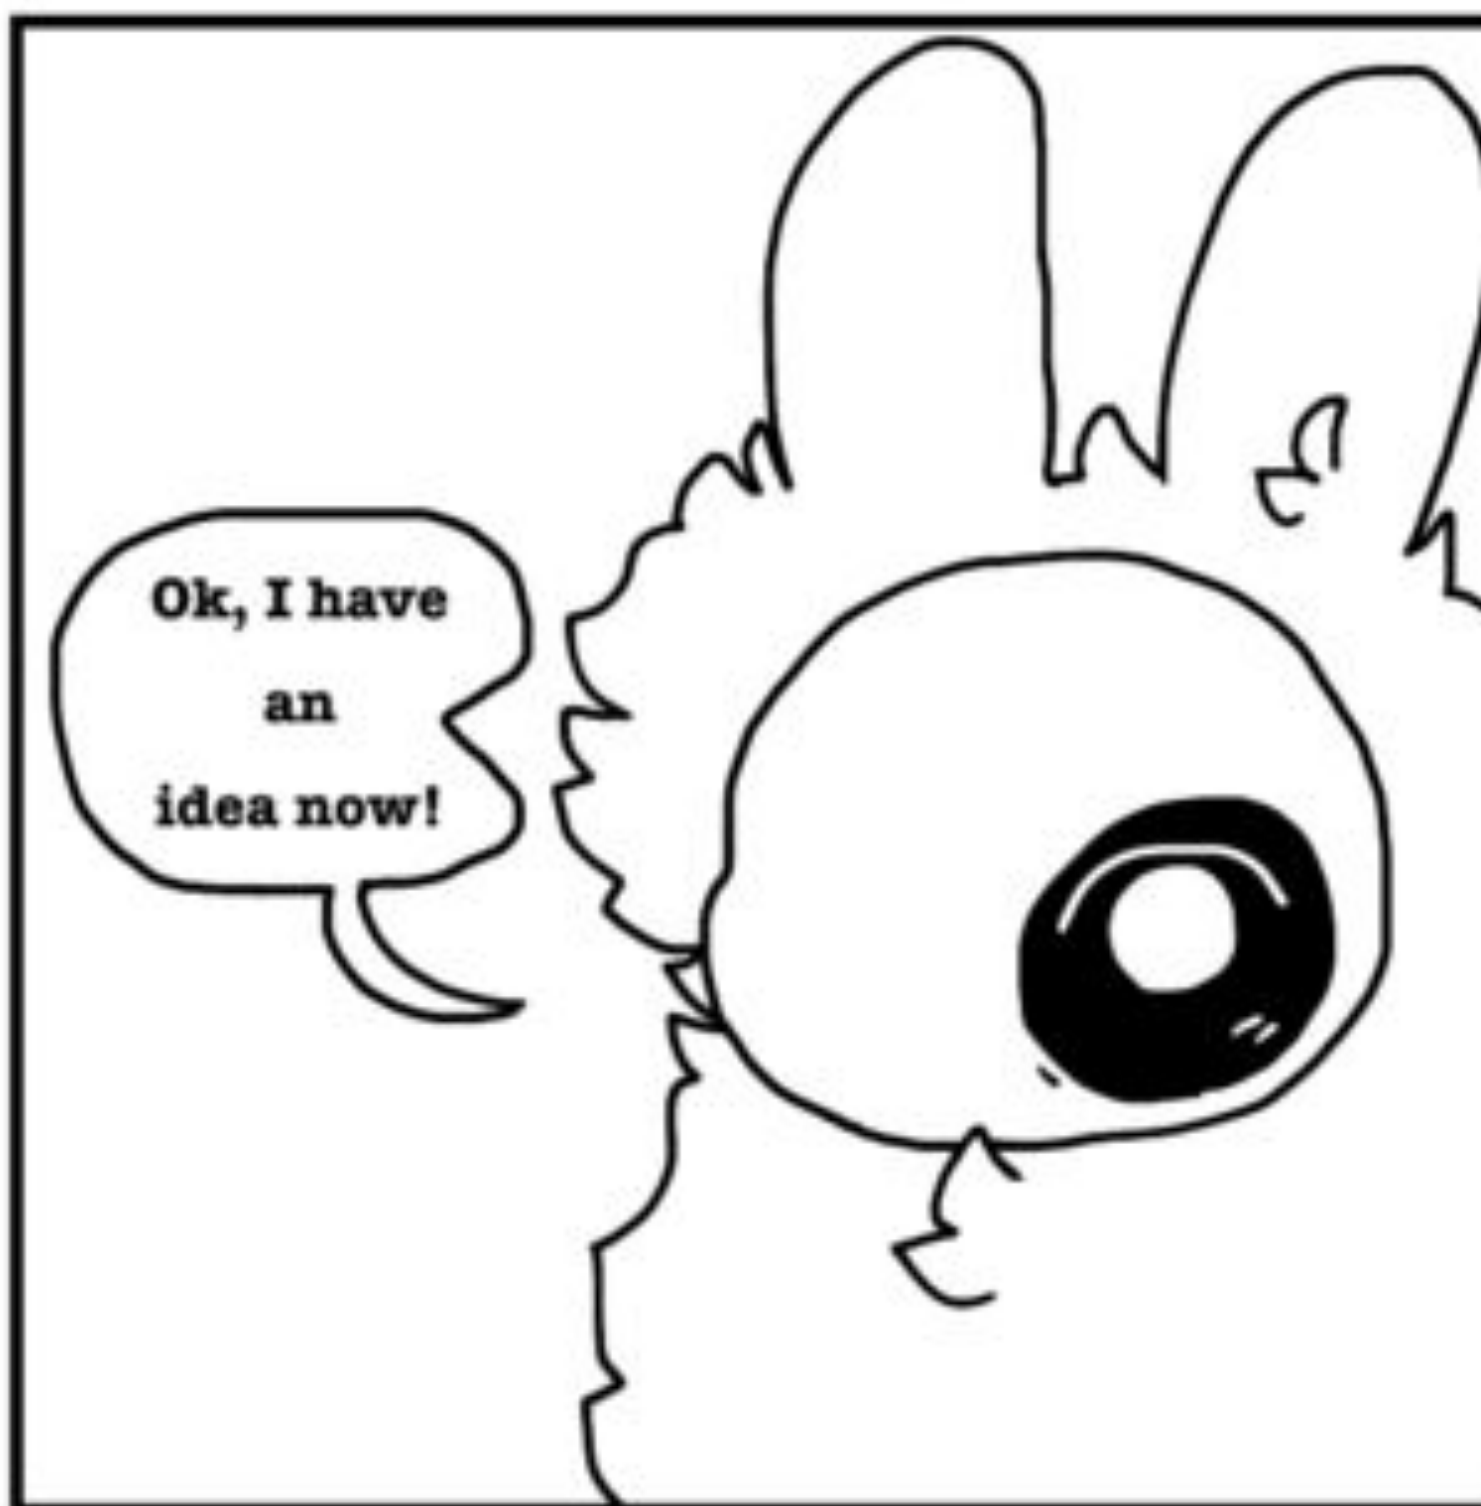

Same...
I hope pebis
is alright..

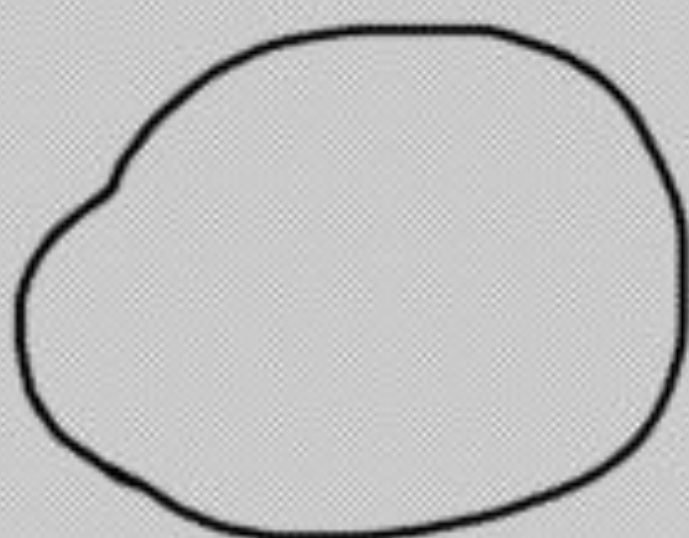

Same...

Once, there was a young guardian. (Me)

I thought this story was about Pebis, not you?

He used to live ^
underground...until

So your species
are like plants?
Wow!

Until humans dug him up!

He eventually found a small
house on a hill for
sale and uhh...

Shit...I need
to remember all
that happened...
Sorry..

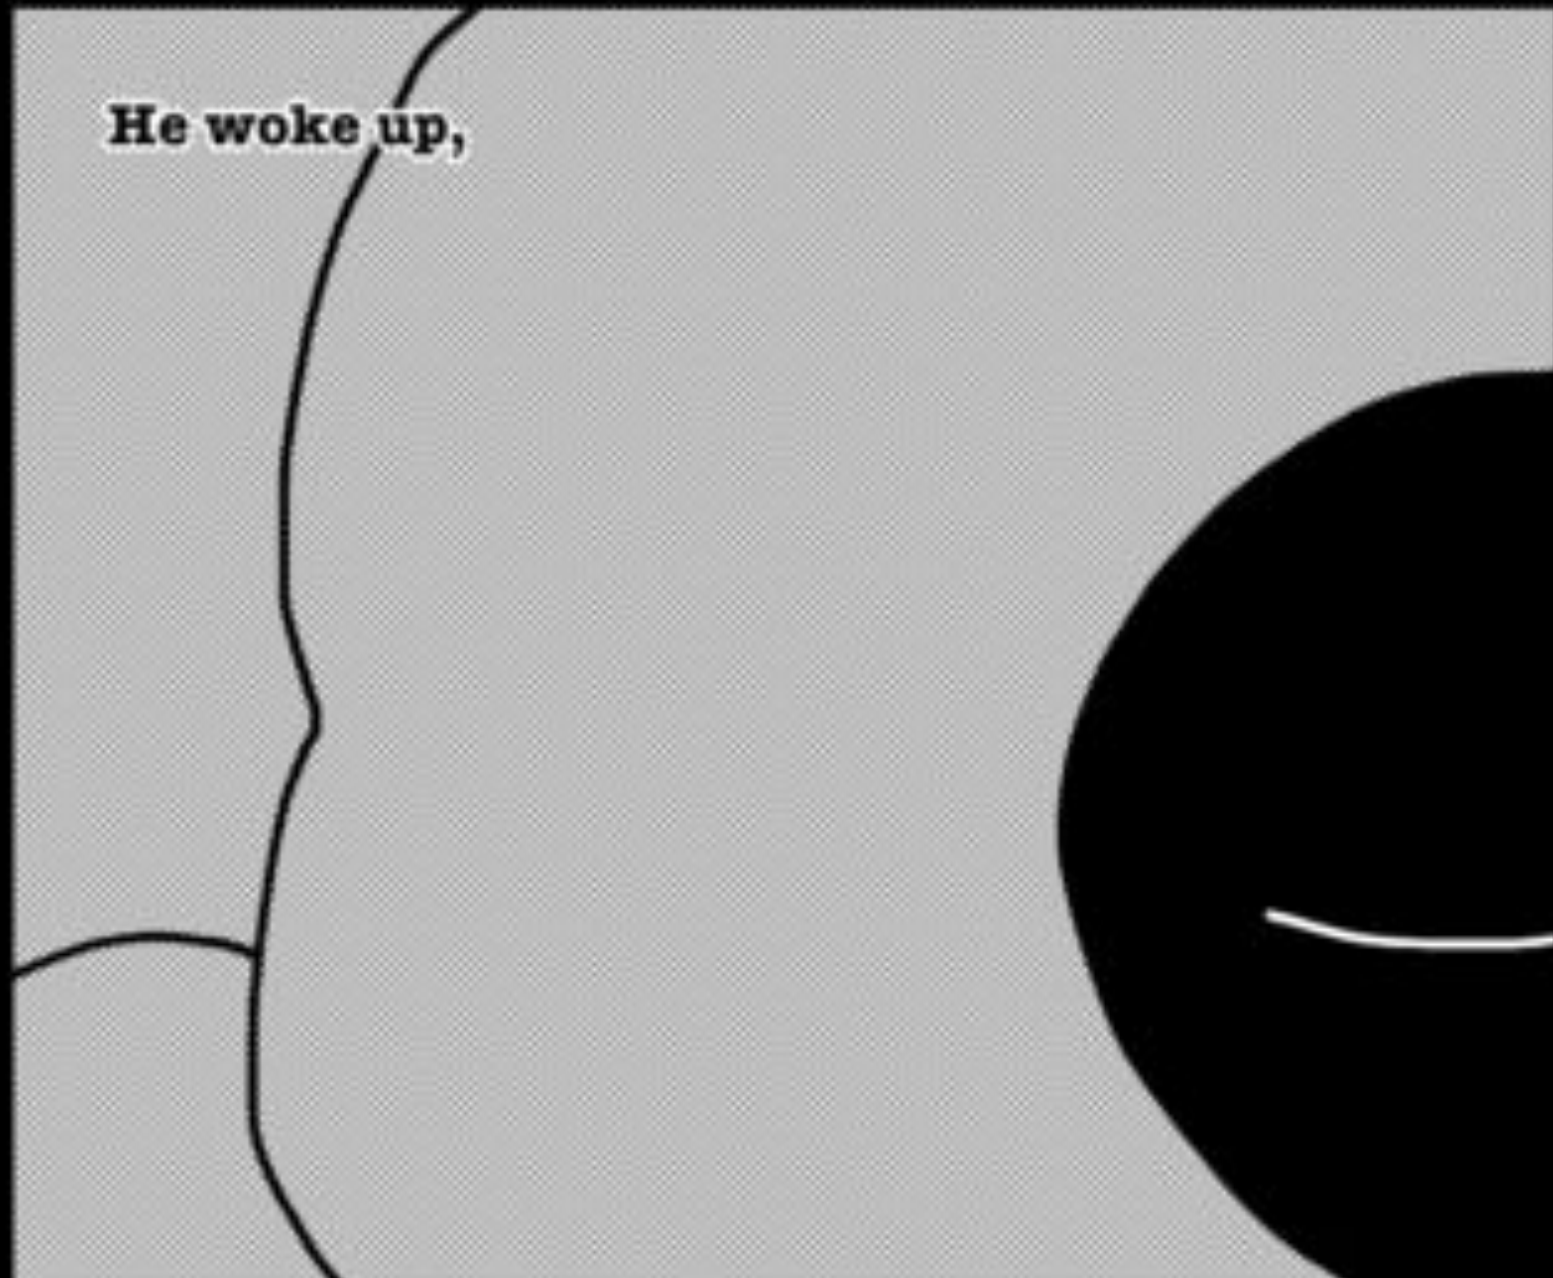

Oh! I
remember now!

Ah, it's fine!

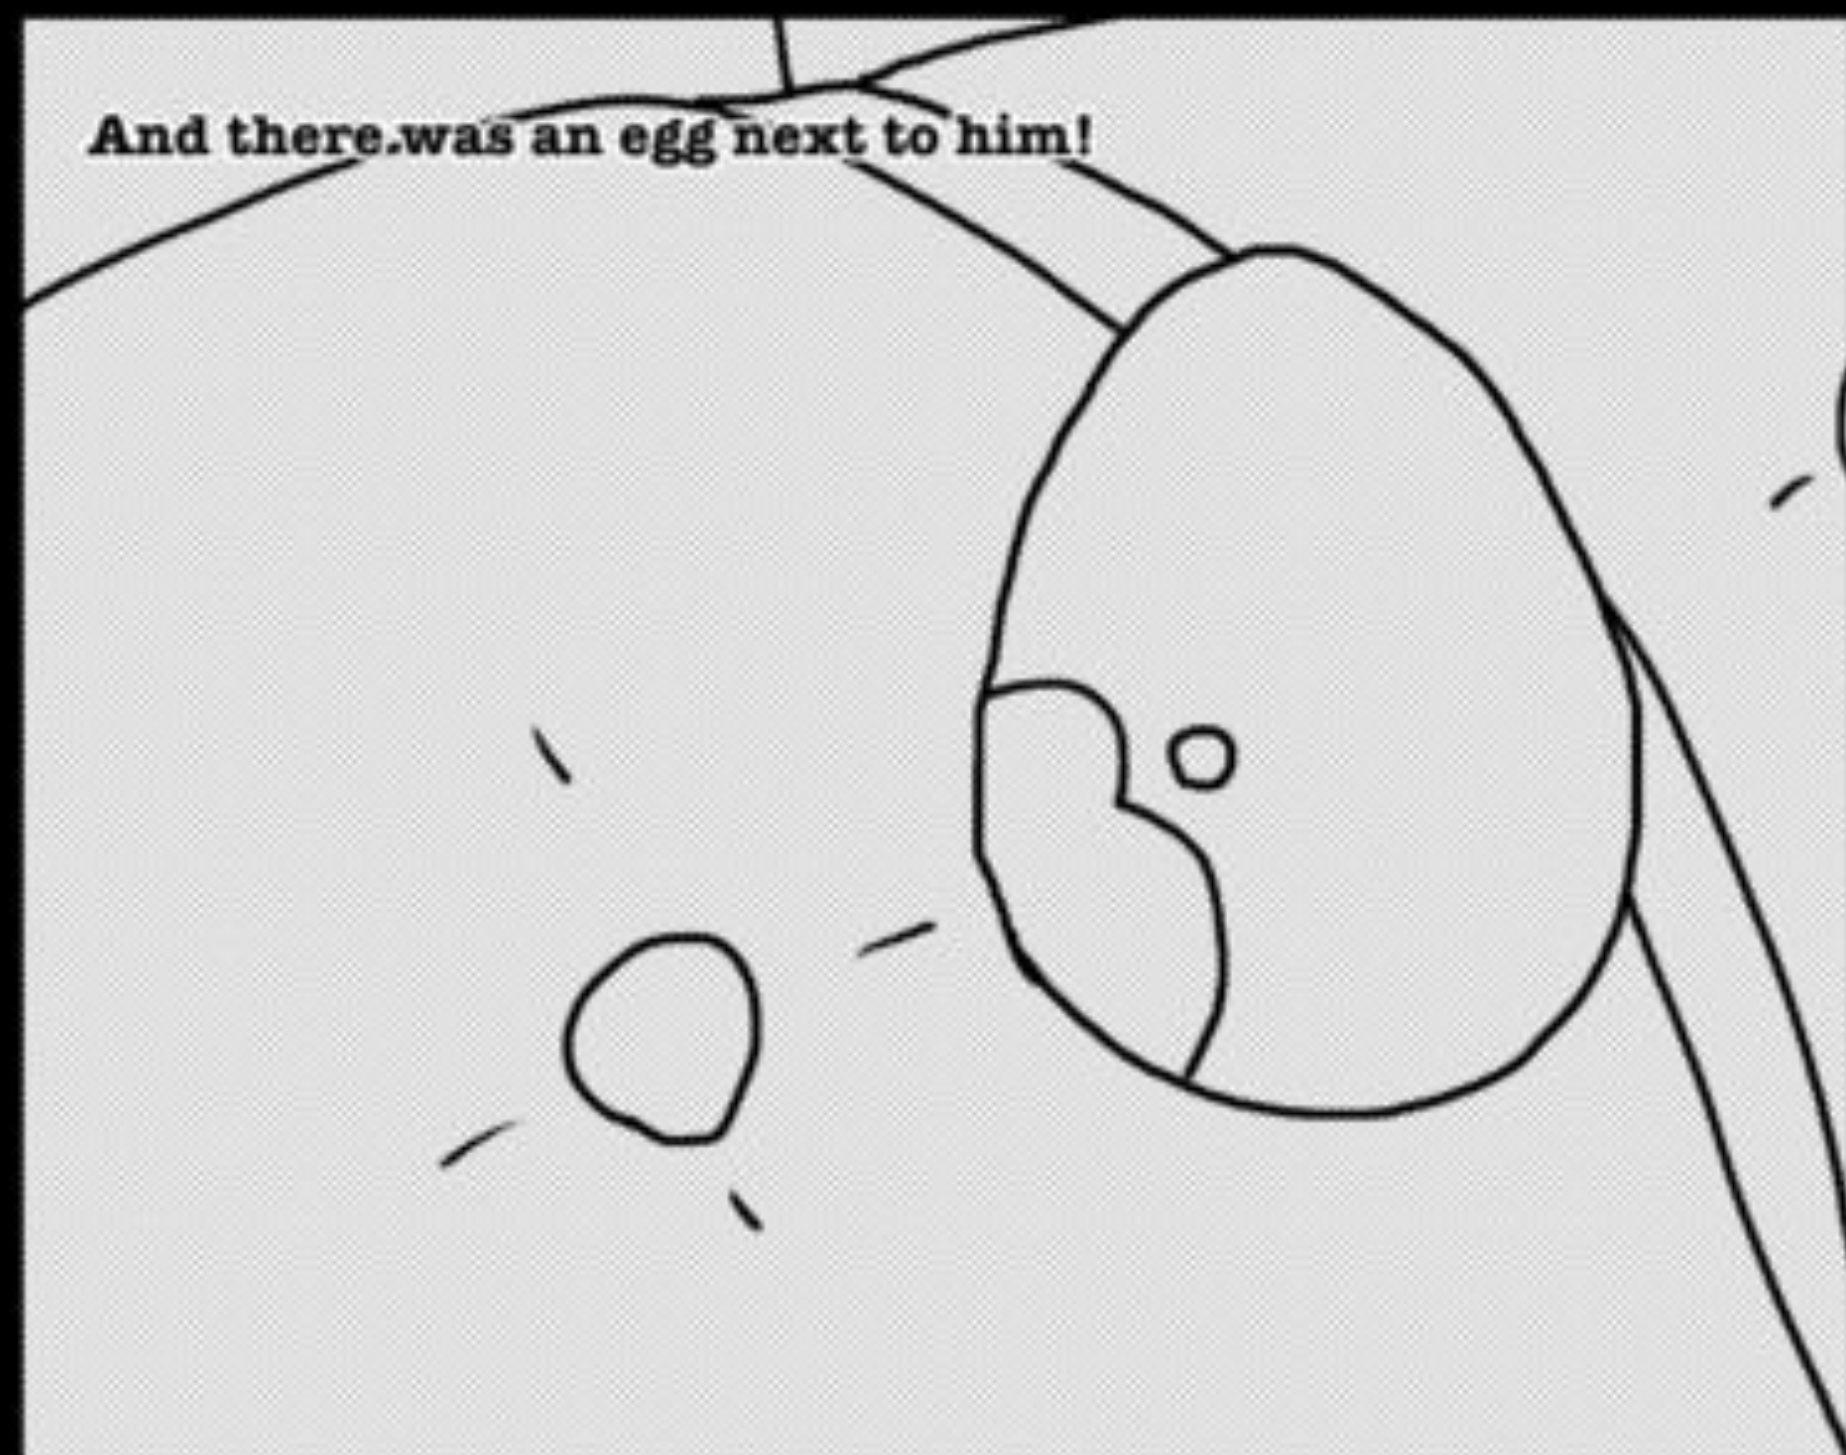

One day...while he was sleeping..

He woke up,

And there was an egg next to him!

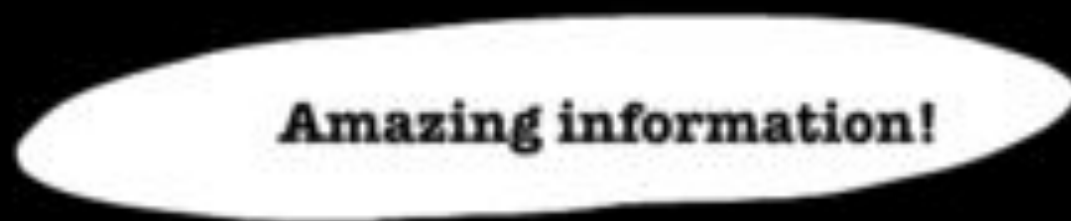

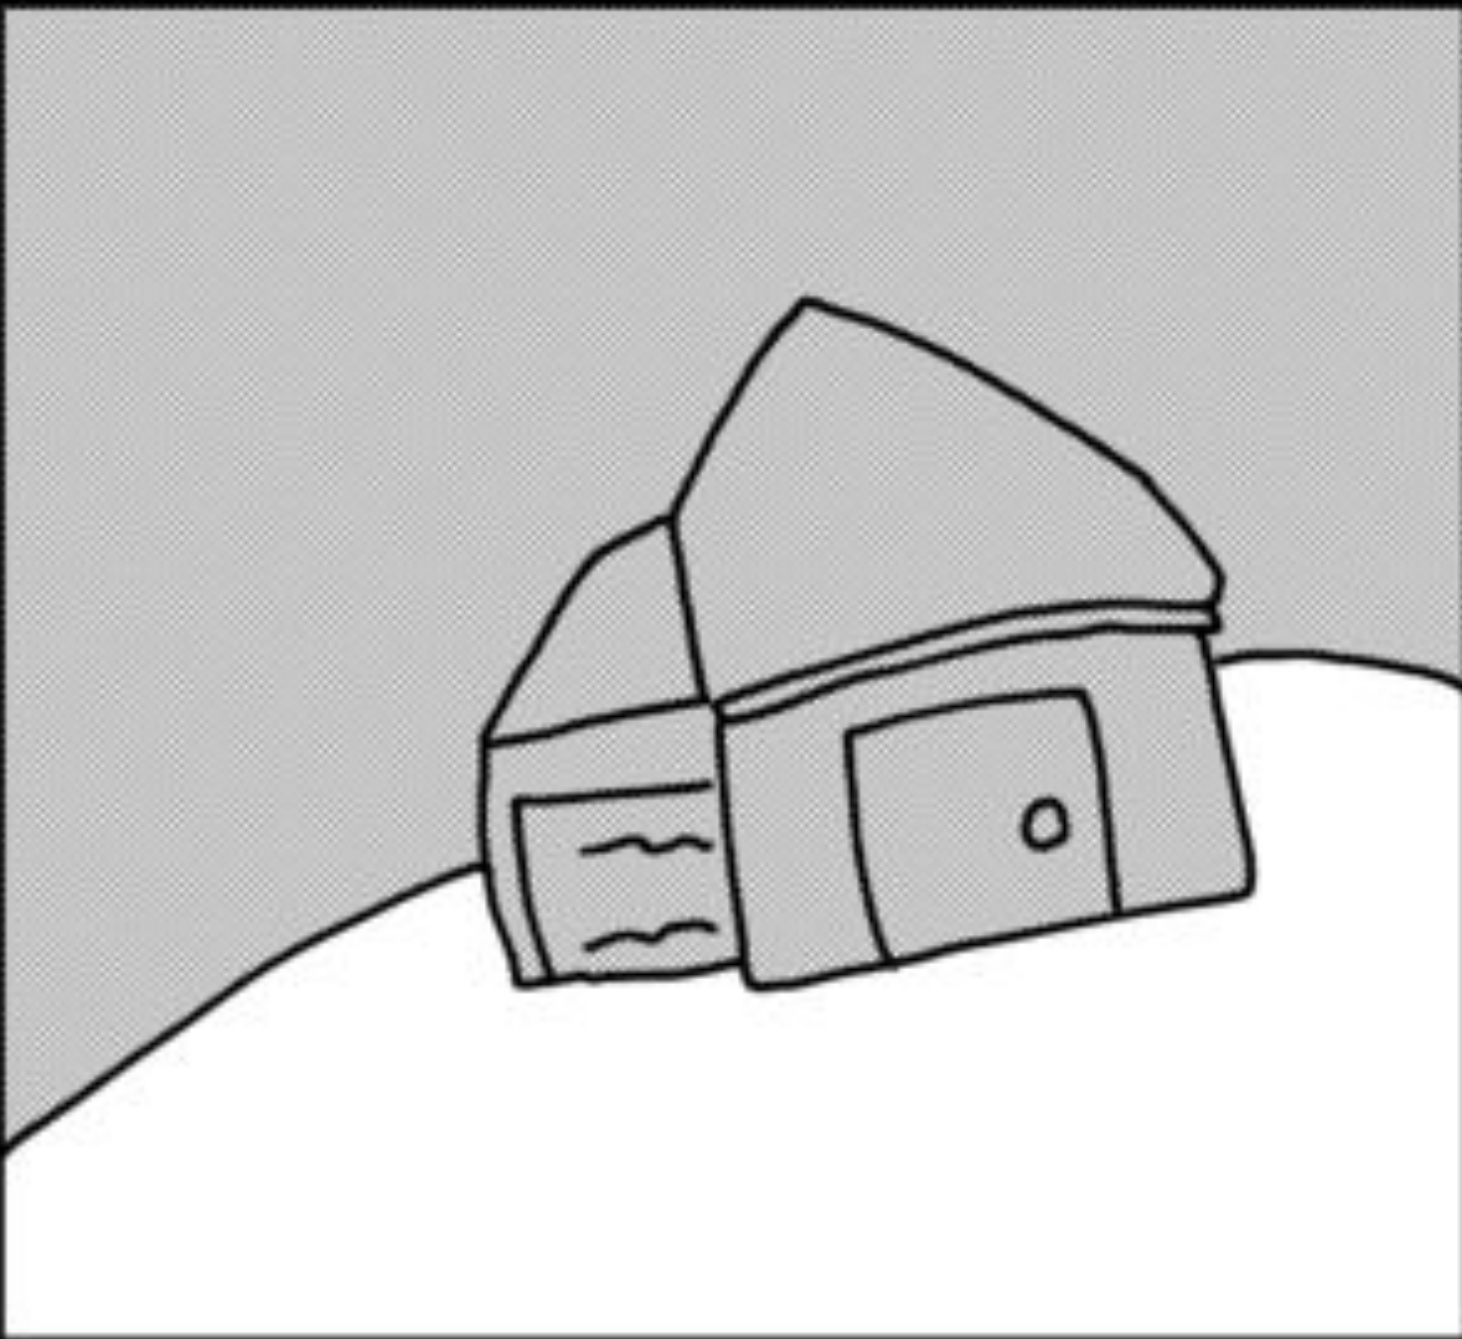

PEBIS CAME
FROM AN EGG?!?!

Yep!

Amazing information!

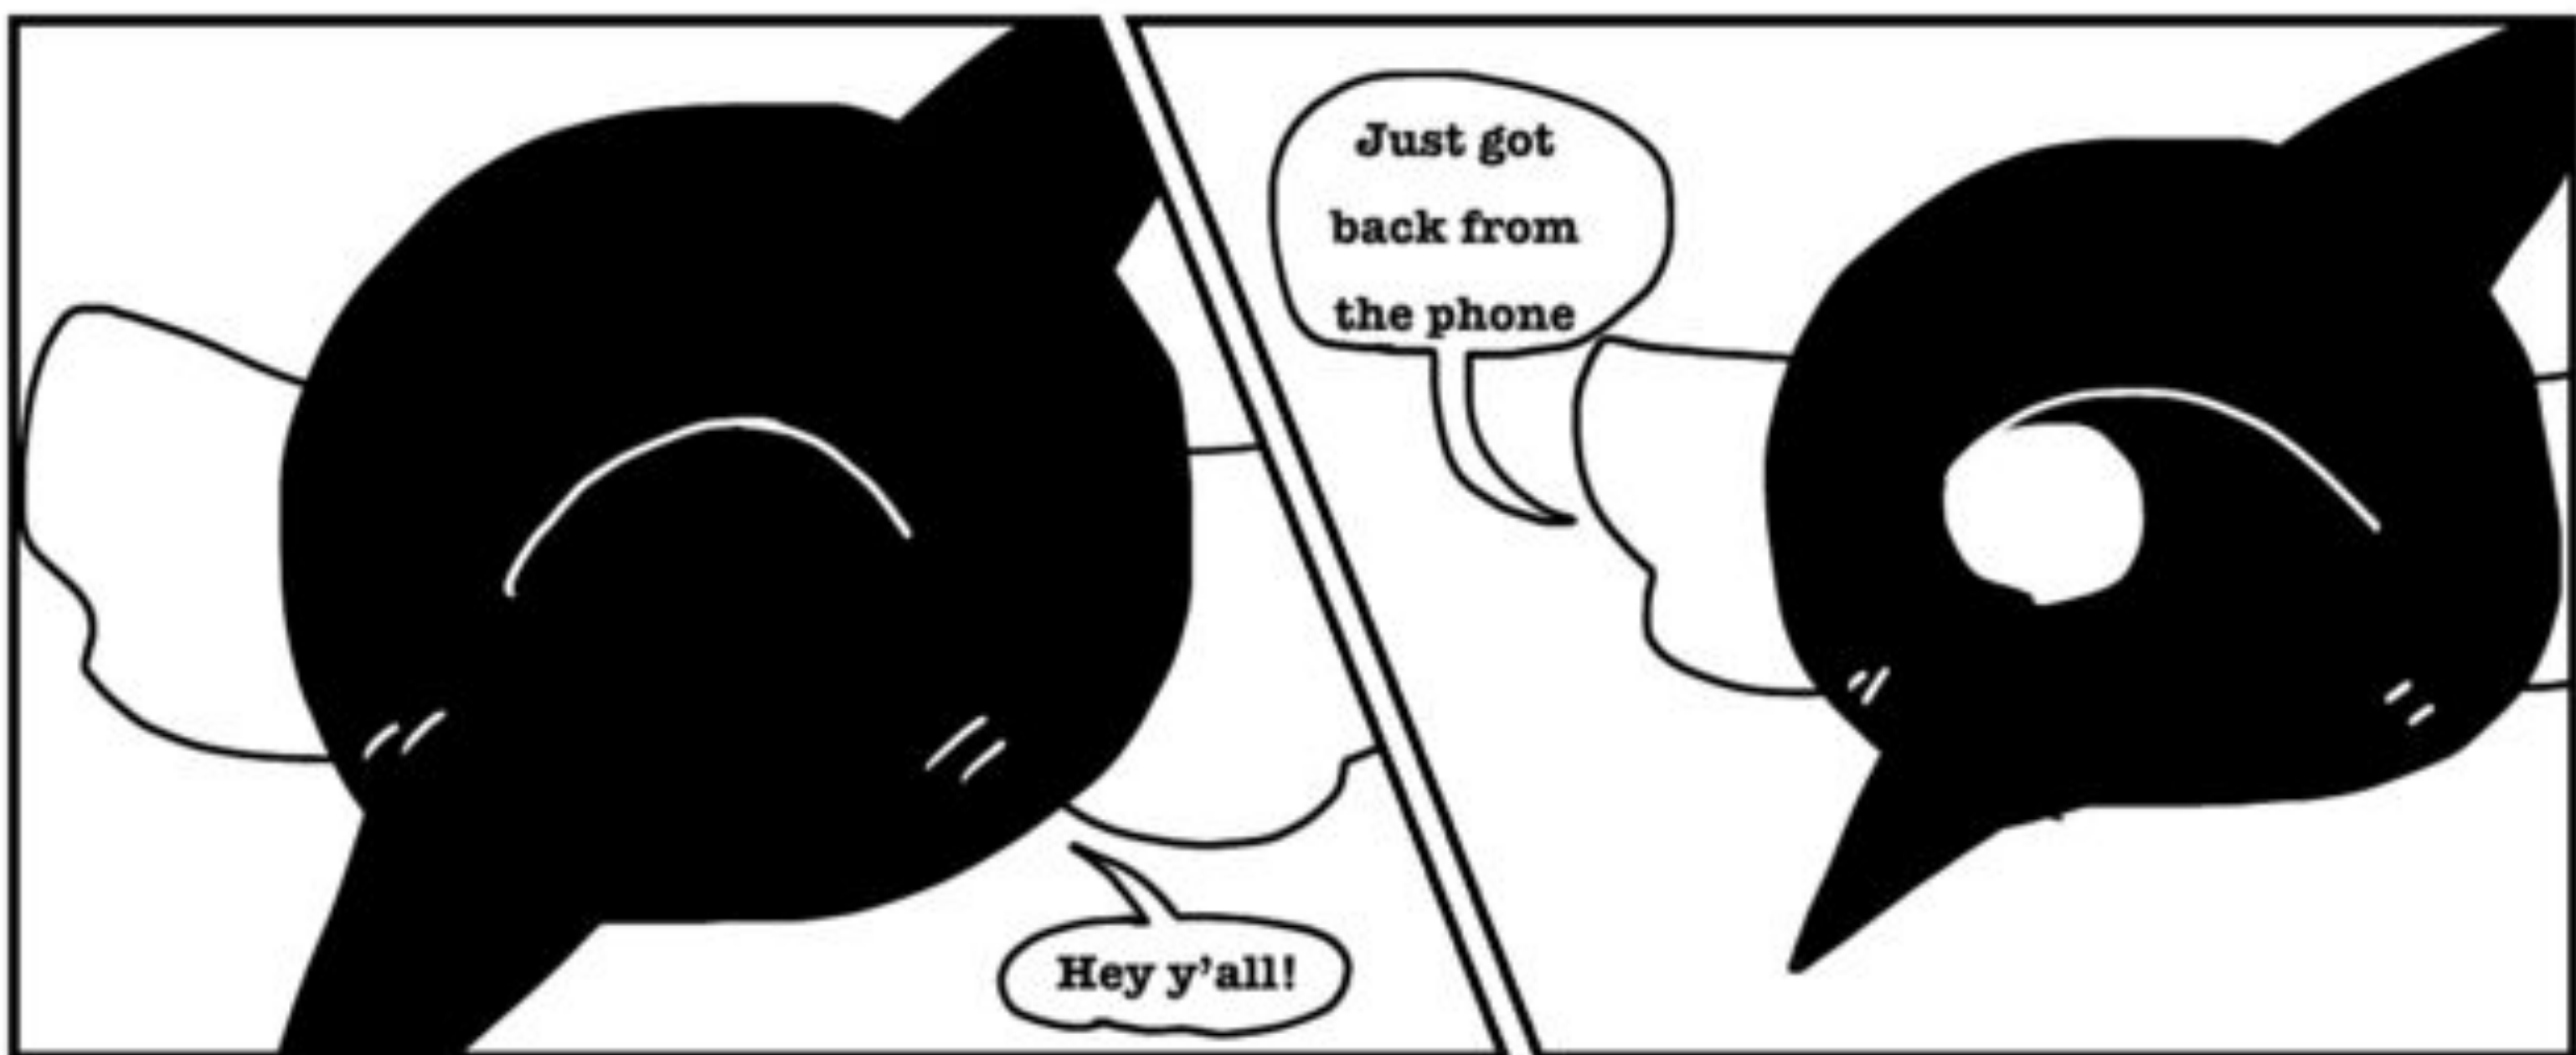

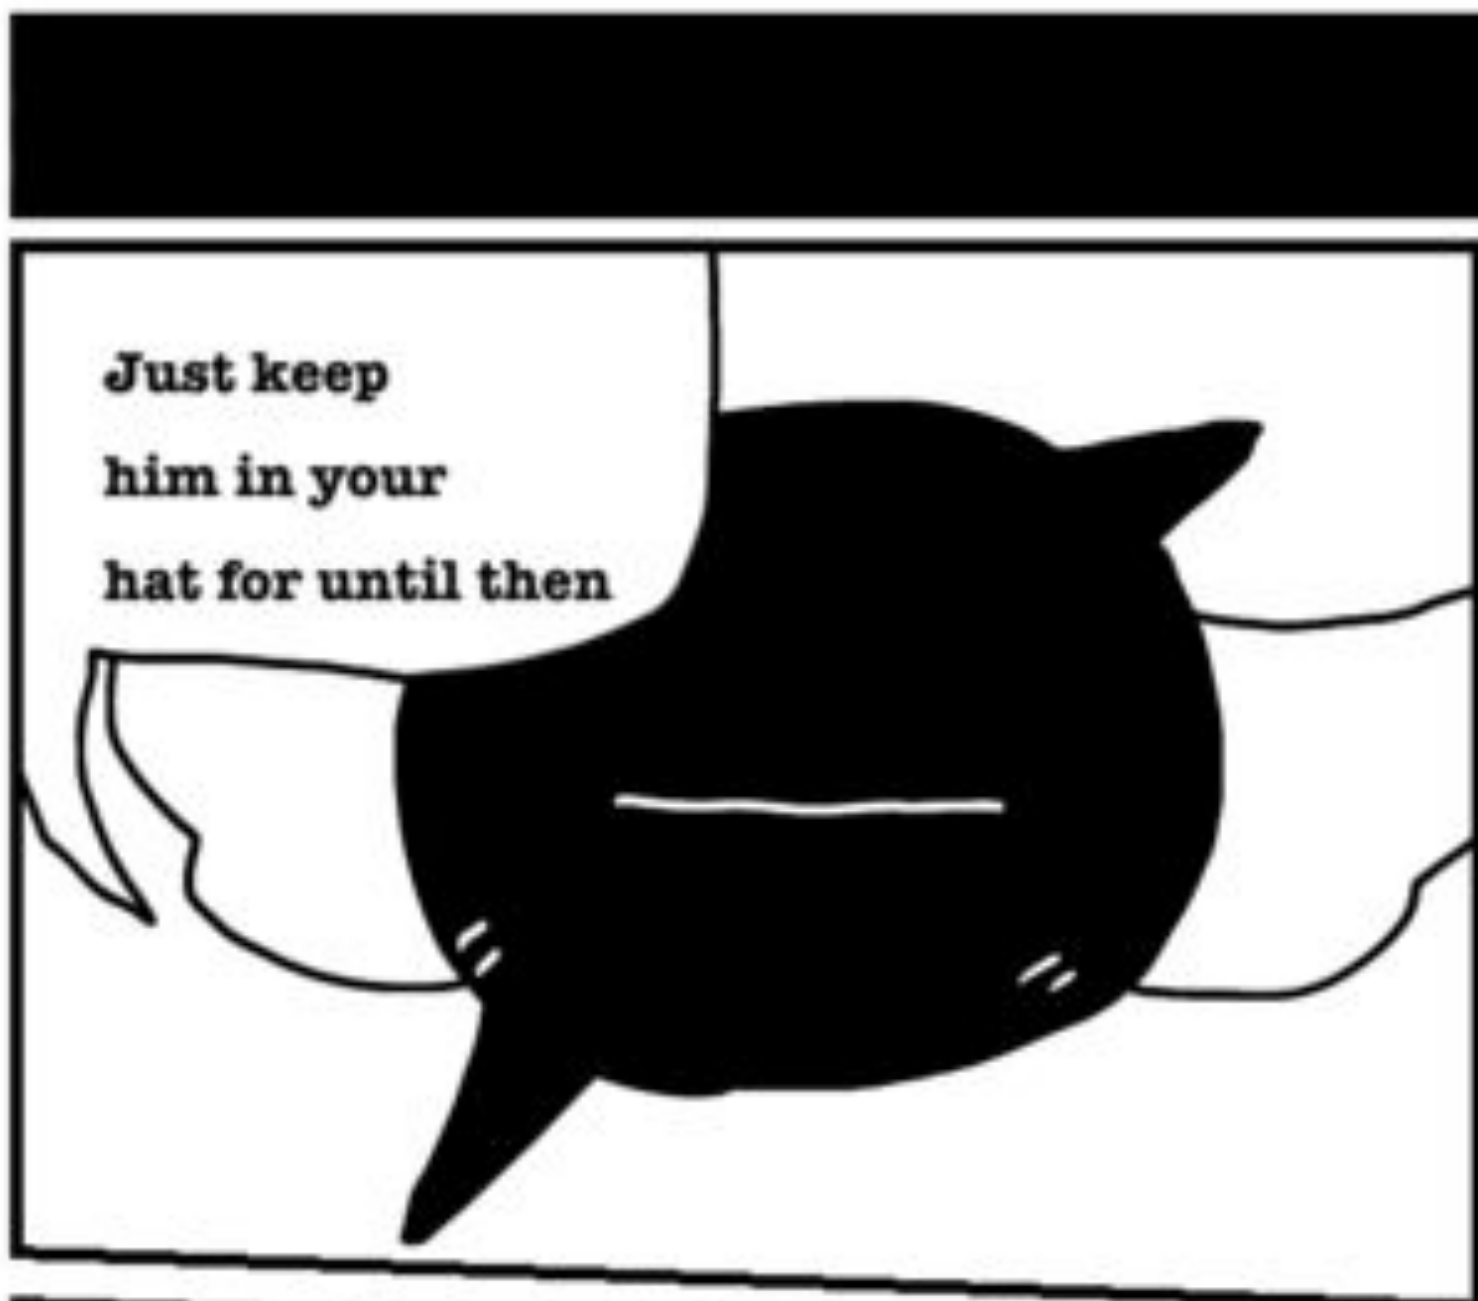

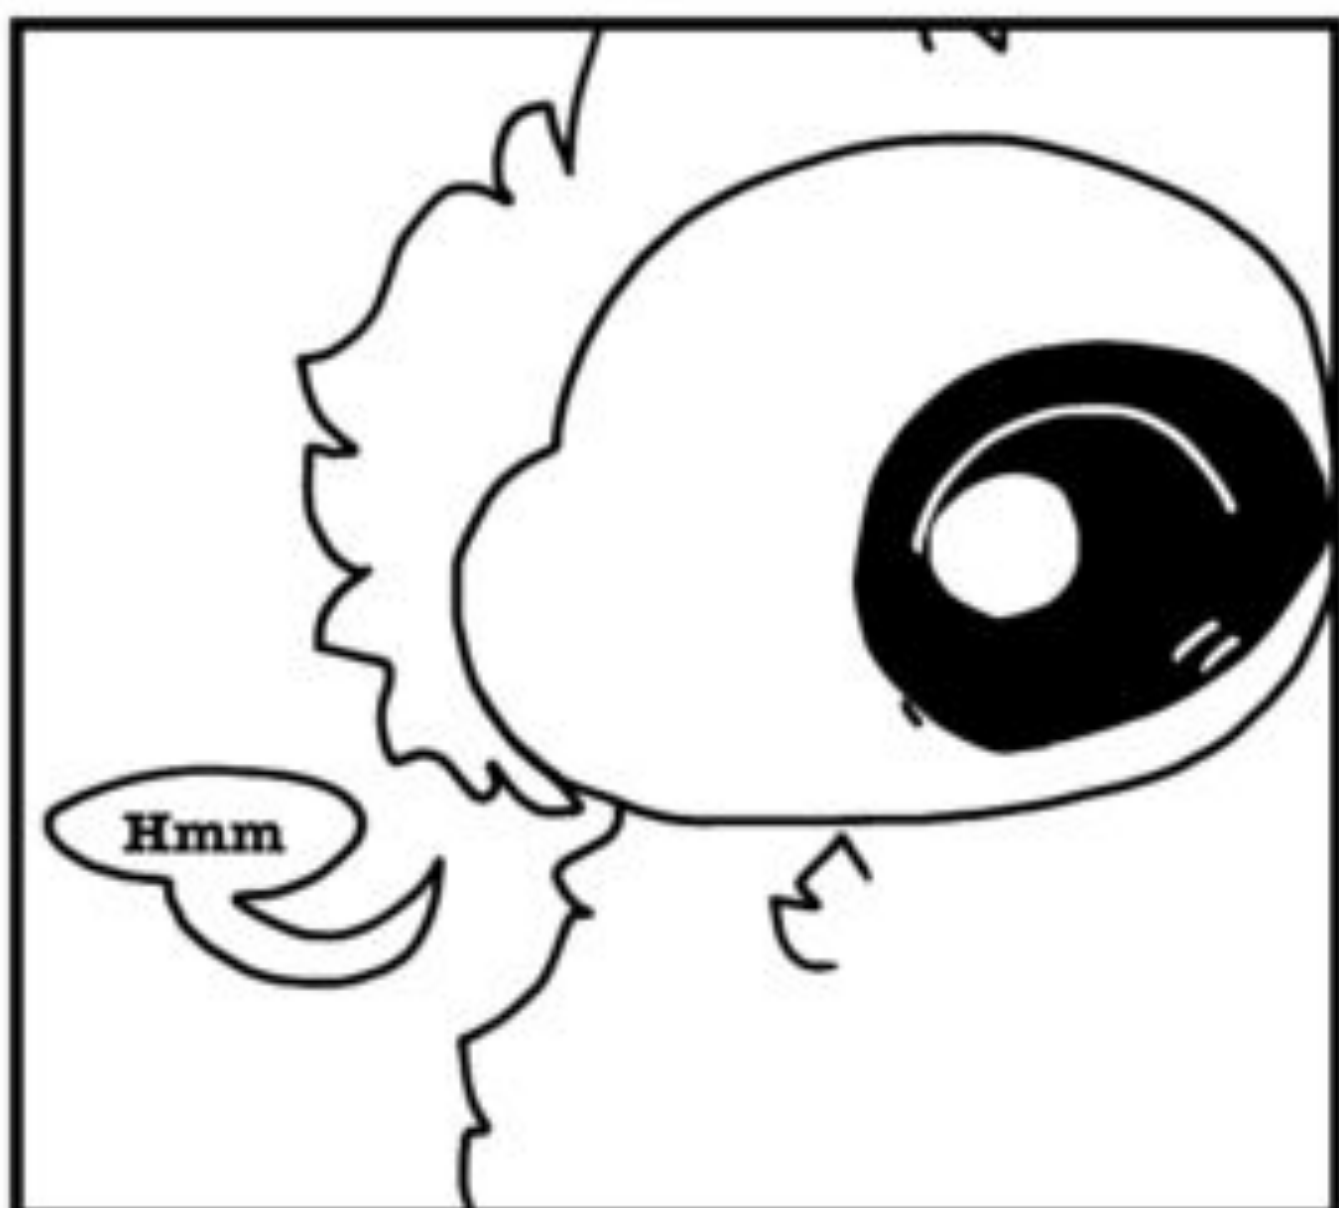

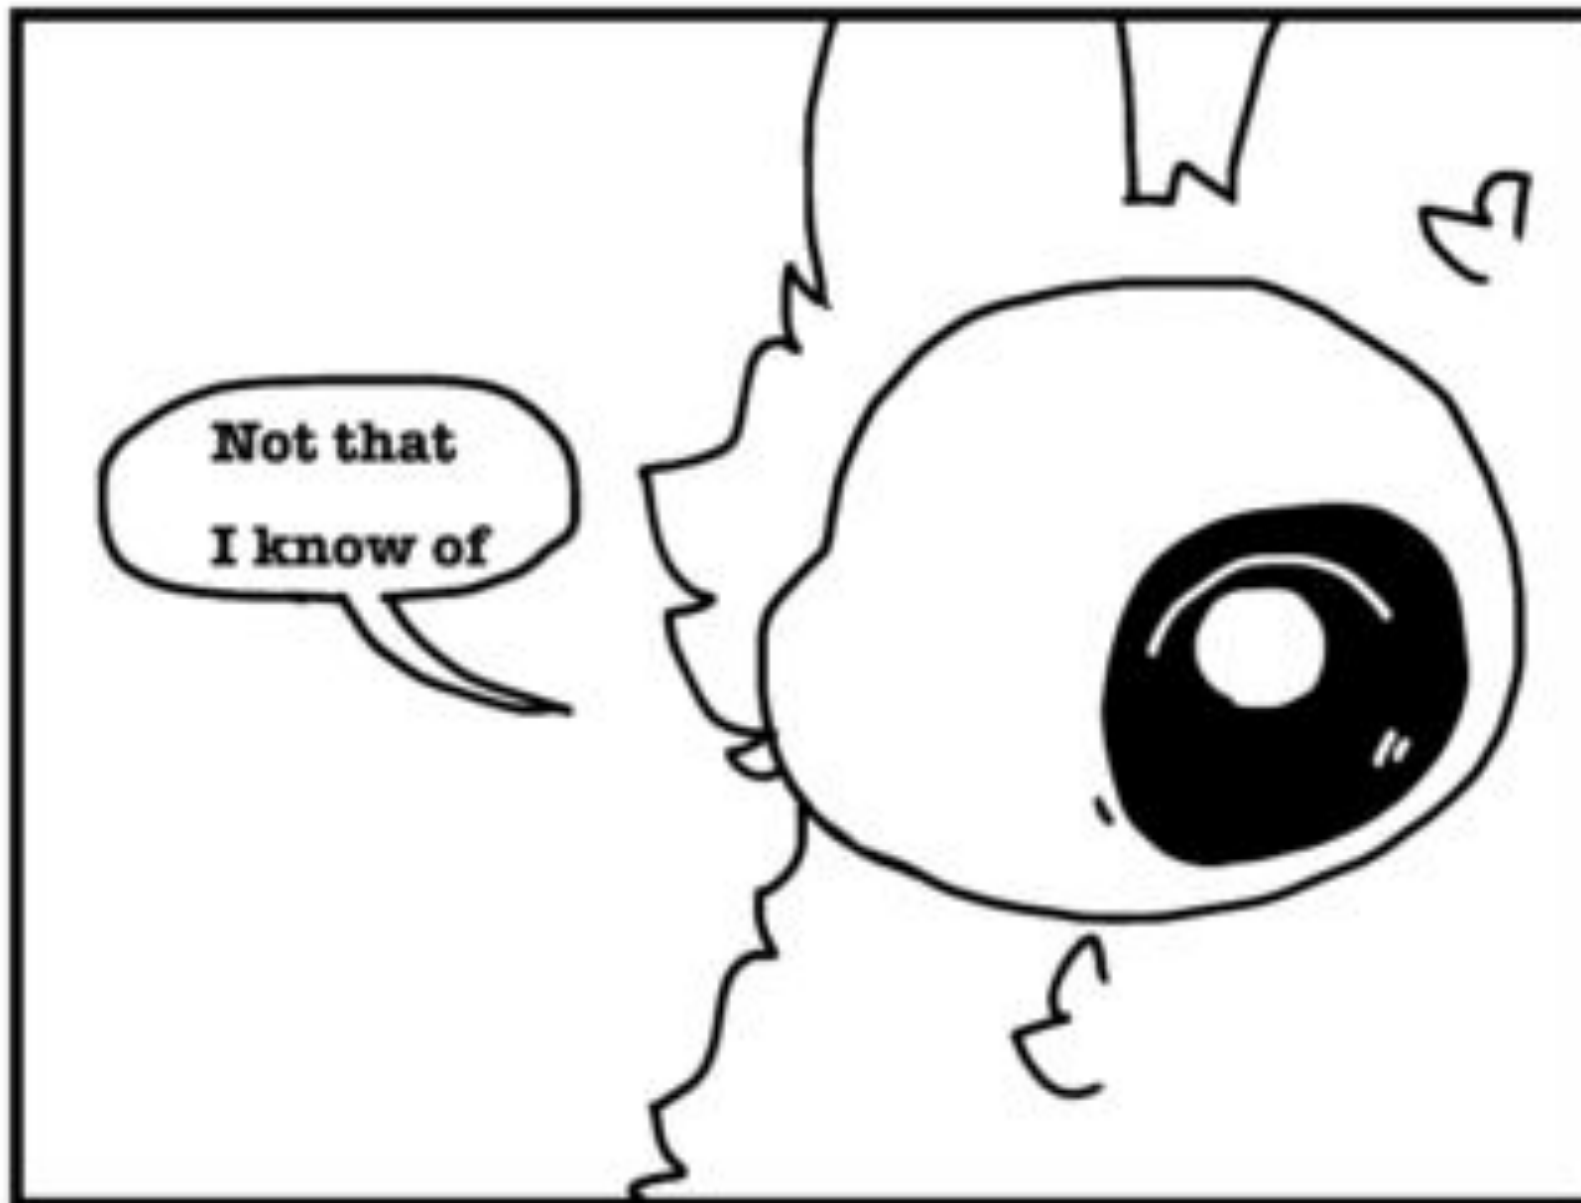

So that's where Pebis came from!

Huh!

Yup!

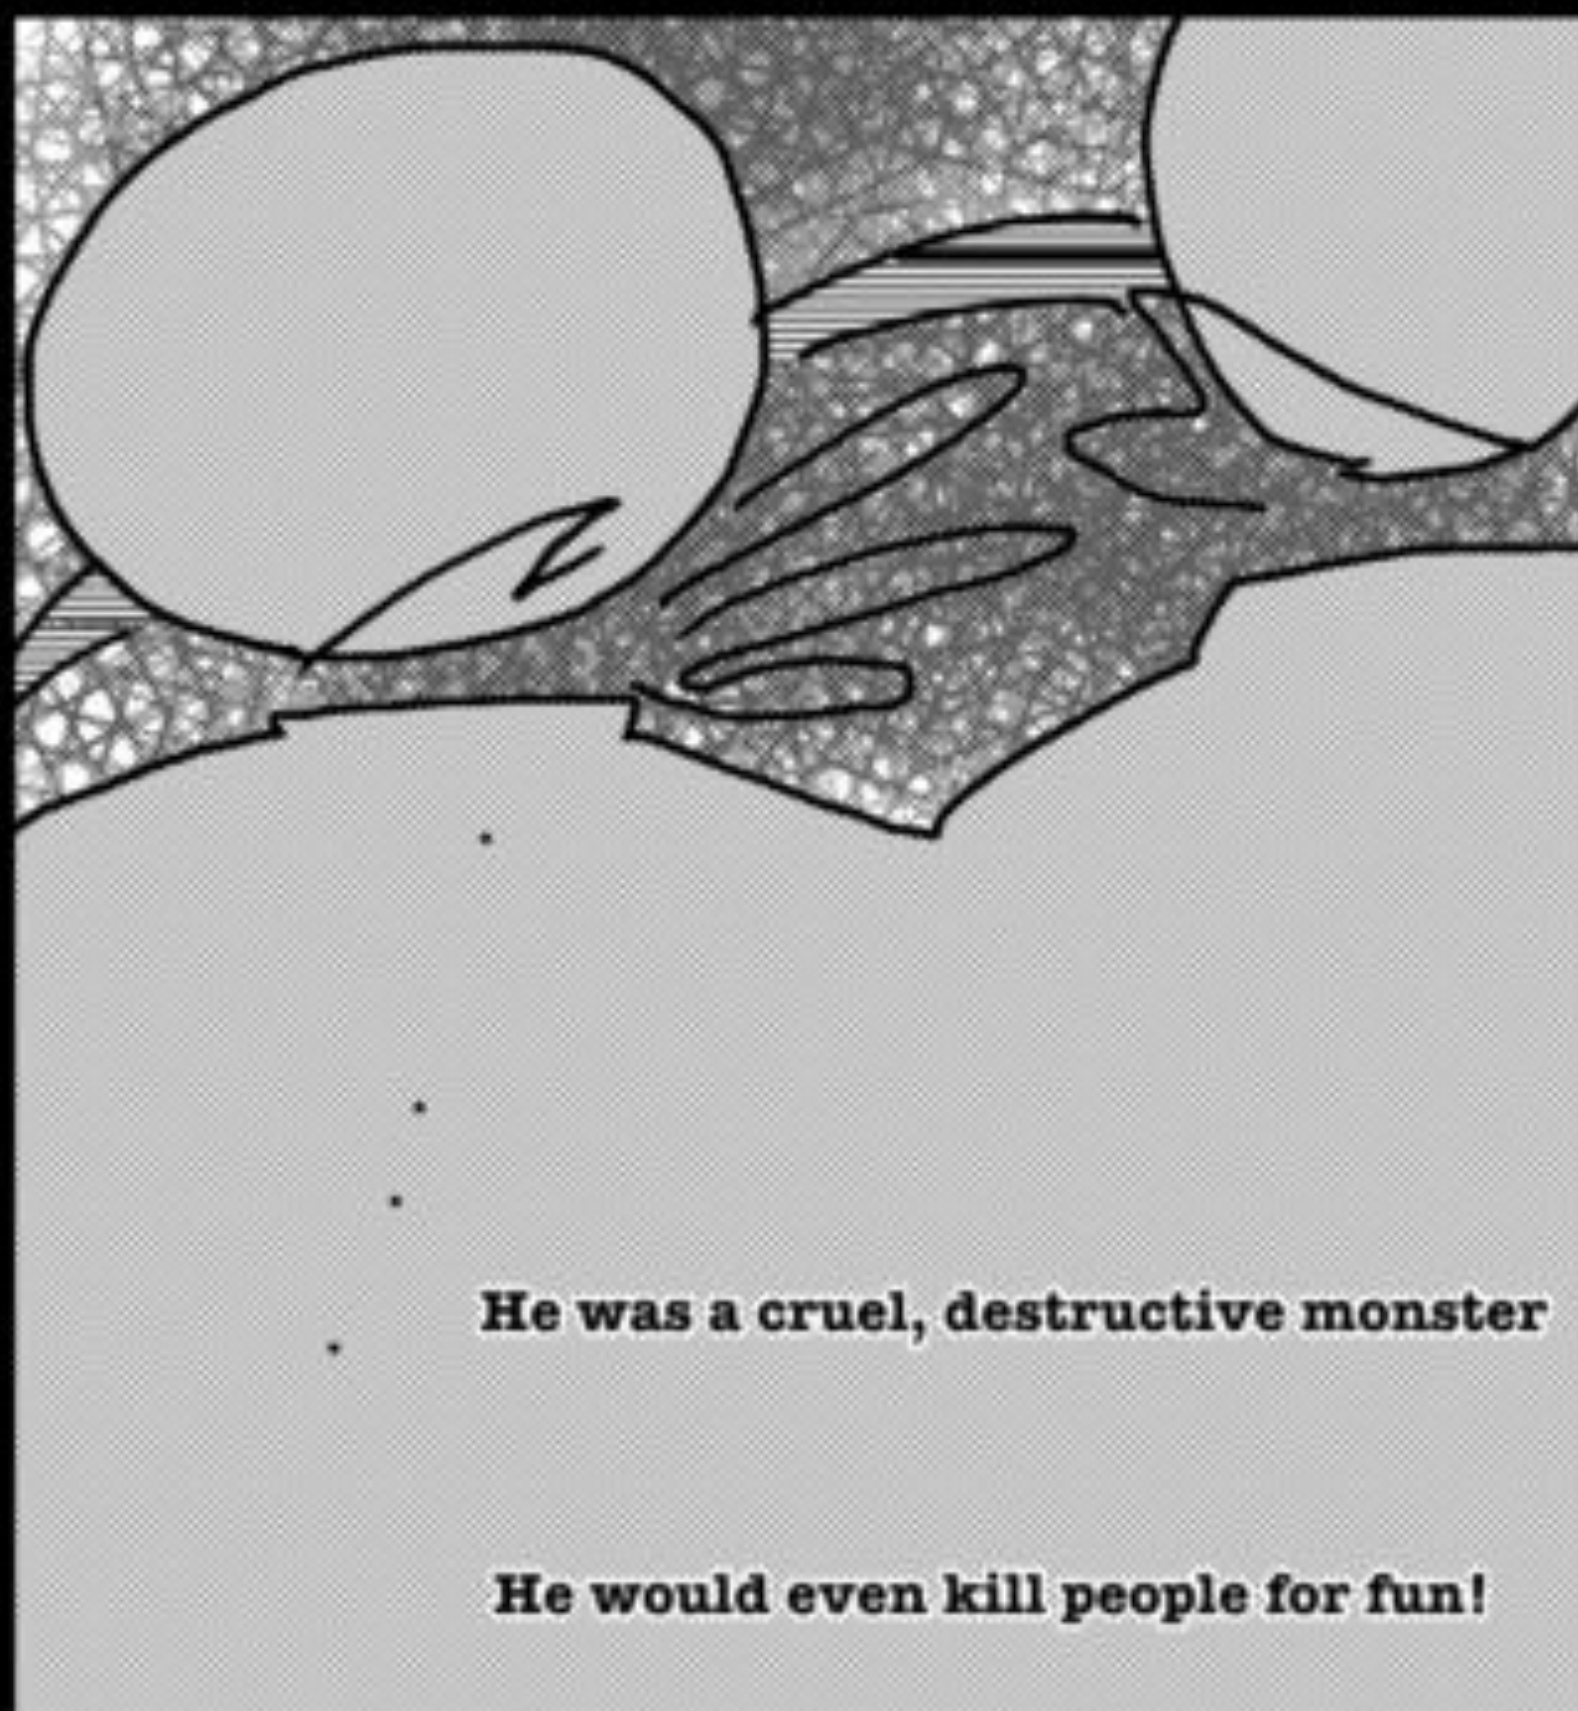

Once upon a time...

There was a monster
named calamity

He was a monster like me...
A guardian

He was a cruel, destructive monster

He would even kill people for fun!

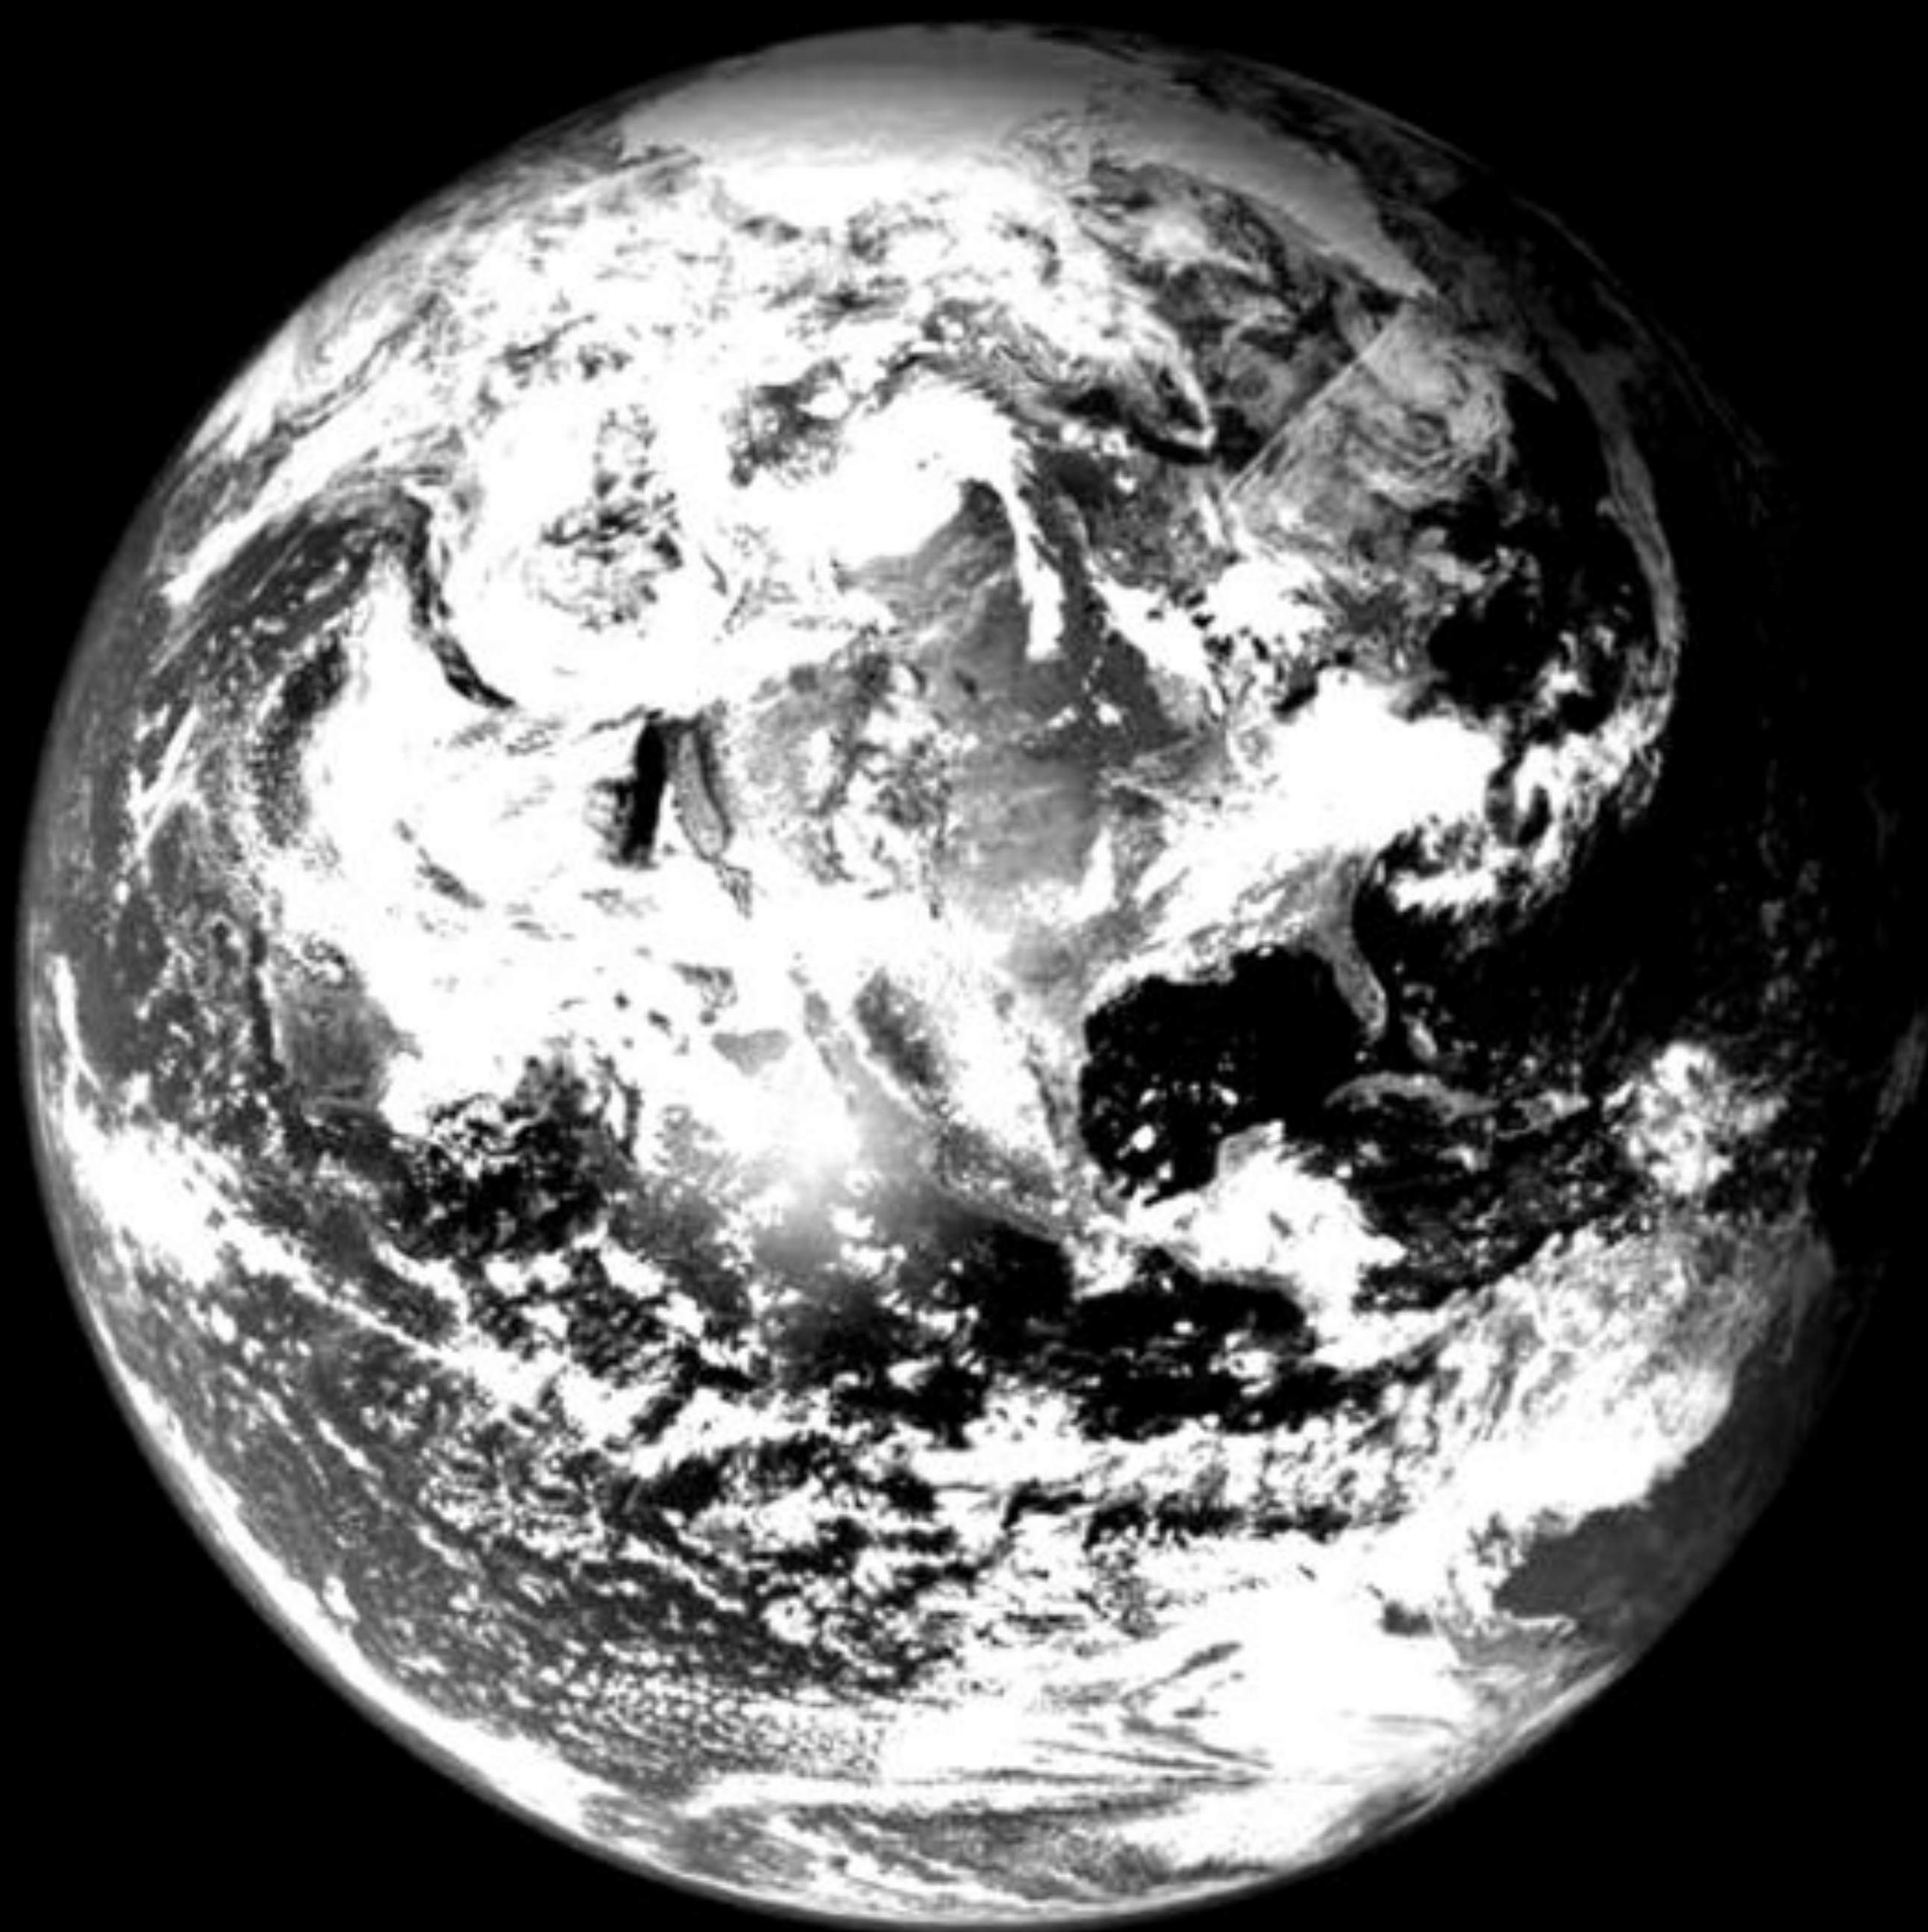

Until

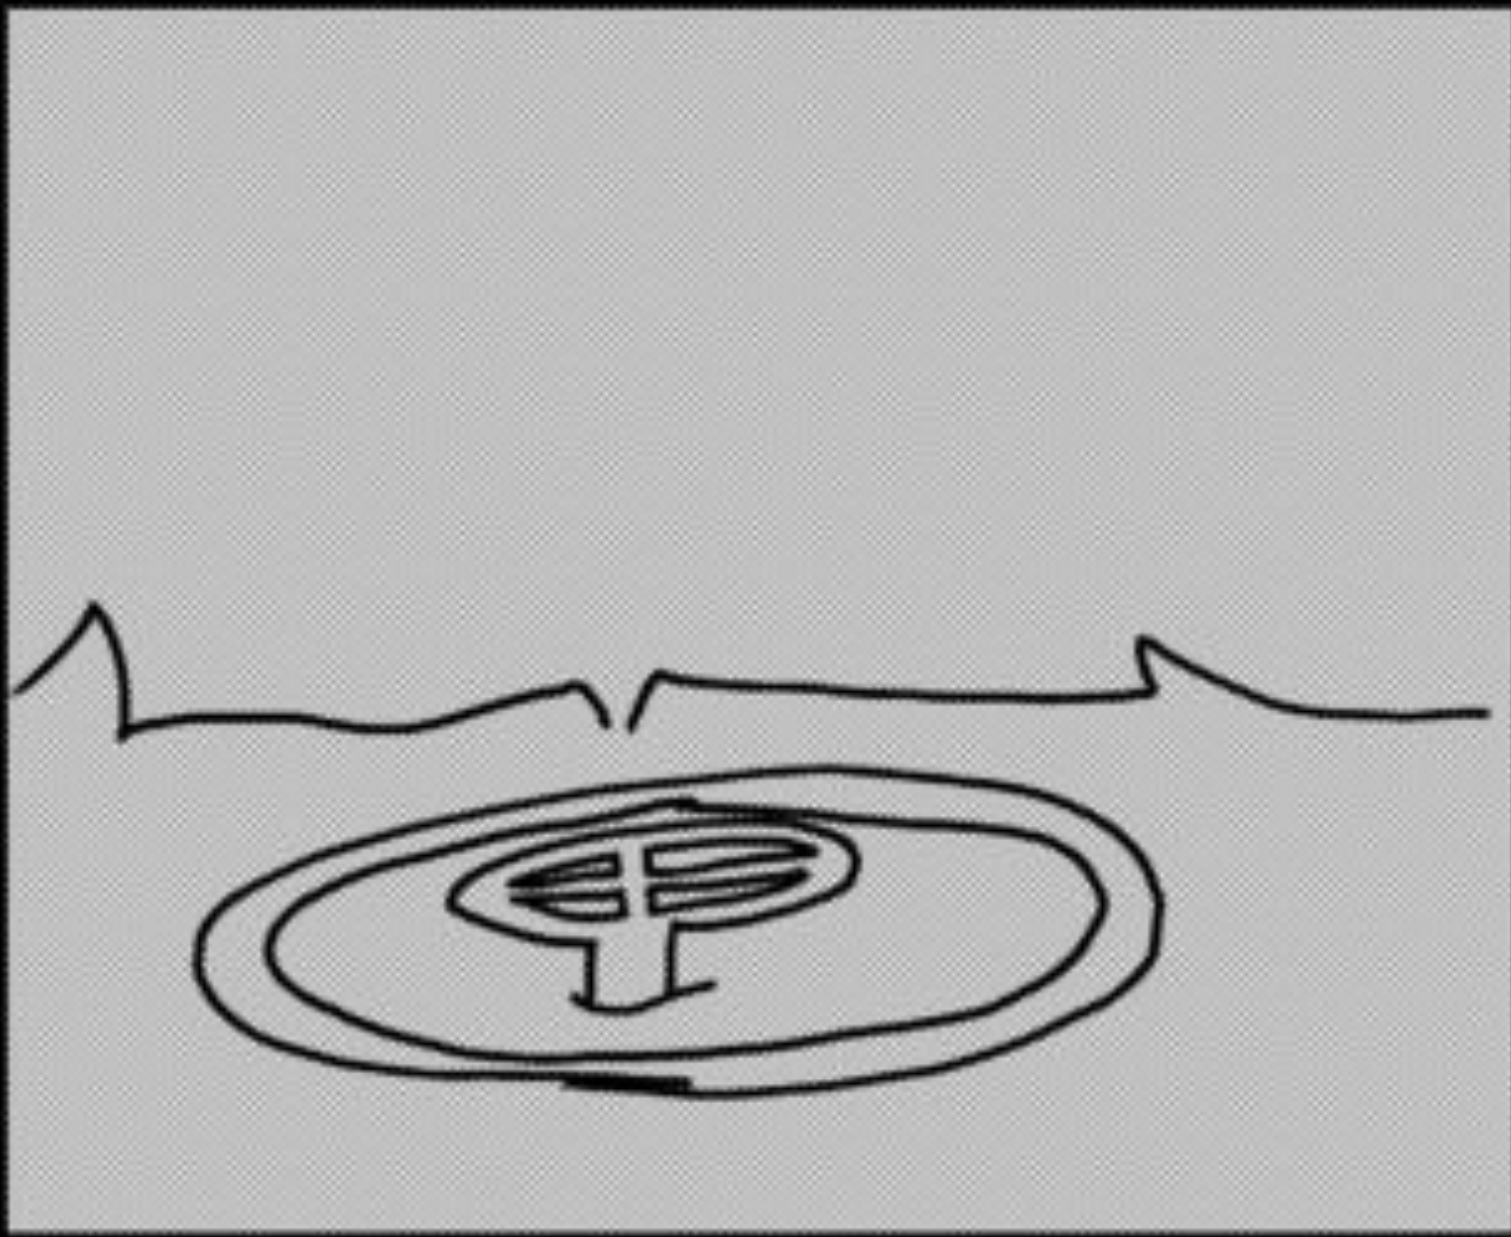

He got killed by a monster named
"Curator"

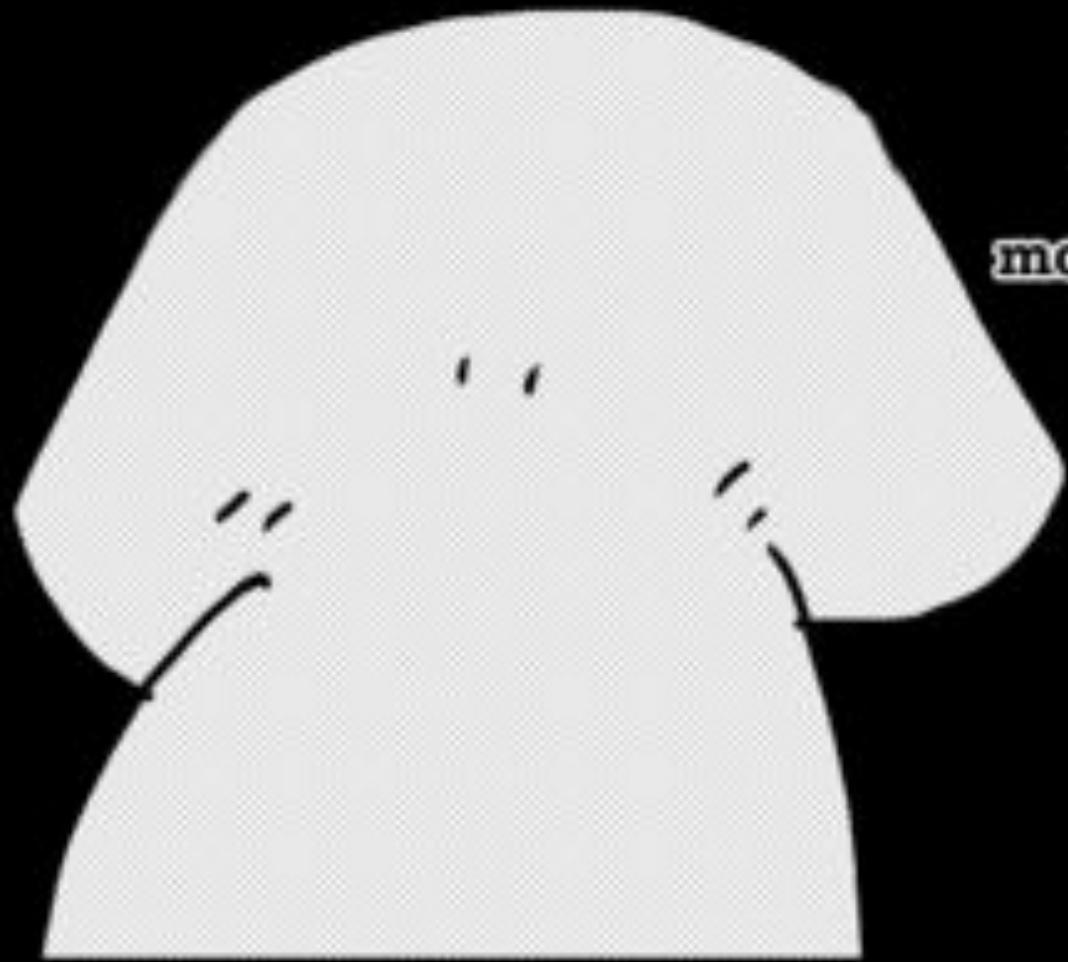

And on that day...

The world died with him...

some humans
couldn't get into
a bunker in time...

they either
died, or became
monsters themselves

The world
shortly went
black & white
after this

Everything eventually calmed down...
but nothing was the same

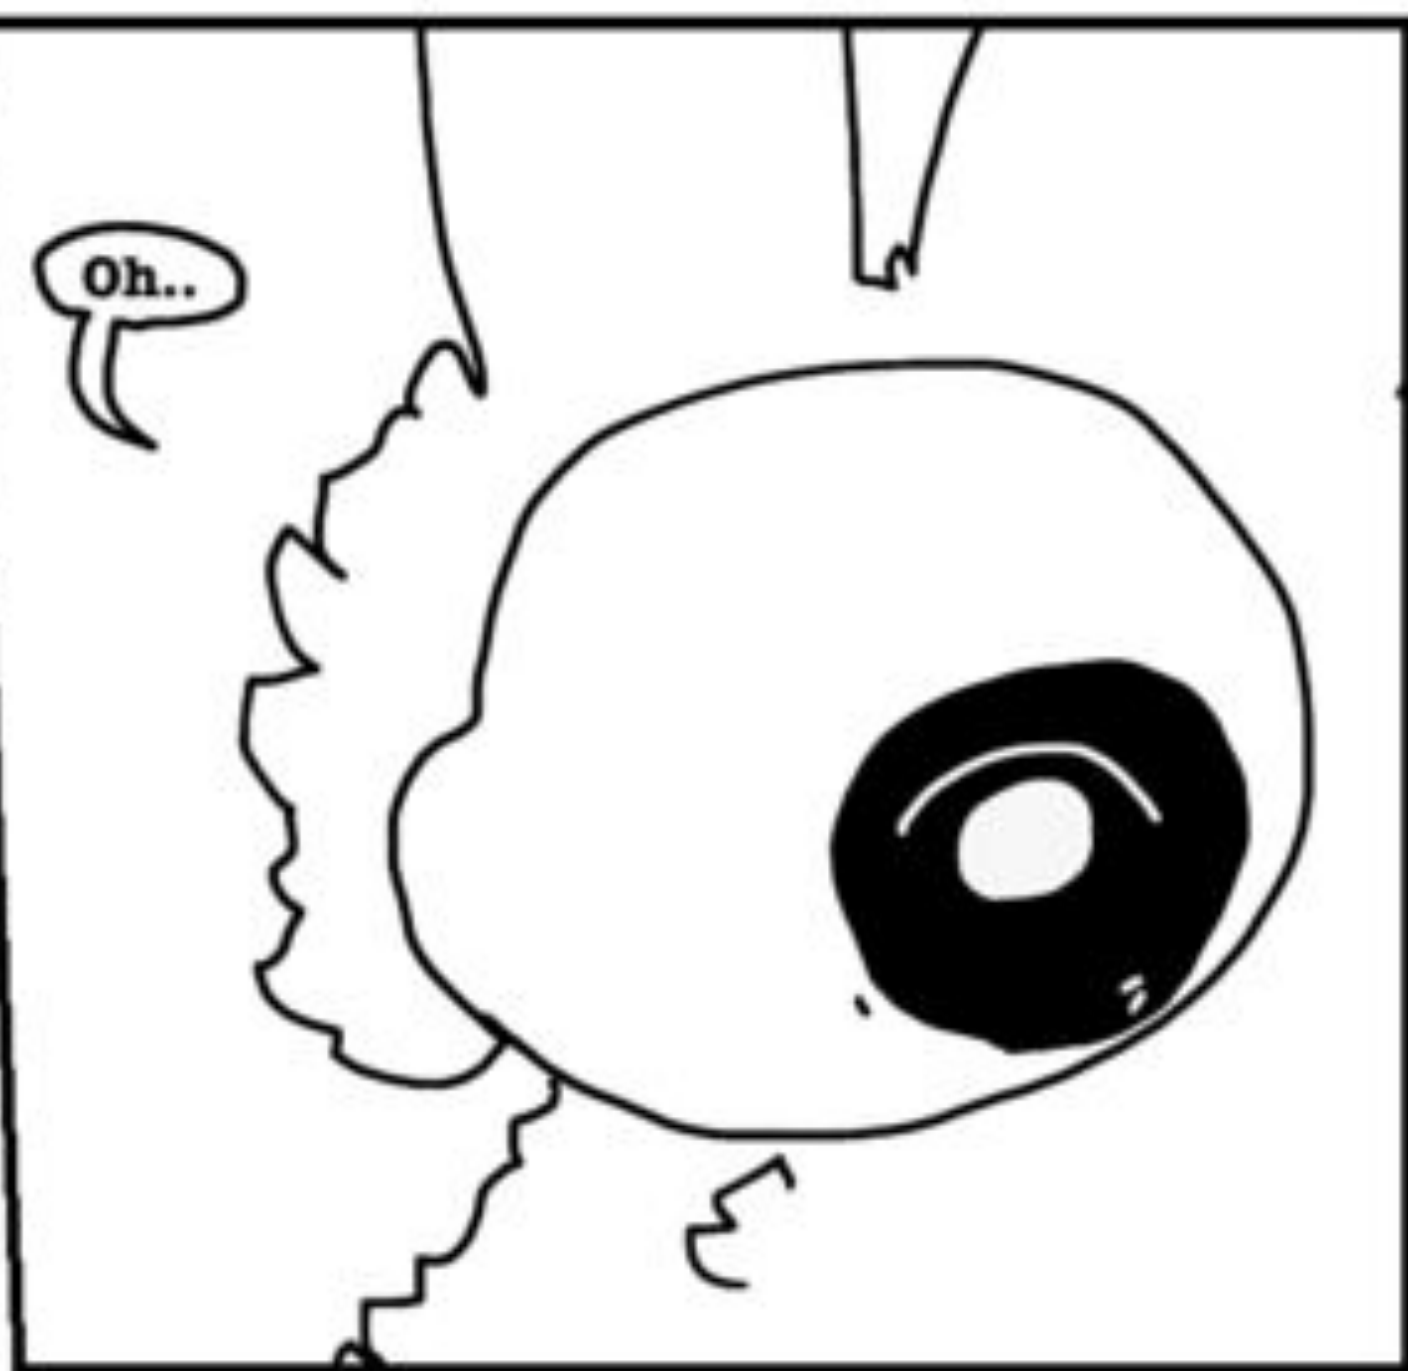

I..

What?
Did you not
enjoy the
story?

No...it's fine...Just
something about
the story just
shook me up..

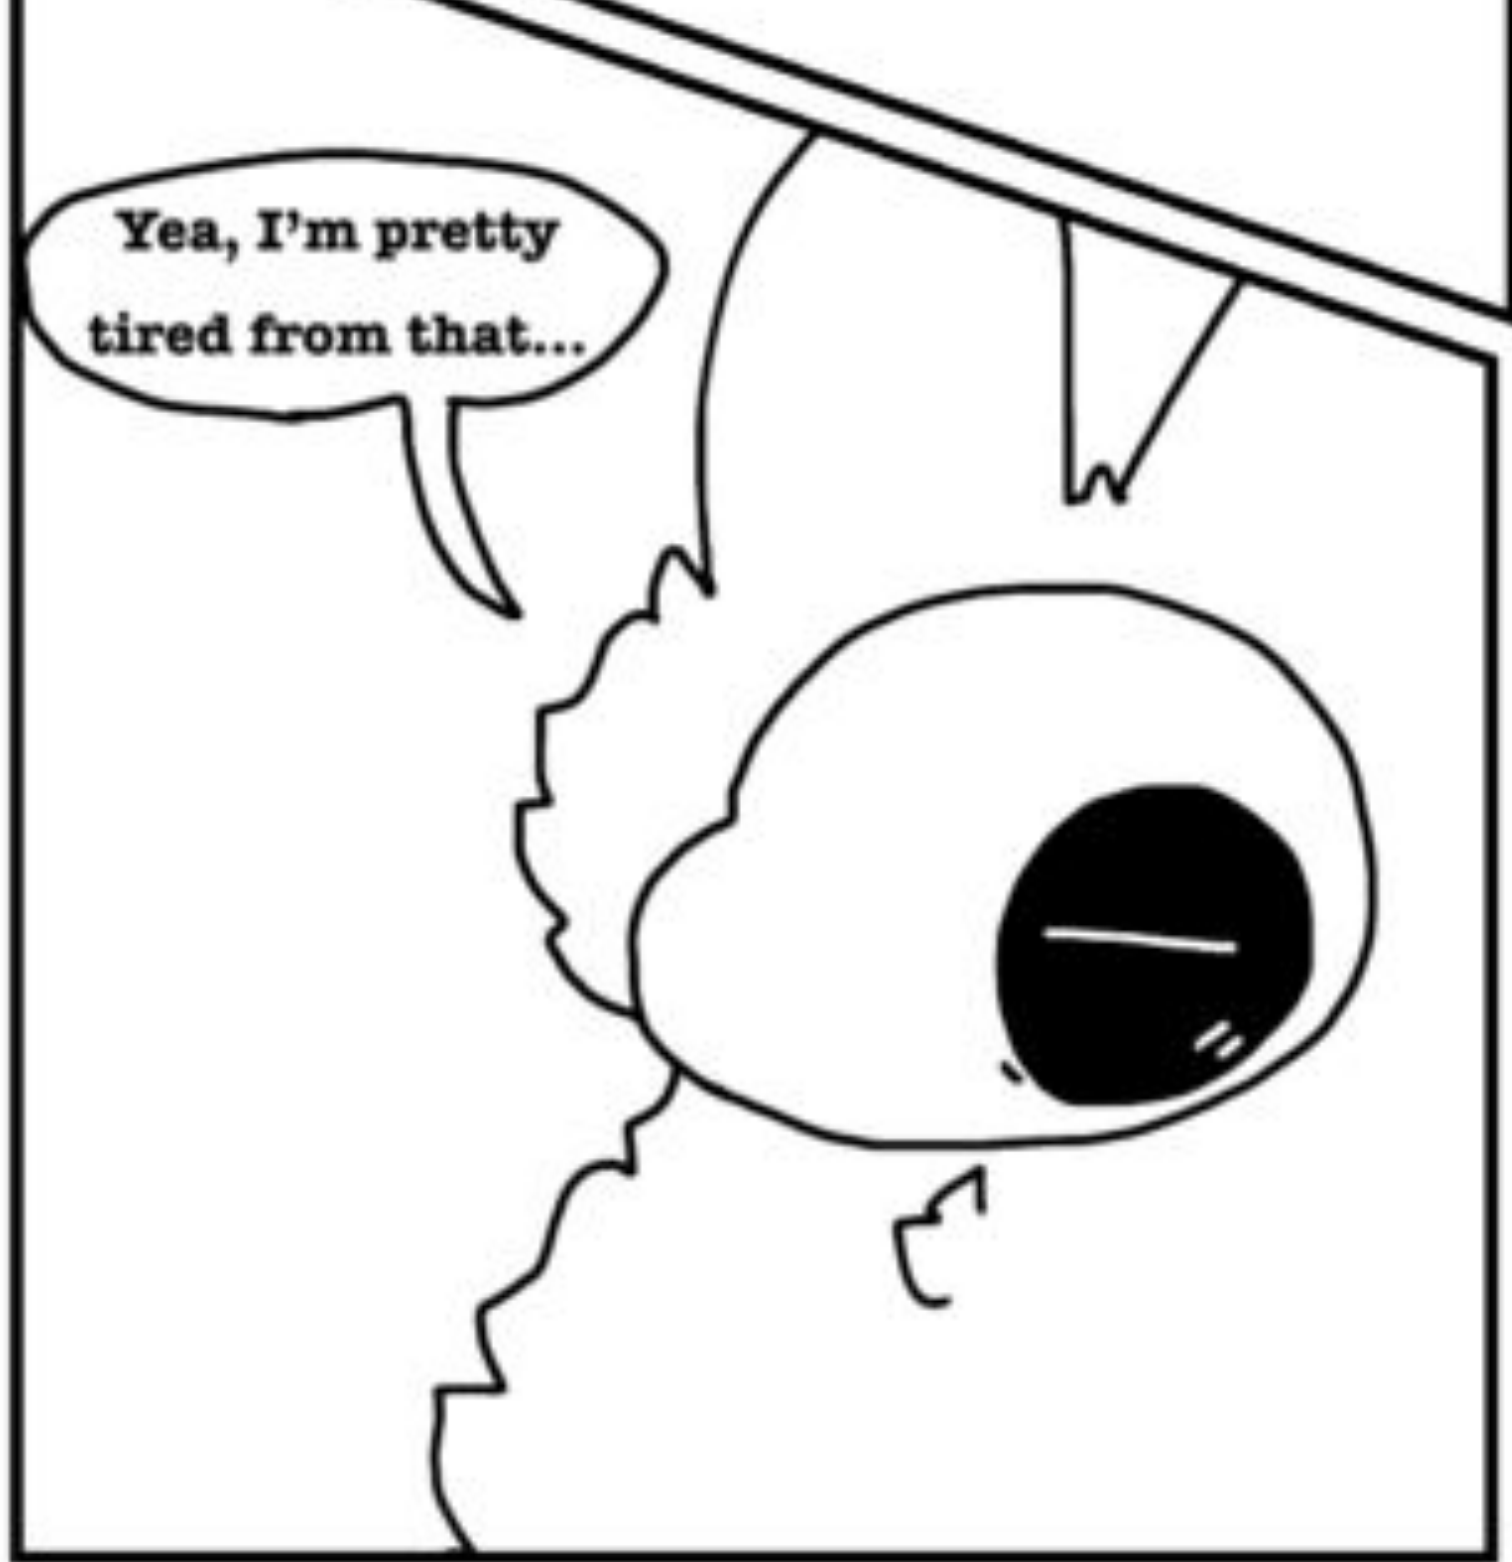

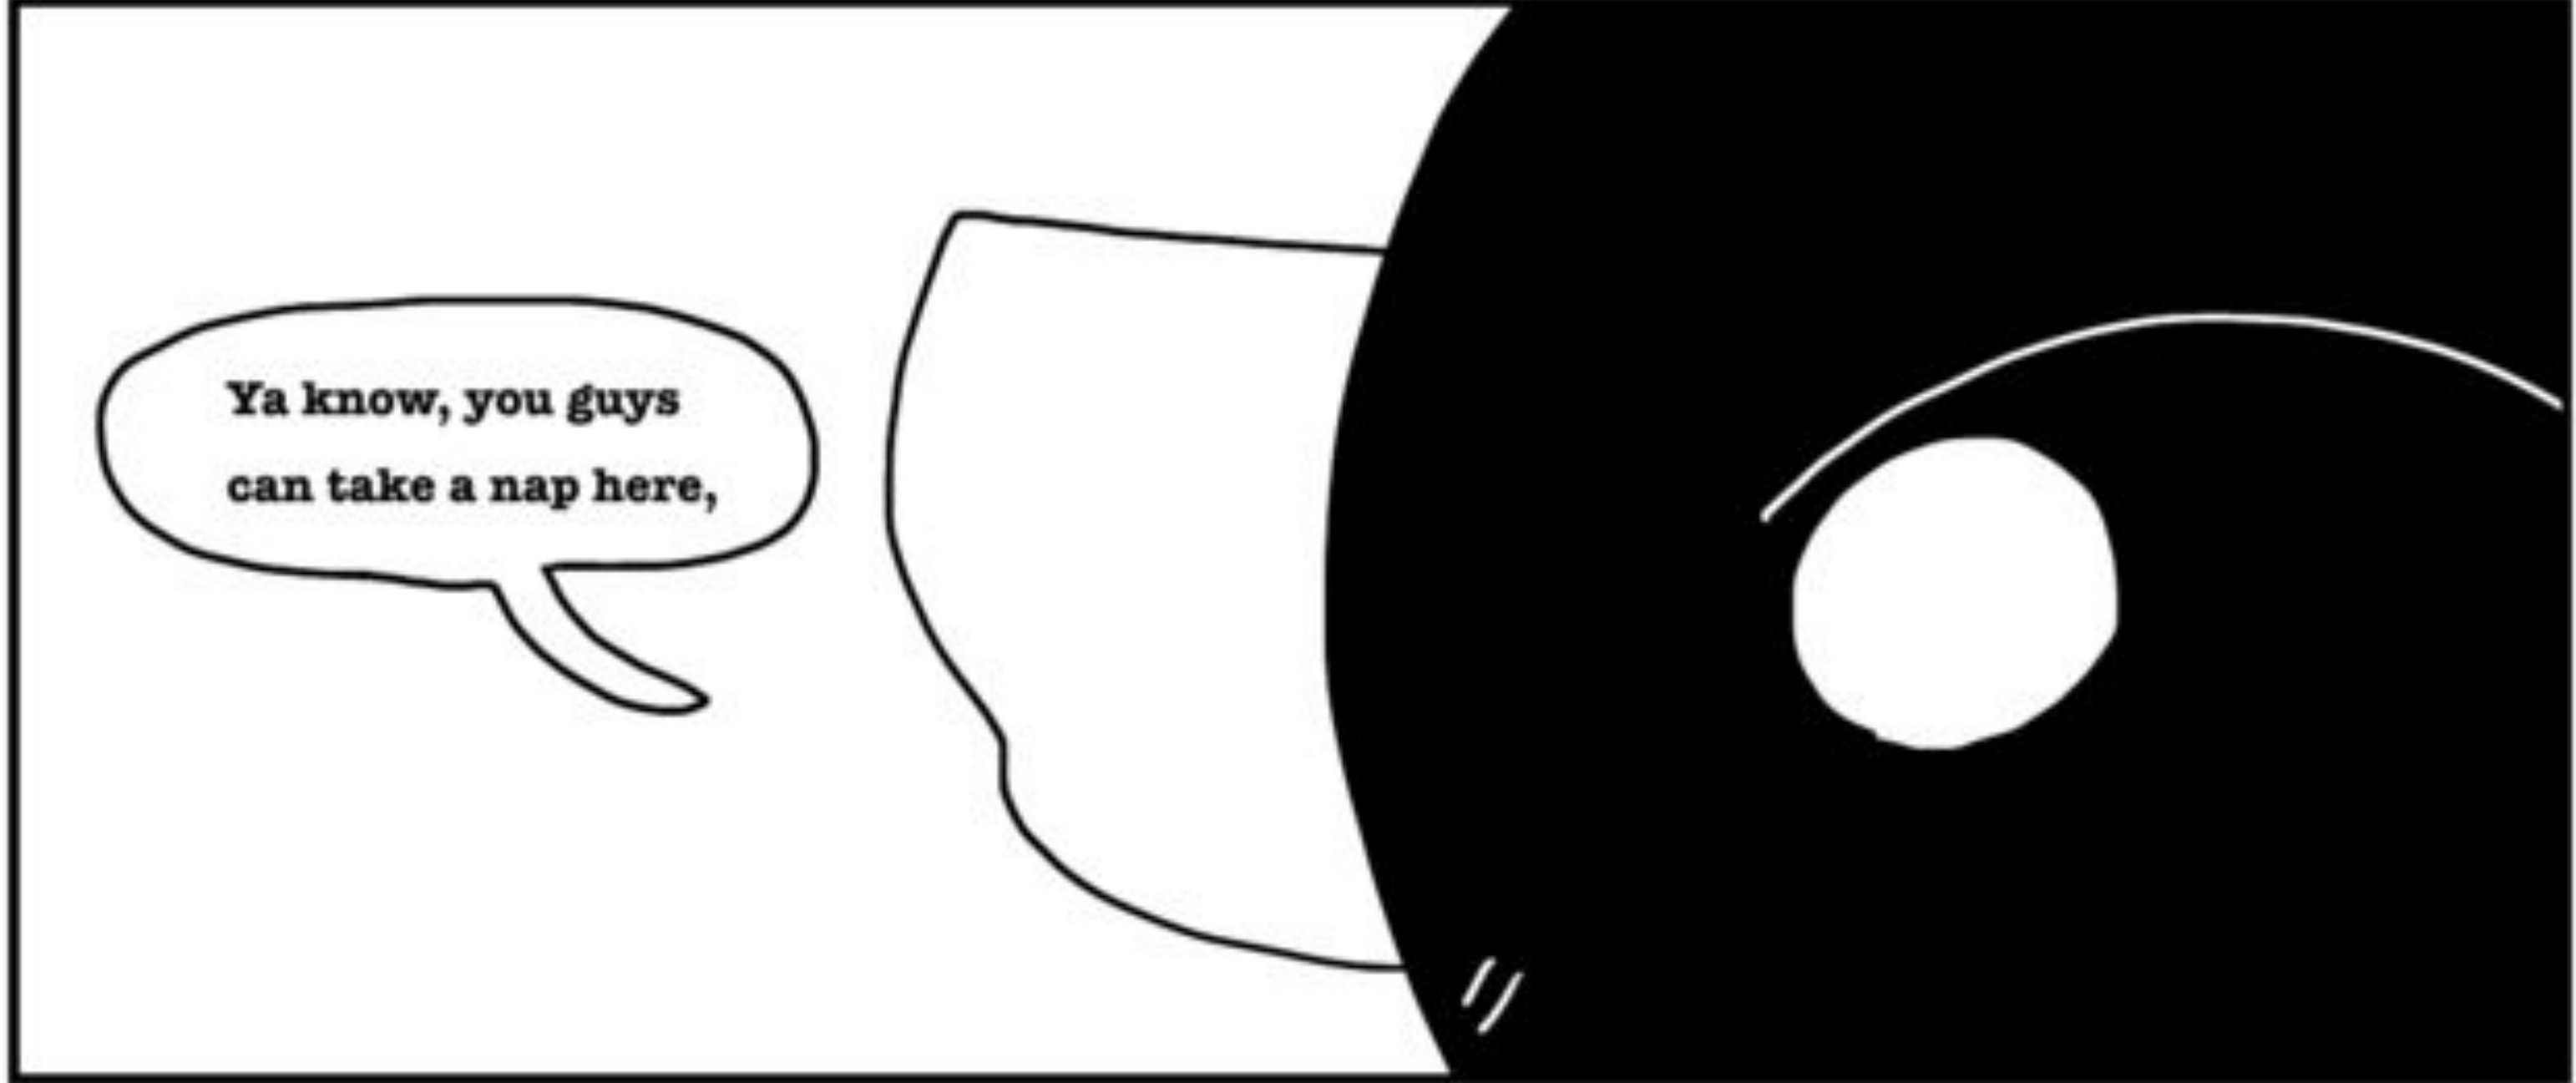

Oh..

Well anyways..
Looks like
the snow
has started
to melt

It definitely is
melting, but it's
still gonna be a while
till it fully melts
and the ambulance
can arrive.

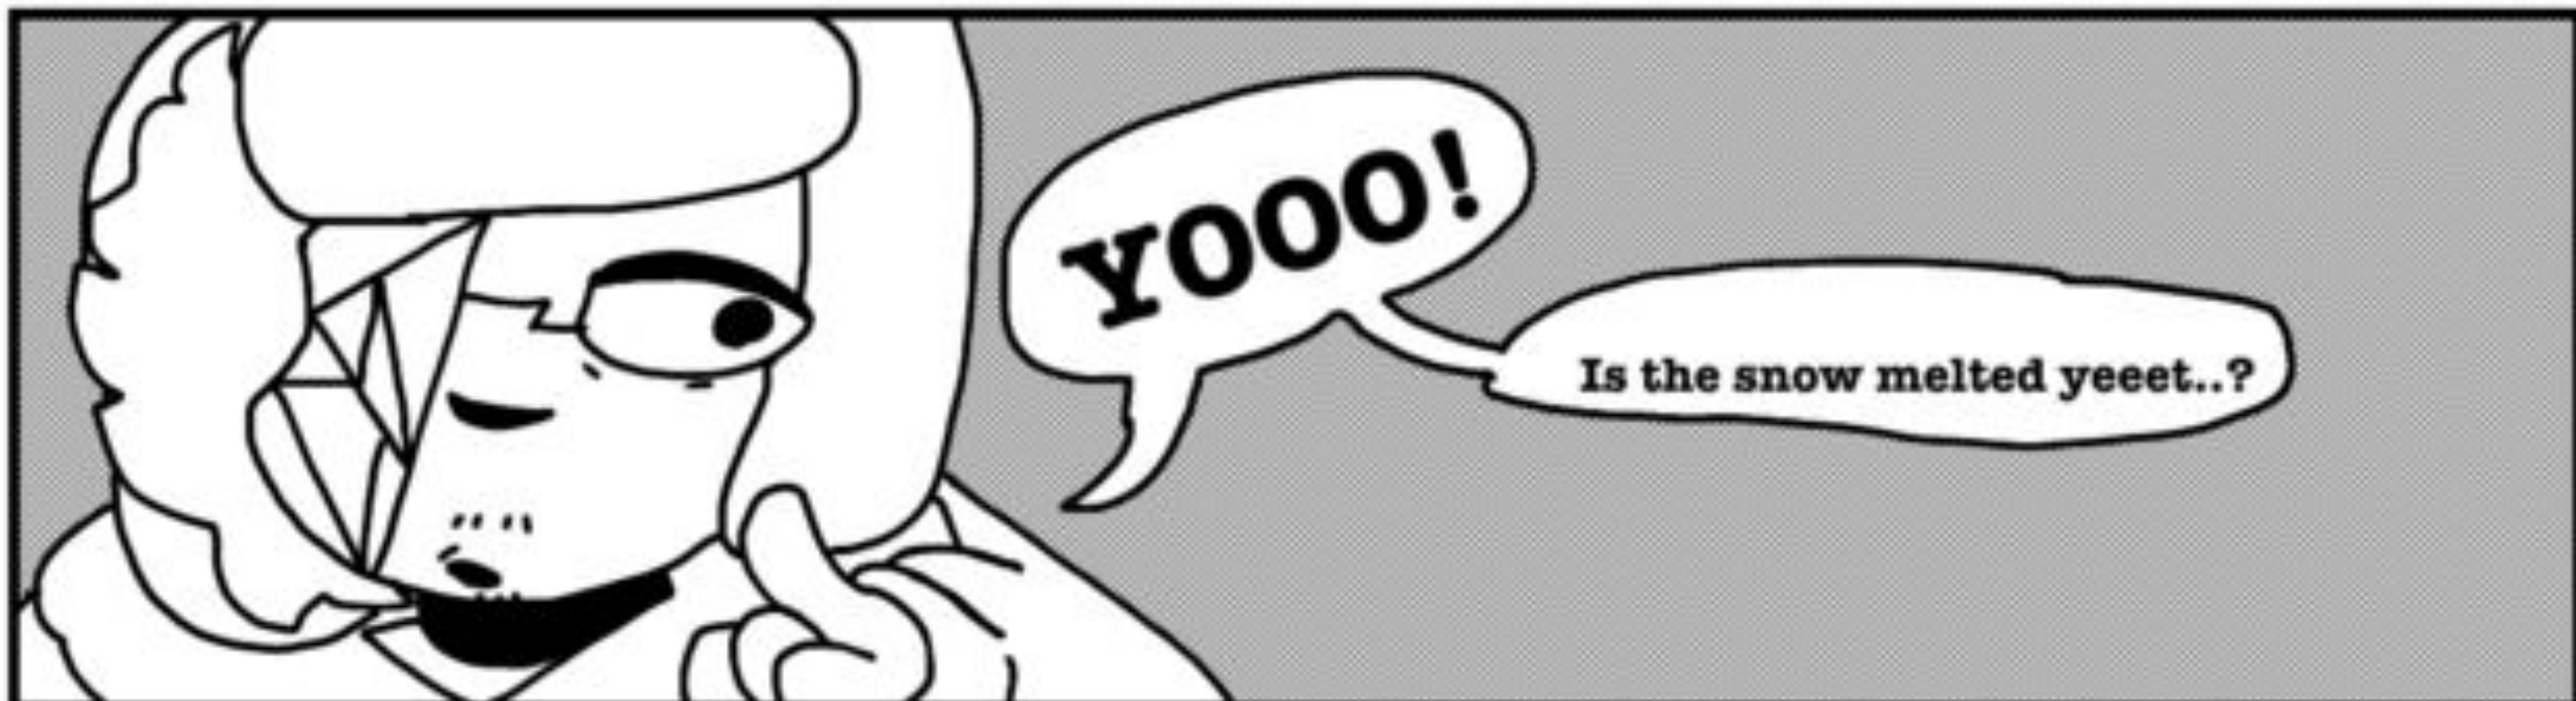

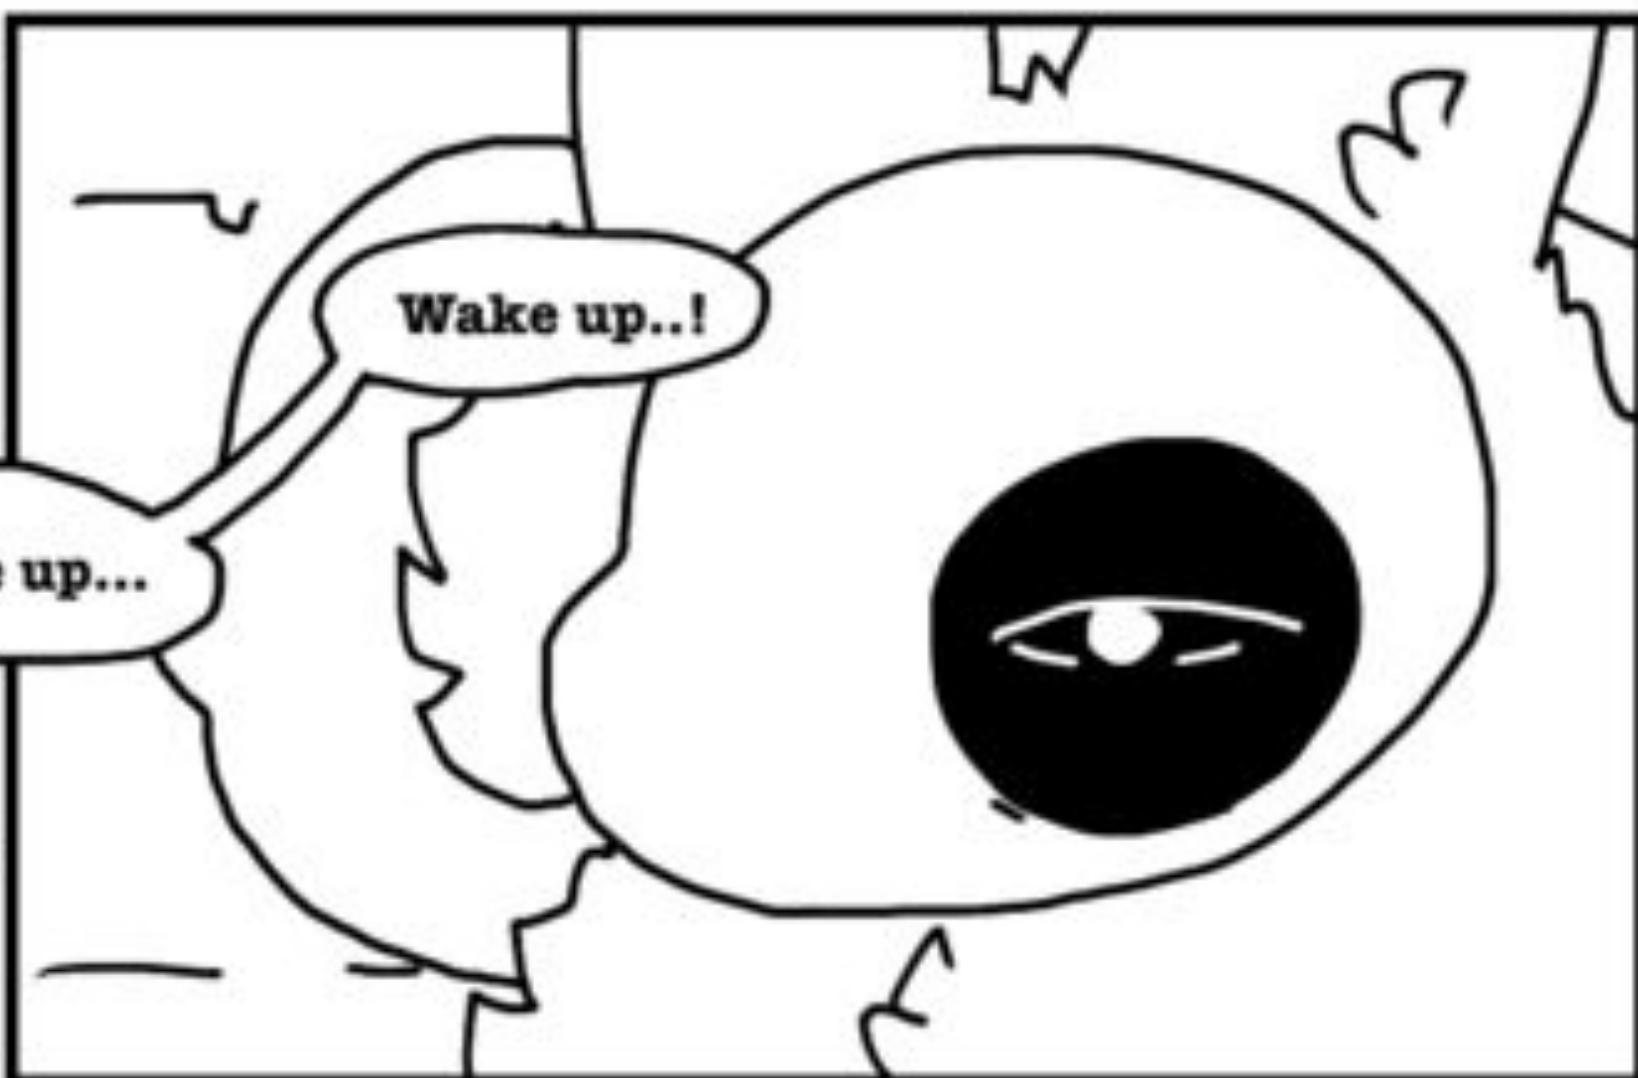

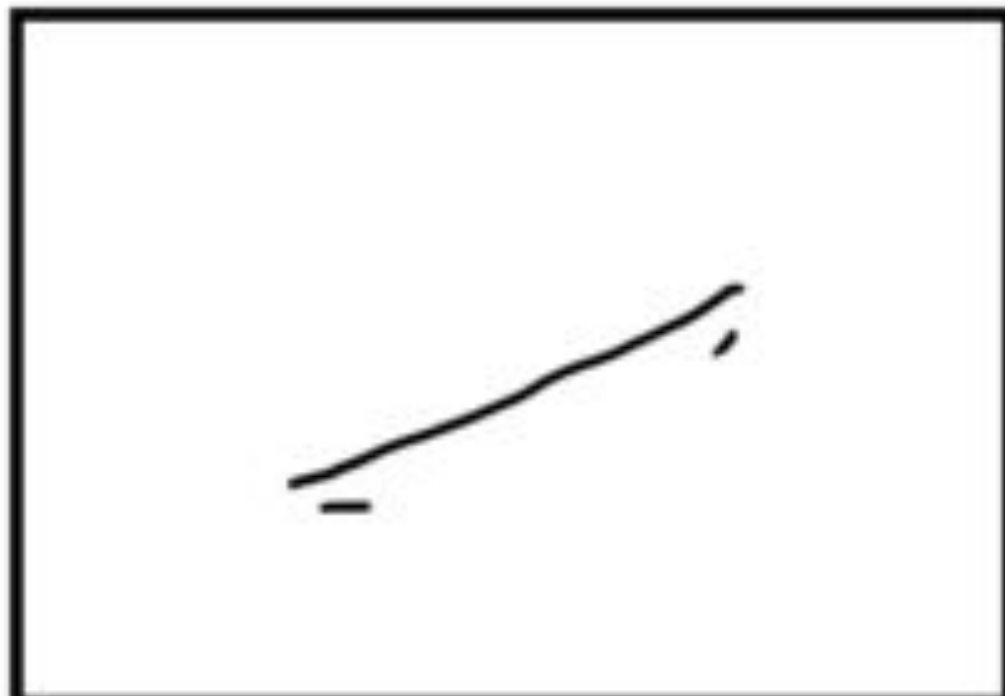

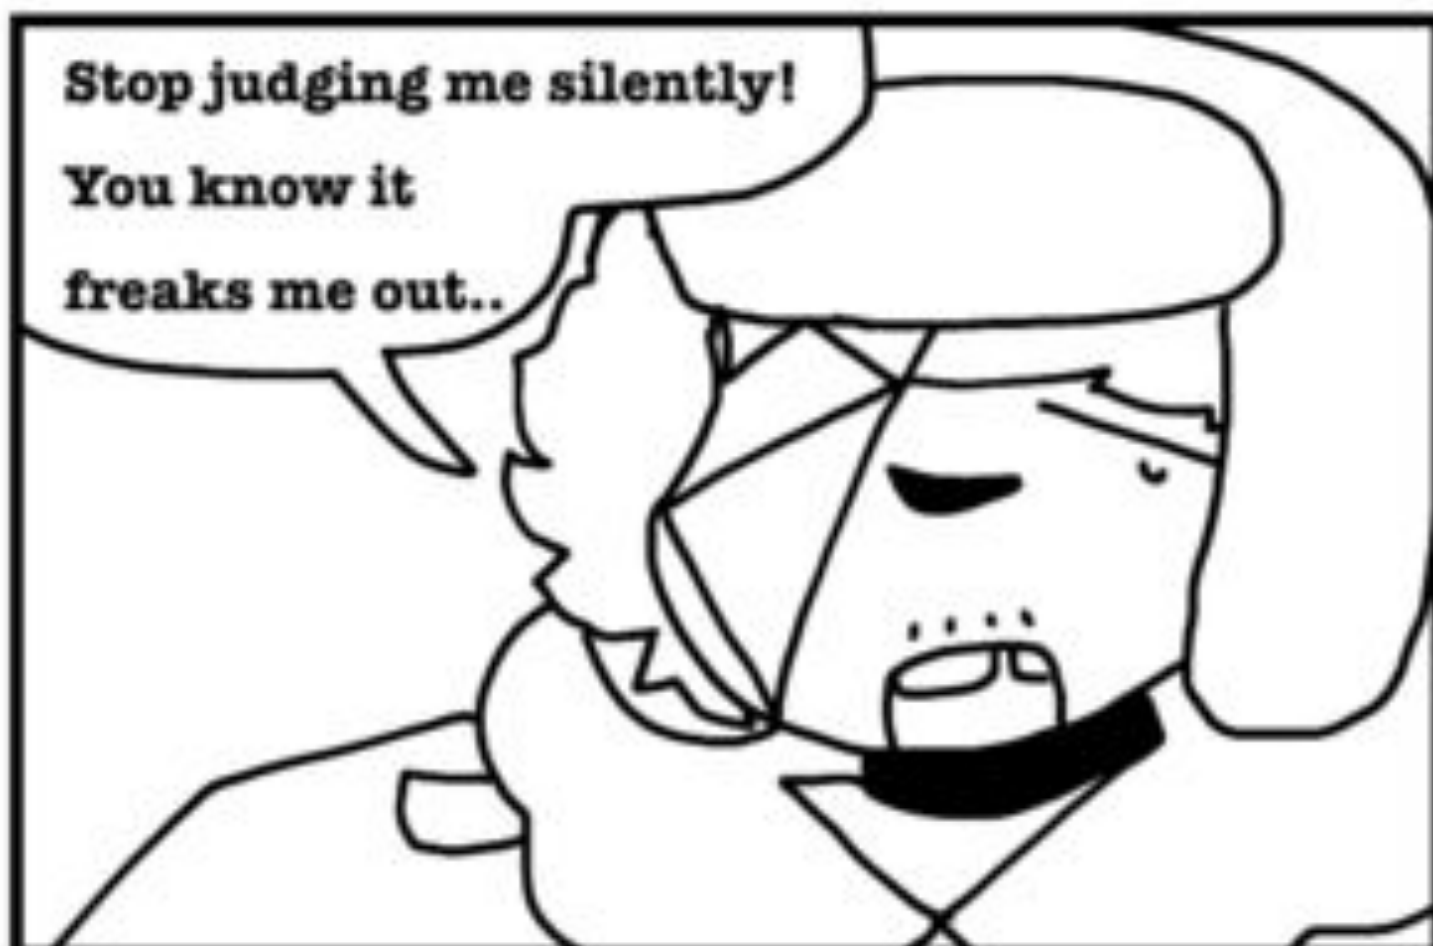

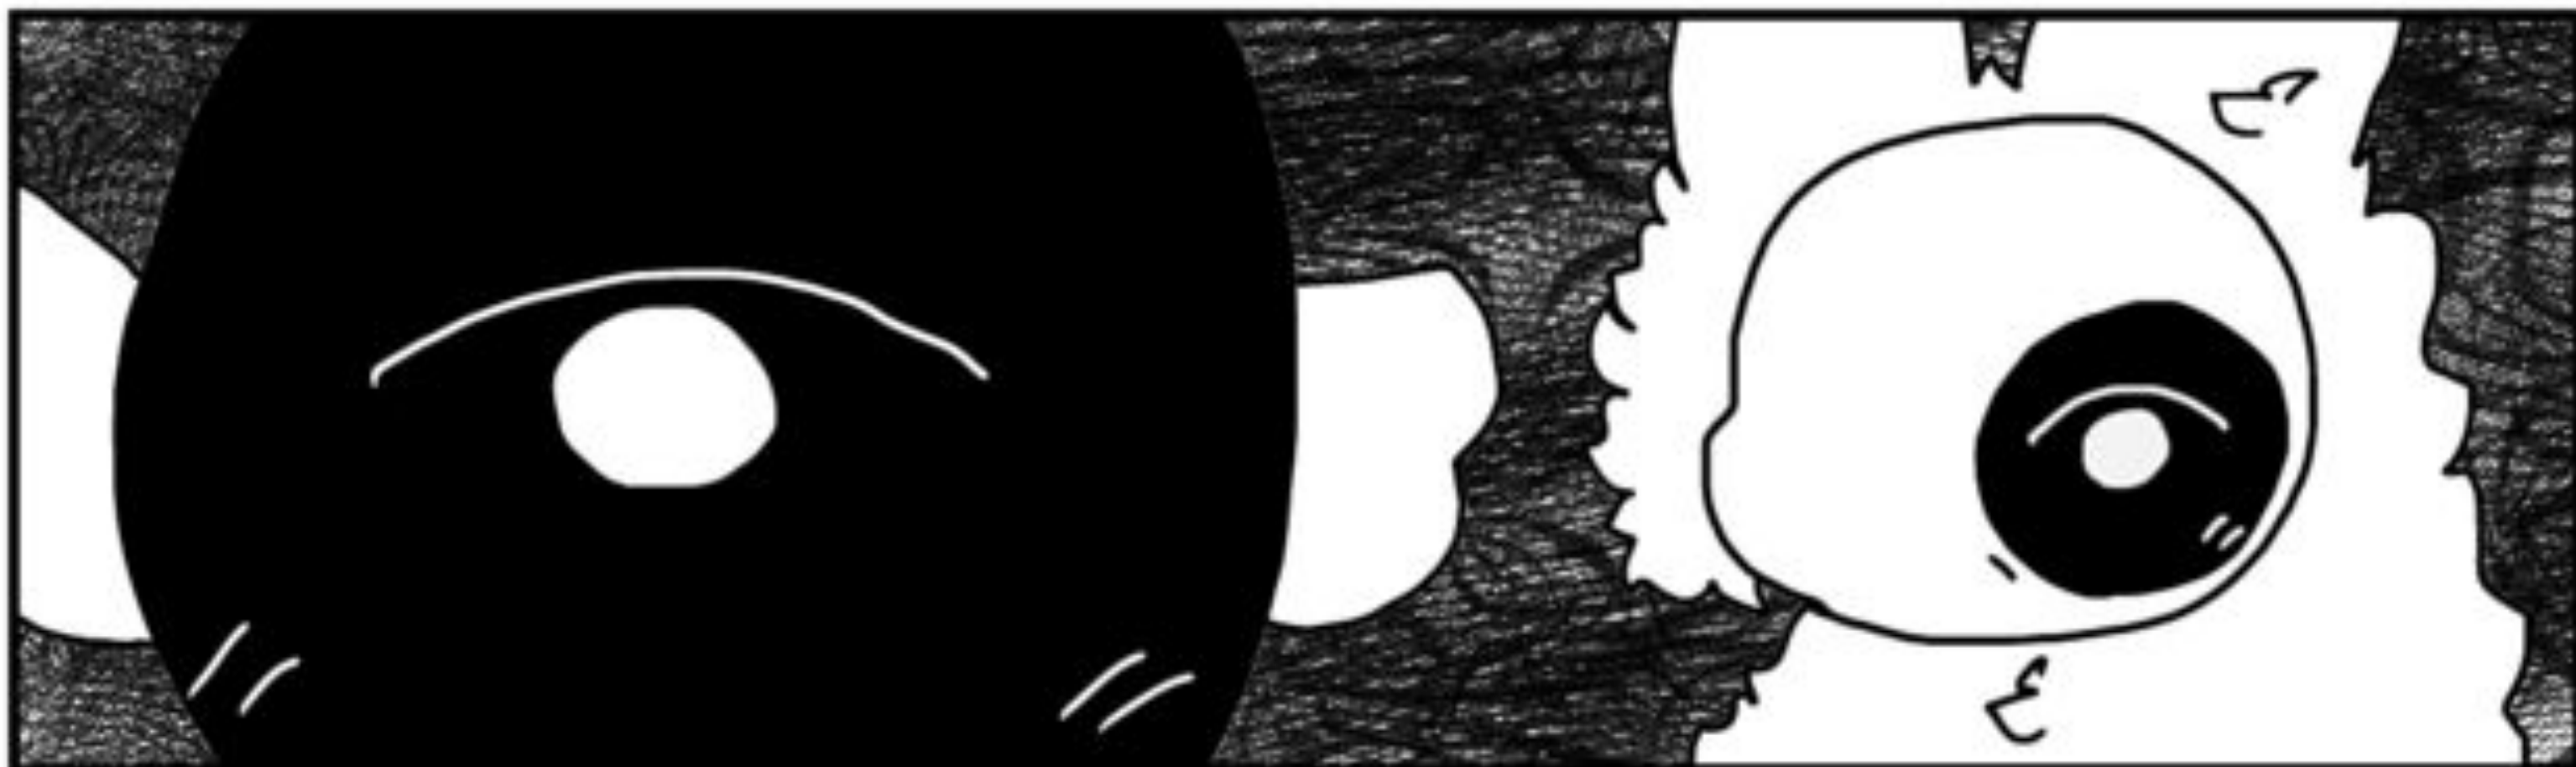

Ok! Got the
stuff!

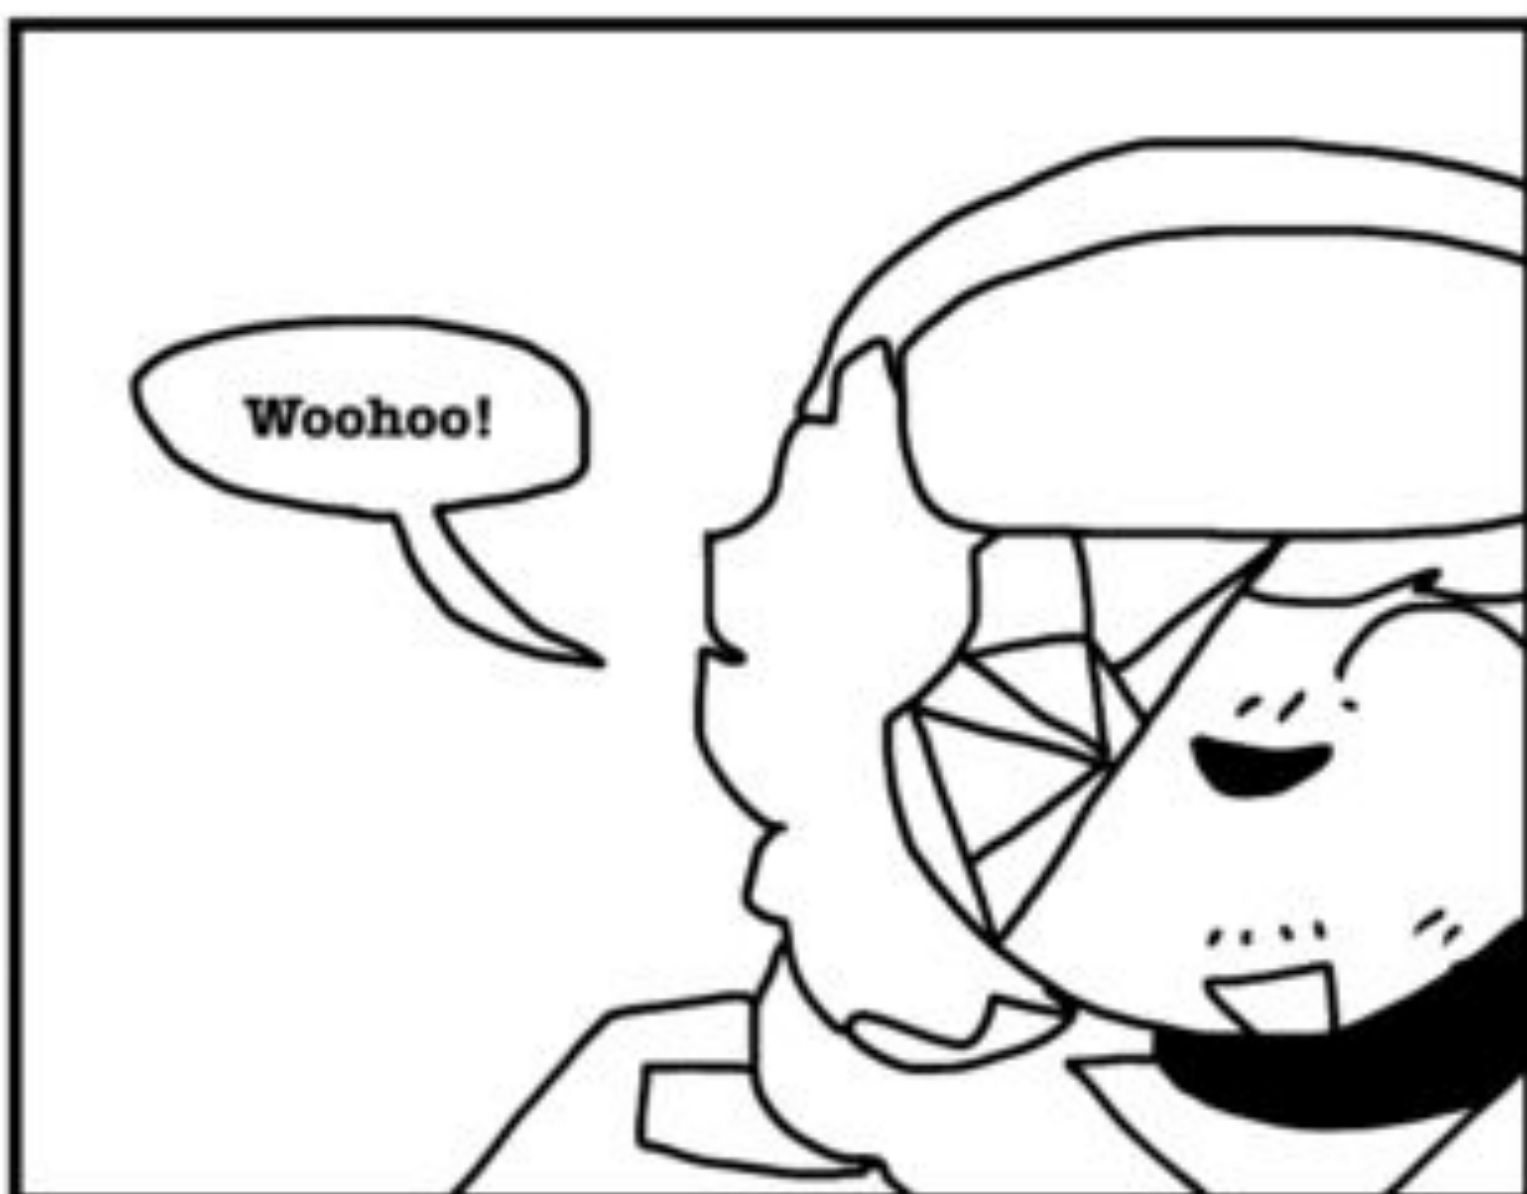

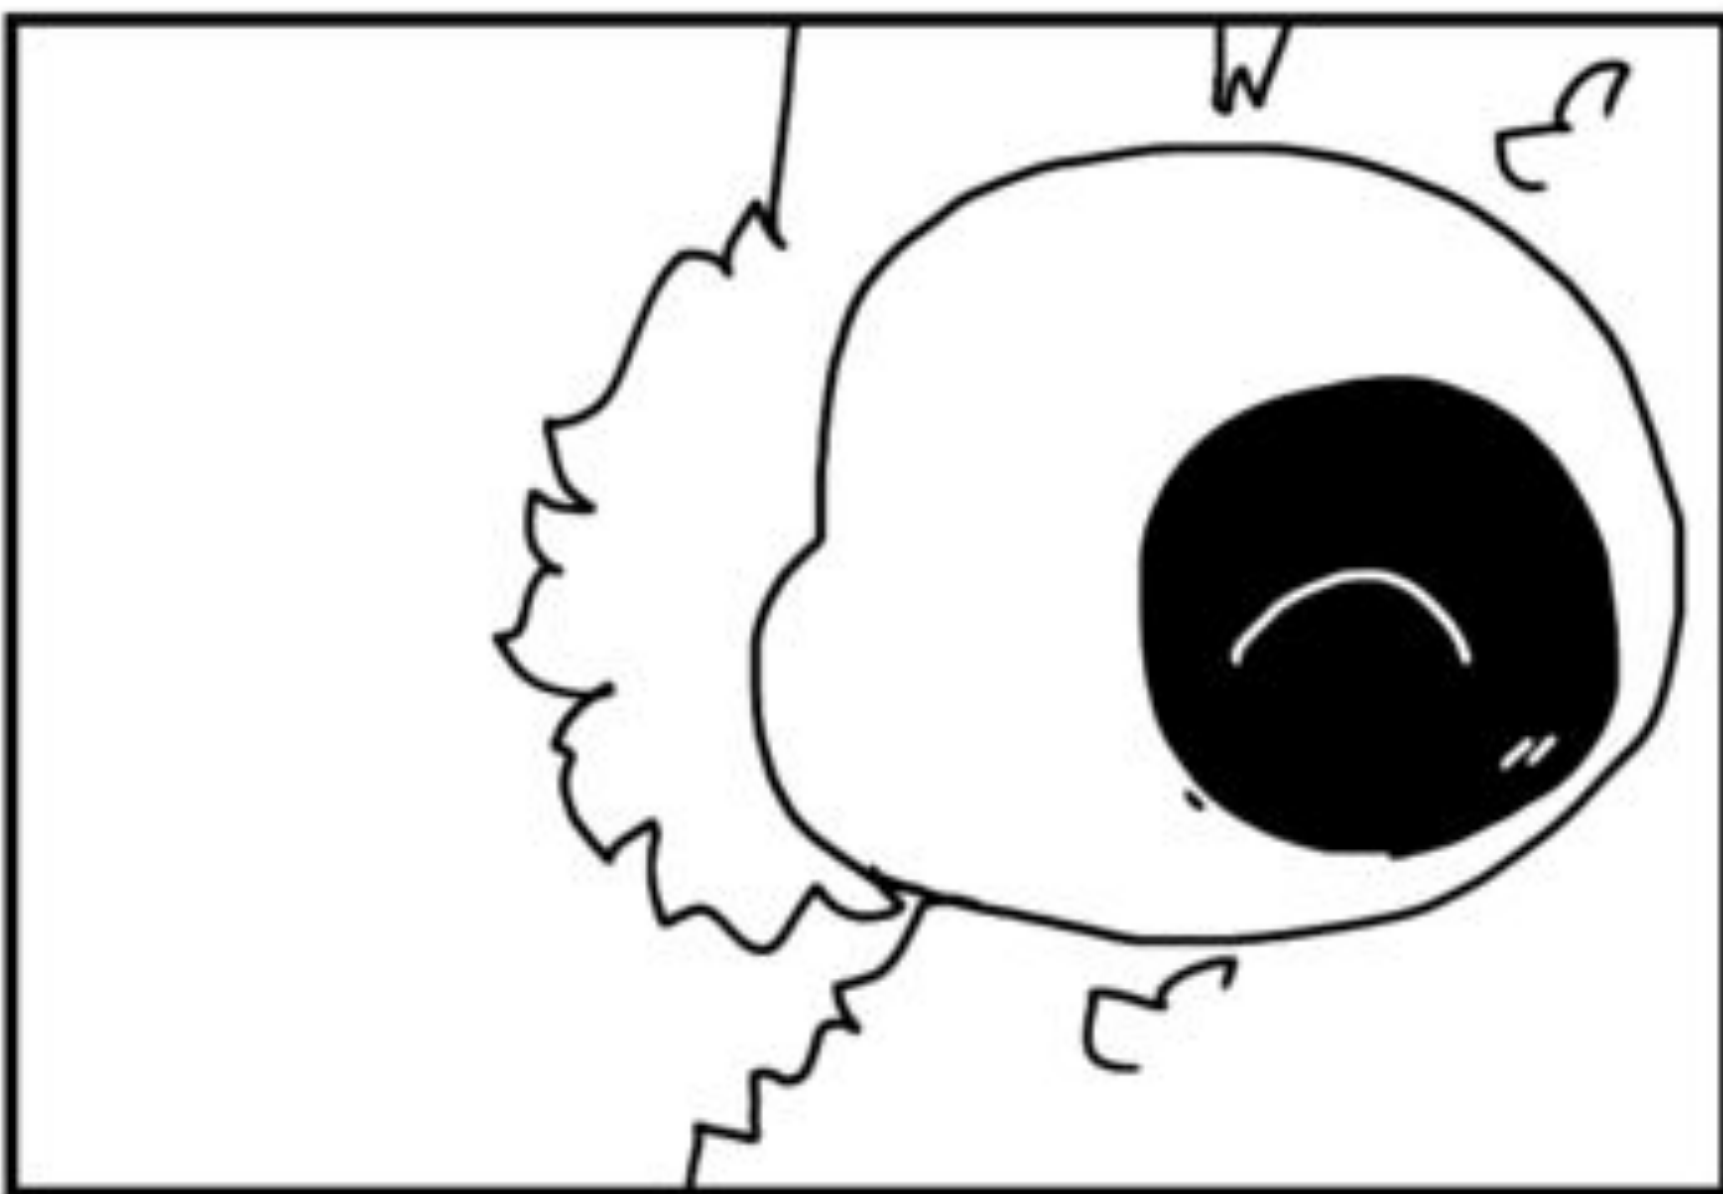

Sweet!

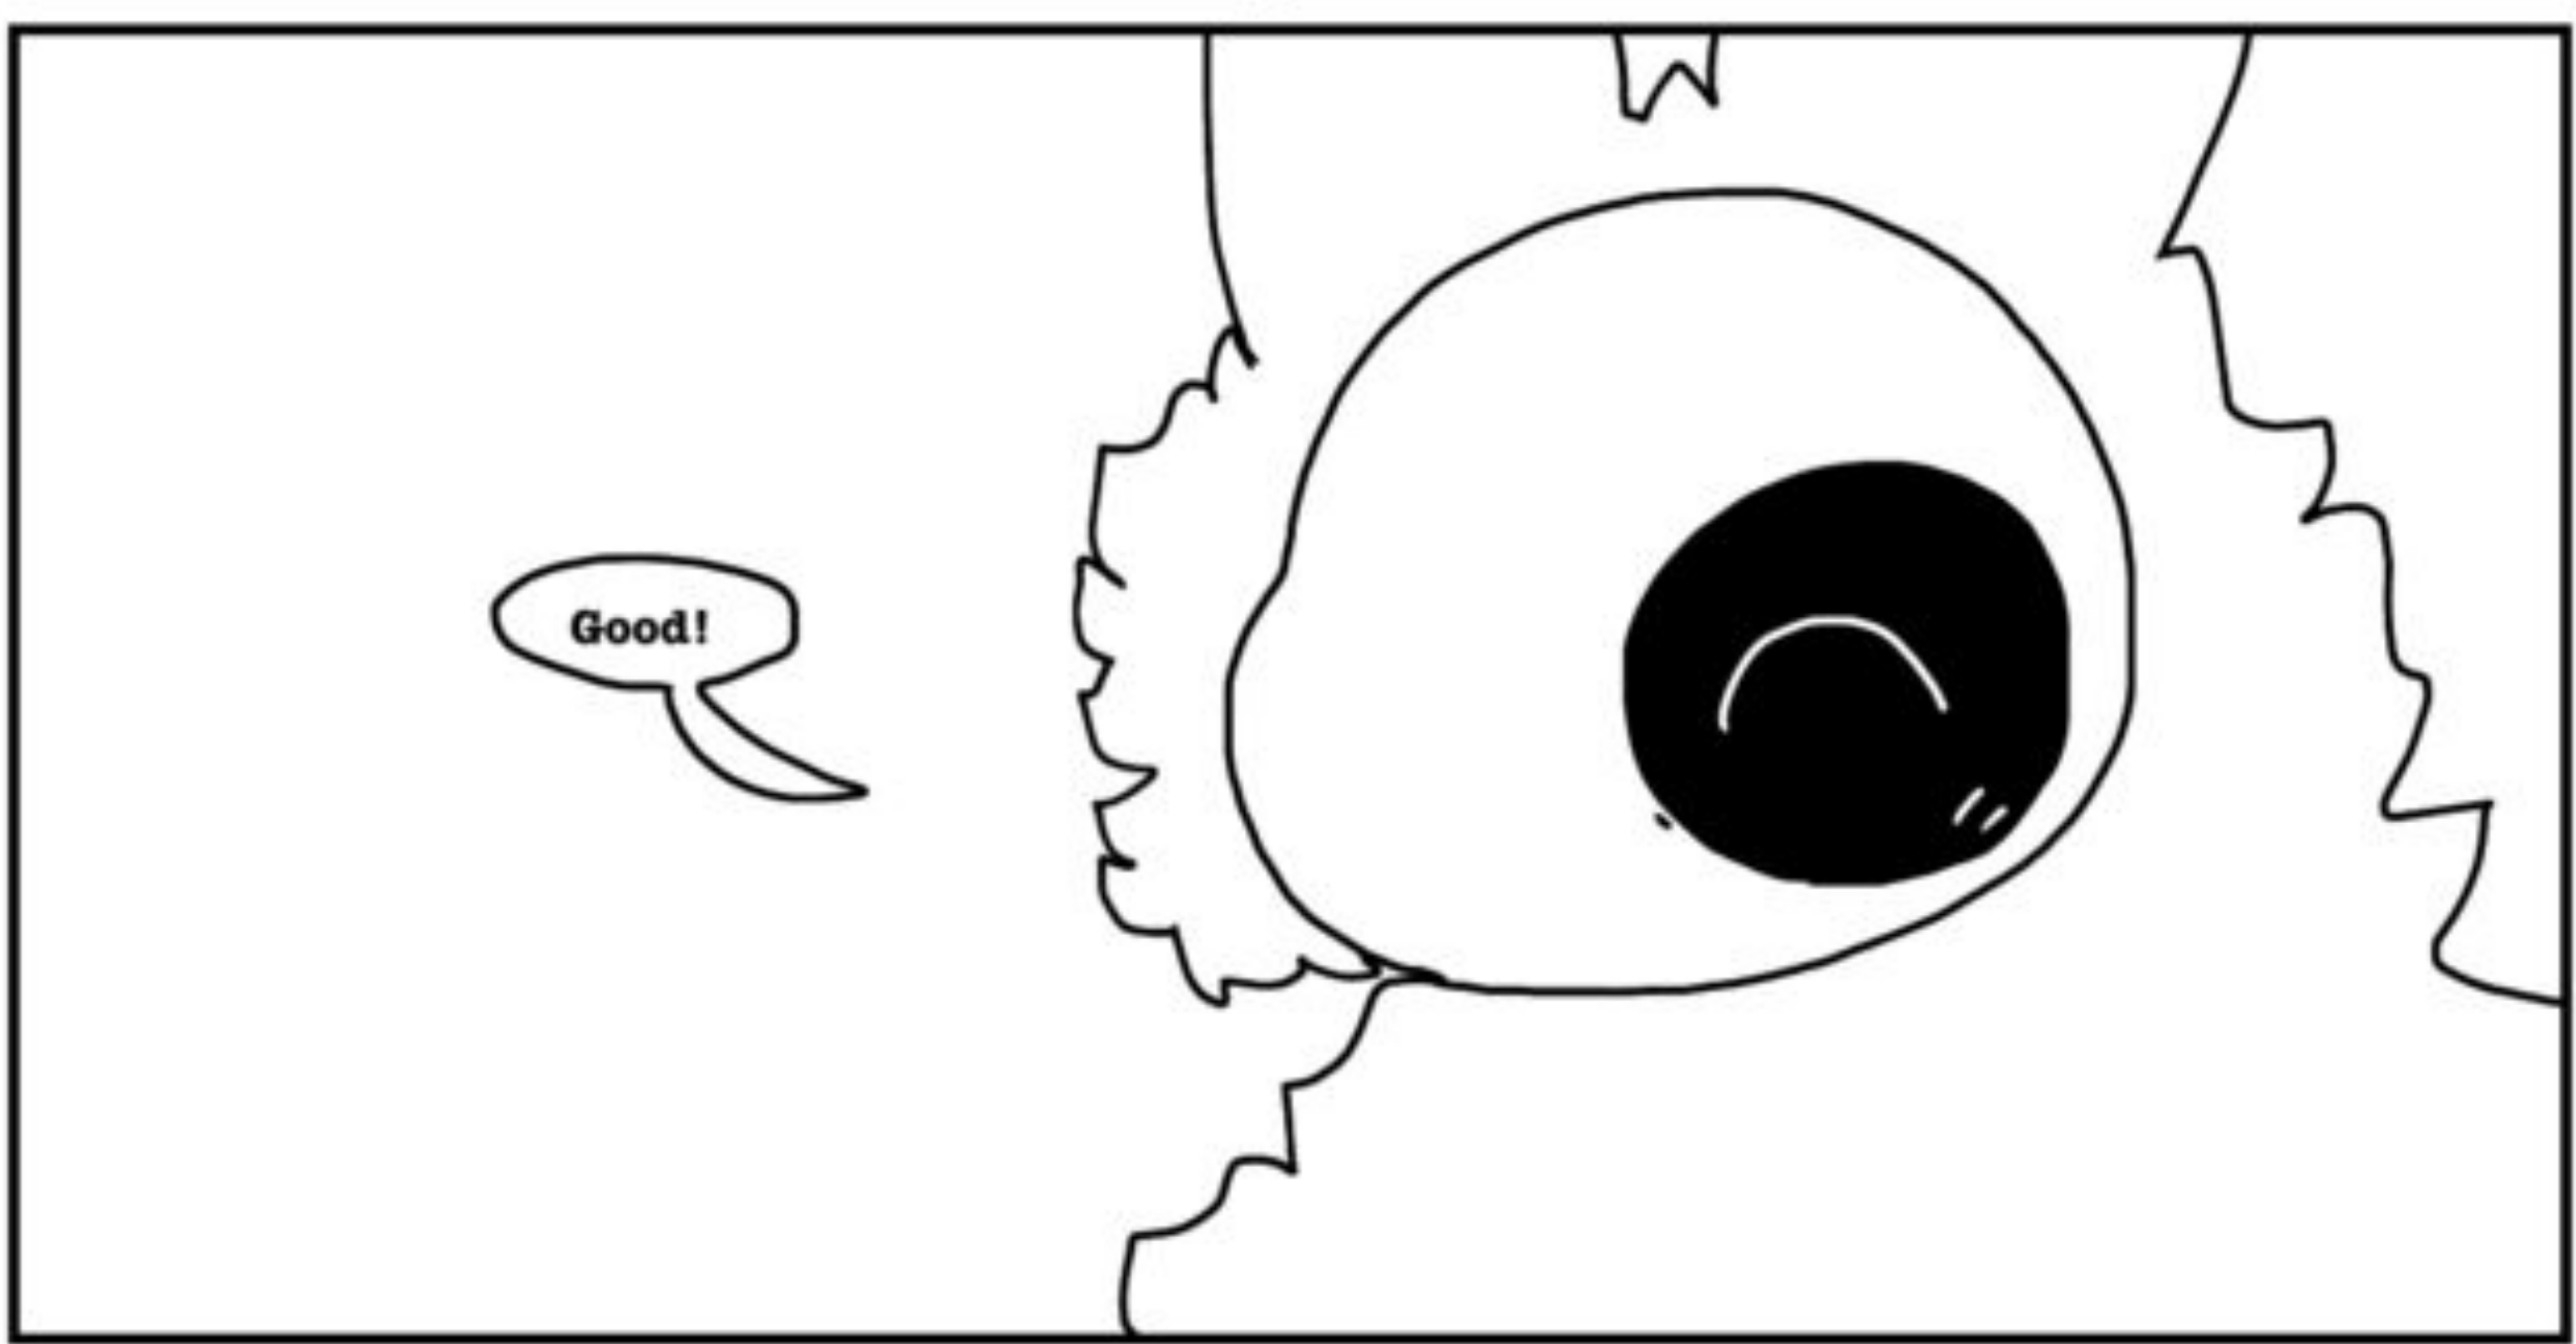

/ "

✓ "

Am I...
dreaming...

A lucid
dream?

Hm...

If I'm
dreaming..

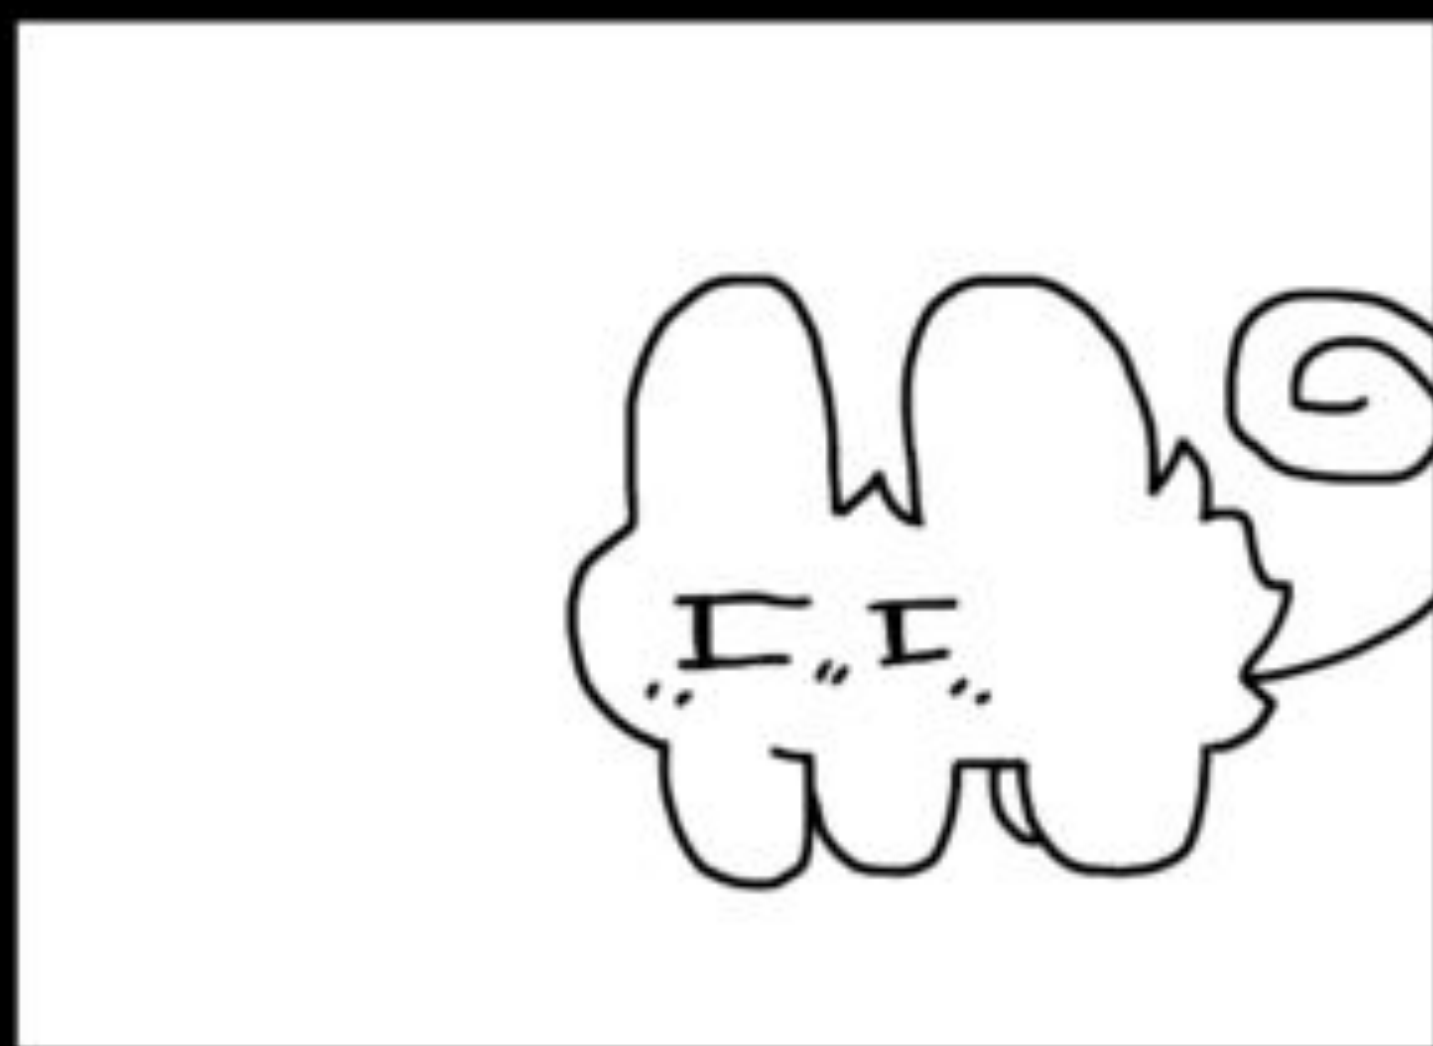

Then could I have...

A big scoop of
vanilla ice cream!

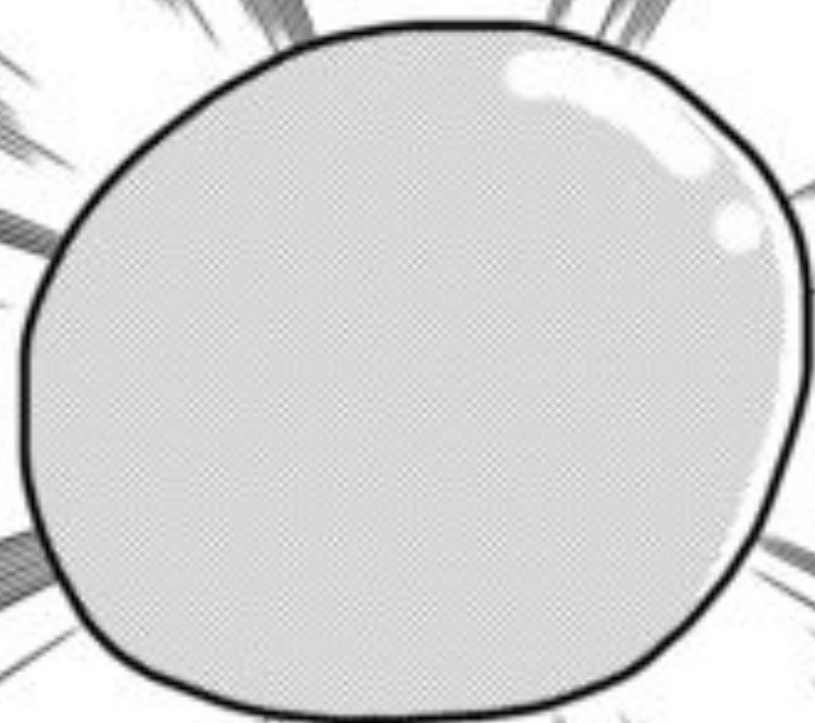

Opposable thumbs!

POOF

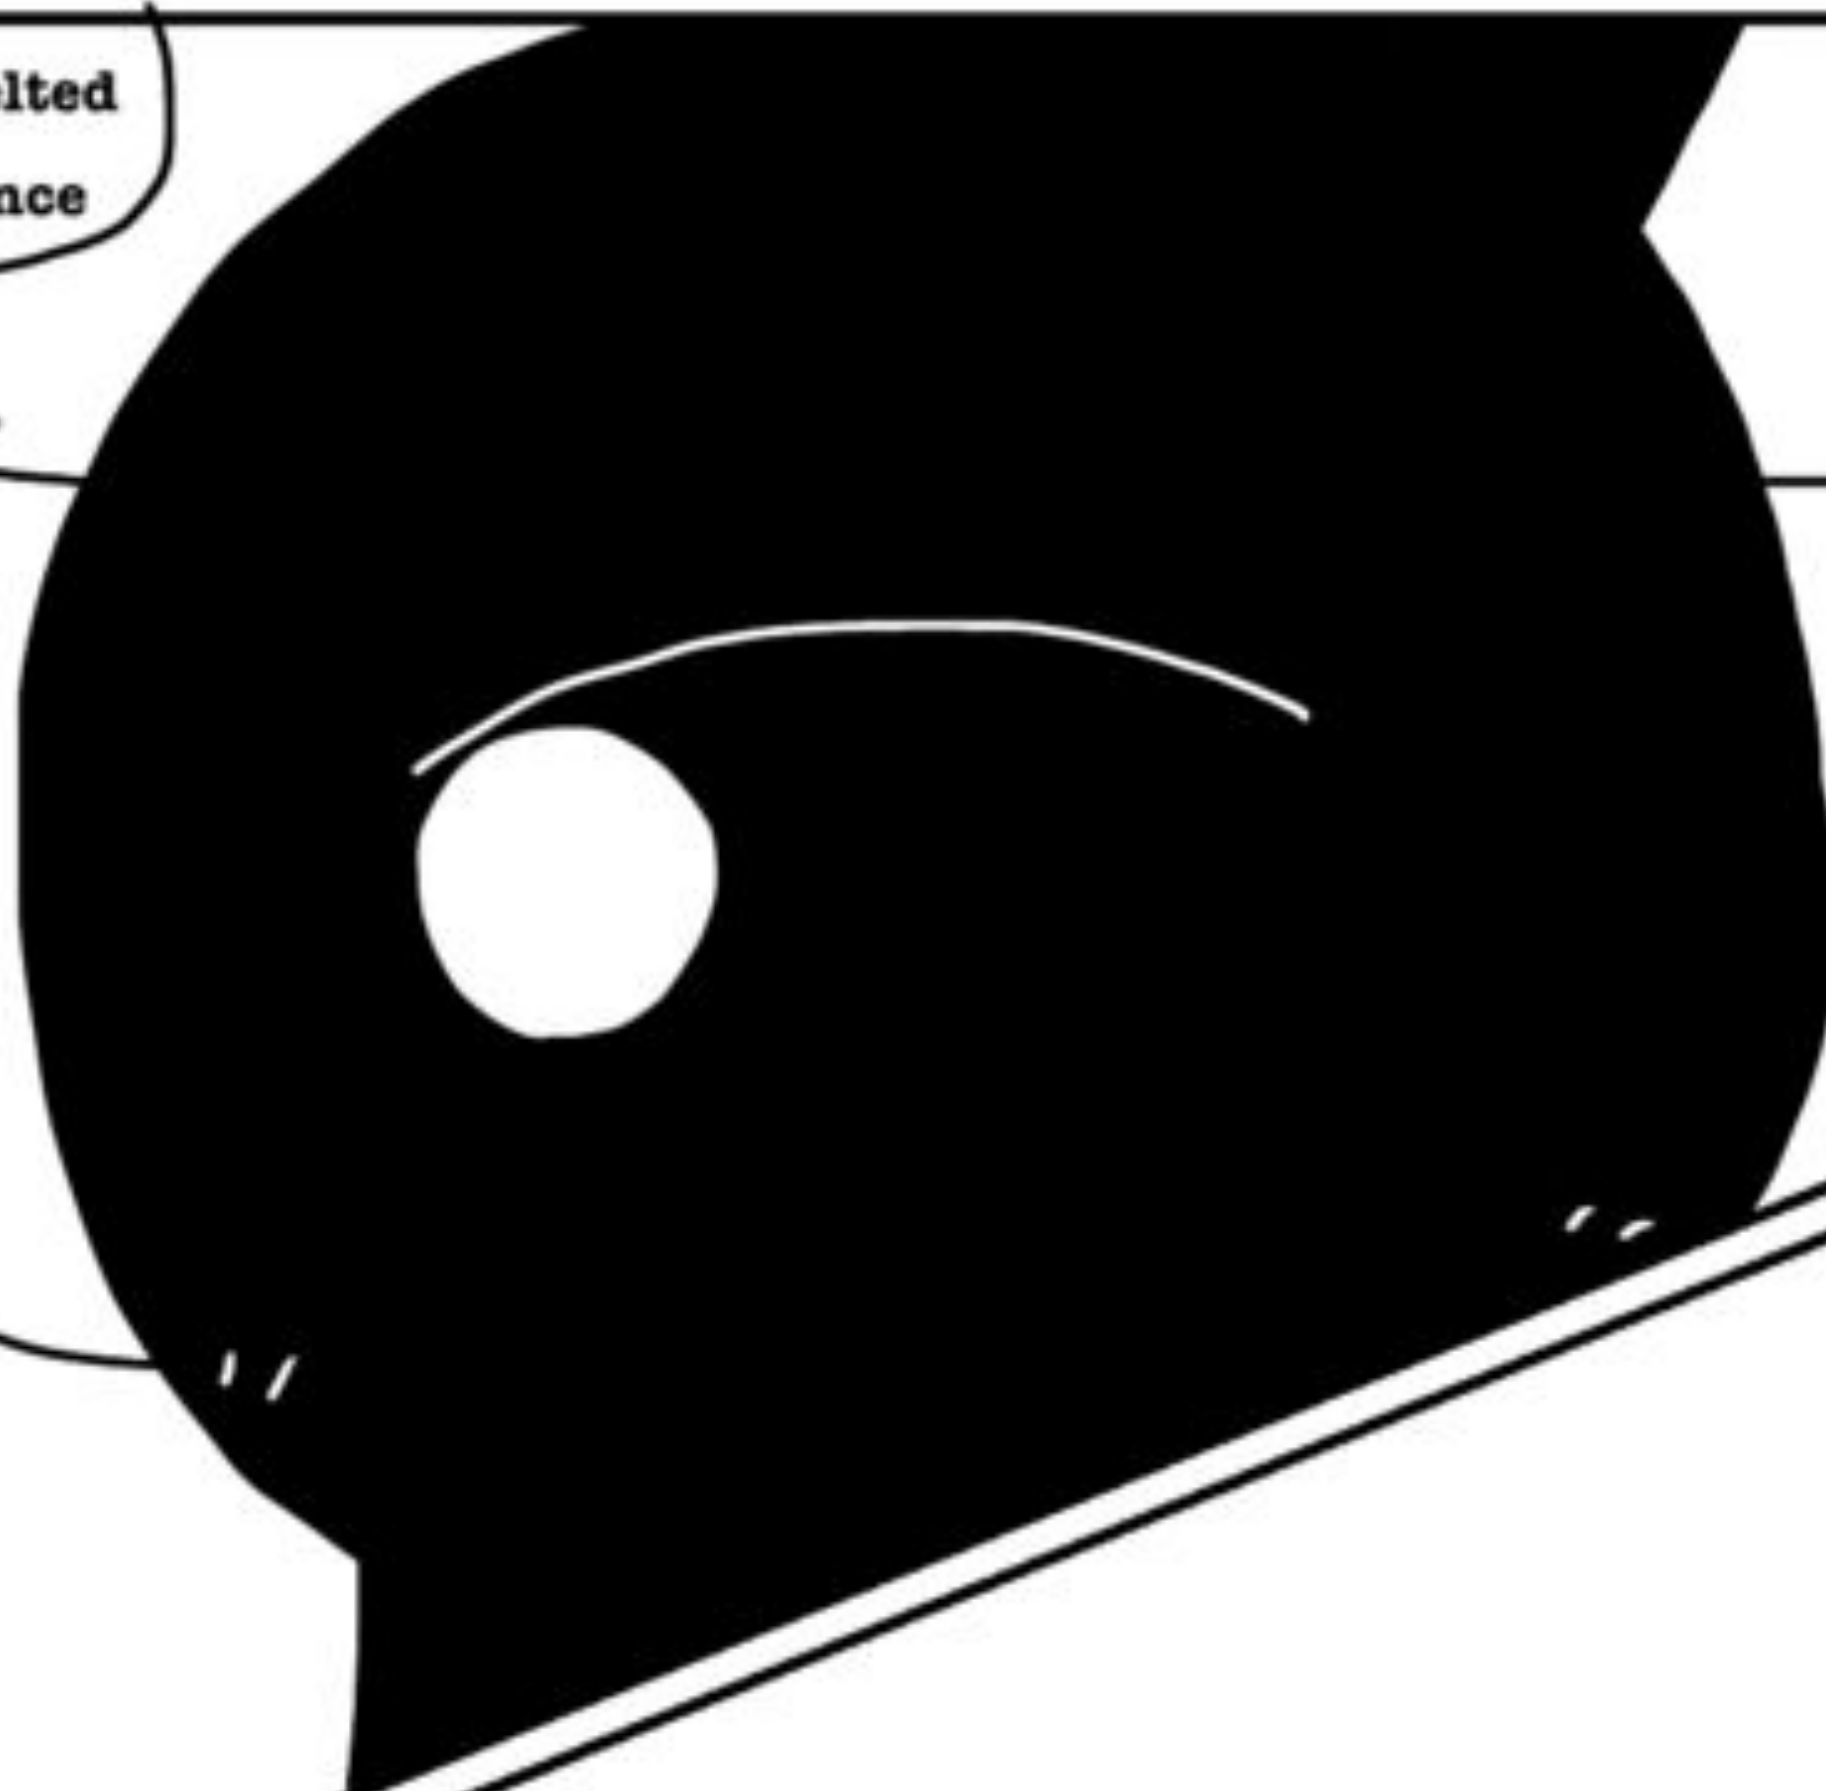

Actually never
mind those
are gross

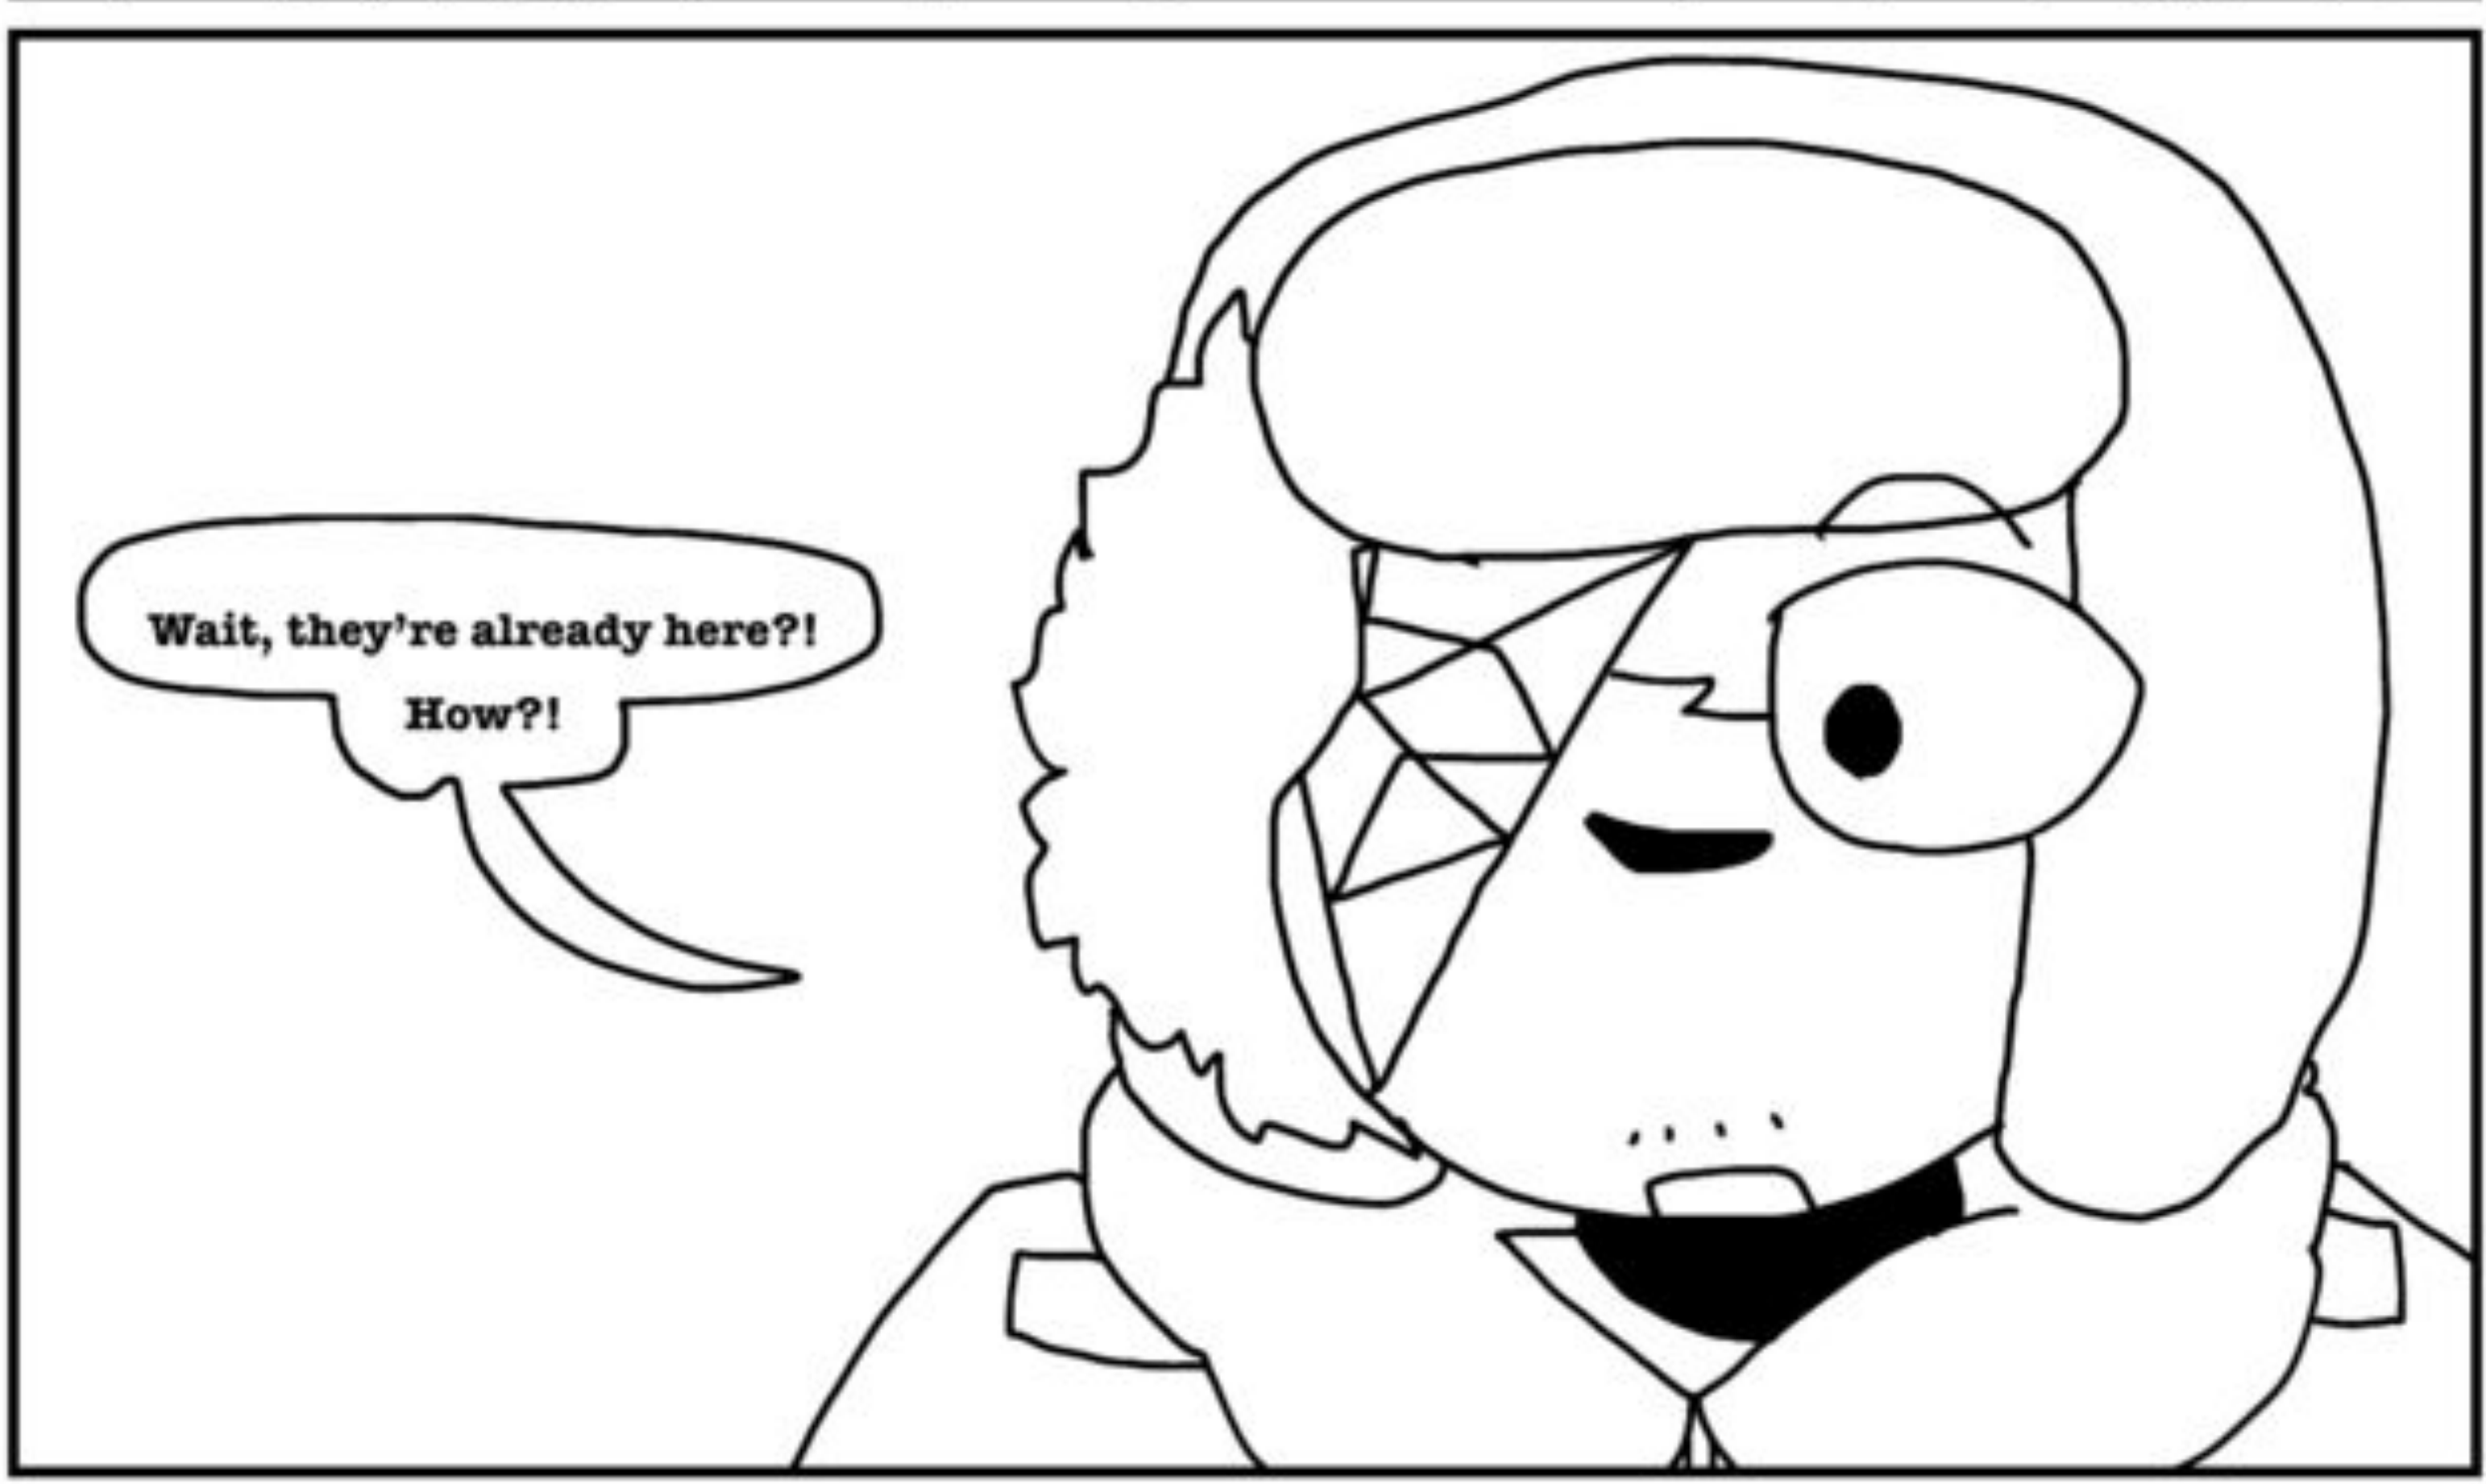

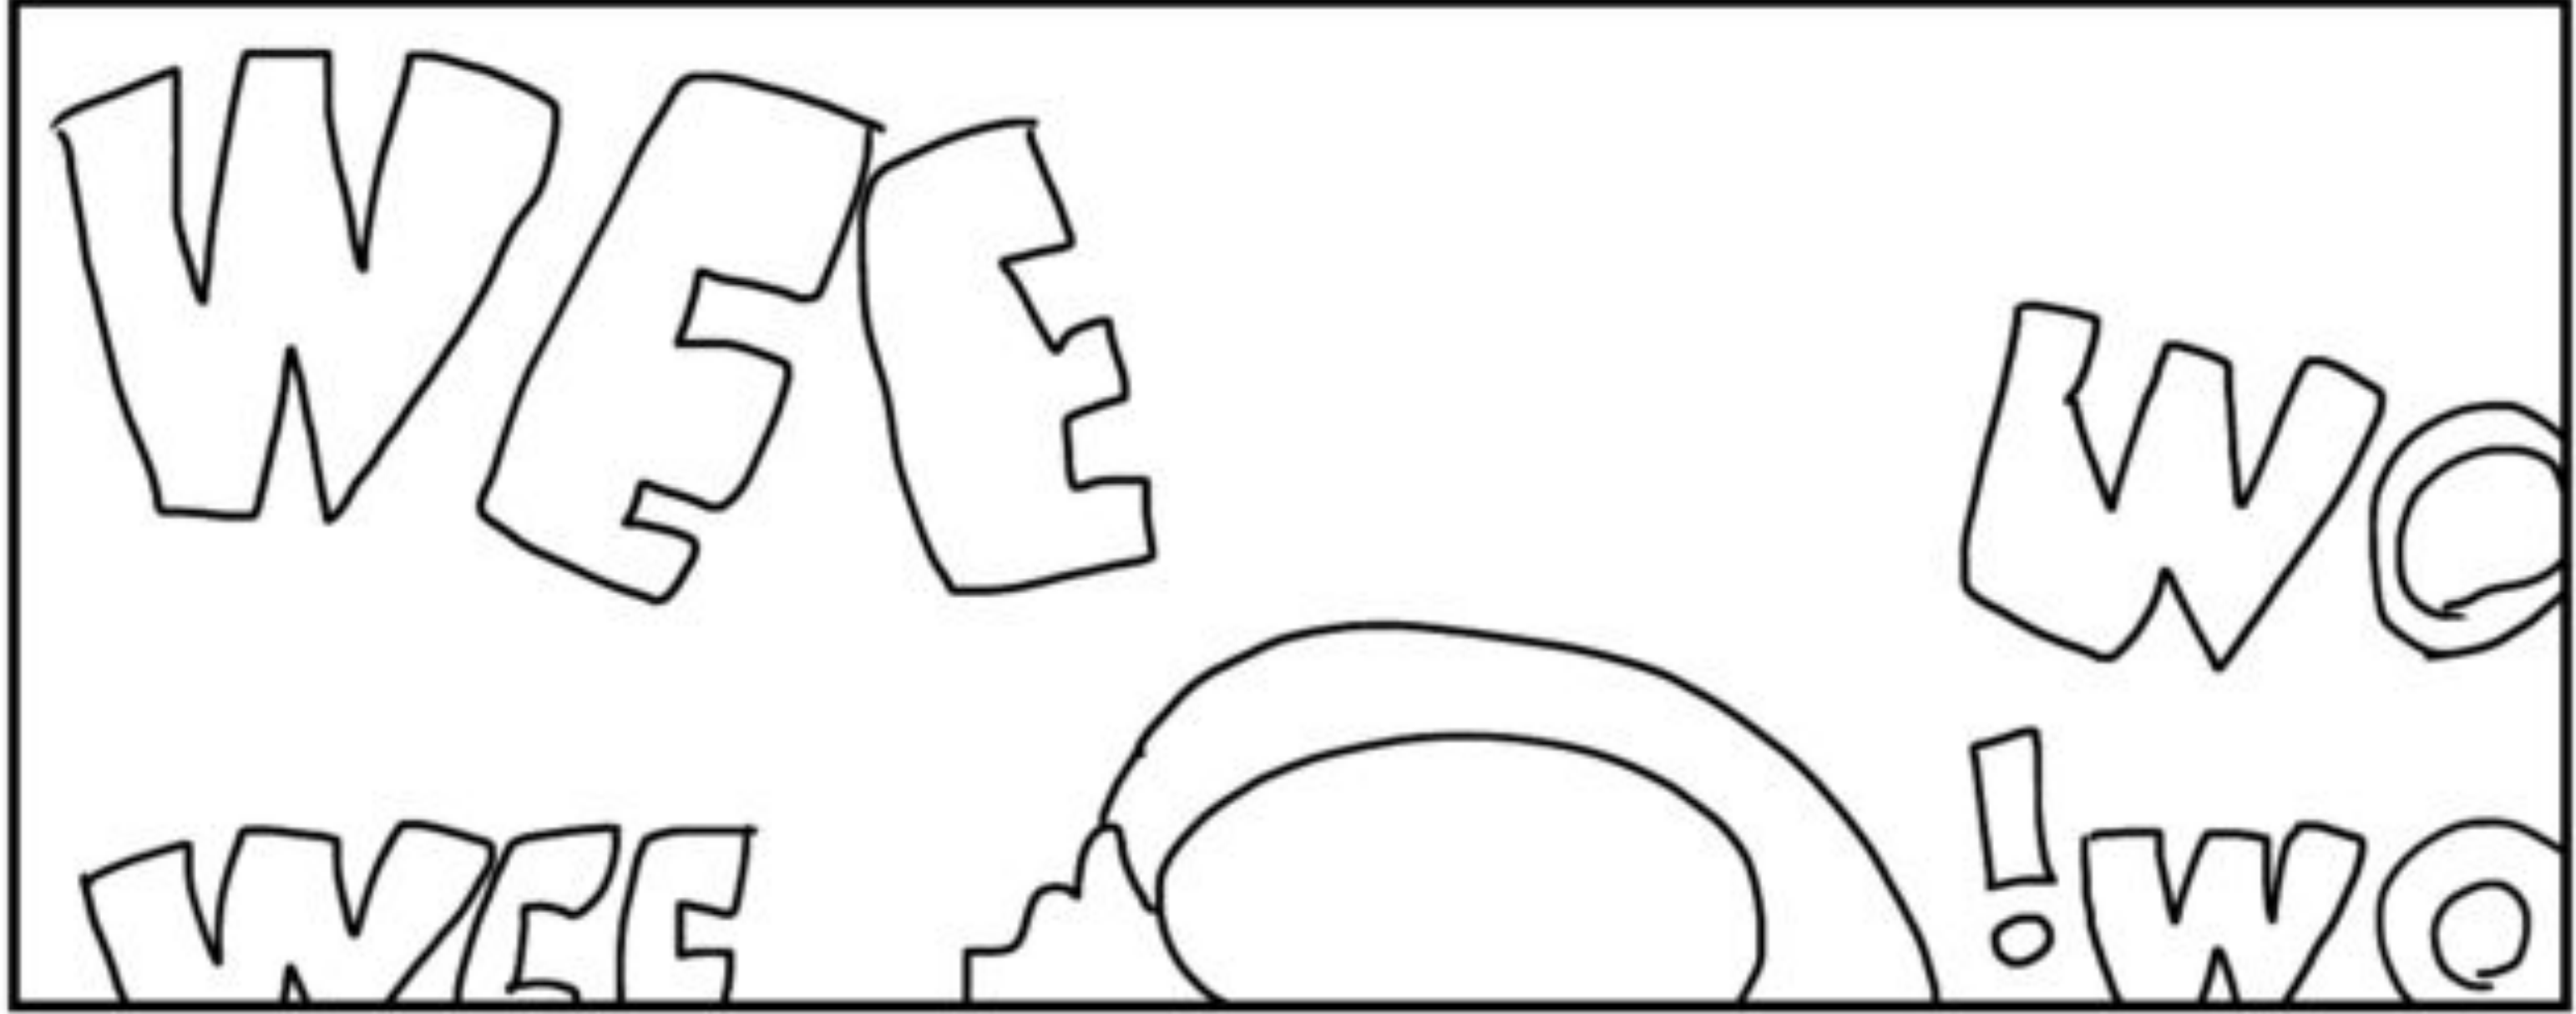

I'll have a
bouncy ball instead

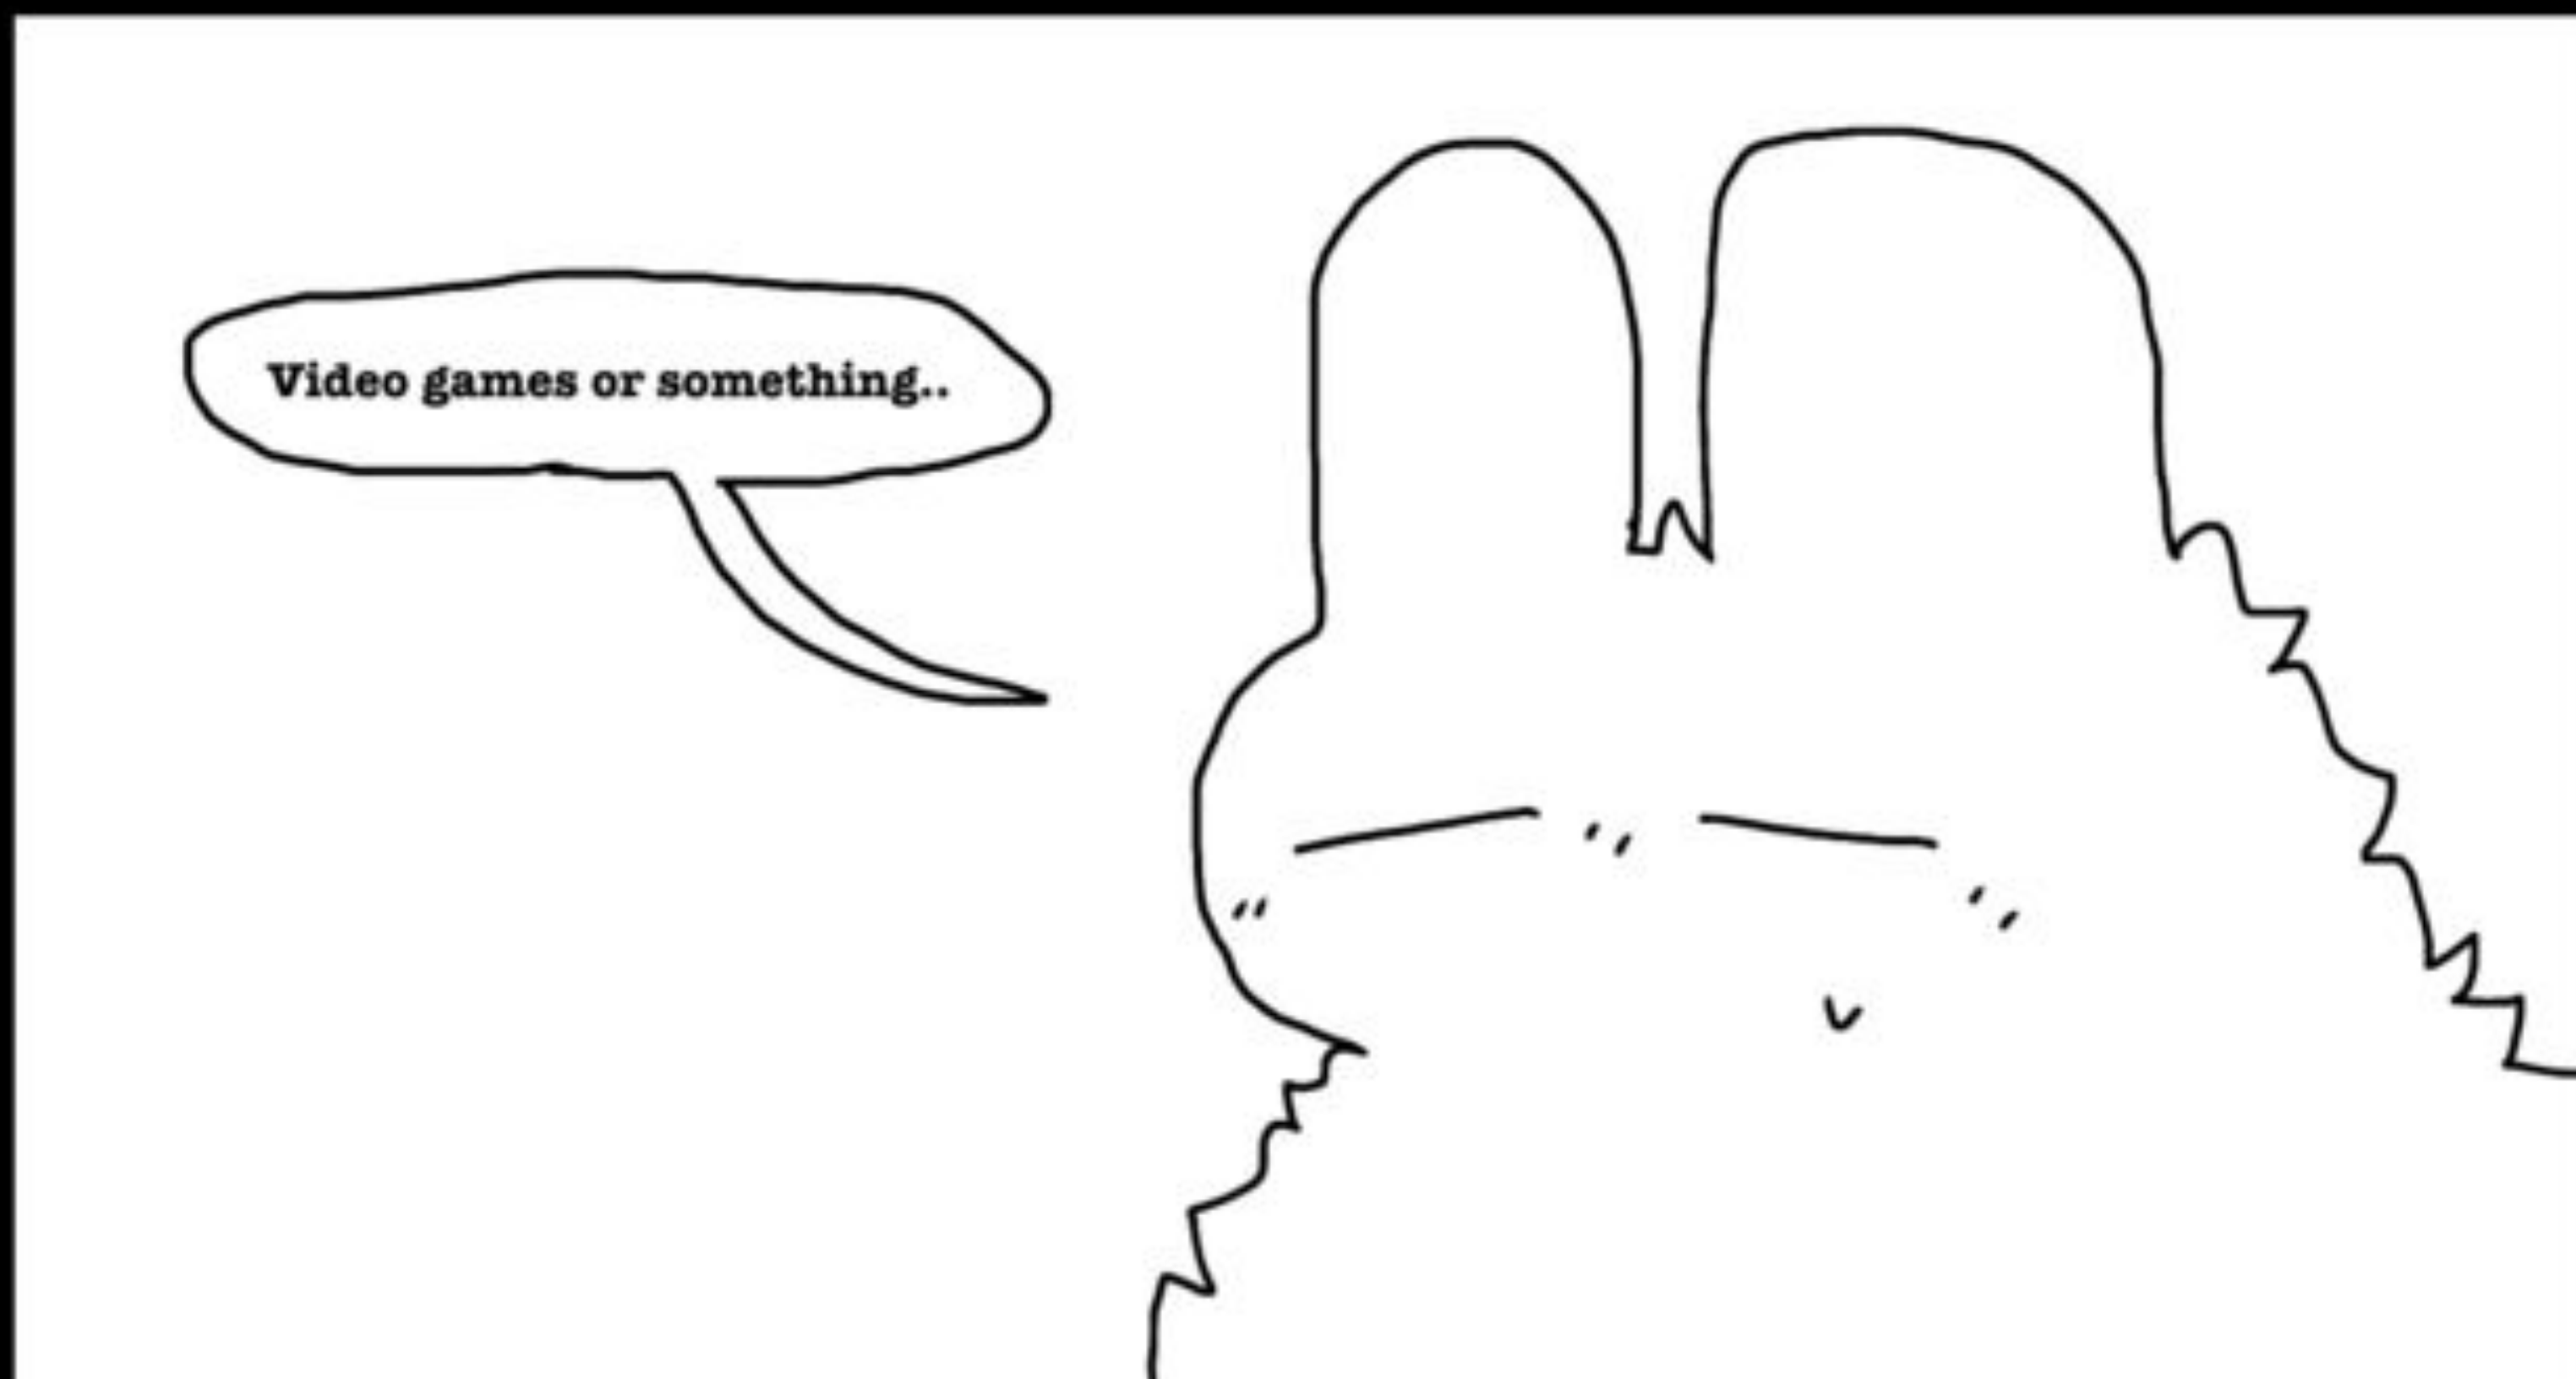

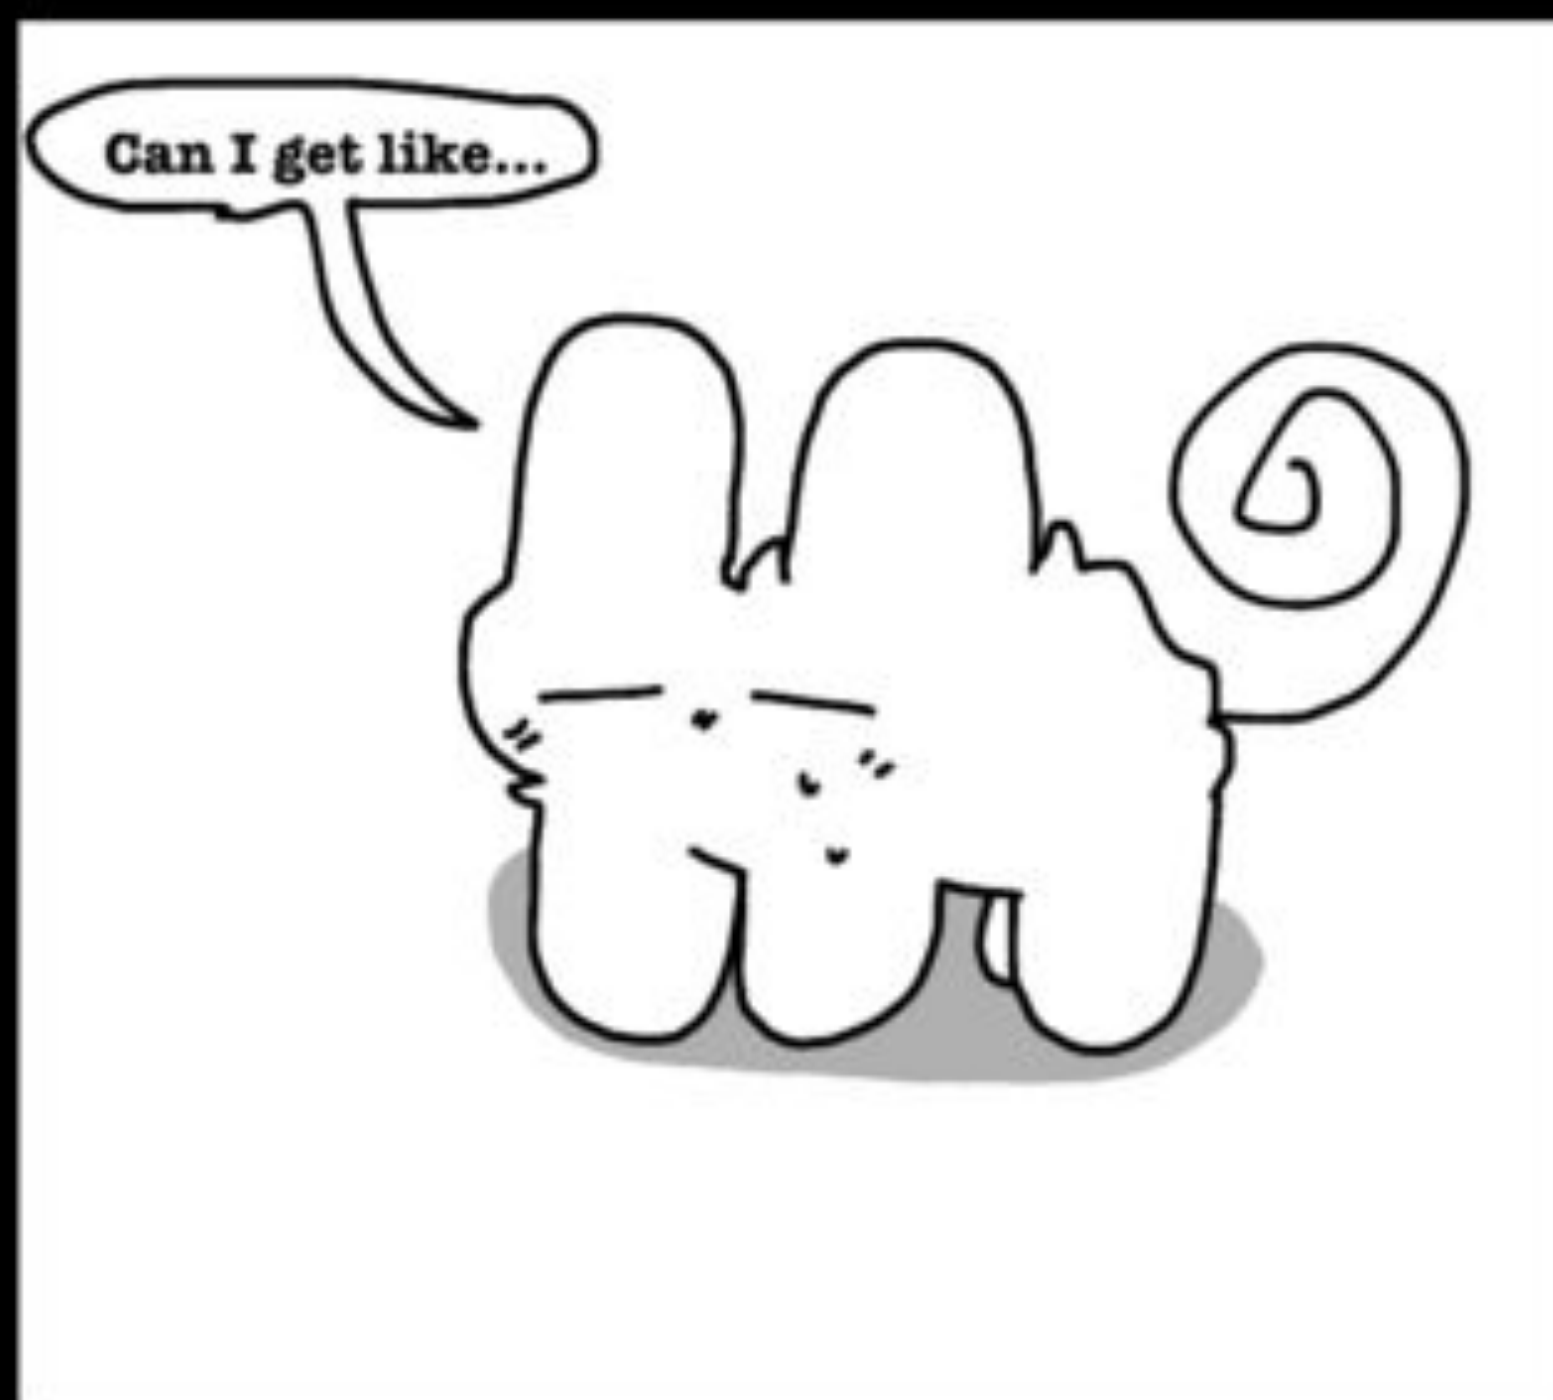

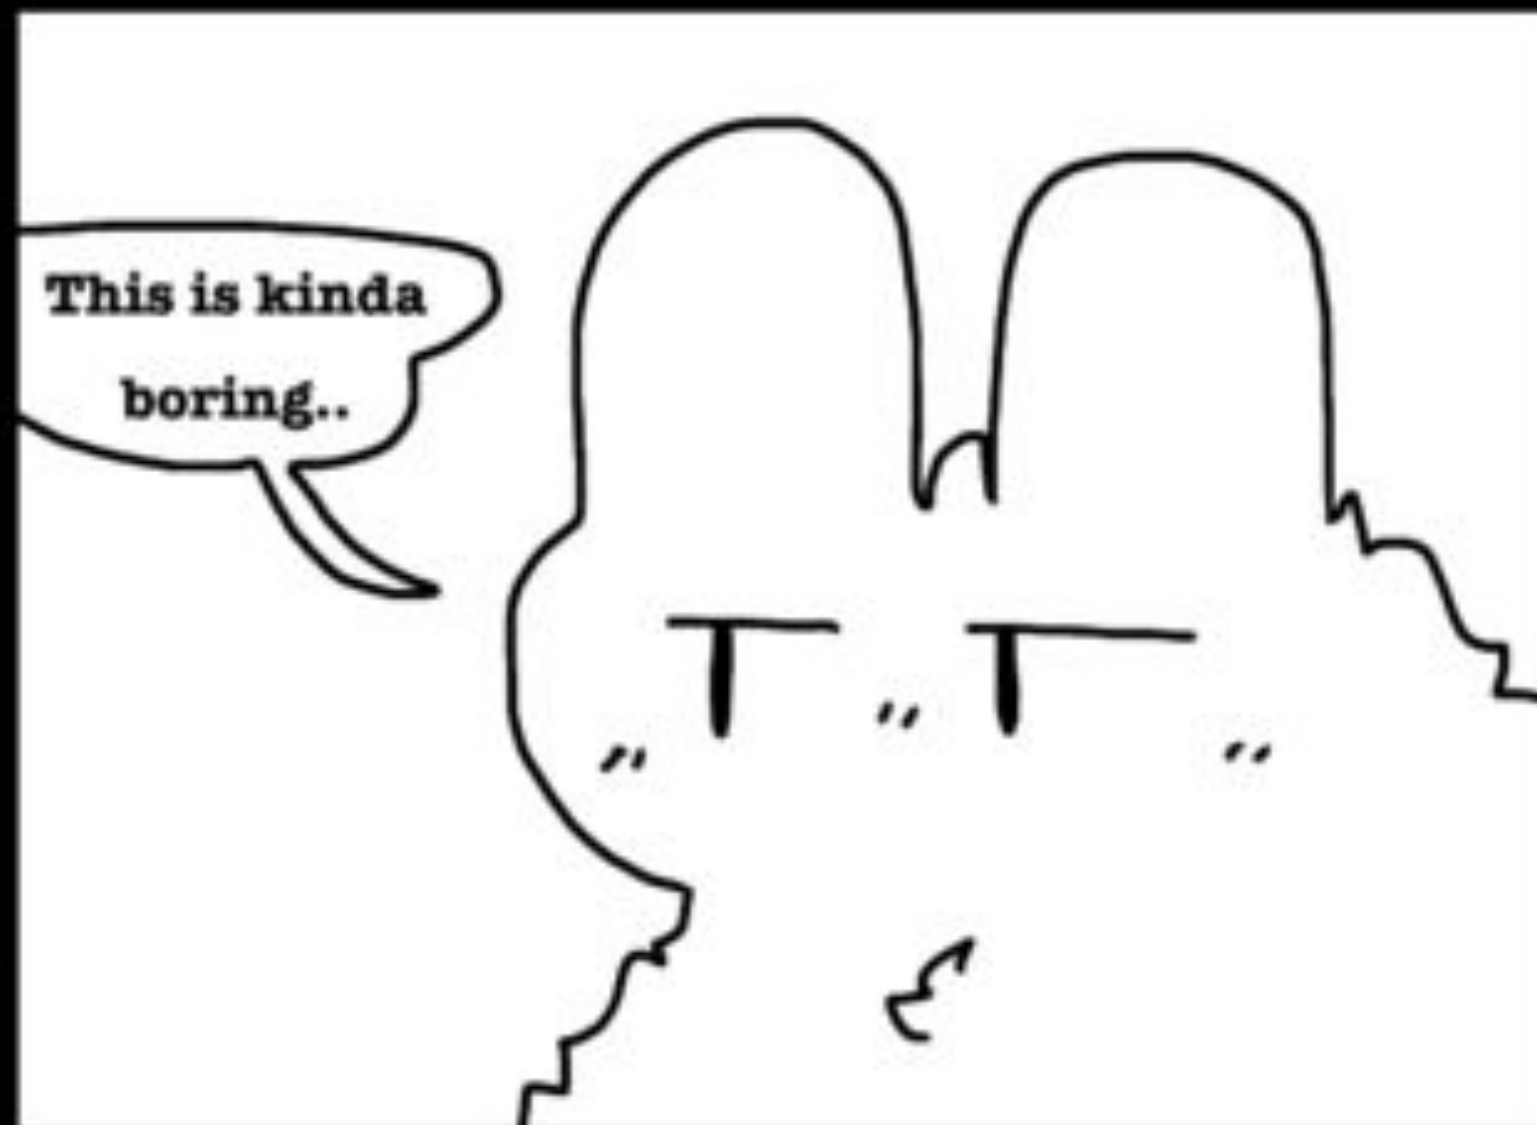

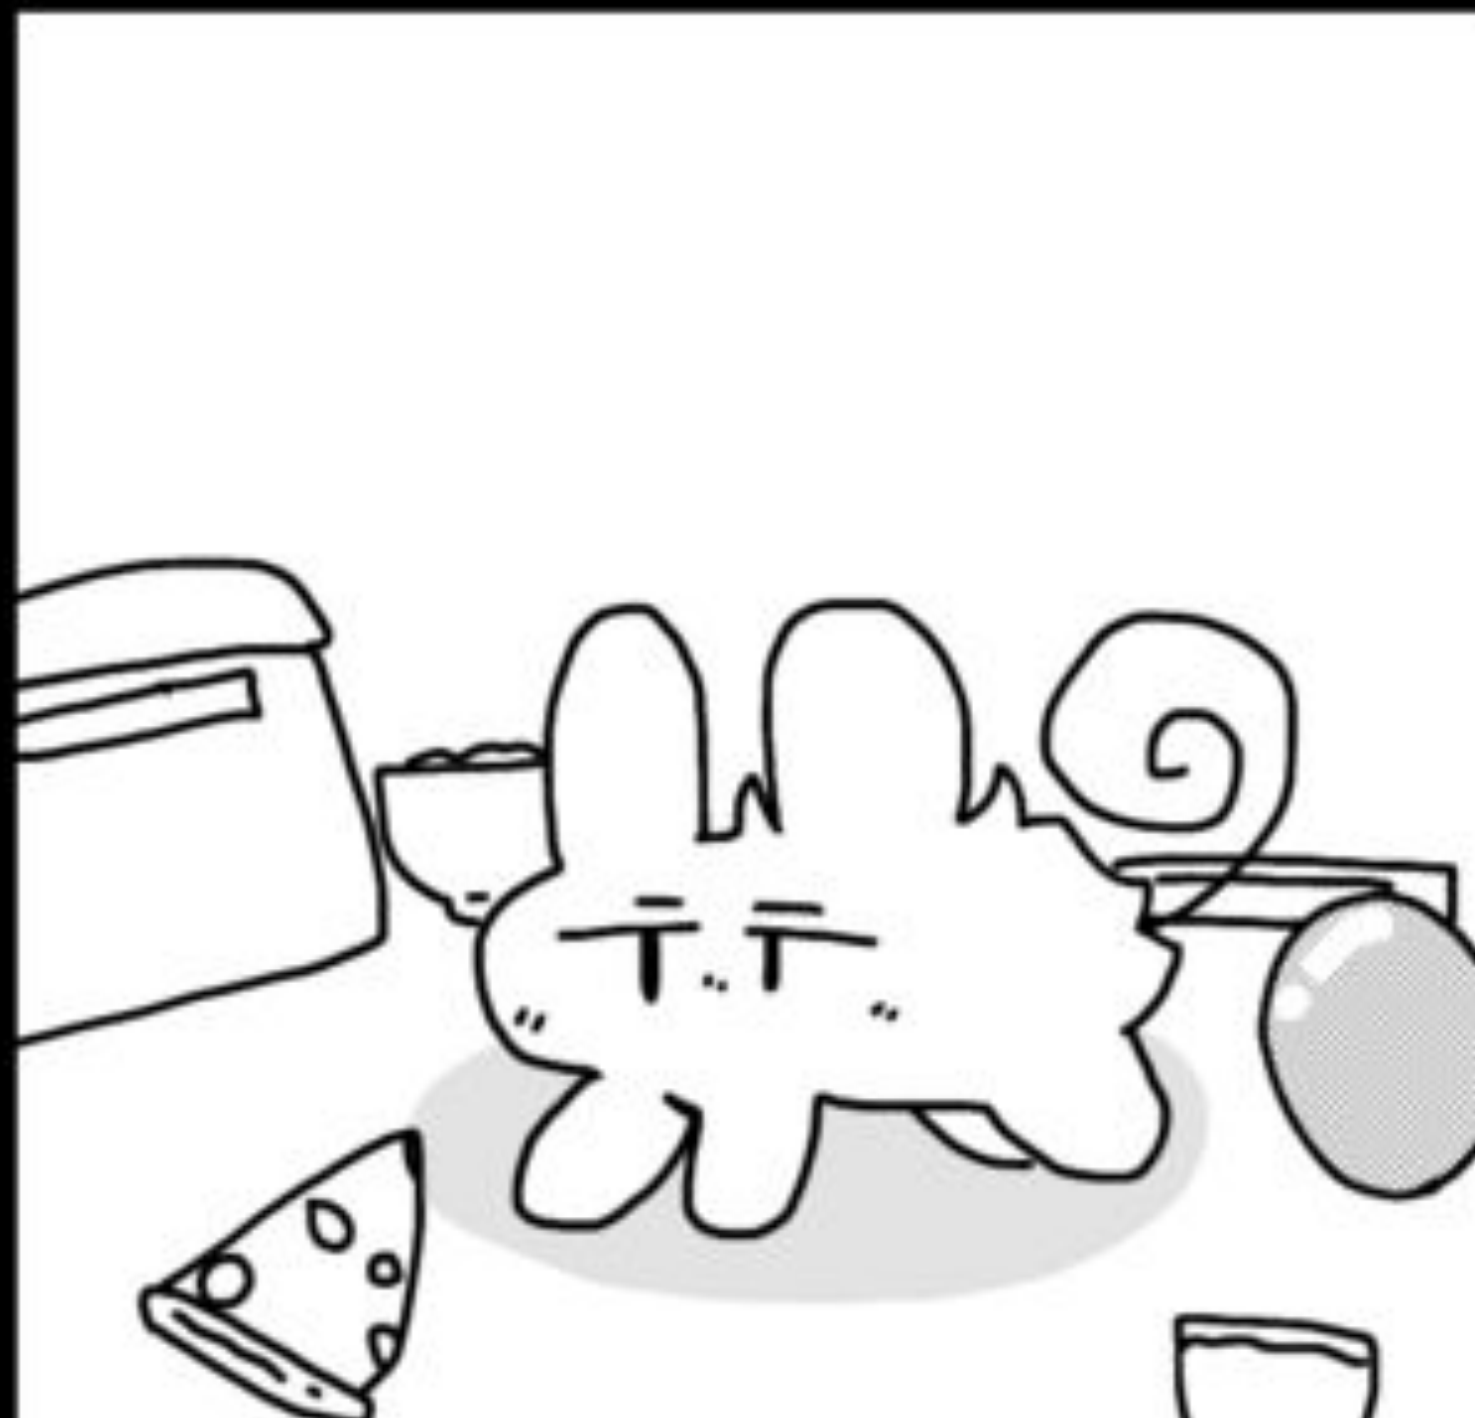

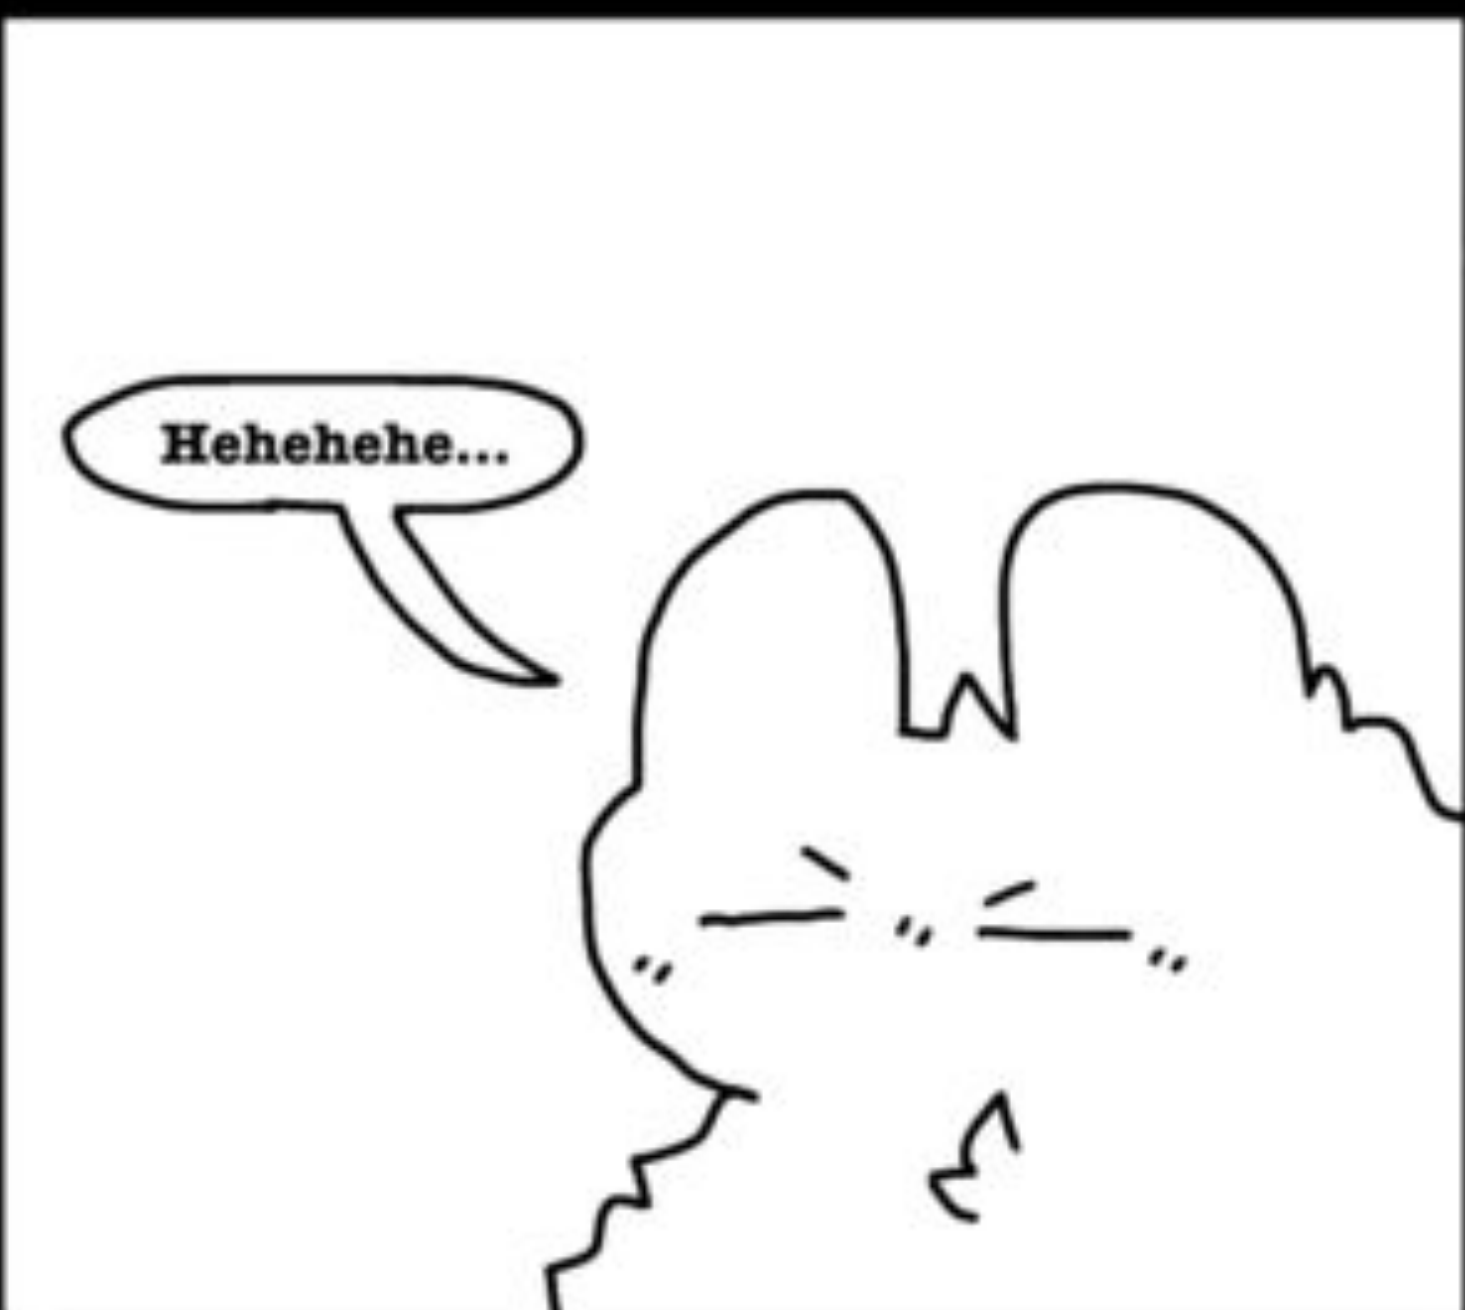

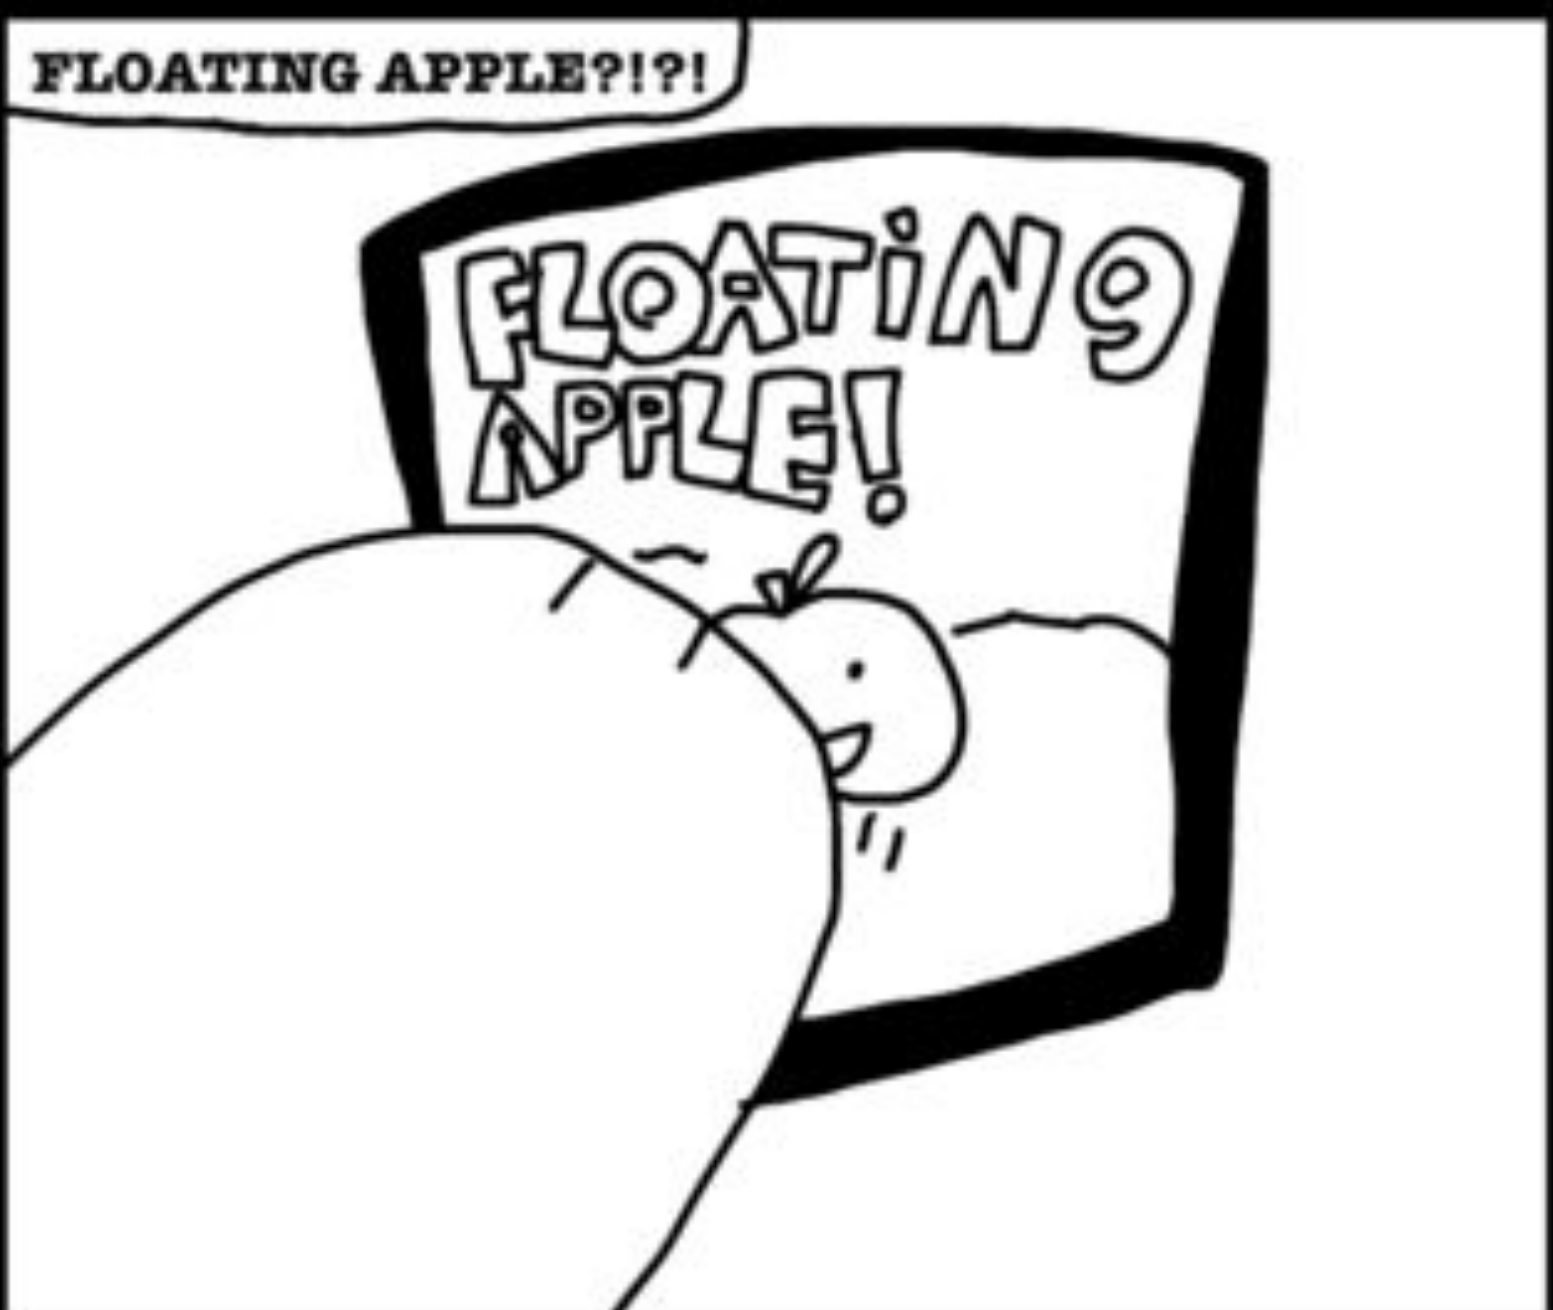

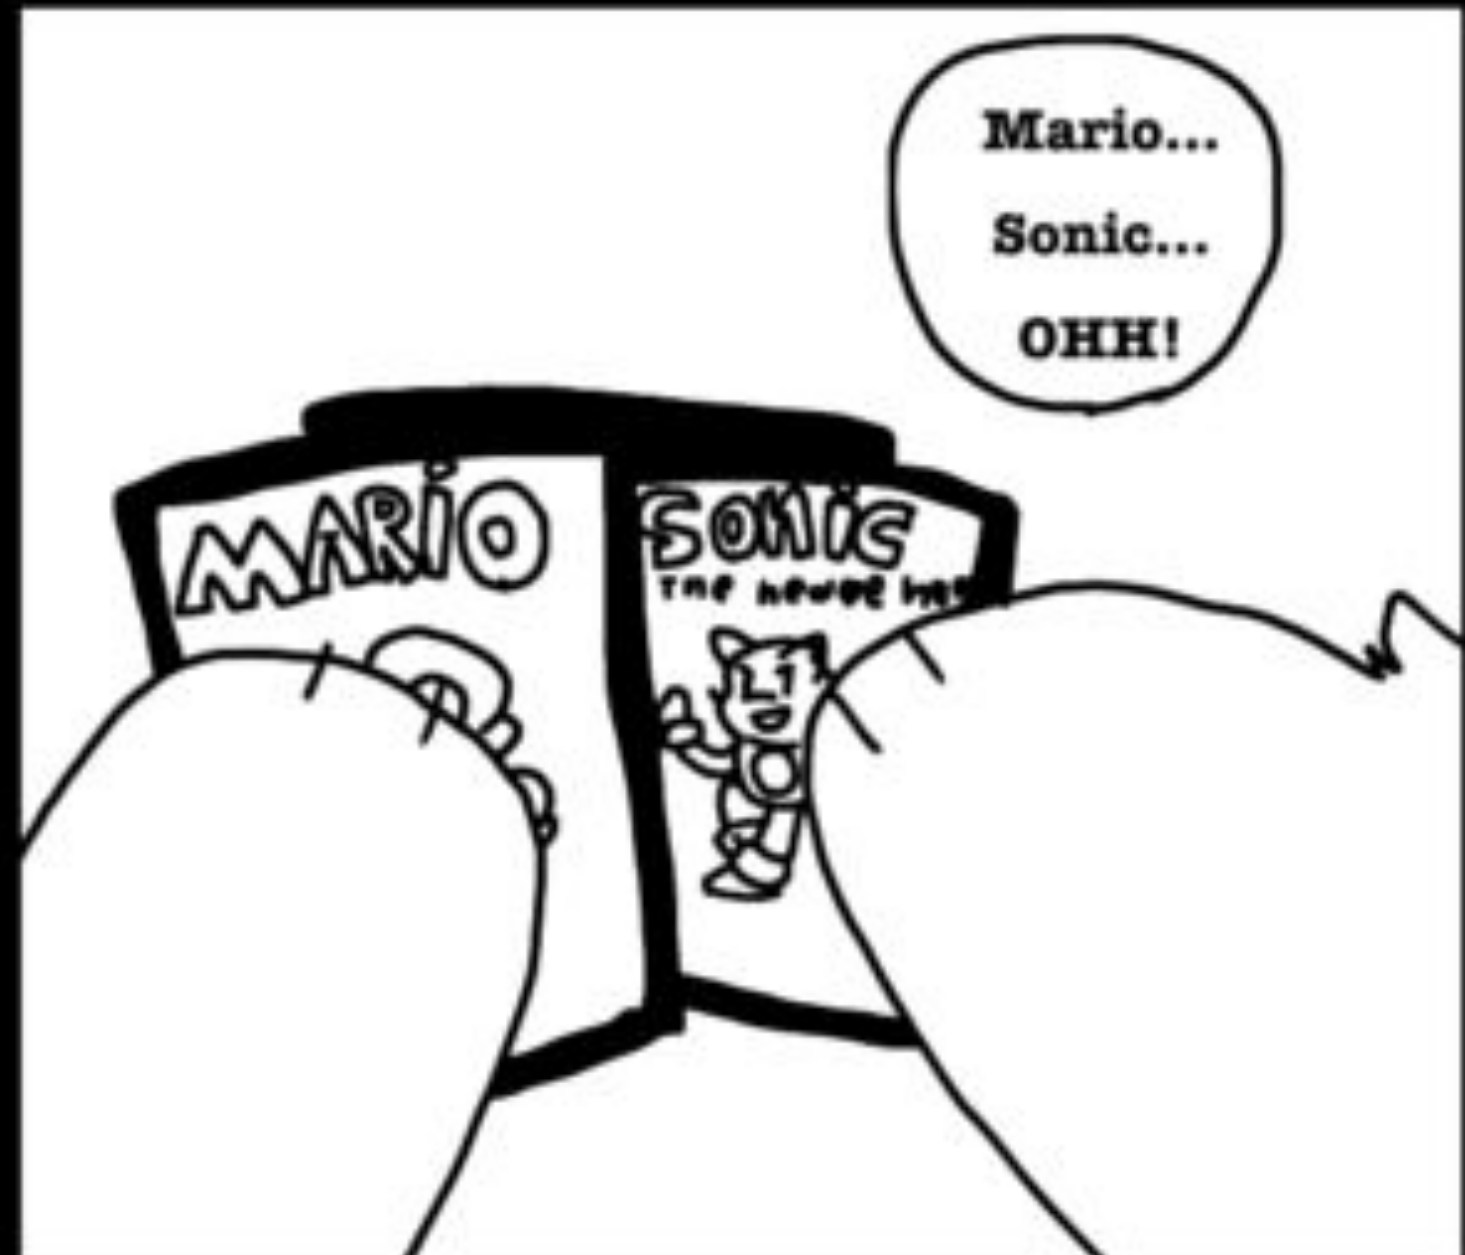

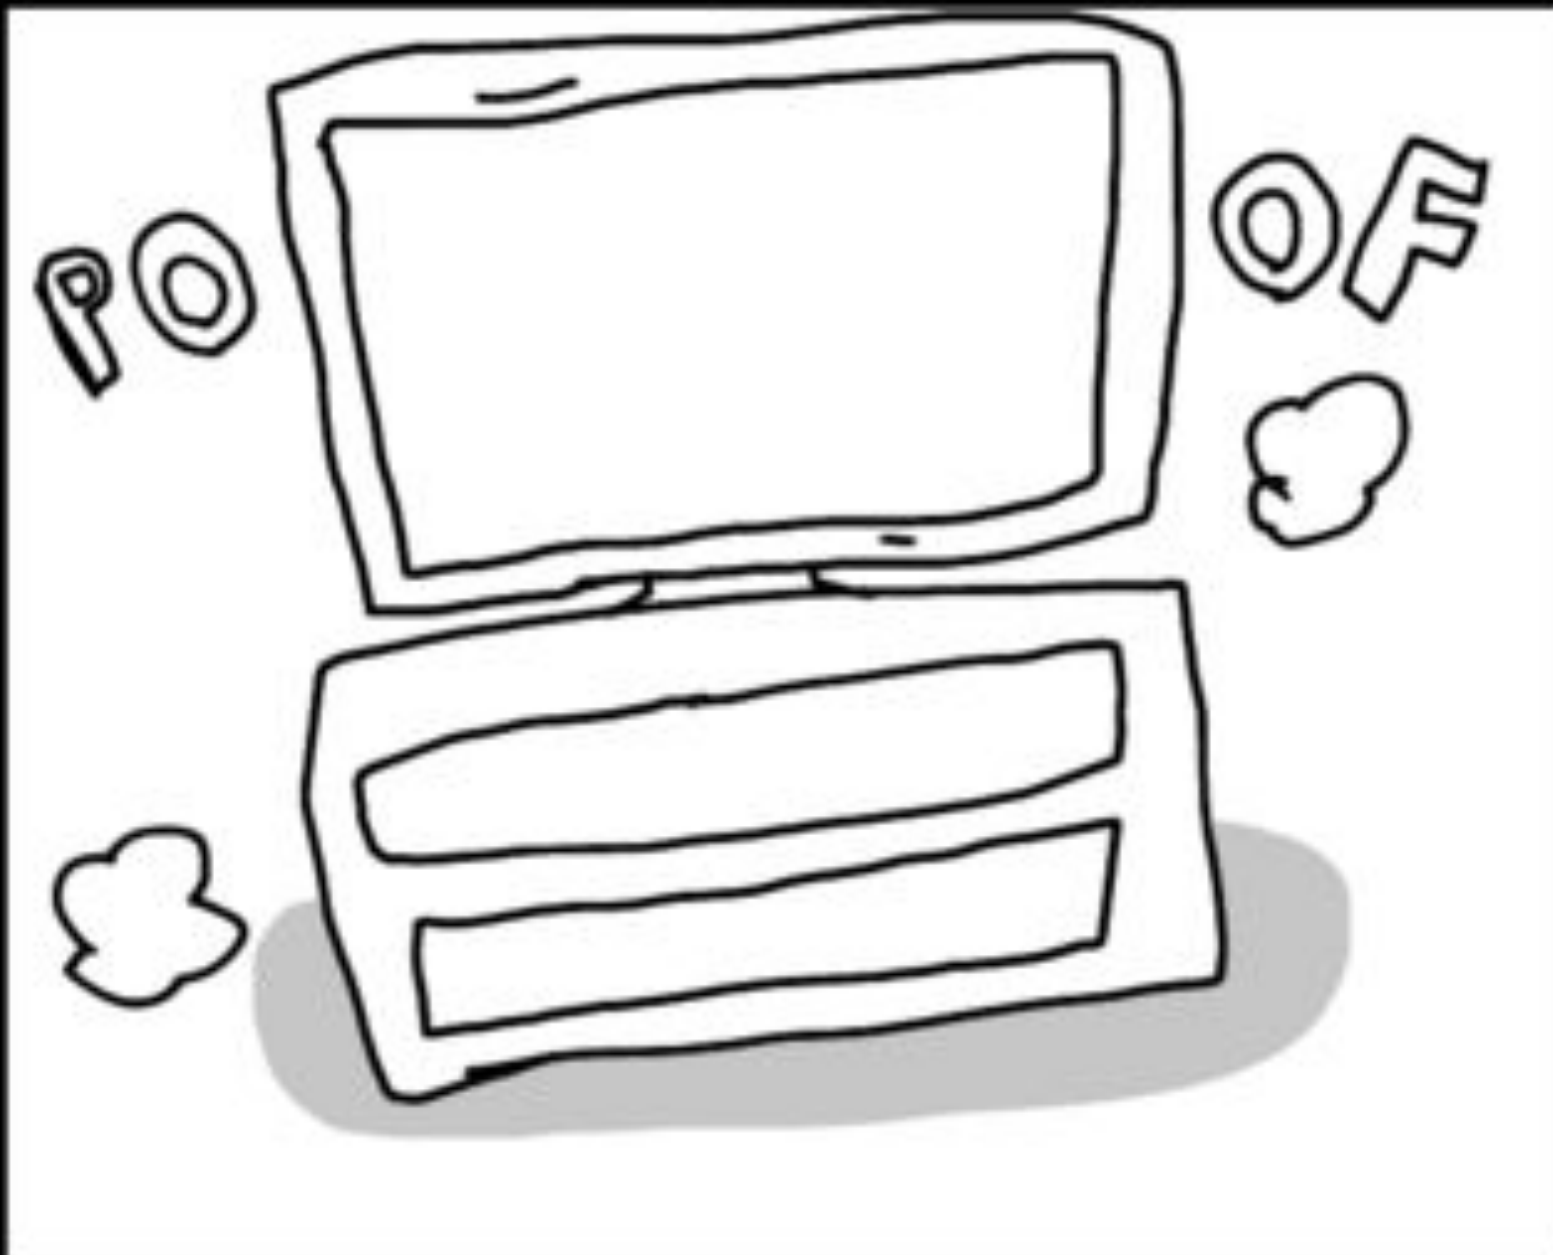

I think the snow has melted
enough for the ambulance
to come!

Sweet!

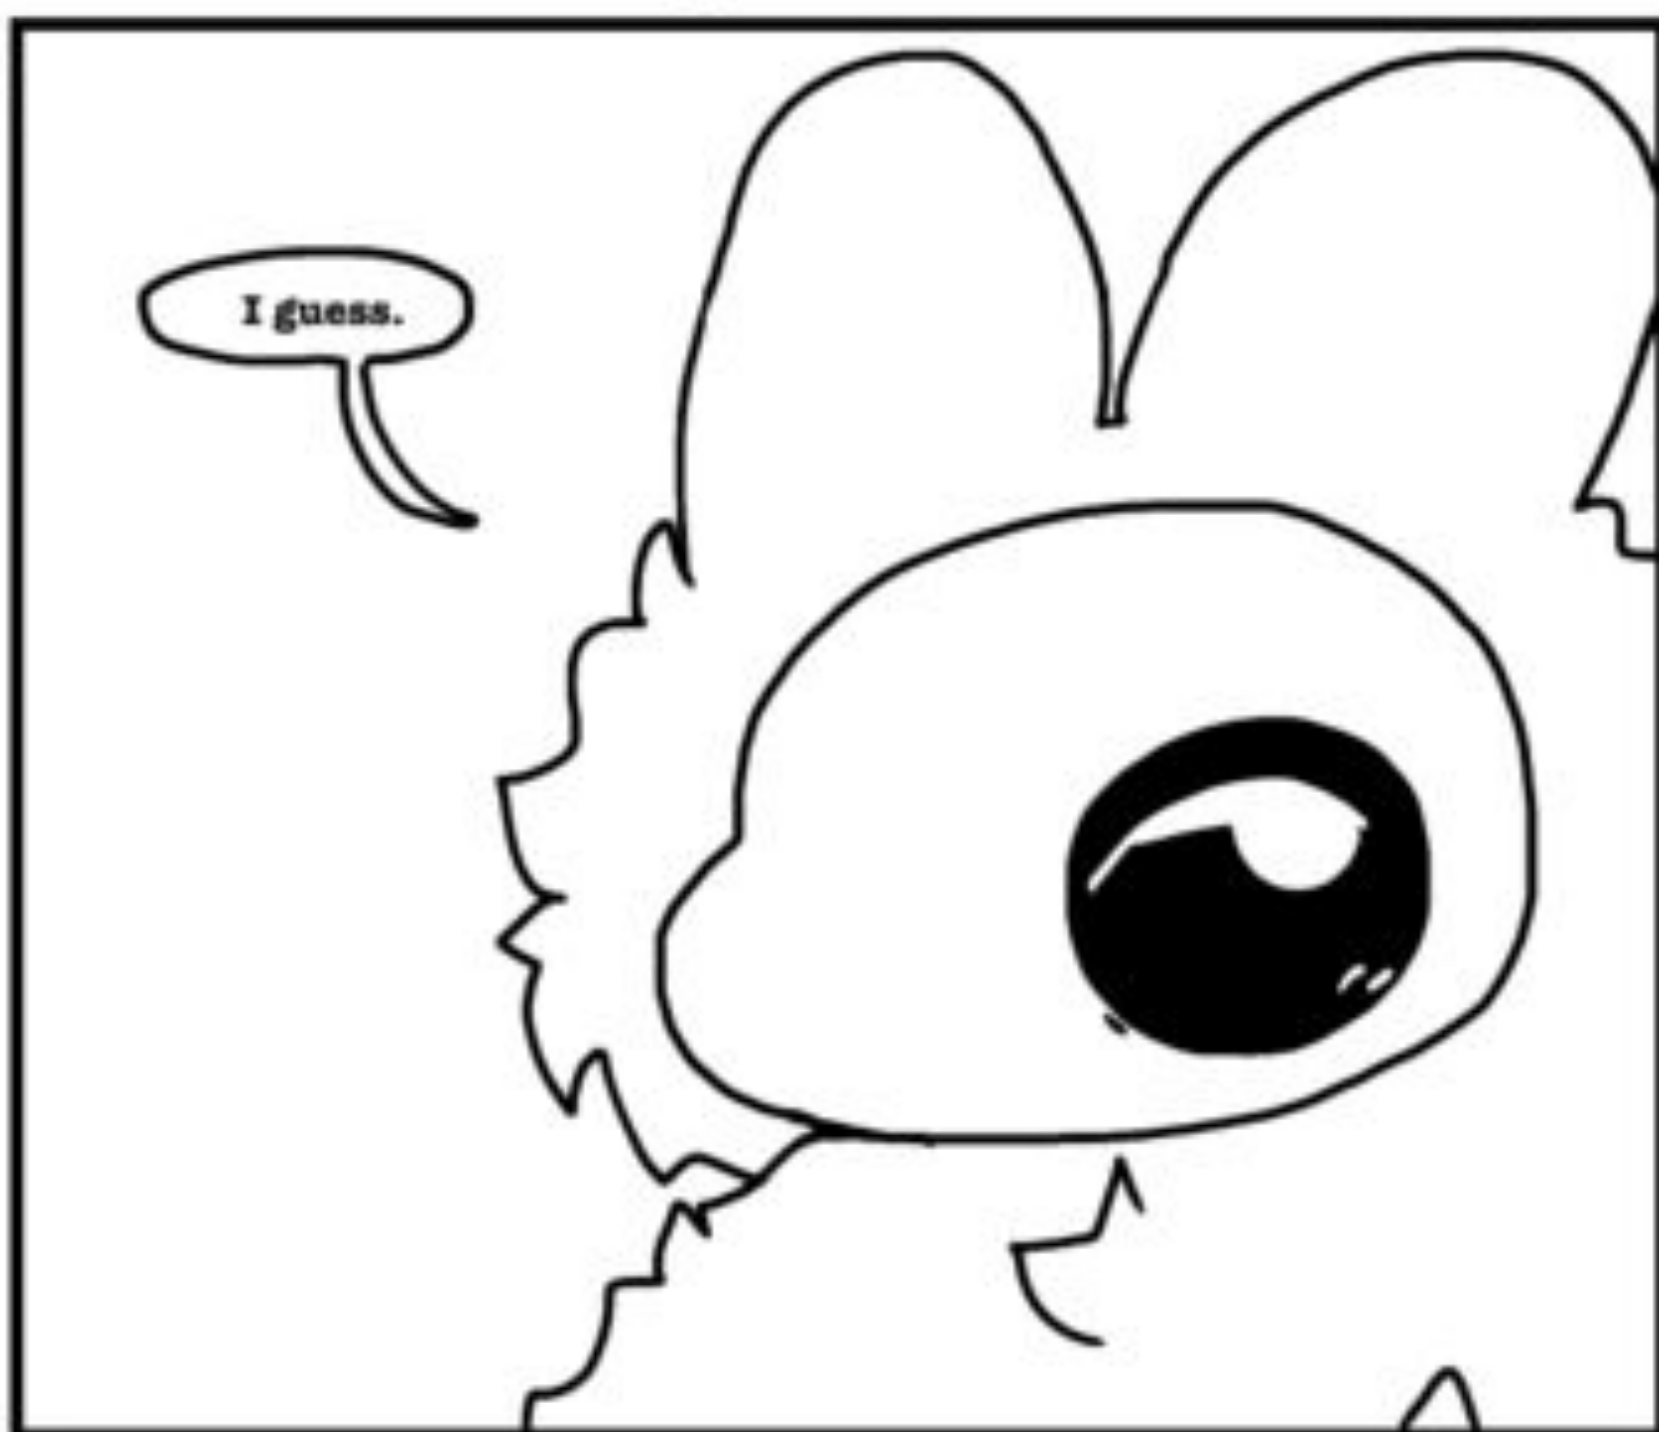

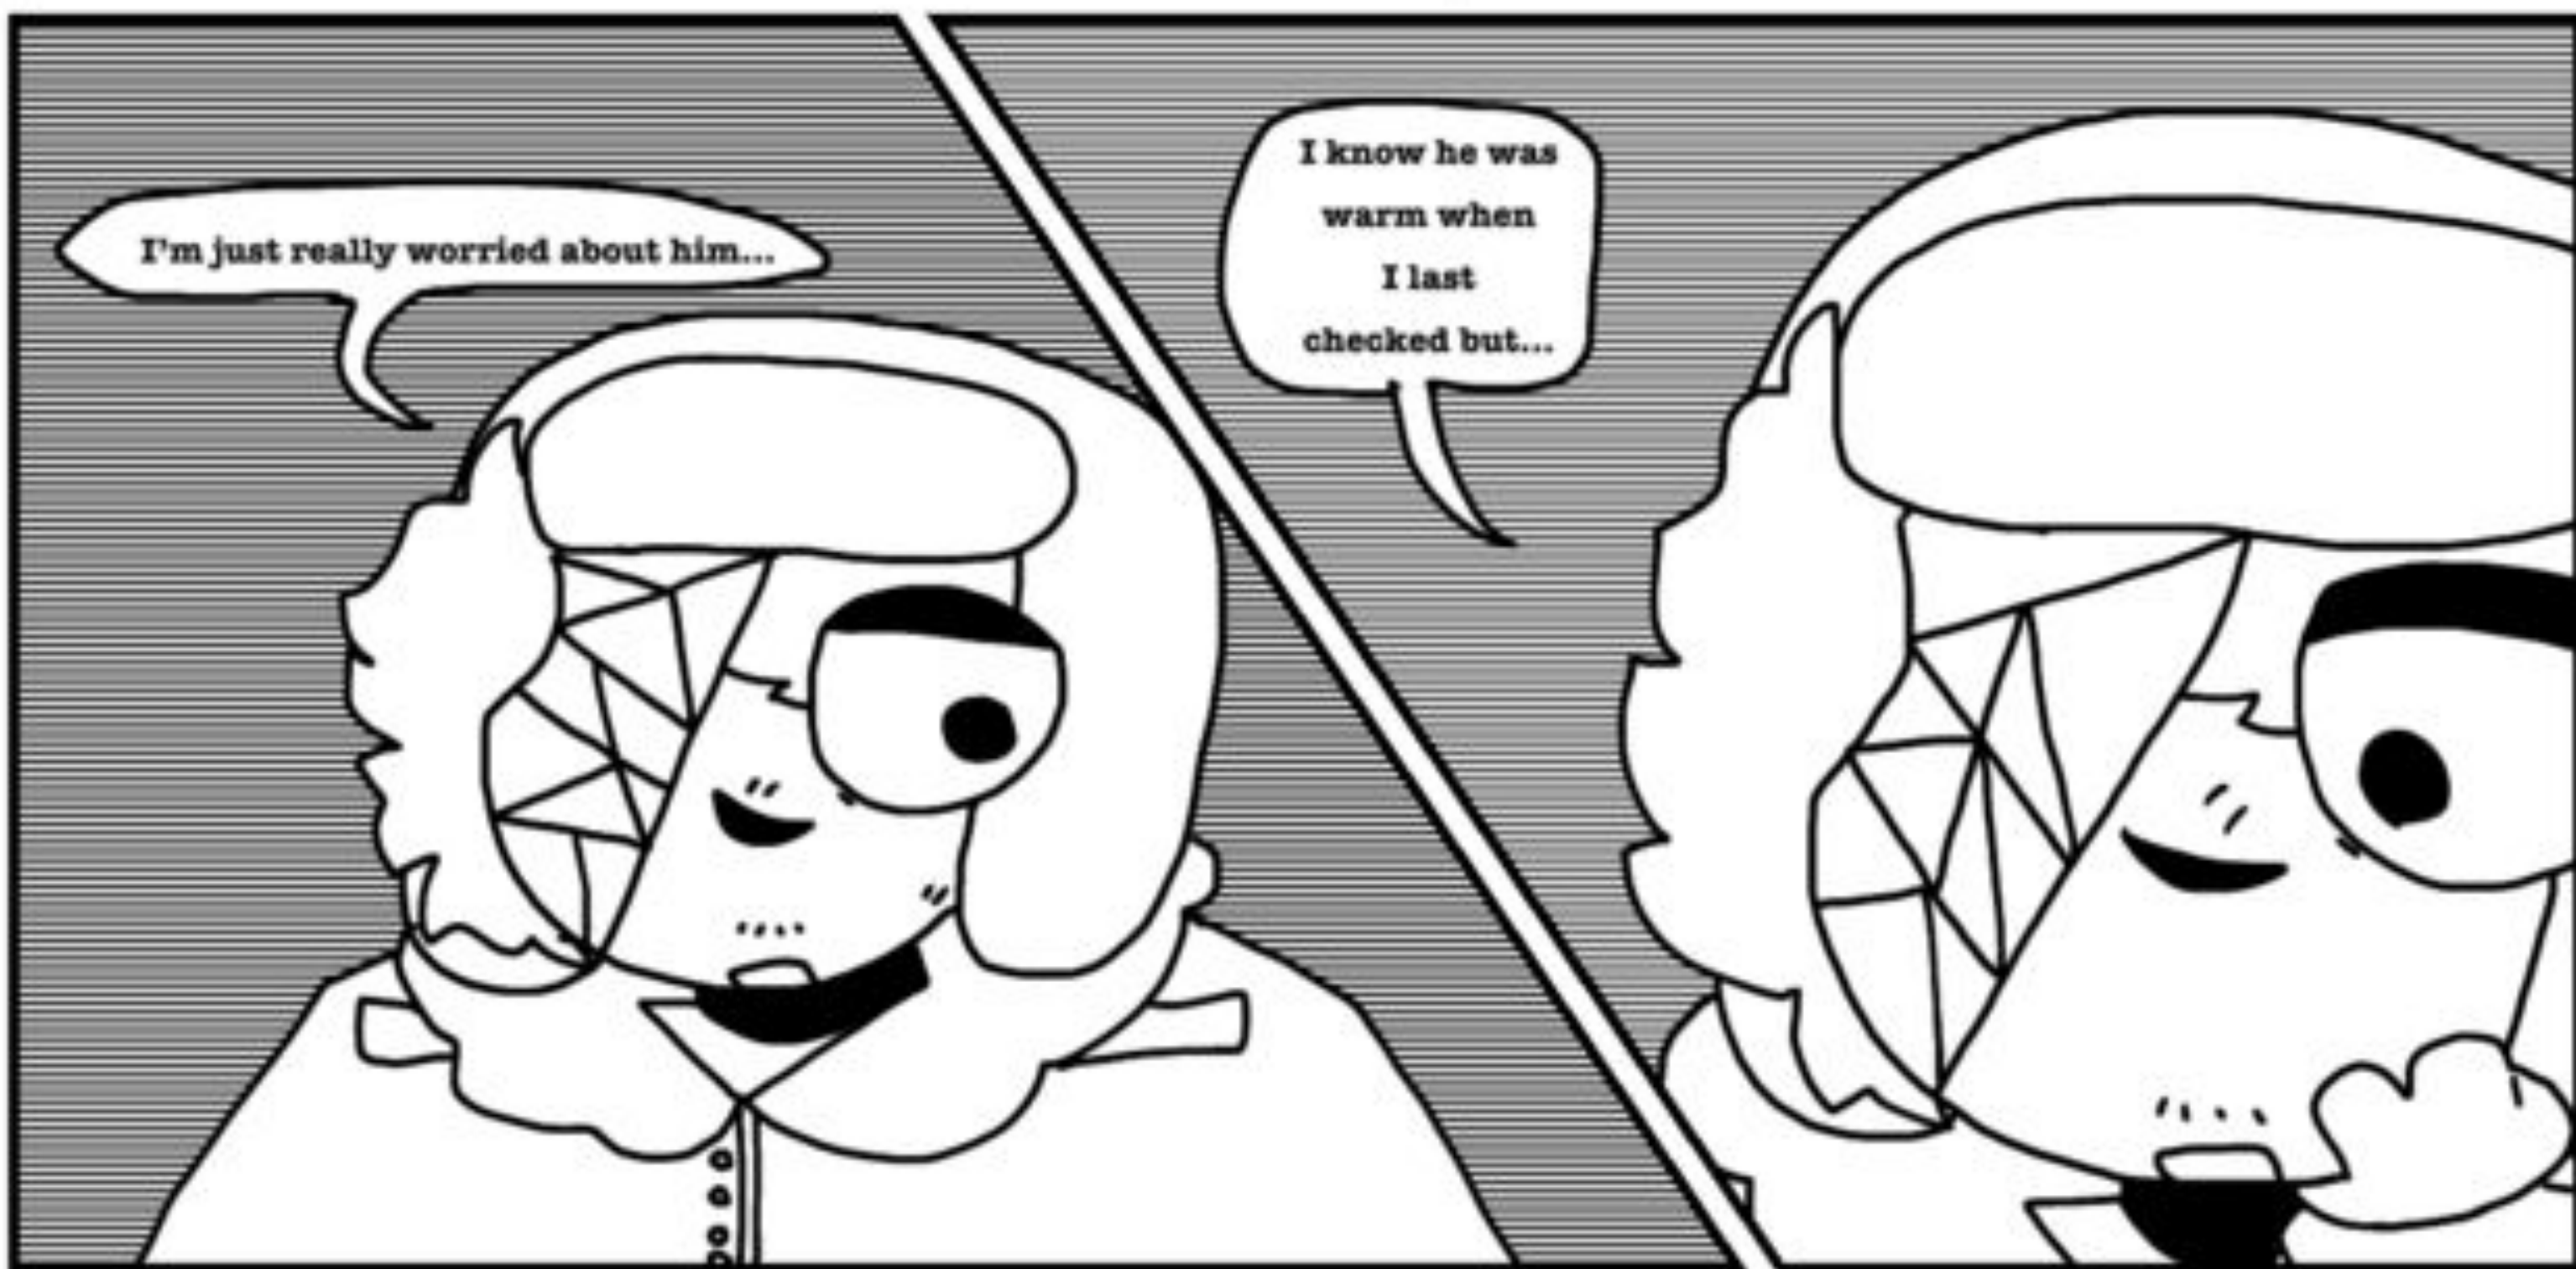

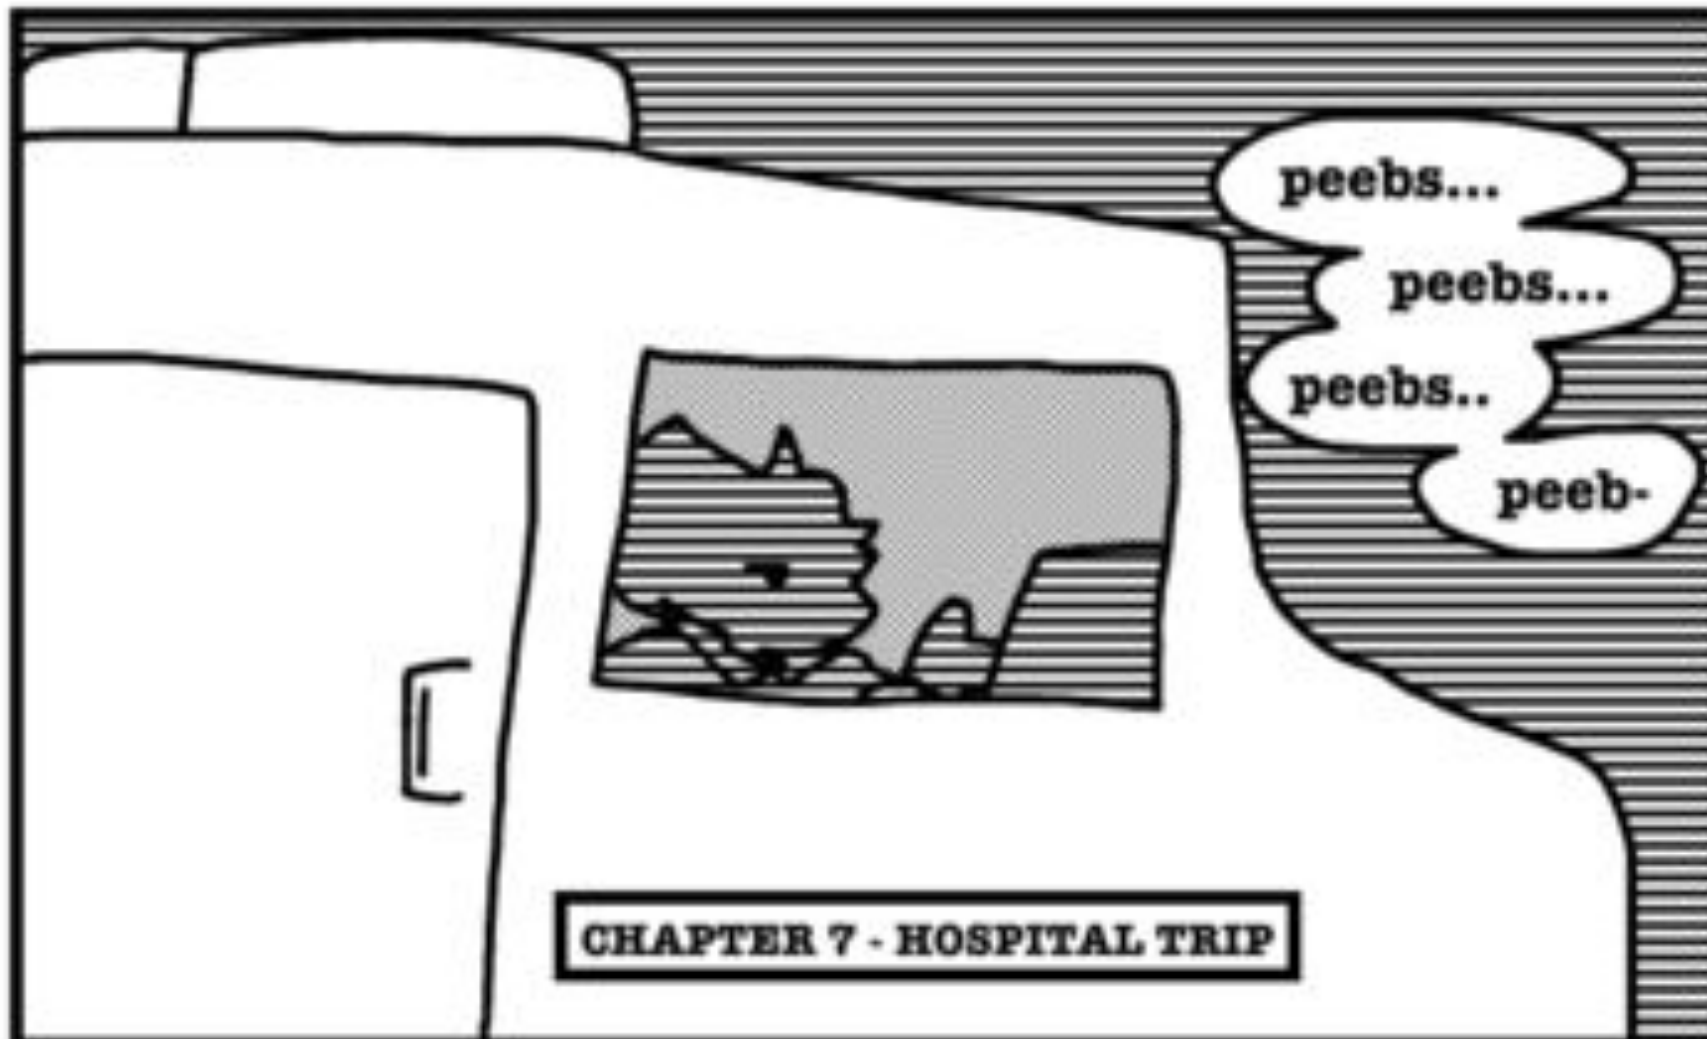

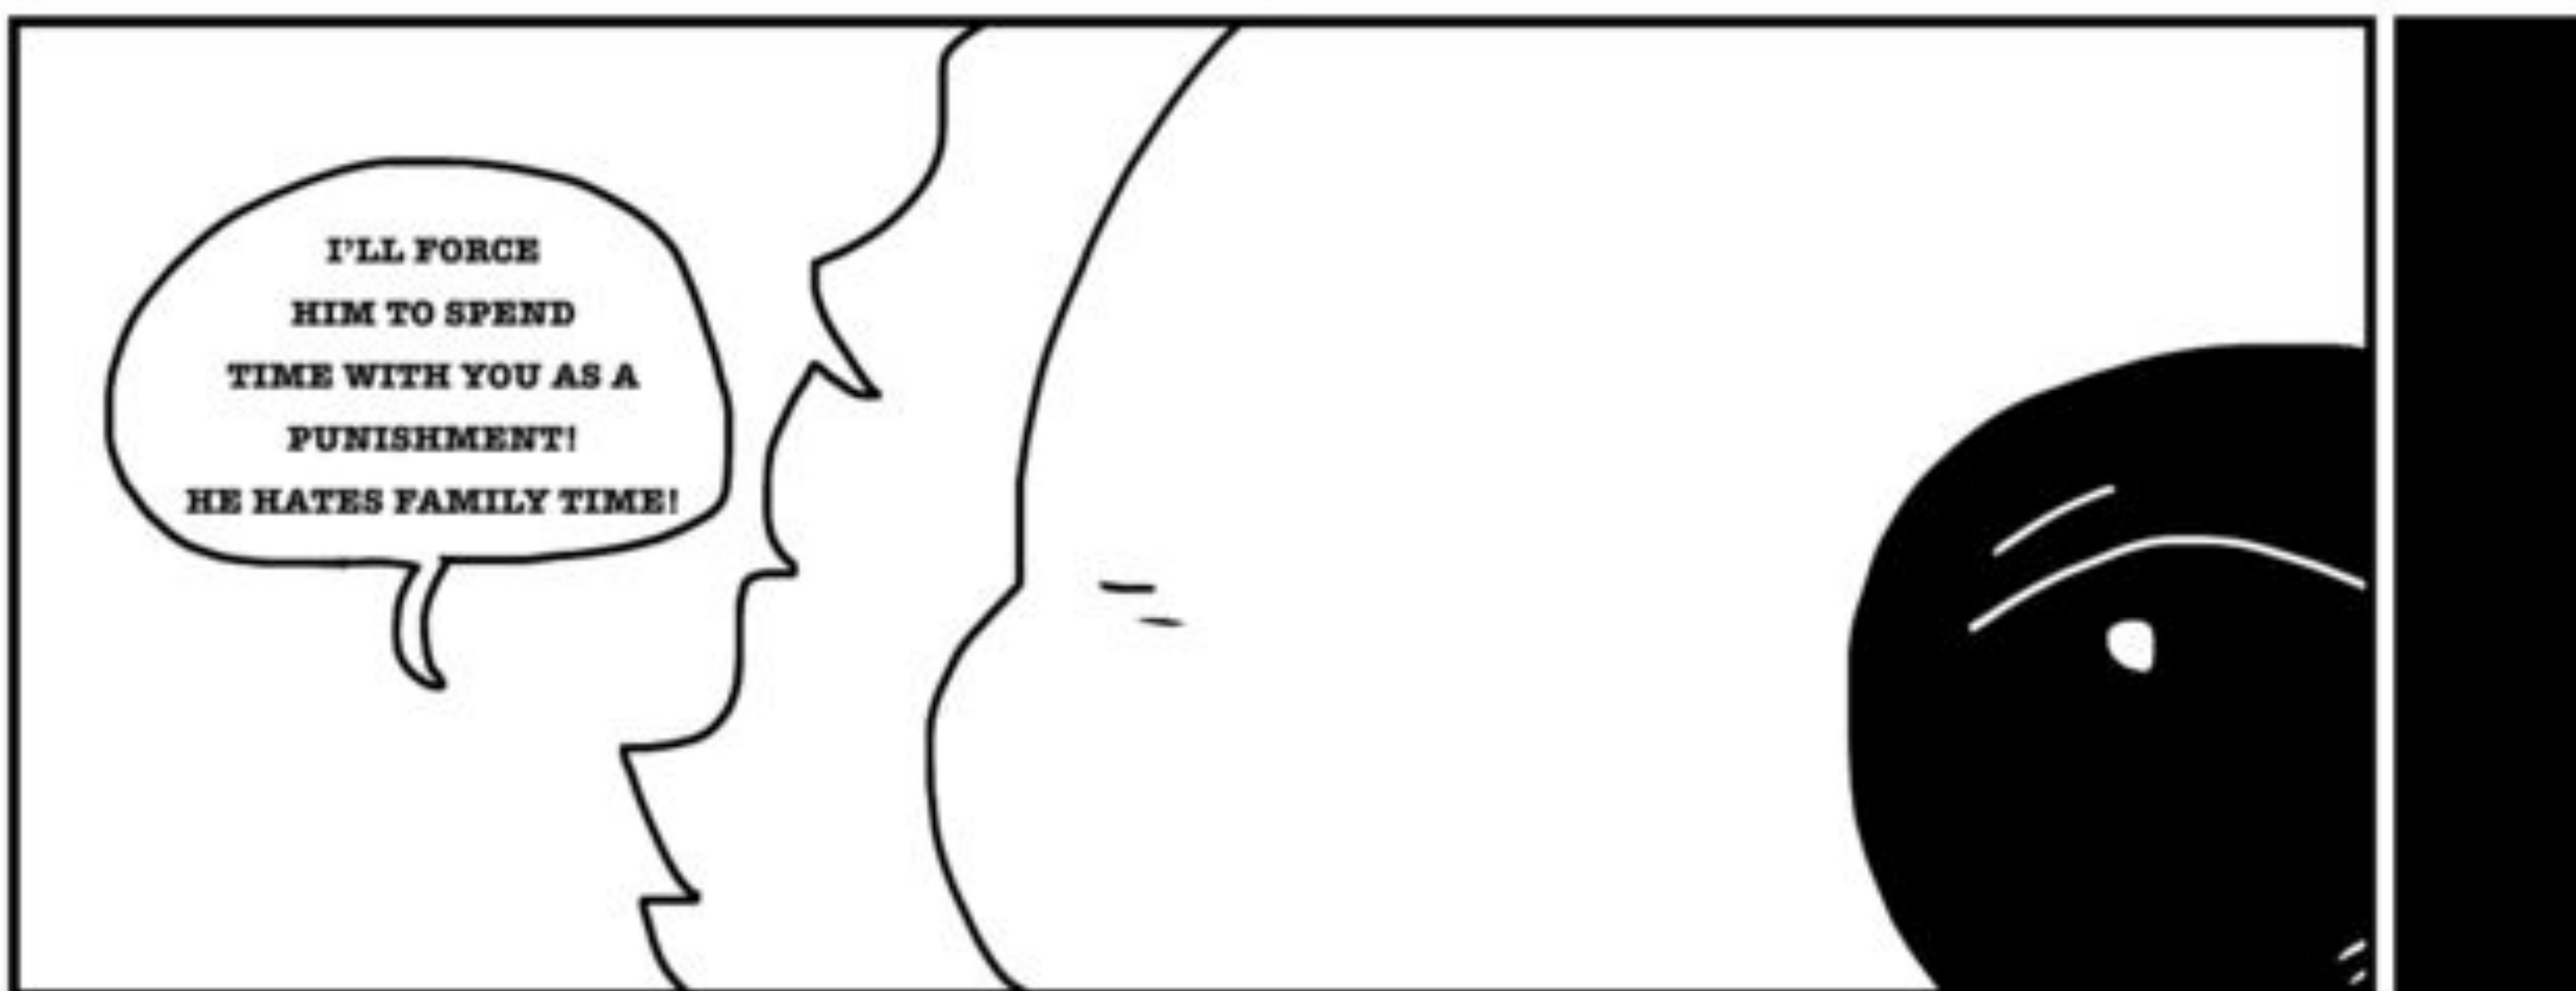

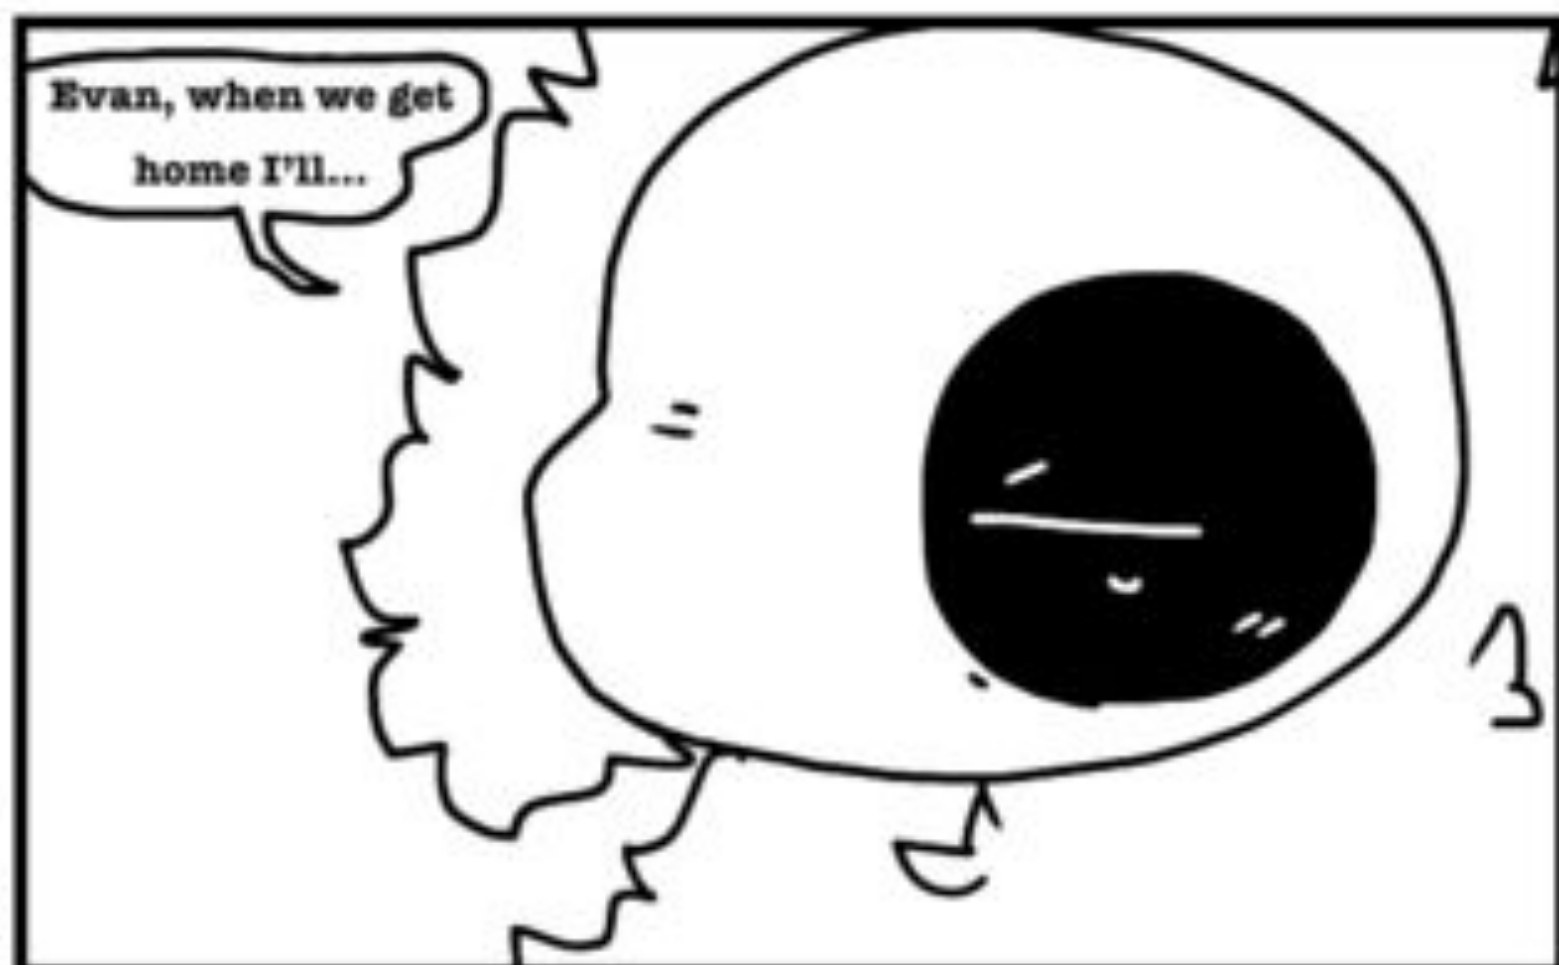

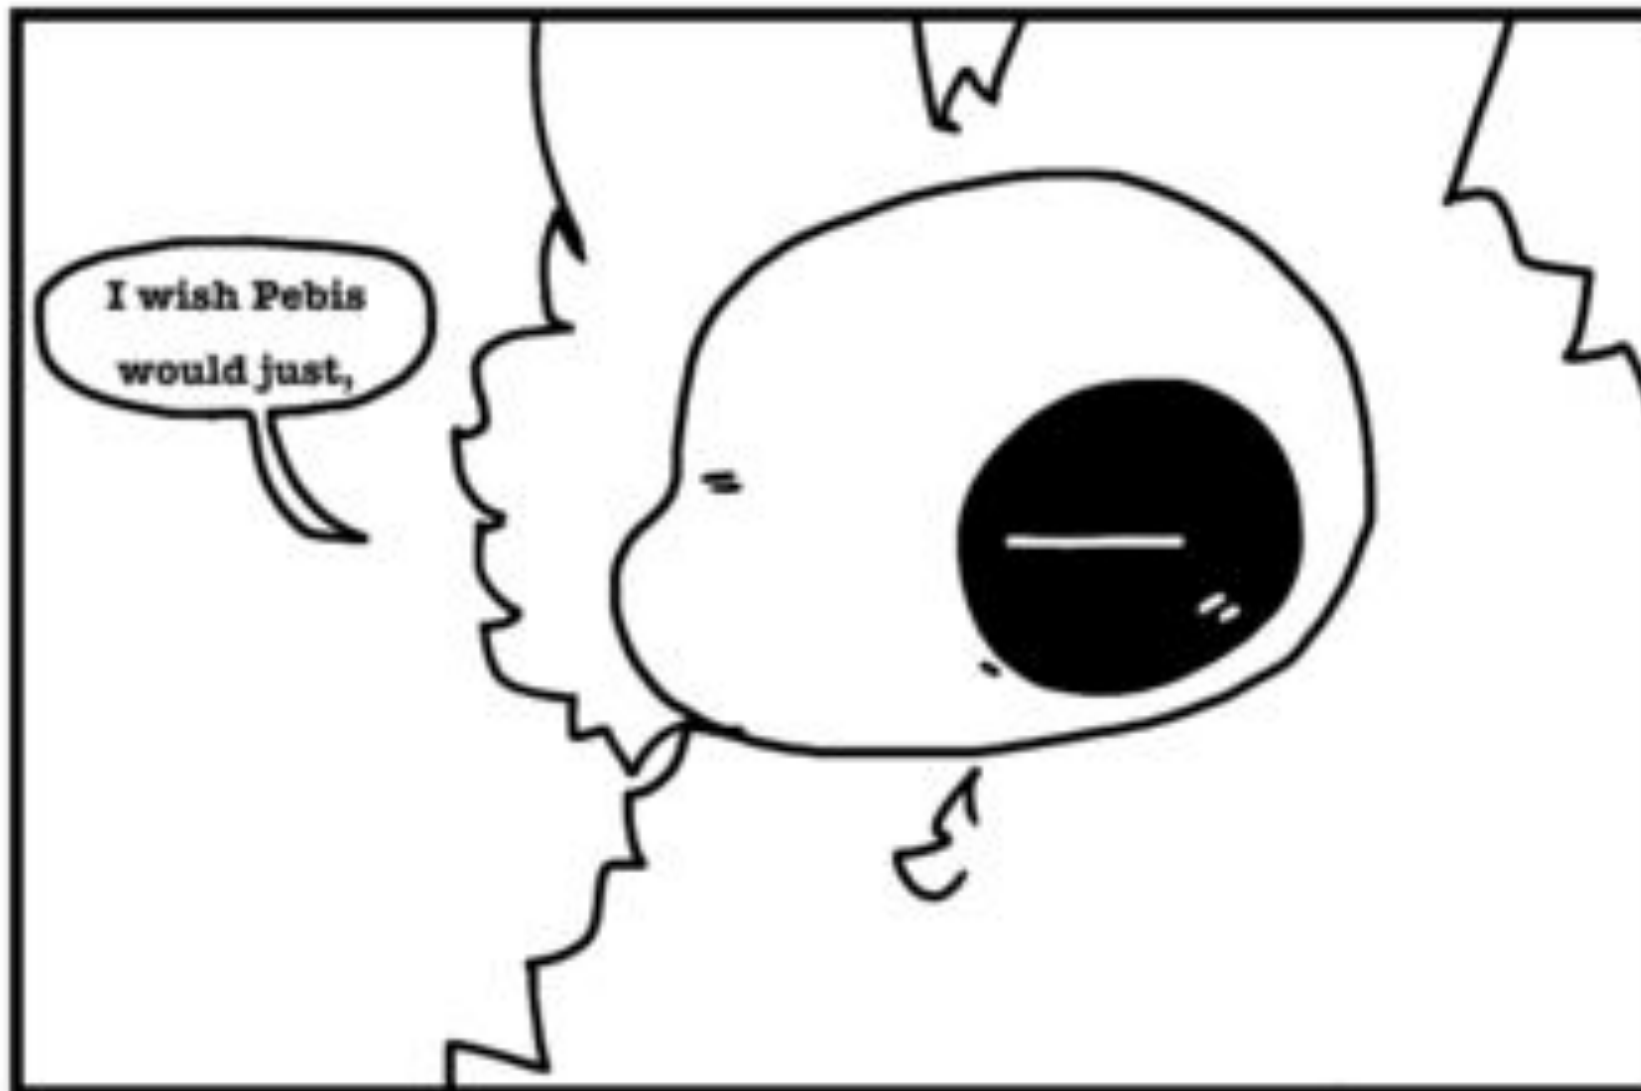

W-WHAT?!

I'll make him
spend time with
you as a
punishment !

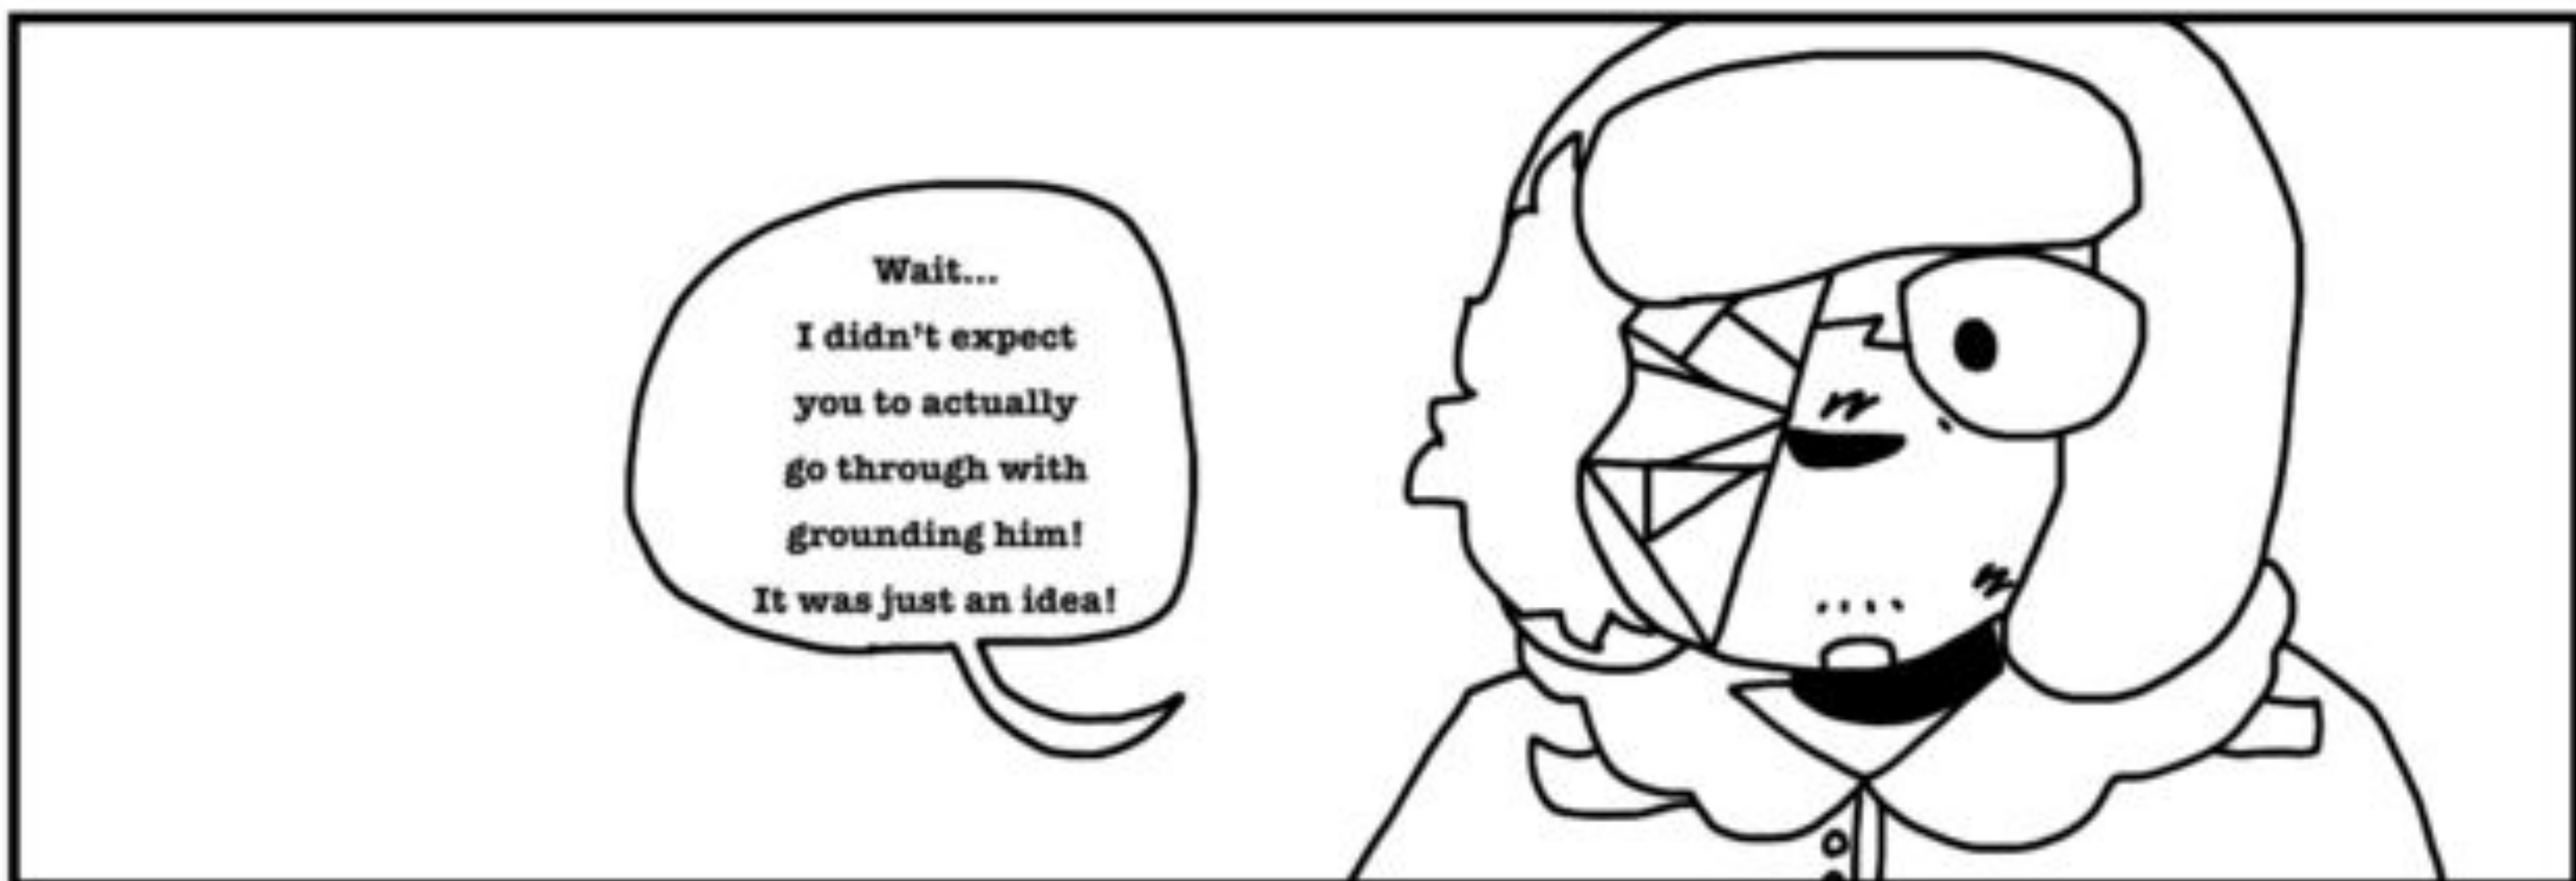

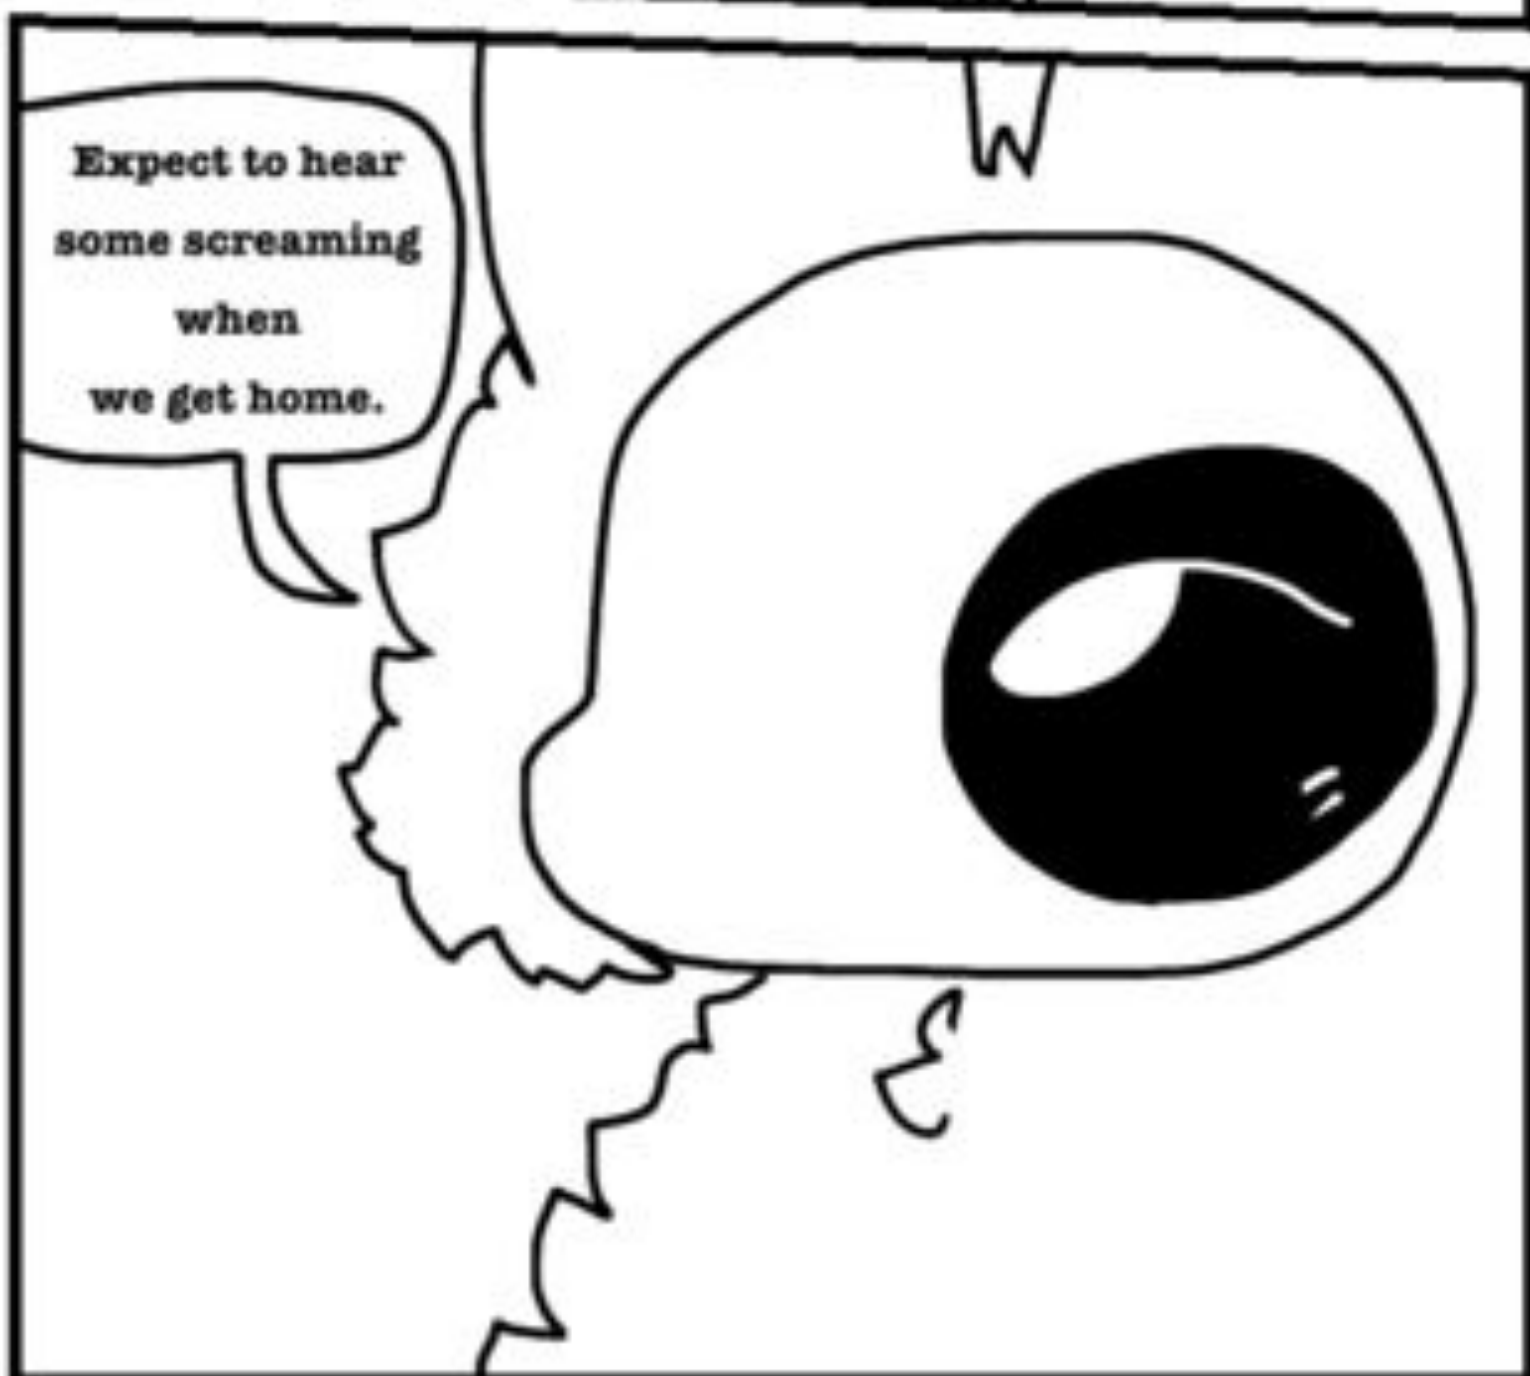

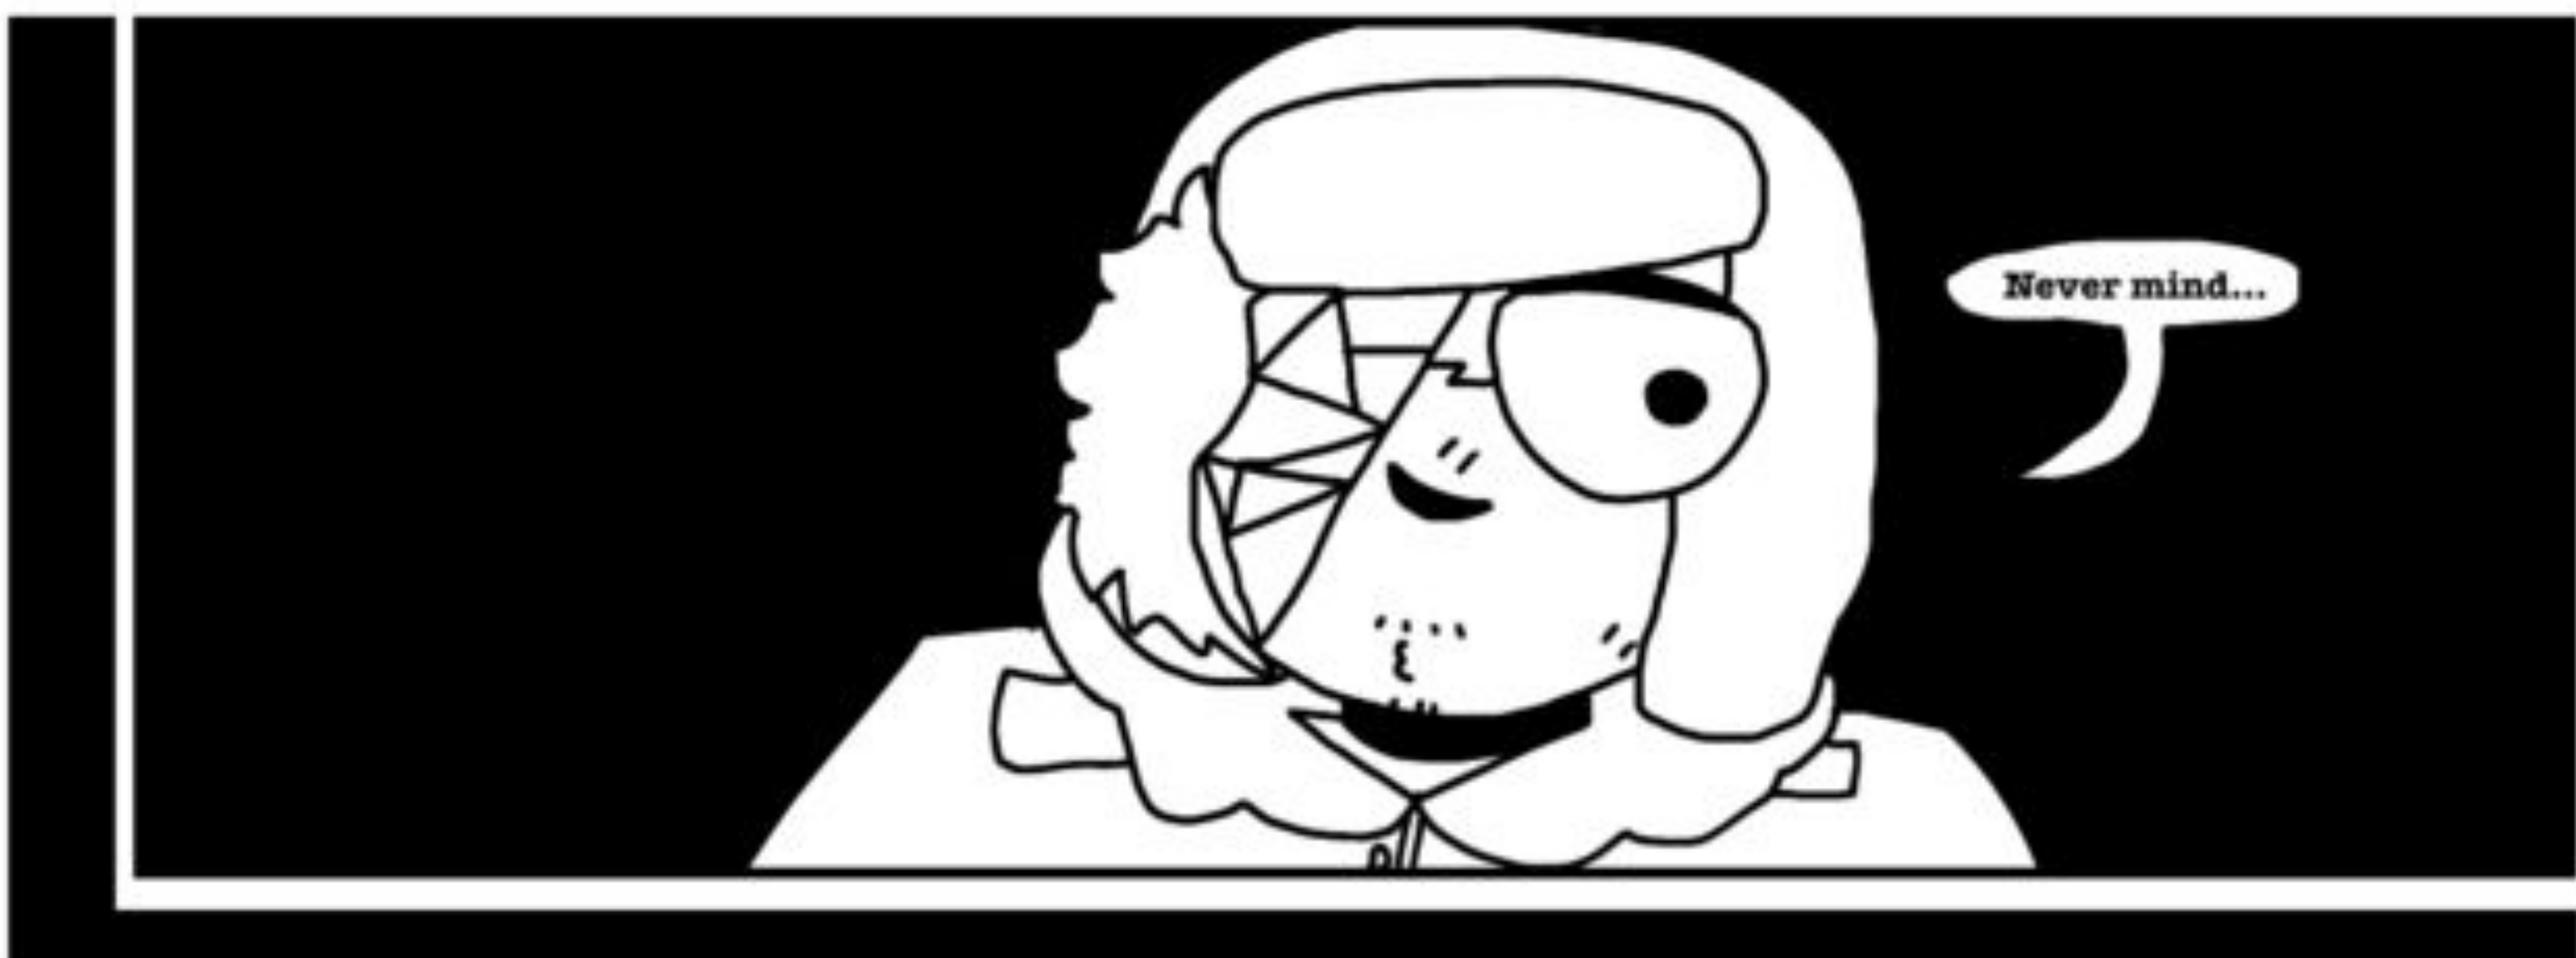

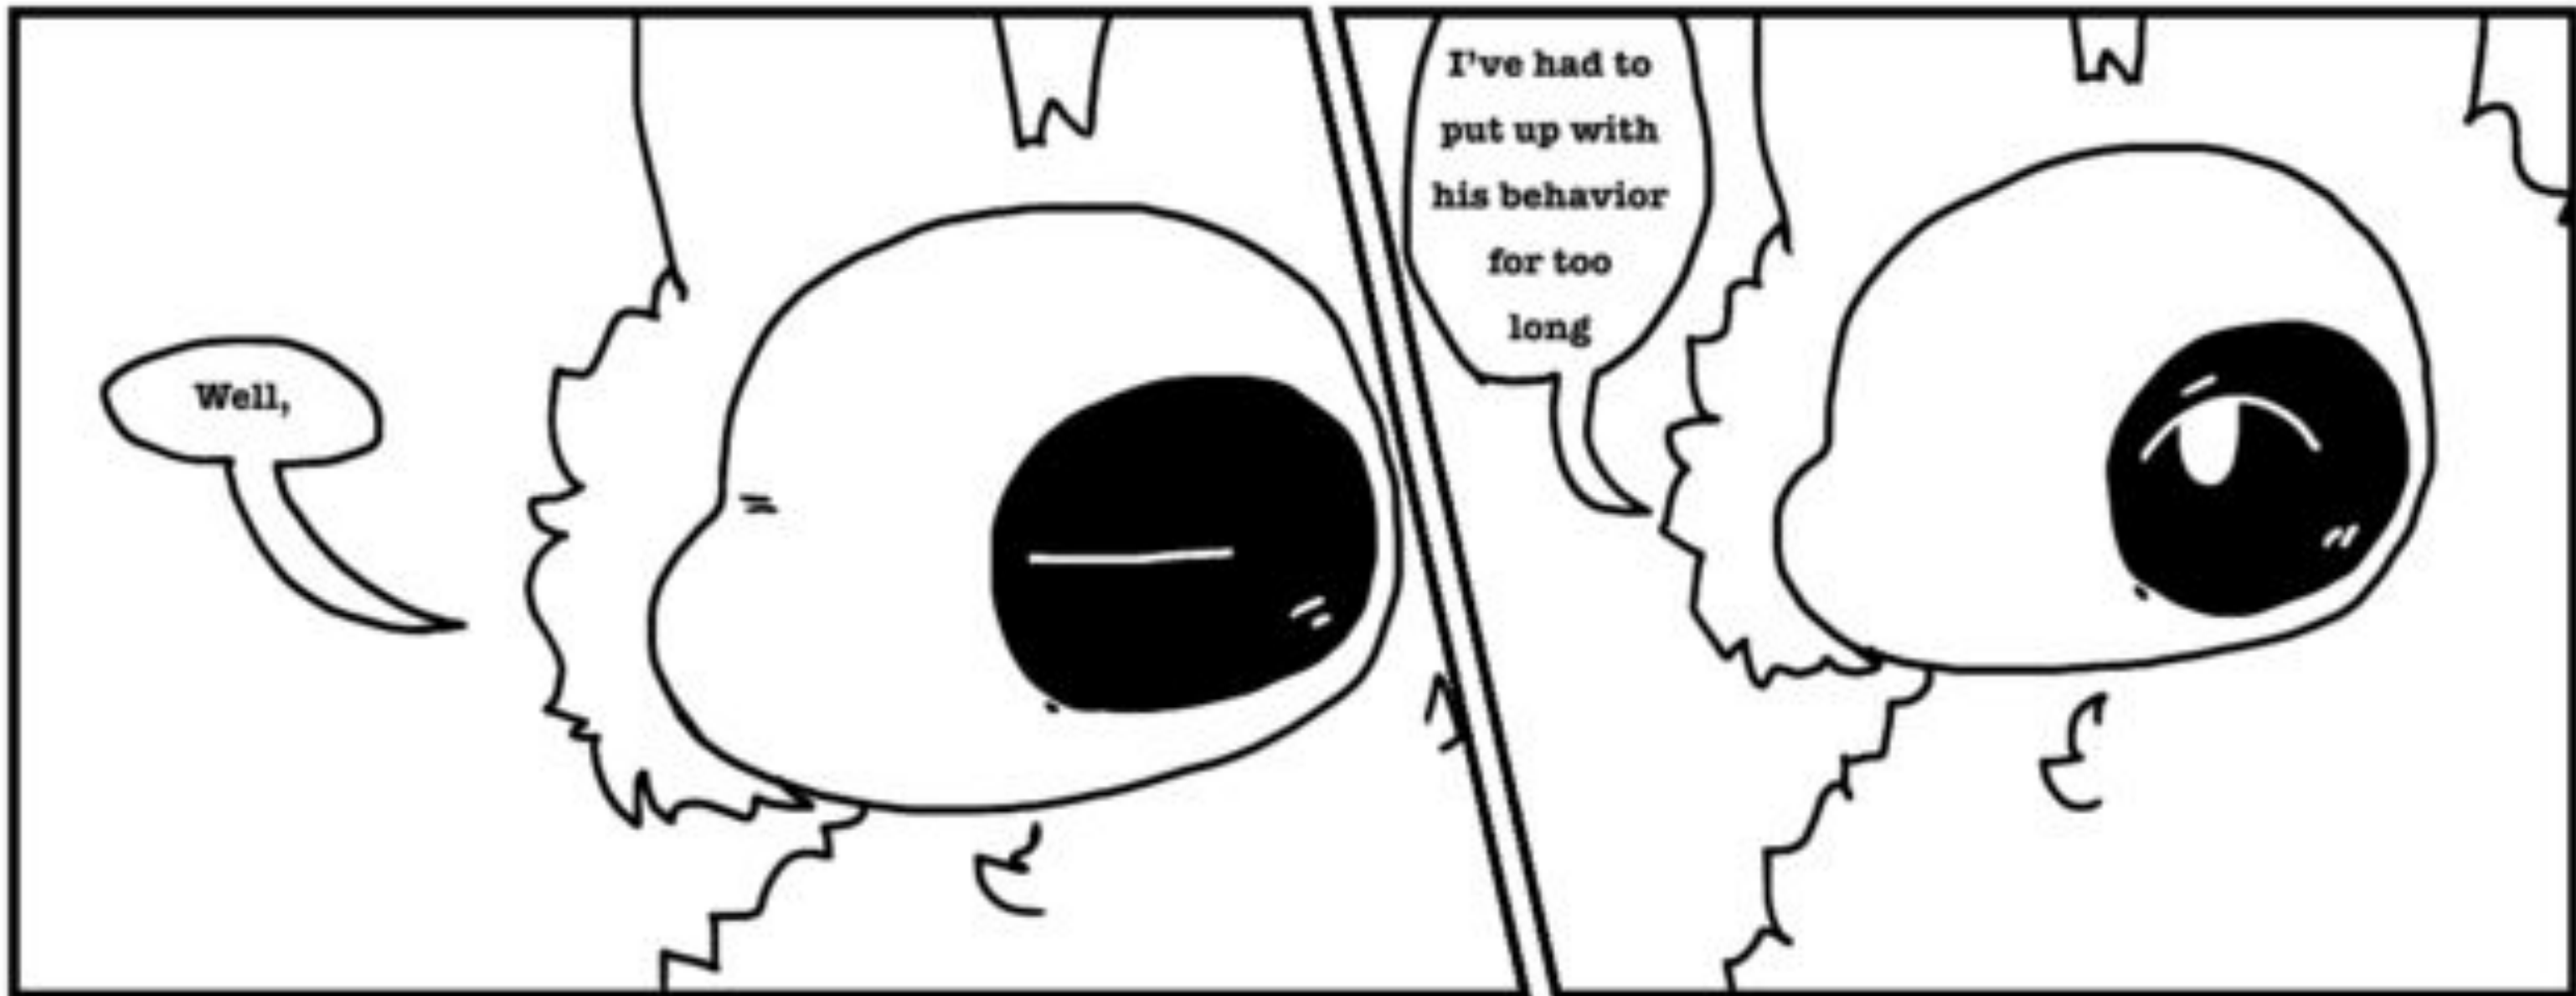

Why would I
technically be
the one
punishing him?!

He's your son,
shouldn't you
punish him
yourself???

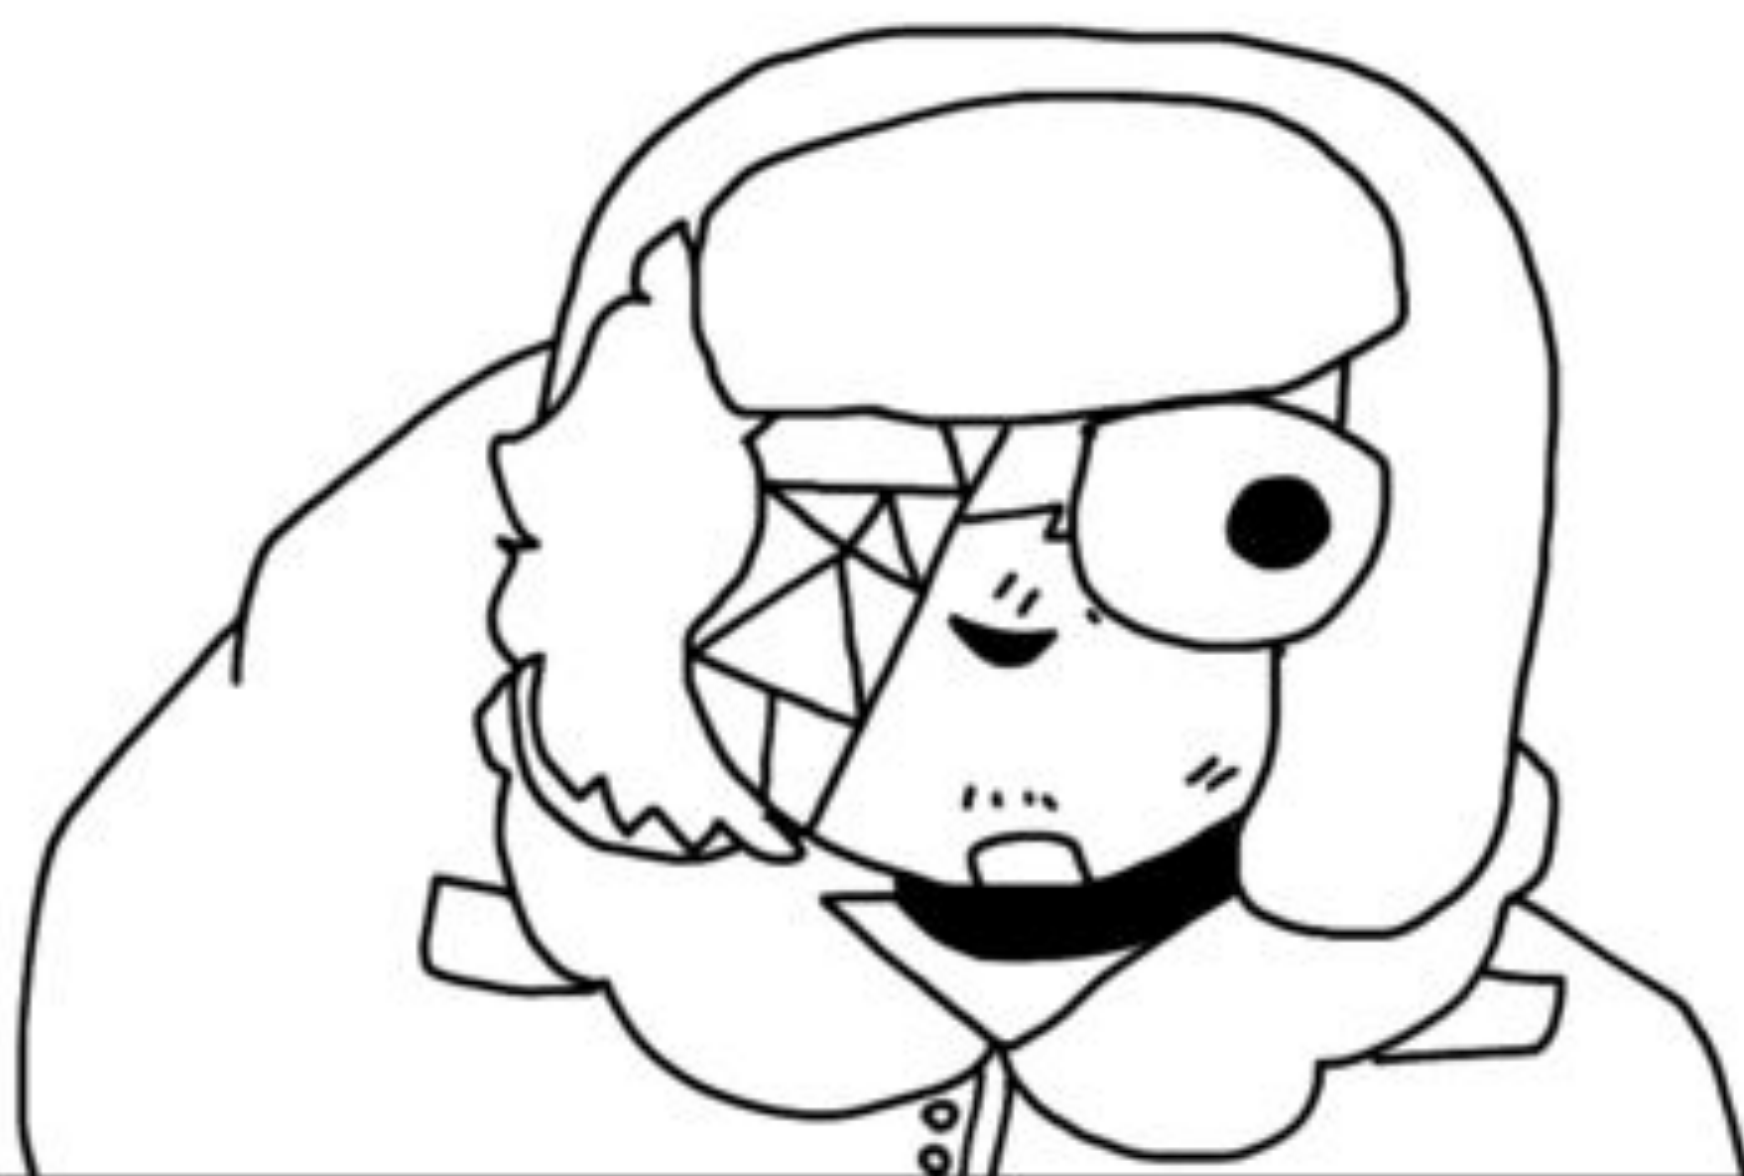

Fair point

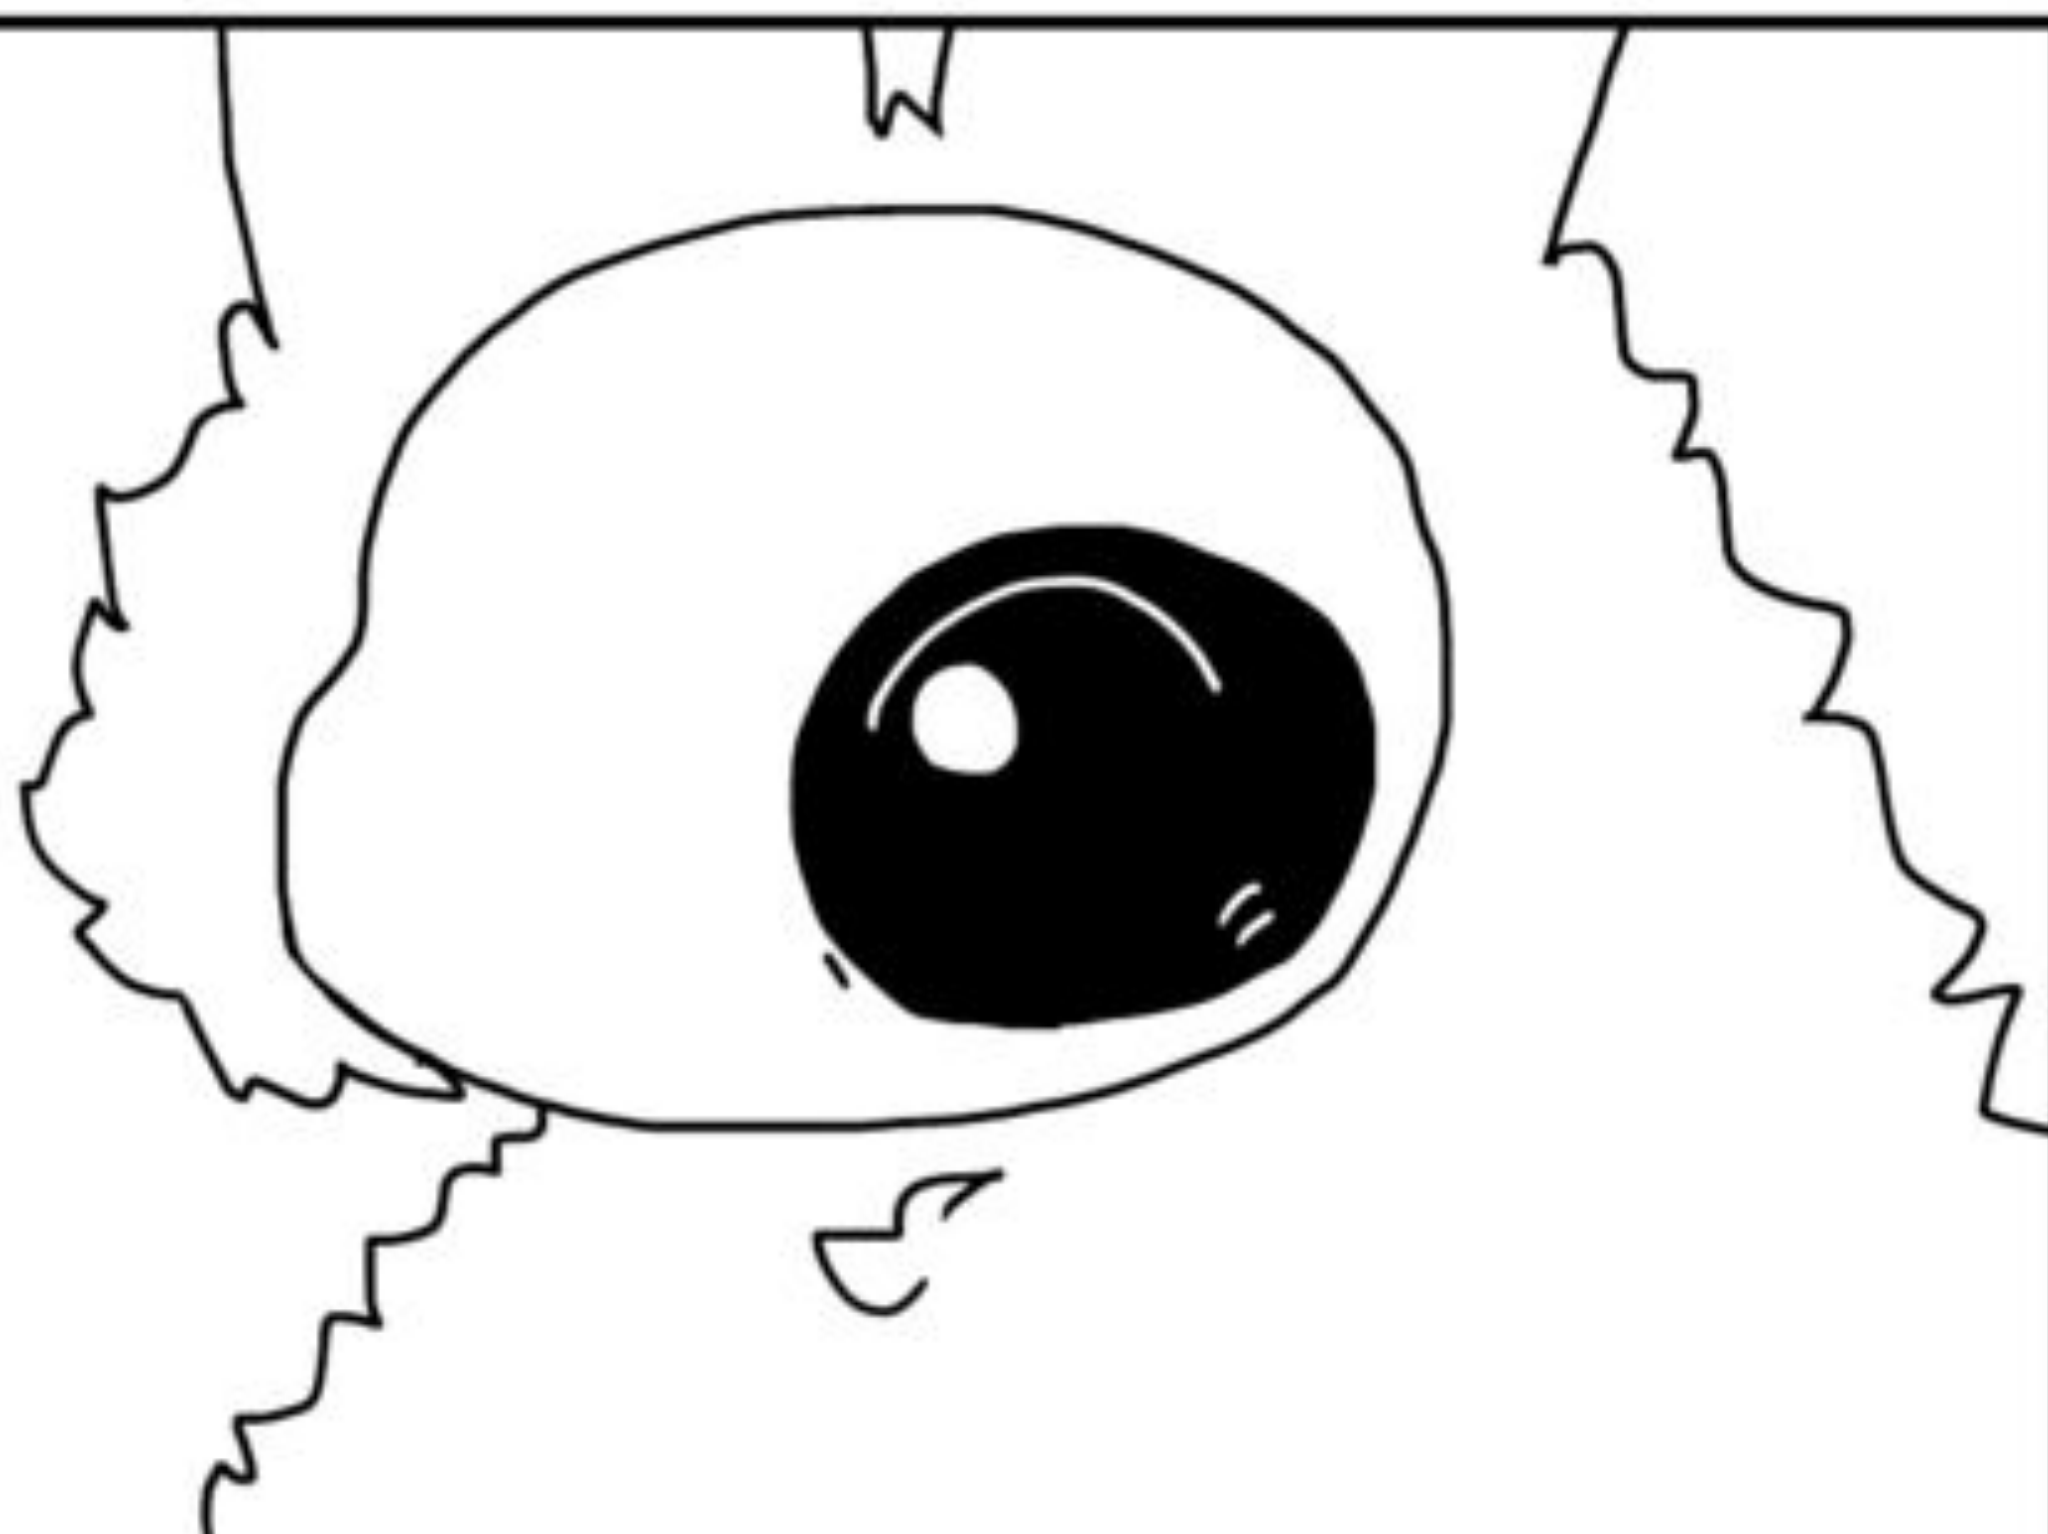

Anyways, it looks
like we're almost
to the hospital

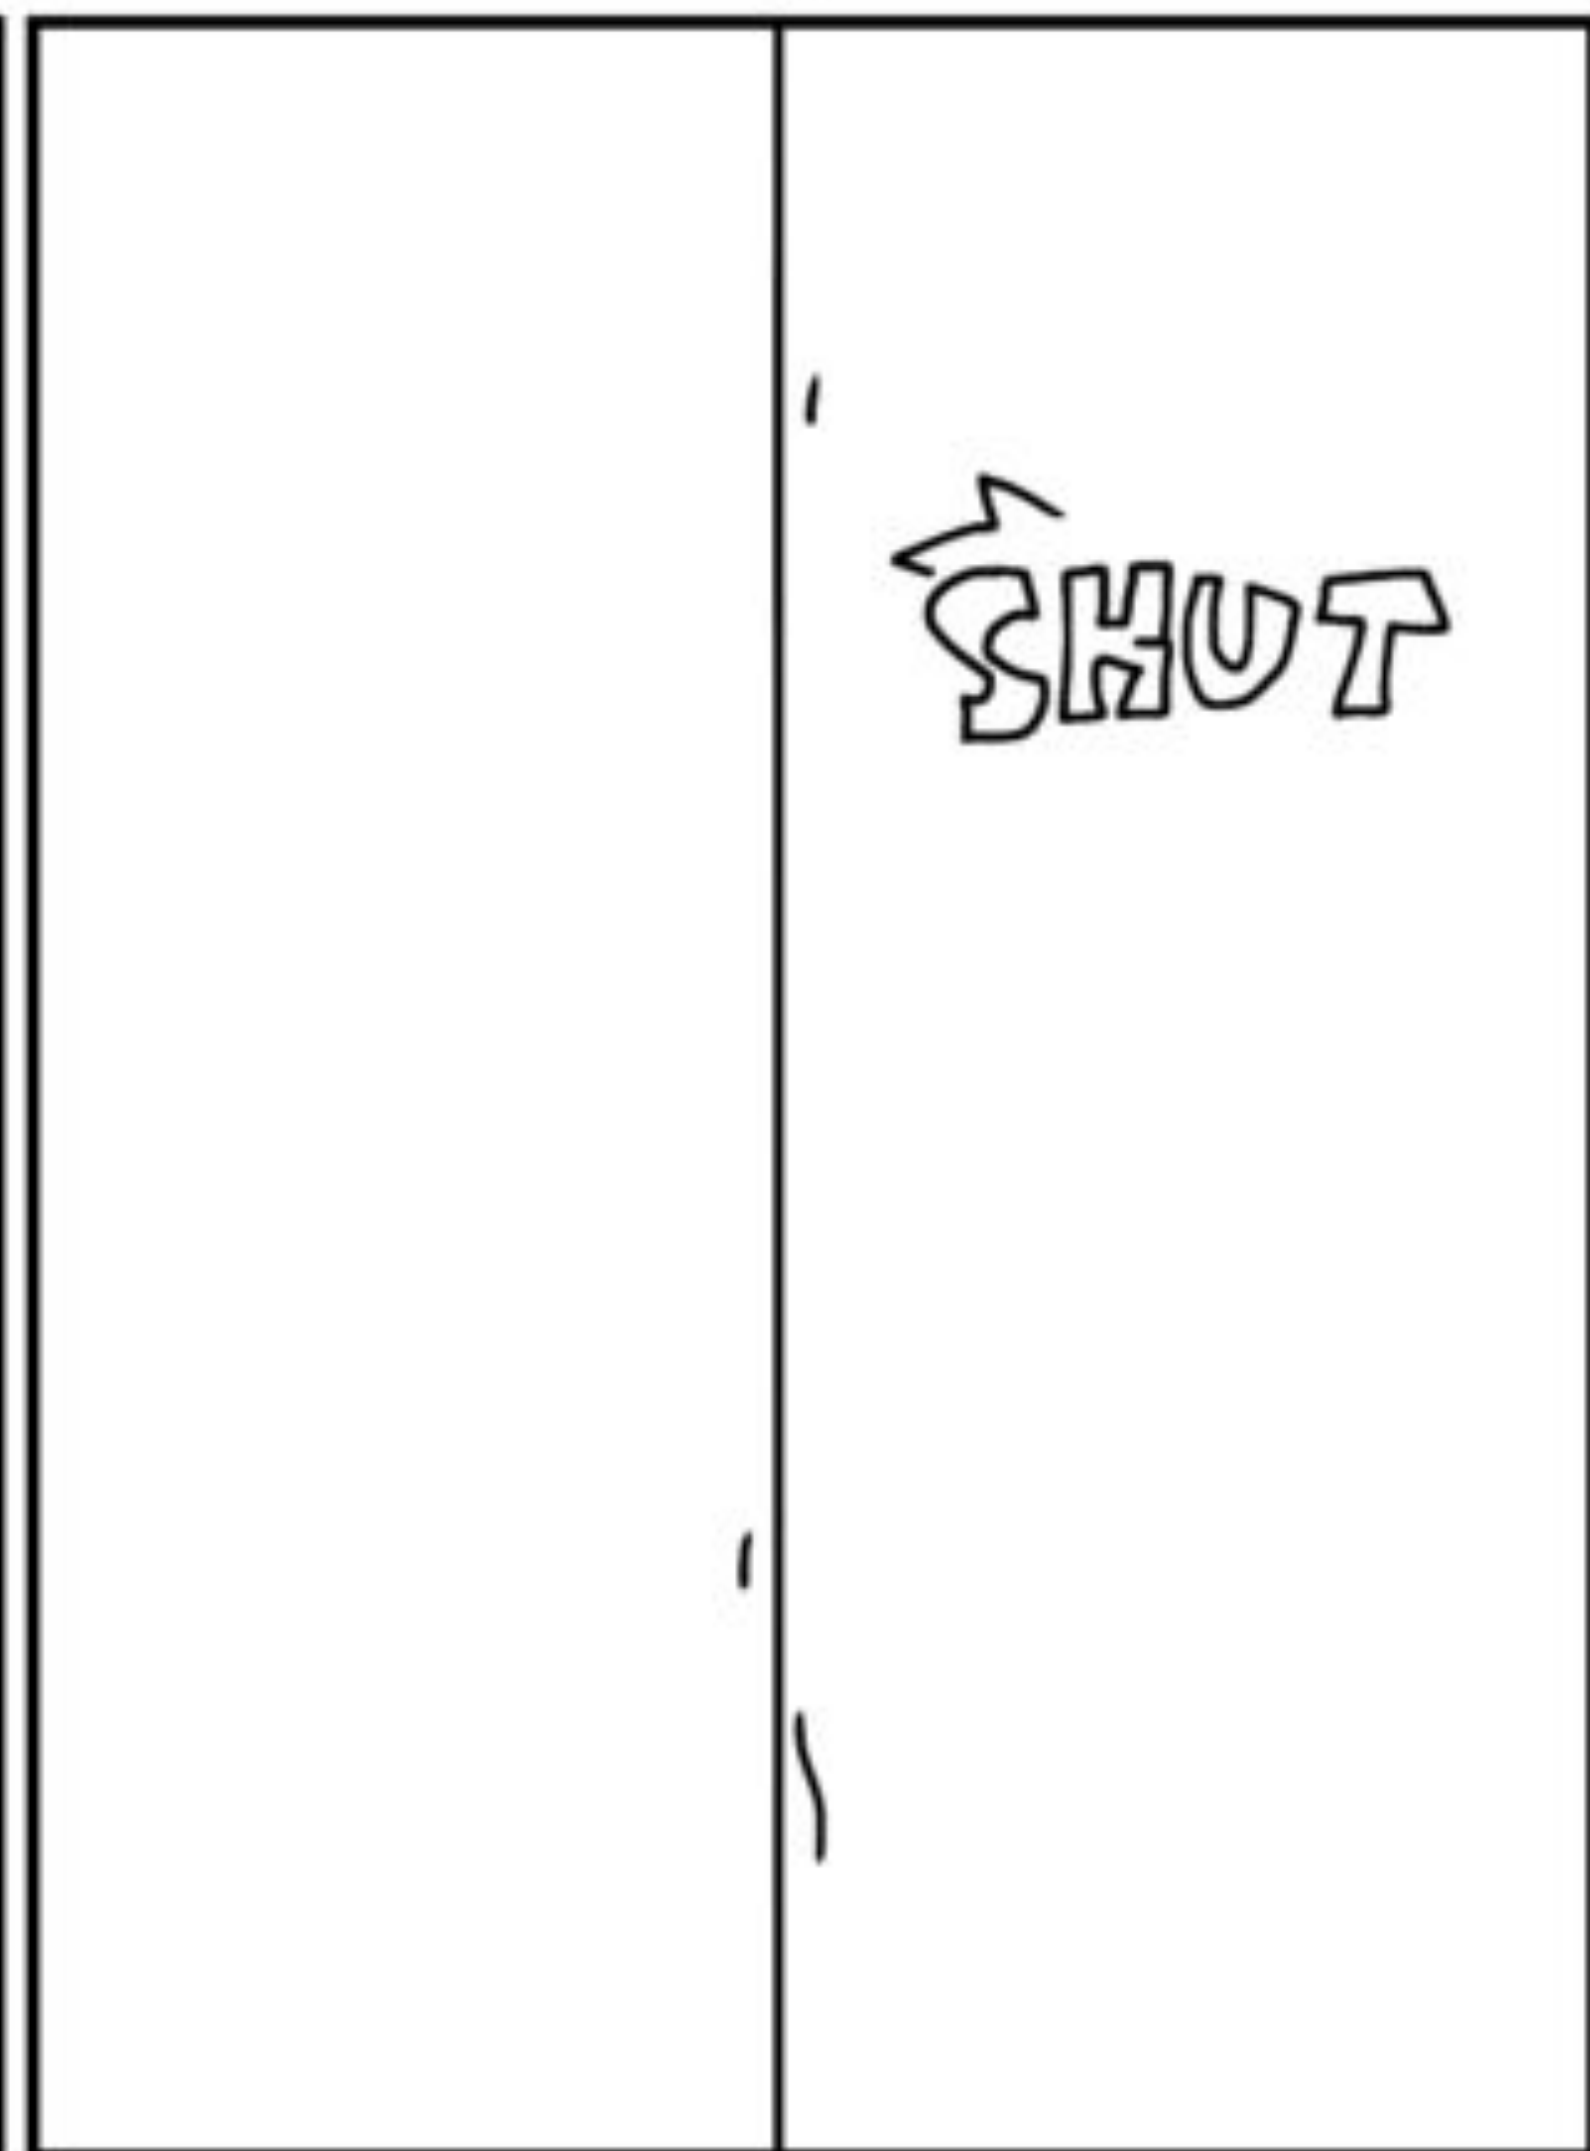

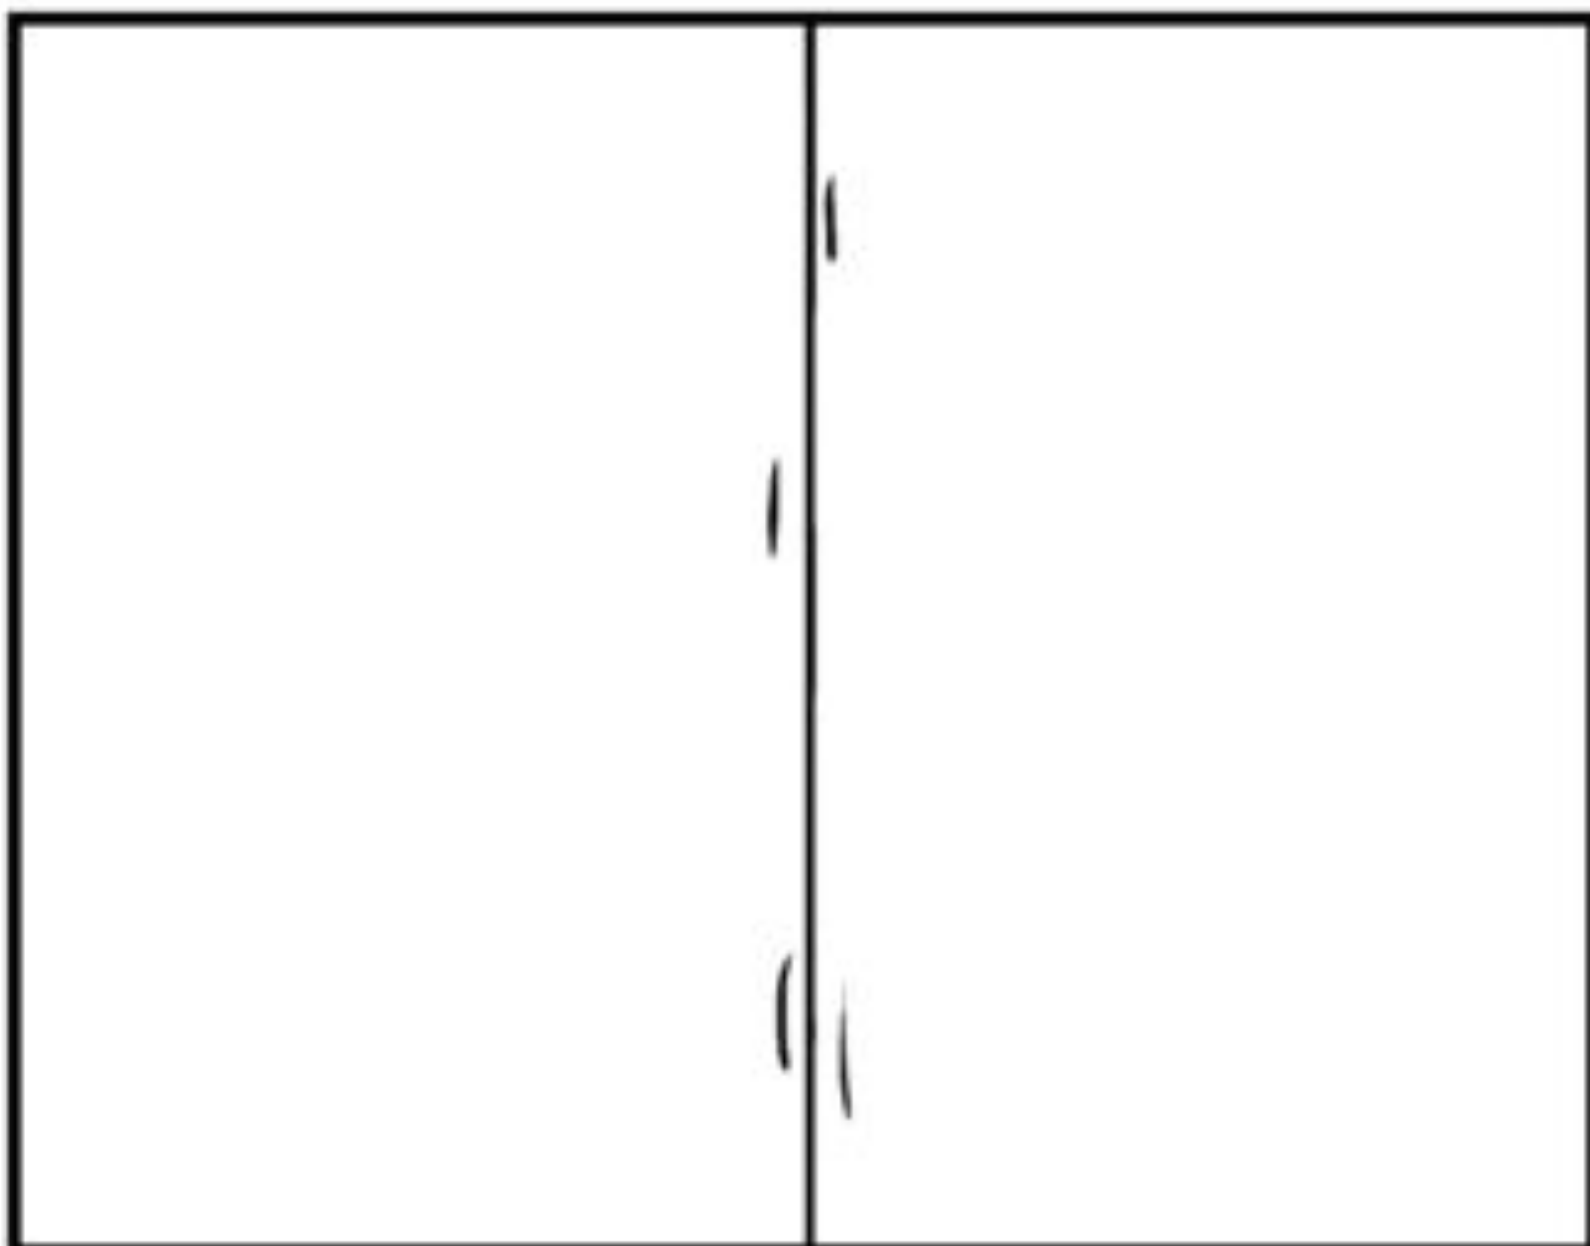

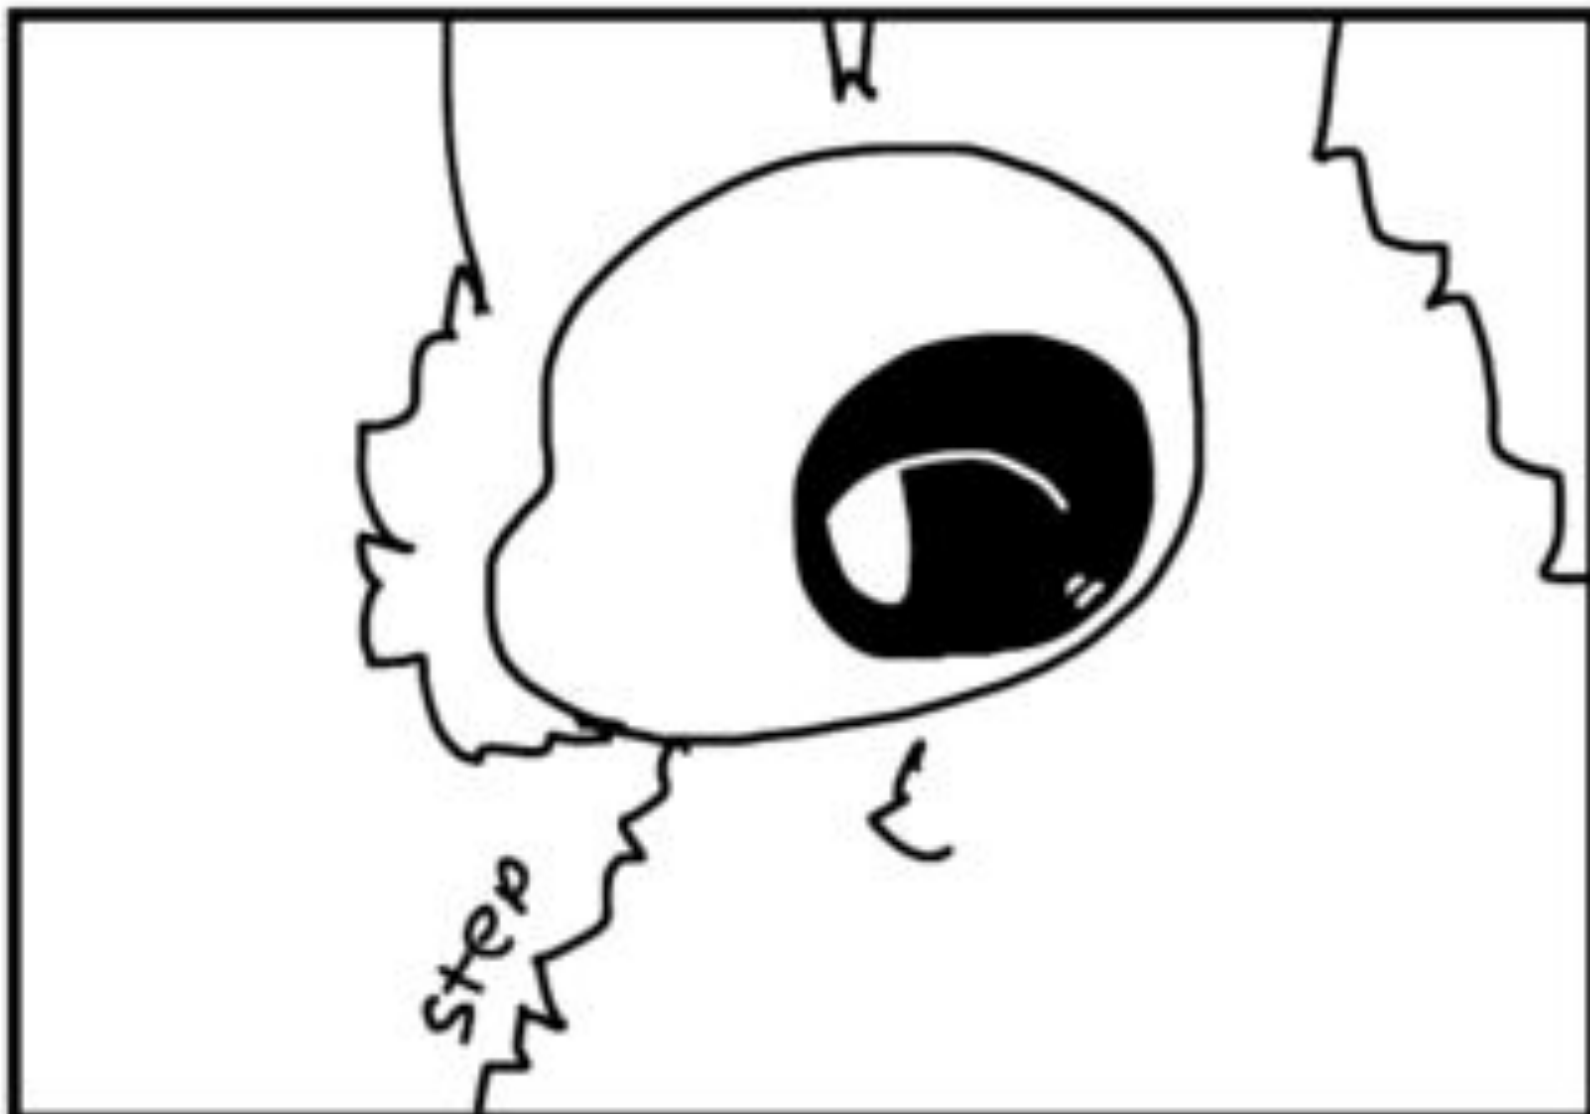

Great!

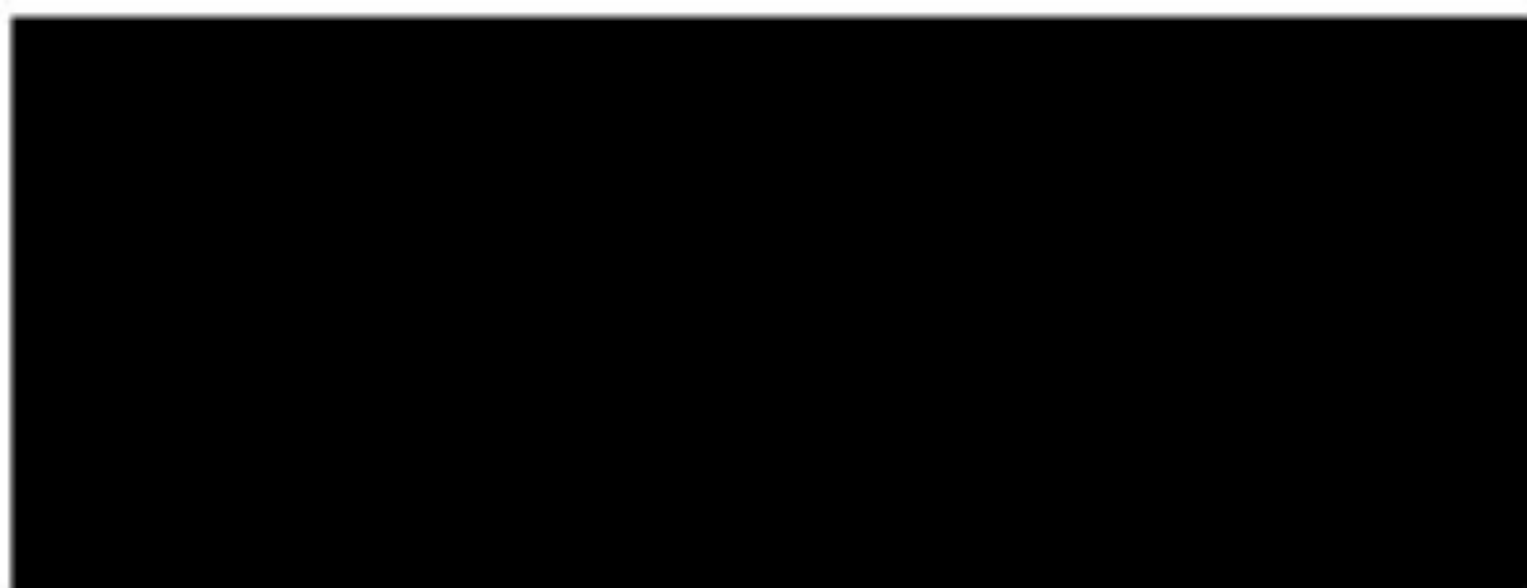

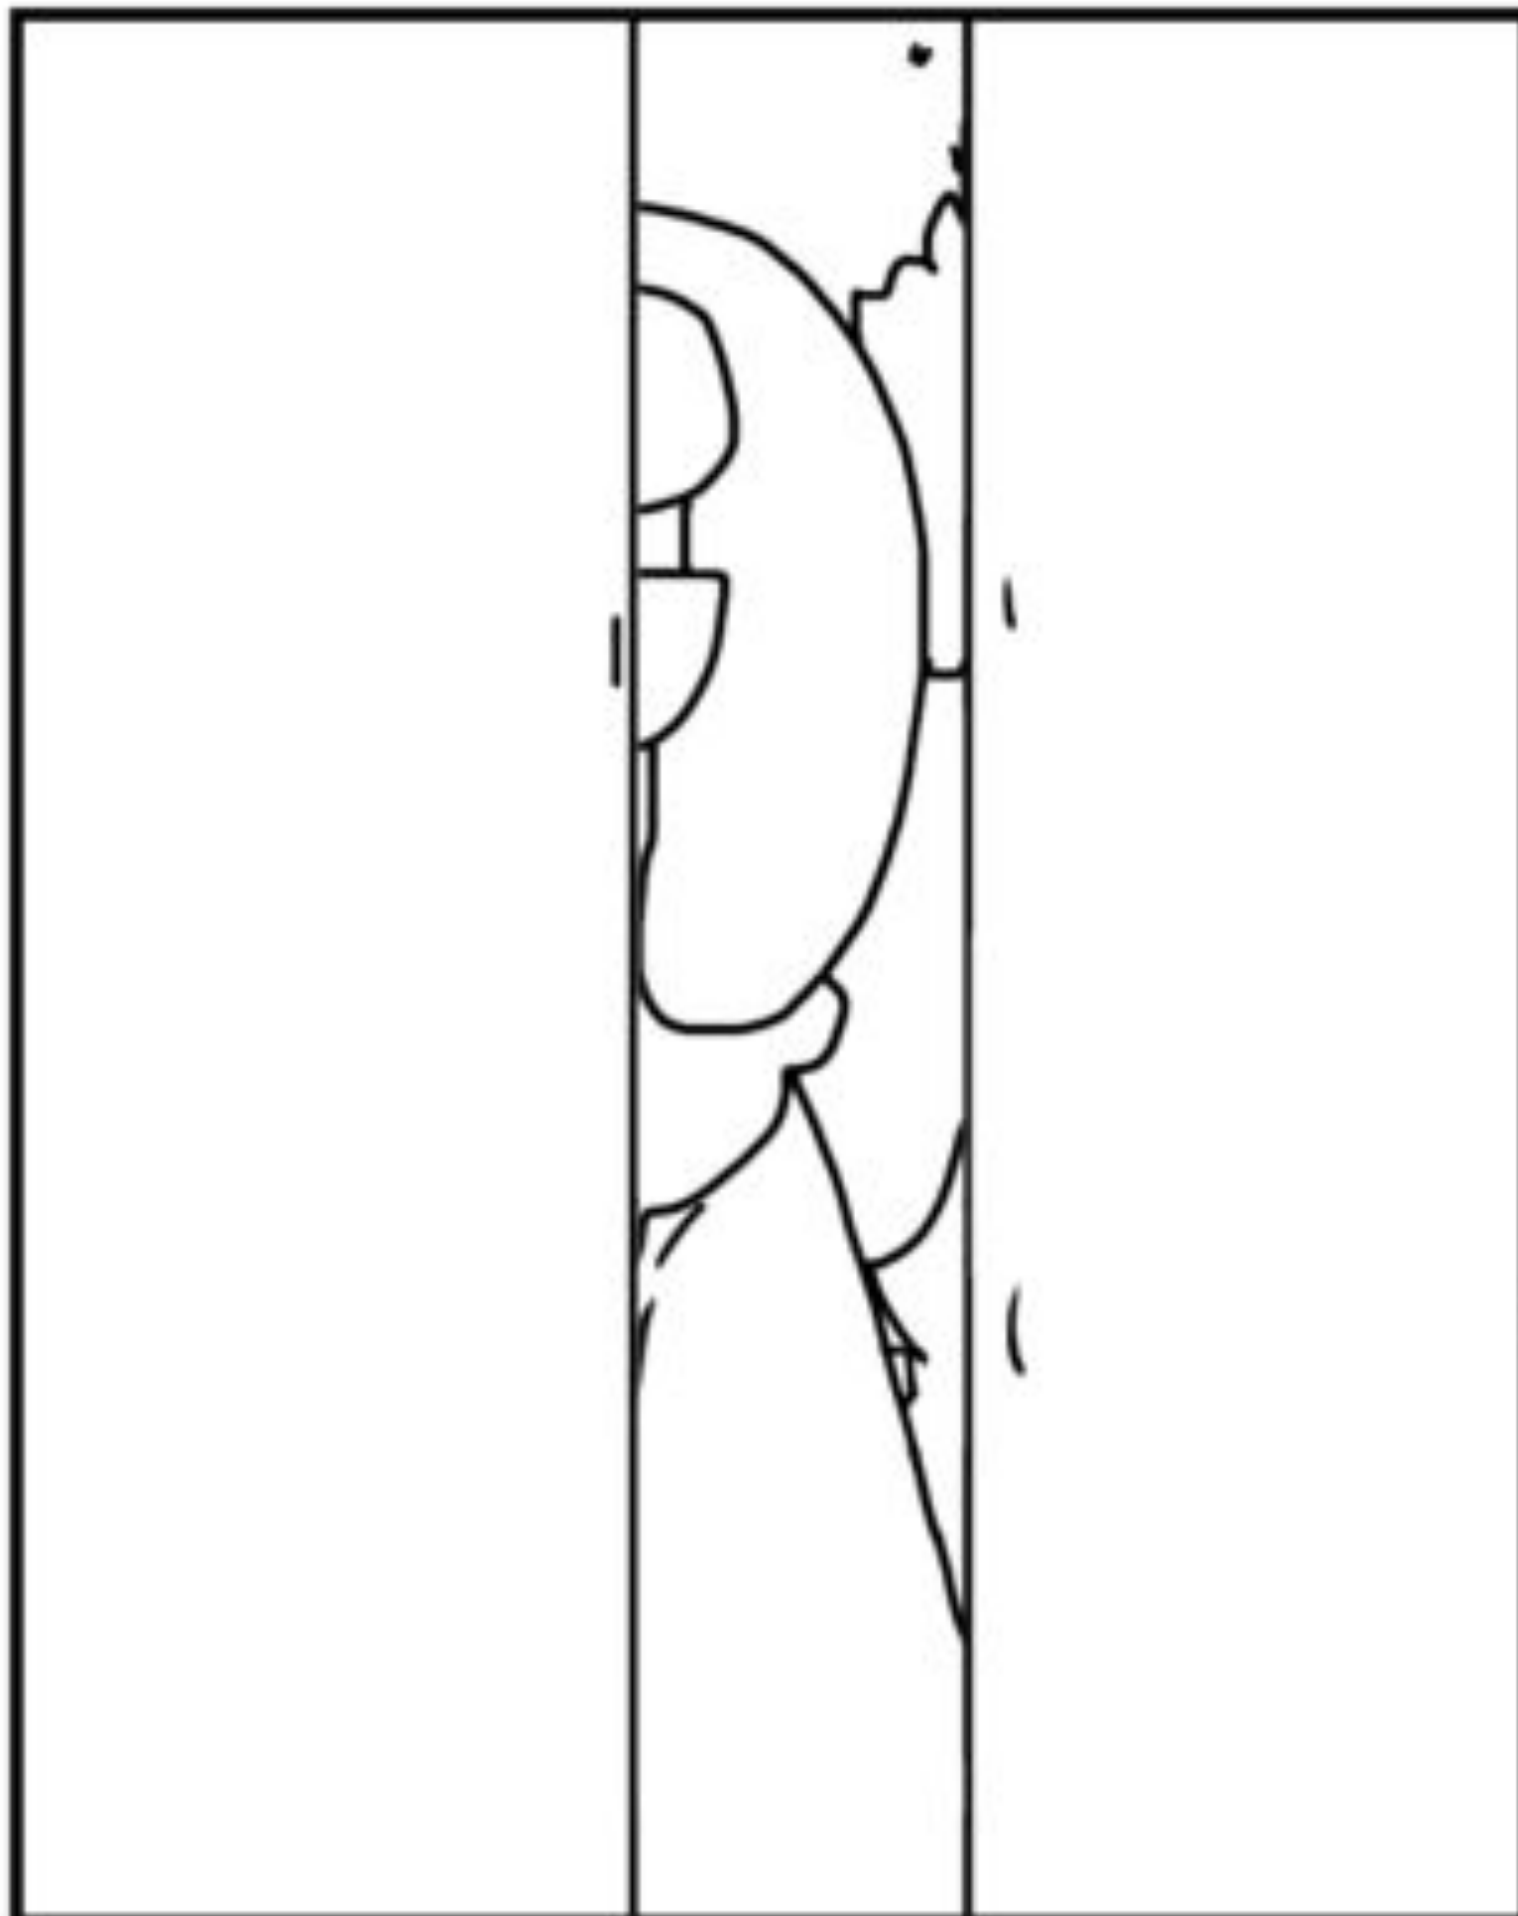

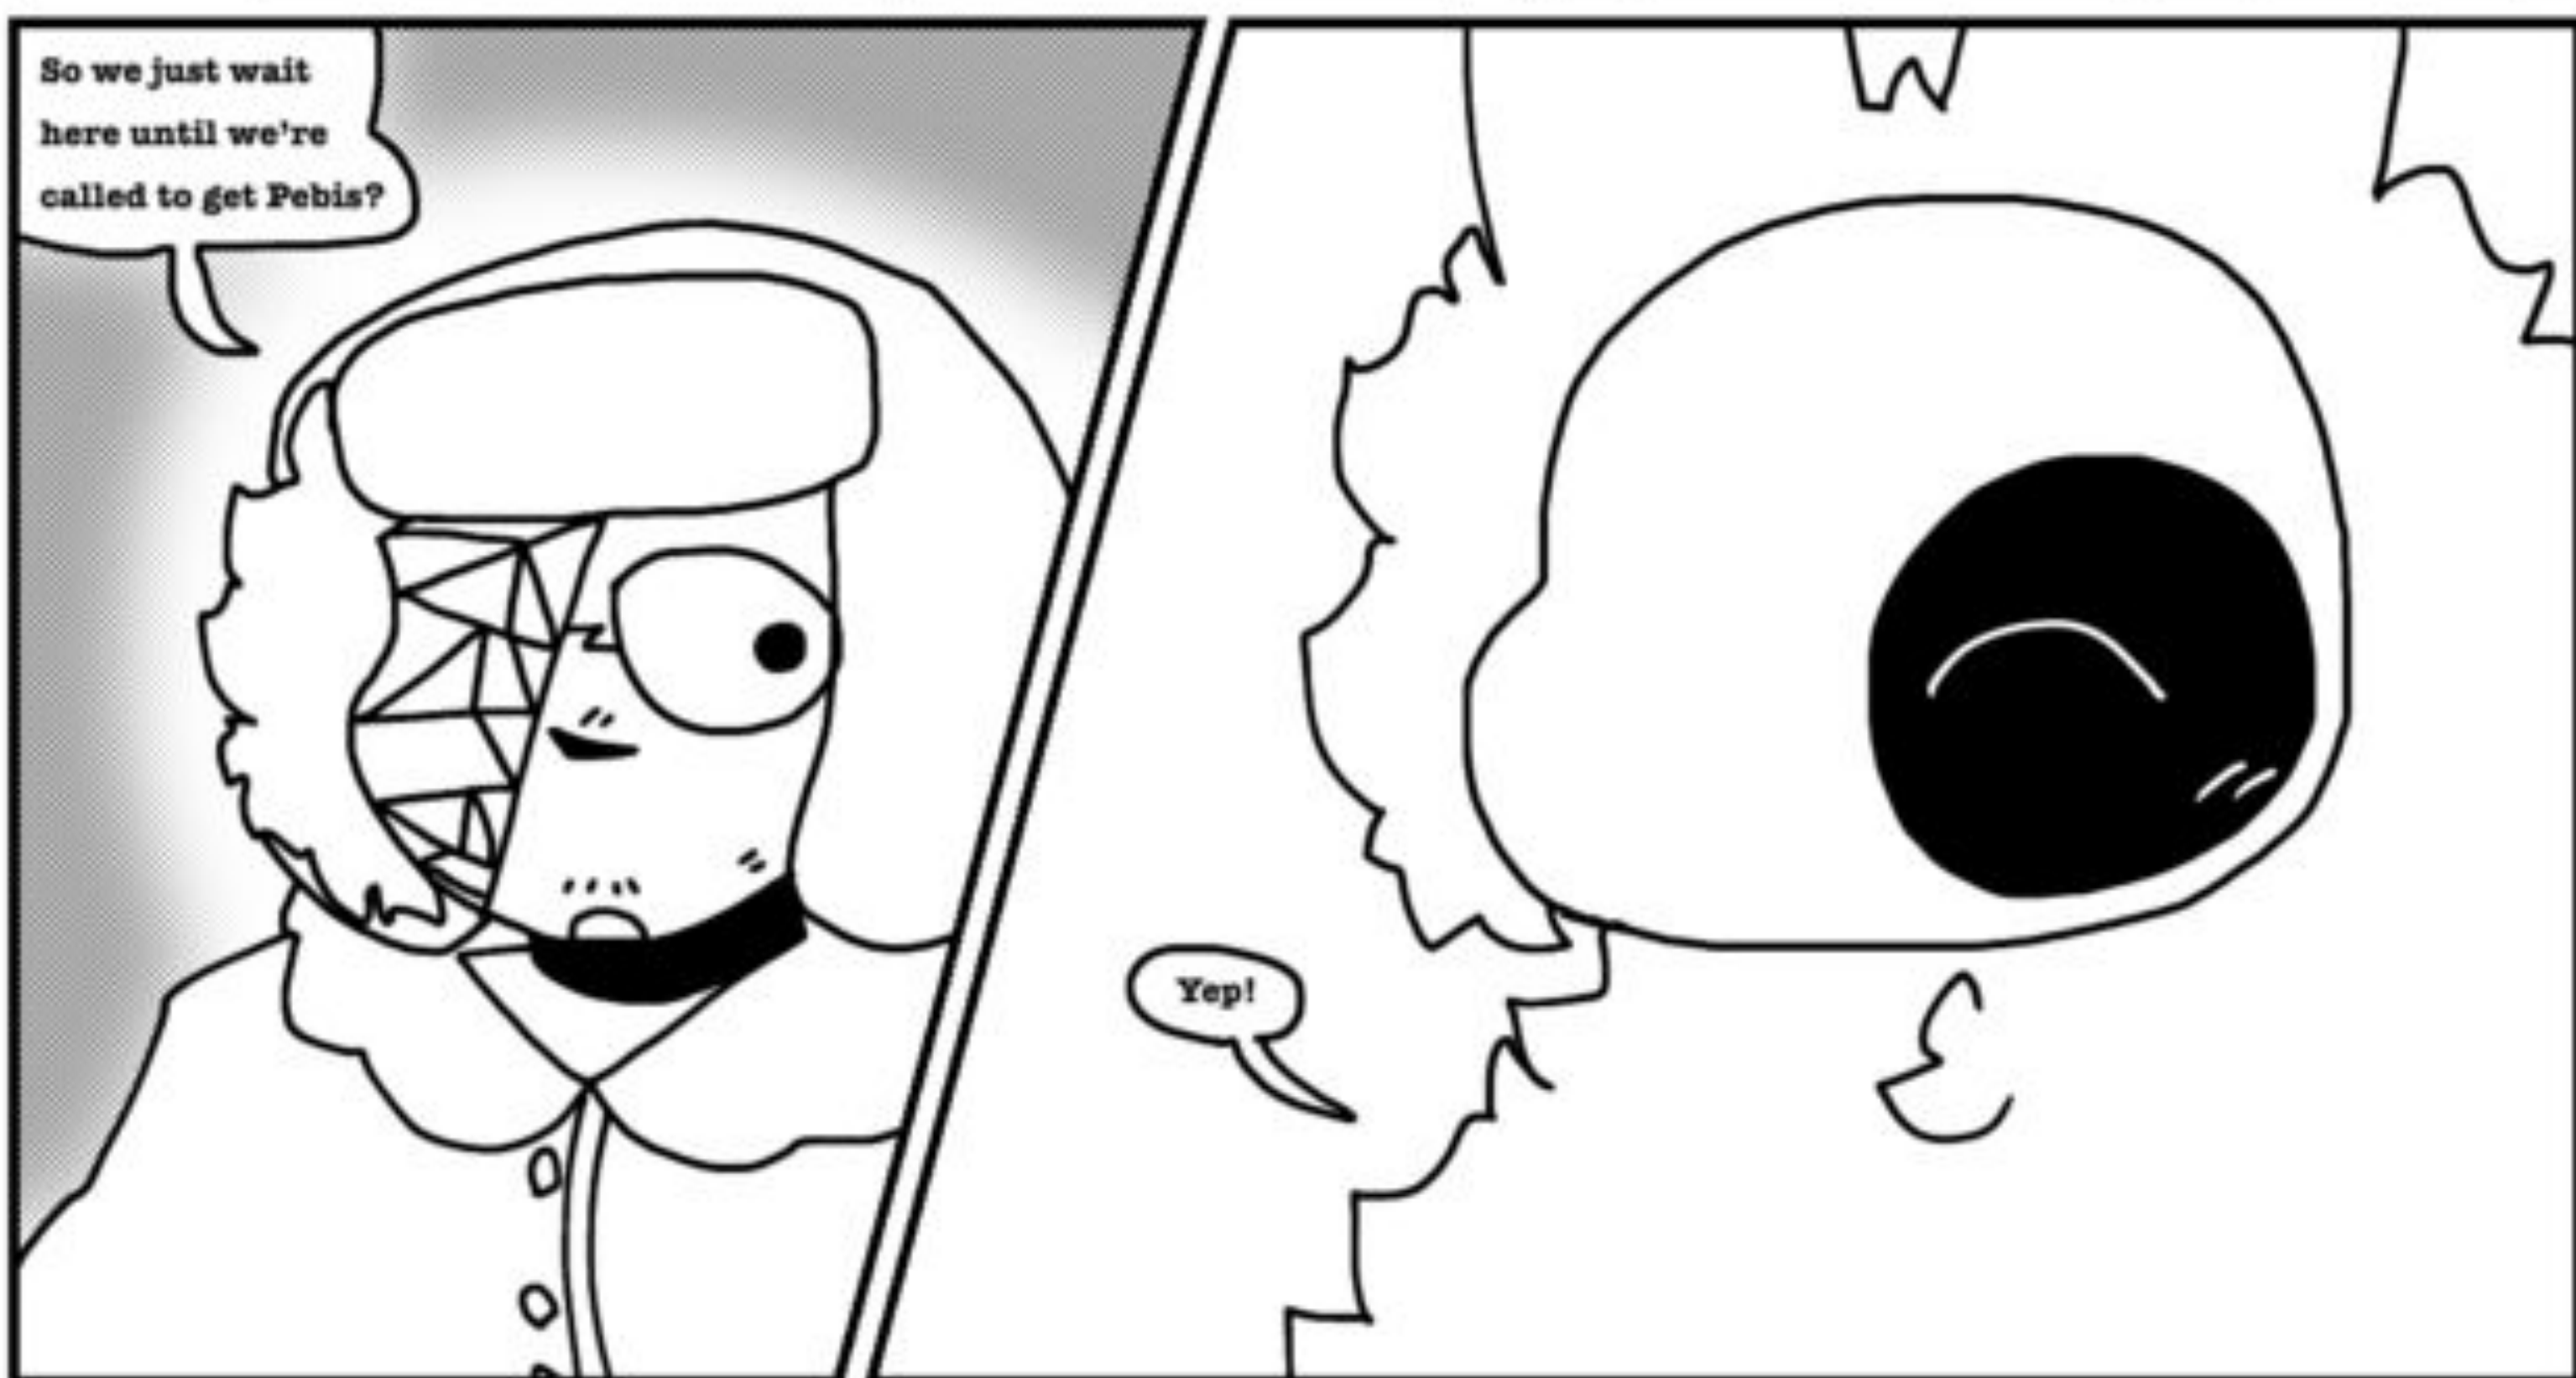

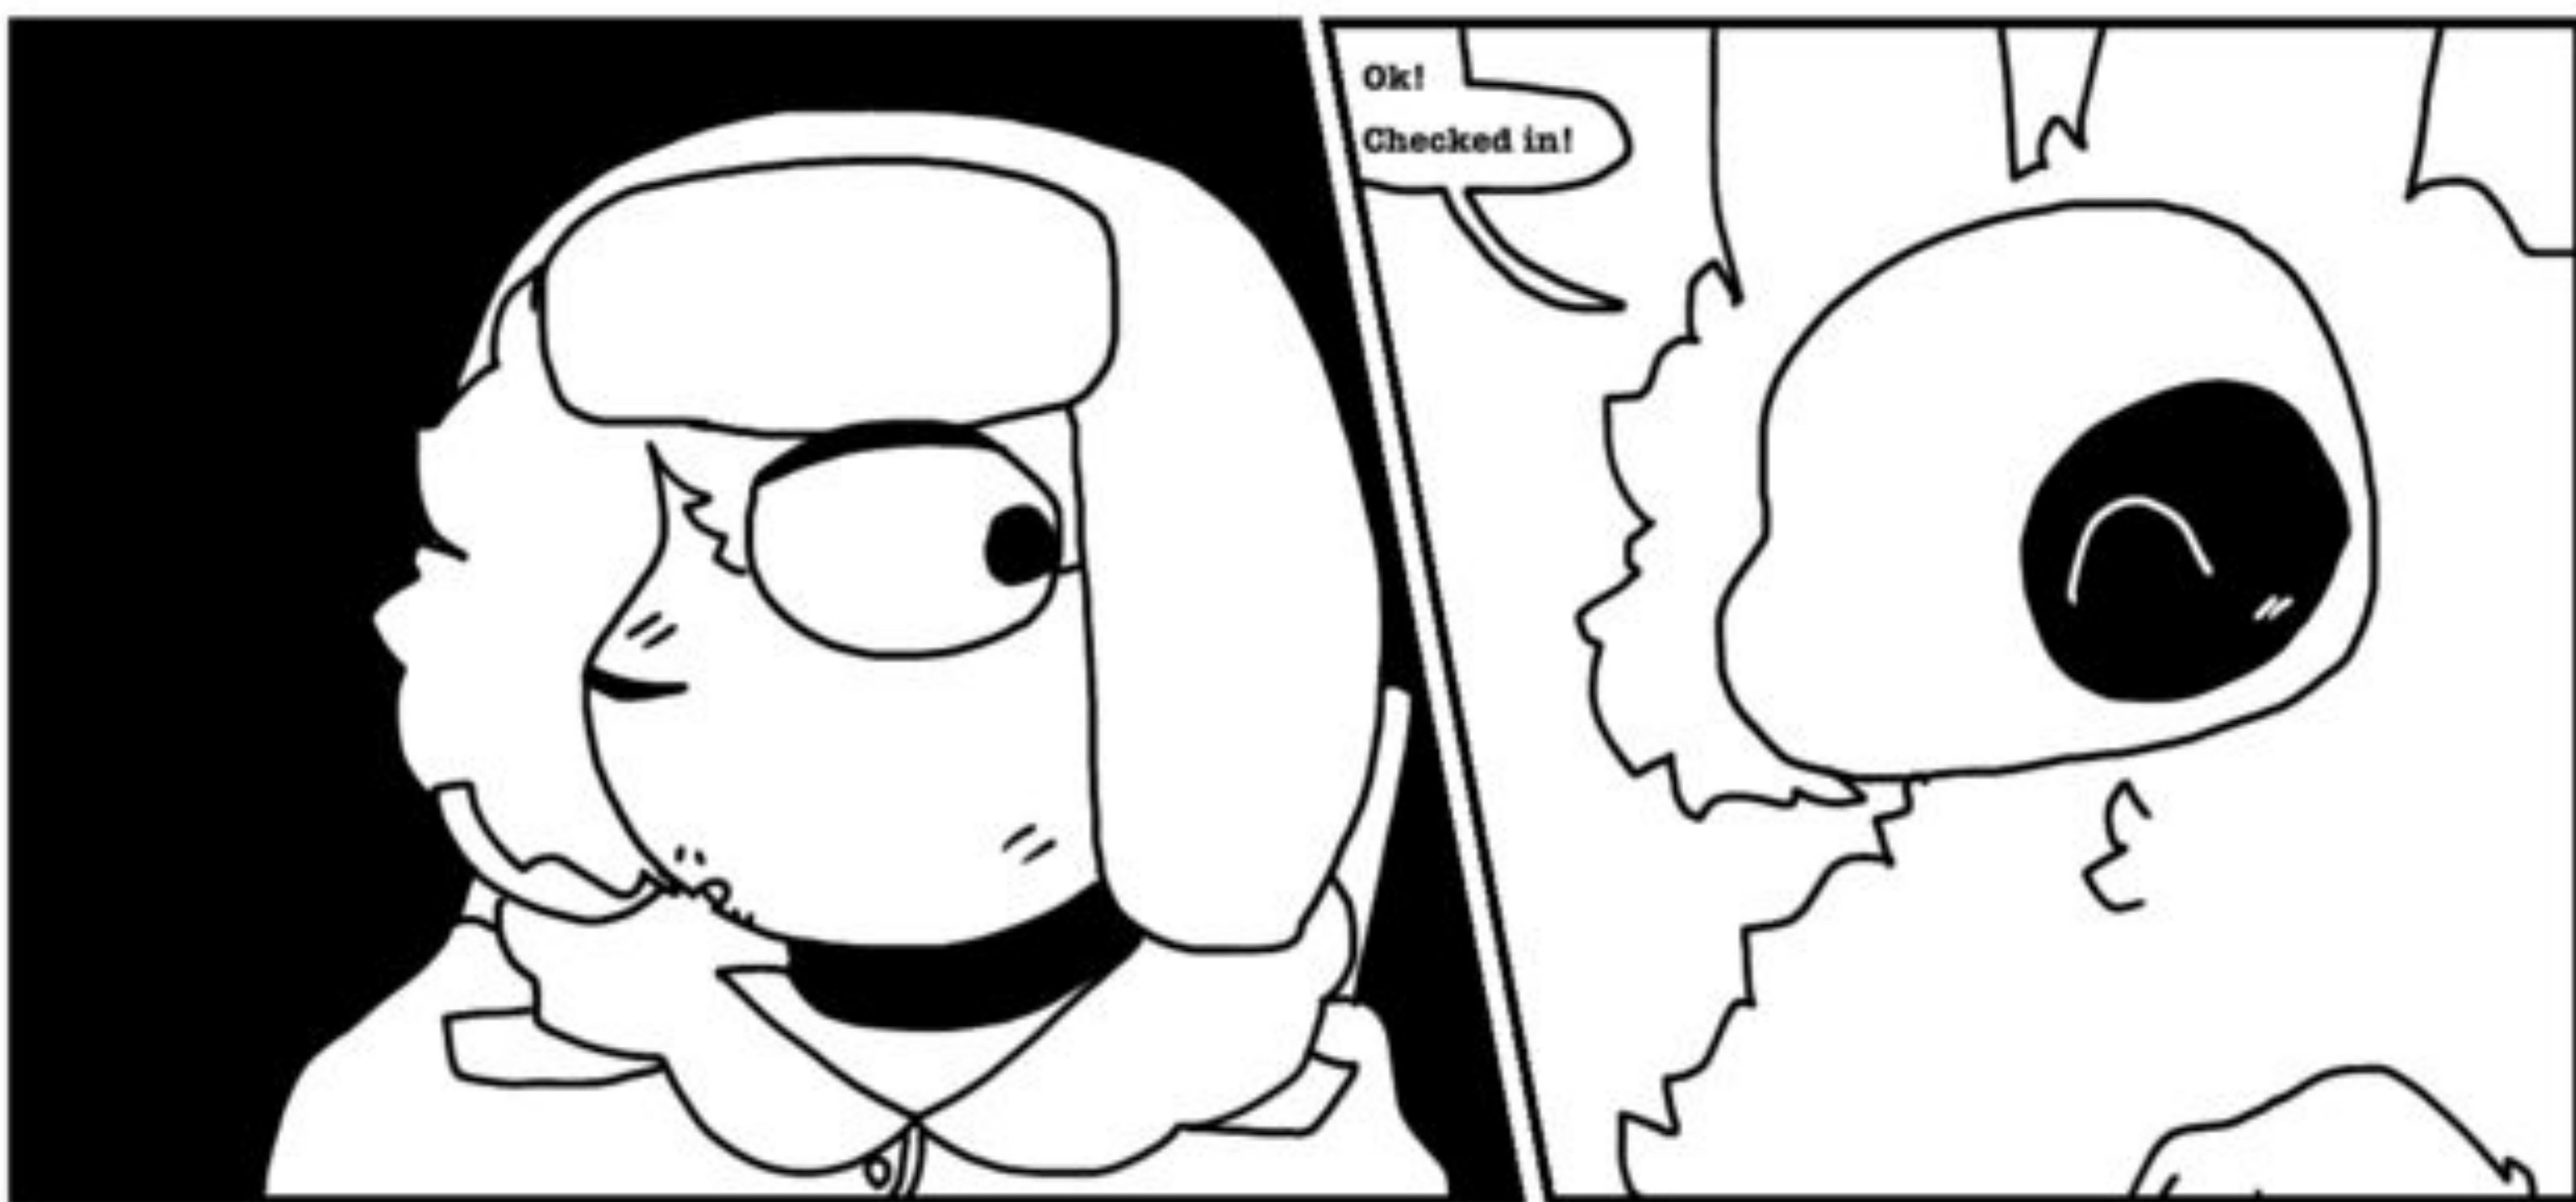

Do you know
when you're
gonna tell Pebis
that he's
grounded?

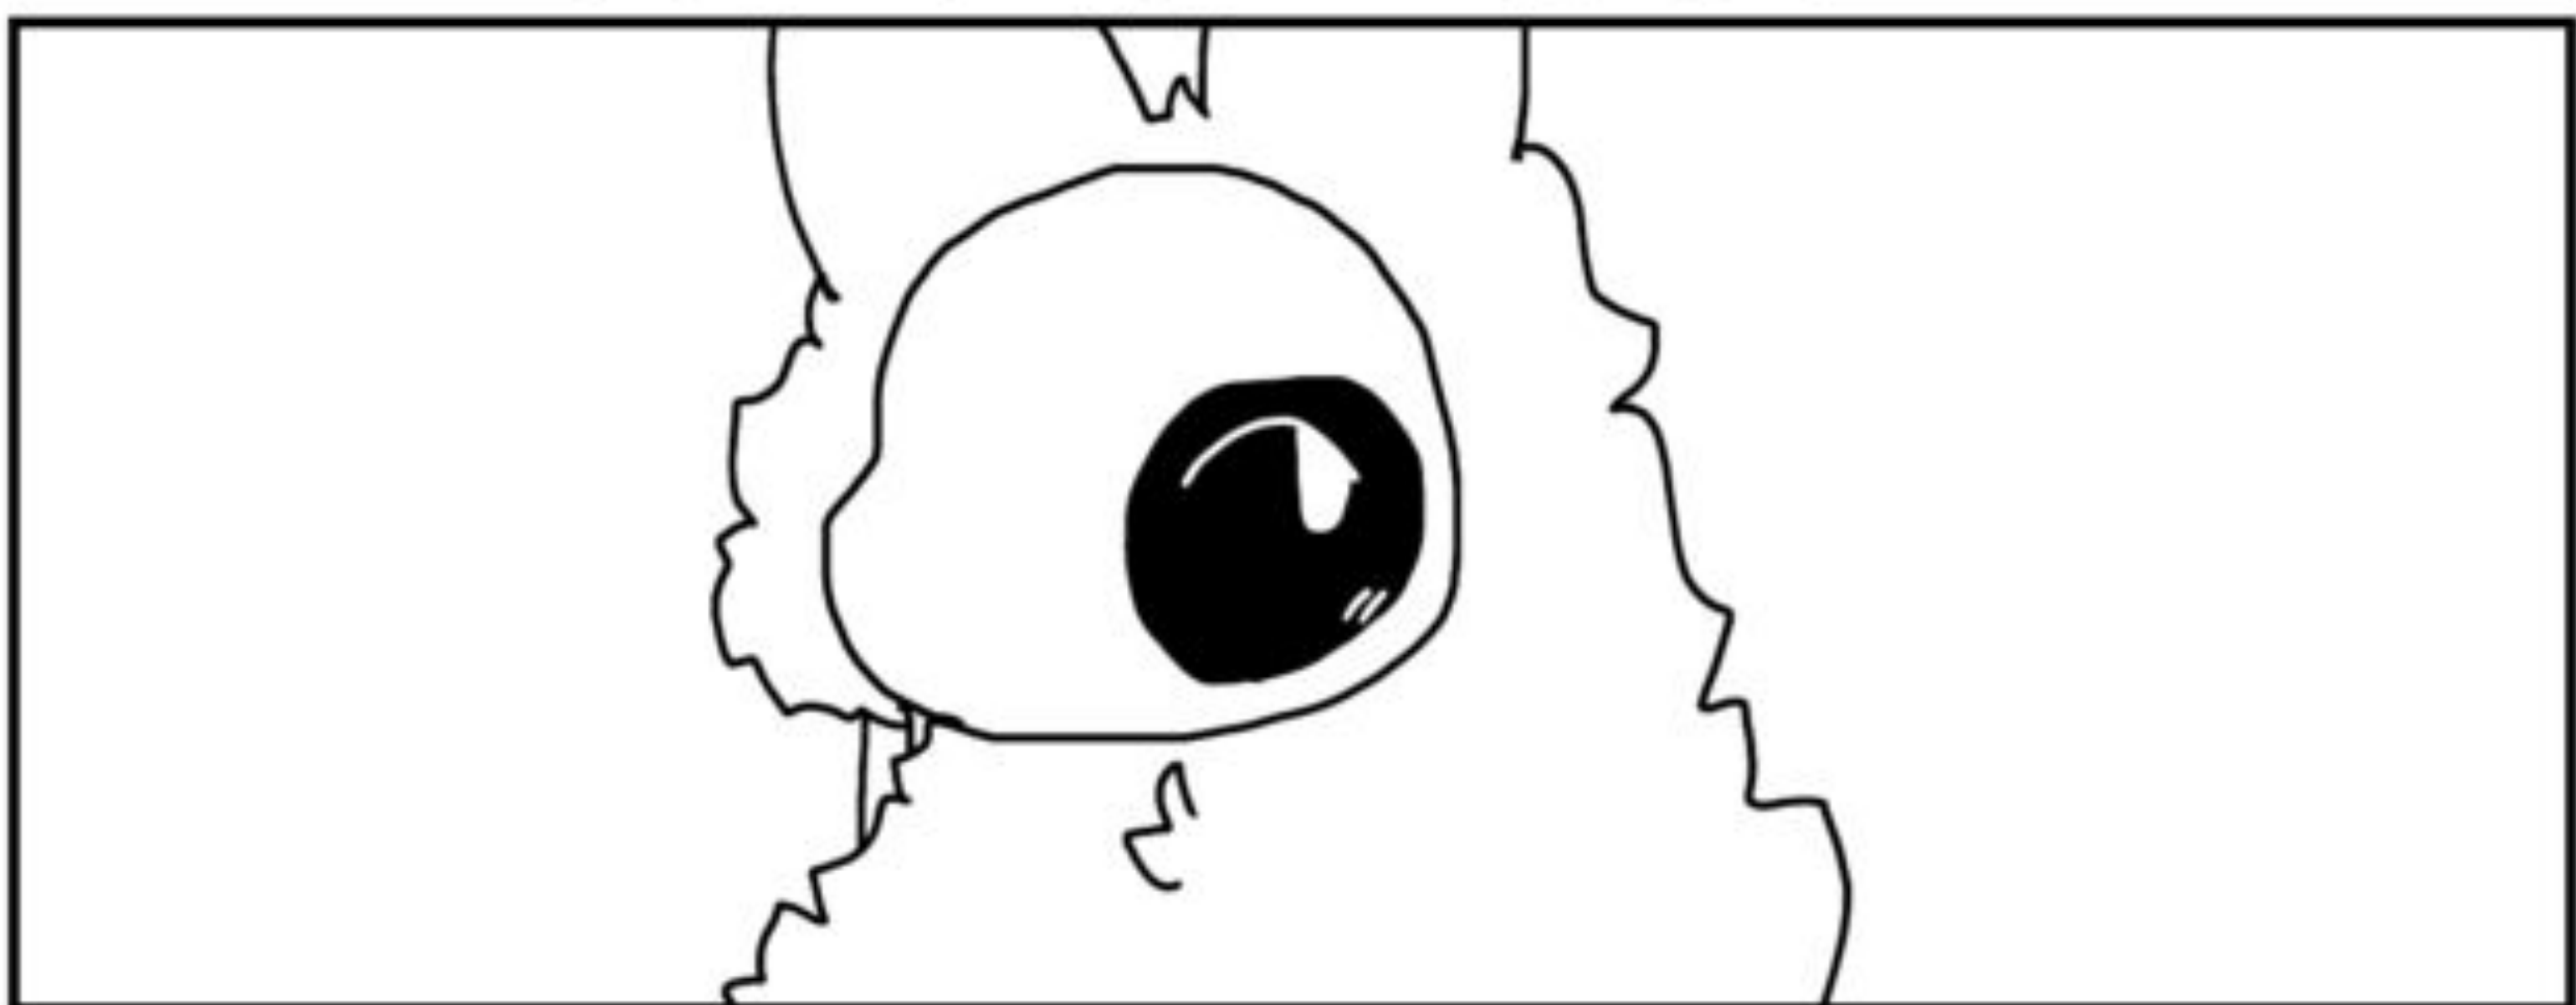

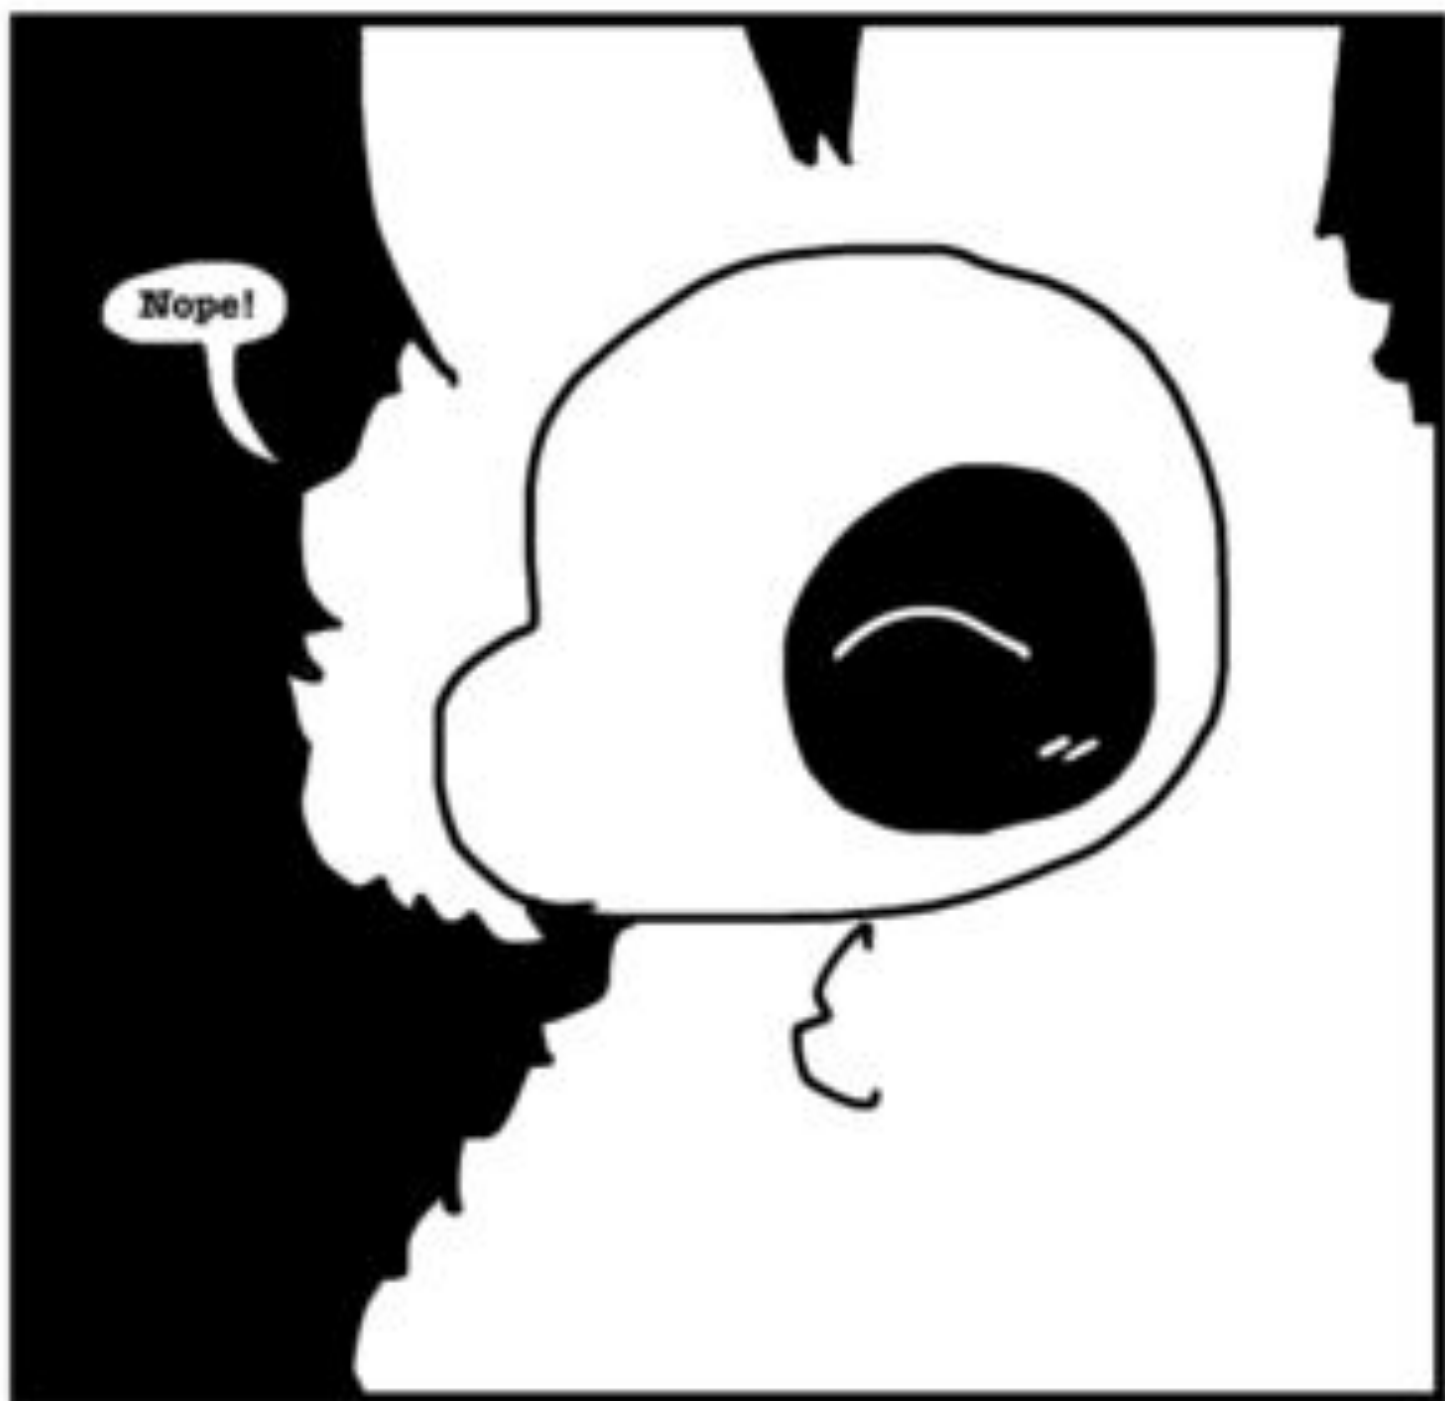

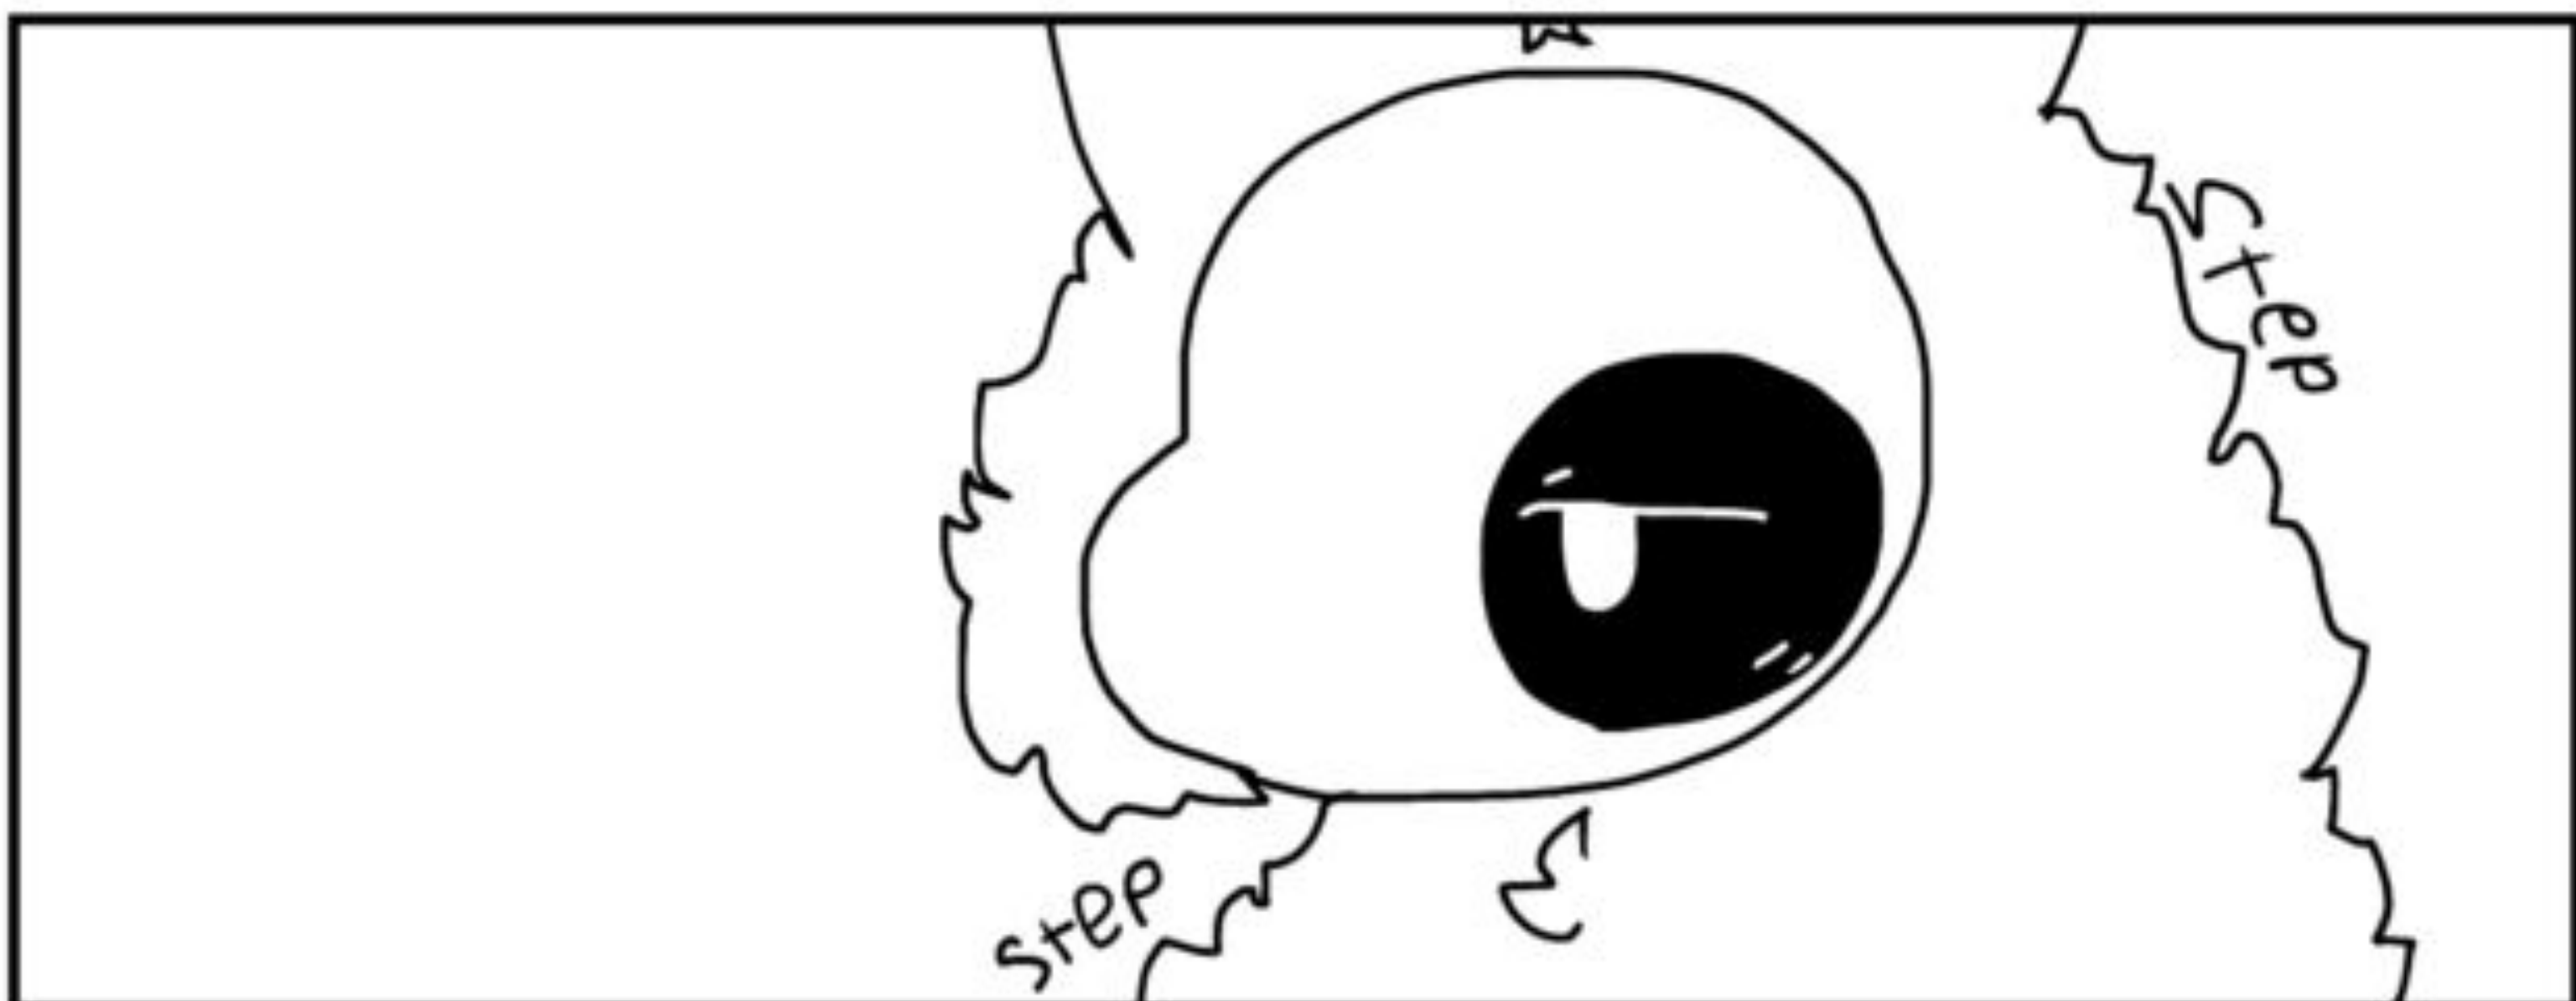

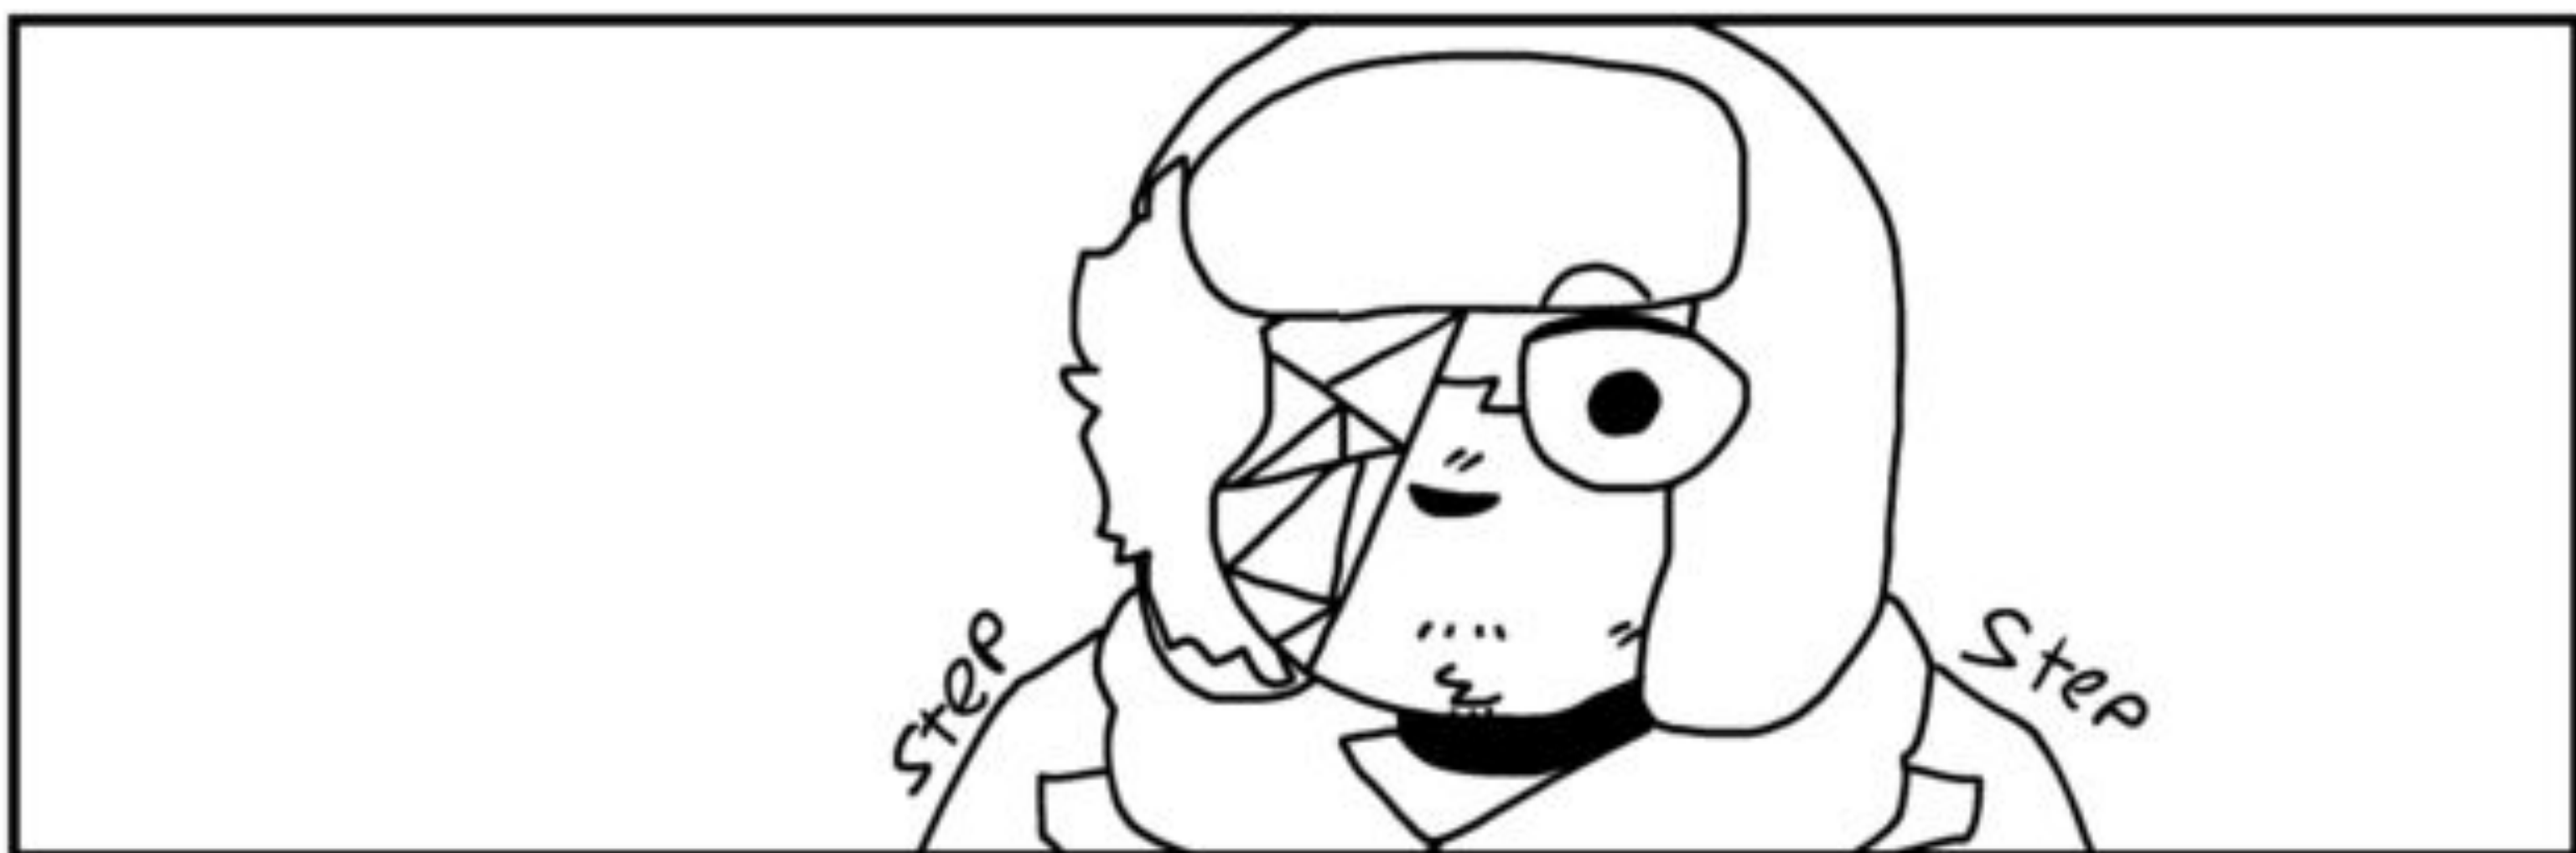

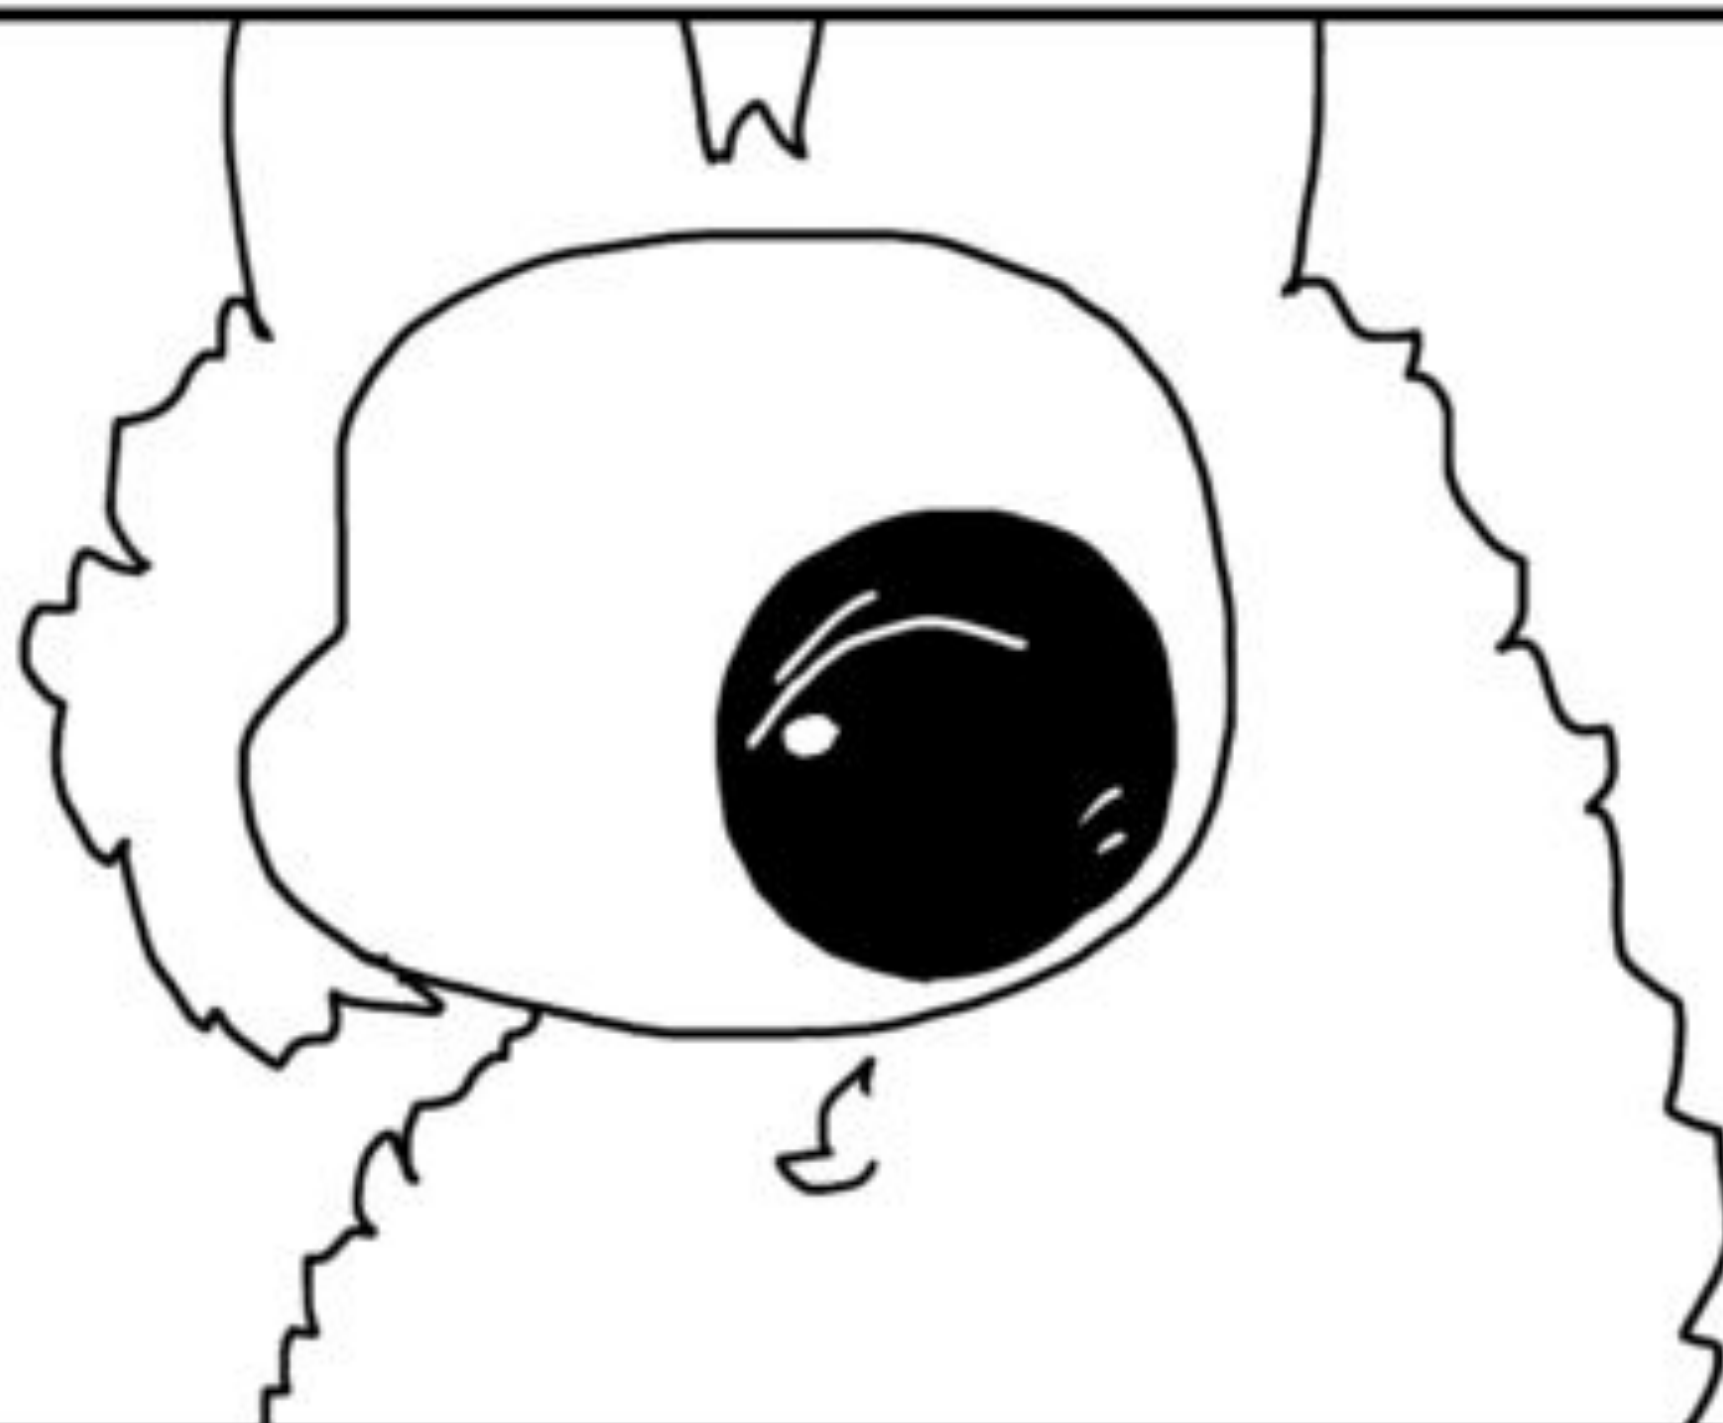

Hah...
Wha...

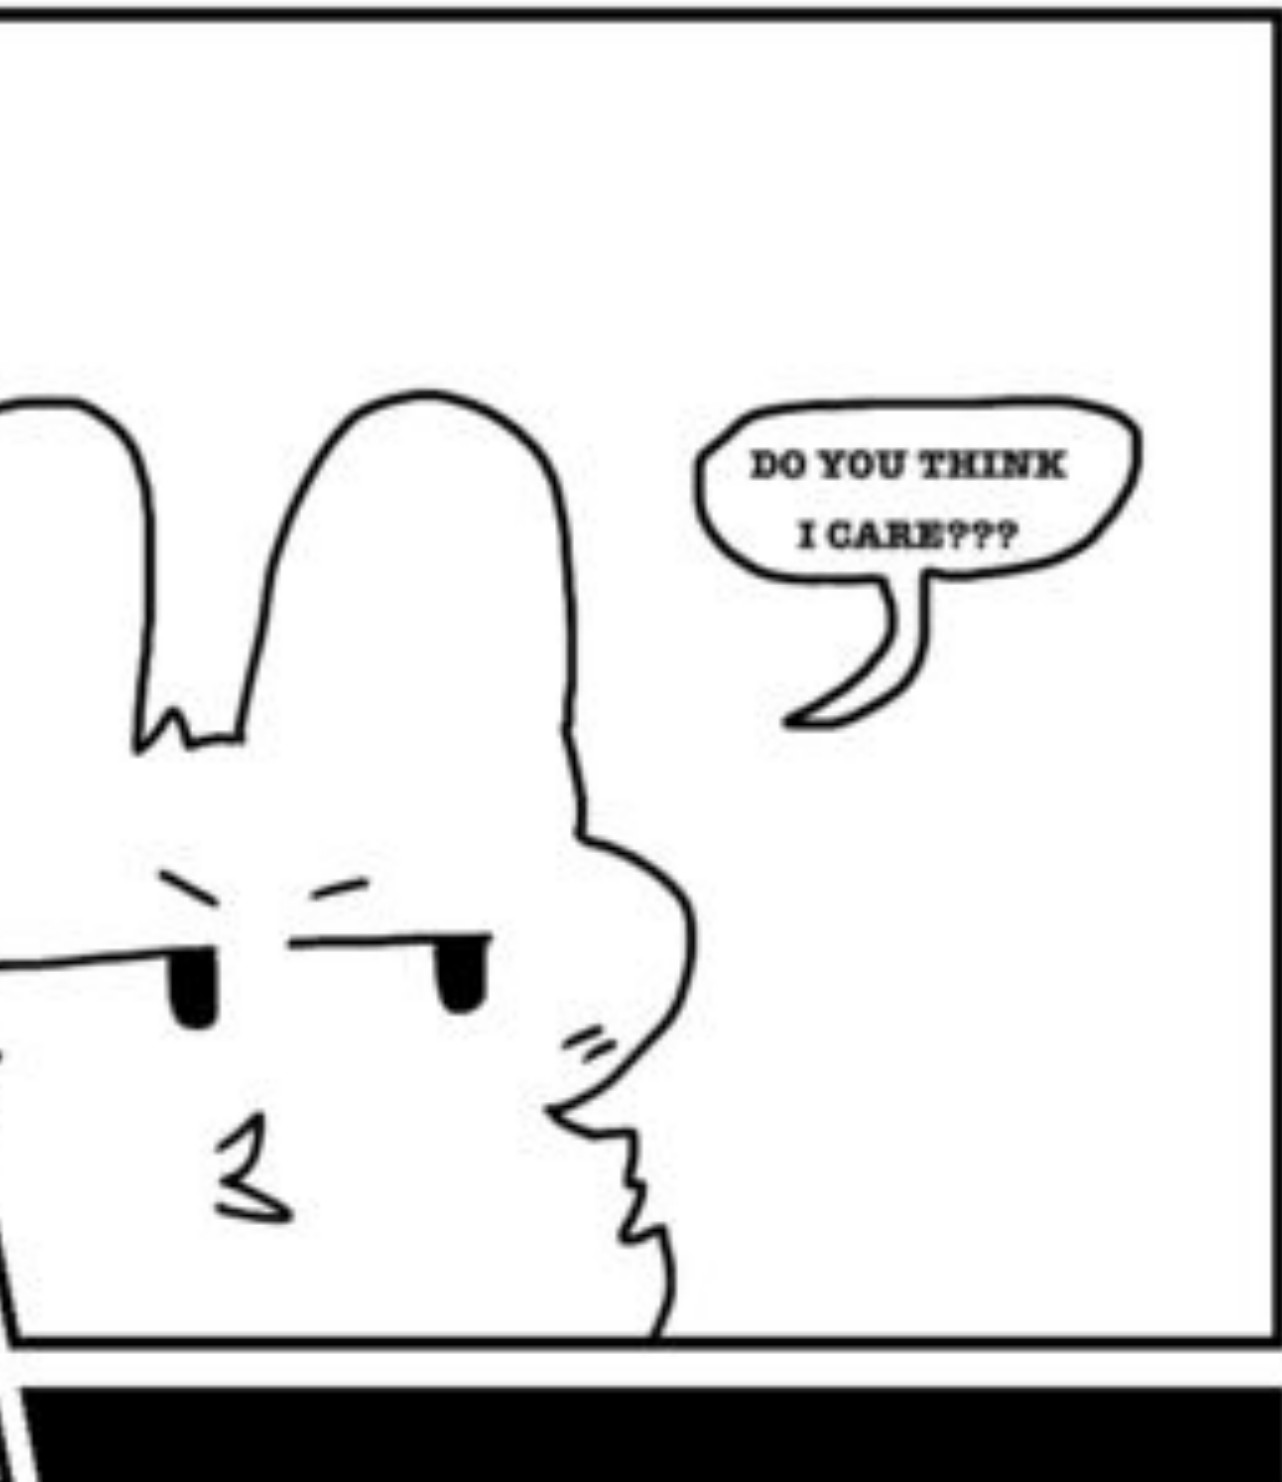

ALL I DID WAS FALL
ASLEEP! IT WAS
HARDLY COLD OUT THERE,
HOW ARE YOU
GUYS THAT
DUMB!????

PEBIS,

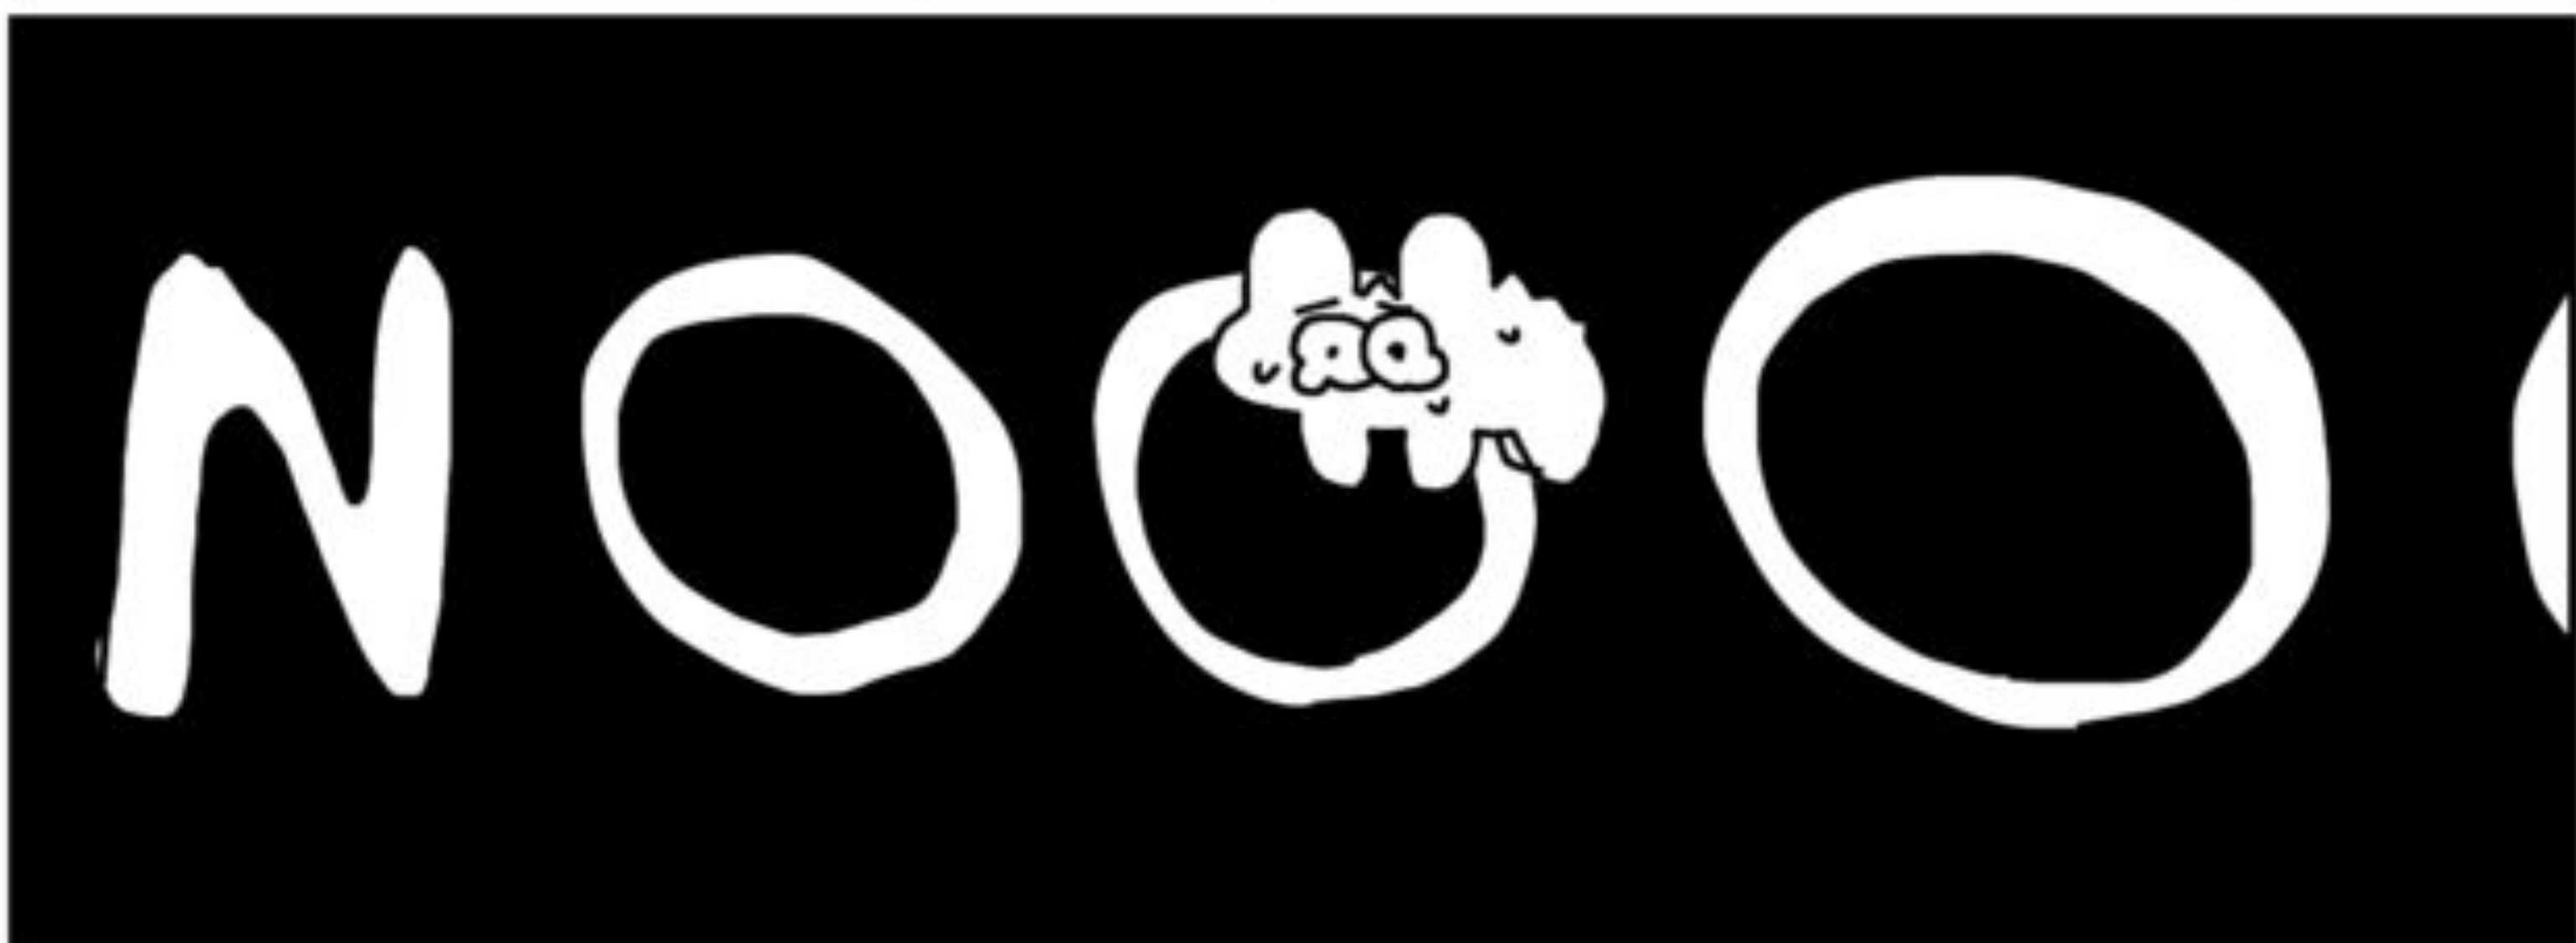

...
No I don't

It means that
you won't have
any access to
your tablet.

WAIT, WAIT,
WAIT, WAIT
WHAT THE
FUCK?!

-i'm ready go home...guys

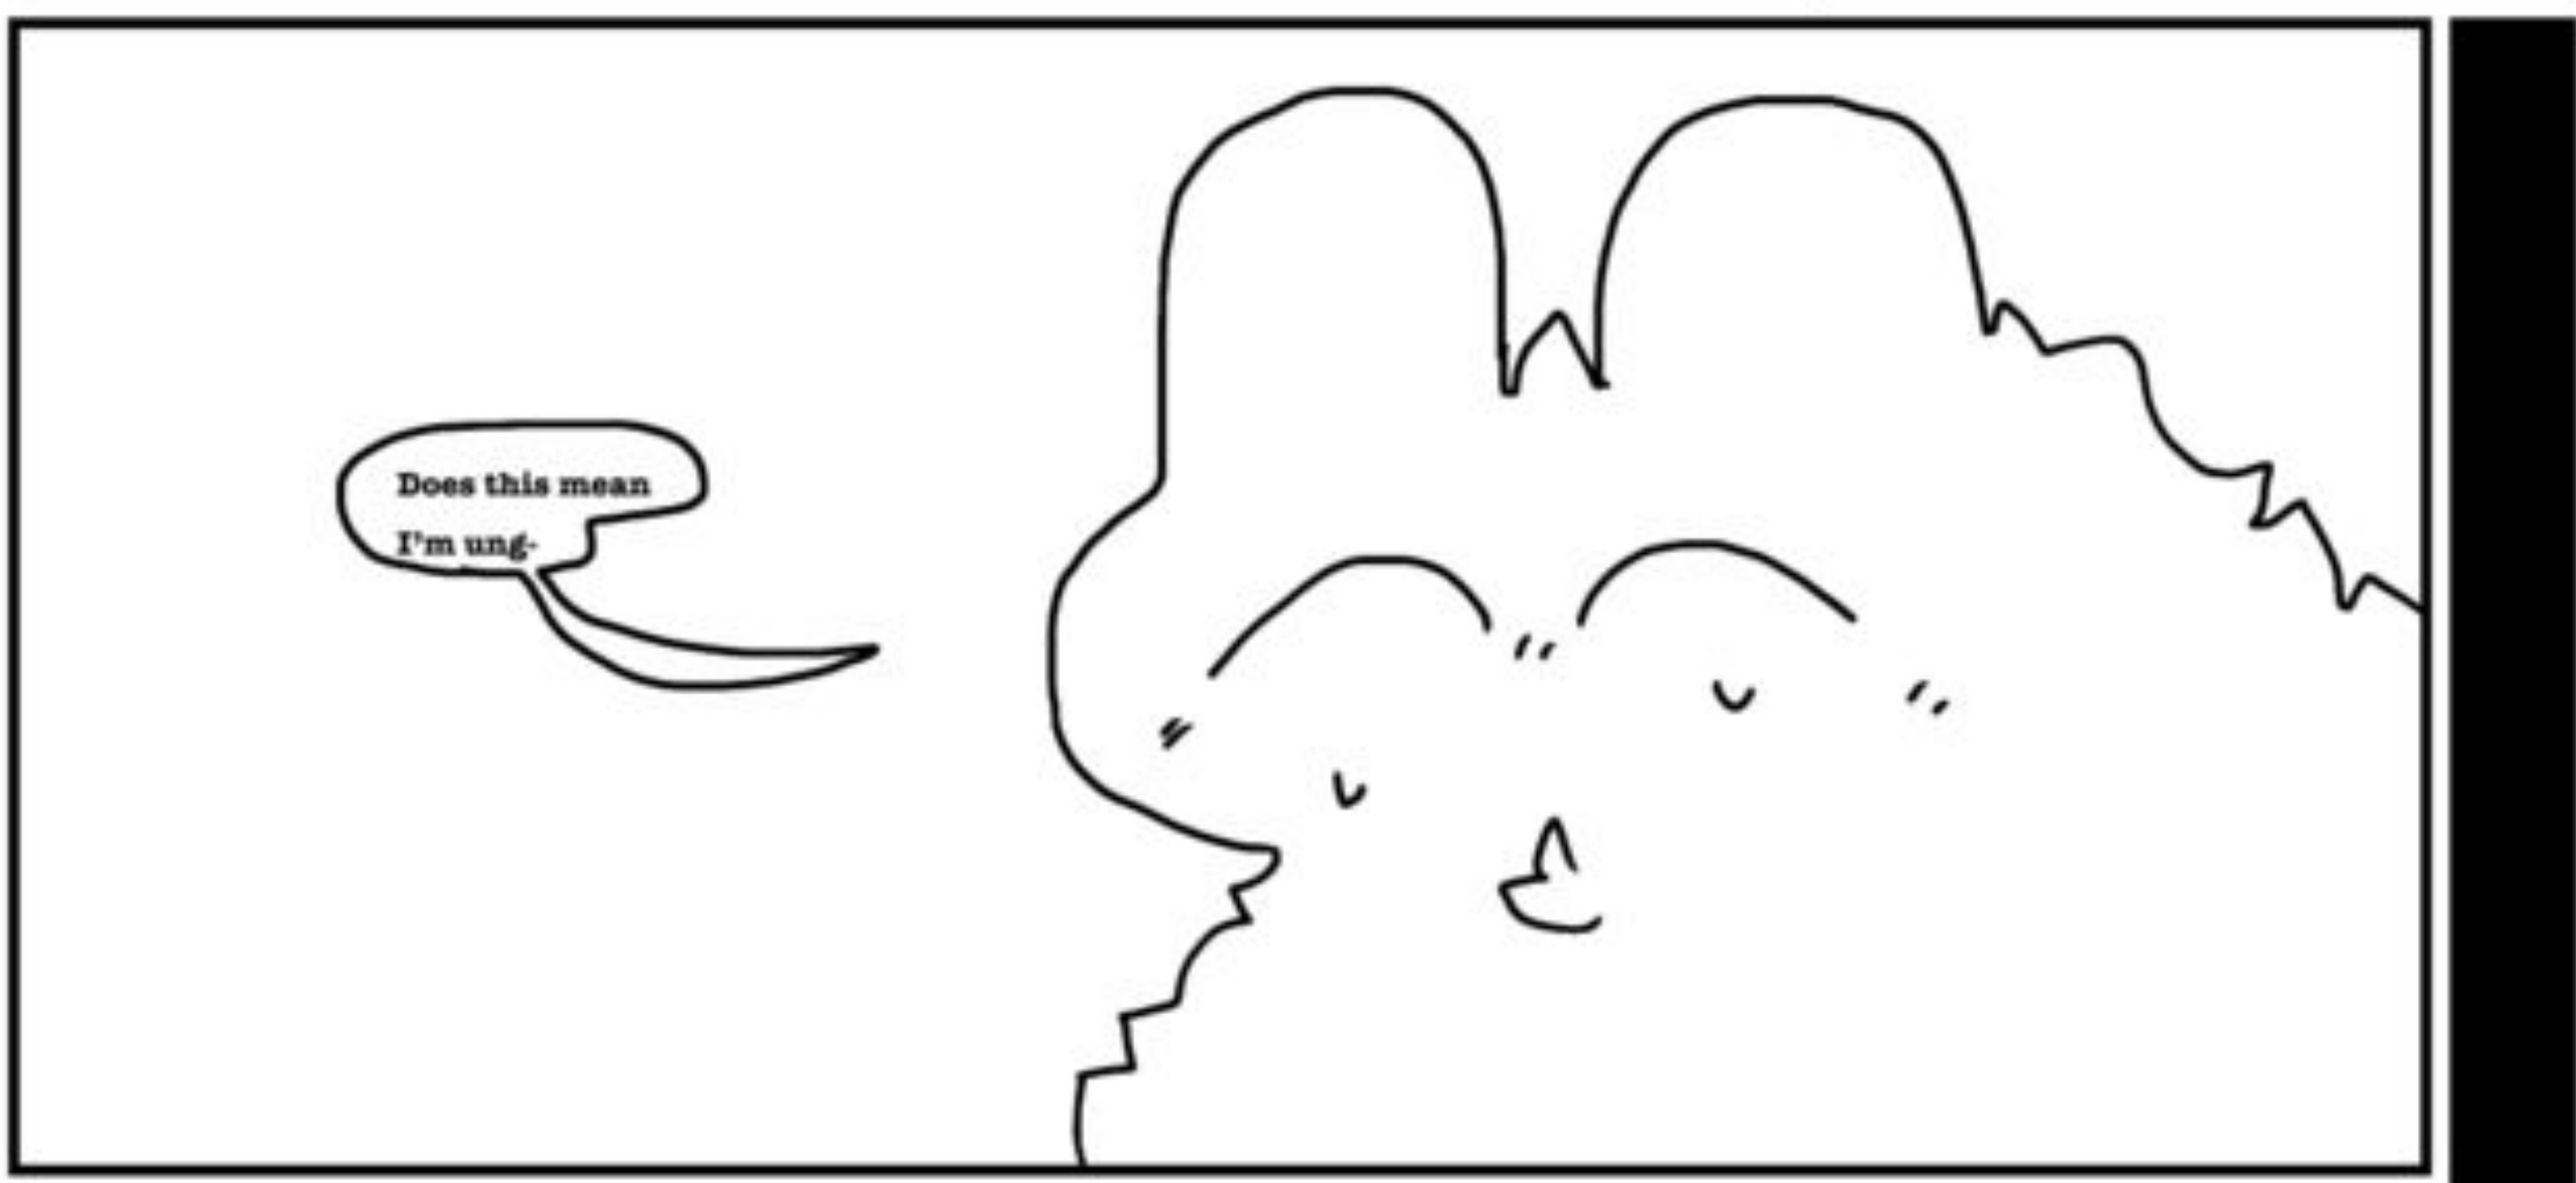

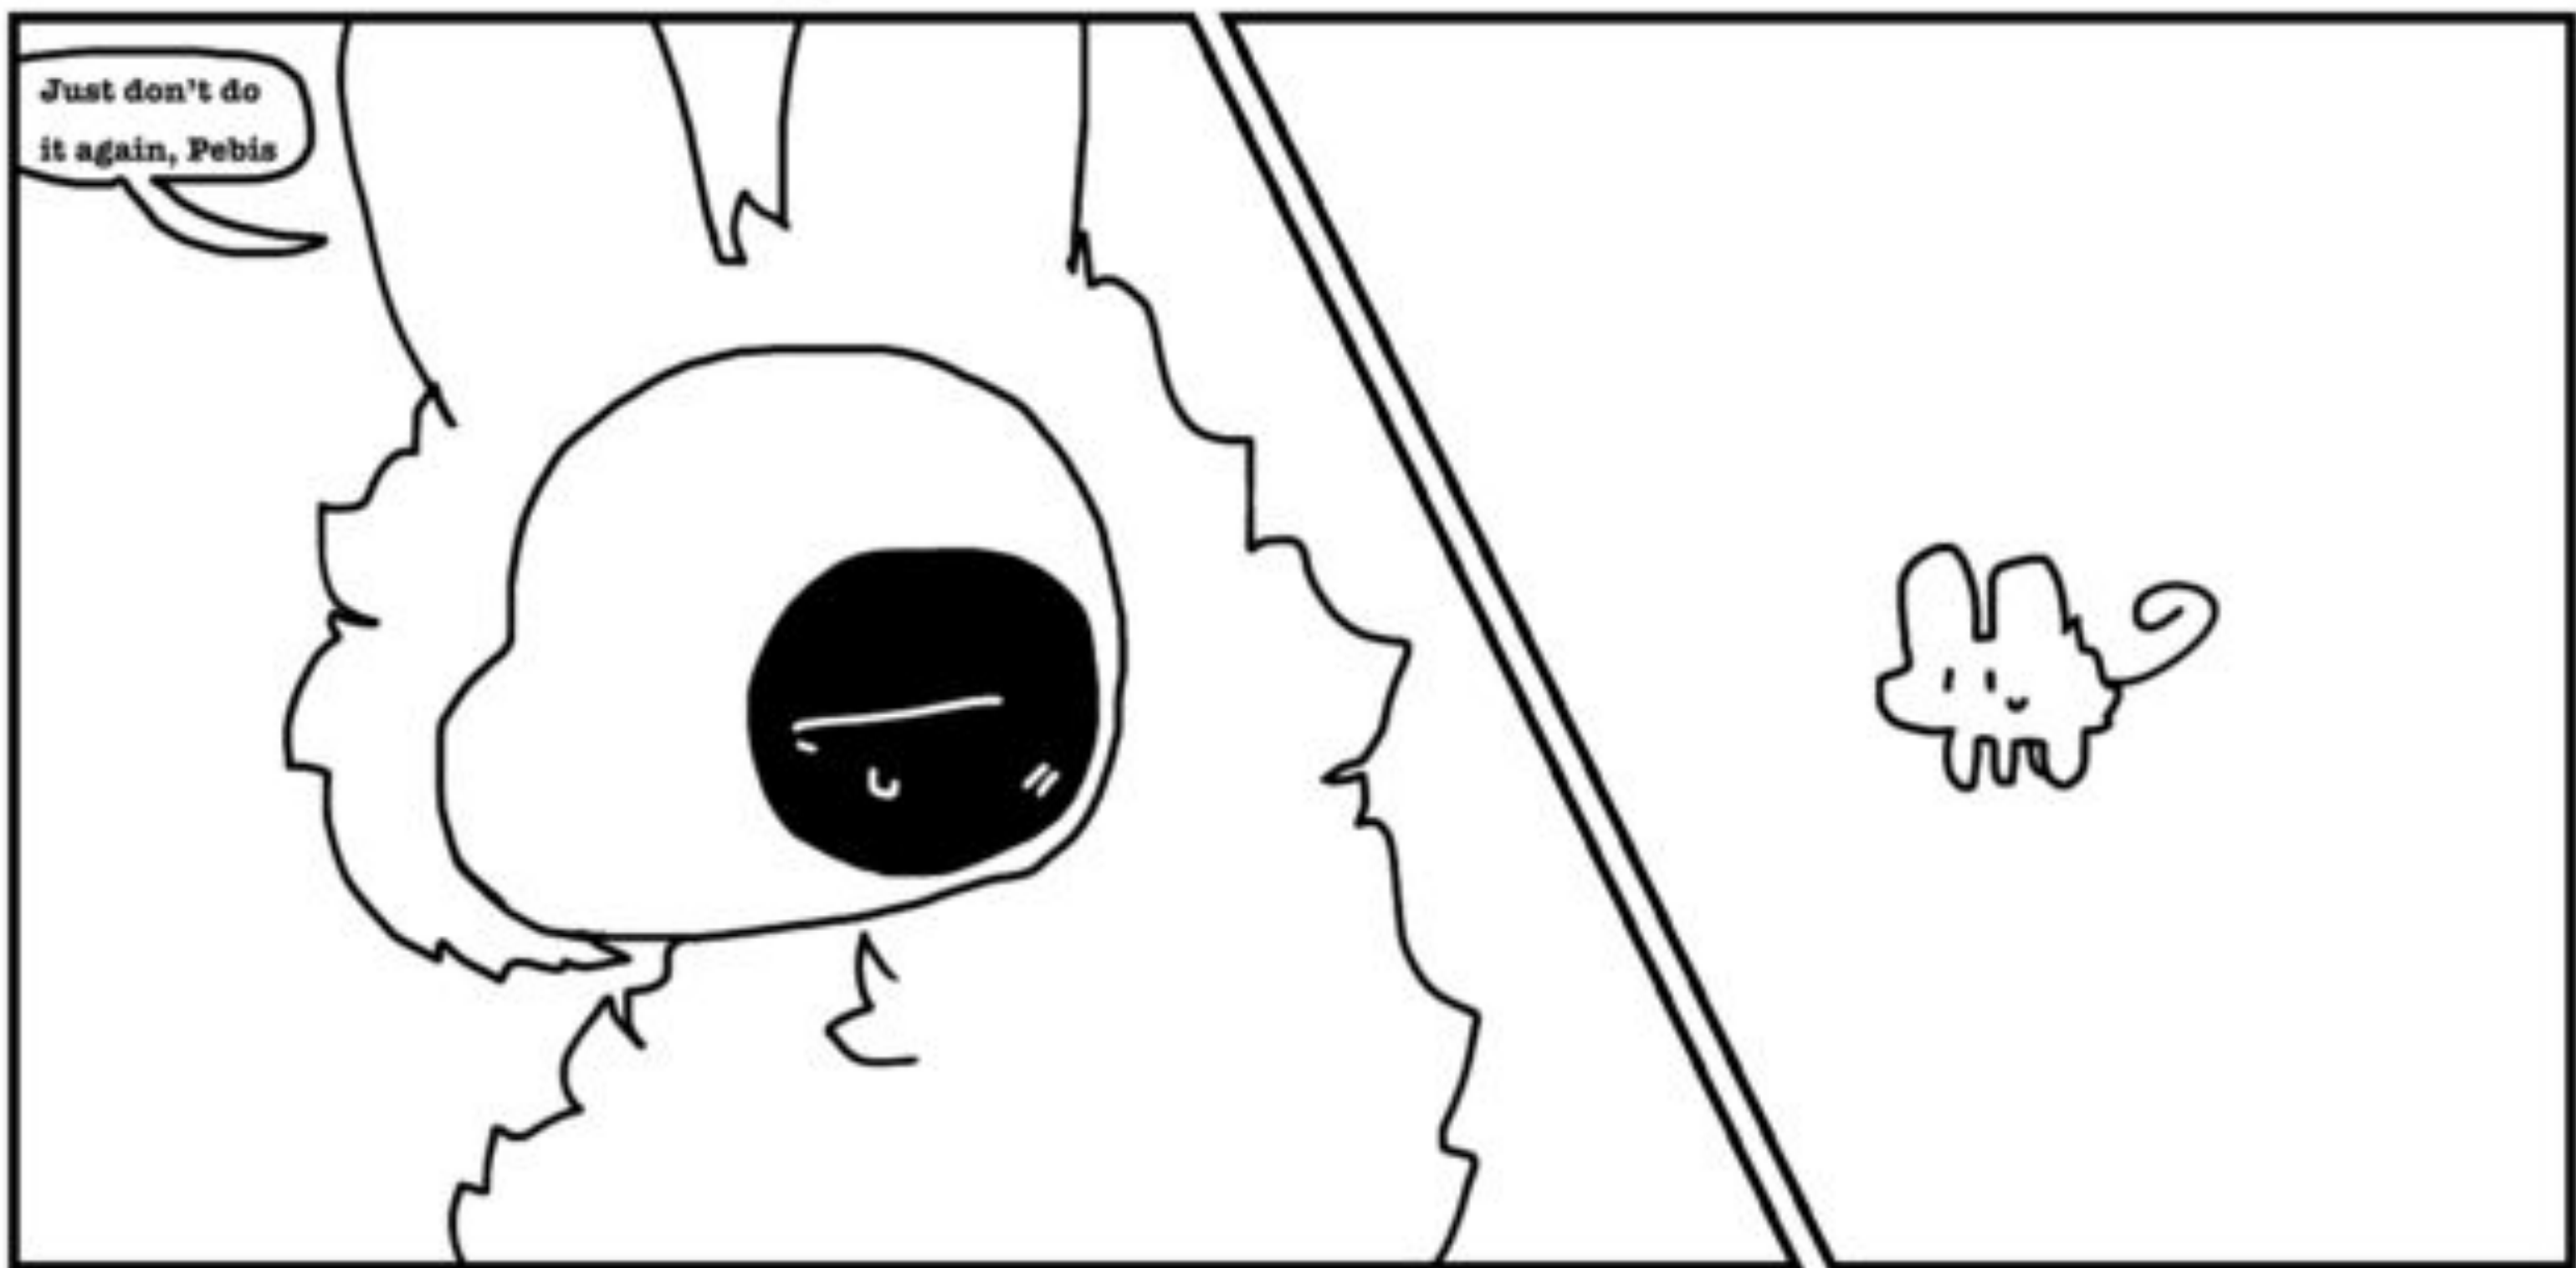

Let's go home then..

Well, goodnight I guess

Good-night

ring ring

Caretaker: guardian..? W-what do you need at 11:36 PM?!?!

Guardian: hey uly!

Caretaker: why are you calling me uly???

Guardian: cause it's a good nickname!

Caretaker: nevermind...why did you call me?

Guardian: because I wanted to know if I could see you tomorrow!

Caretaker: r-really?

Guardian: yea! My son Evan asked if we could come over when I talked about you to him, so I had to make sure!

Caretaker: well...s-sure!

Caretaker: I'd love to see you again!

Caretaker: plus, I've never met Evan. It's about time t-to meet him!

Guardian: great!

Guardian: see you tomorrow, goodnight!

Caretaker: g-goodnight

Eeeevaaan...

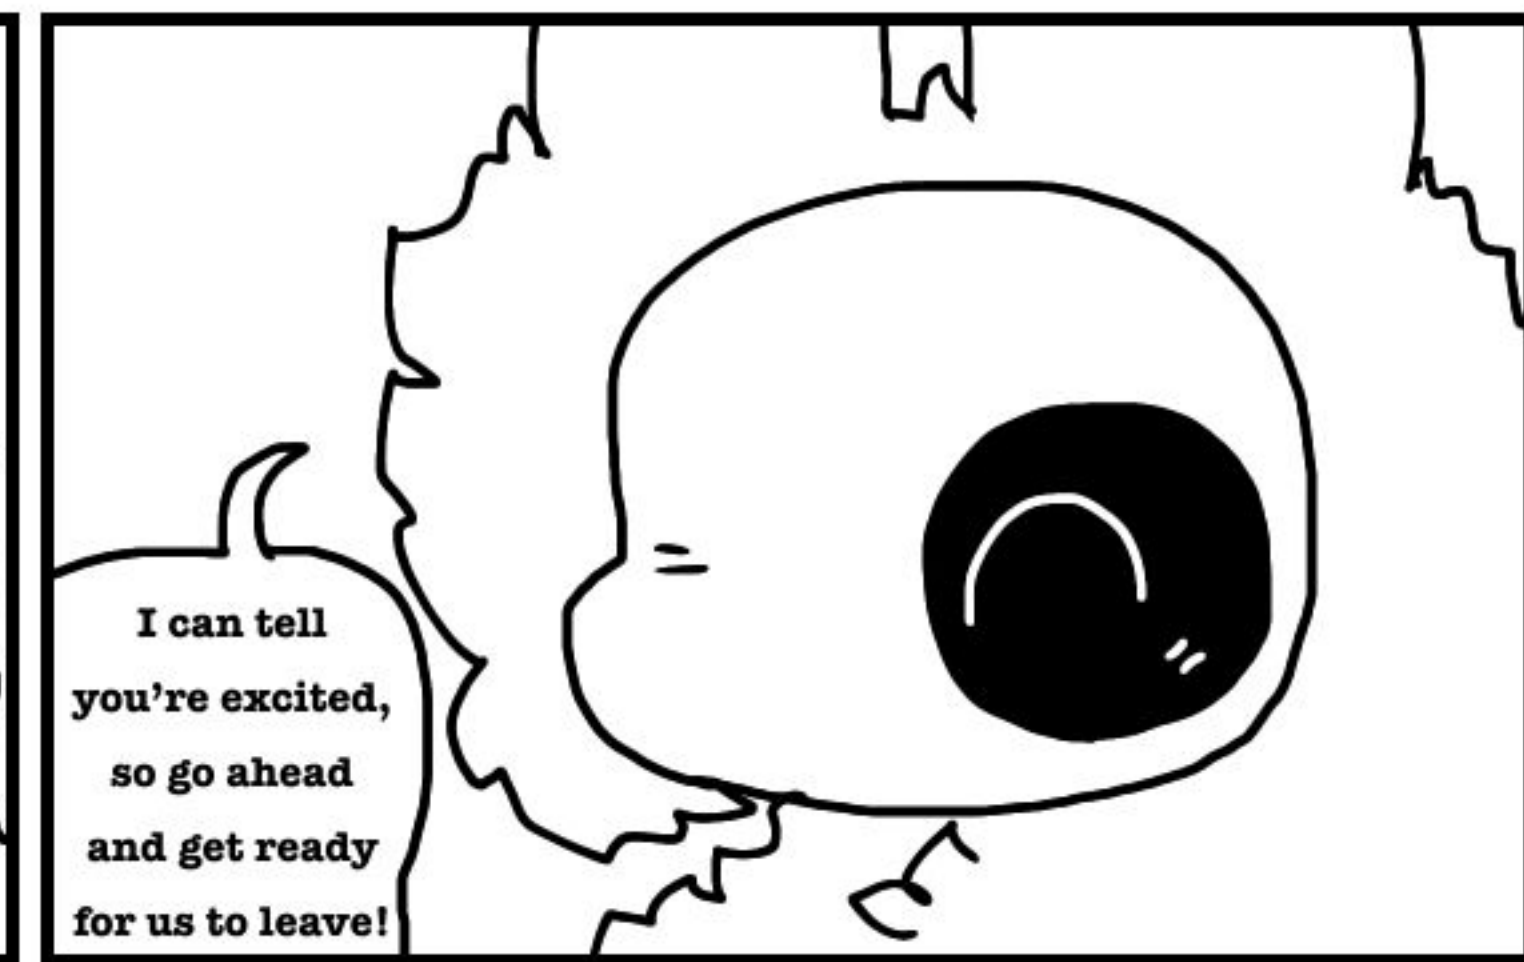

Wakey

GAH!

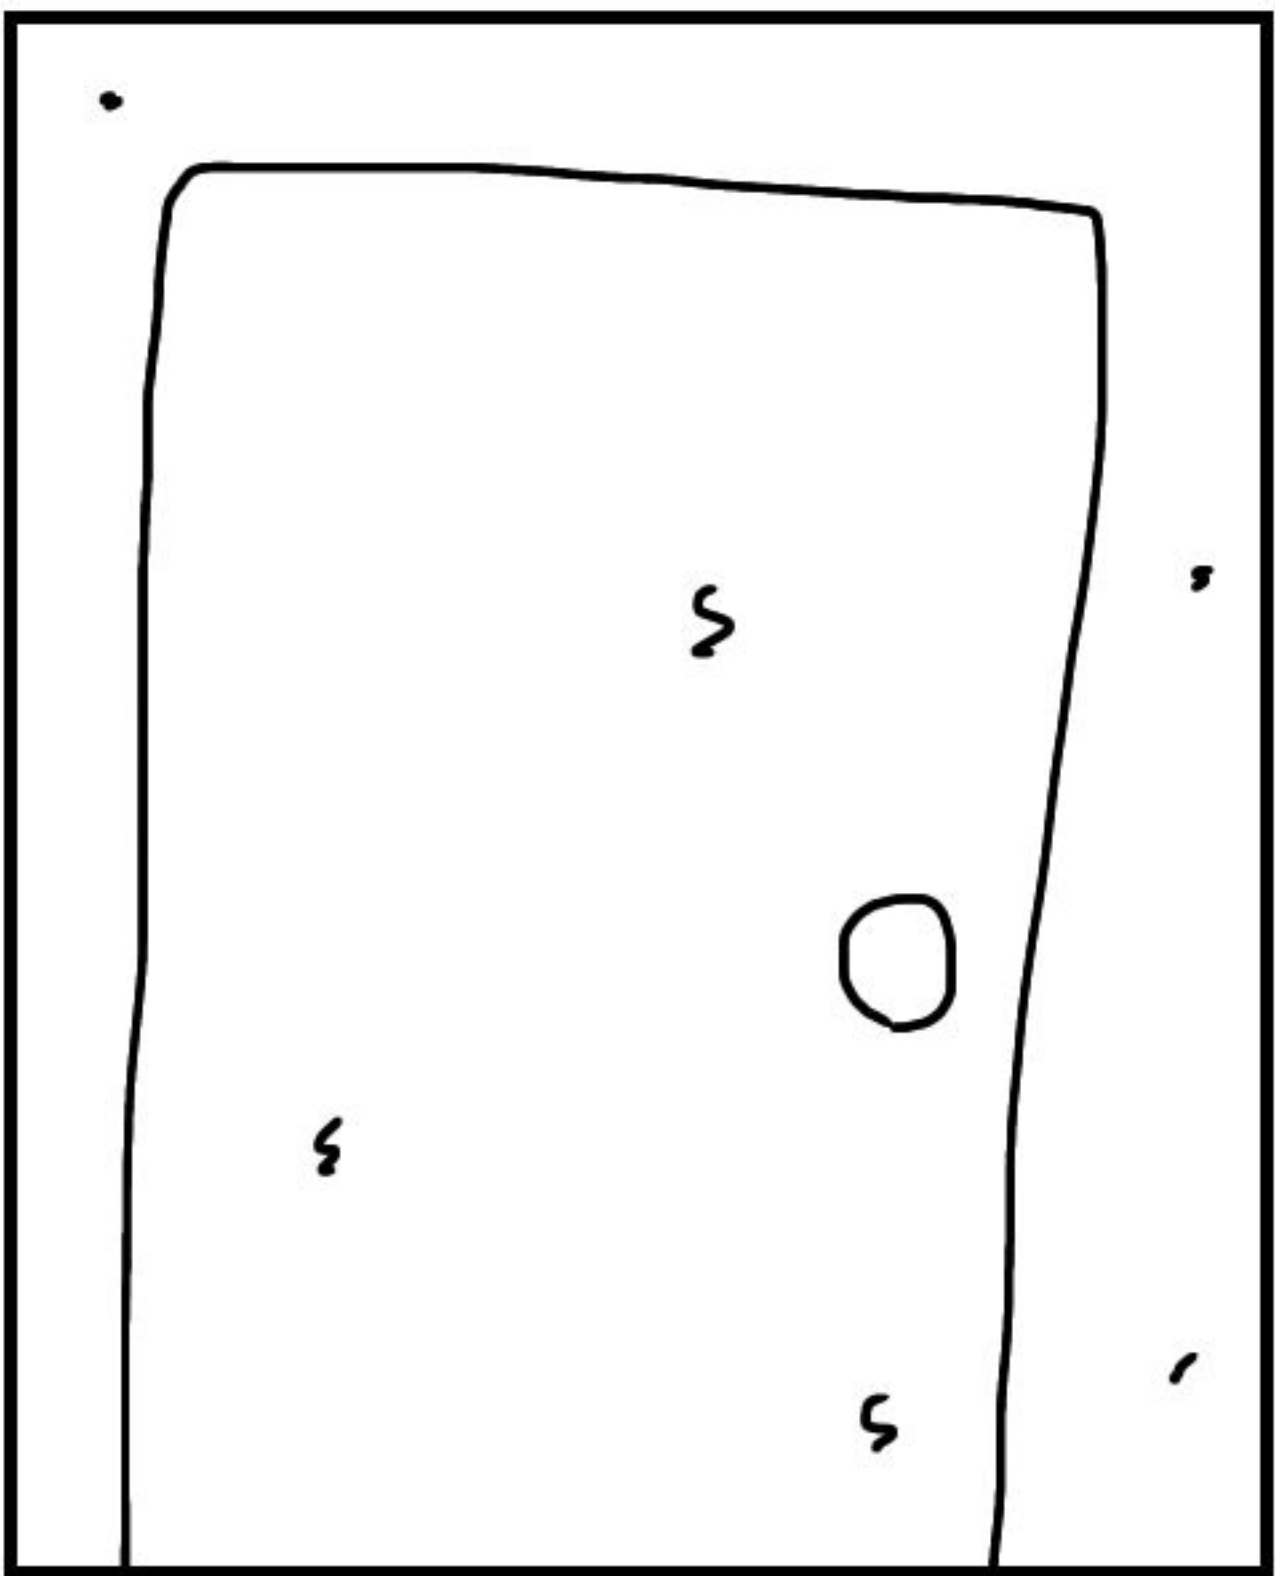

Guardian...
Why did you
wake me
up so early?!

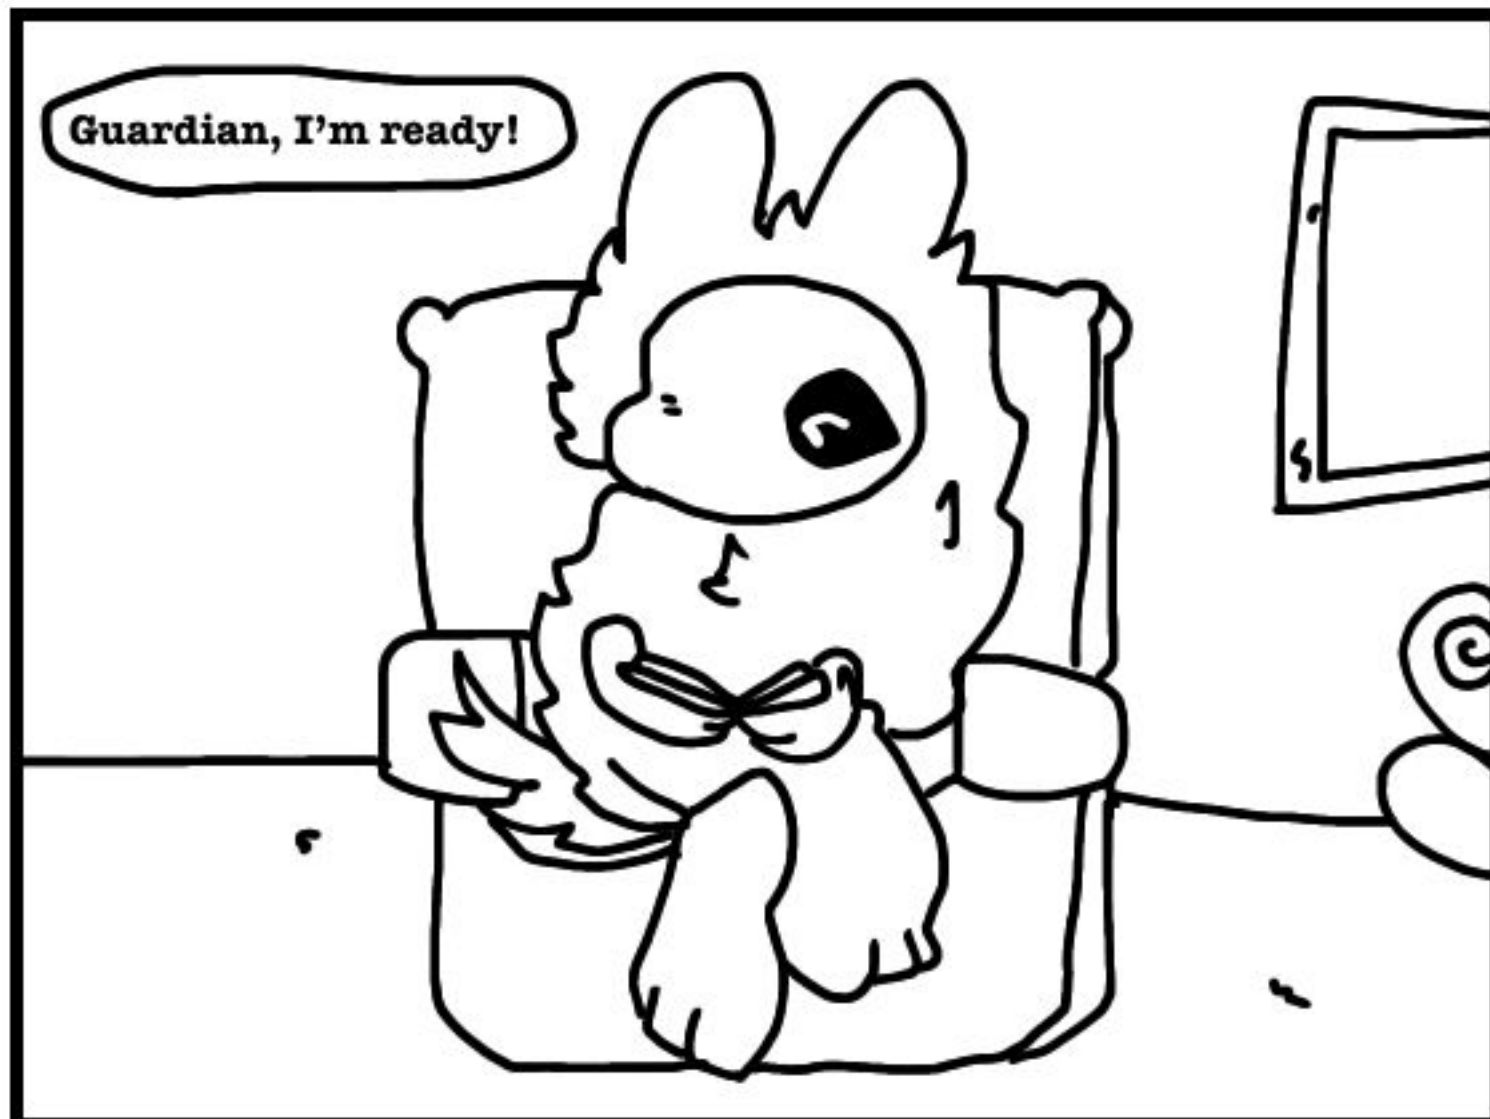

Remember when
I told you
about caretaker?

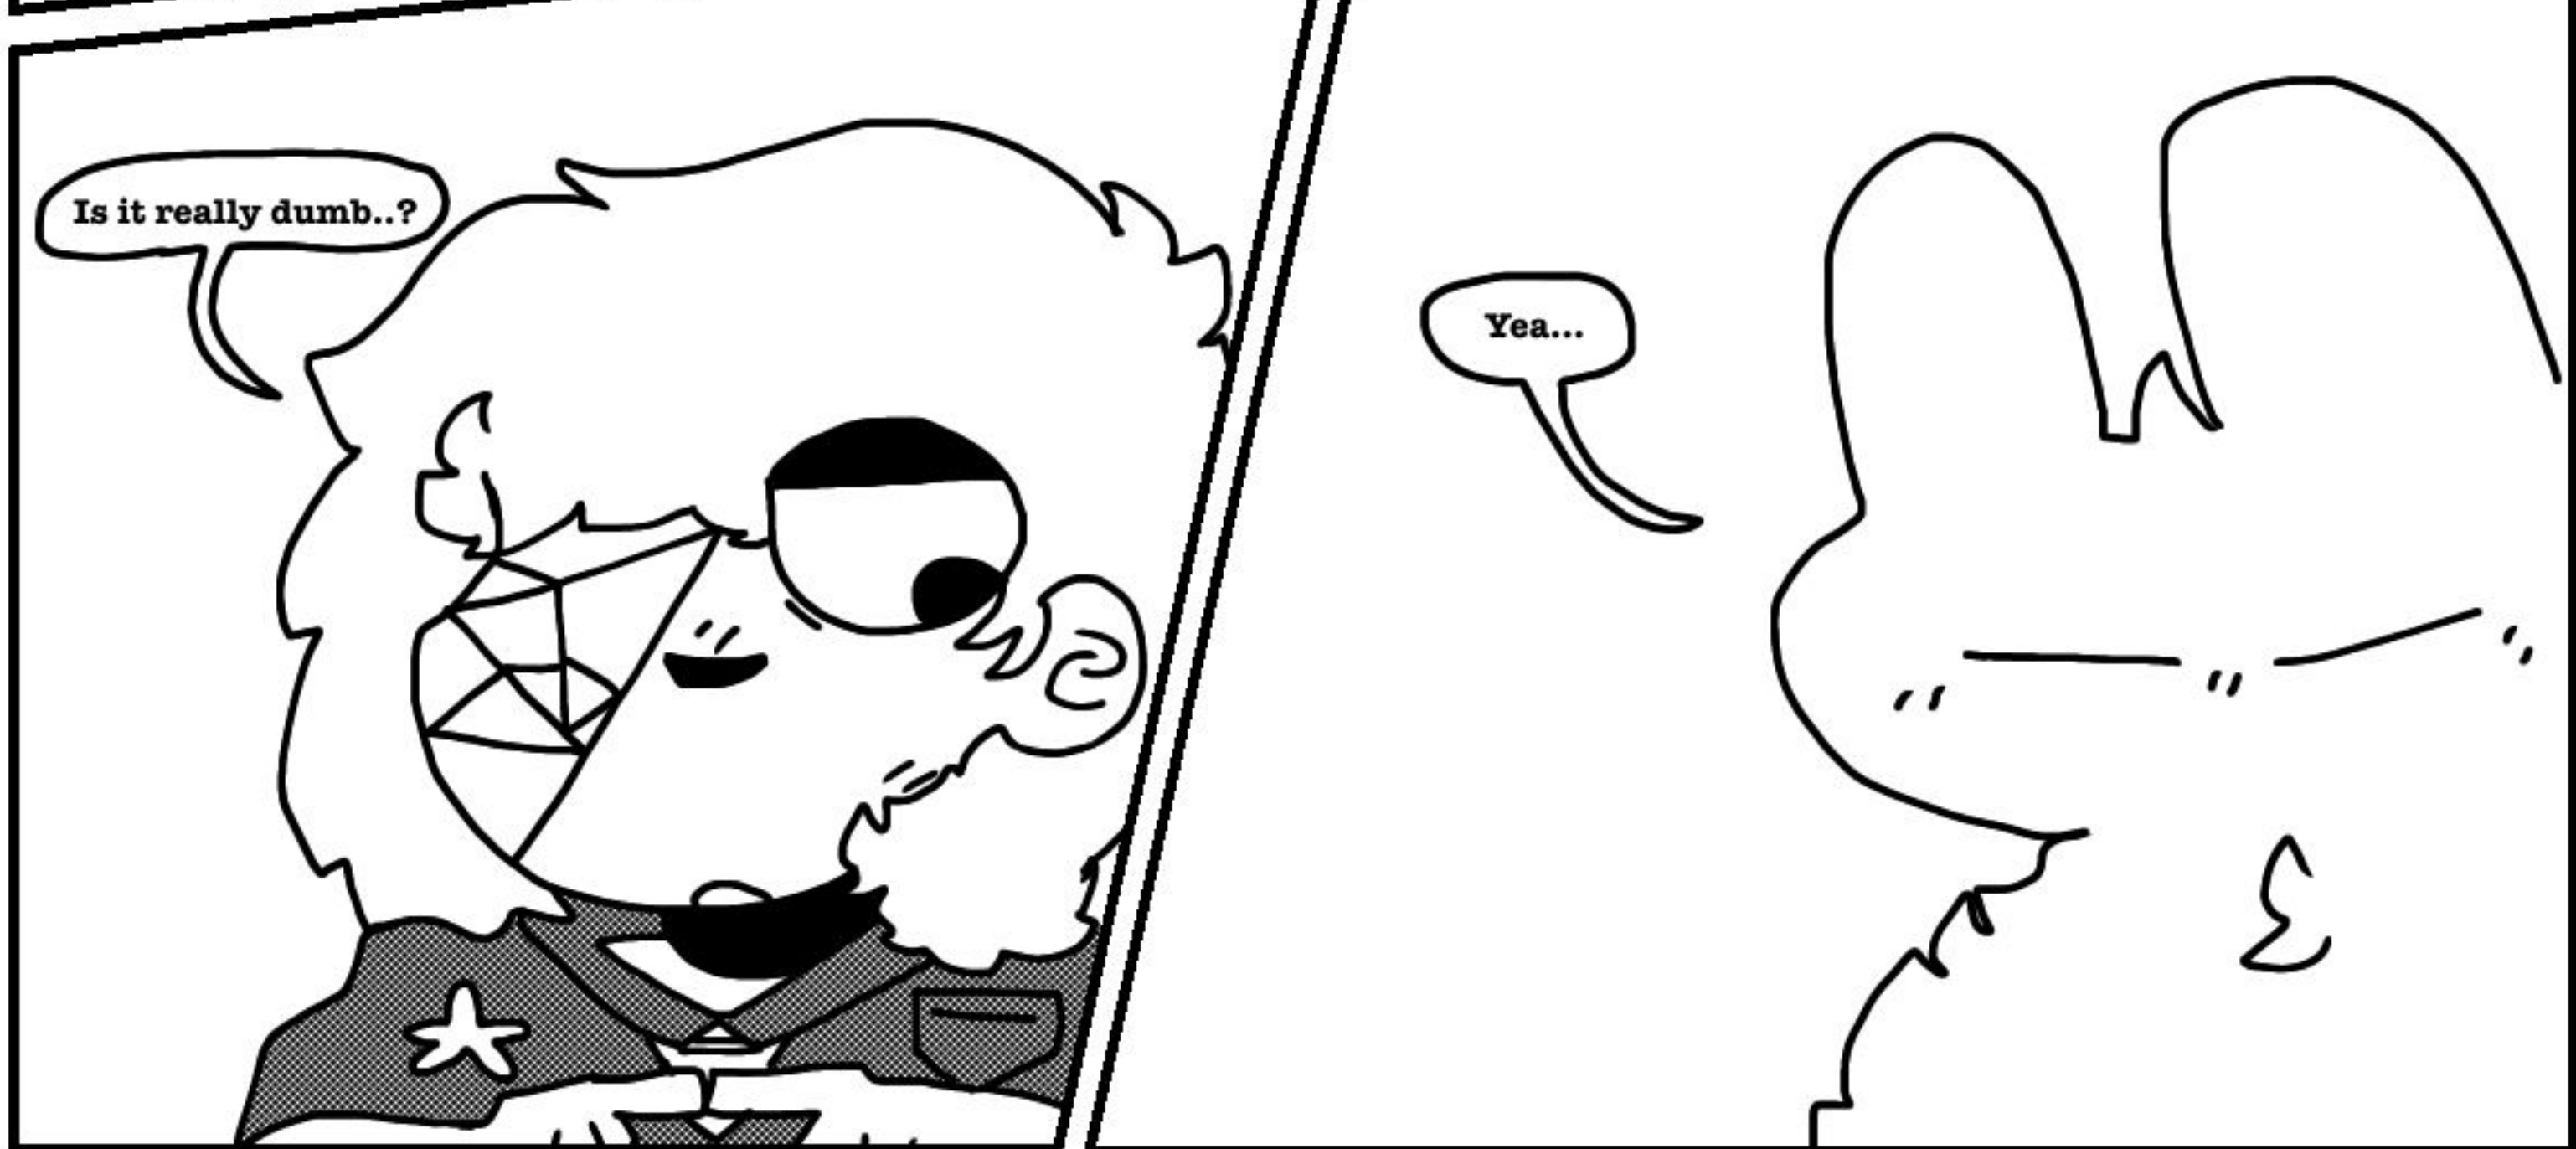

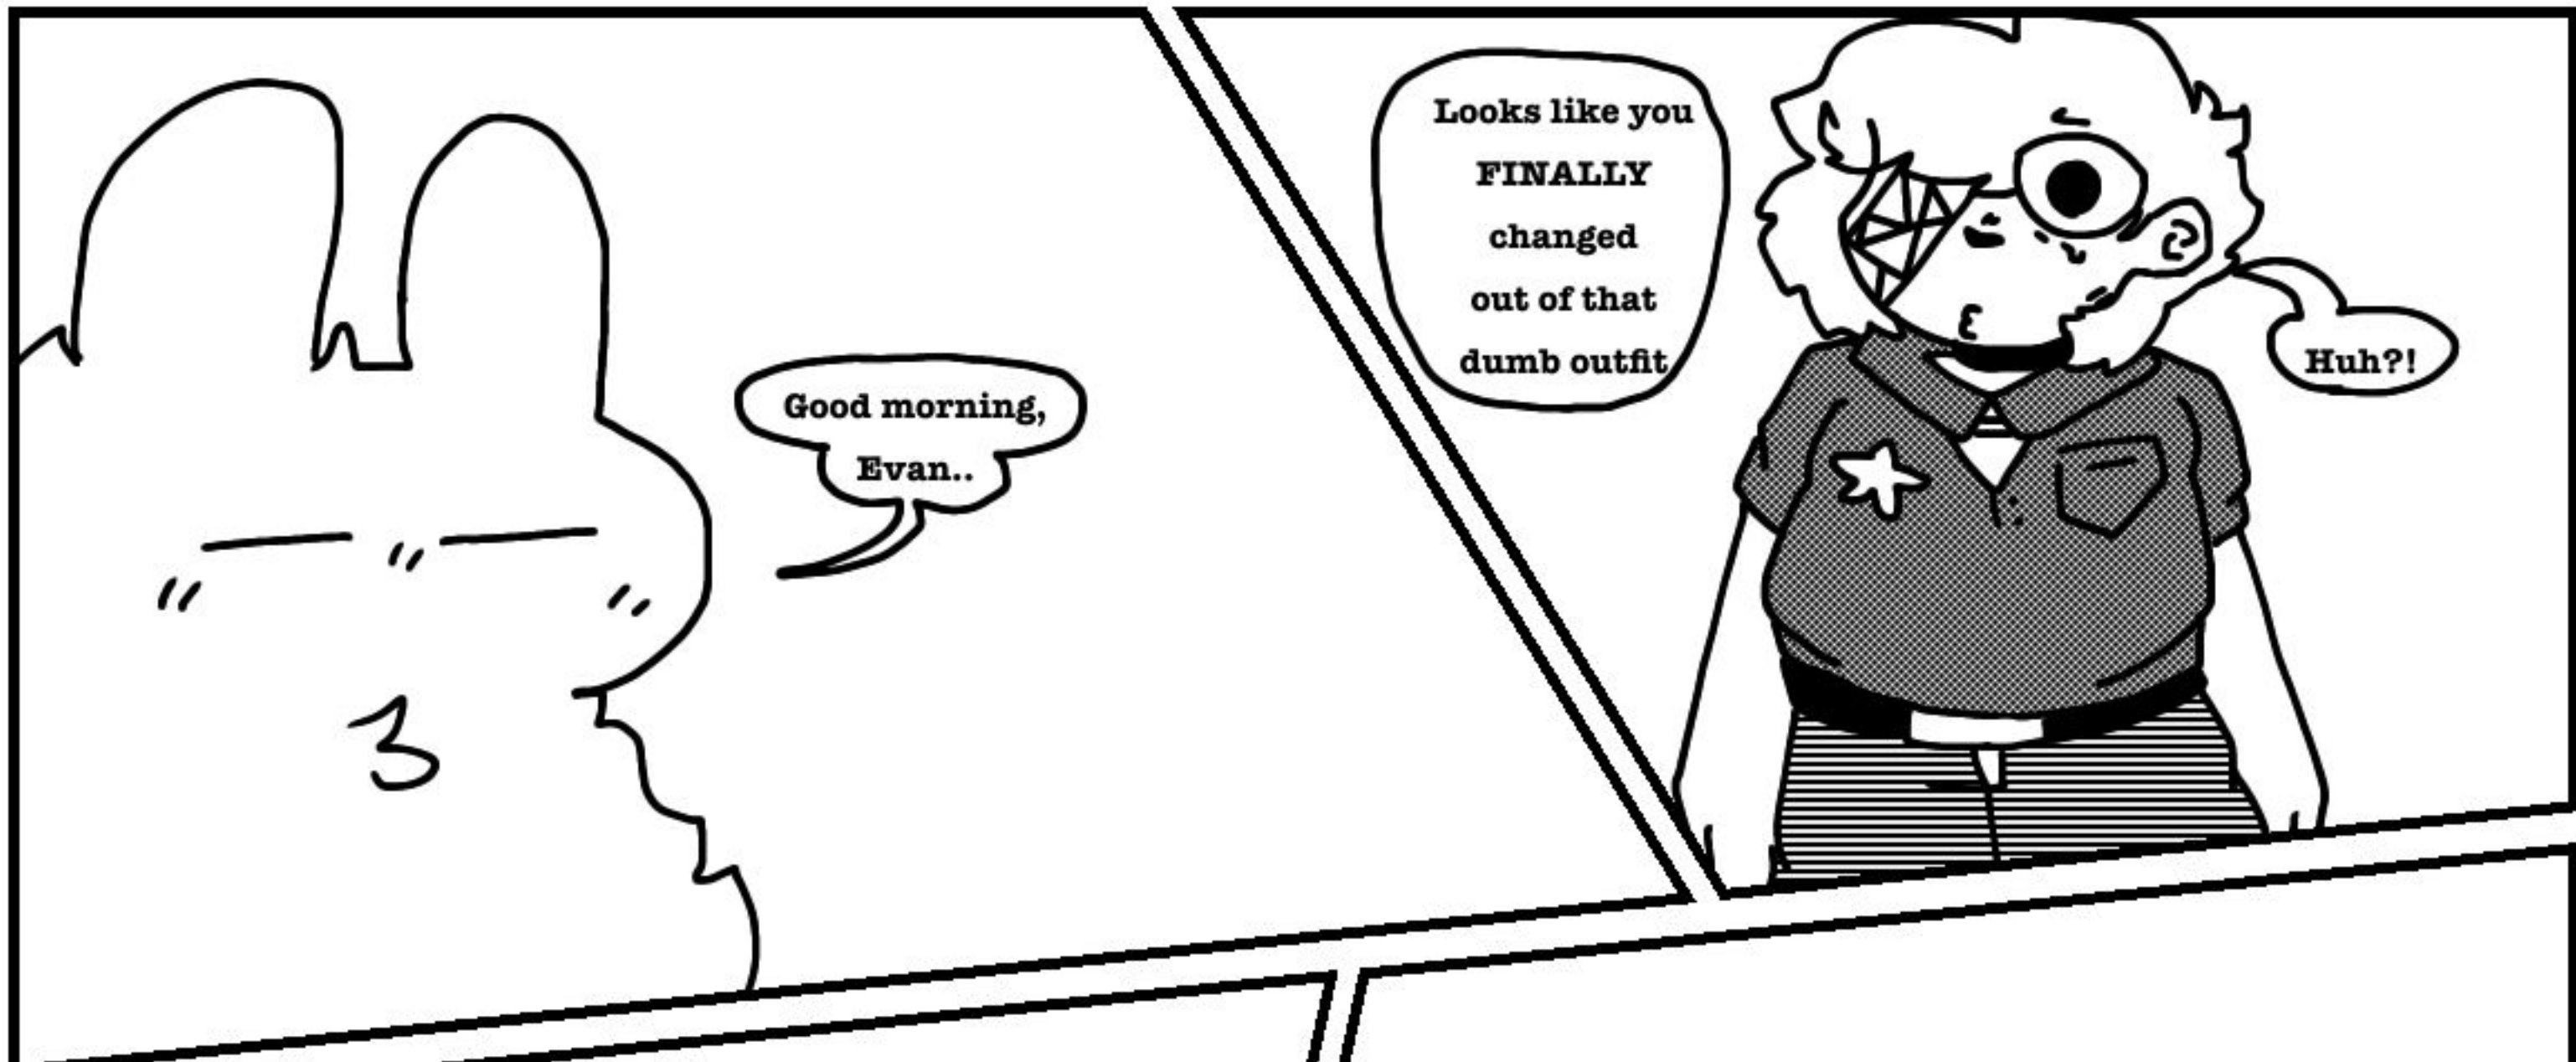

CHAPTER 9
FOSTER × CARE

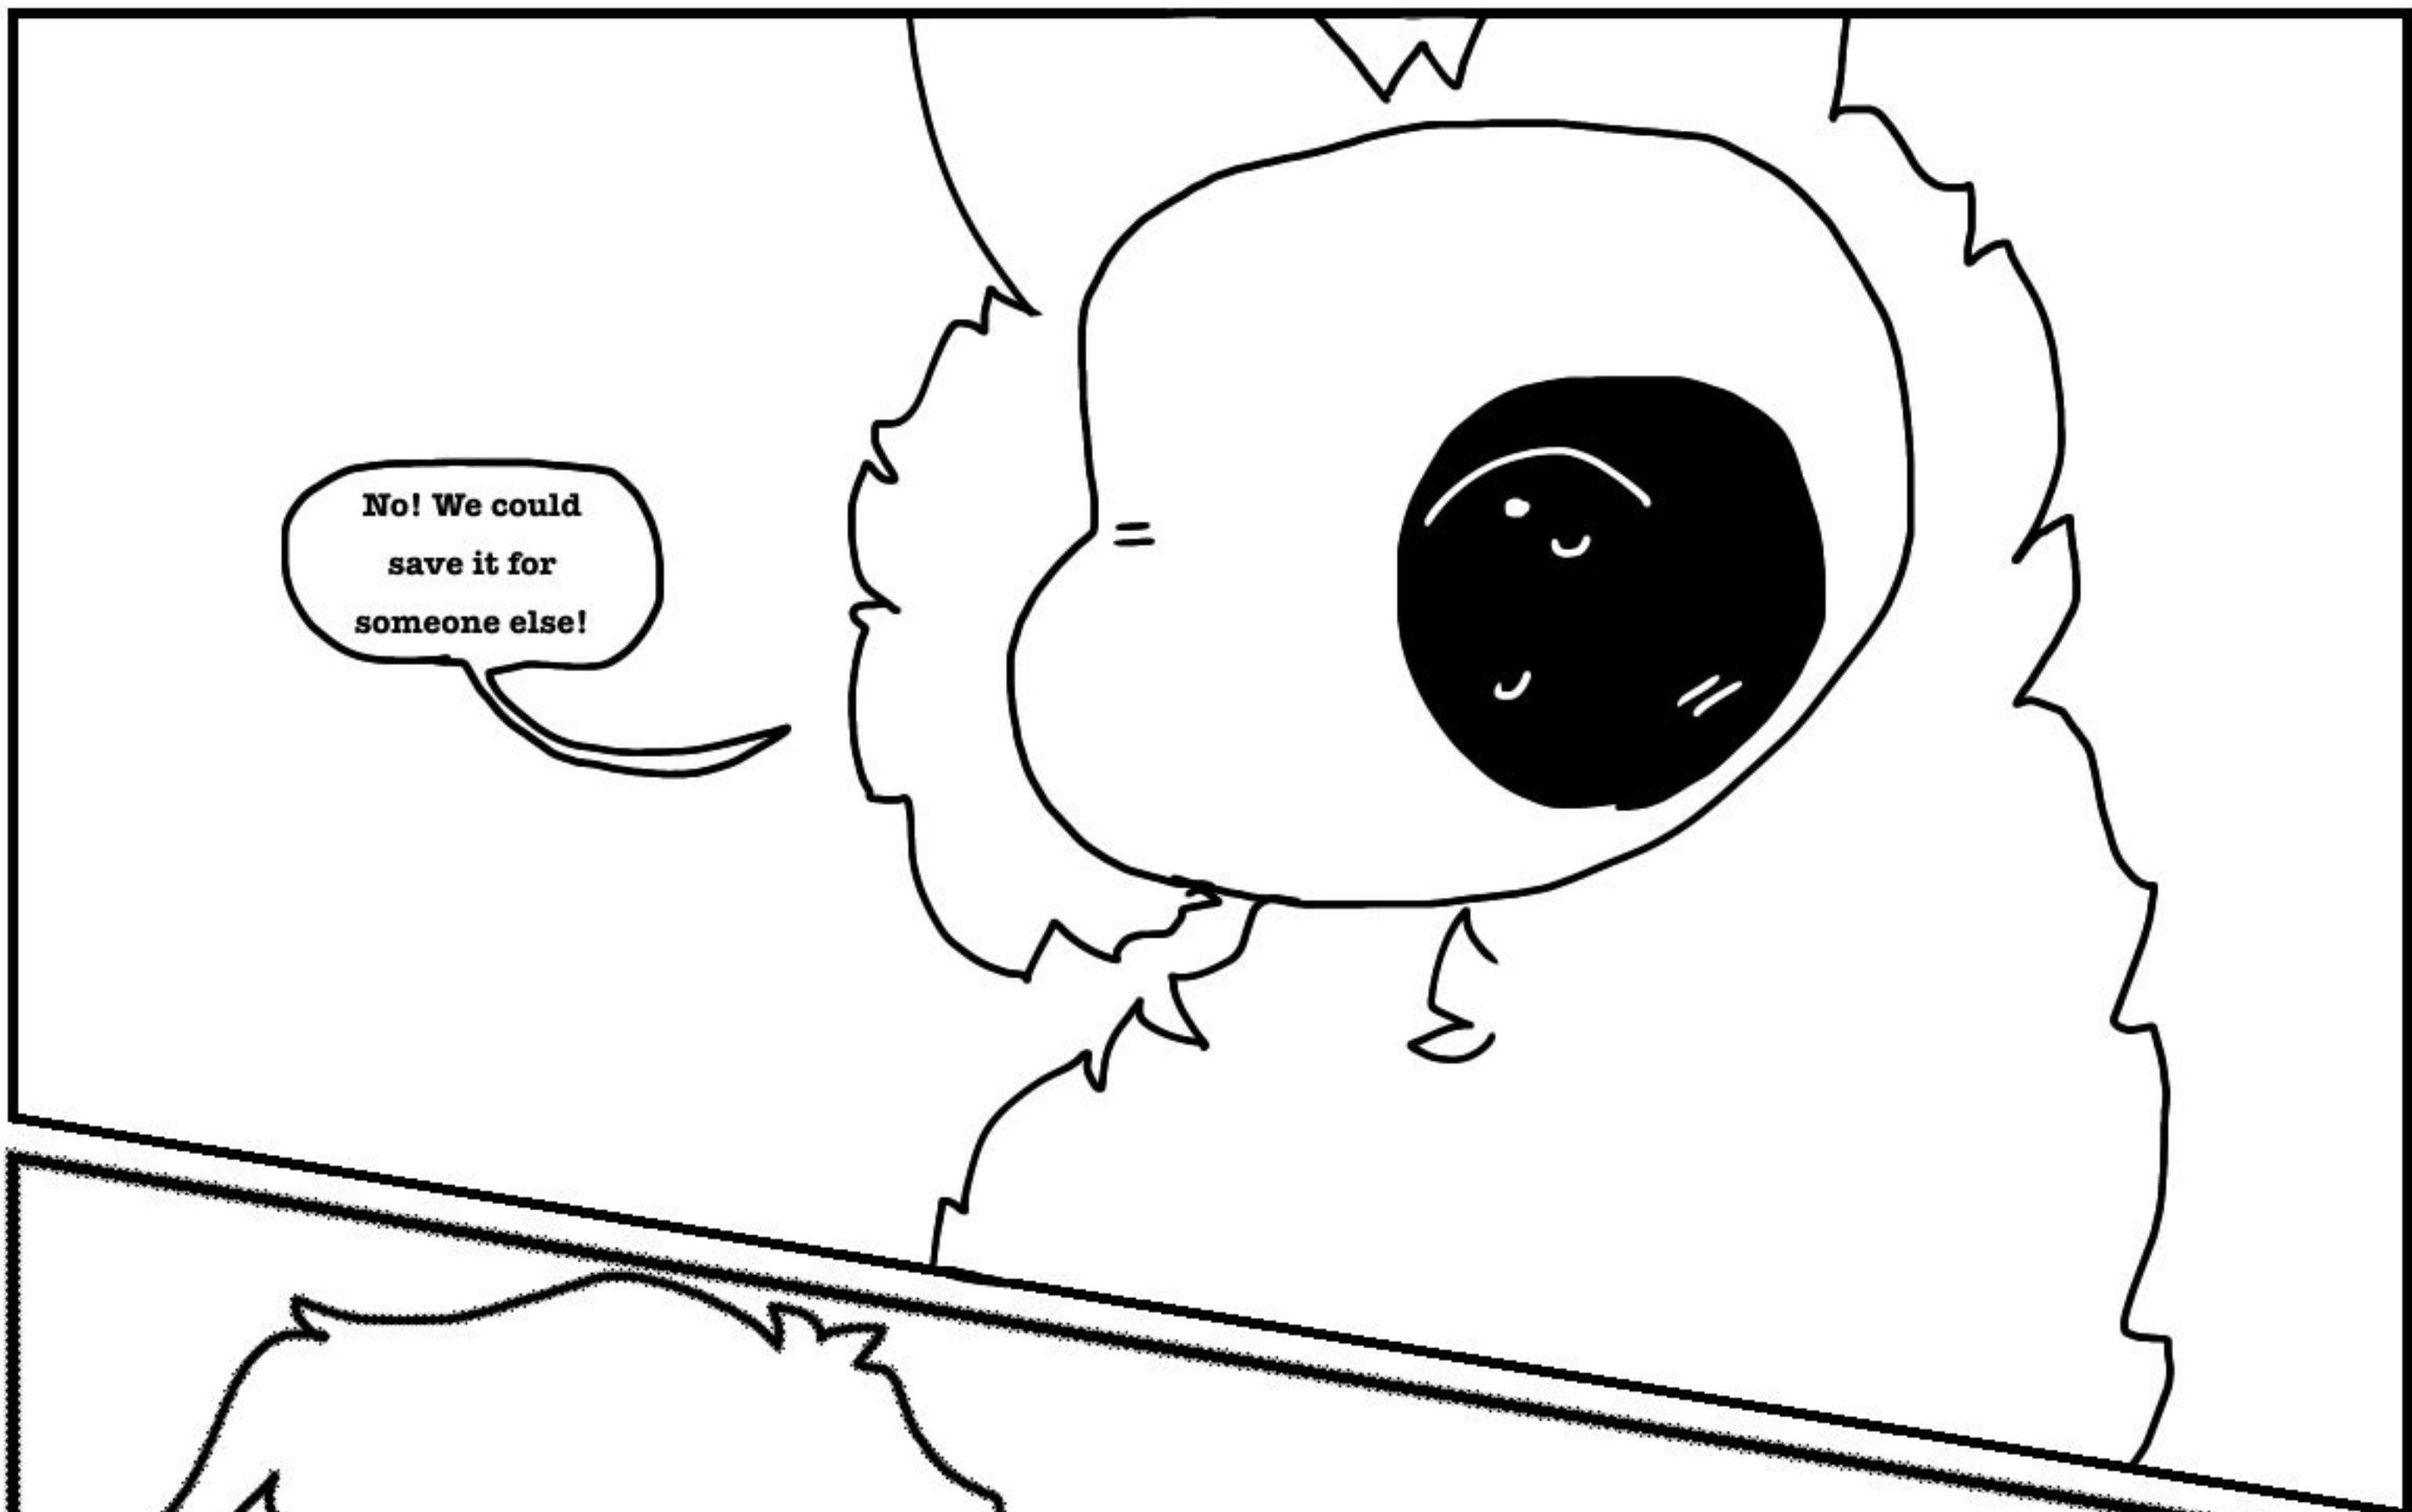

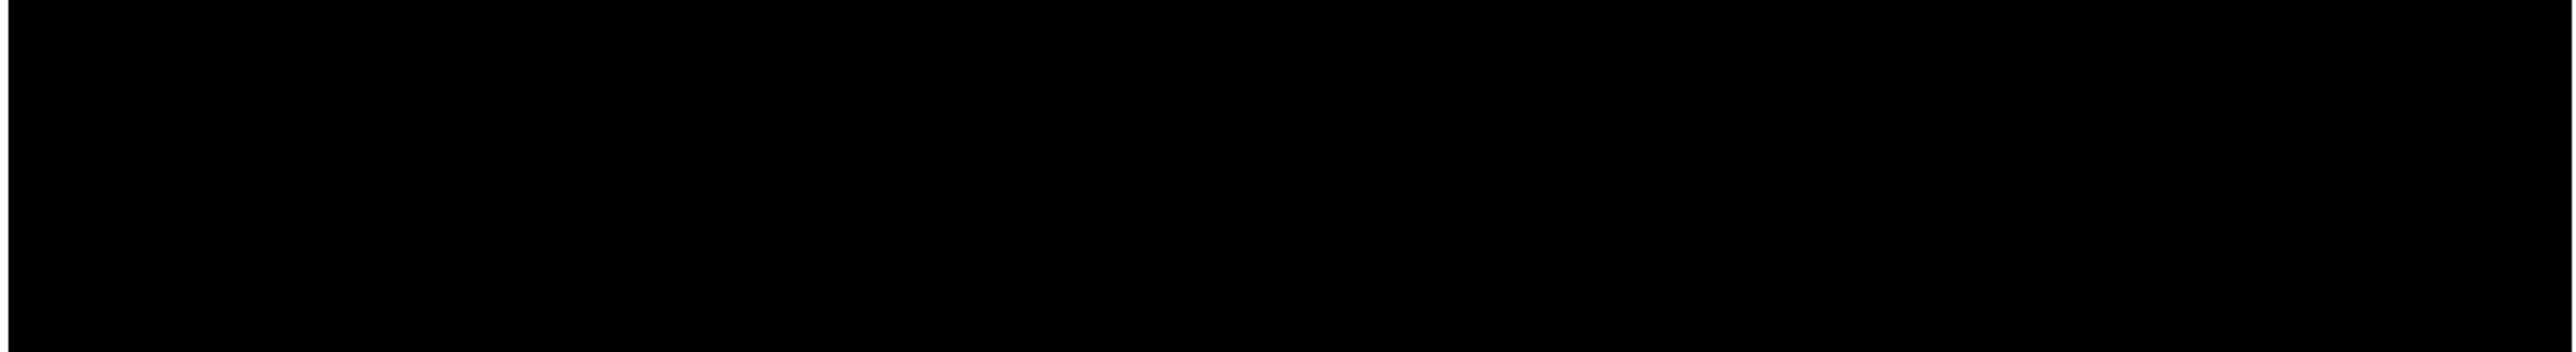

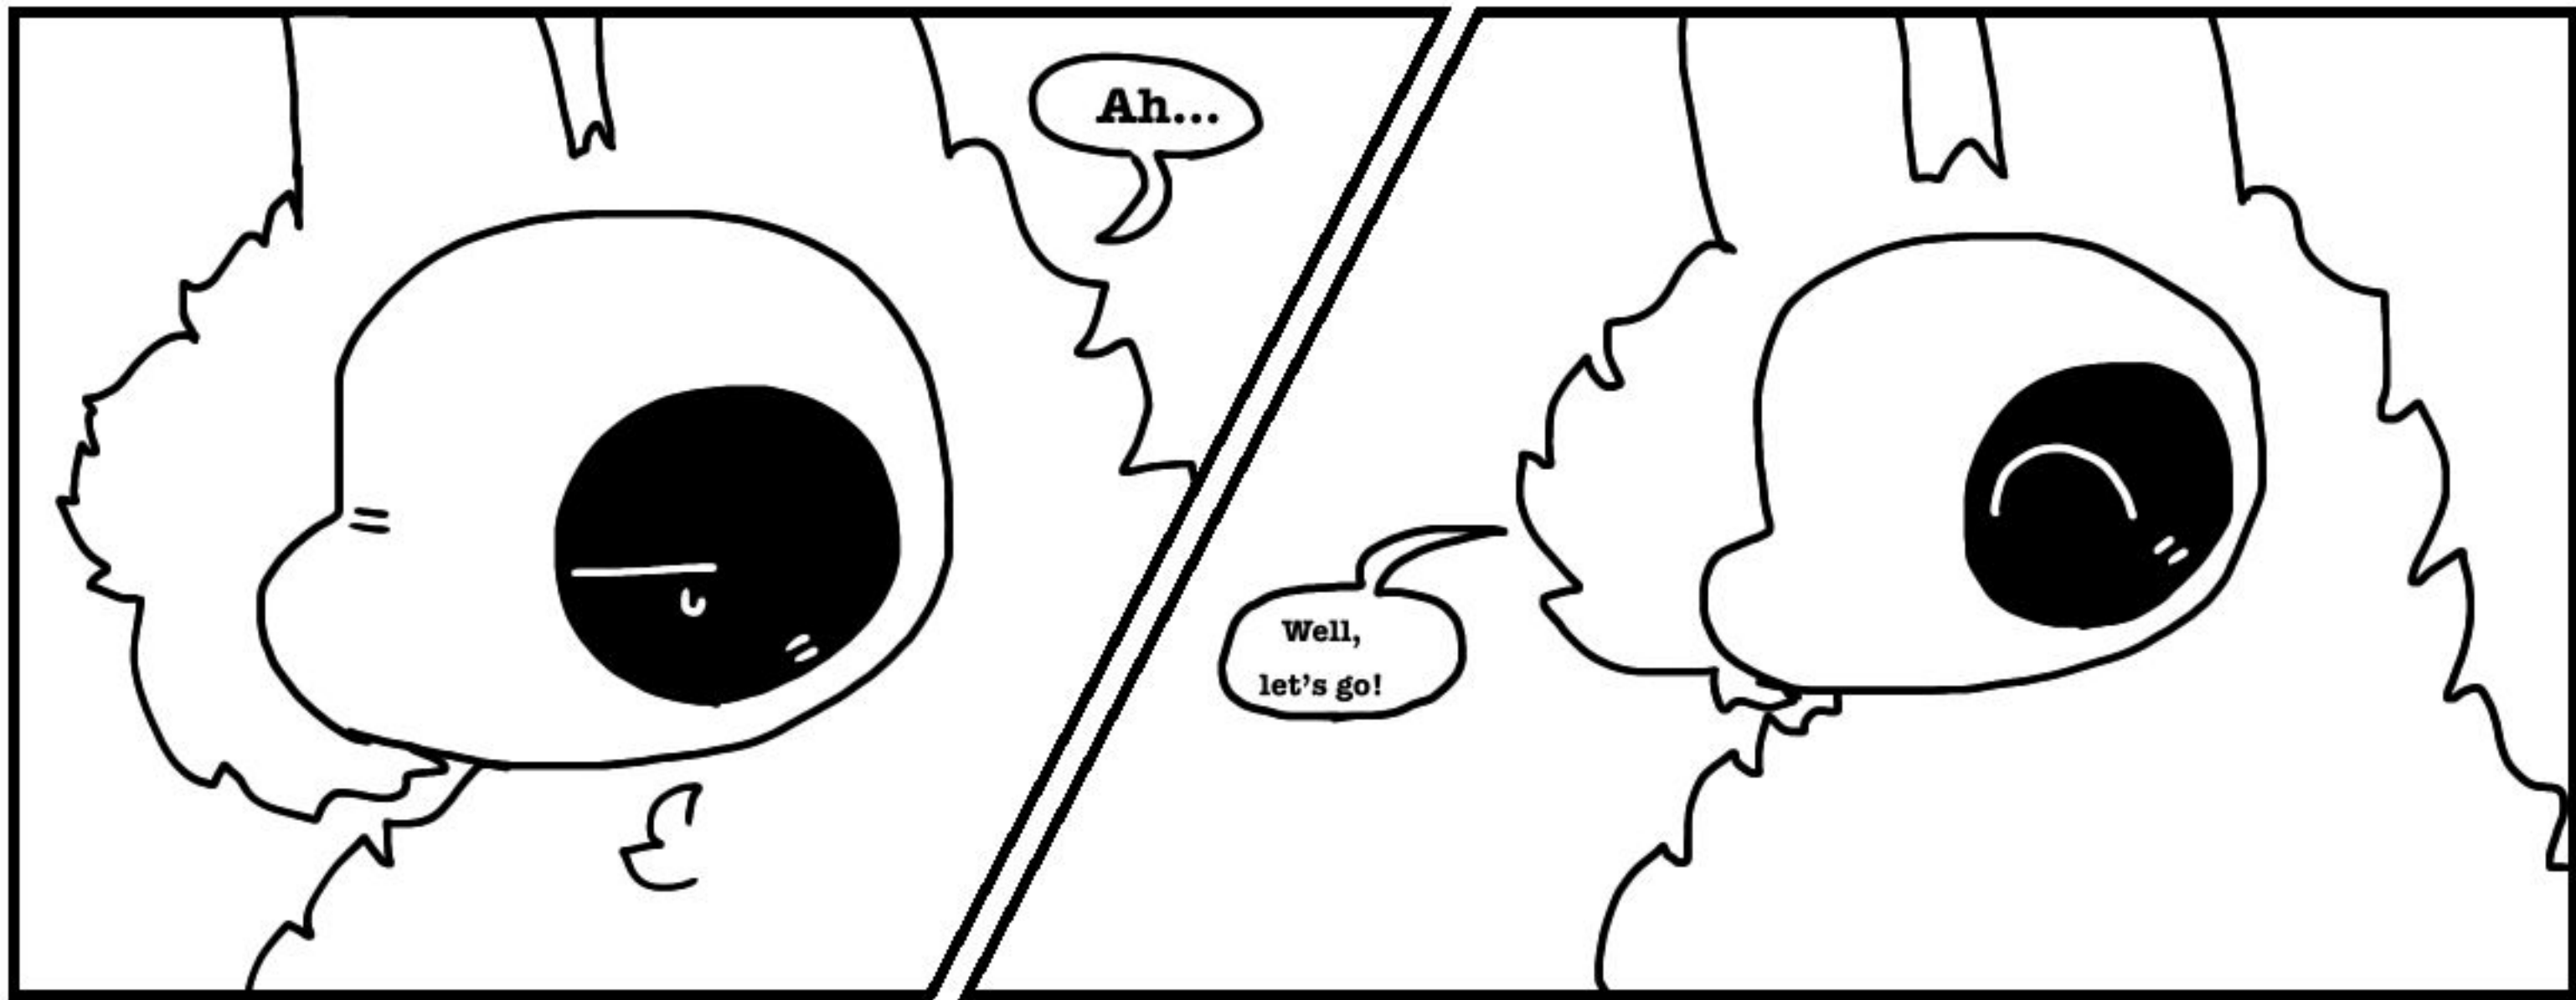

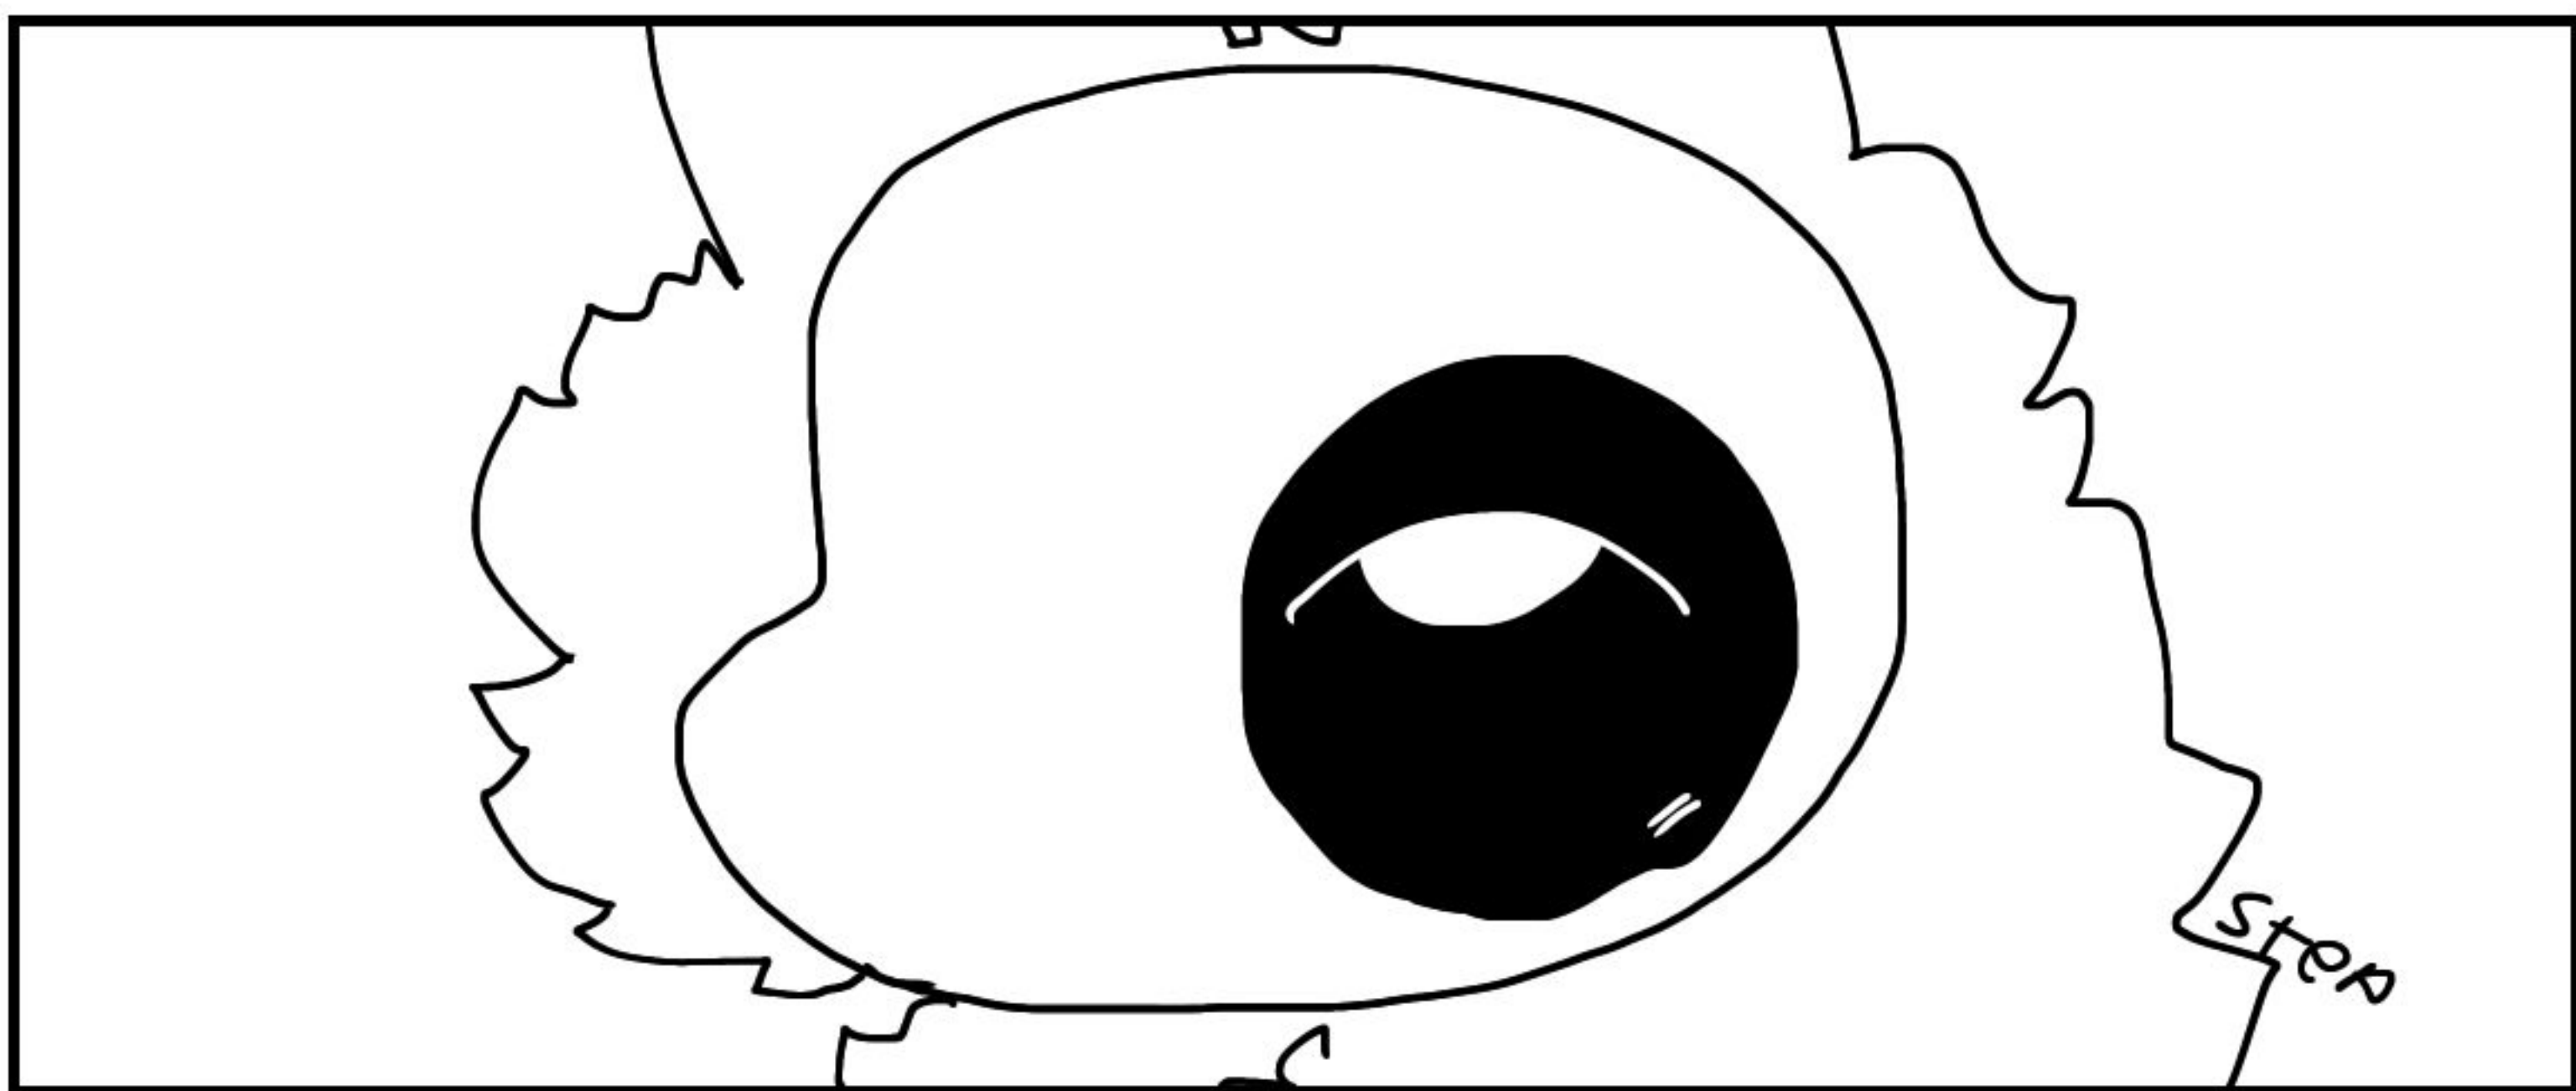

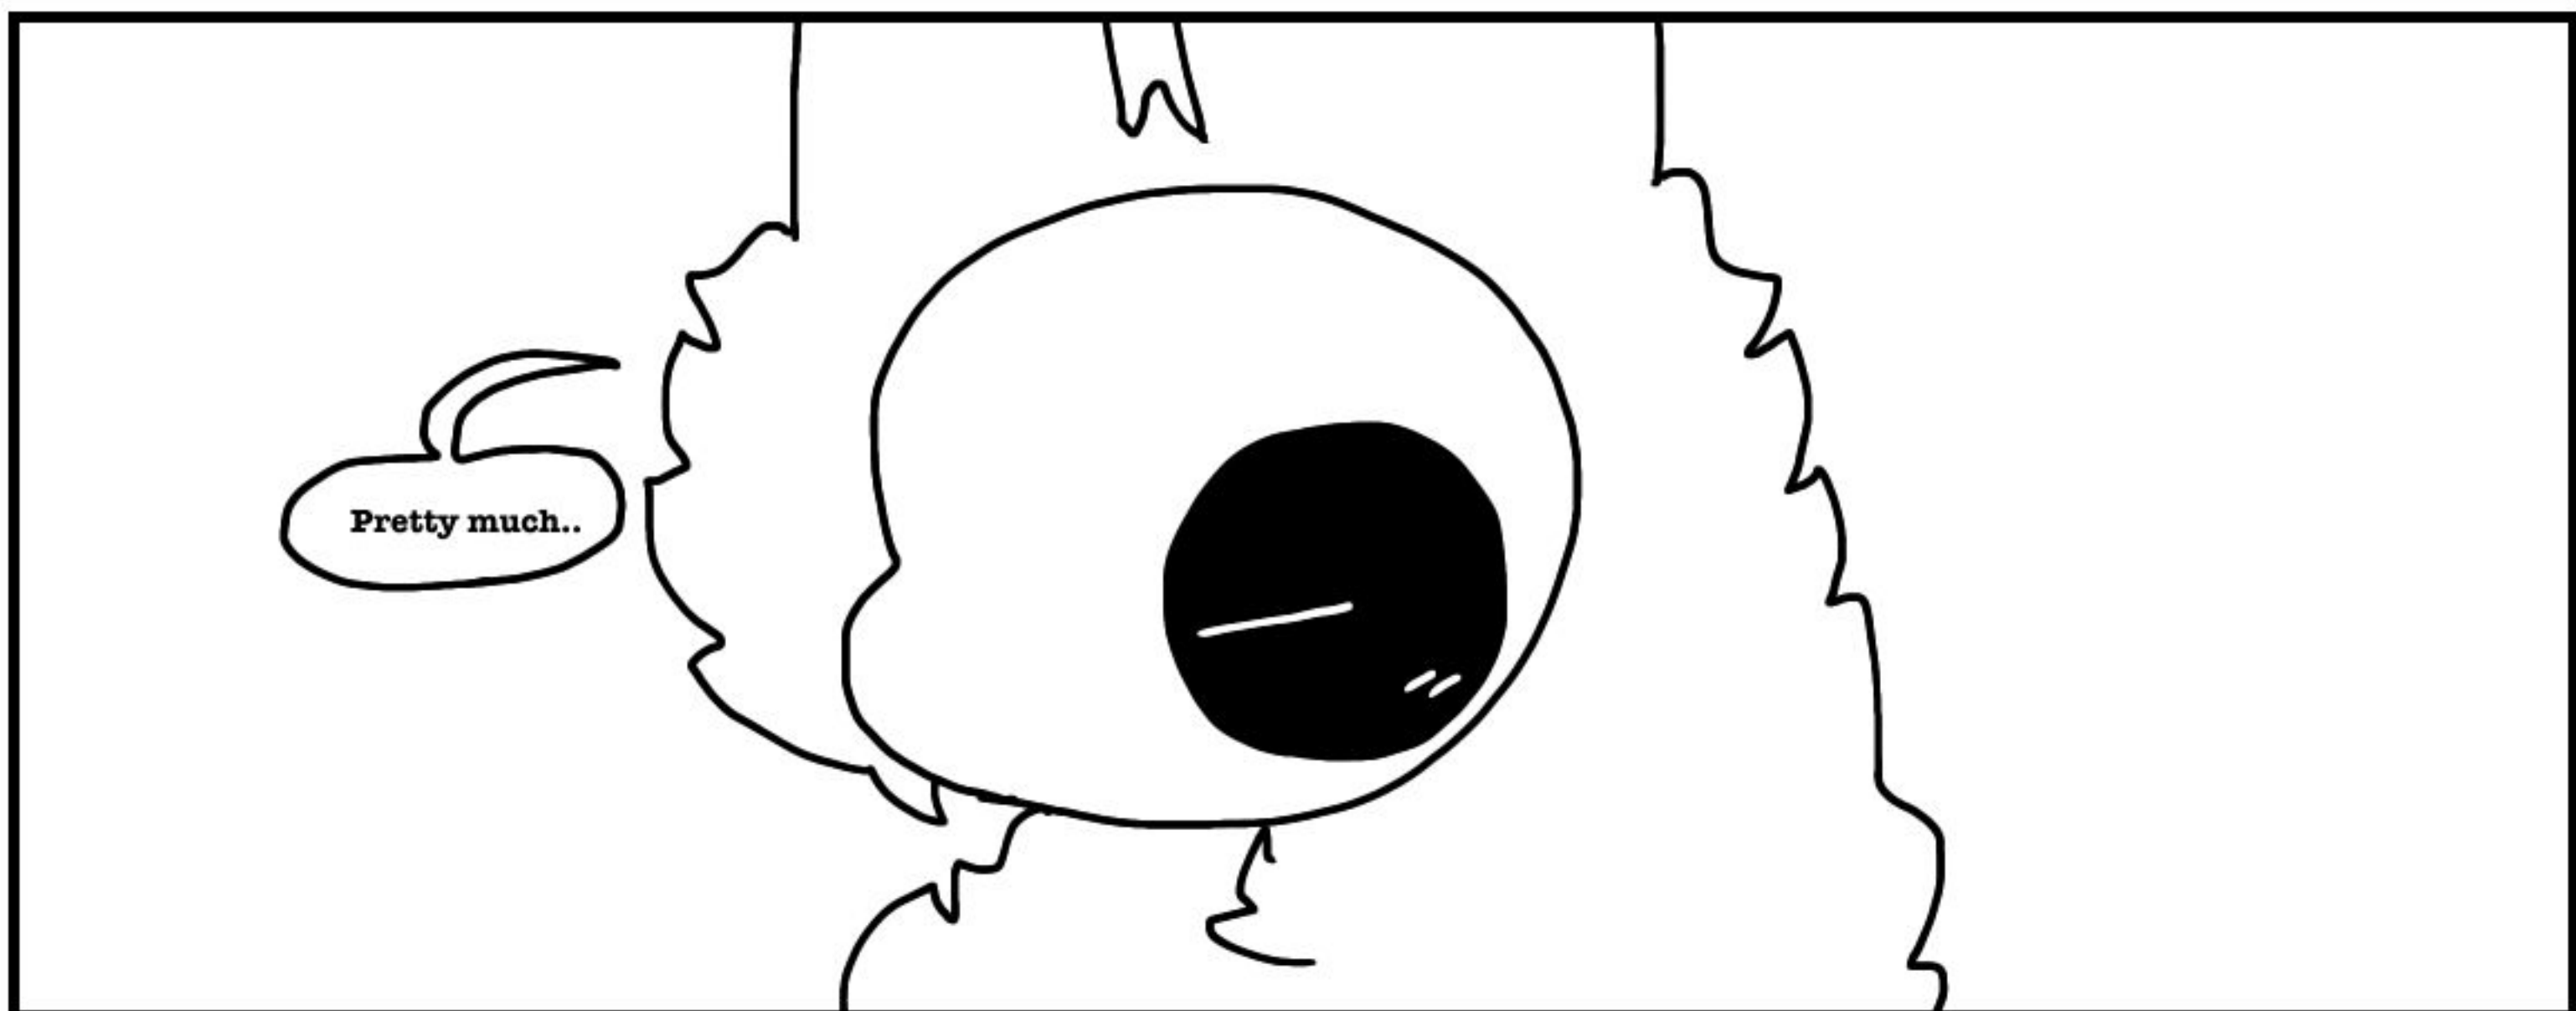

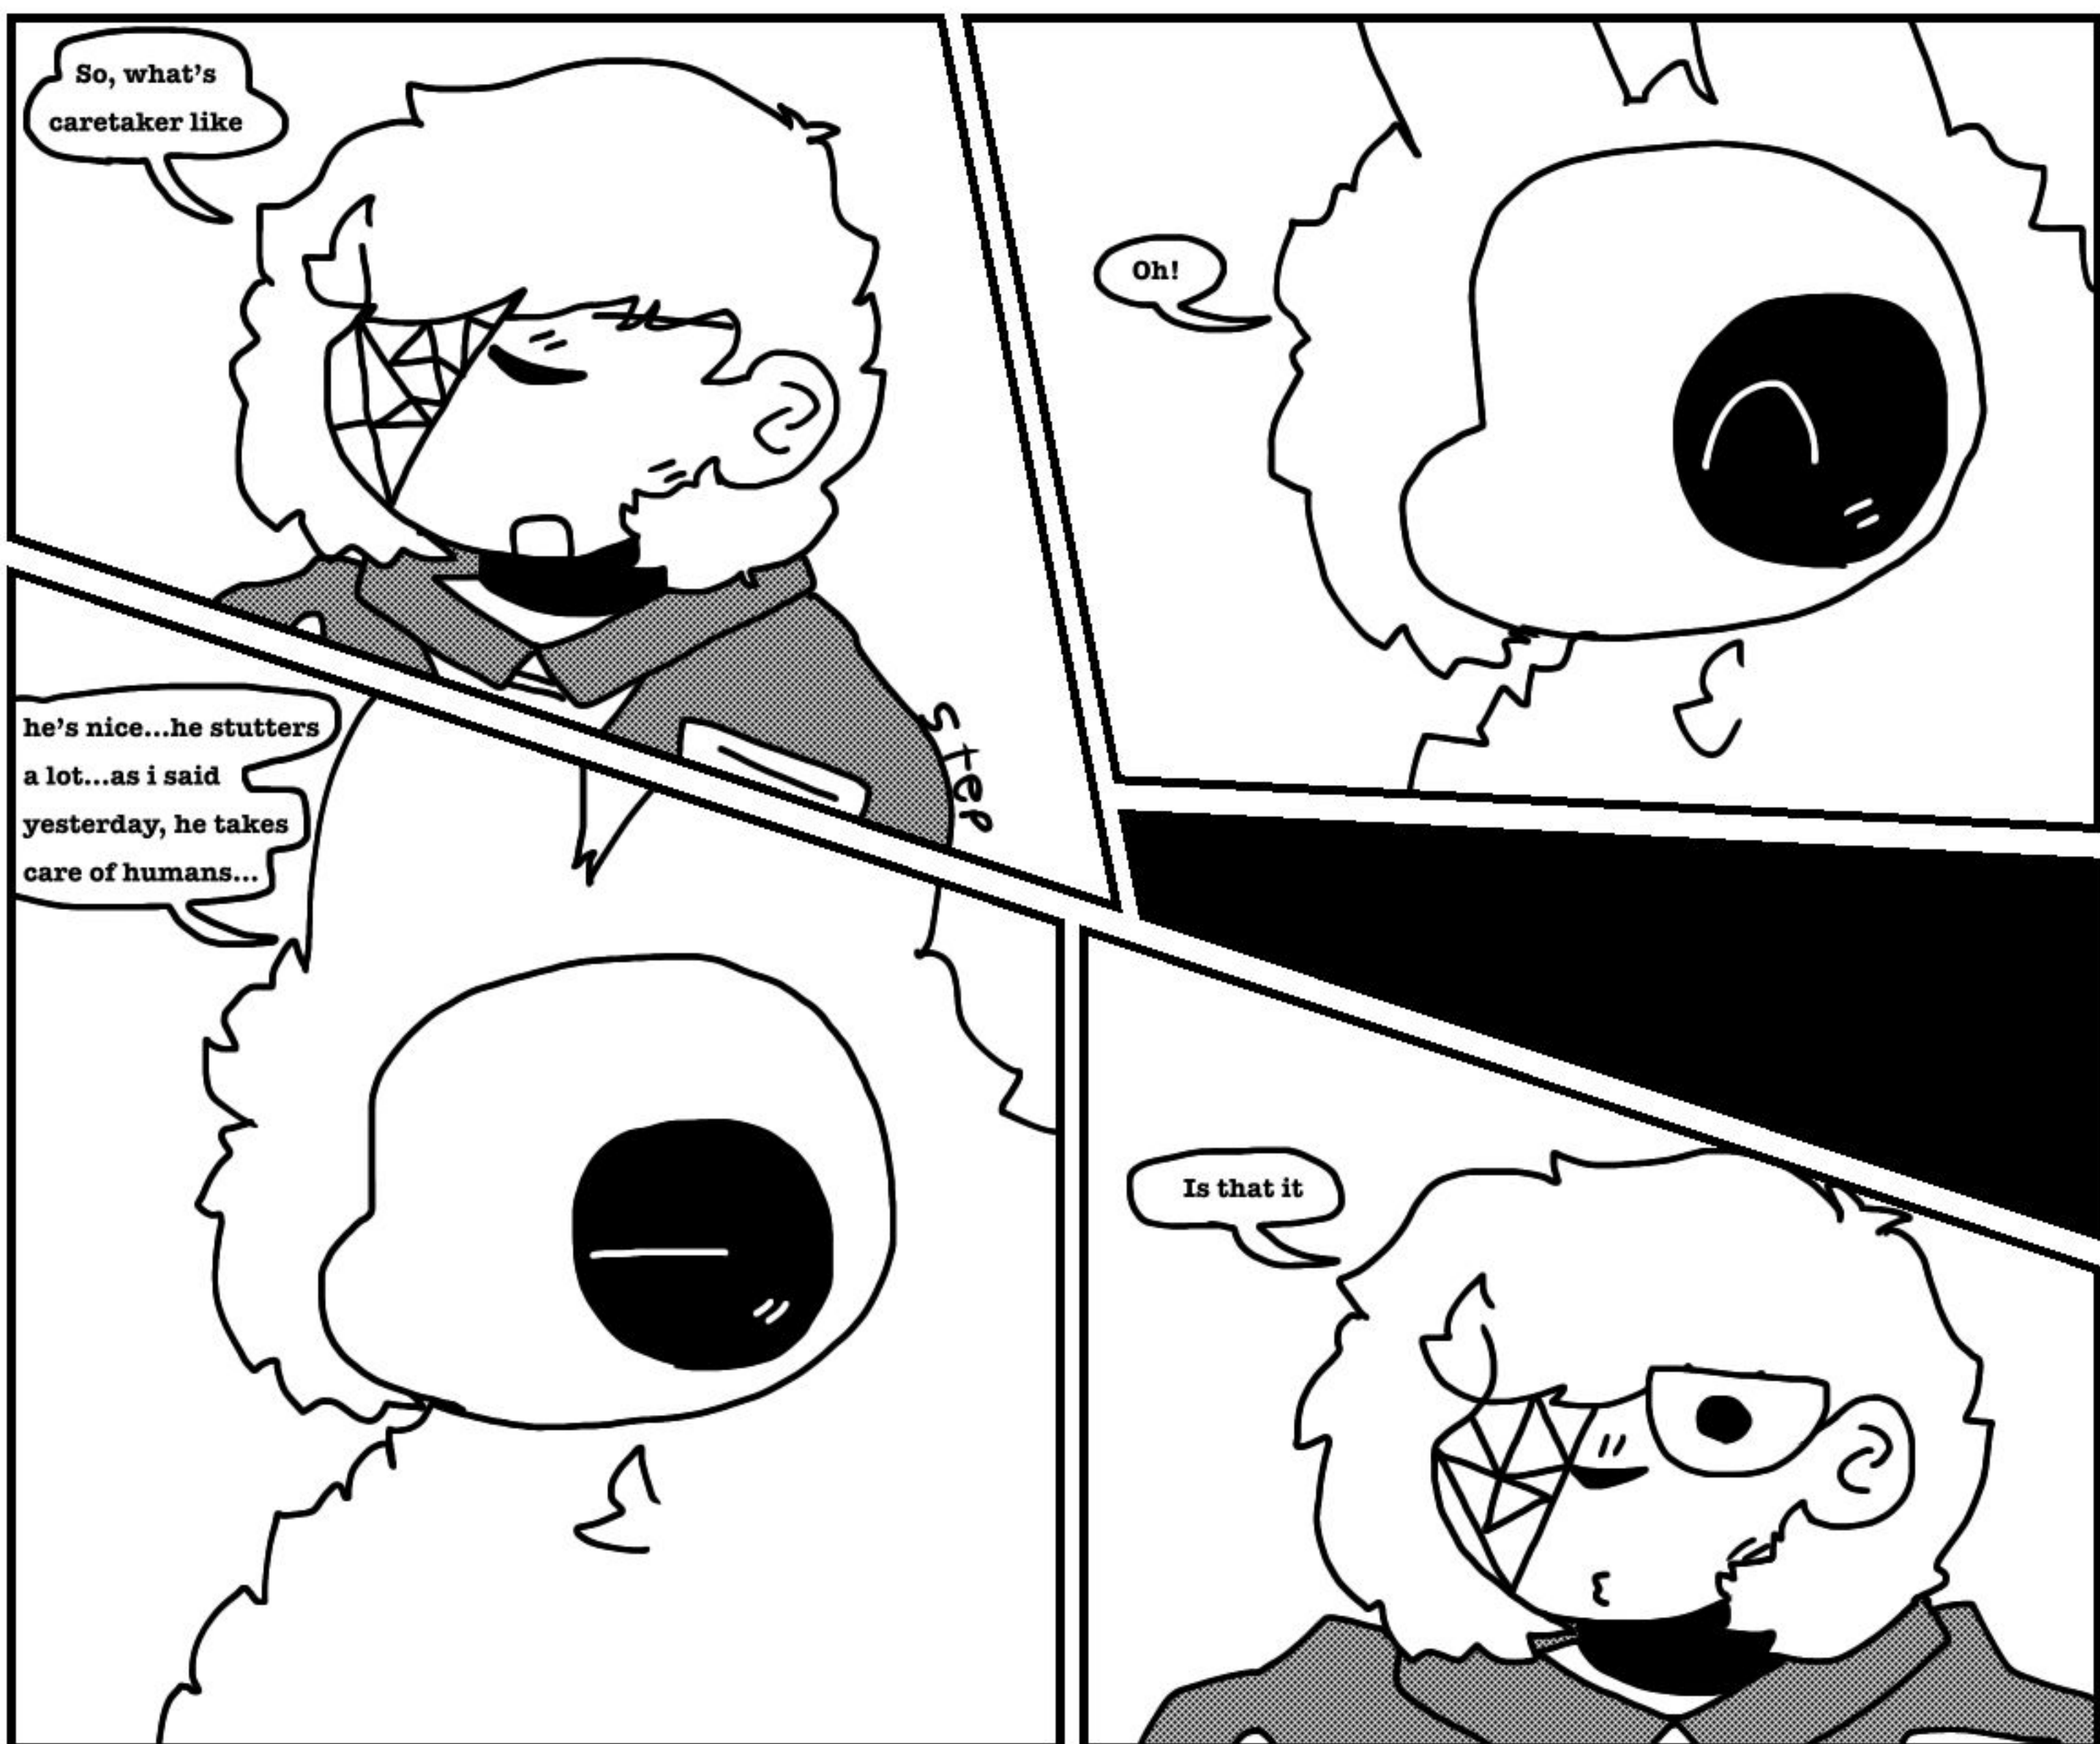

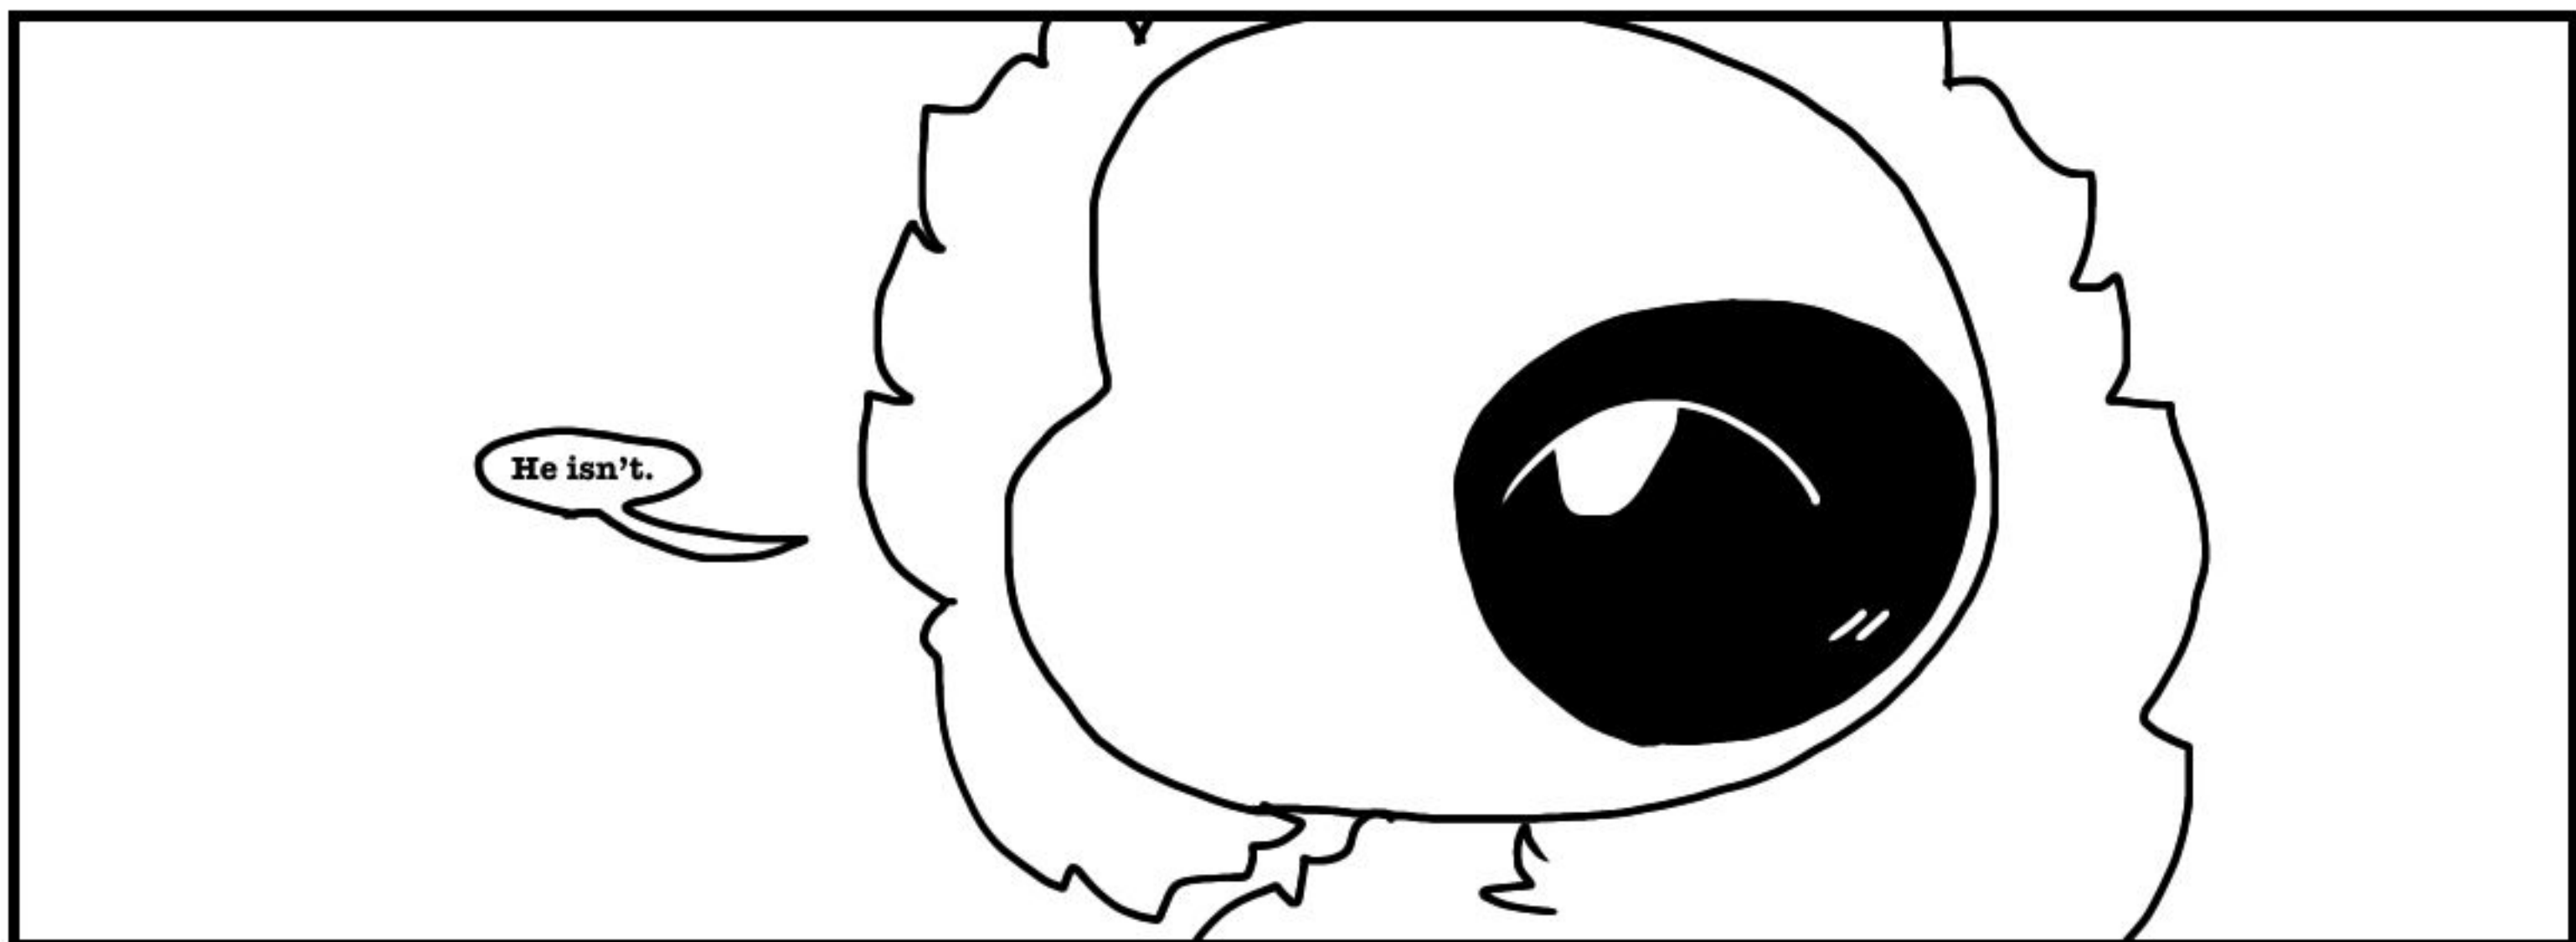

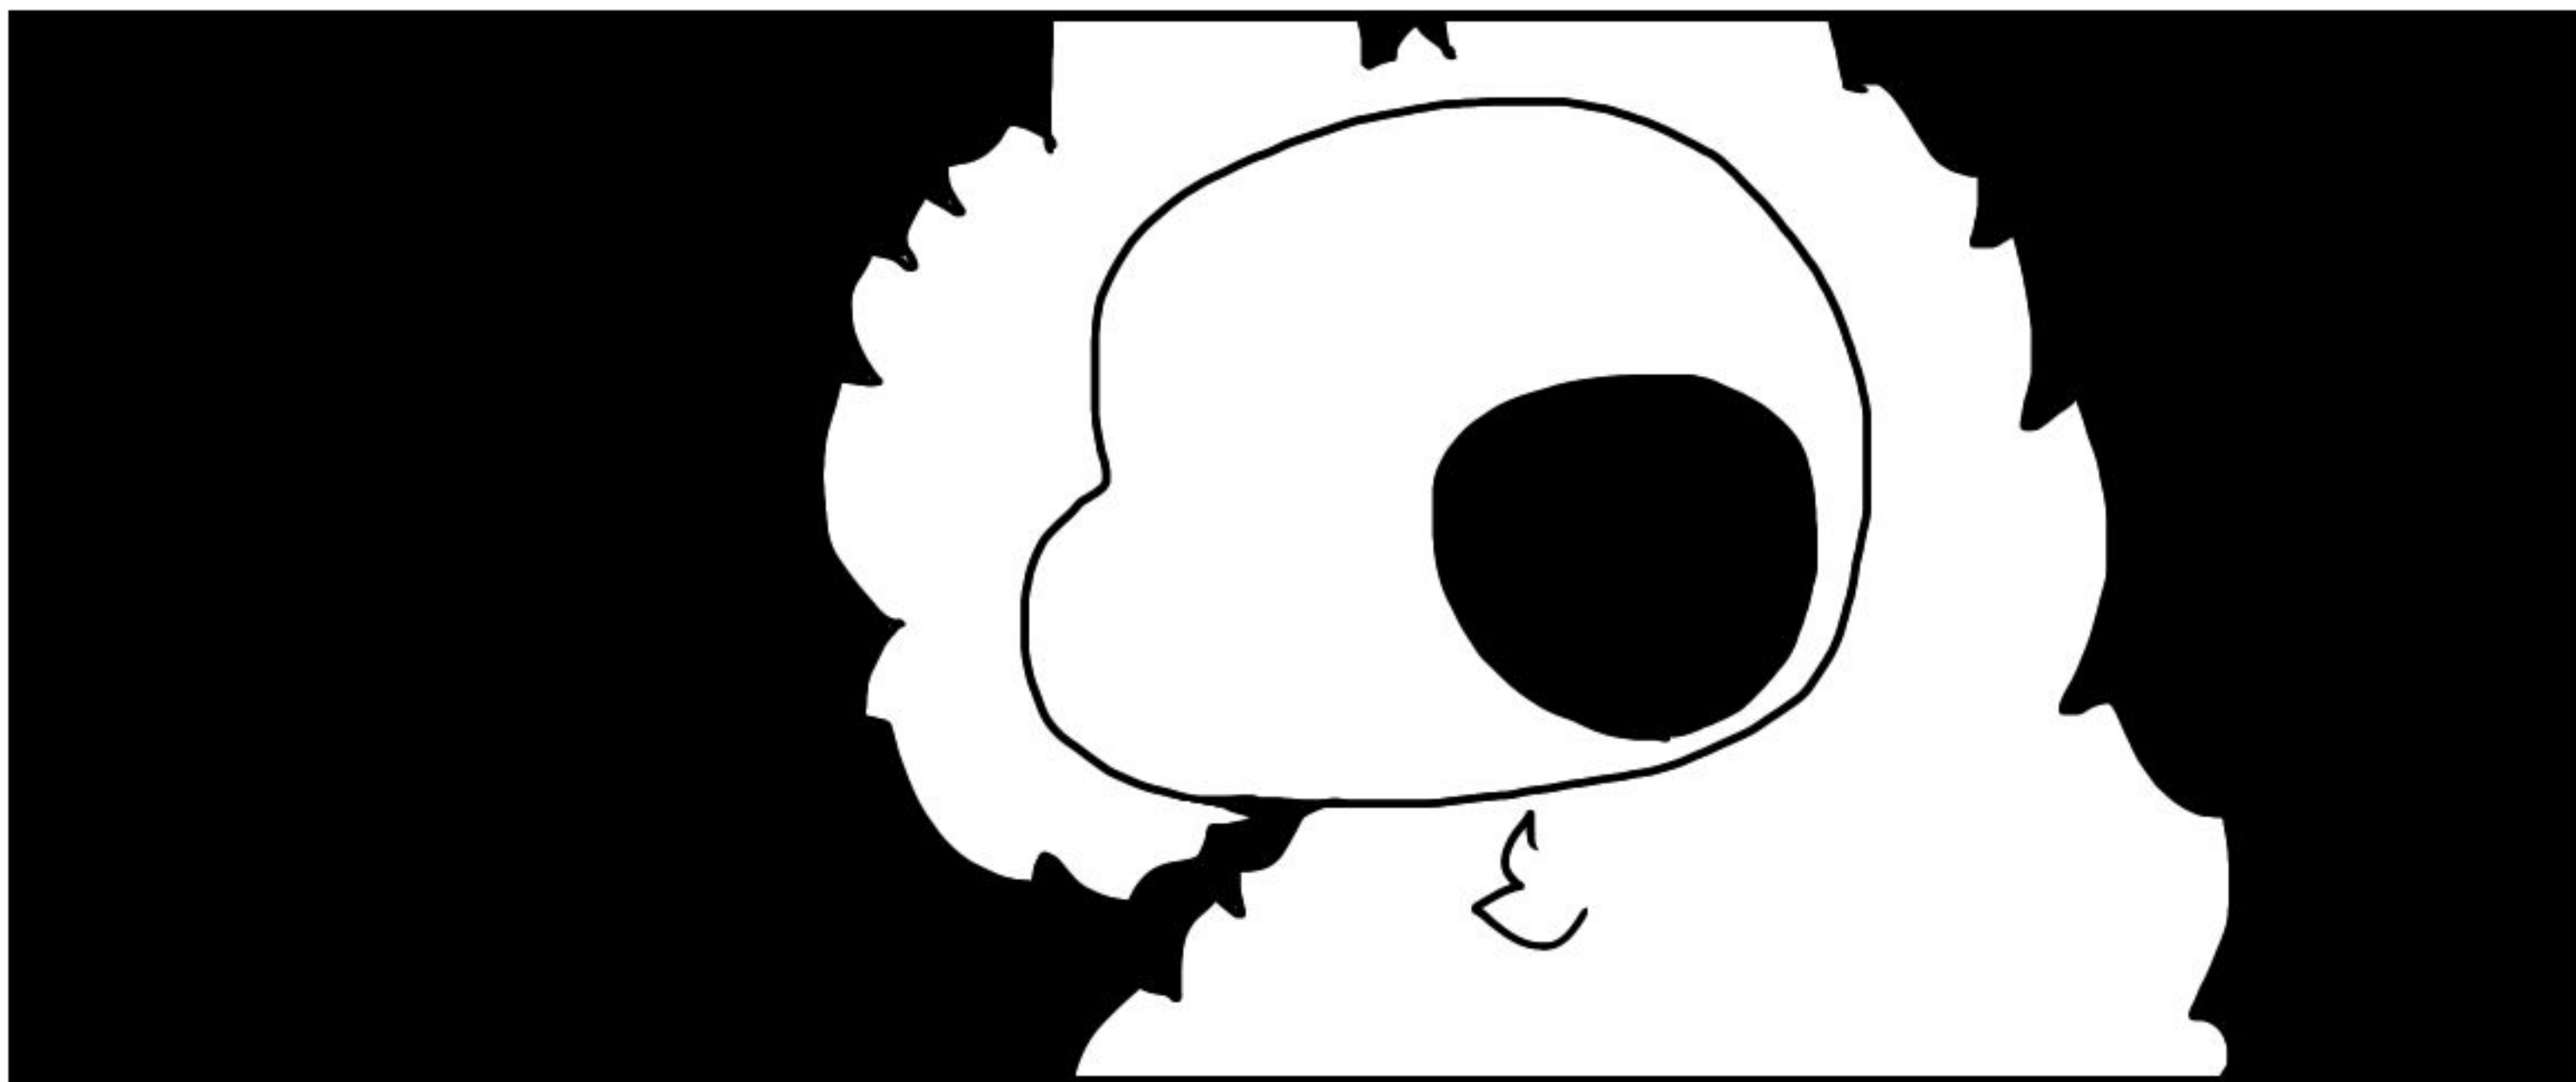

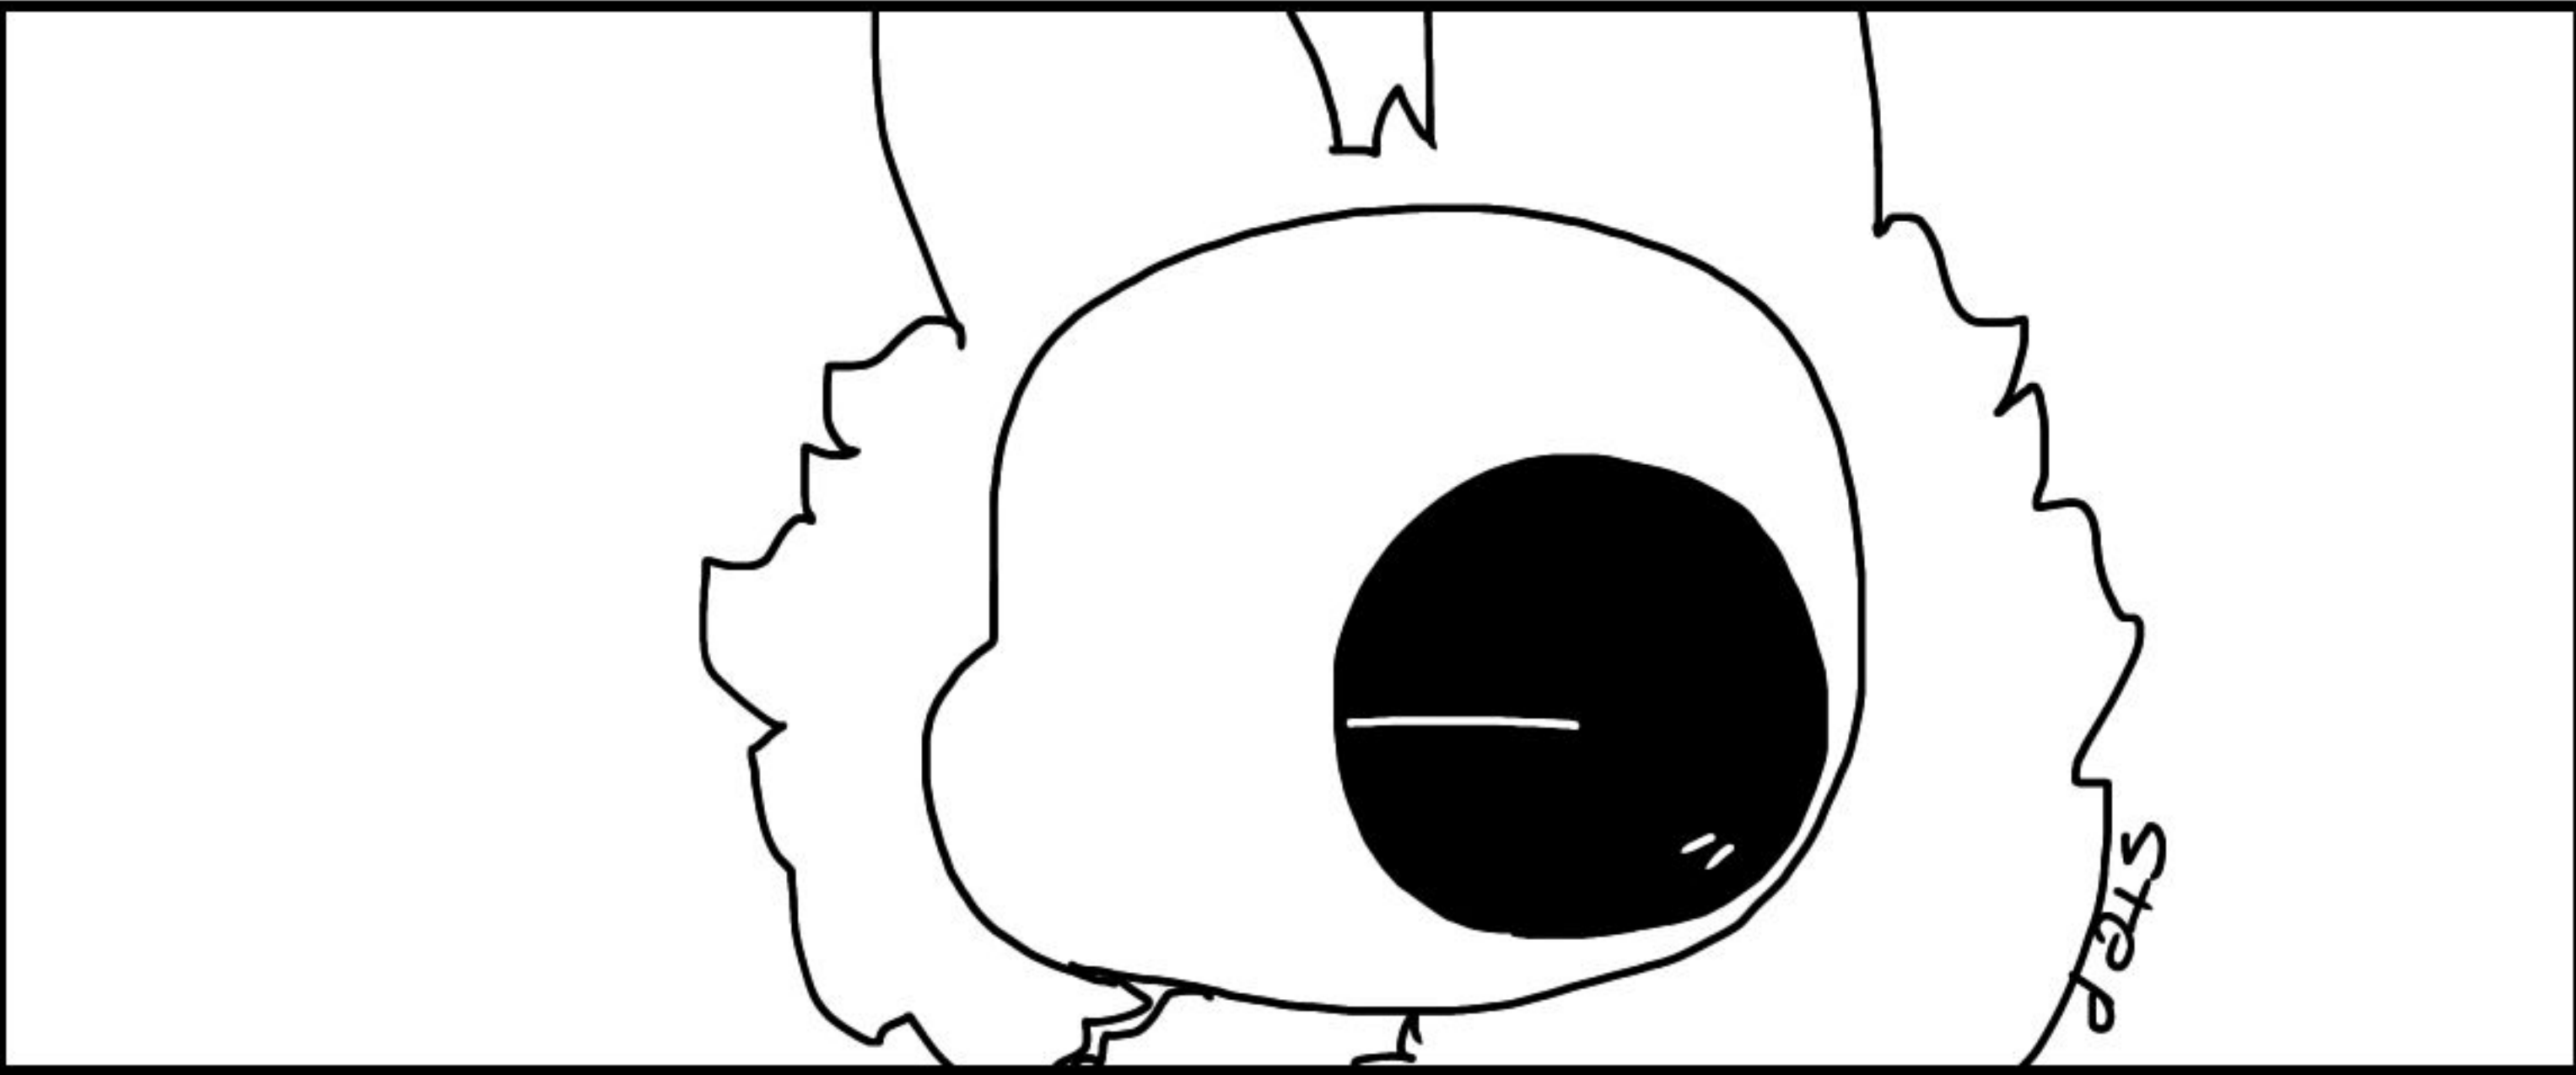

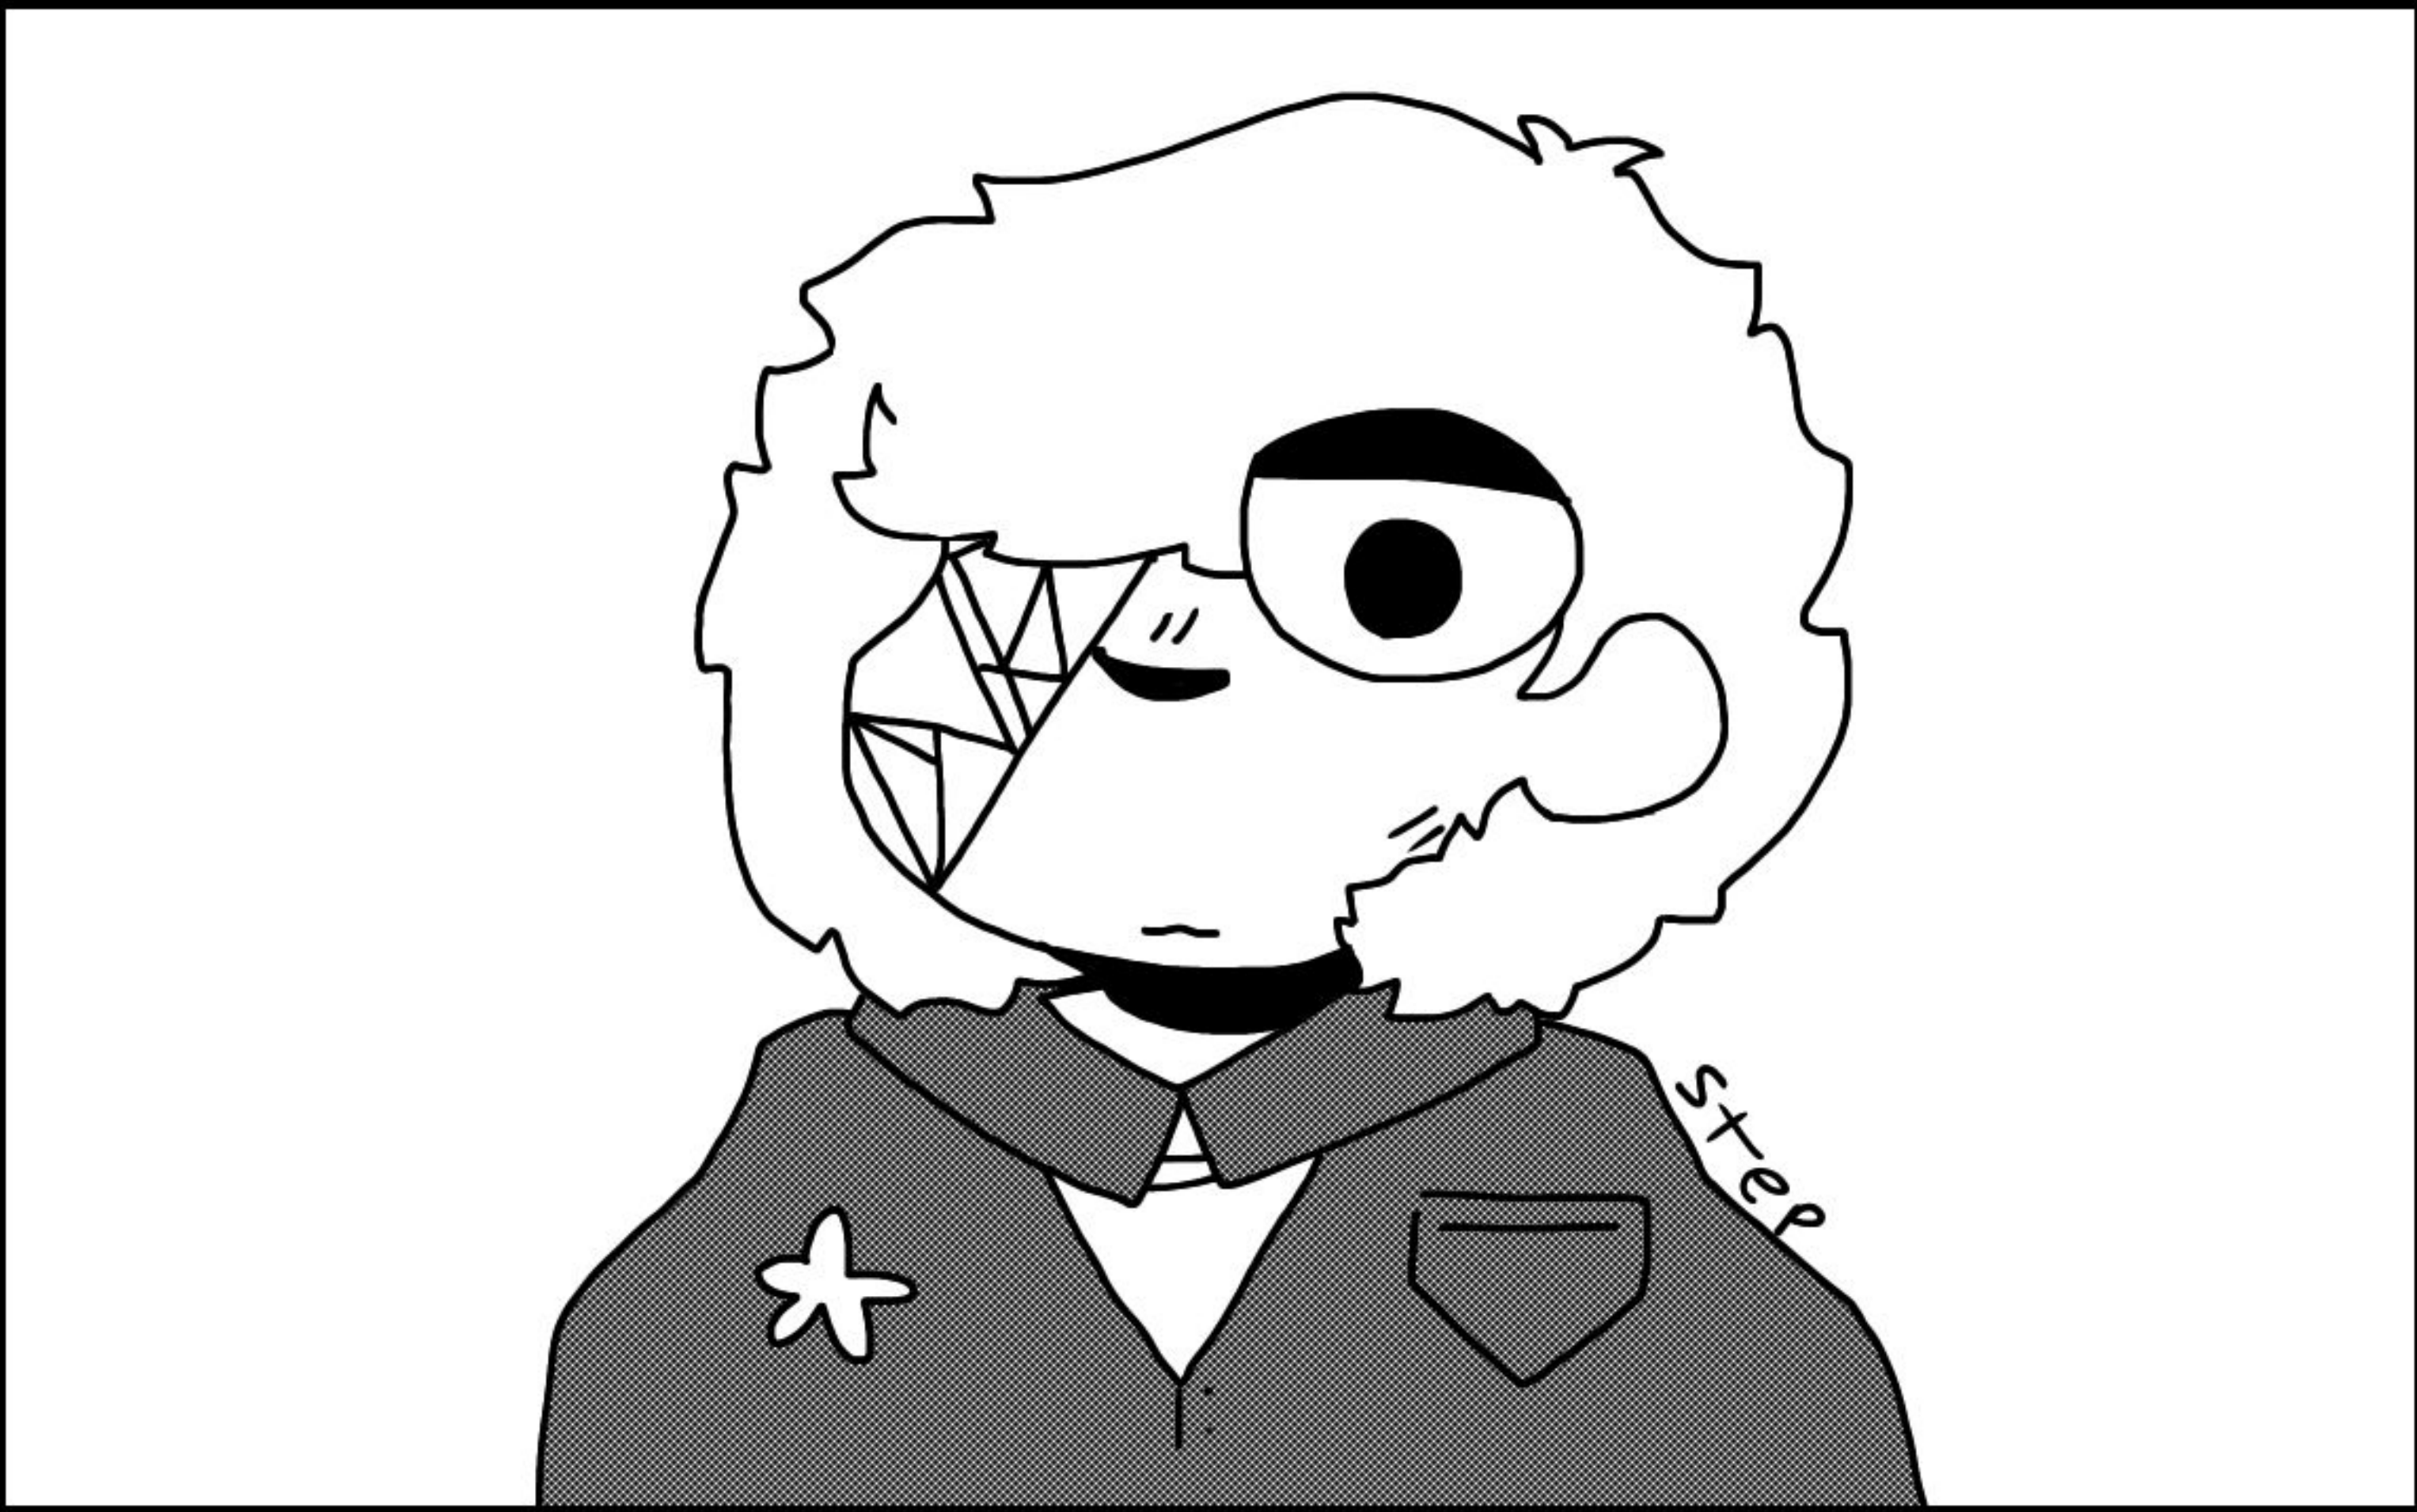

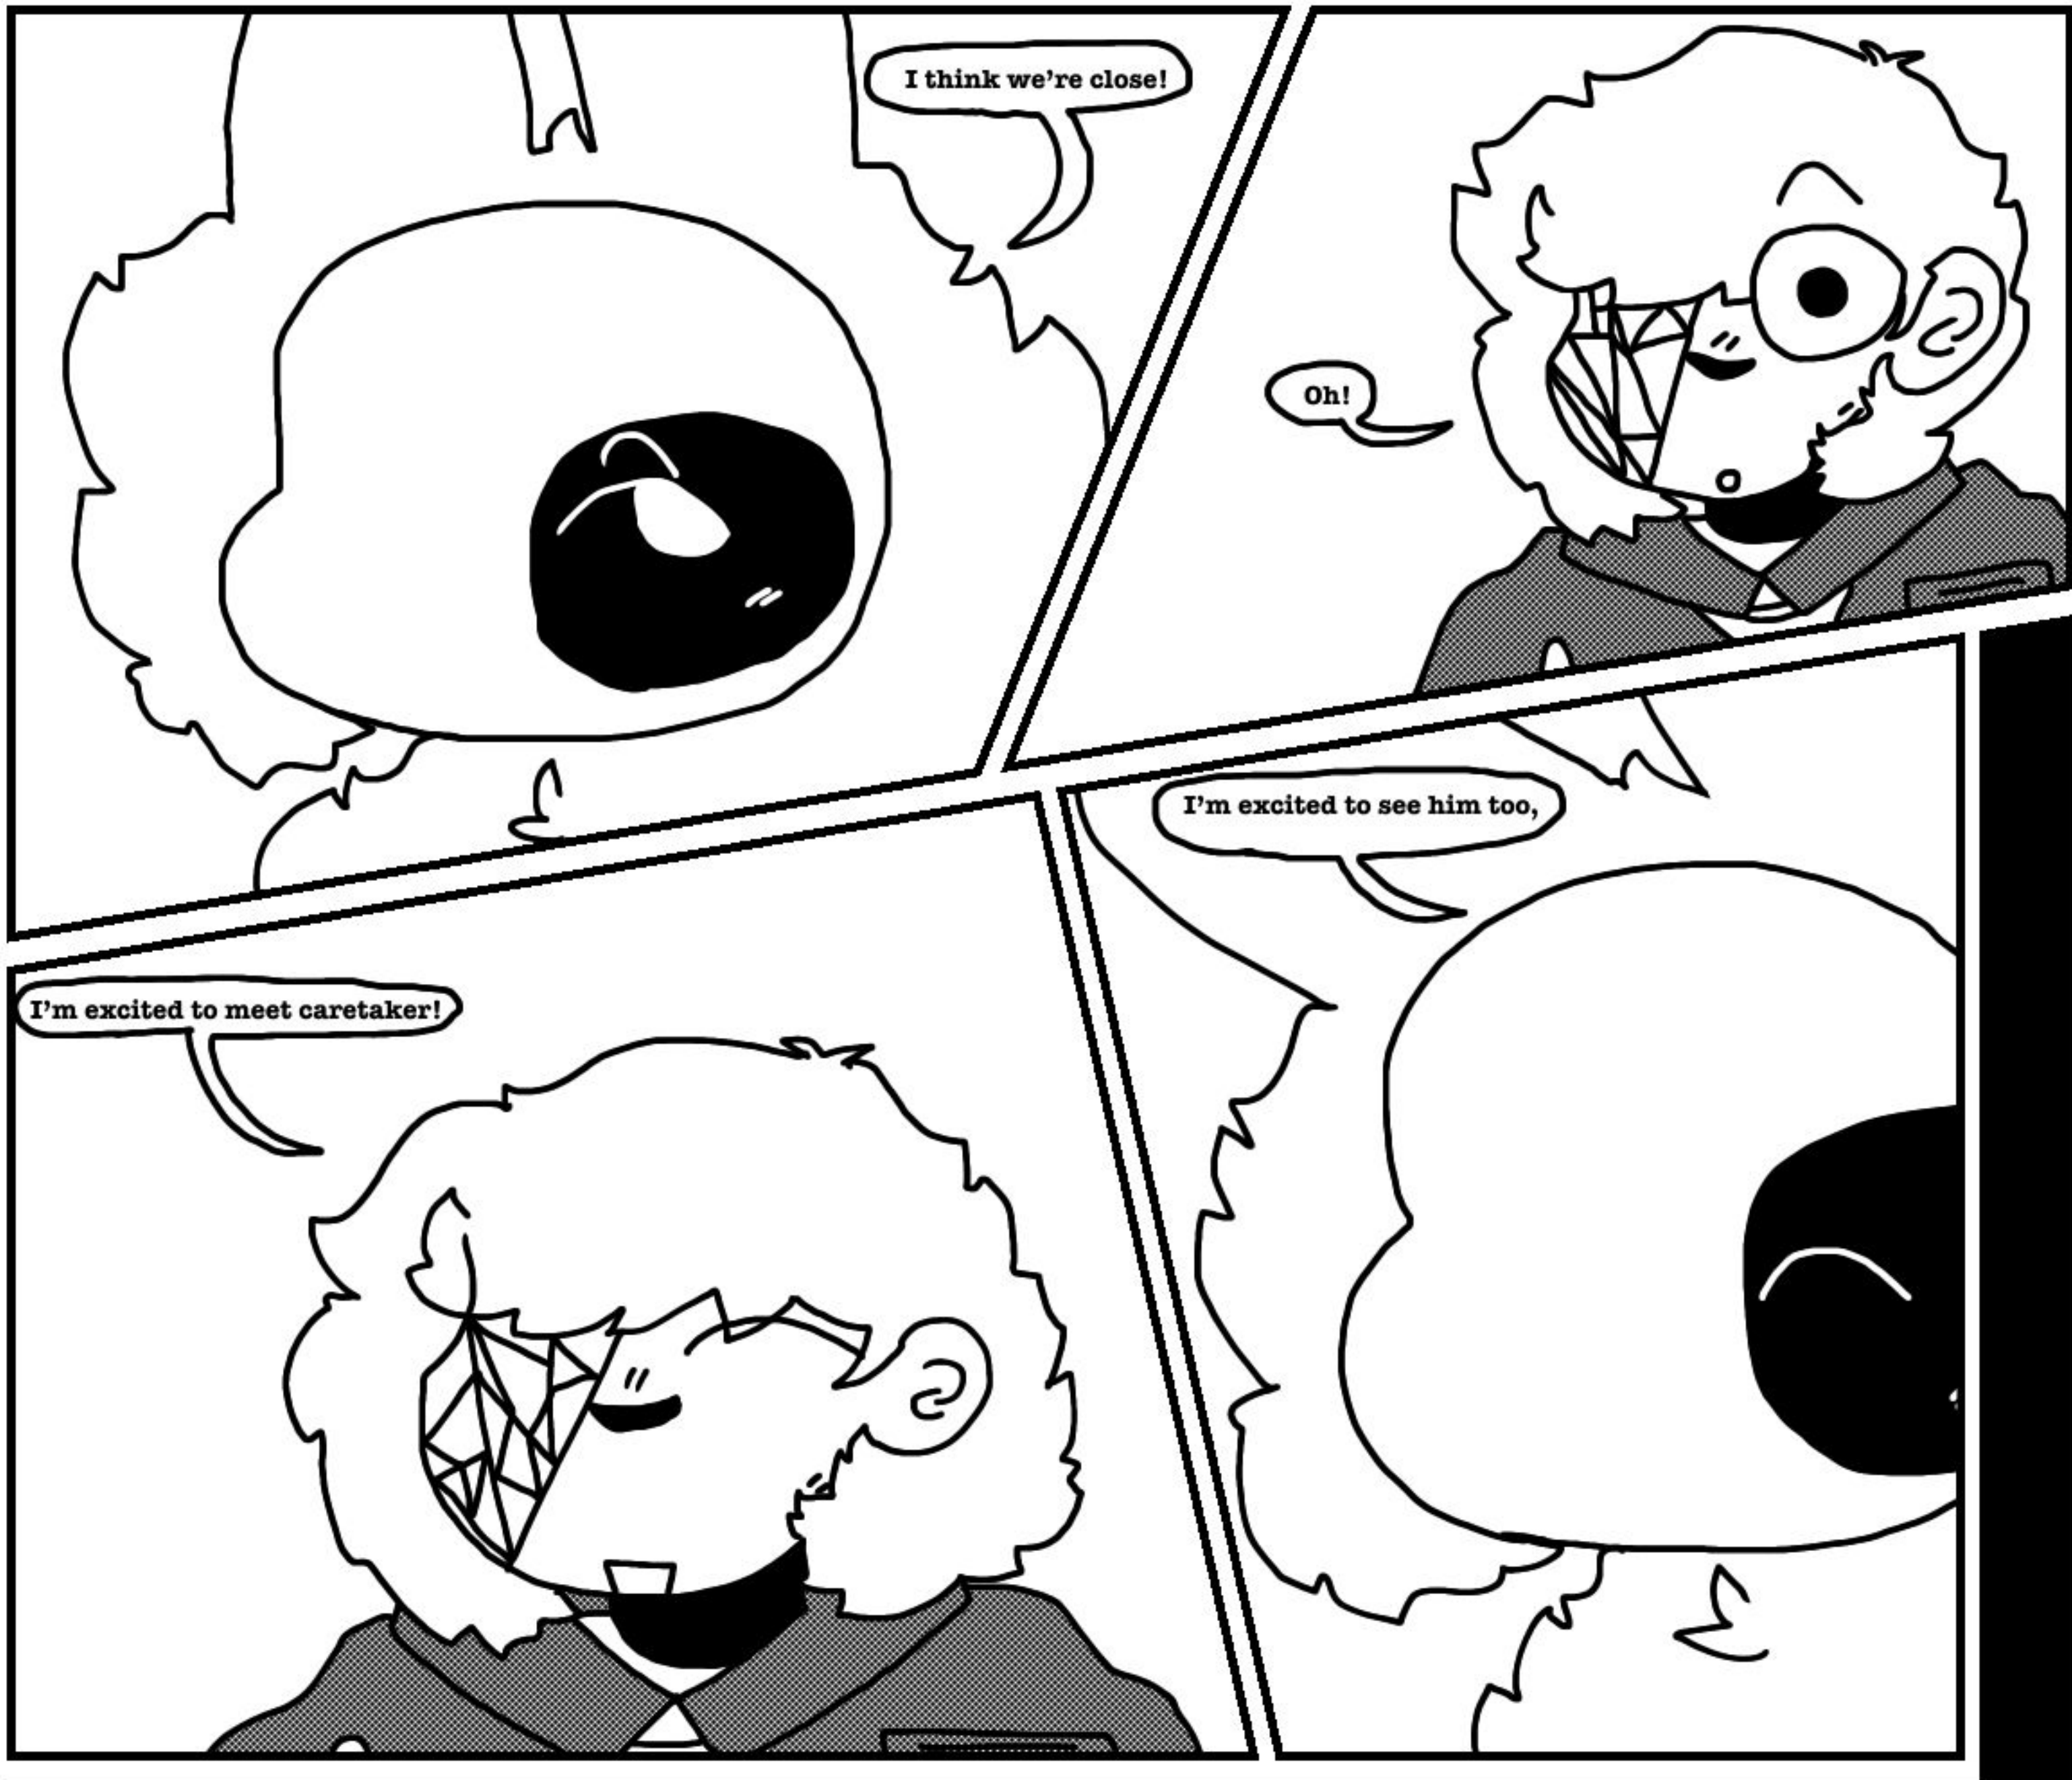

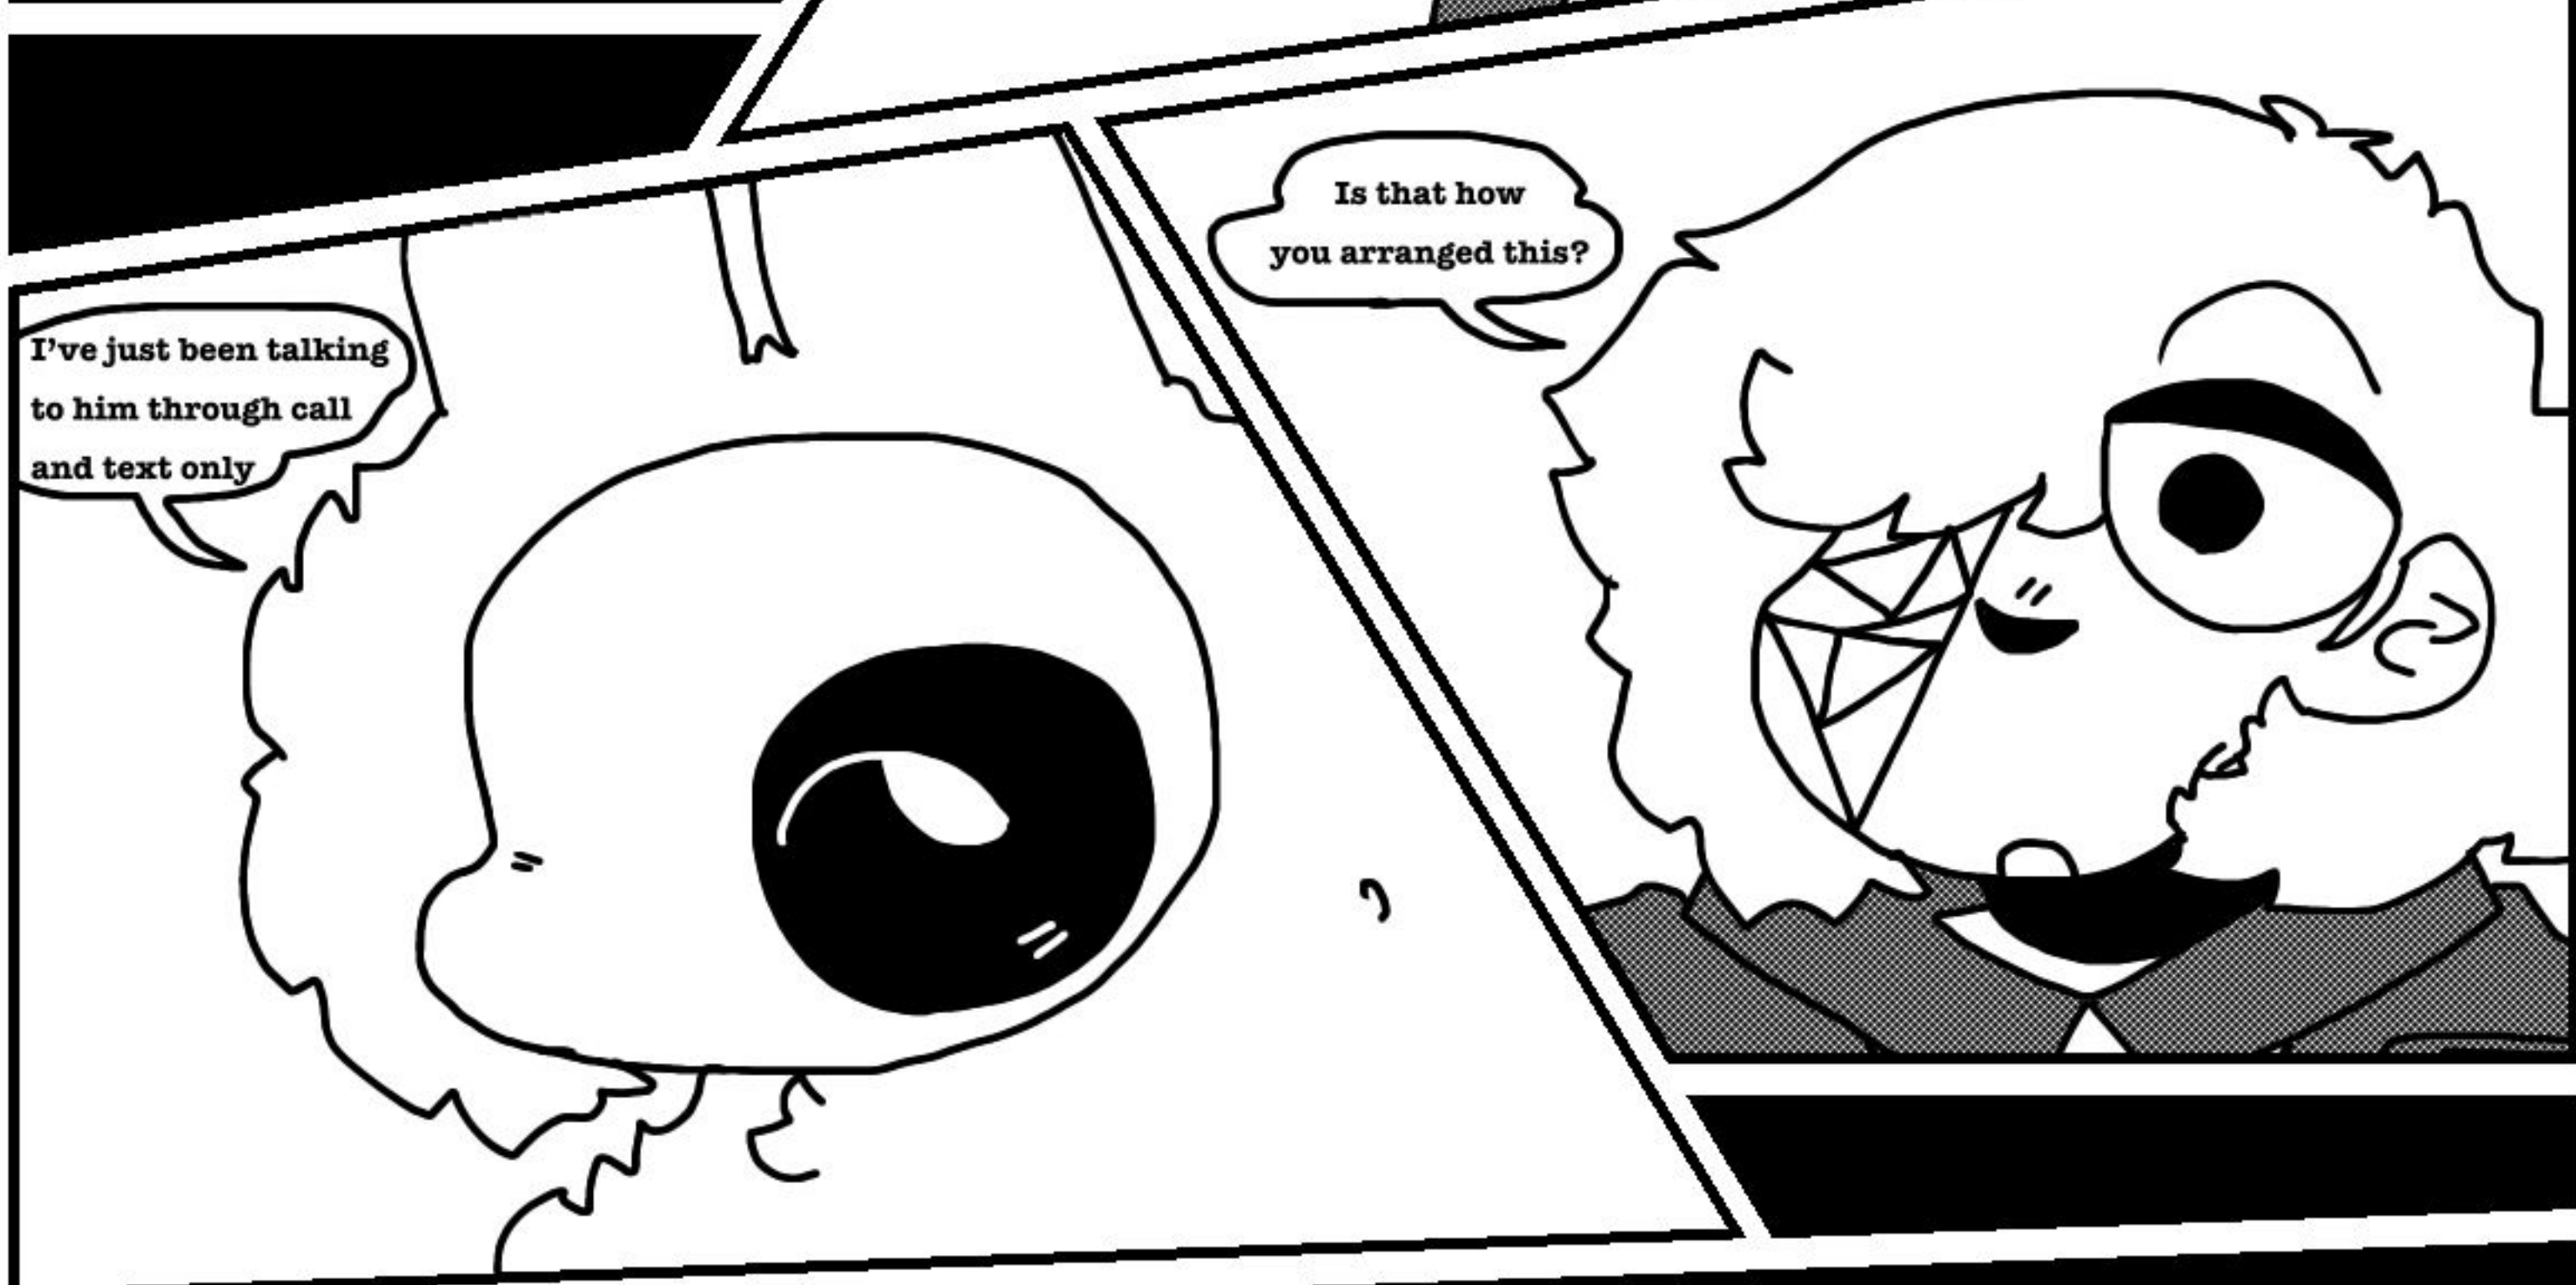

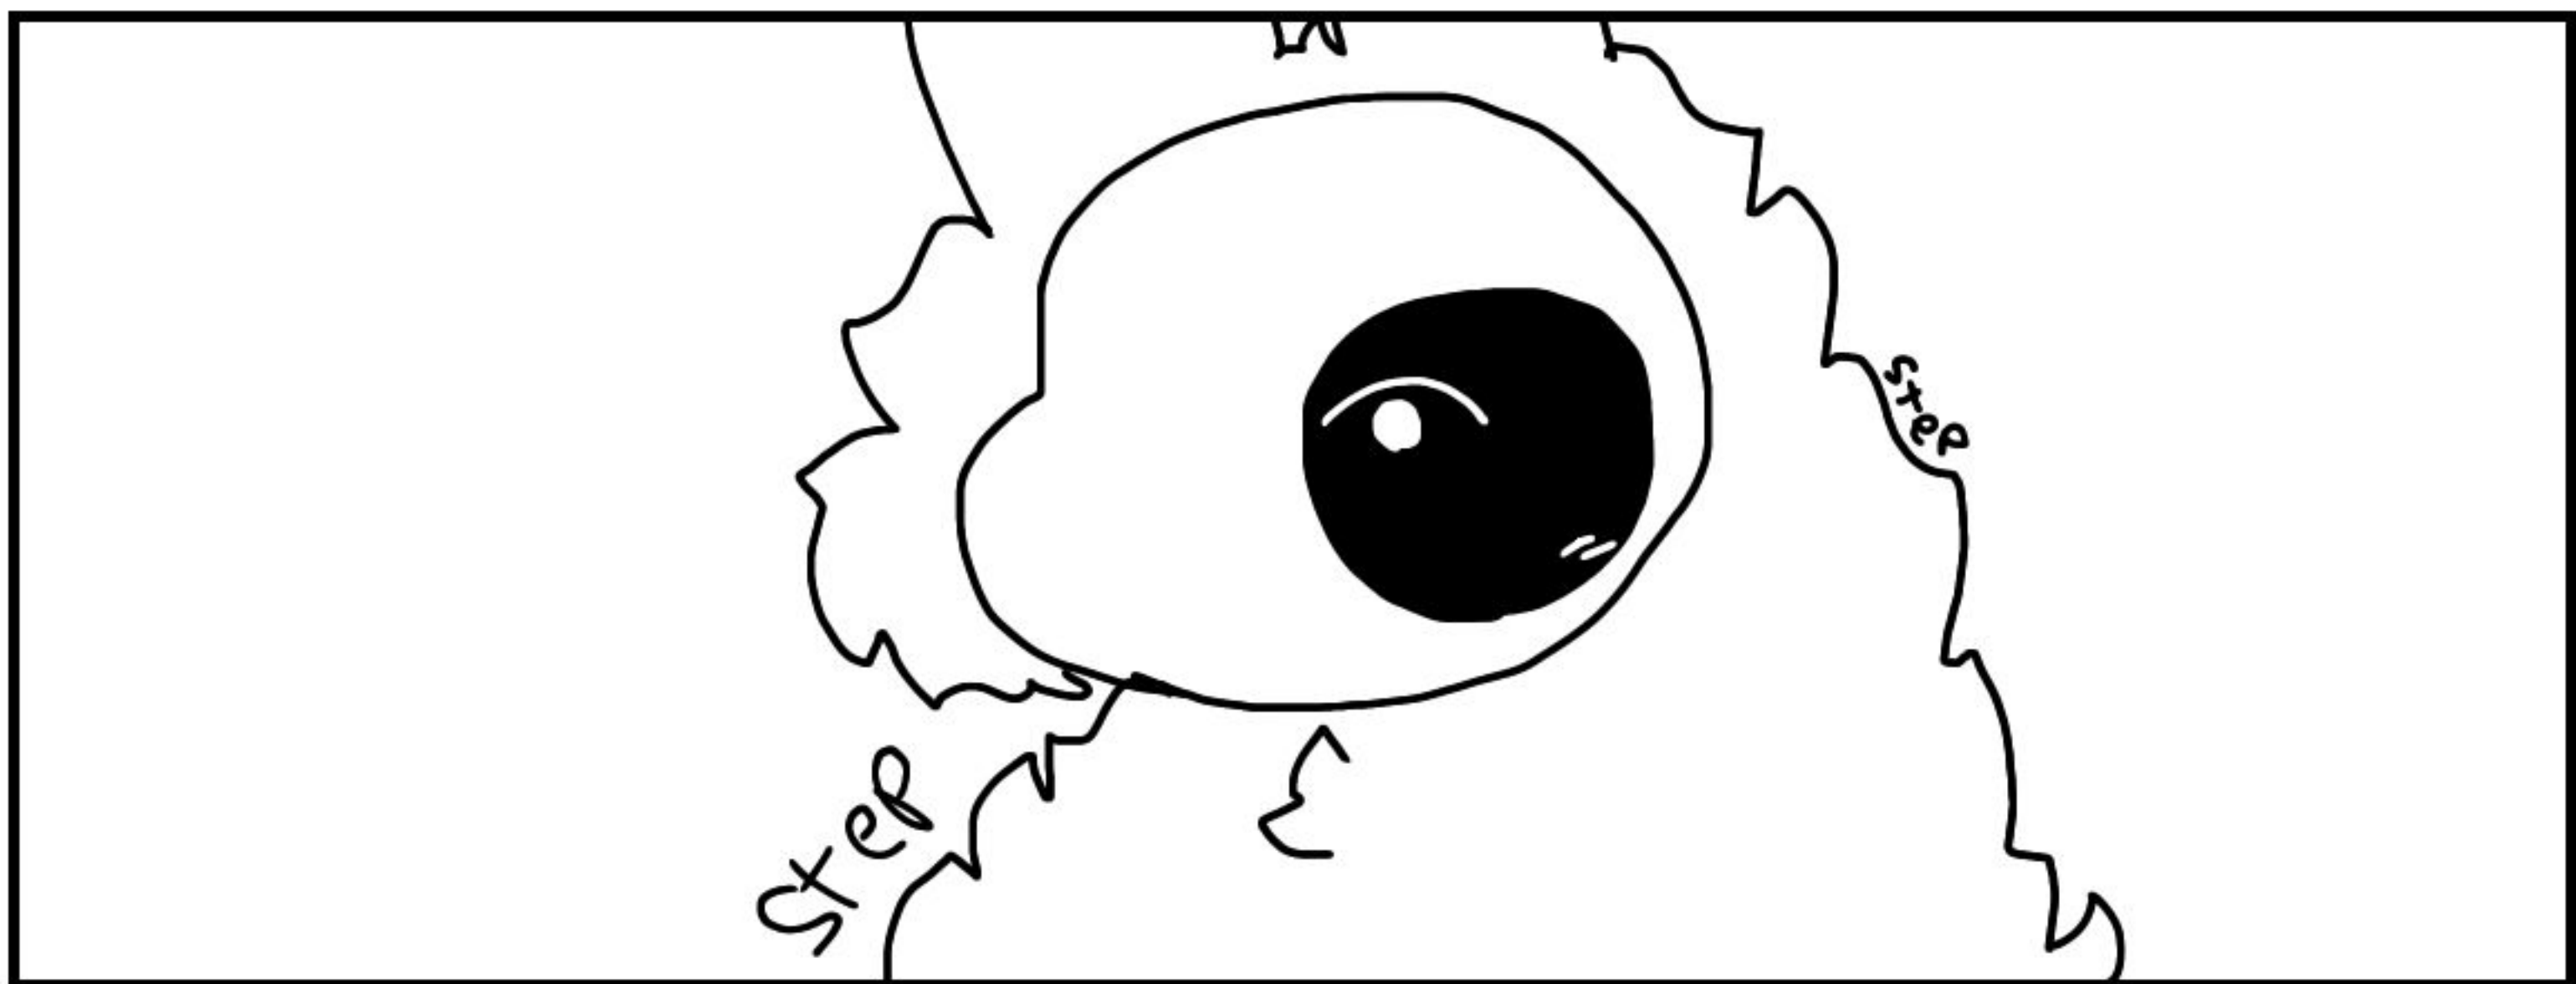

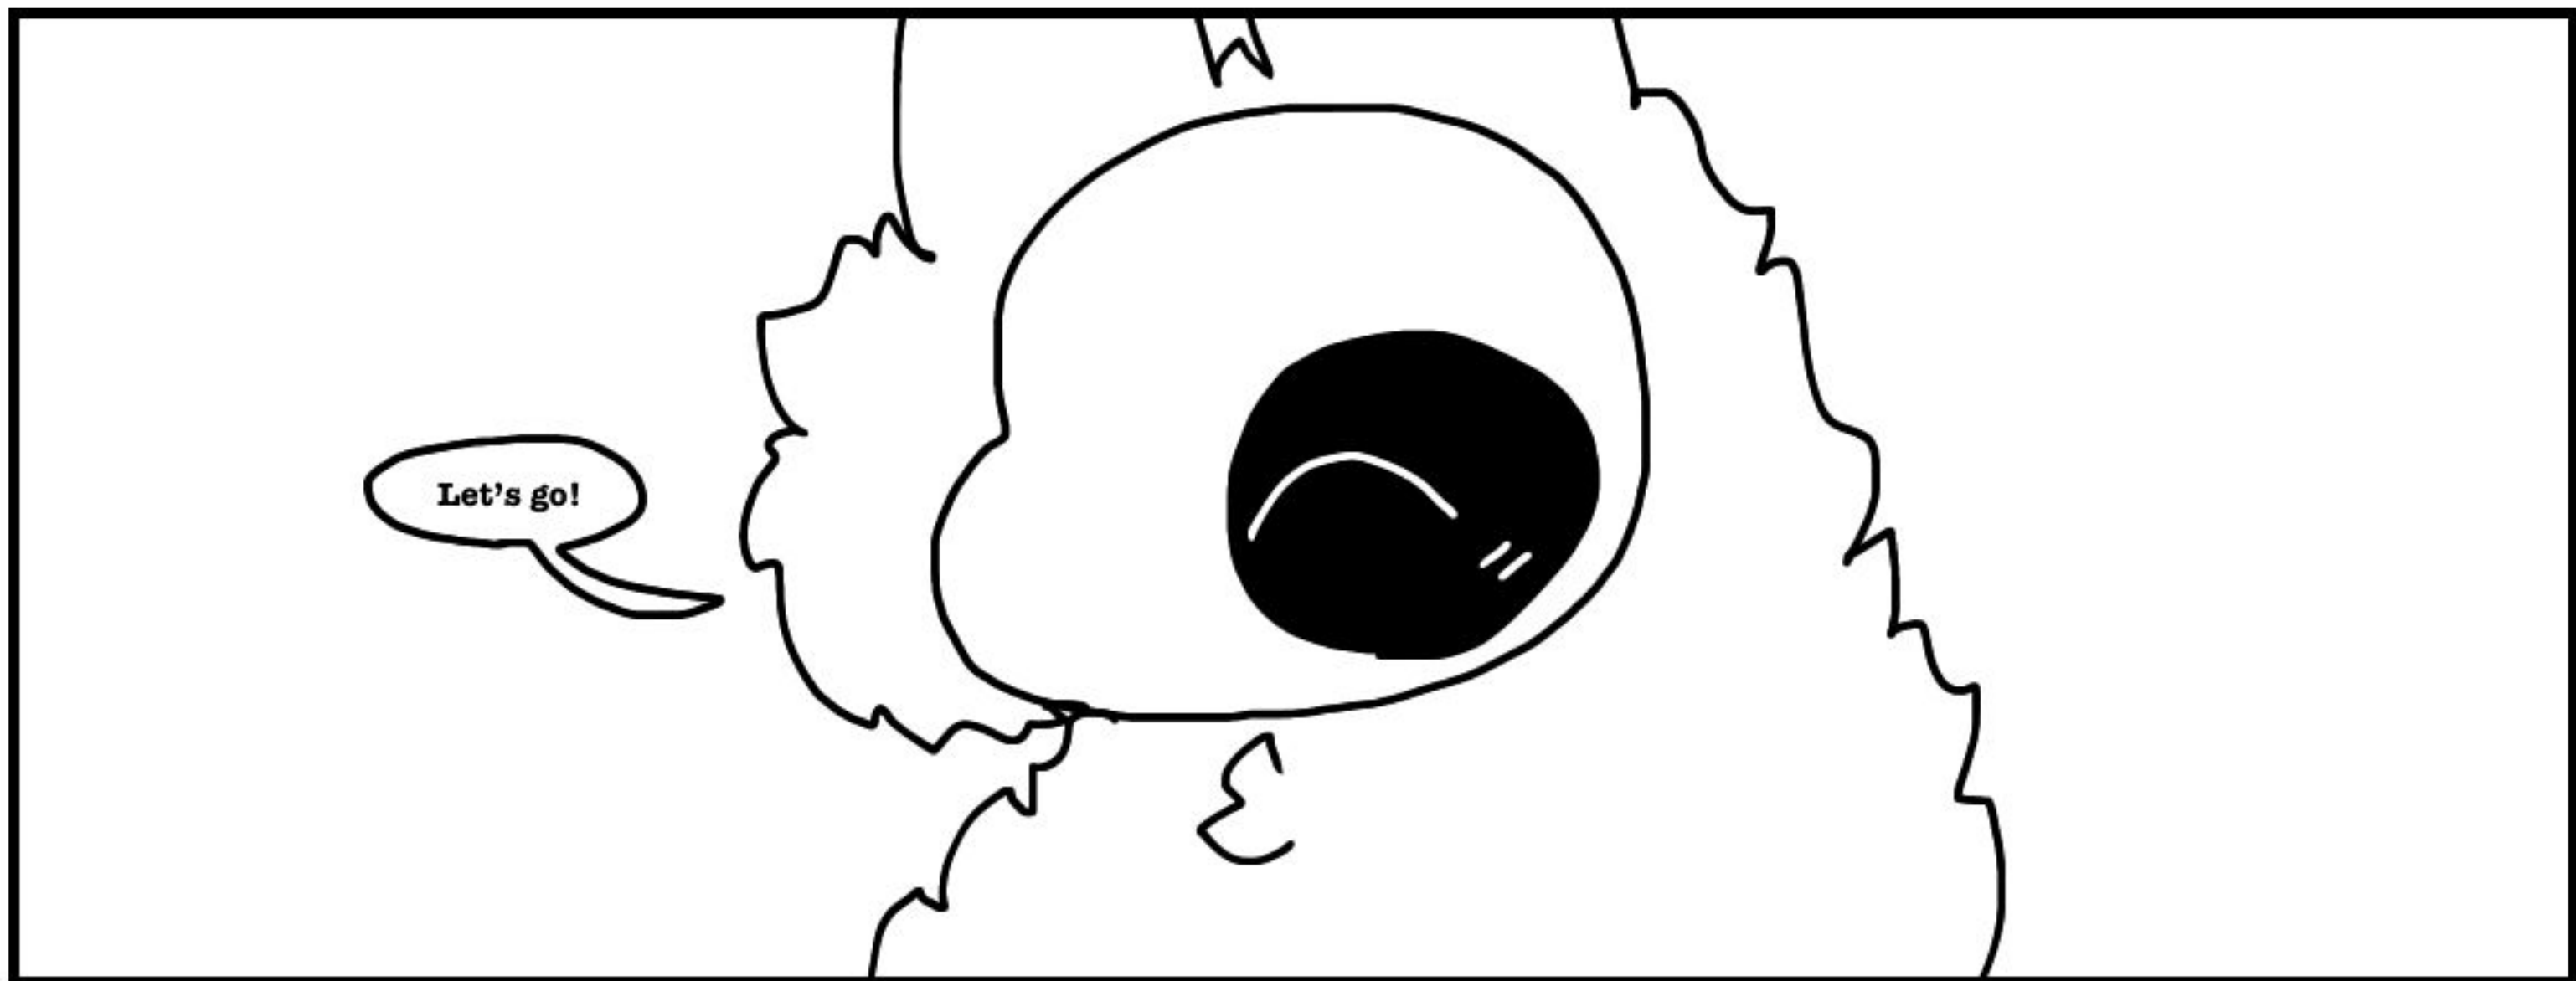

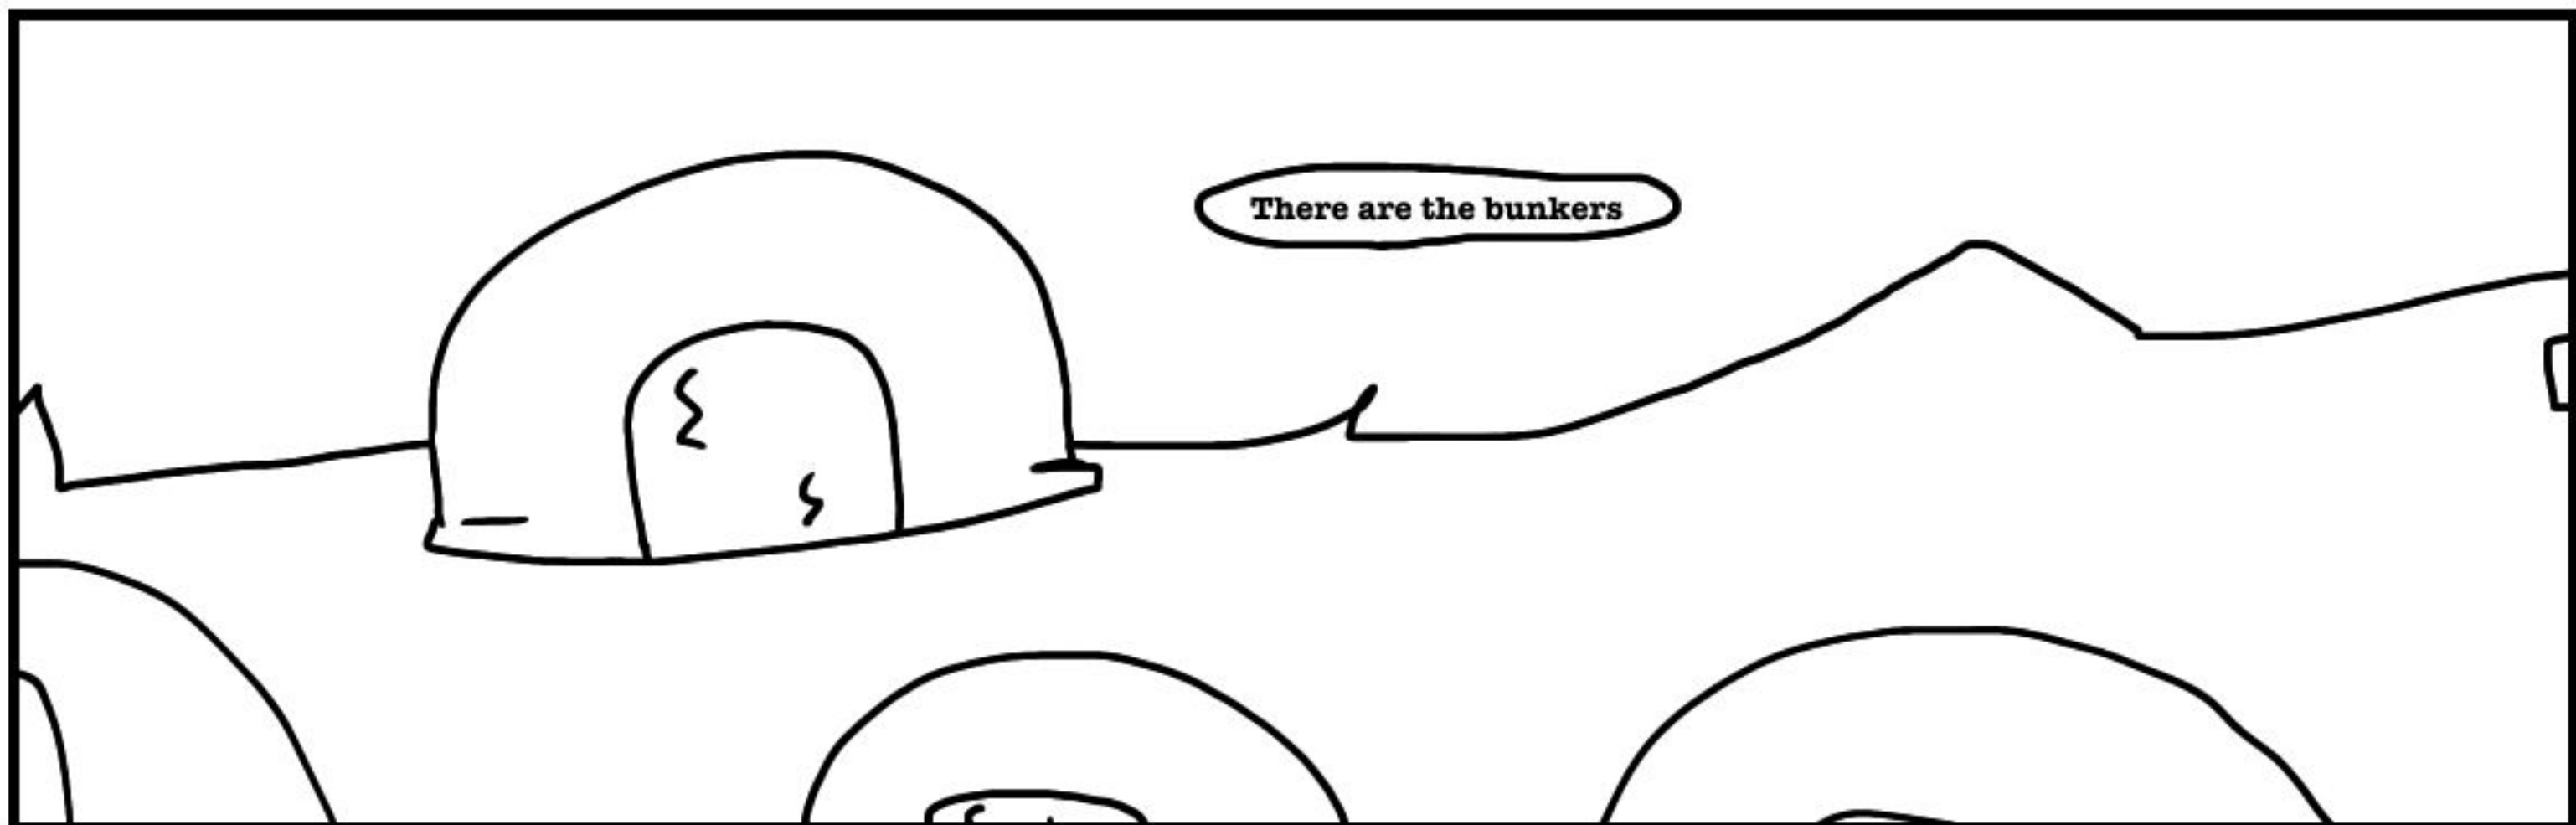

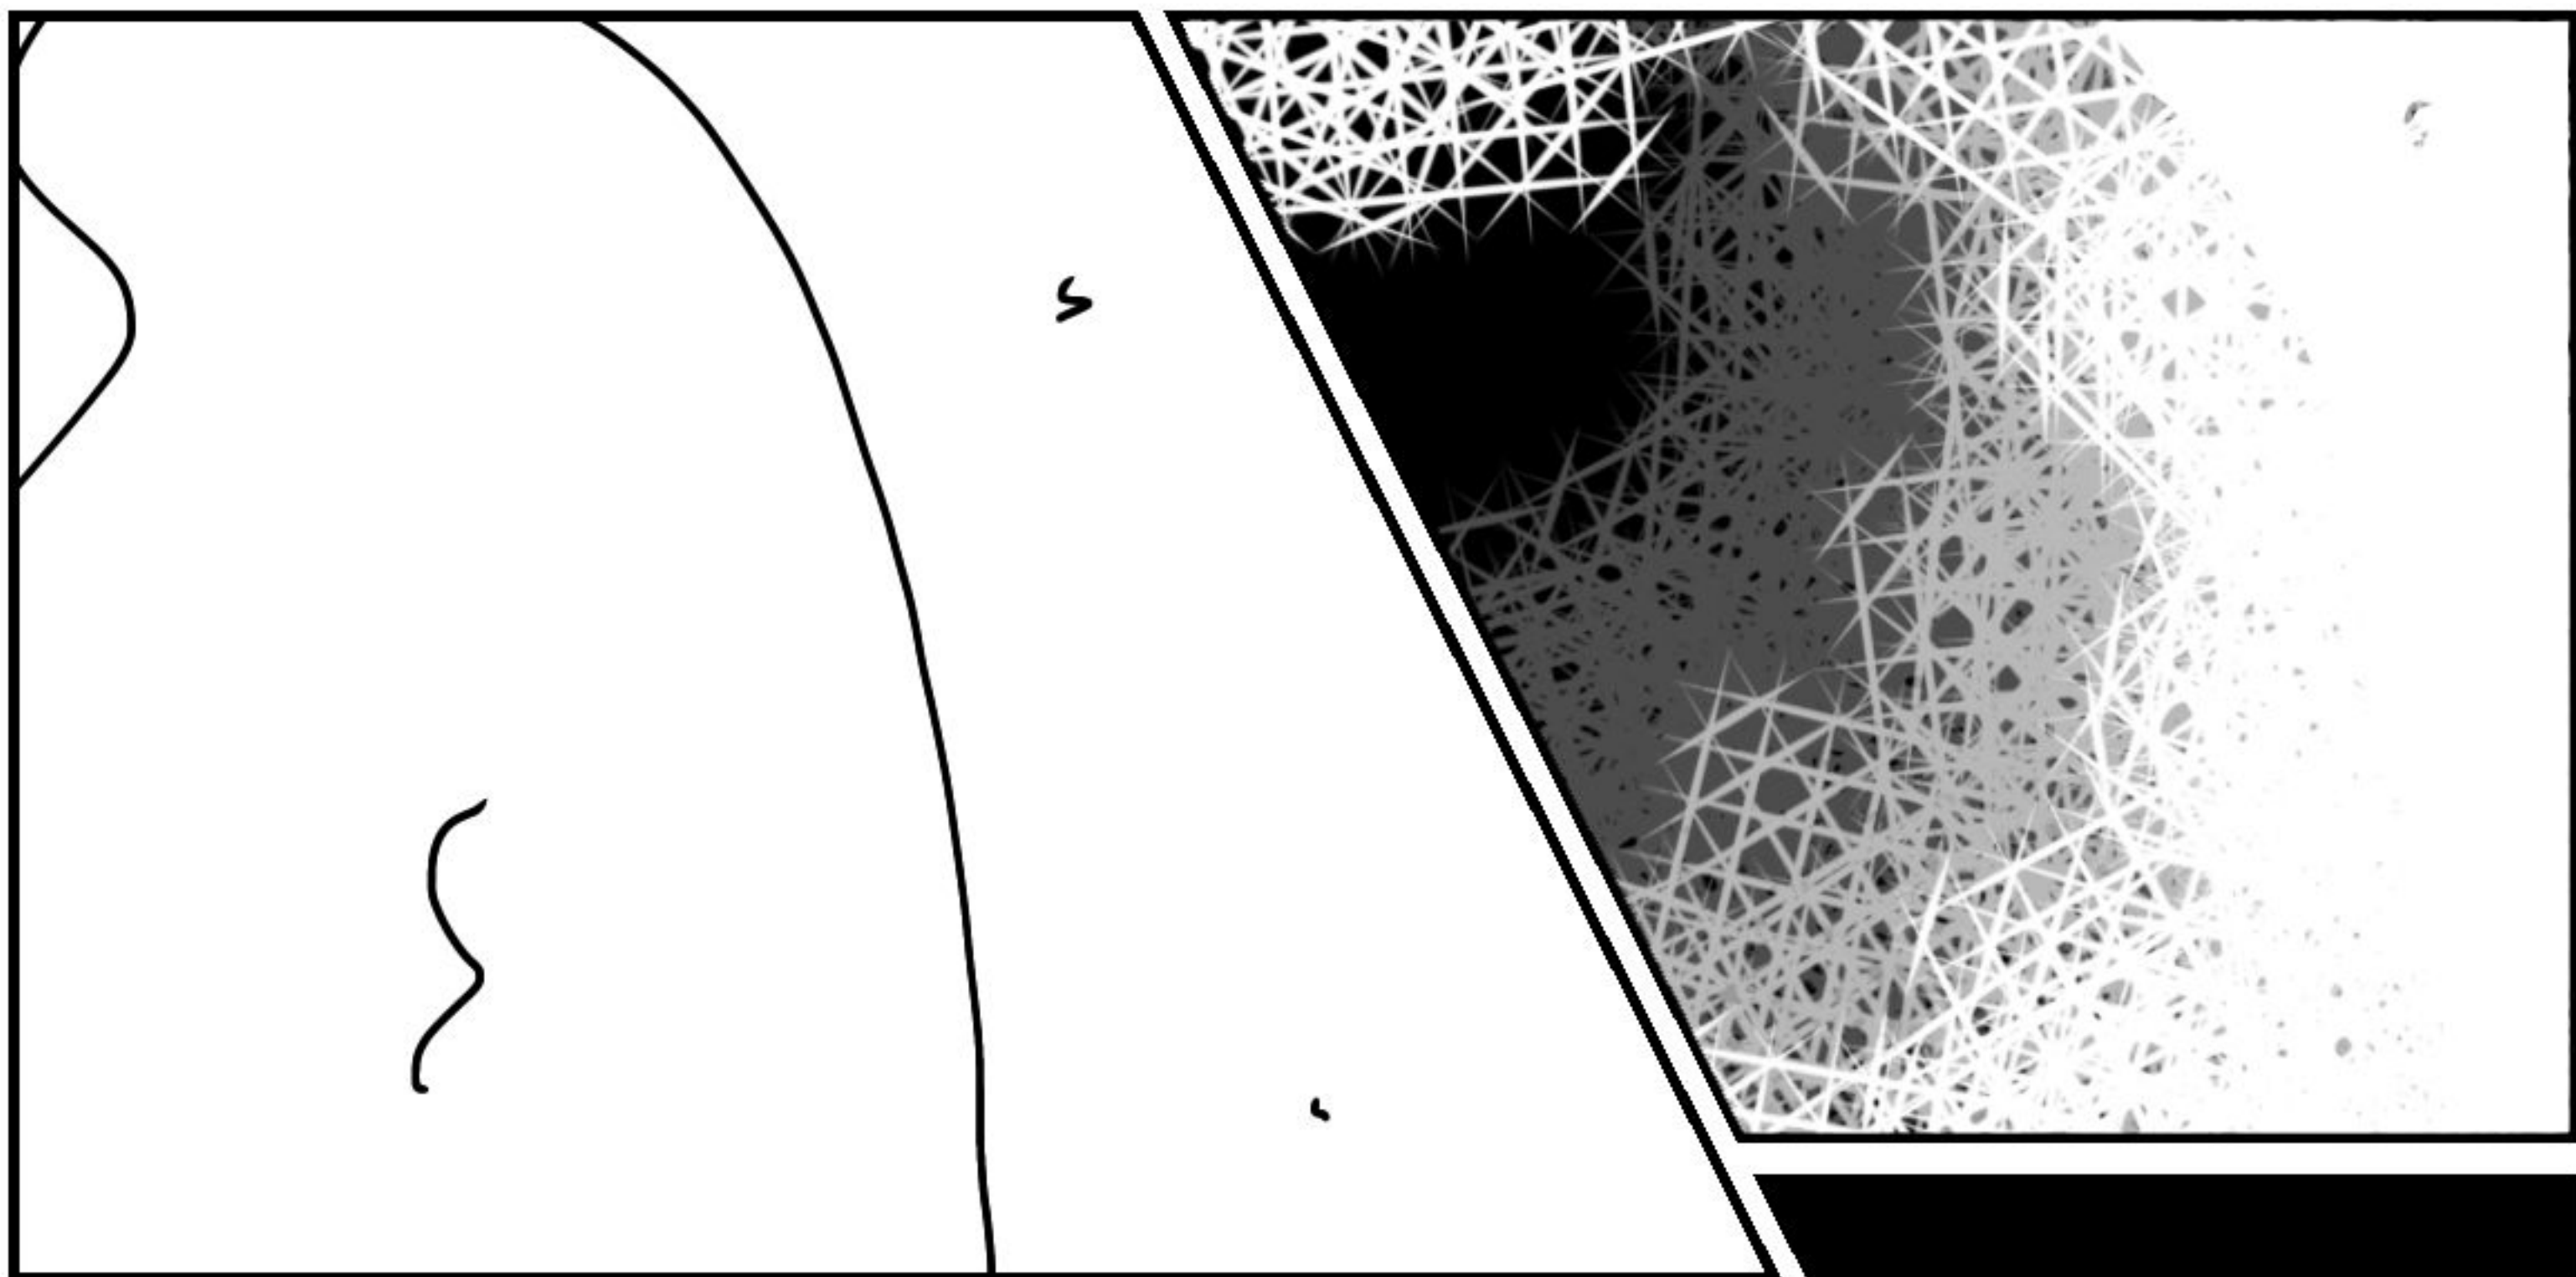

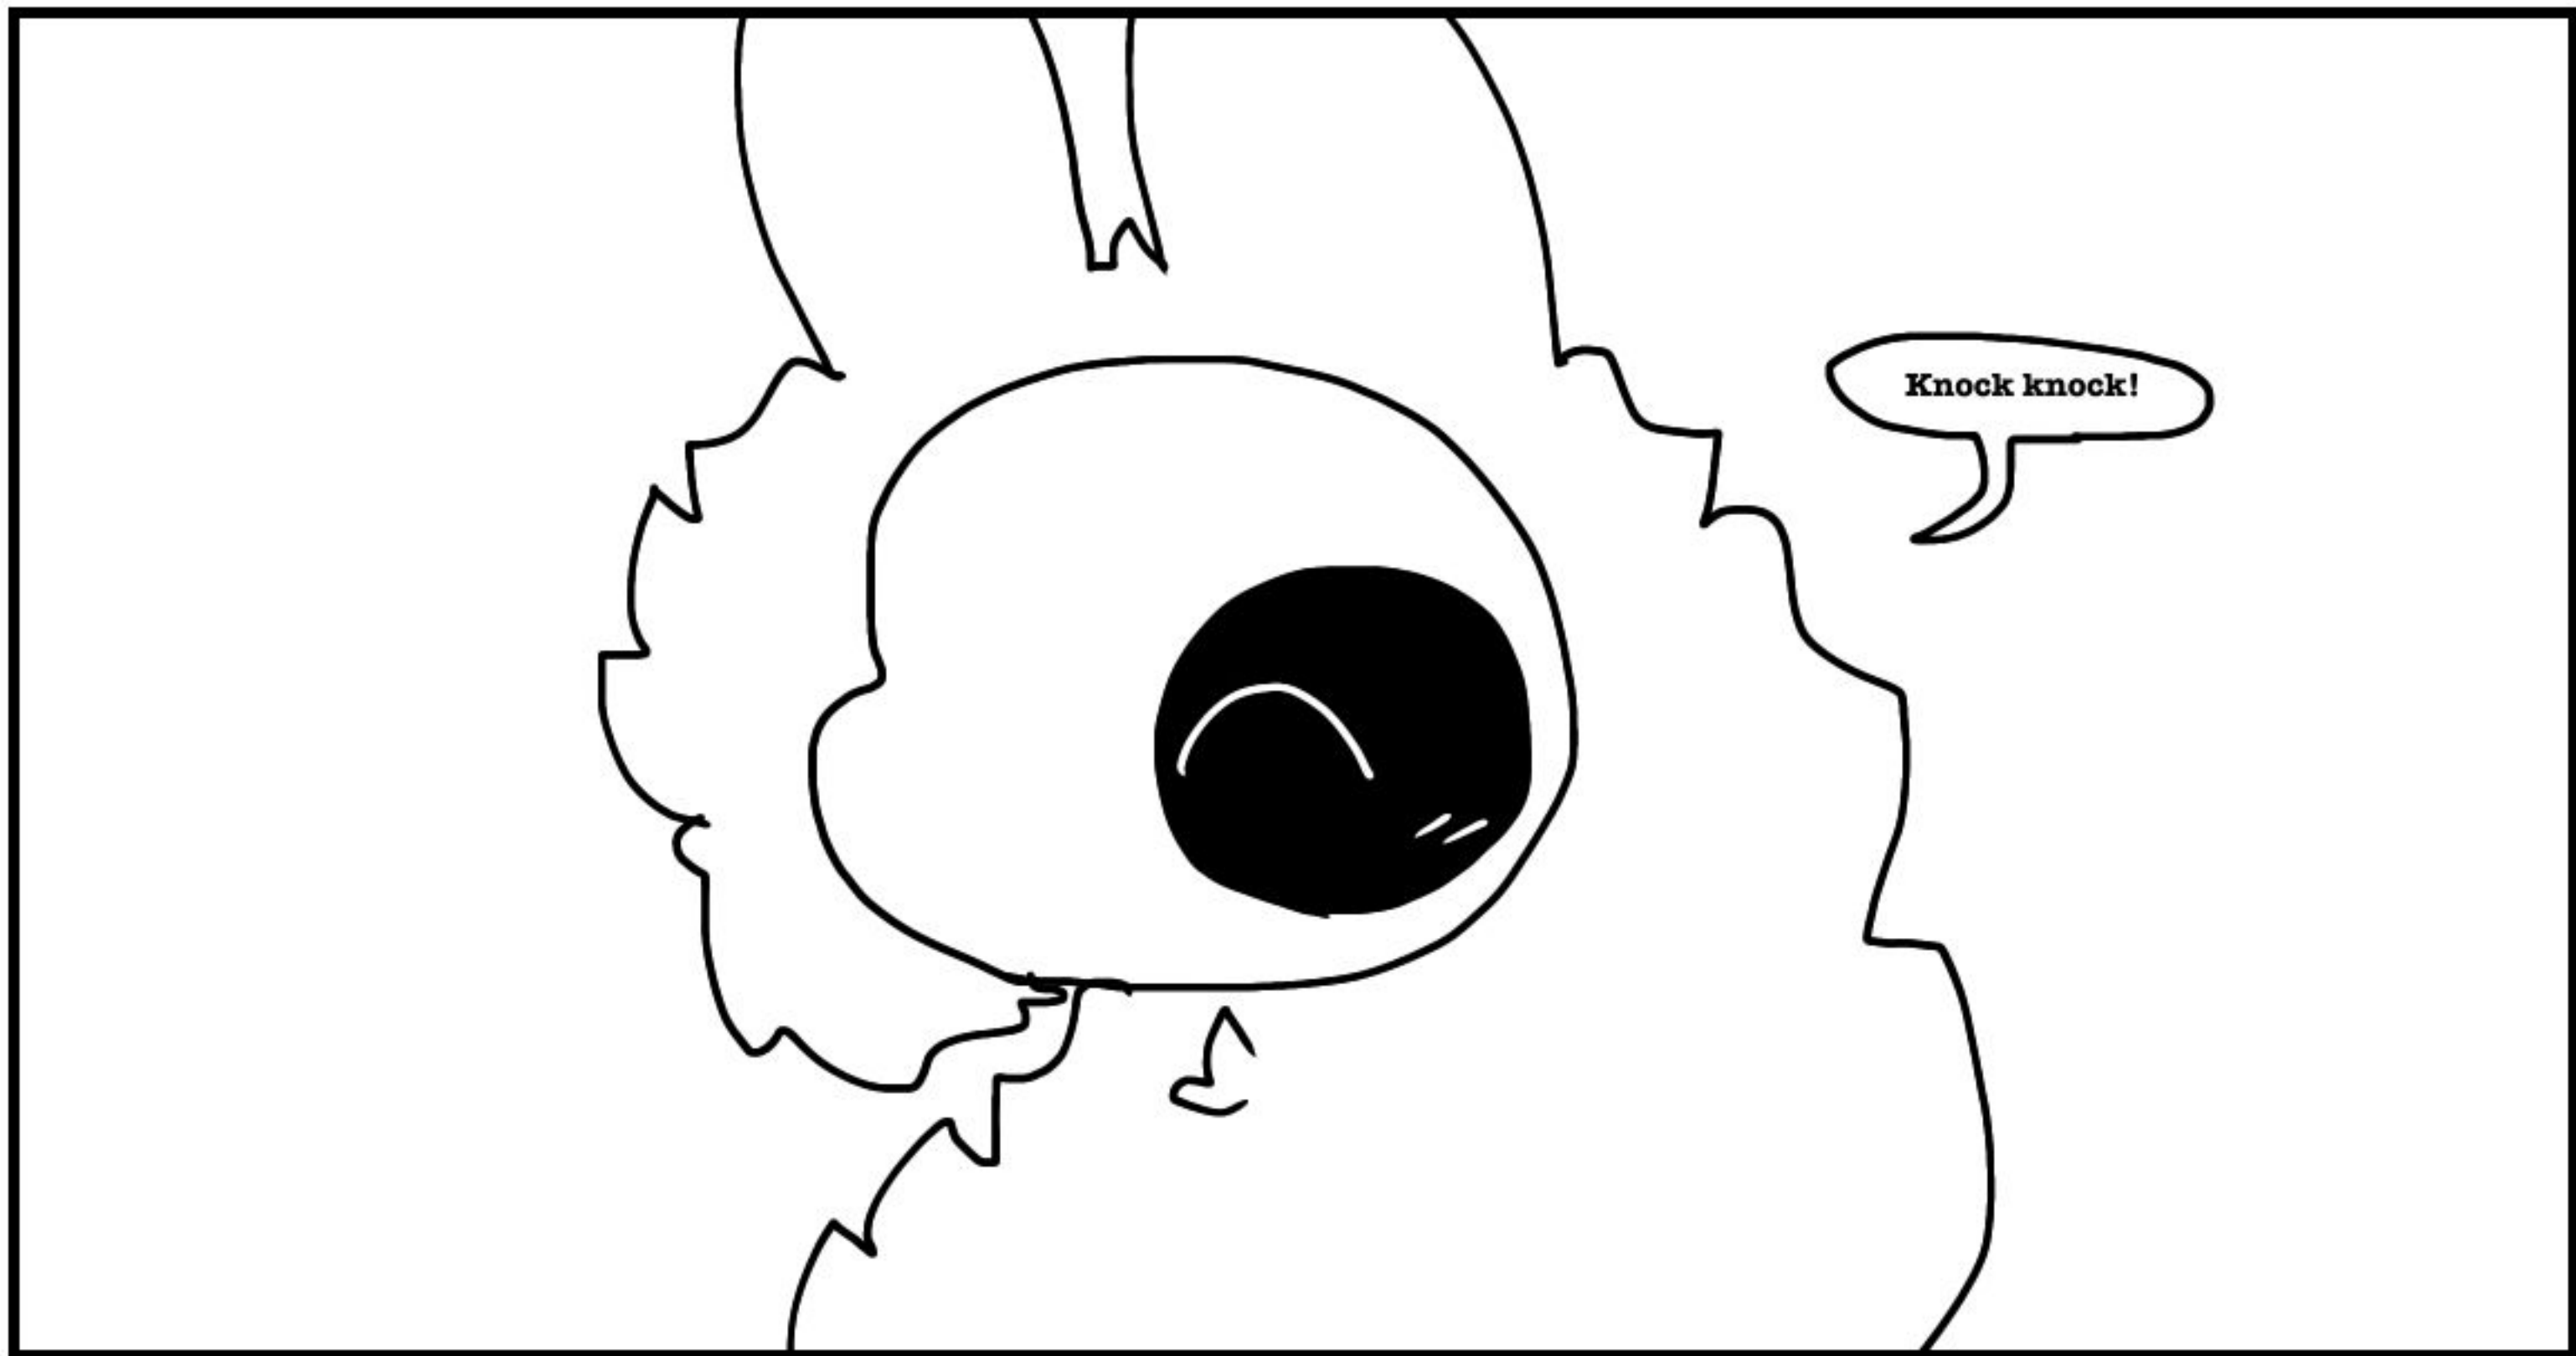

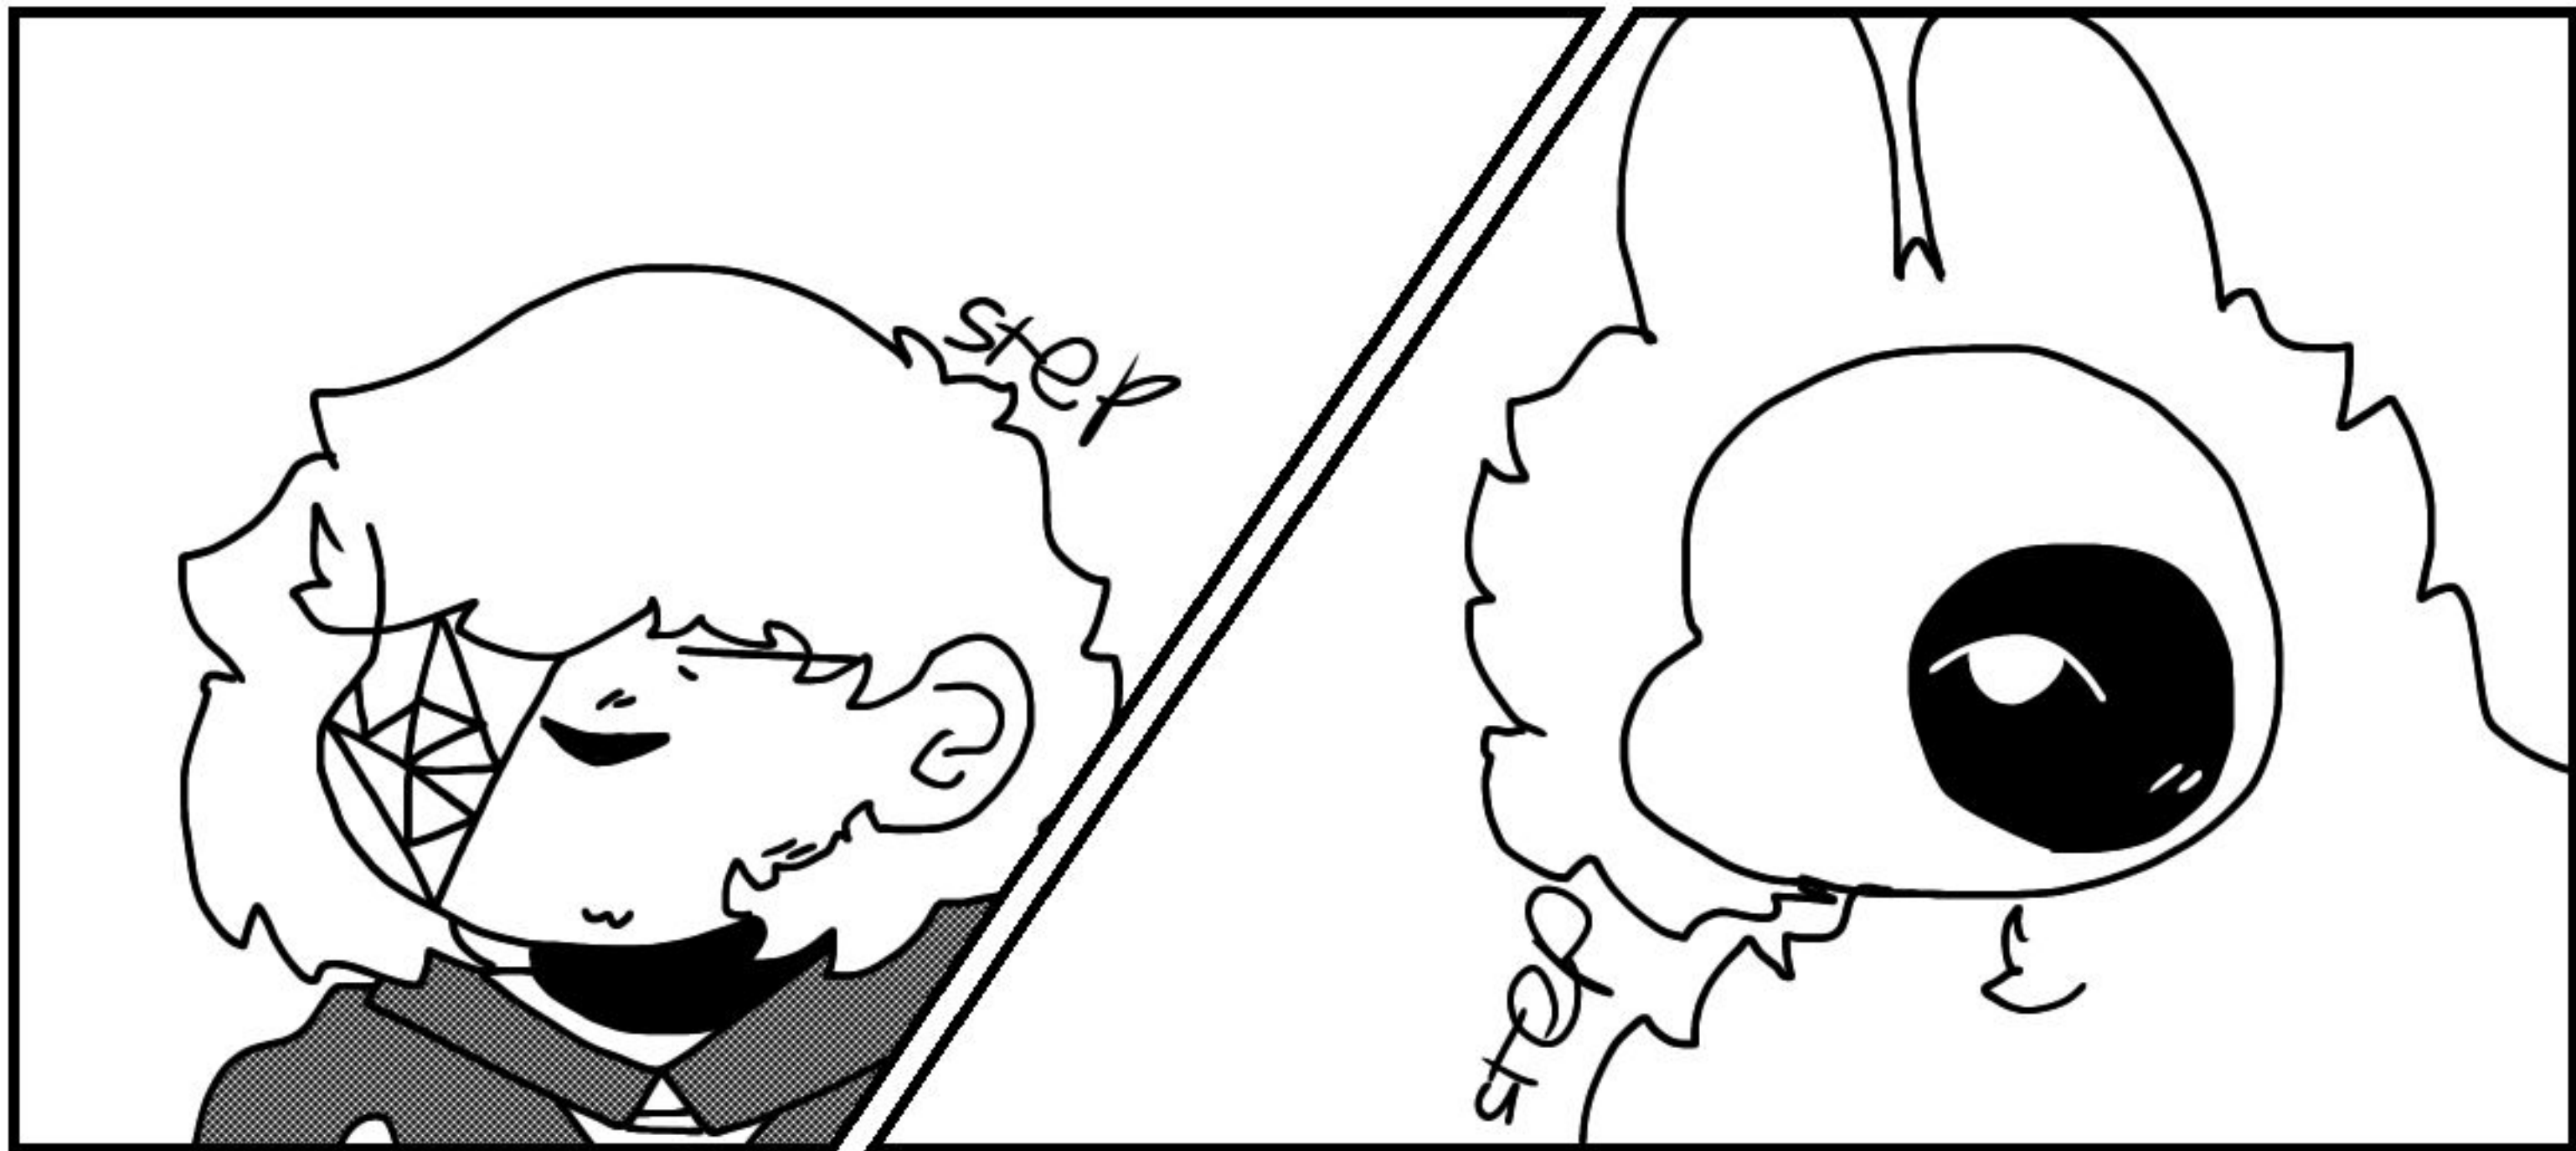

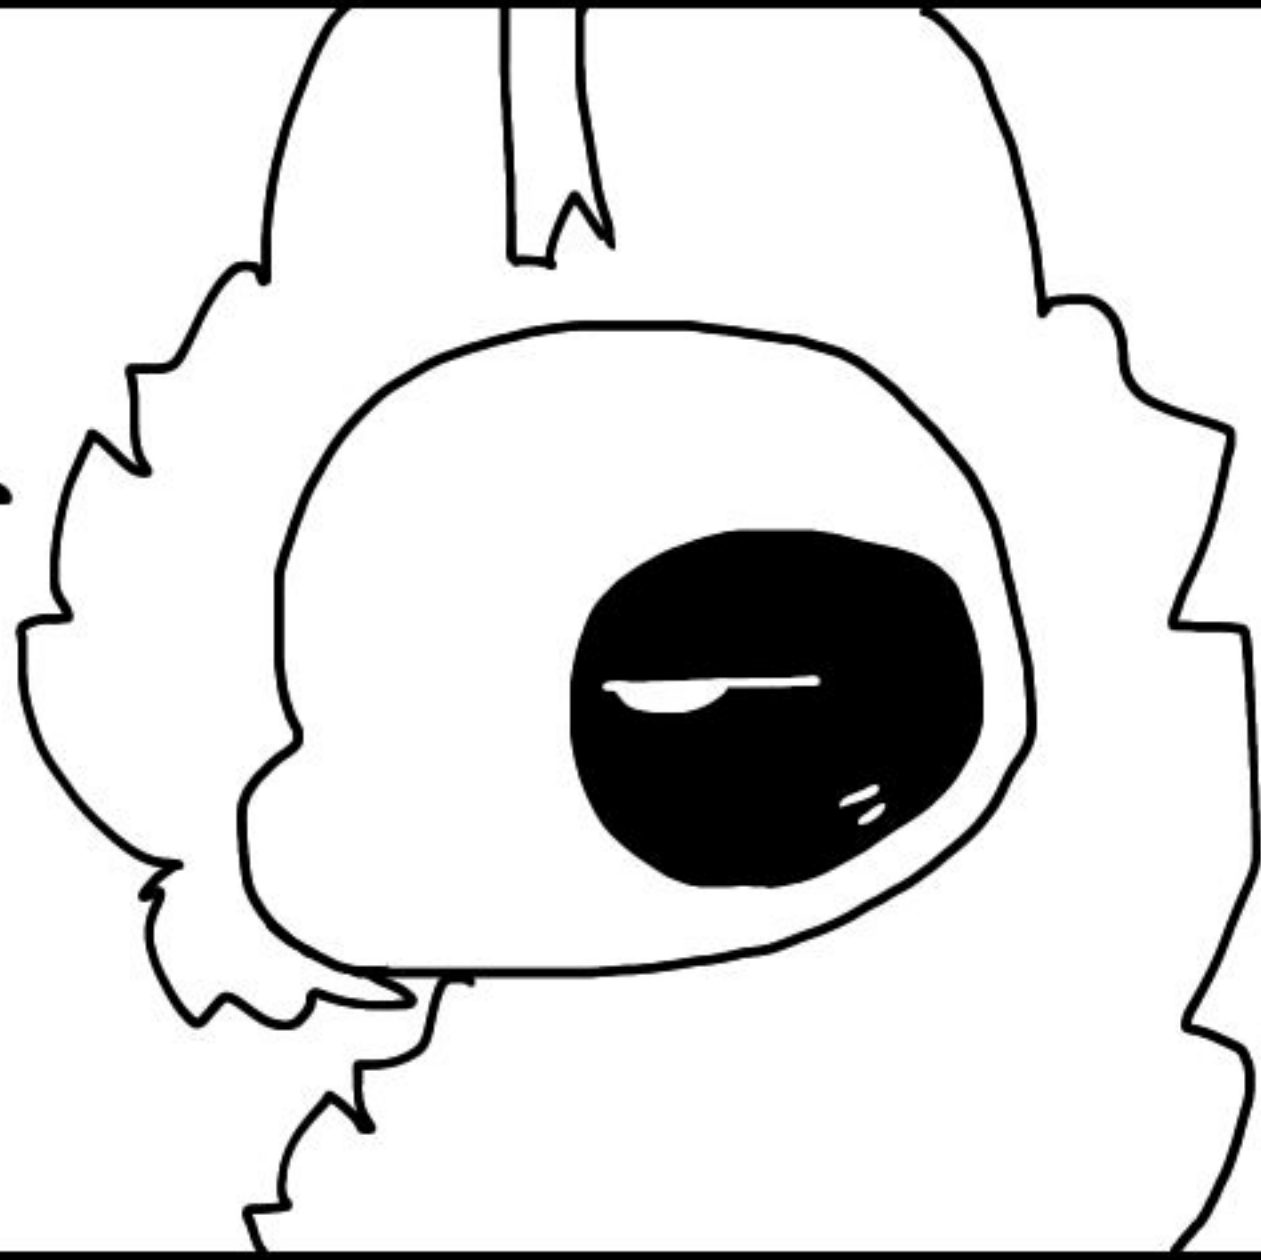

O-oh...hi

CARETAKER
110 YEARS OLD

You...
You weren't prepared
for us to
be here, weren't you

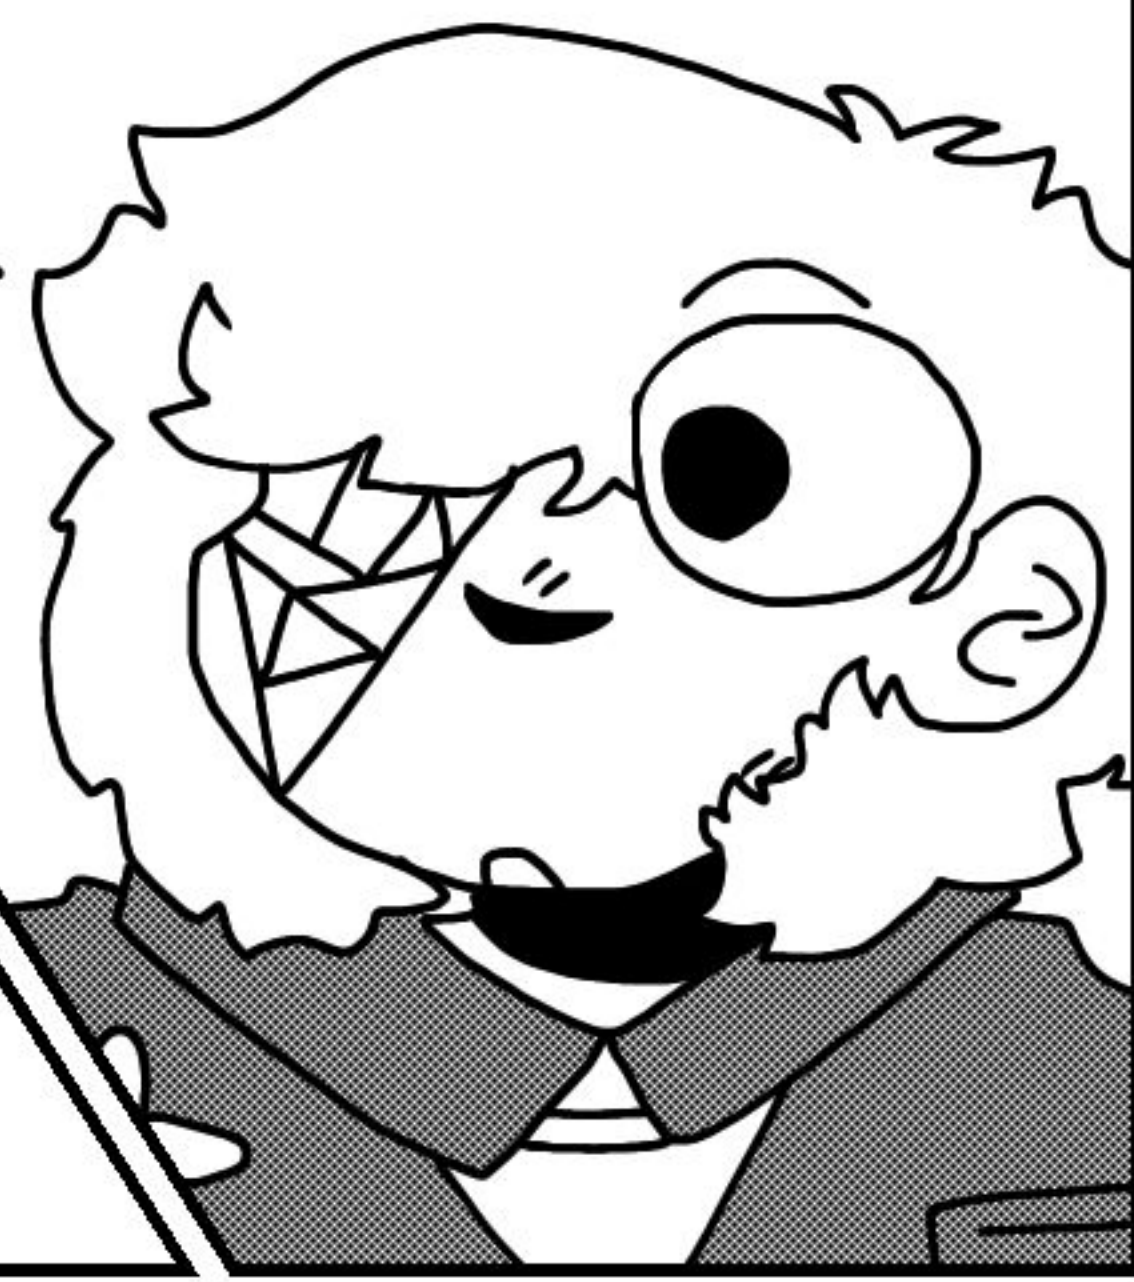

...
Yea...

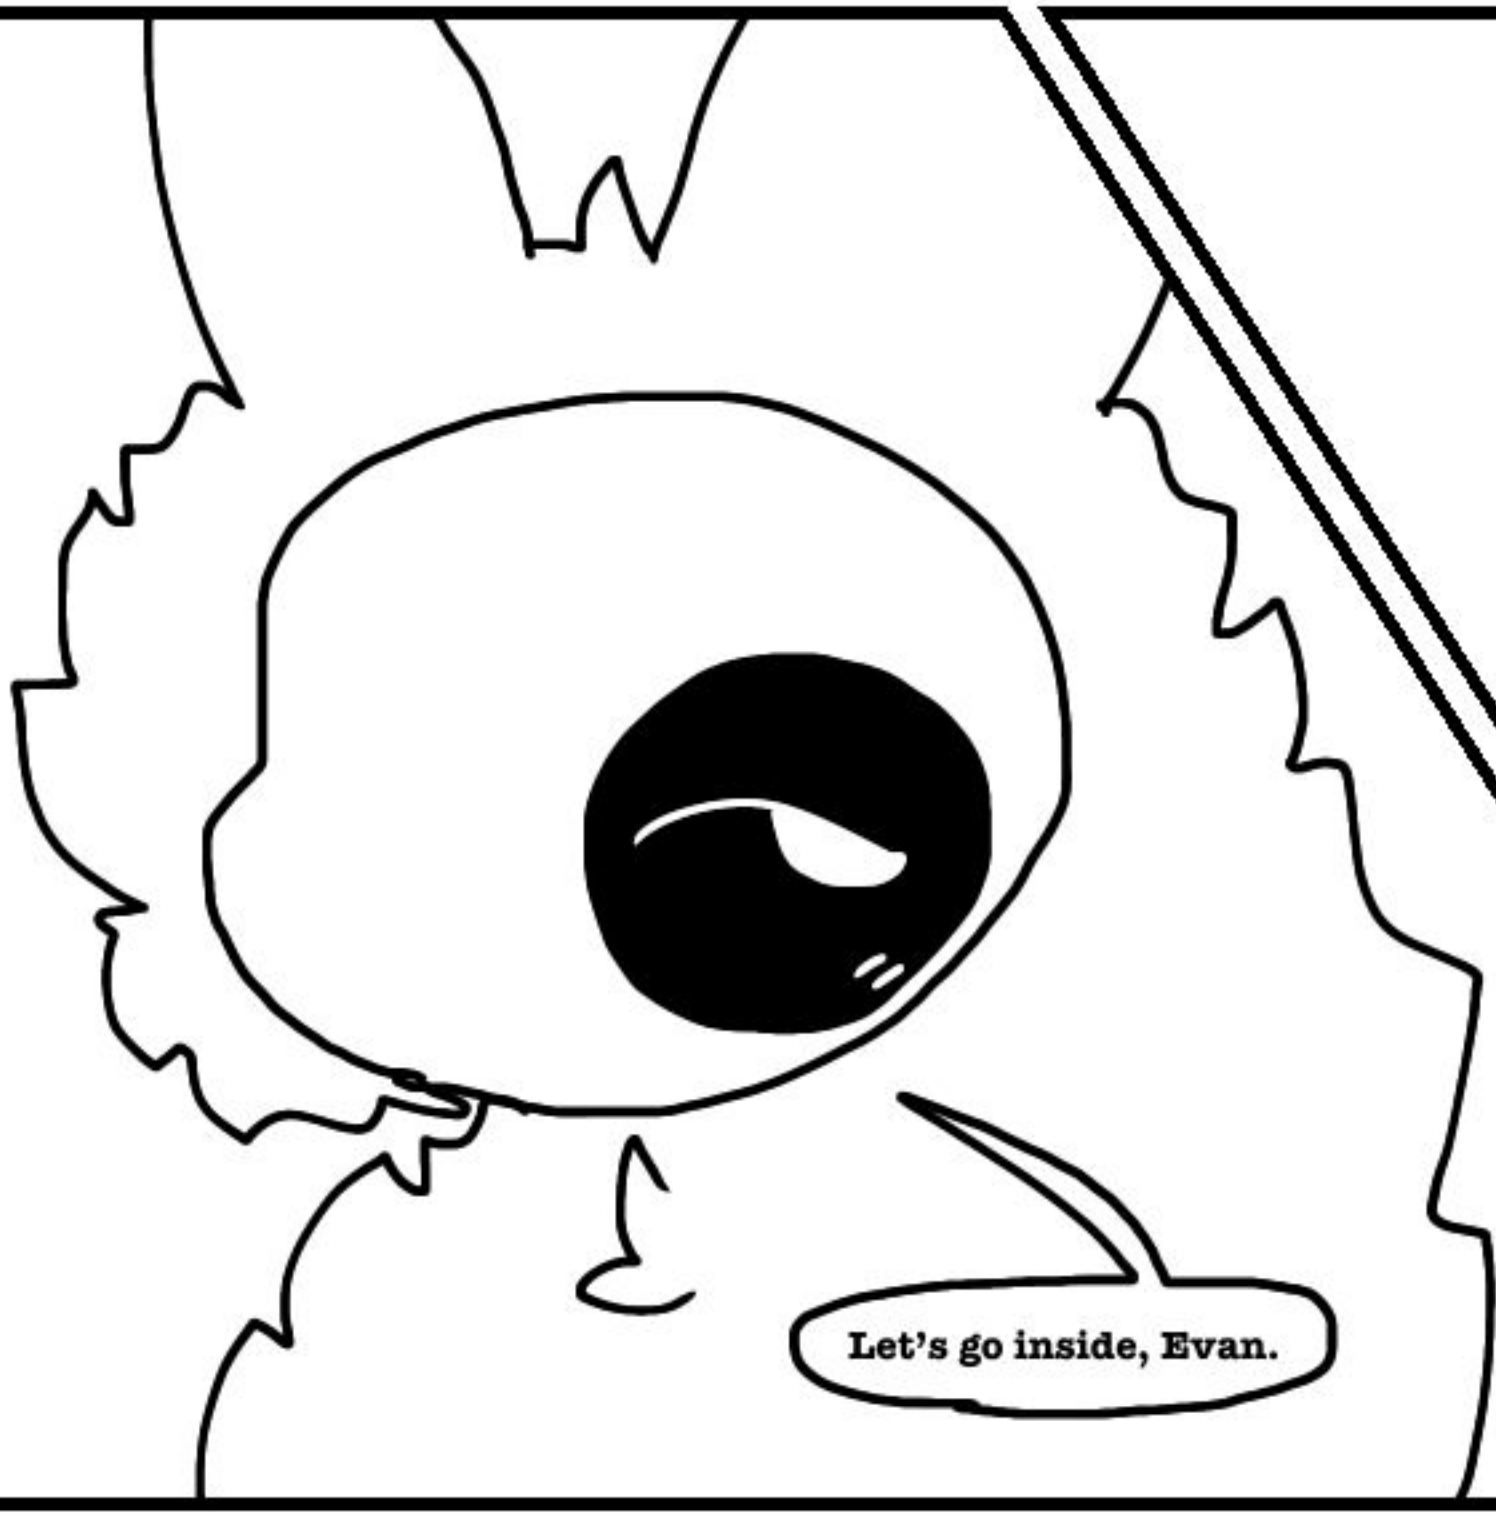

I'm gonna go get dressed into
something better...
You guys can have some tea
while you wait

Ok!

Let's go inside, Evan.

Inside..

Oh, didn't caretaker
say something about tea?

Oh yea!

I'll probably have some later!

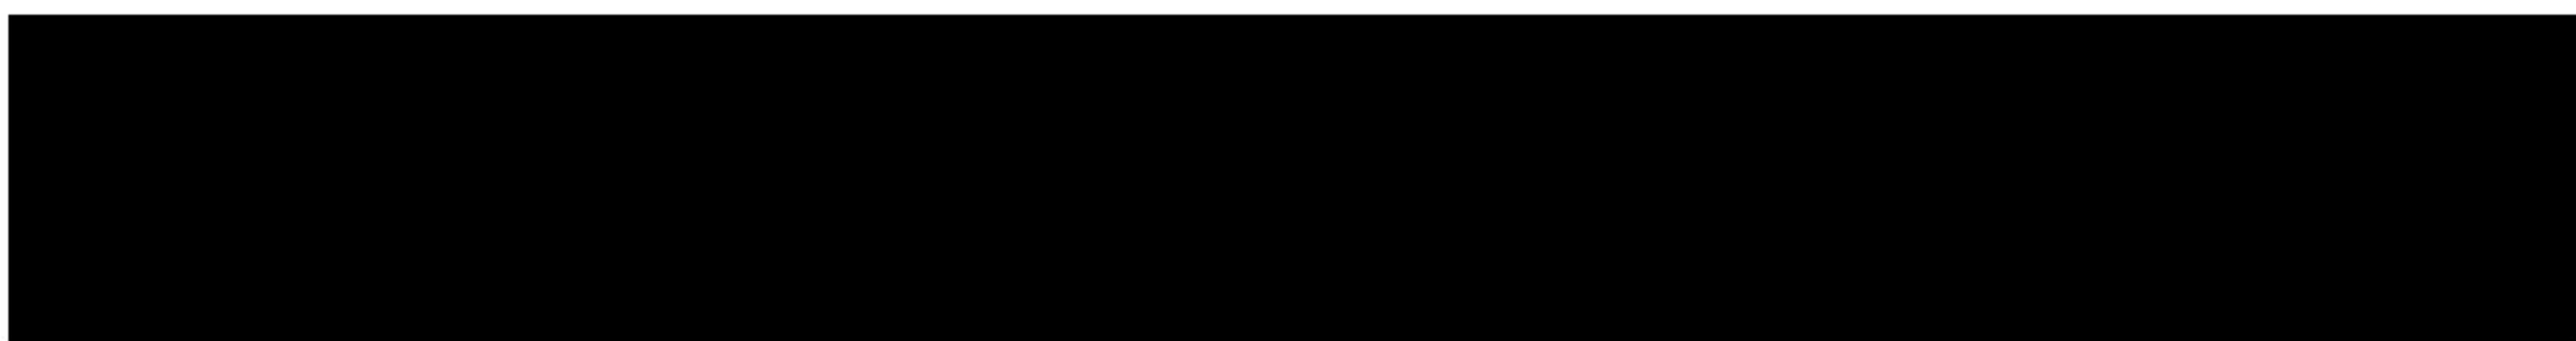

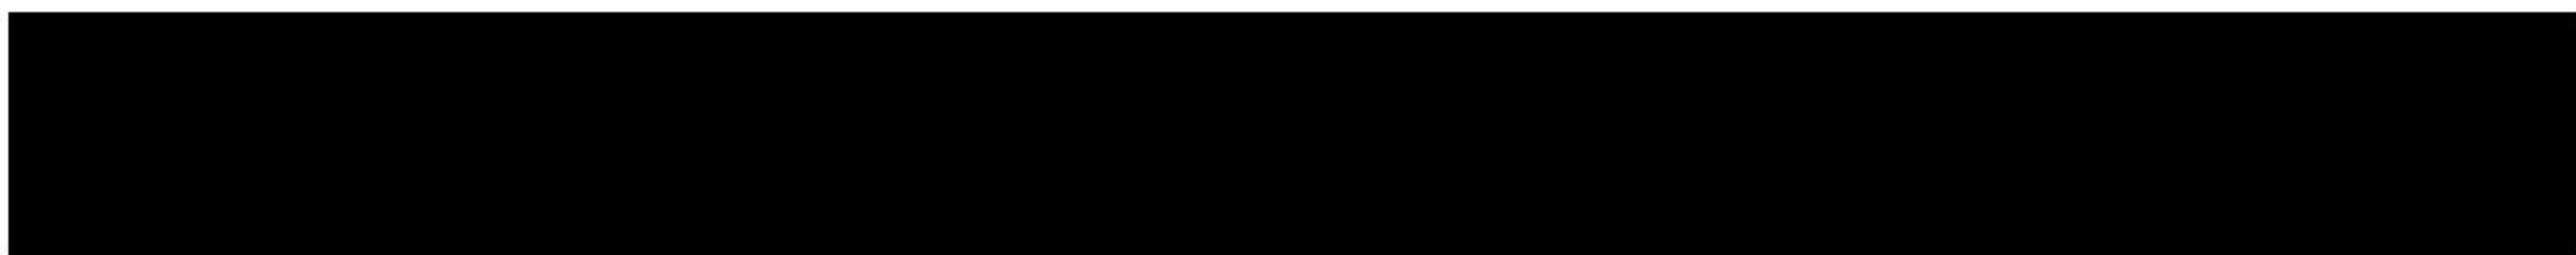

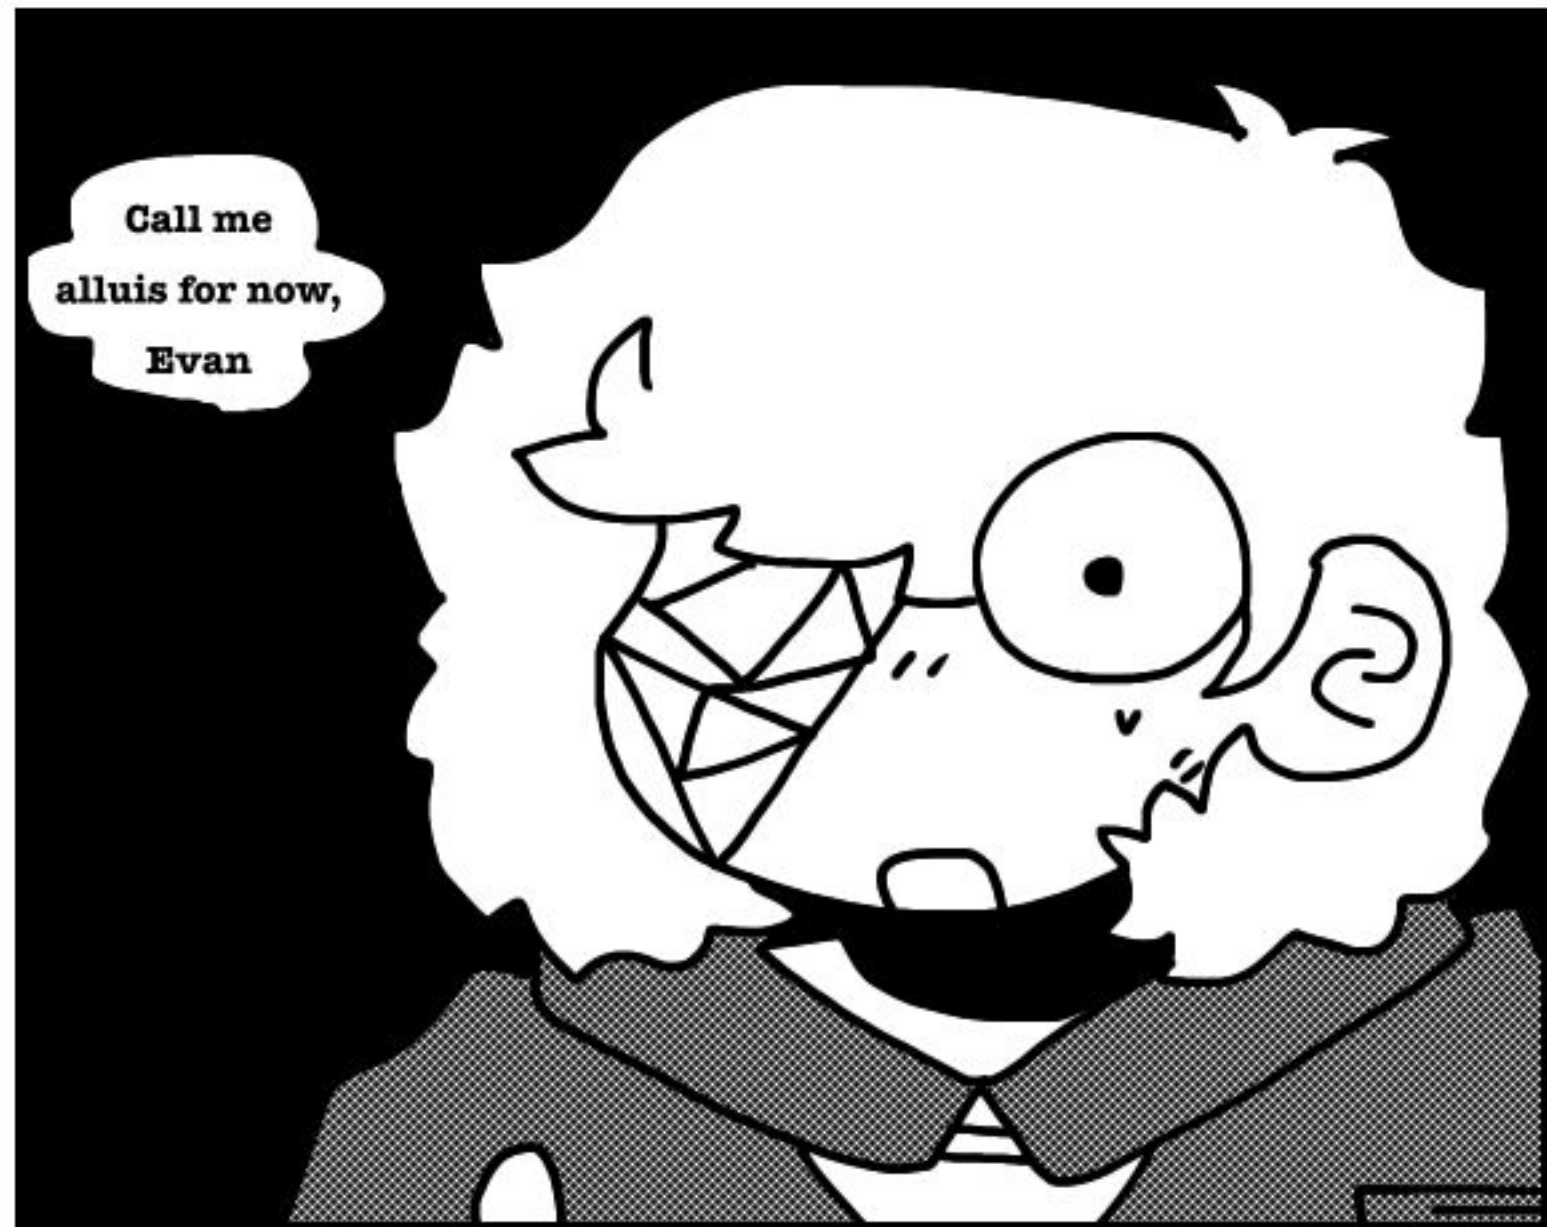

Ok!

Hey evan,

Yea?

Can you call caretaker "ulysses"
if someone comes out with him?

Guardians masks, when removed, turn them into a human like form

Sweet!

Ok! I'm ready to talk!

He's also in a human form!

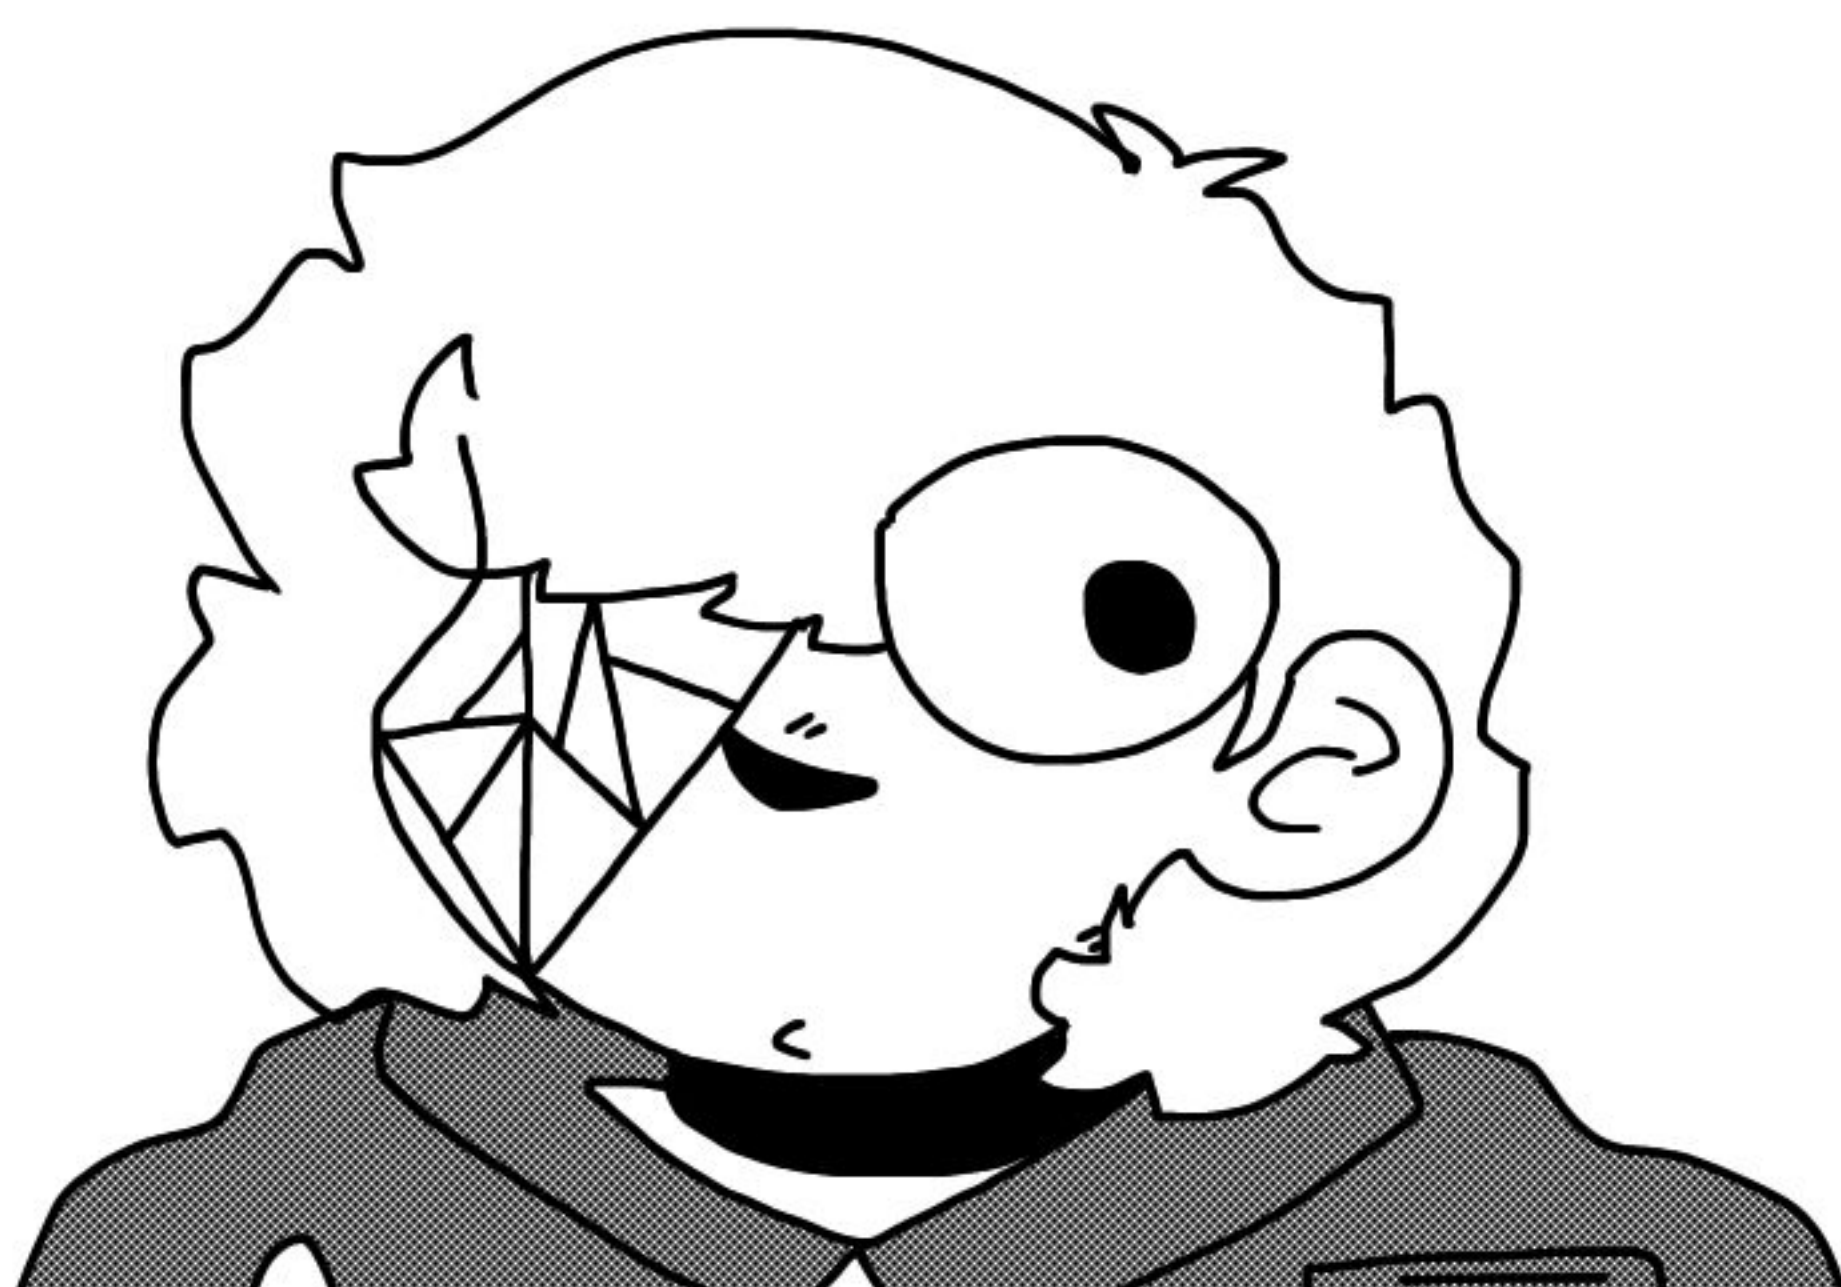

I've been trying to
get him seeing
more people, so it
might be good
for him

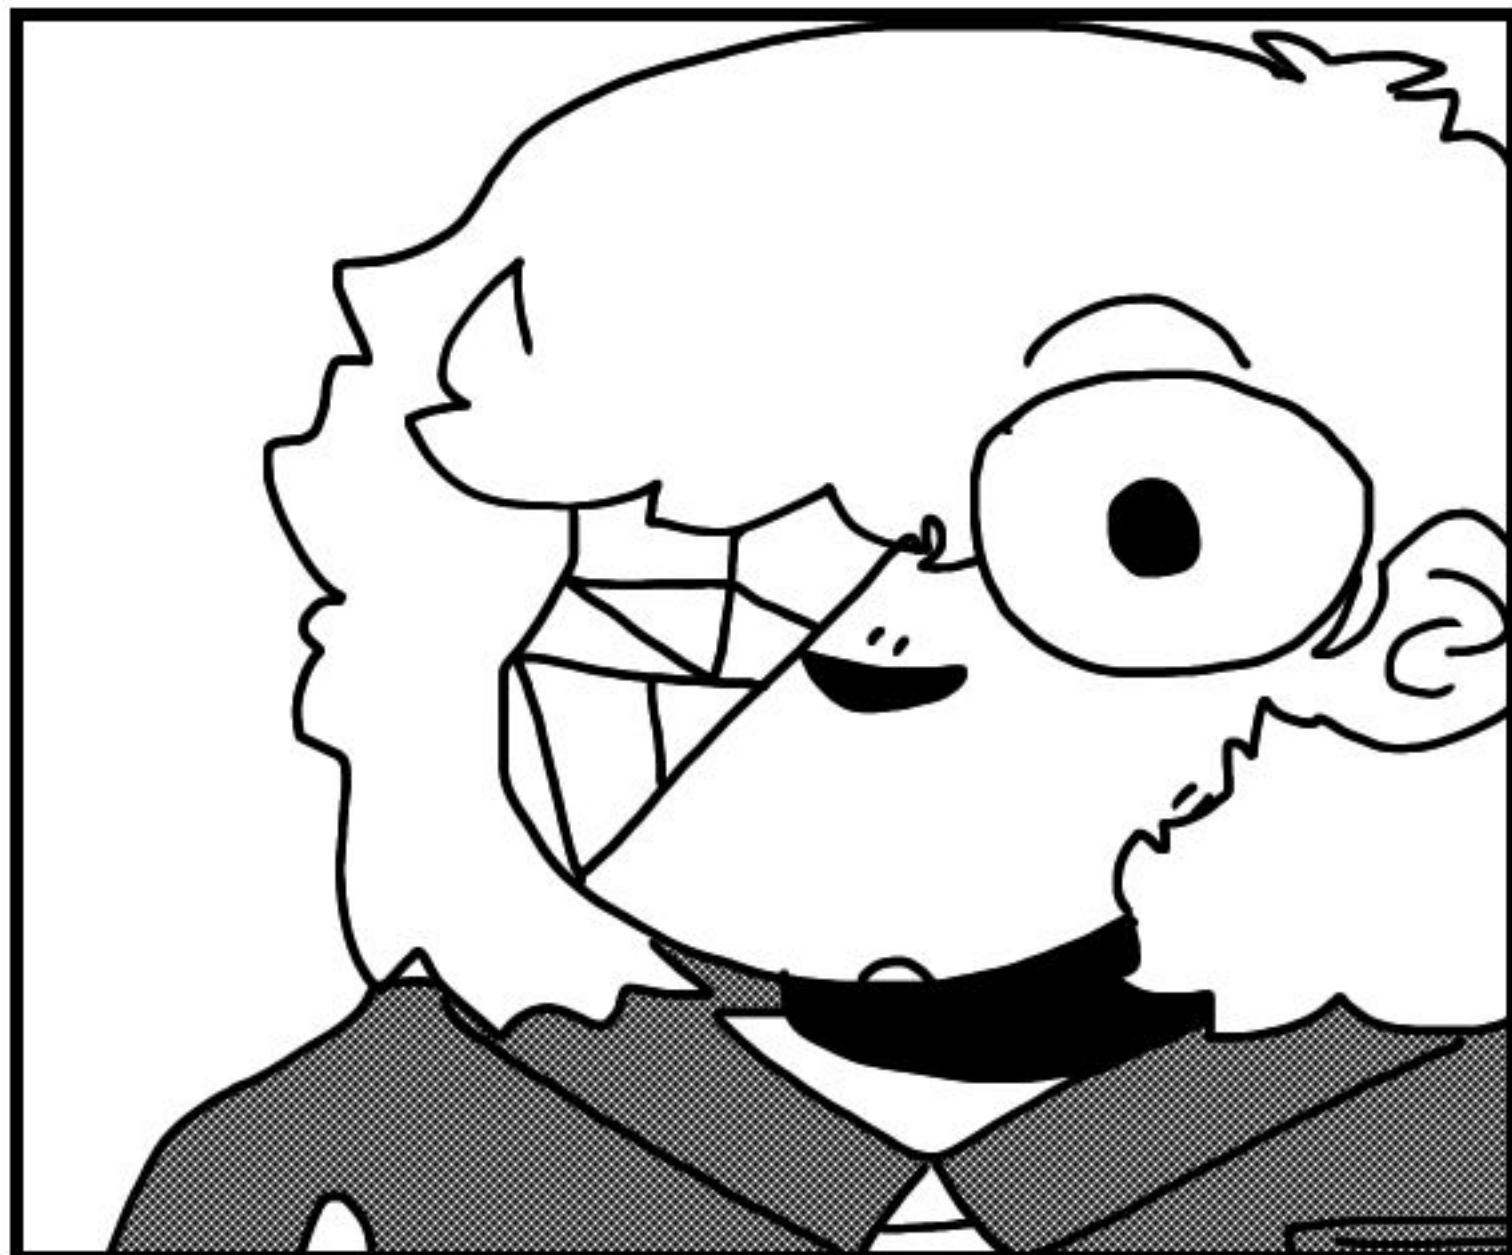

Oh, neat!

I'll go get him!

Evan - 39

Here he is! Evan, the main character of hue! I made him originally as just a random oc, but I eventually realized that I wanted to make something with him.

He originally was going to be an aviator who did research on the monsters, but as i expanded on the lore and made new characters, I realized I didn't like the idea.

Evan was the first character made for hue!

bi-annual summer dance!"

"the dance will take place

"thank you for reading.

Sweet!

Alright...I'm gonna
watch tv 'till I go to bed

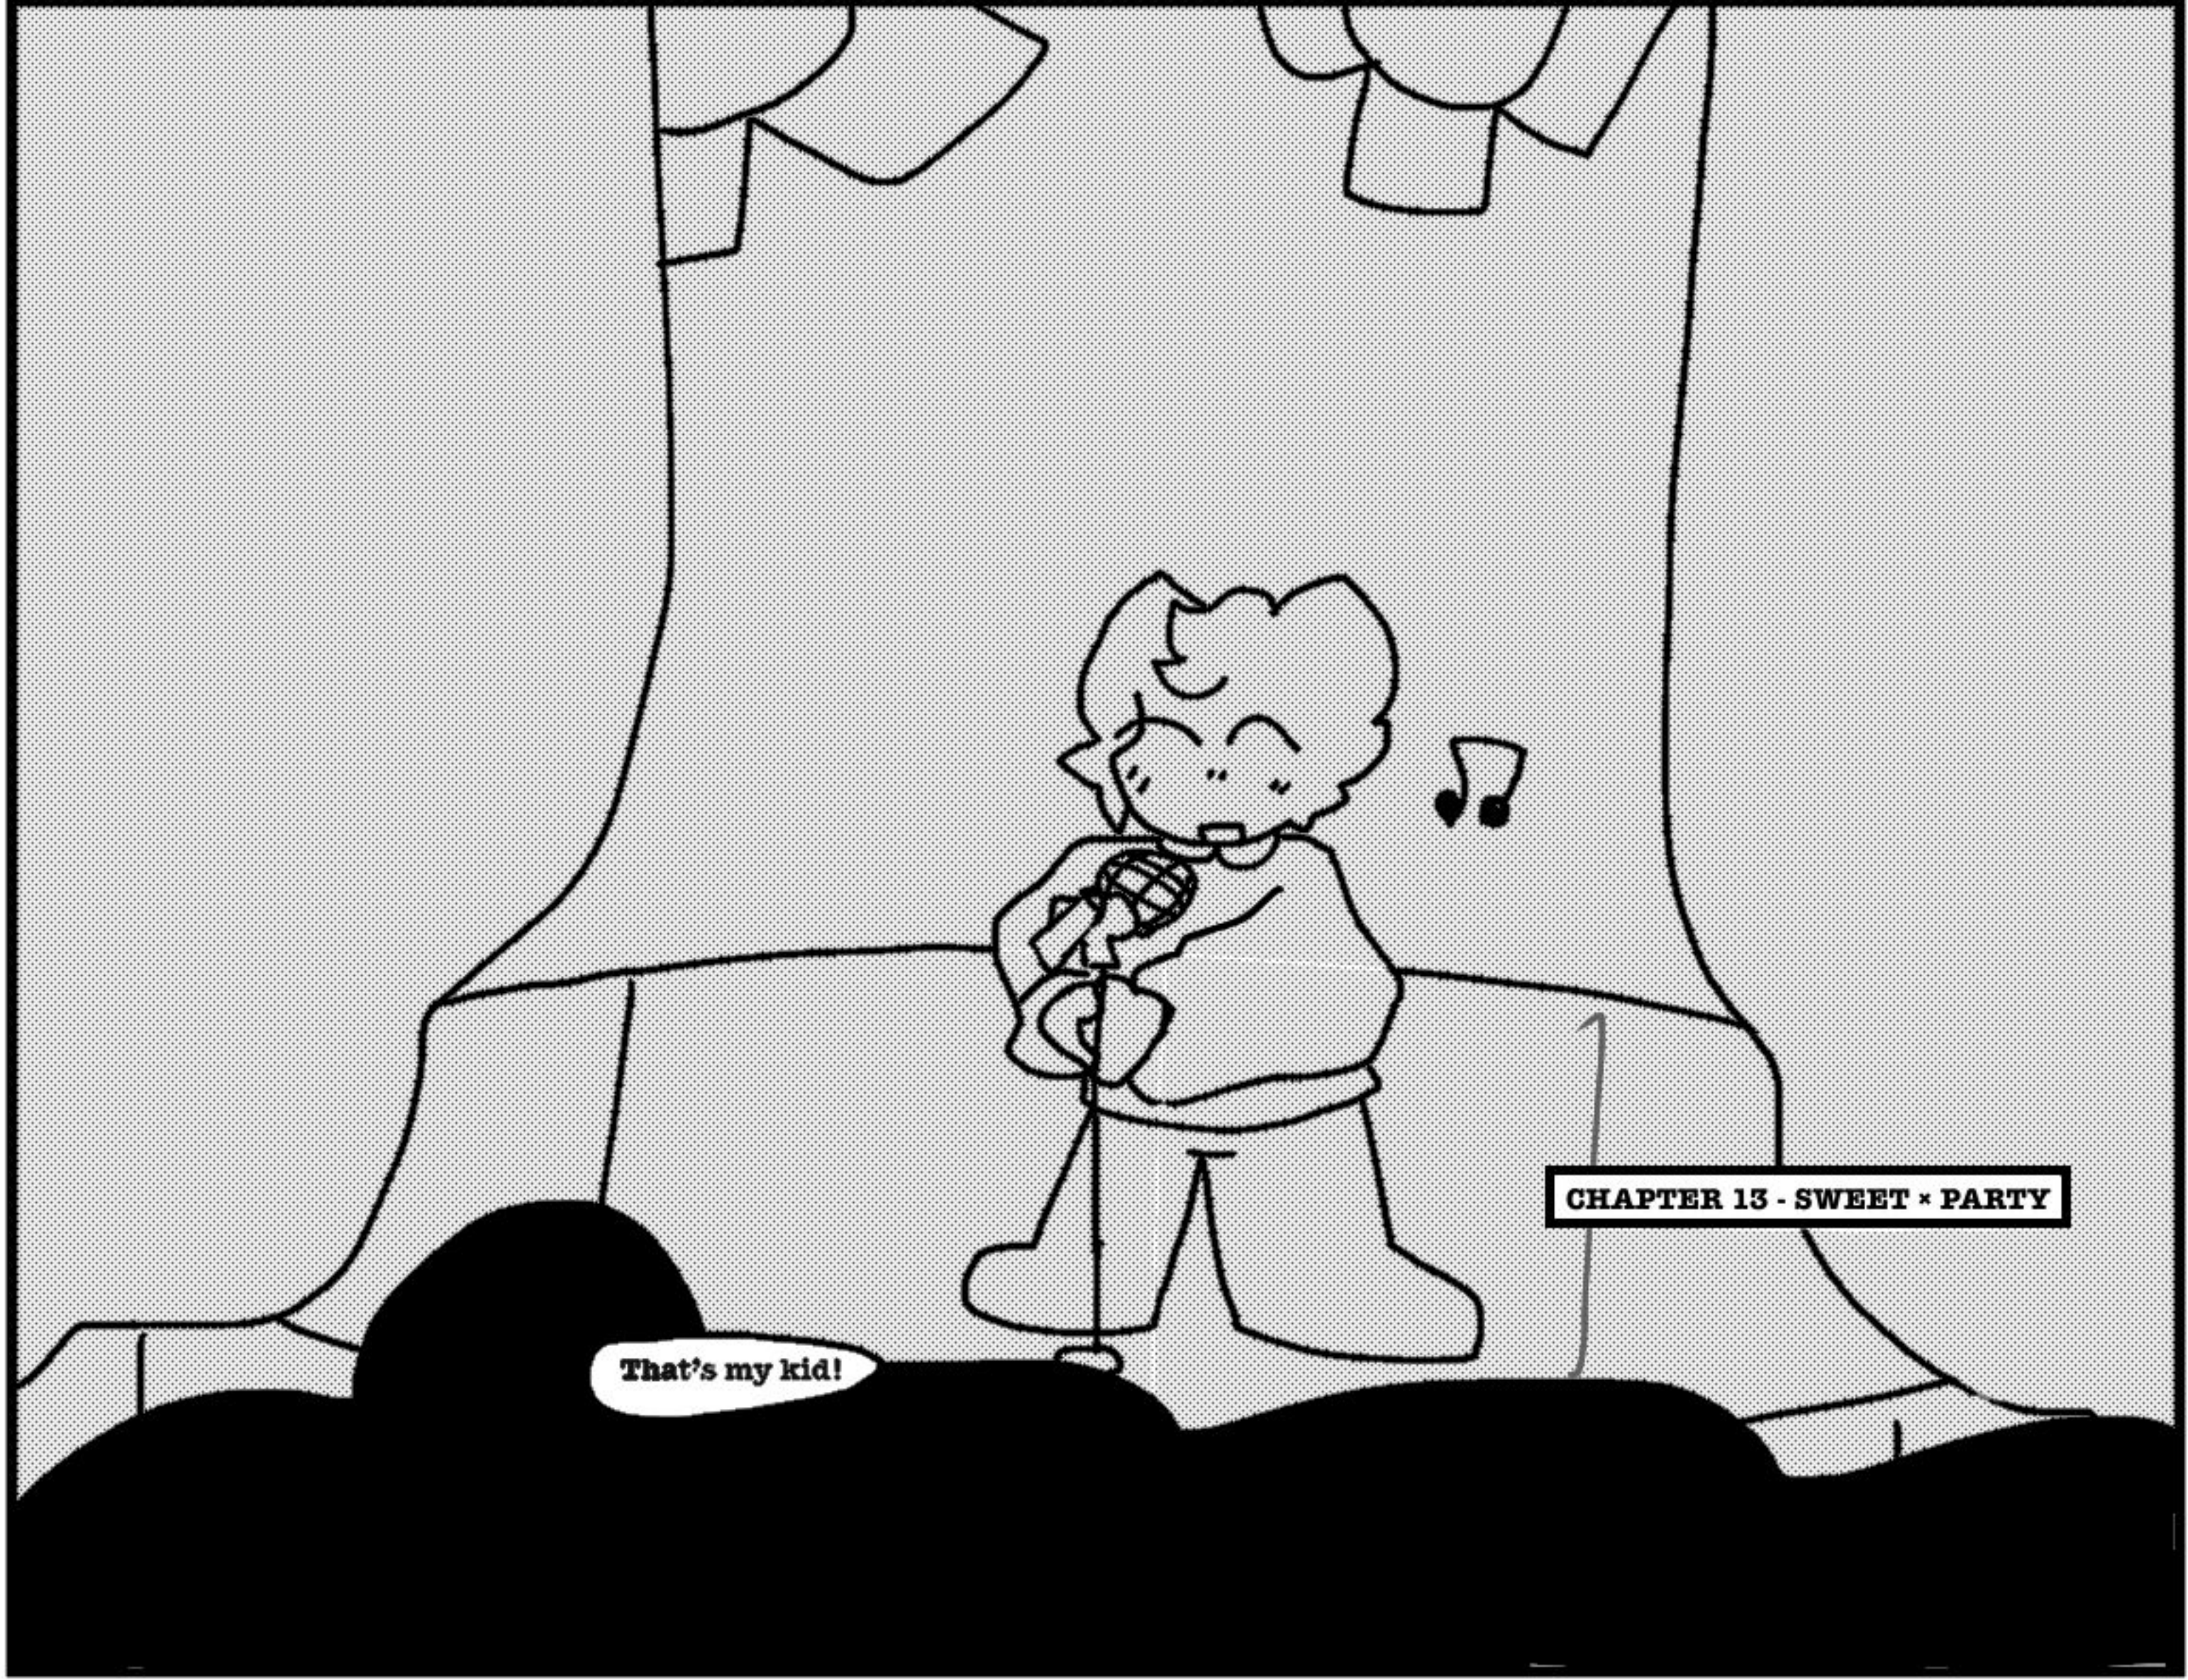

Have fun!

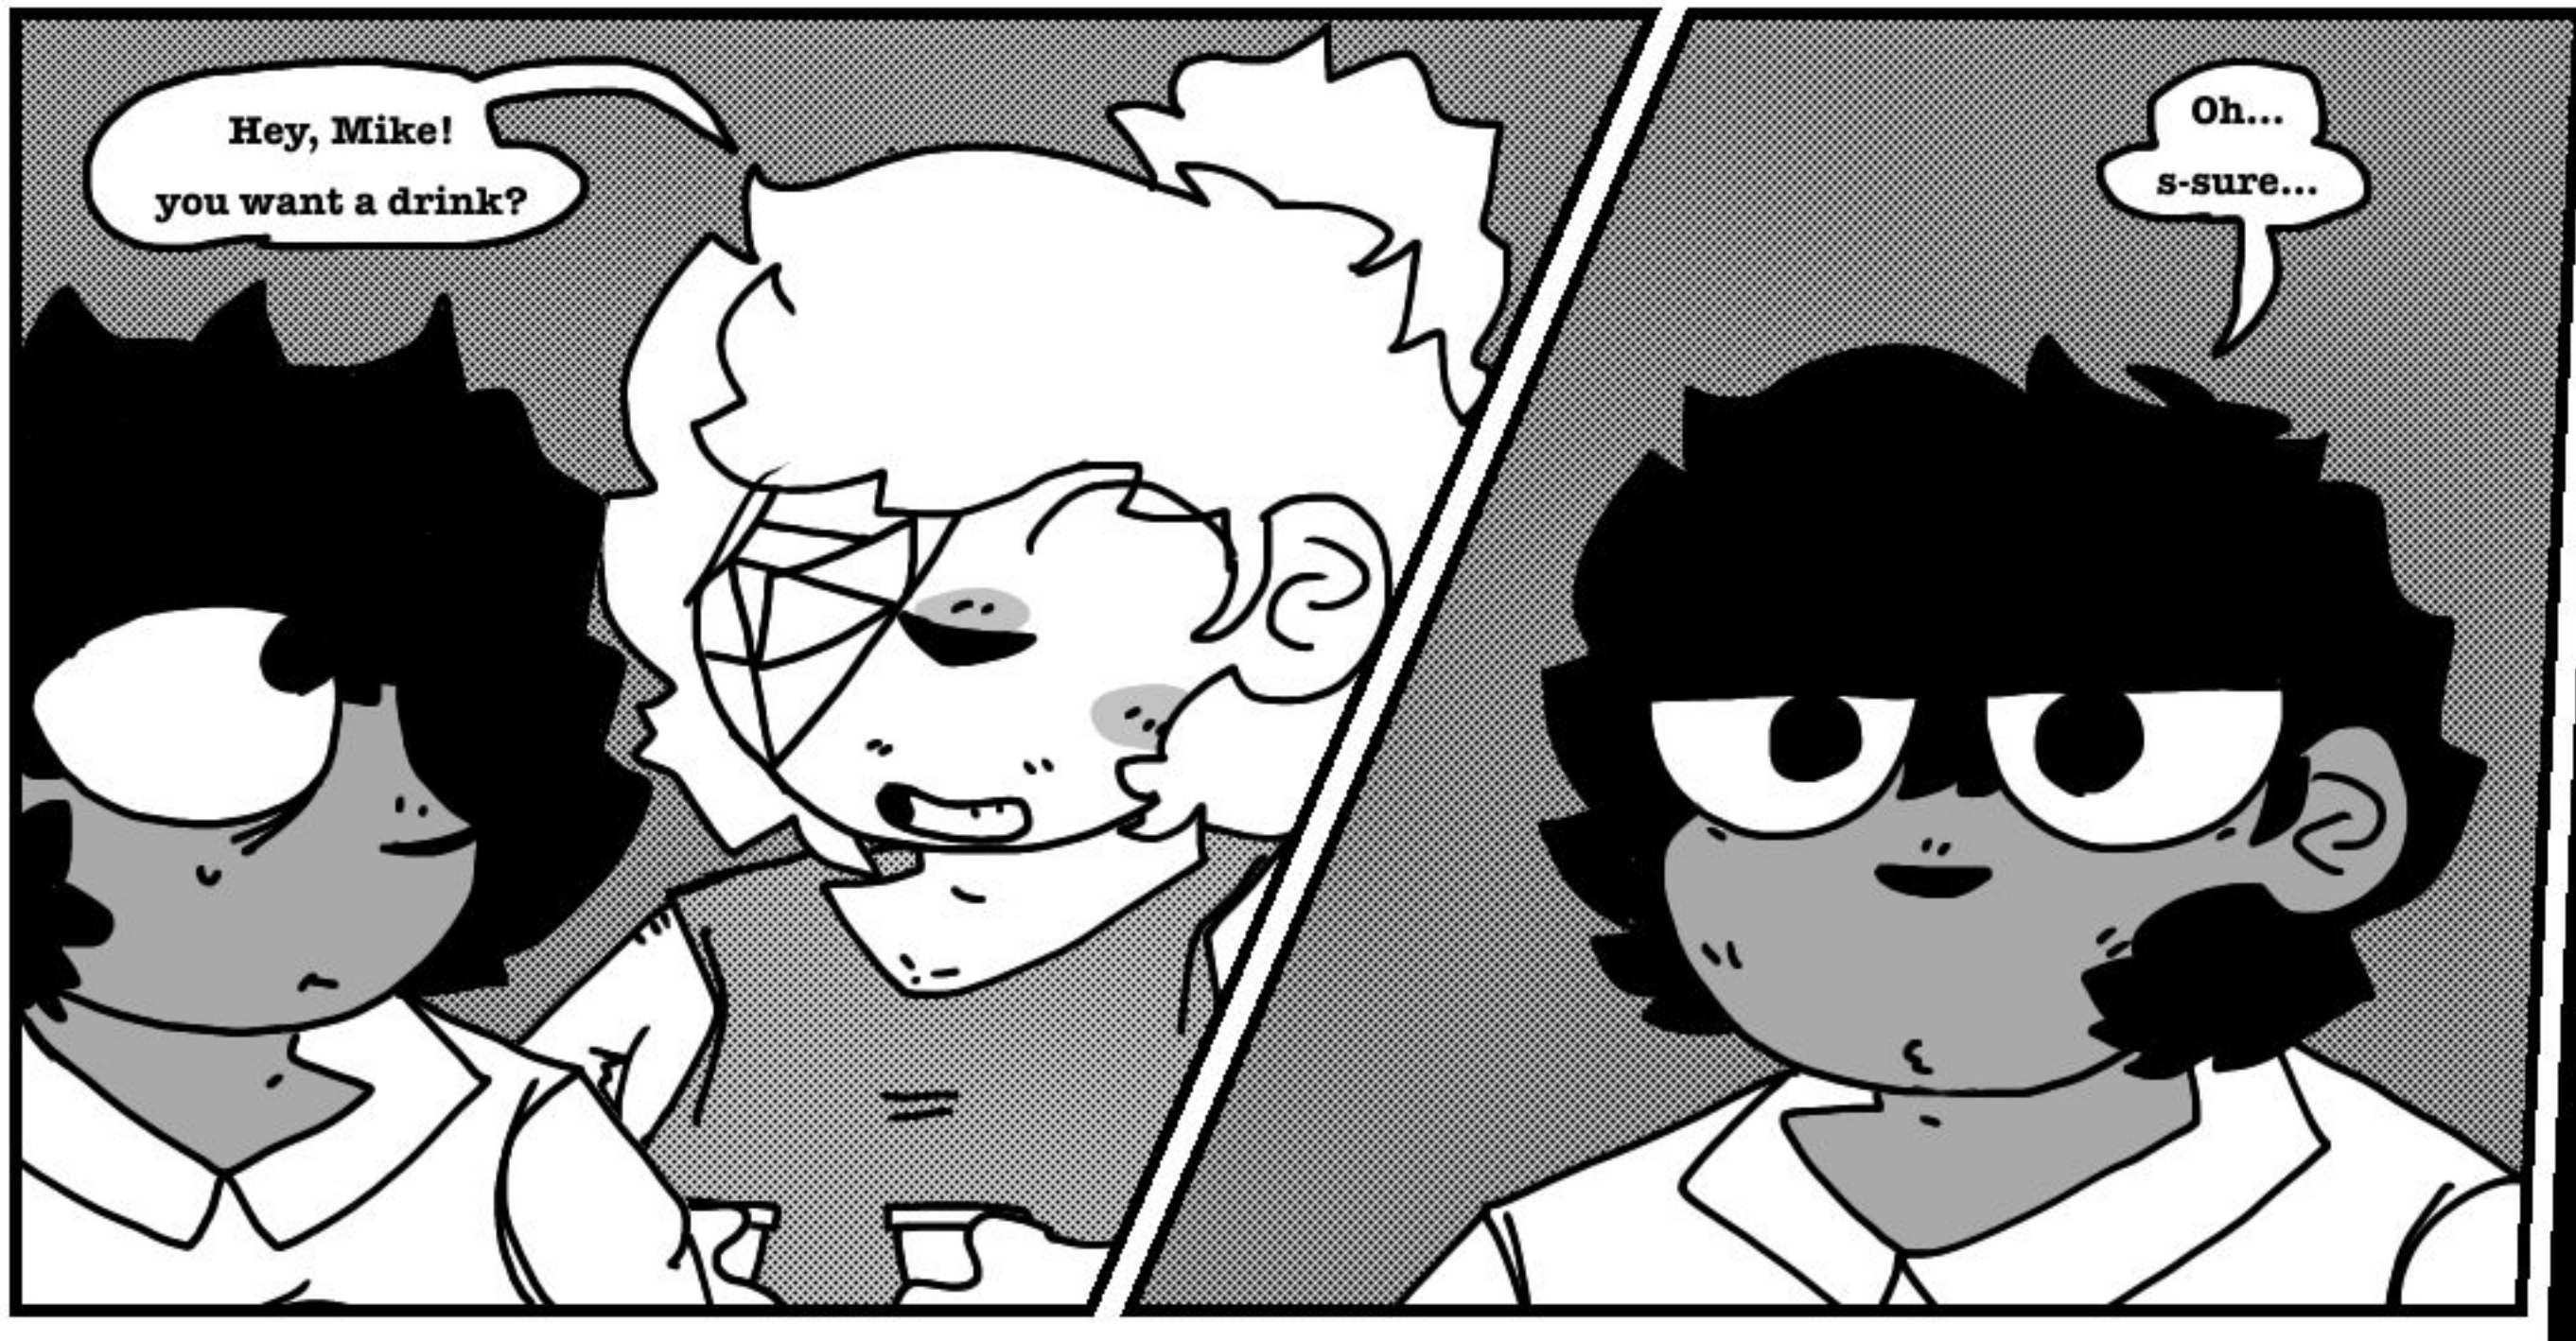

I will..

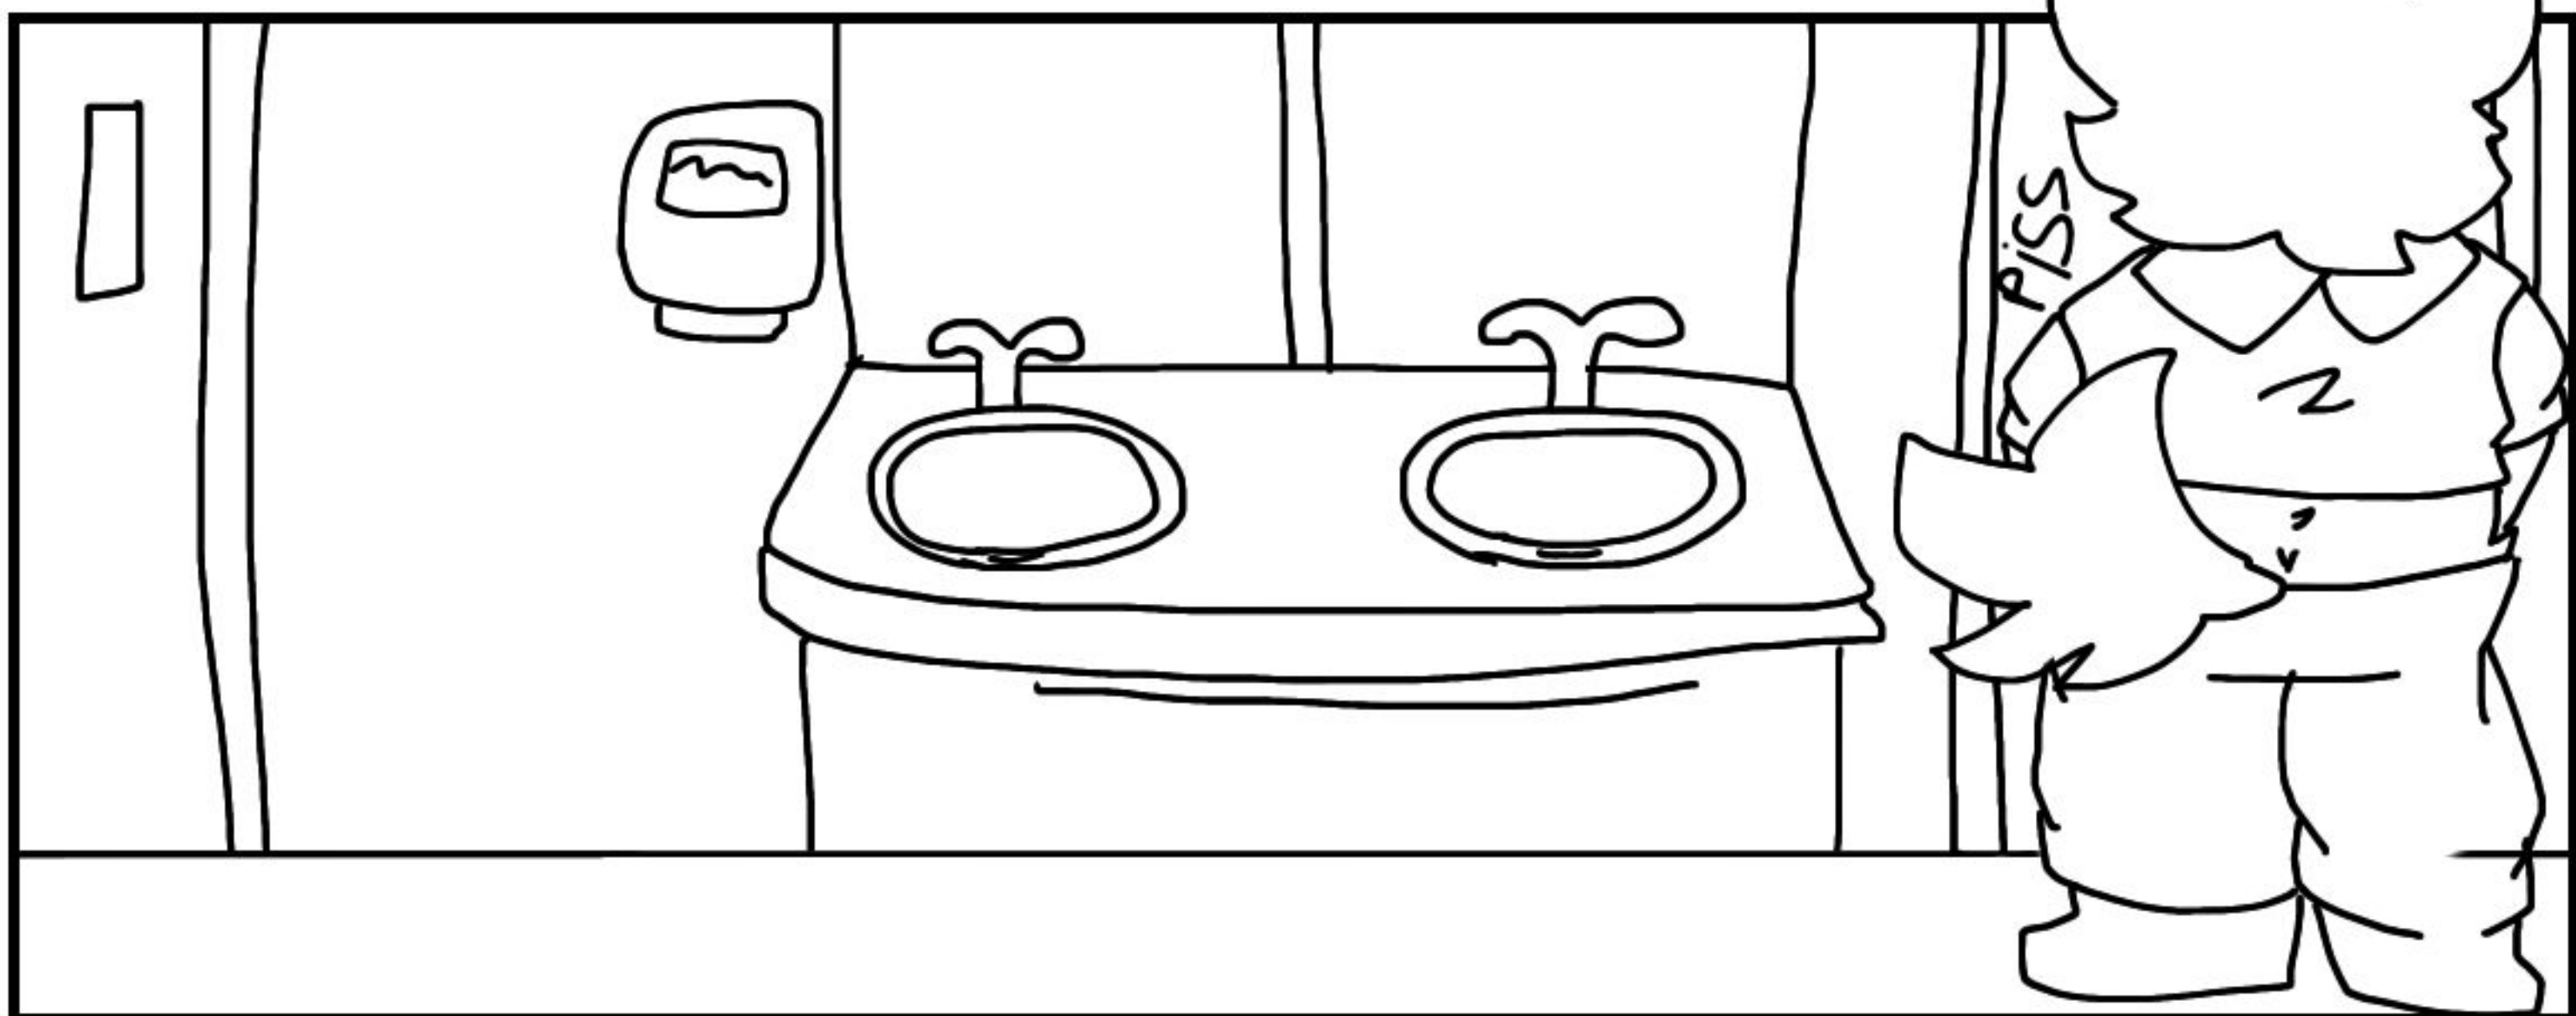

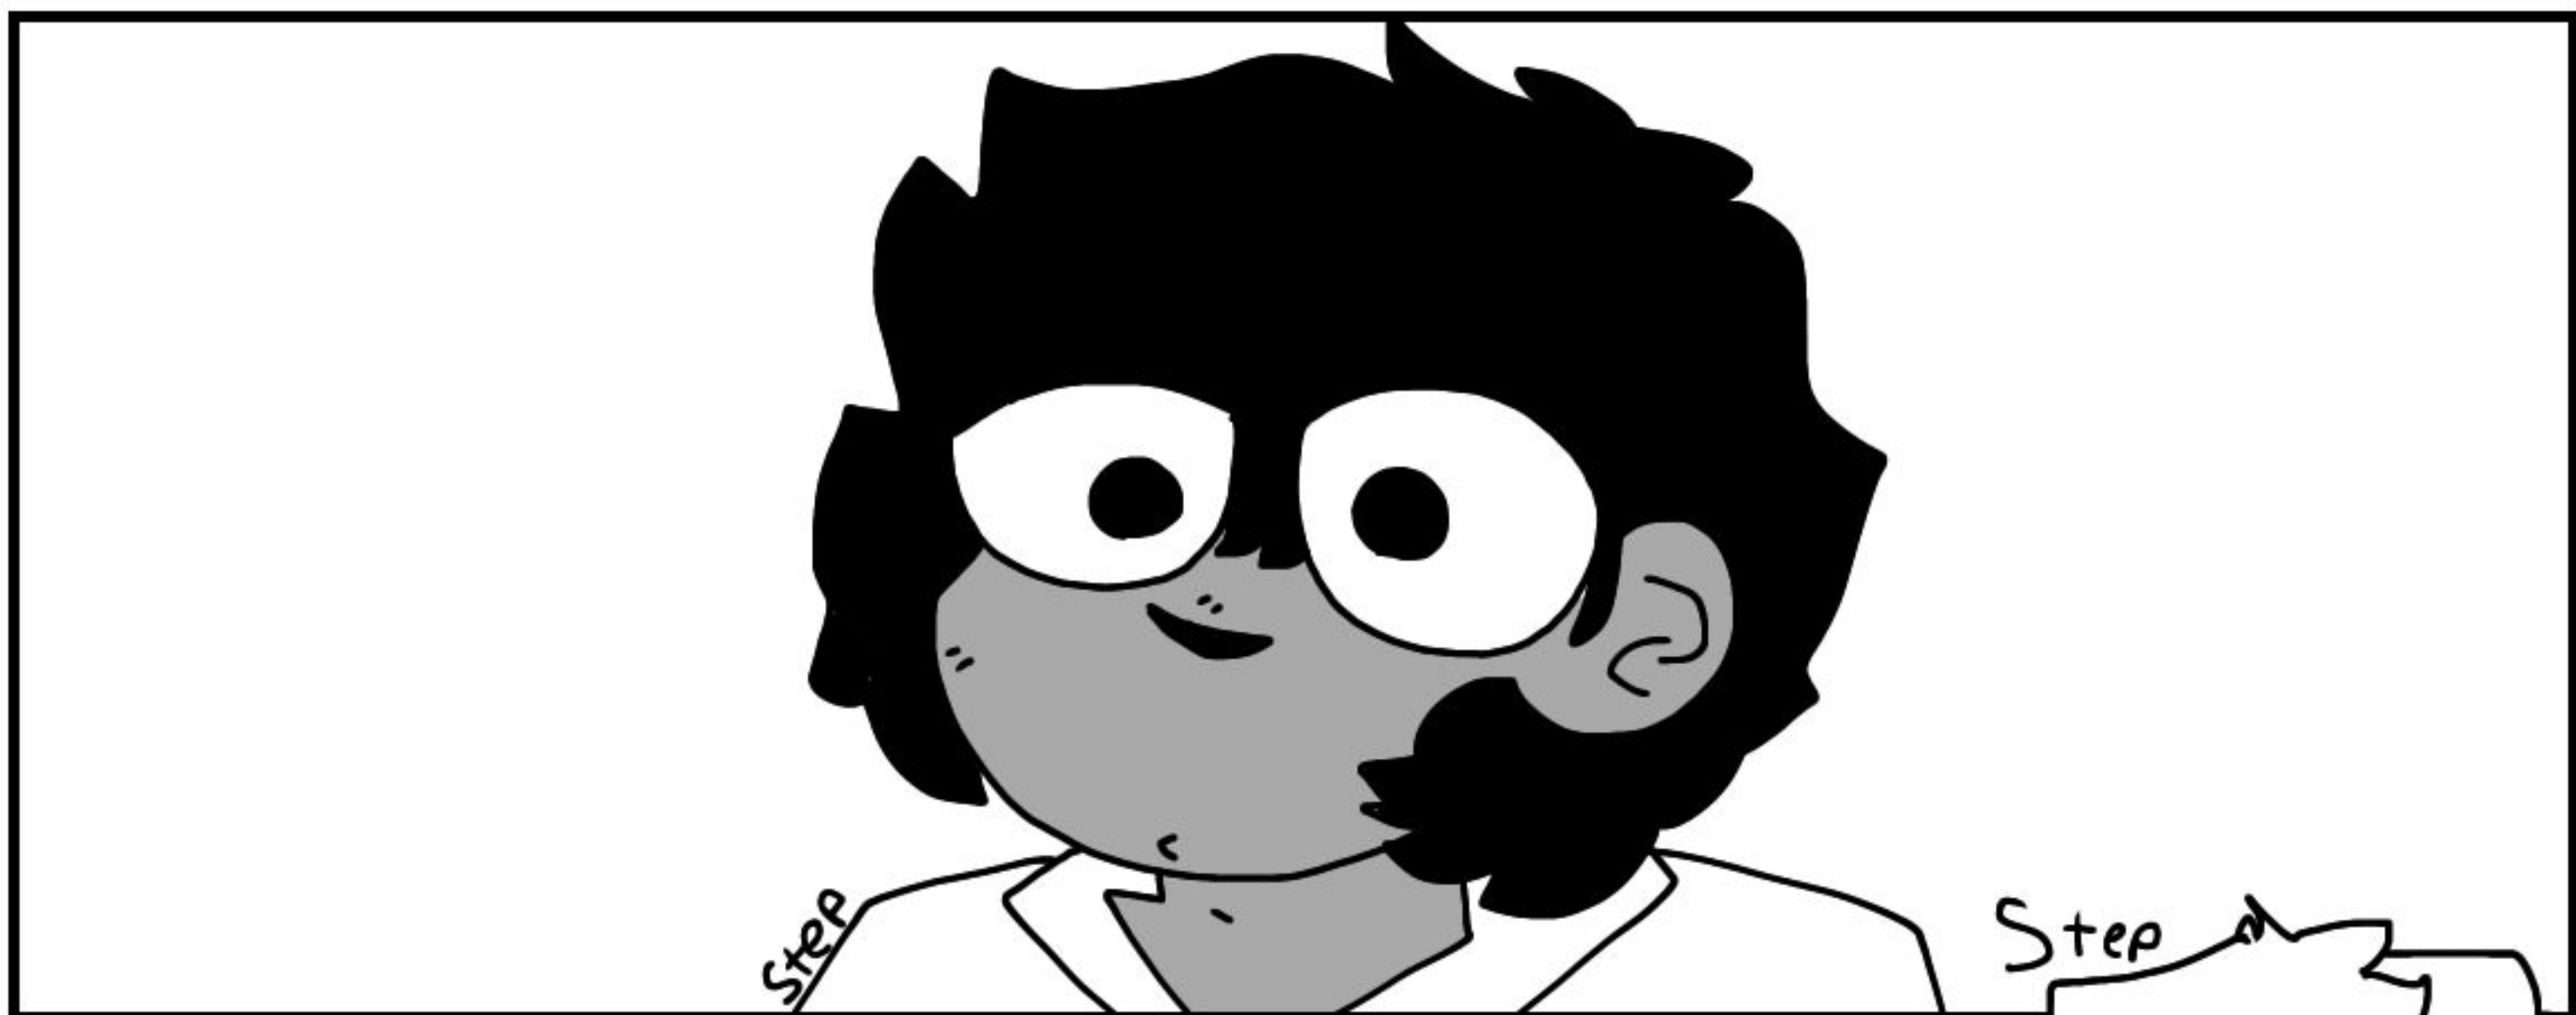

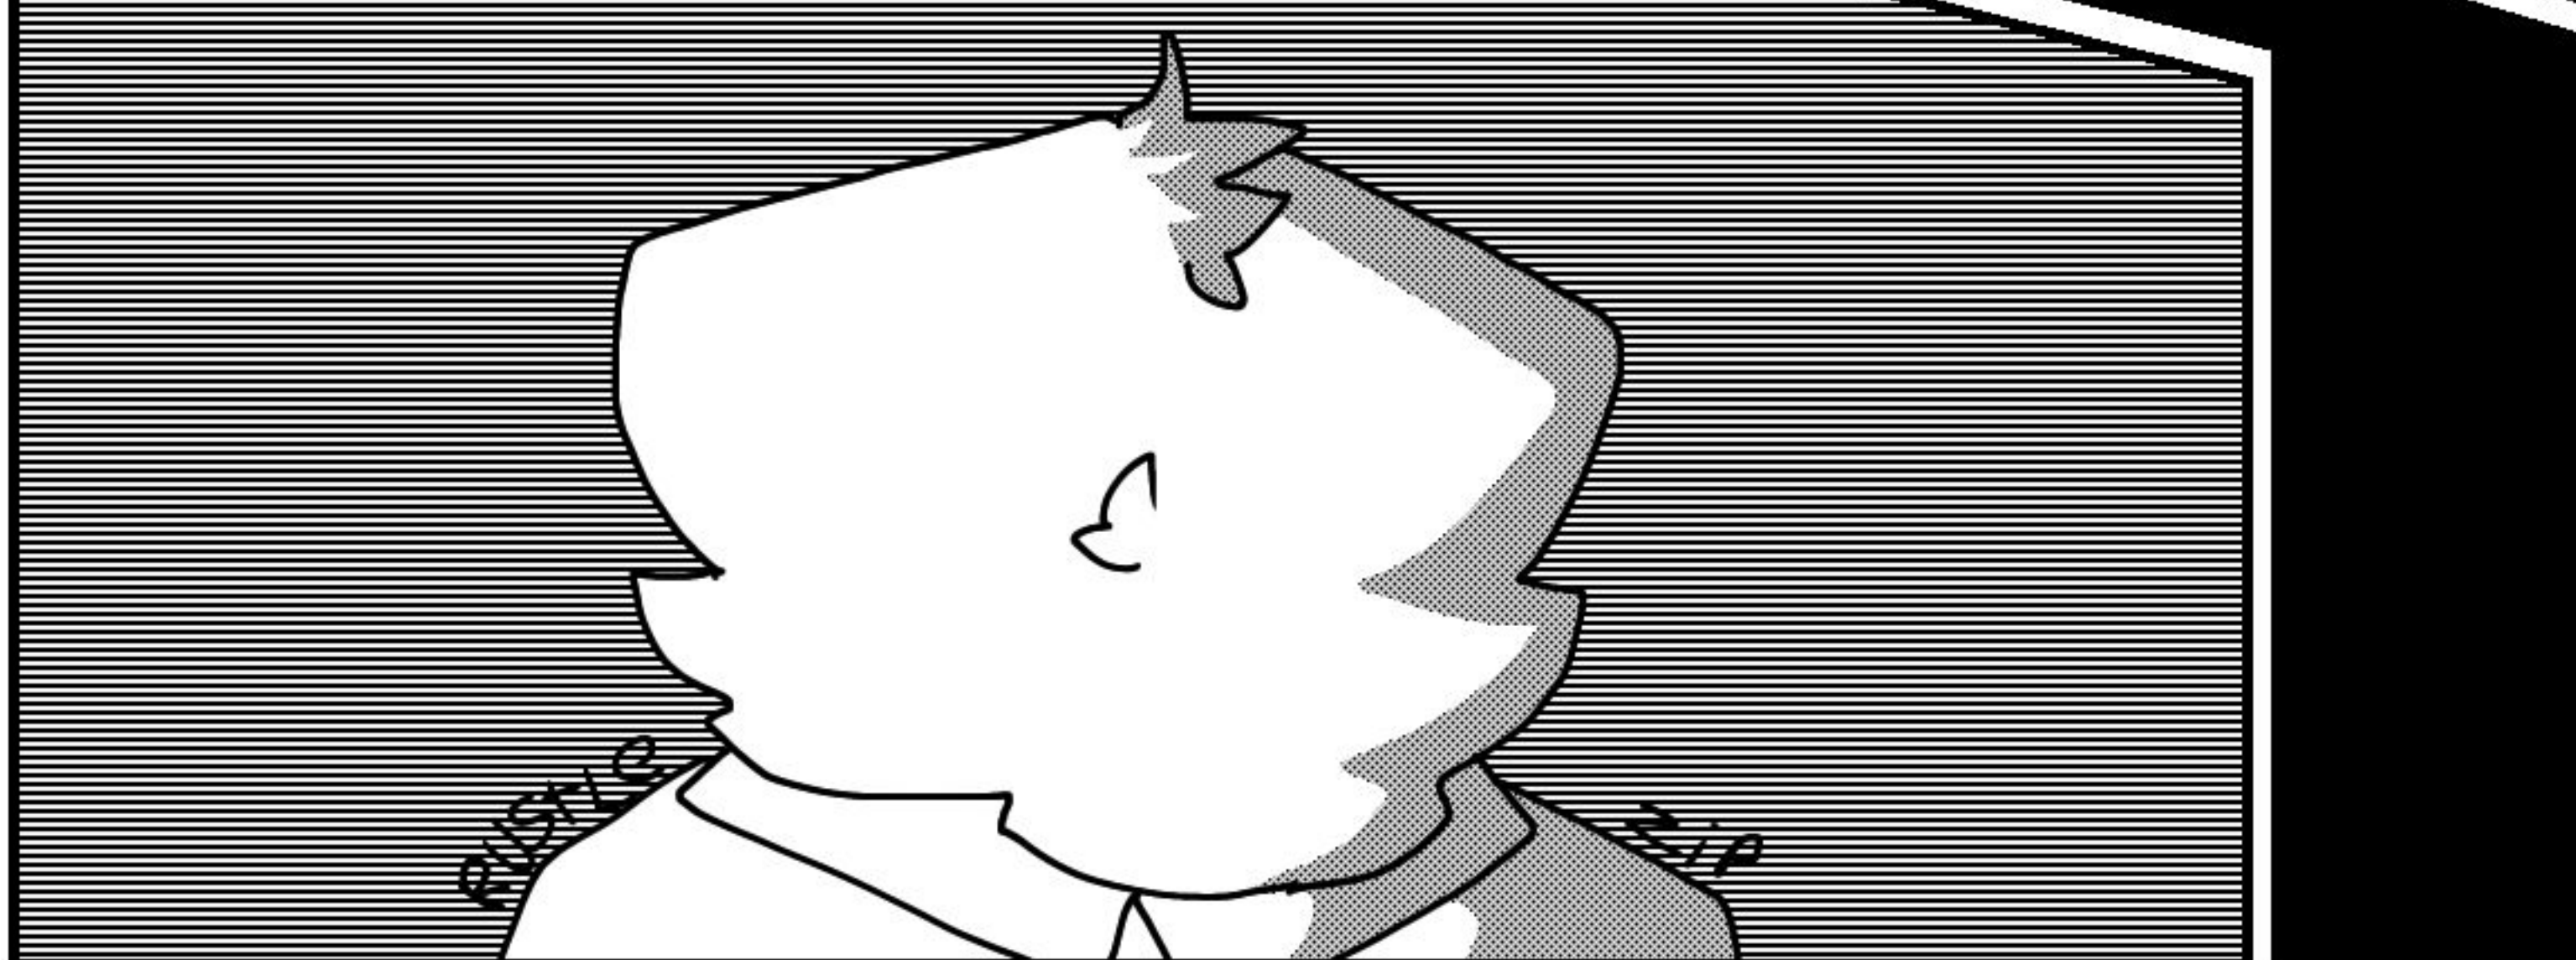

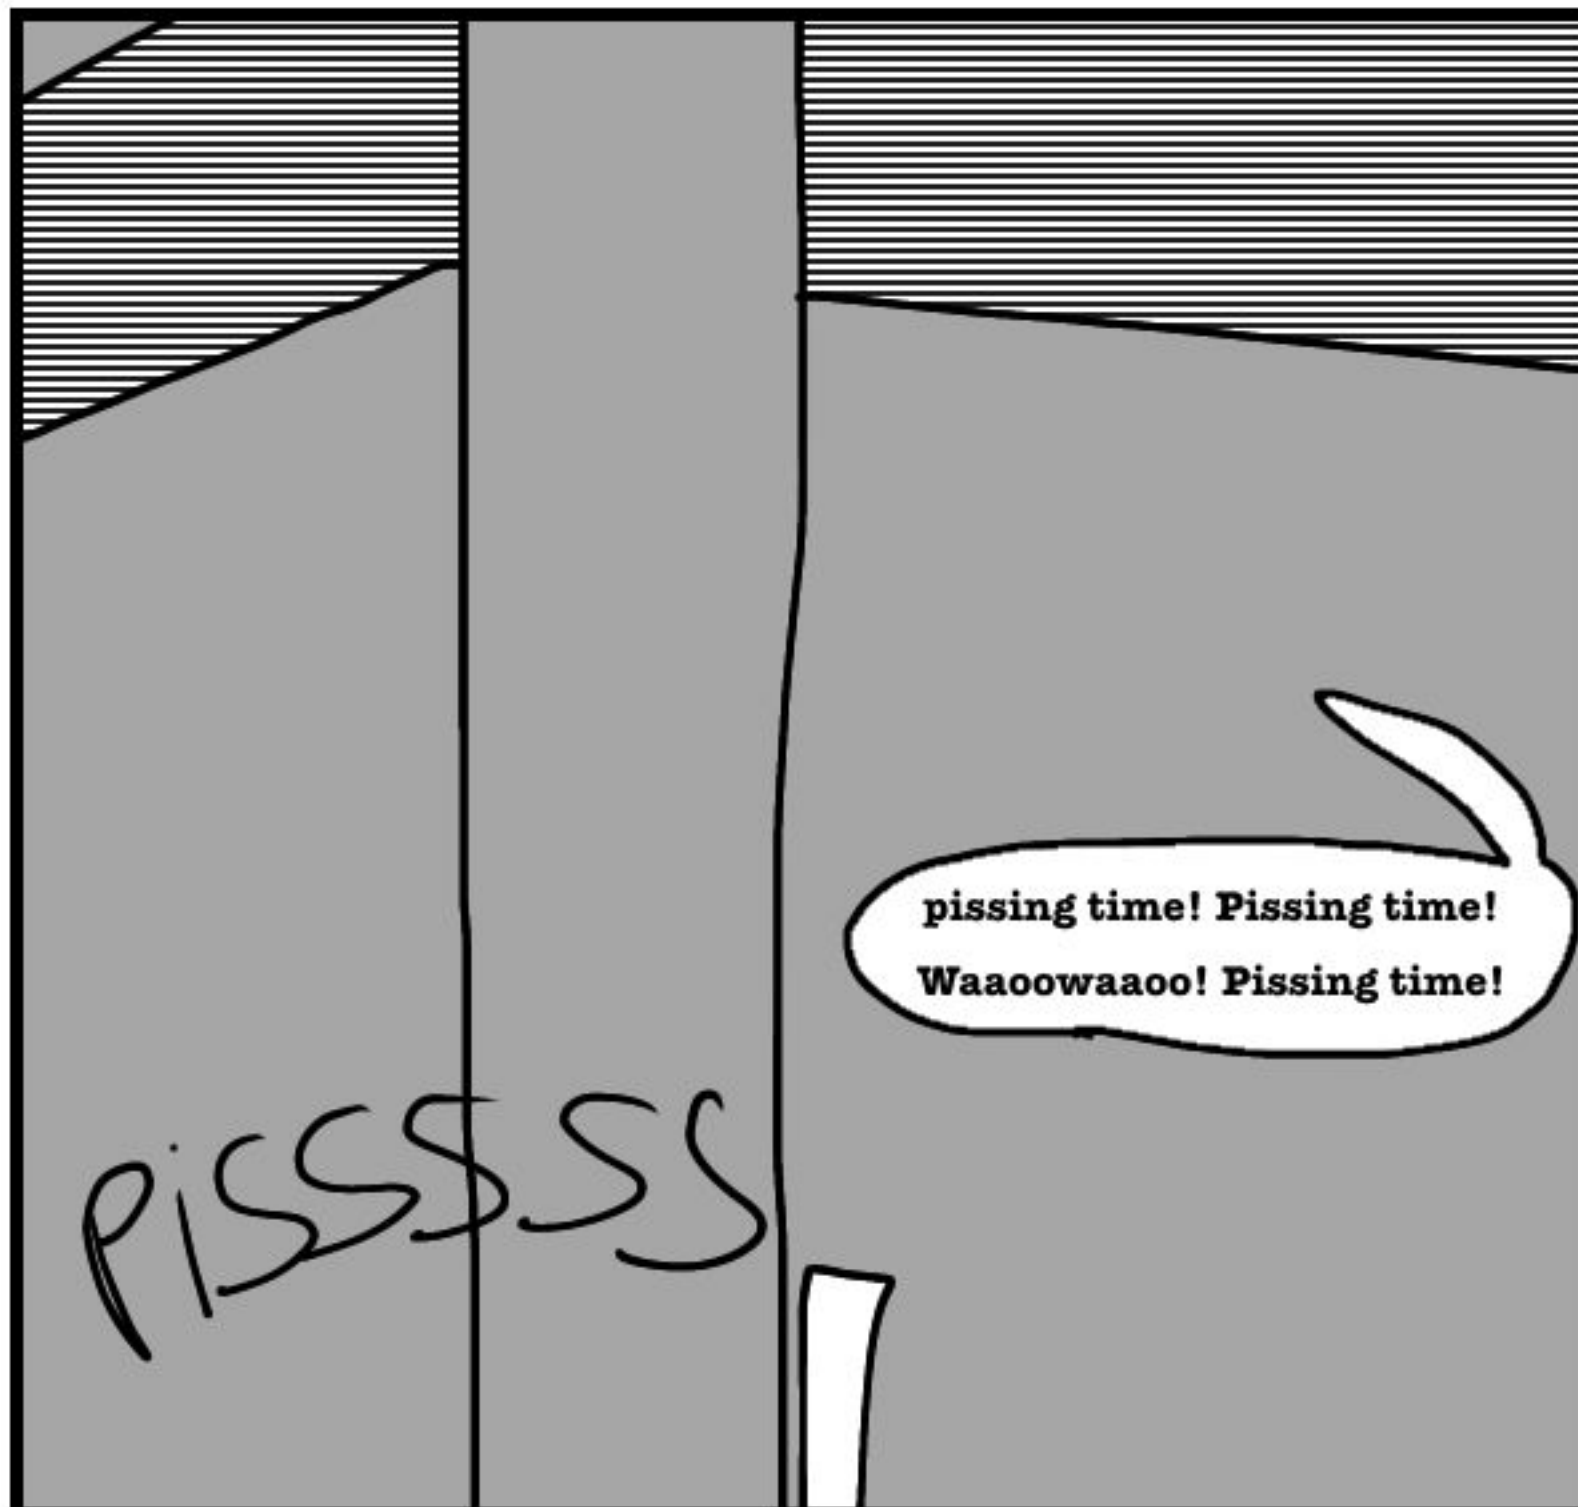

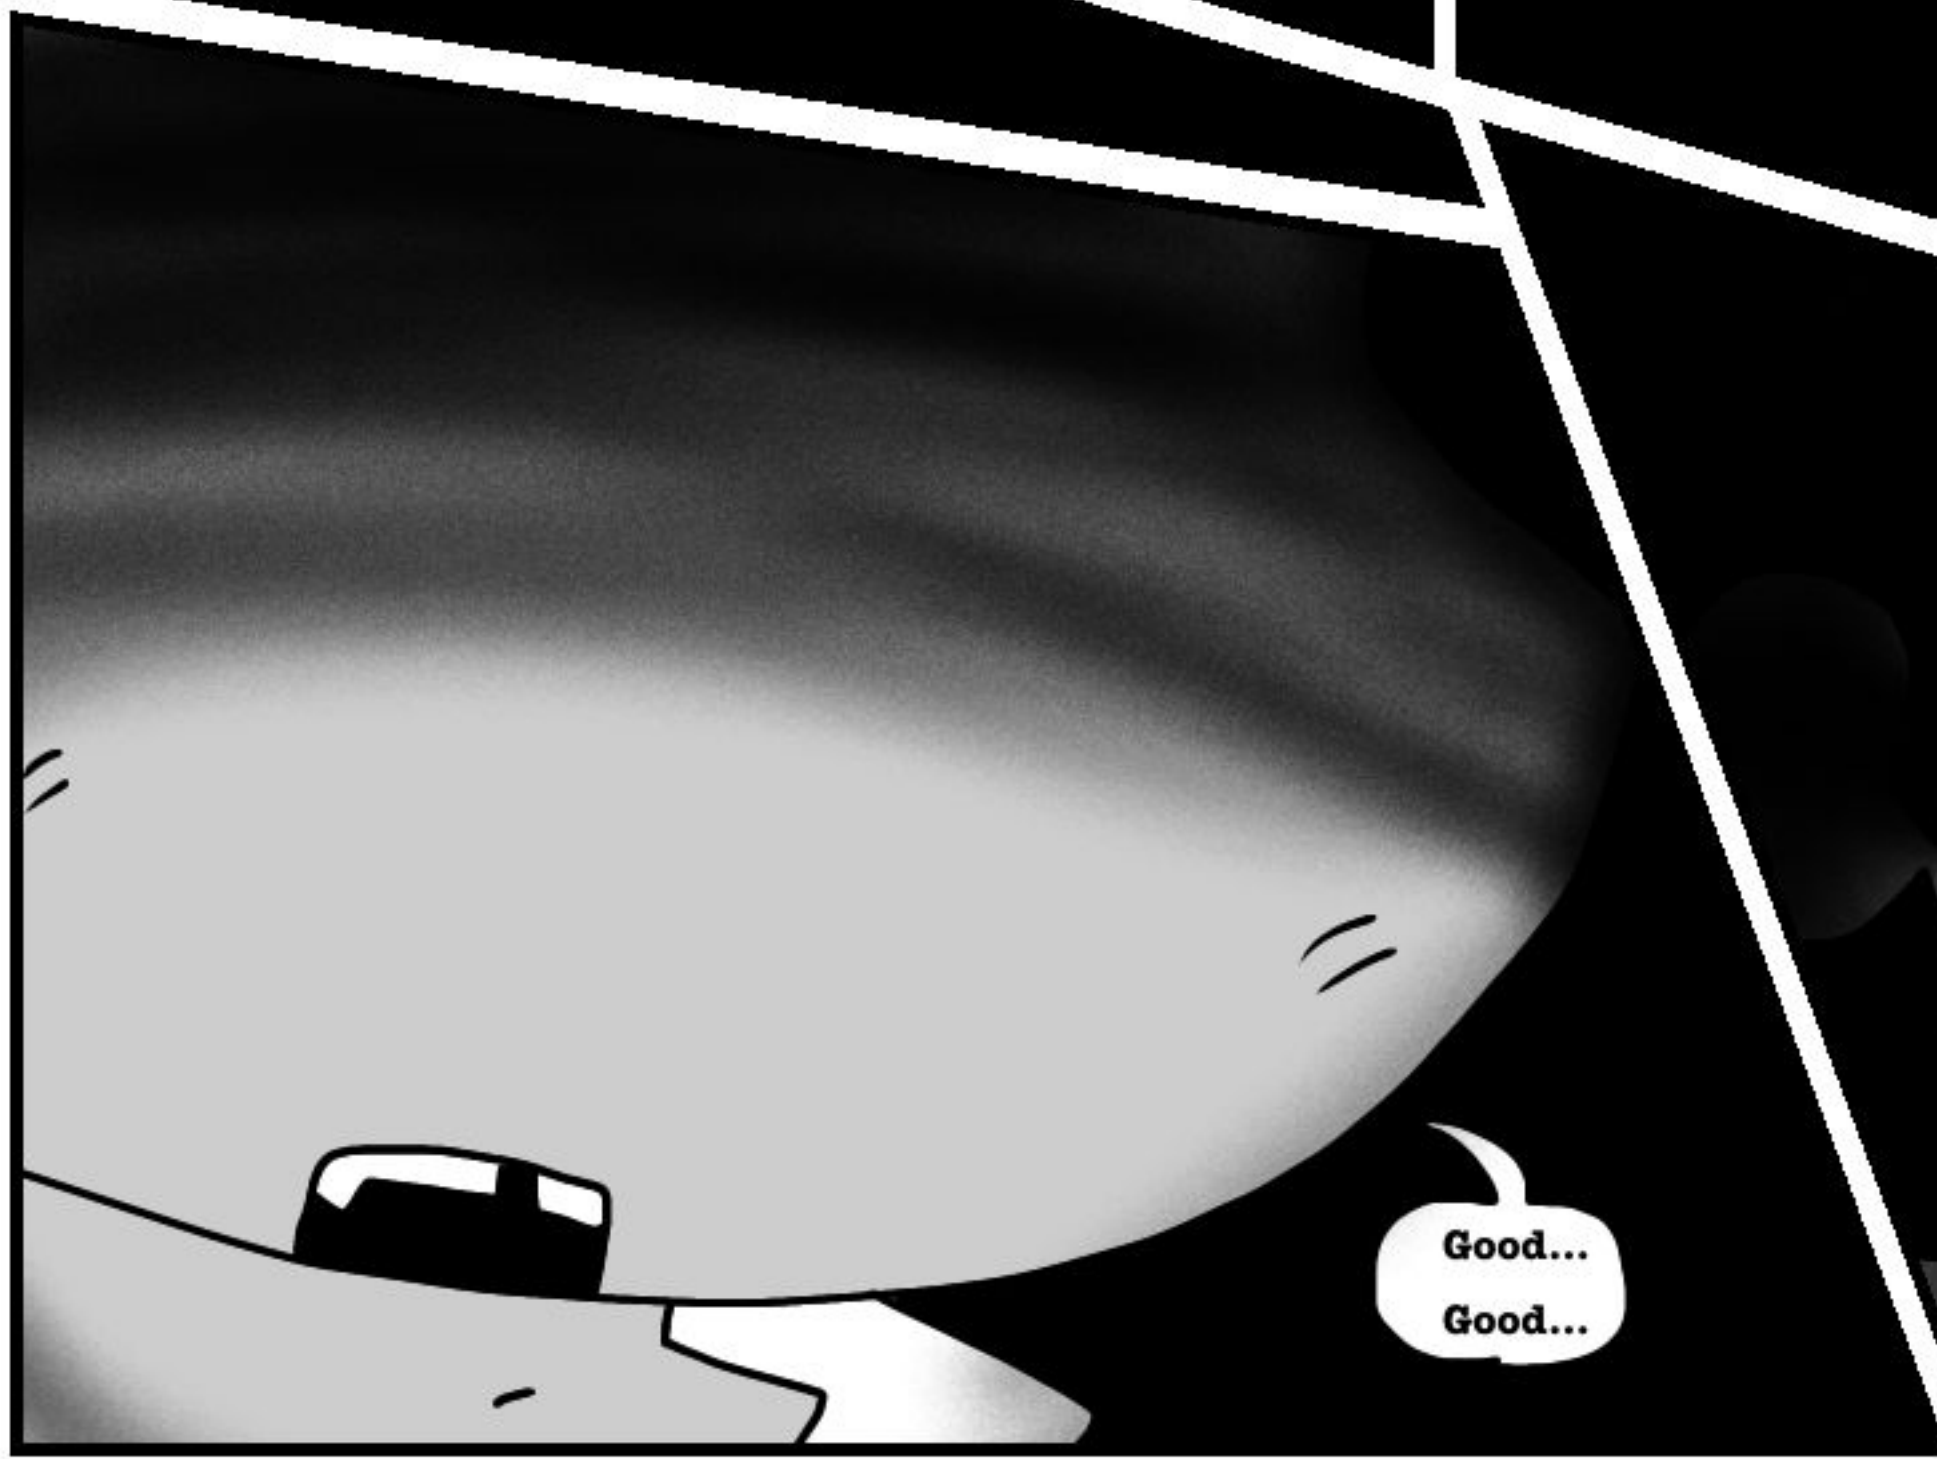

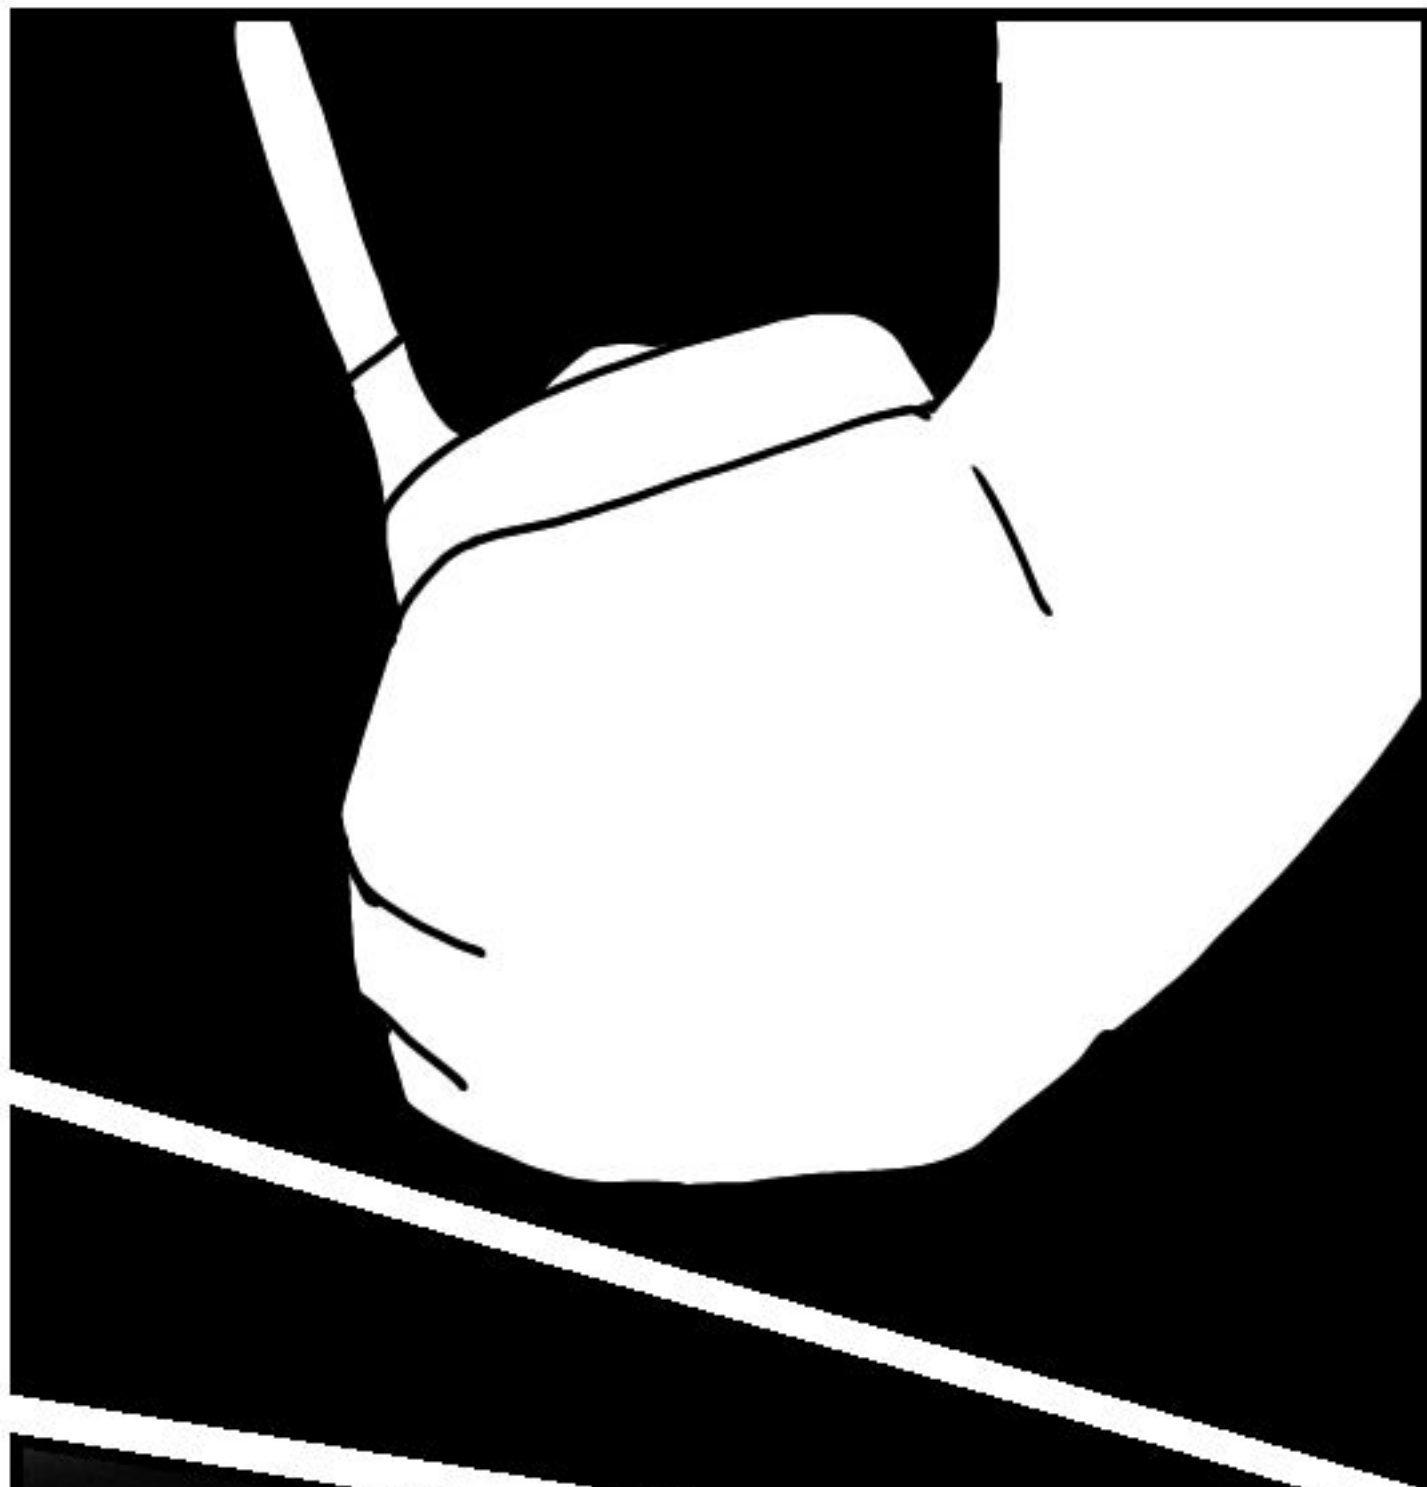

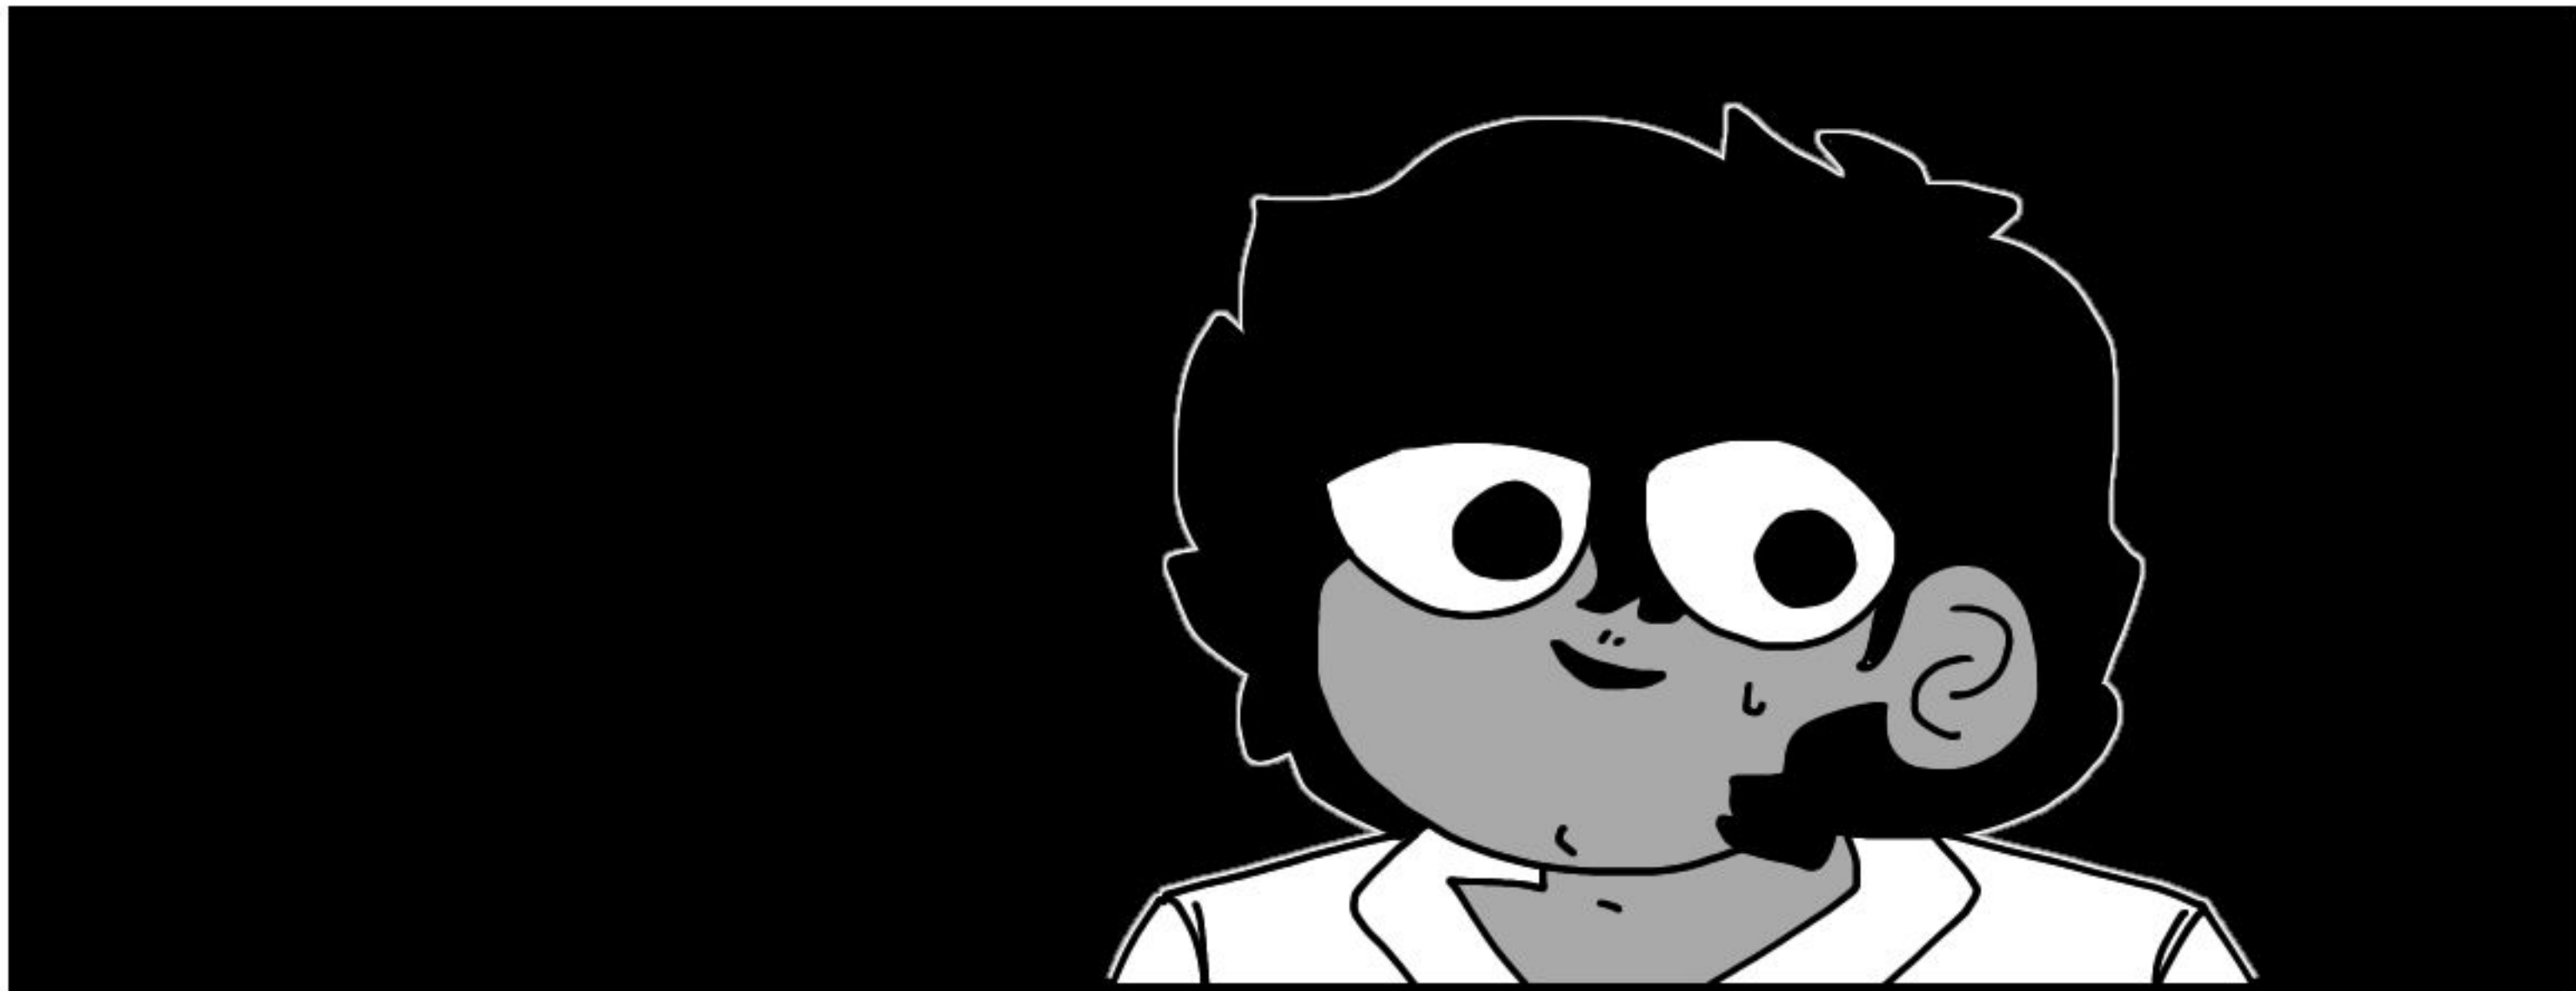

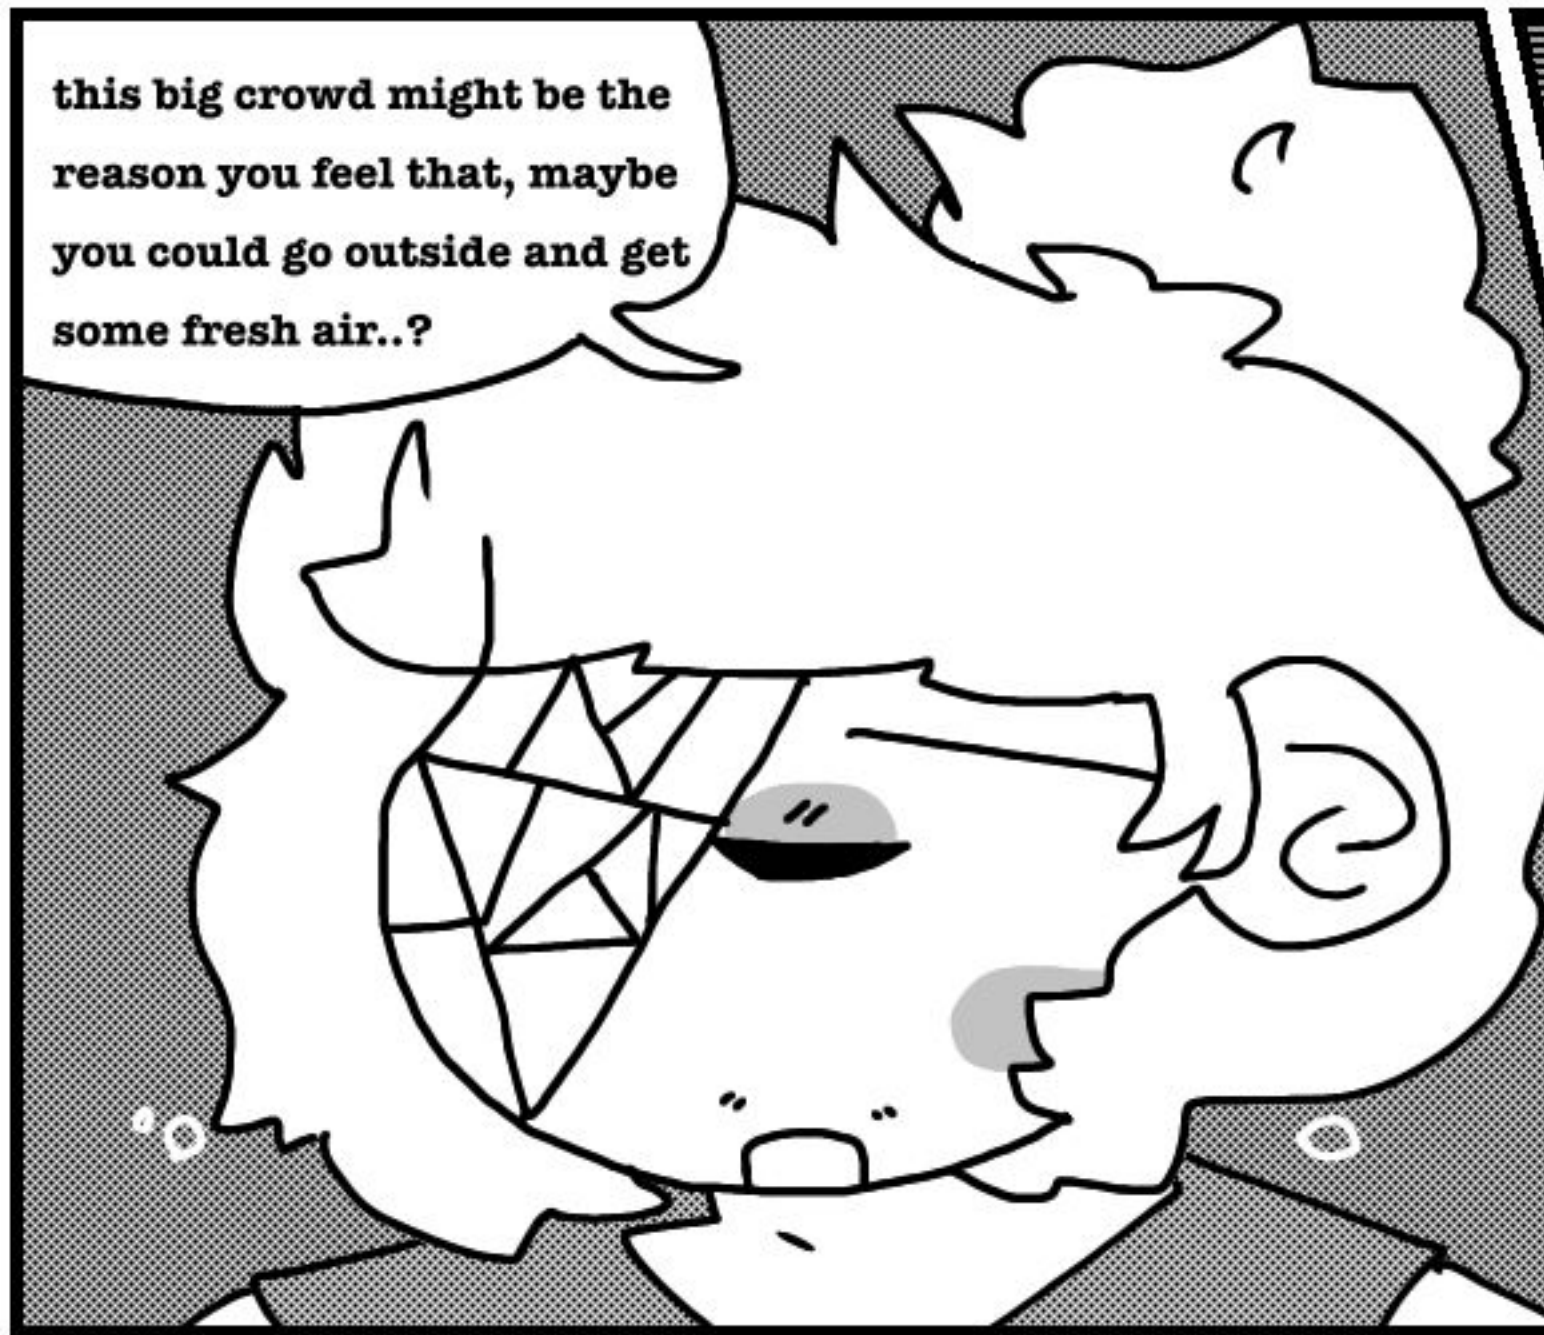

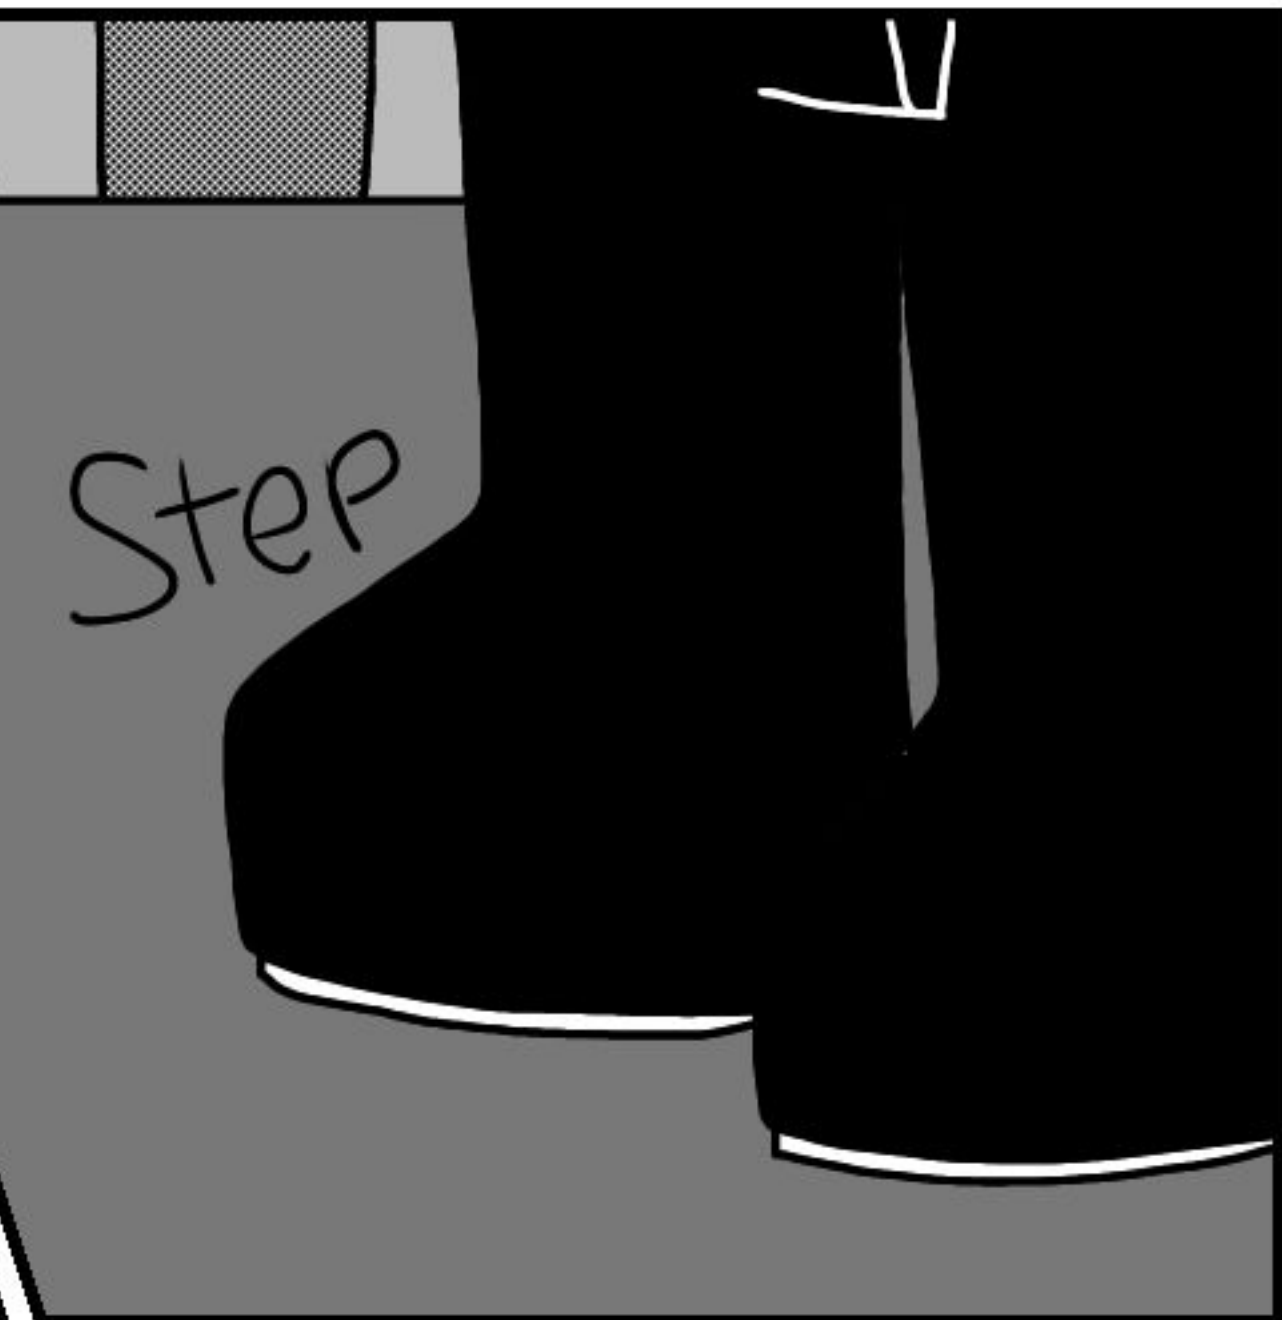

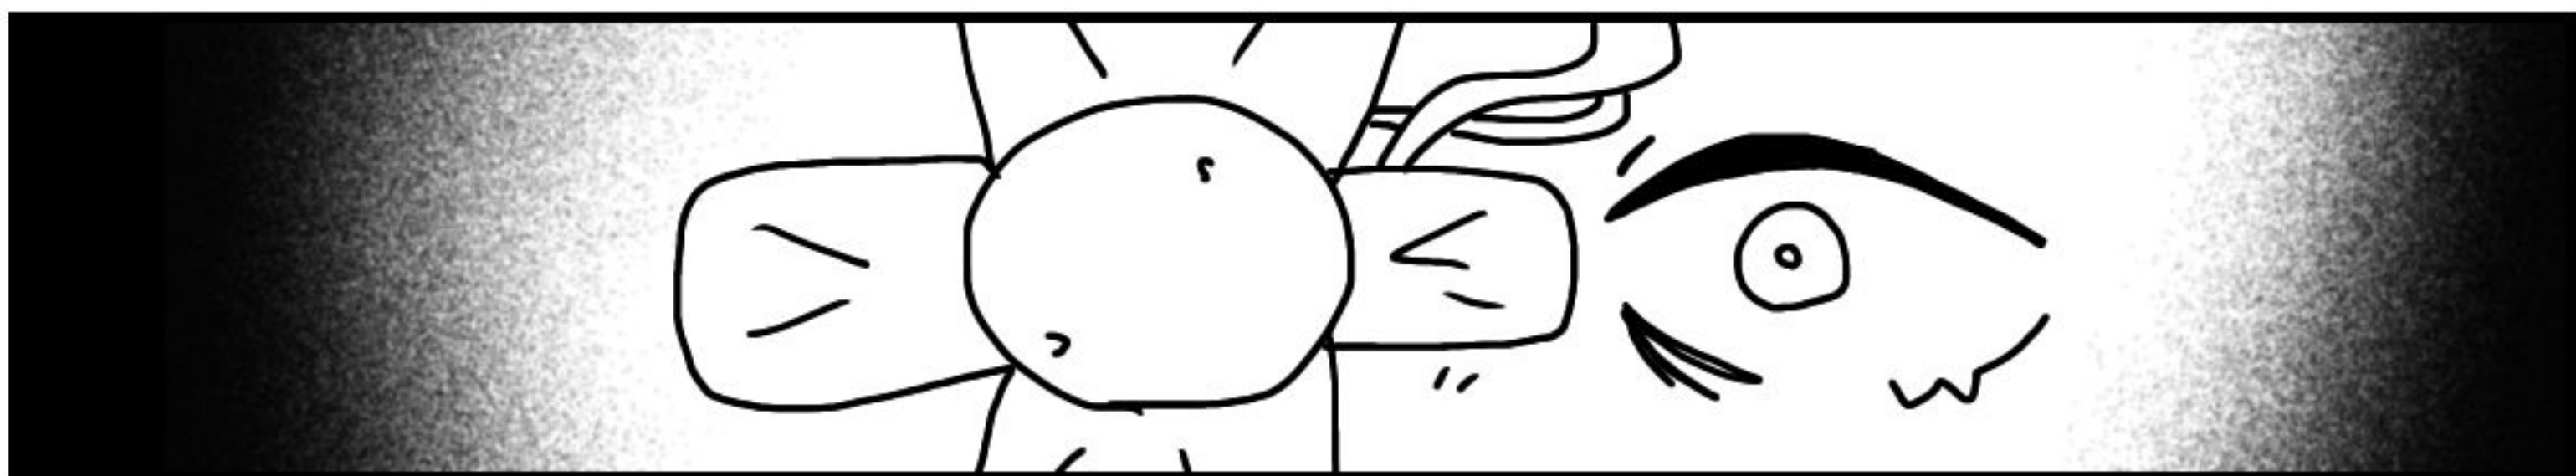

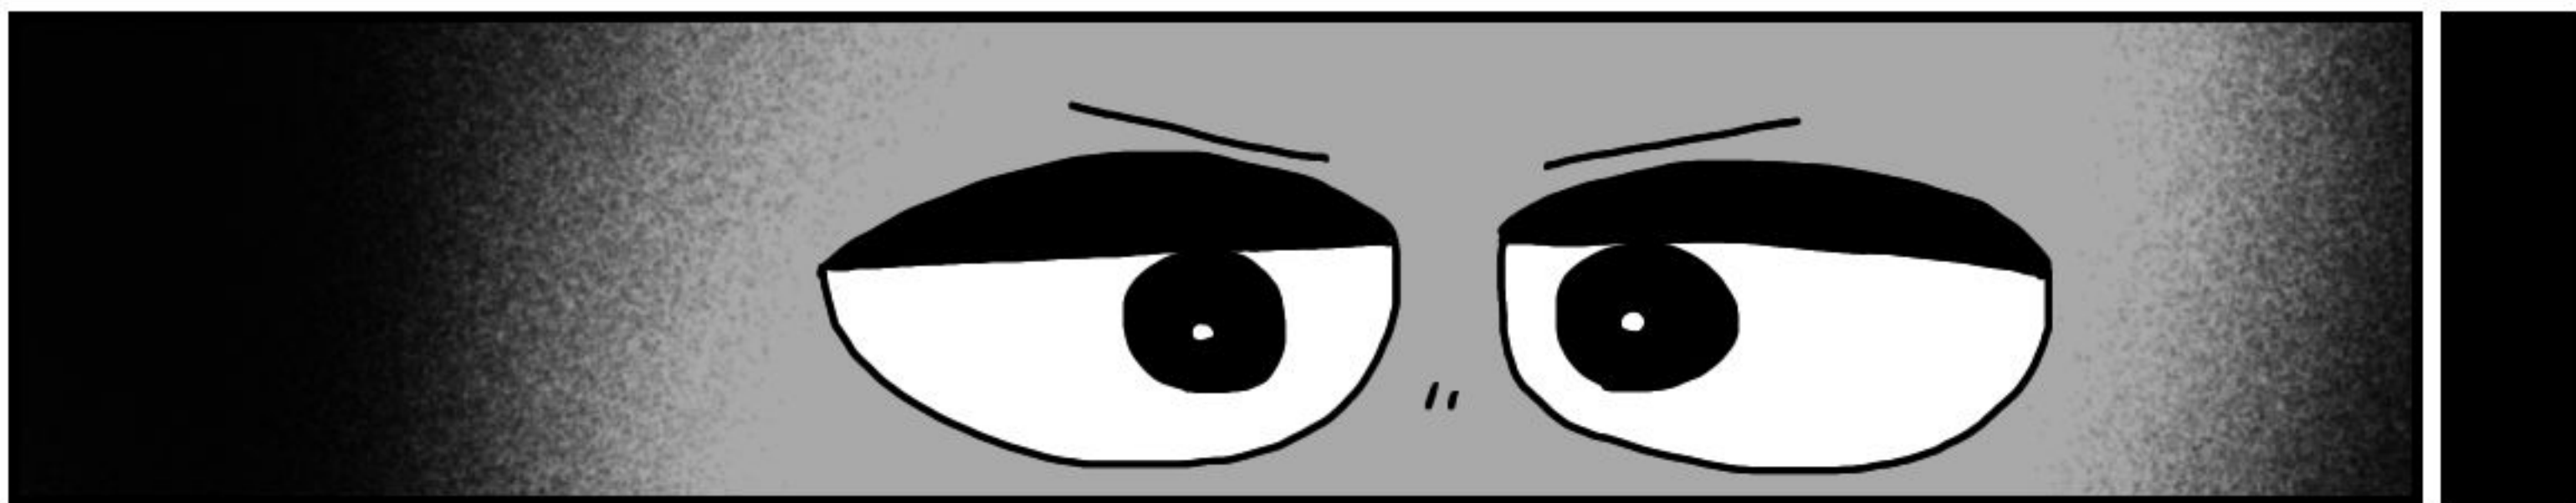

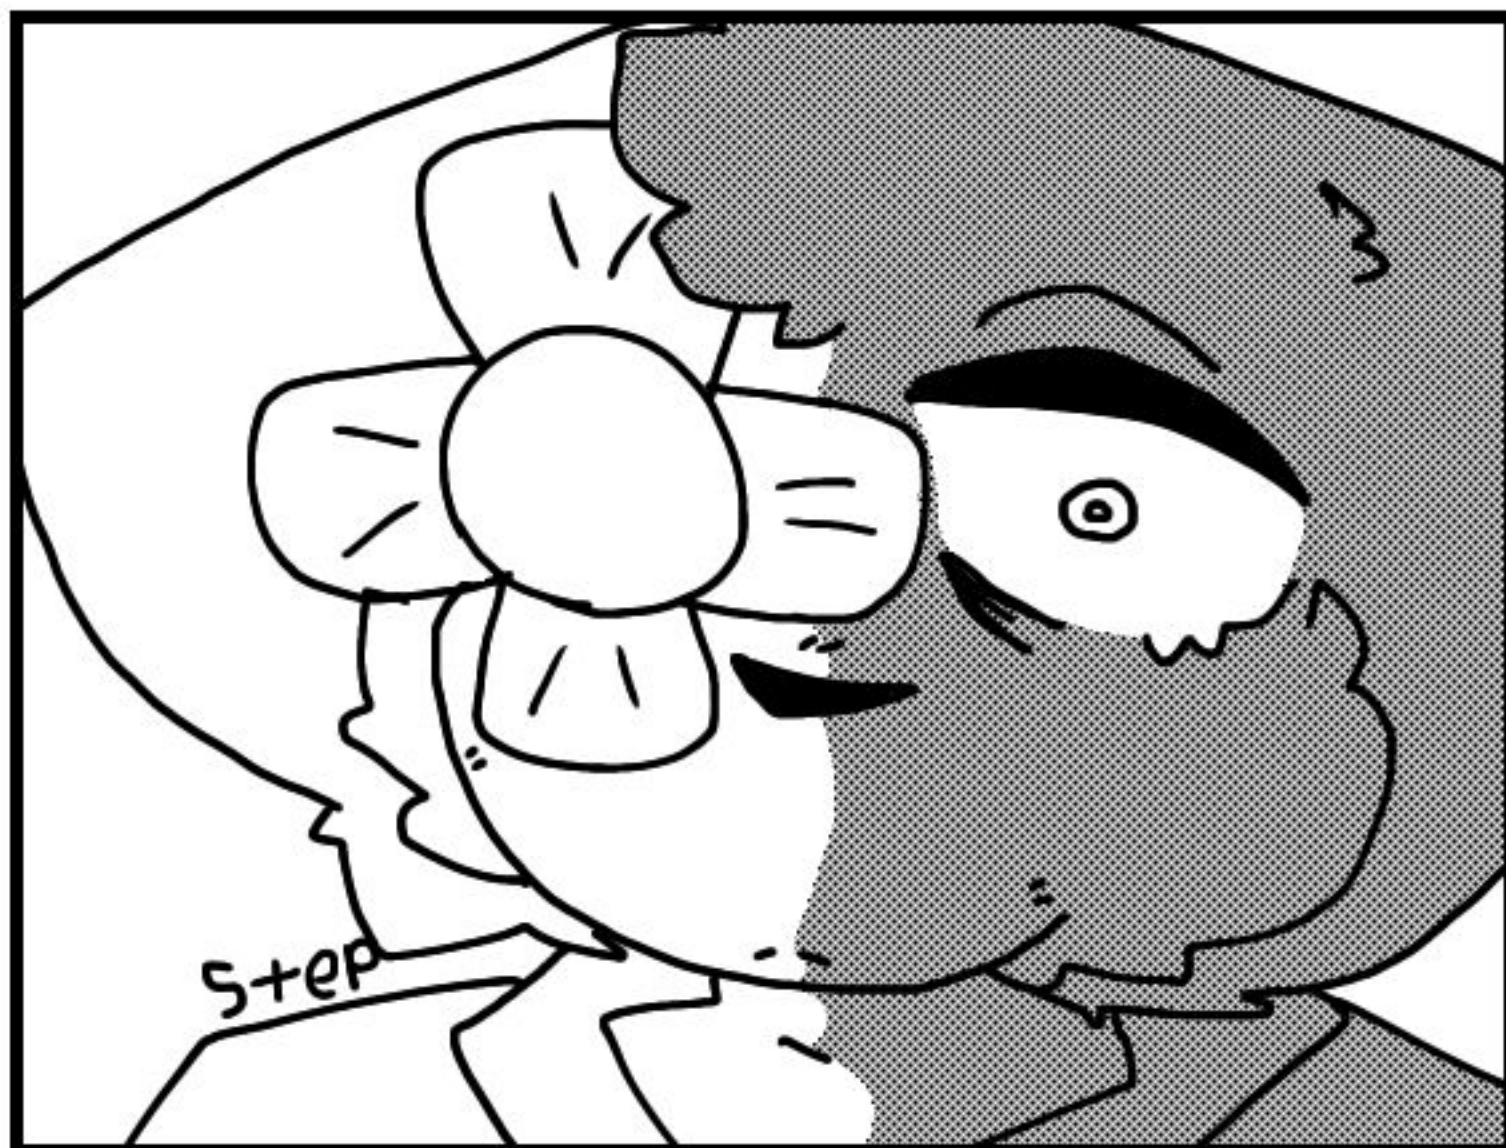

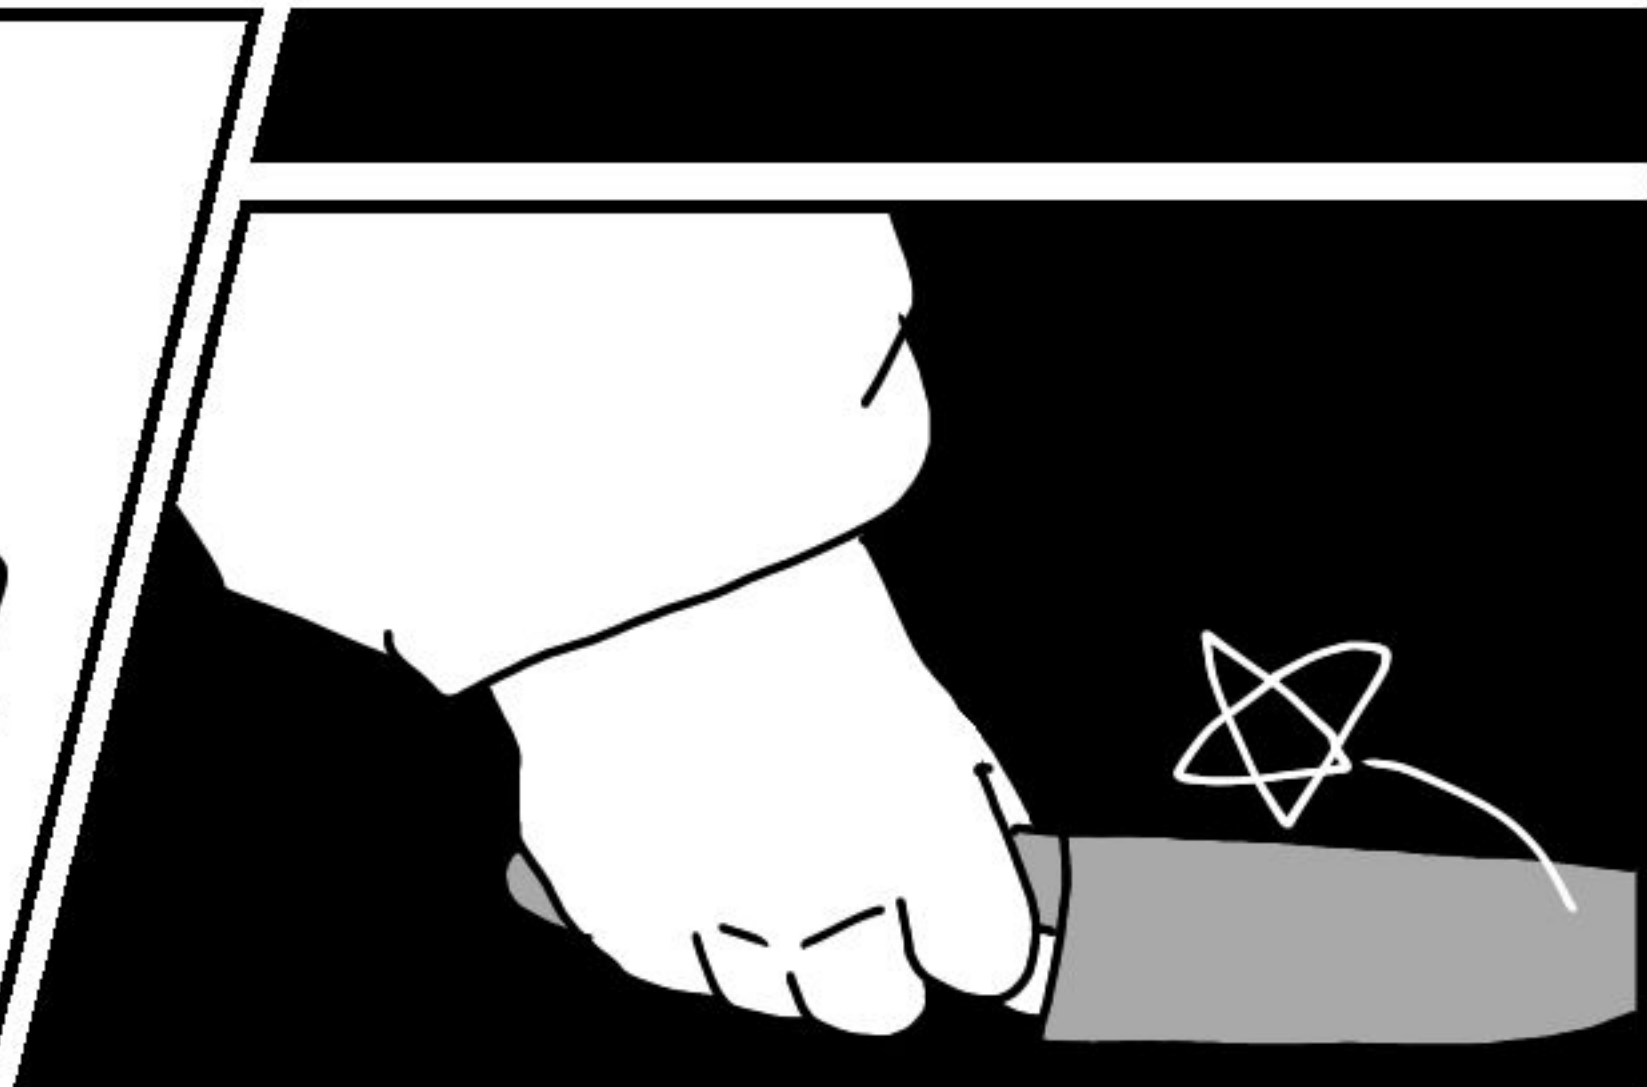

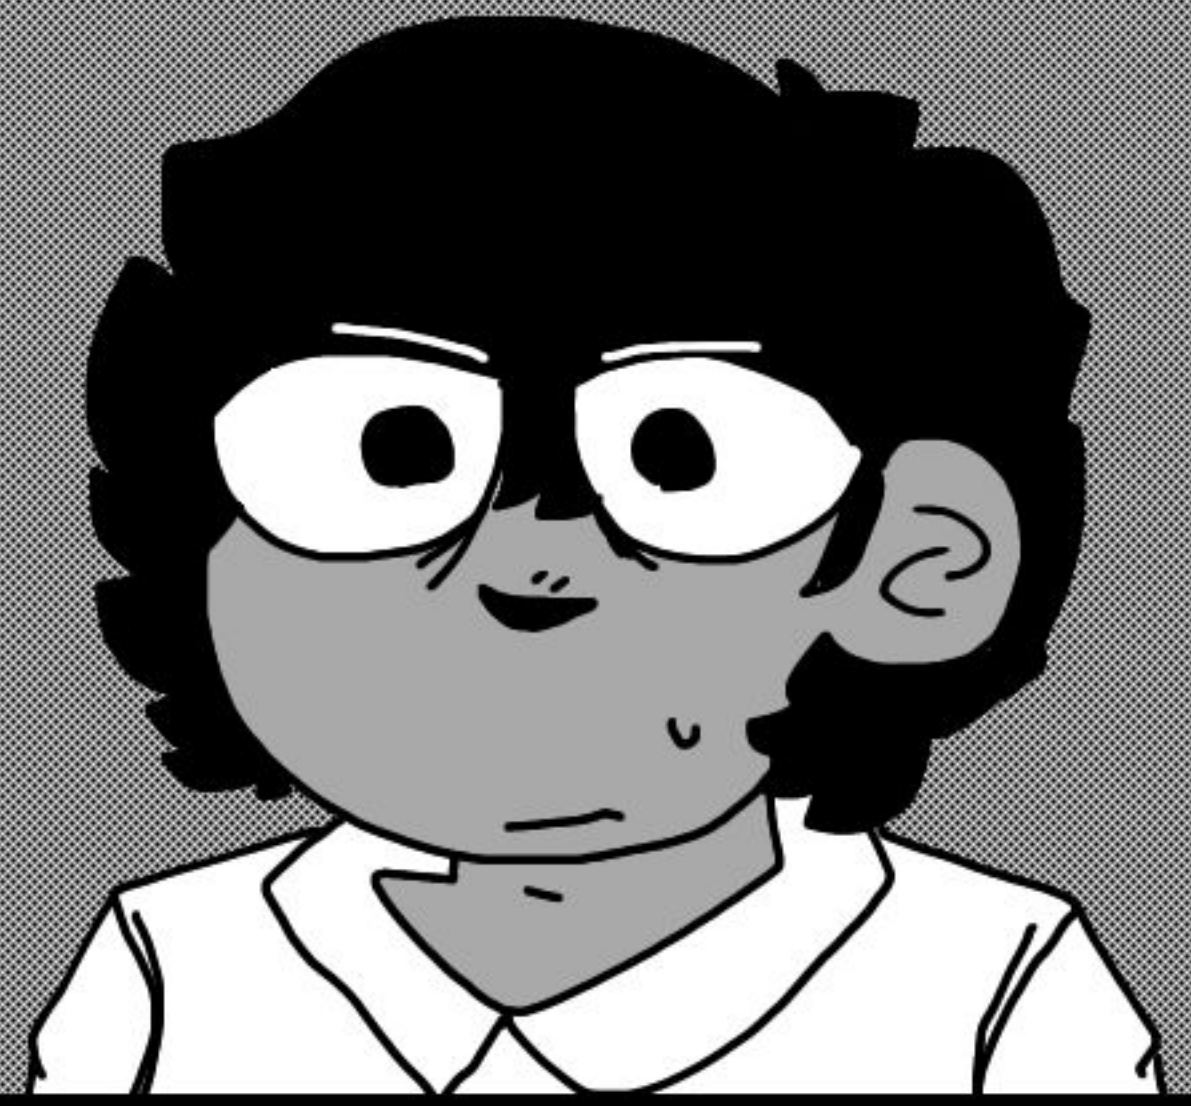

Boss ordered me to kill you

Are you gonna run away
like a pussy, huh?

Heh...

Hm...

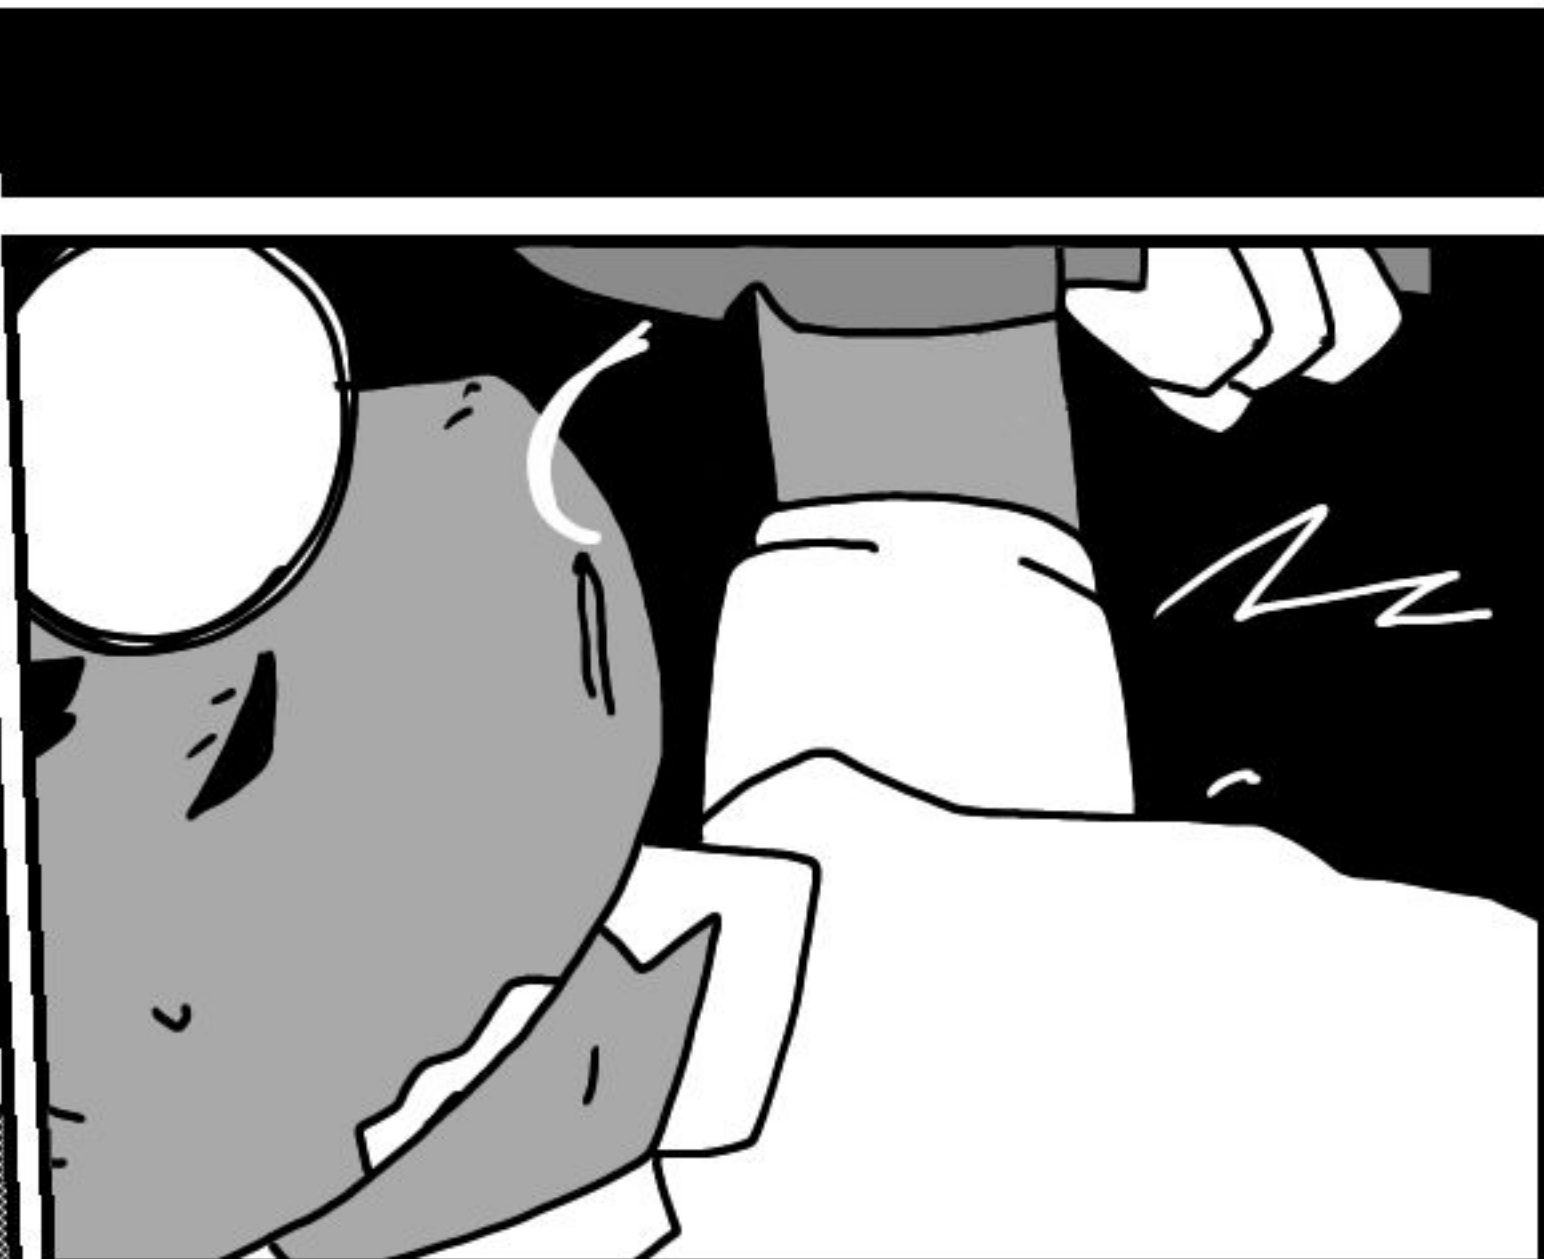

A black and white comic panel showing a character with short, spiky hair, wearing glasses and a flower in their hair. They have a smug, confident expression. To their left, there are two speech bubbles.

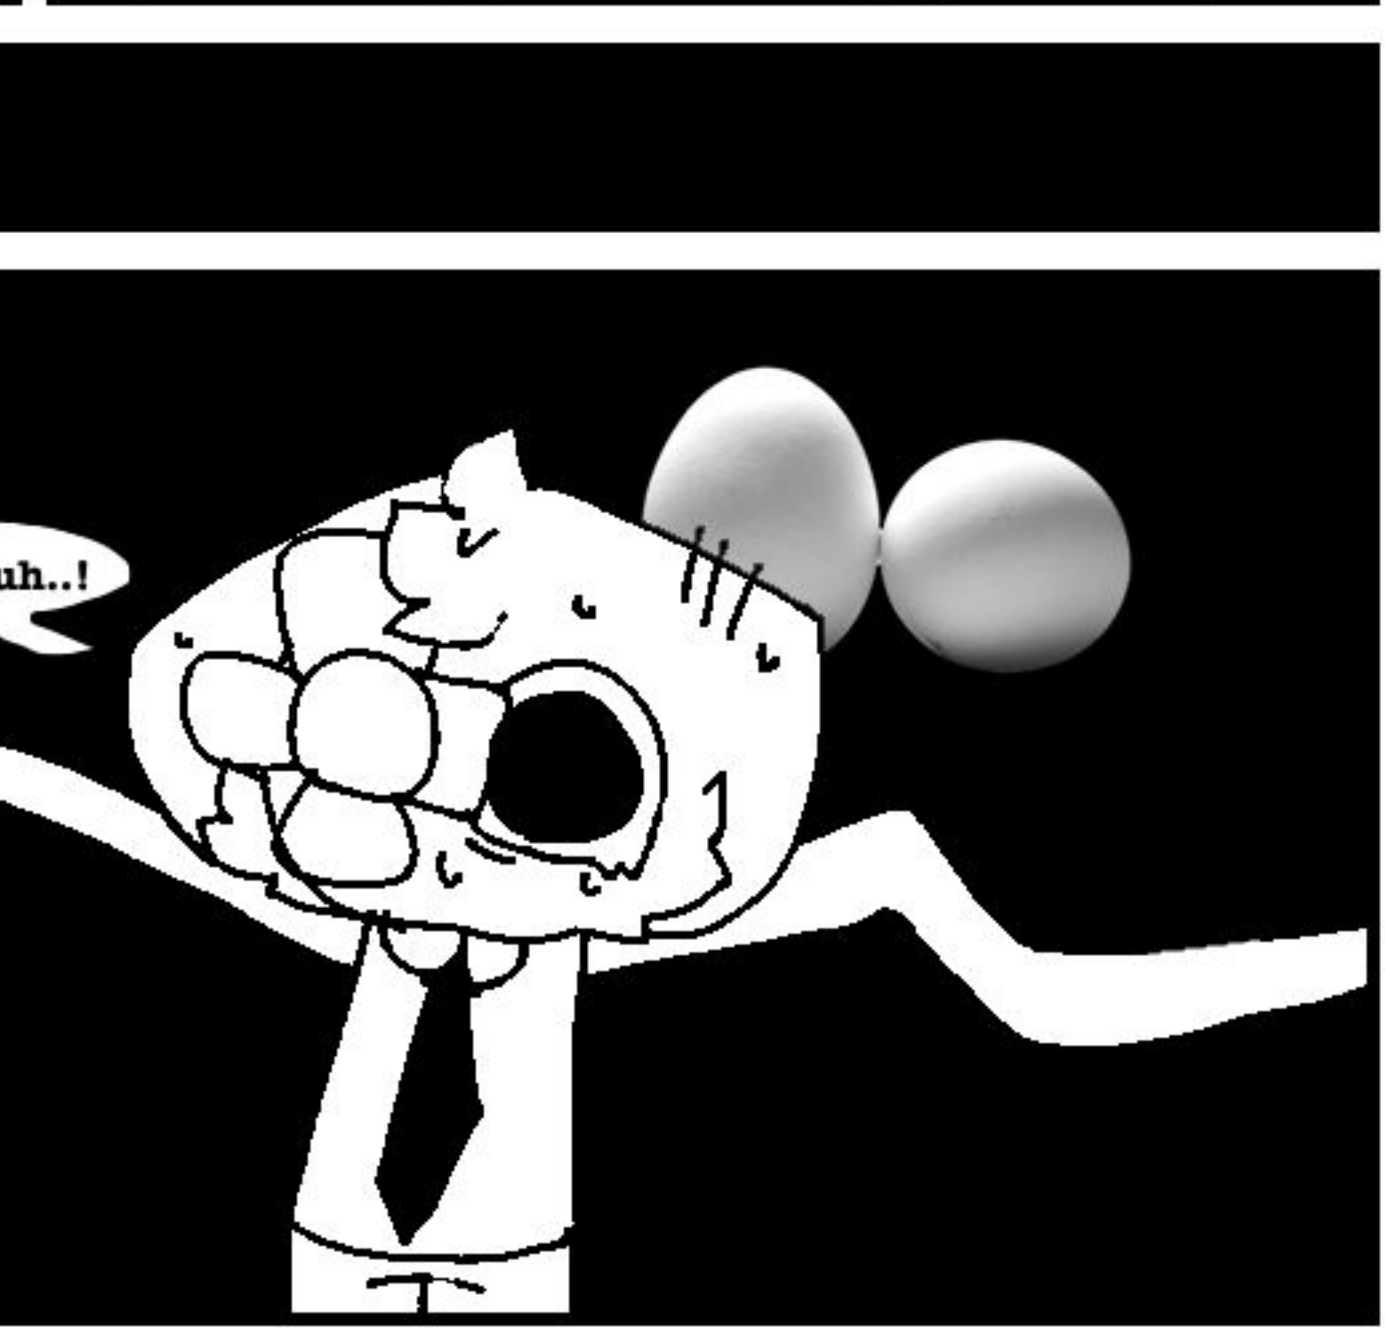

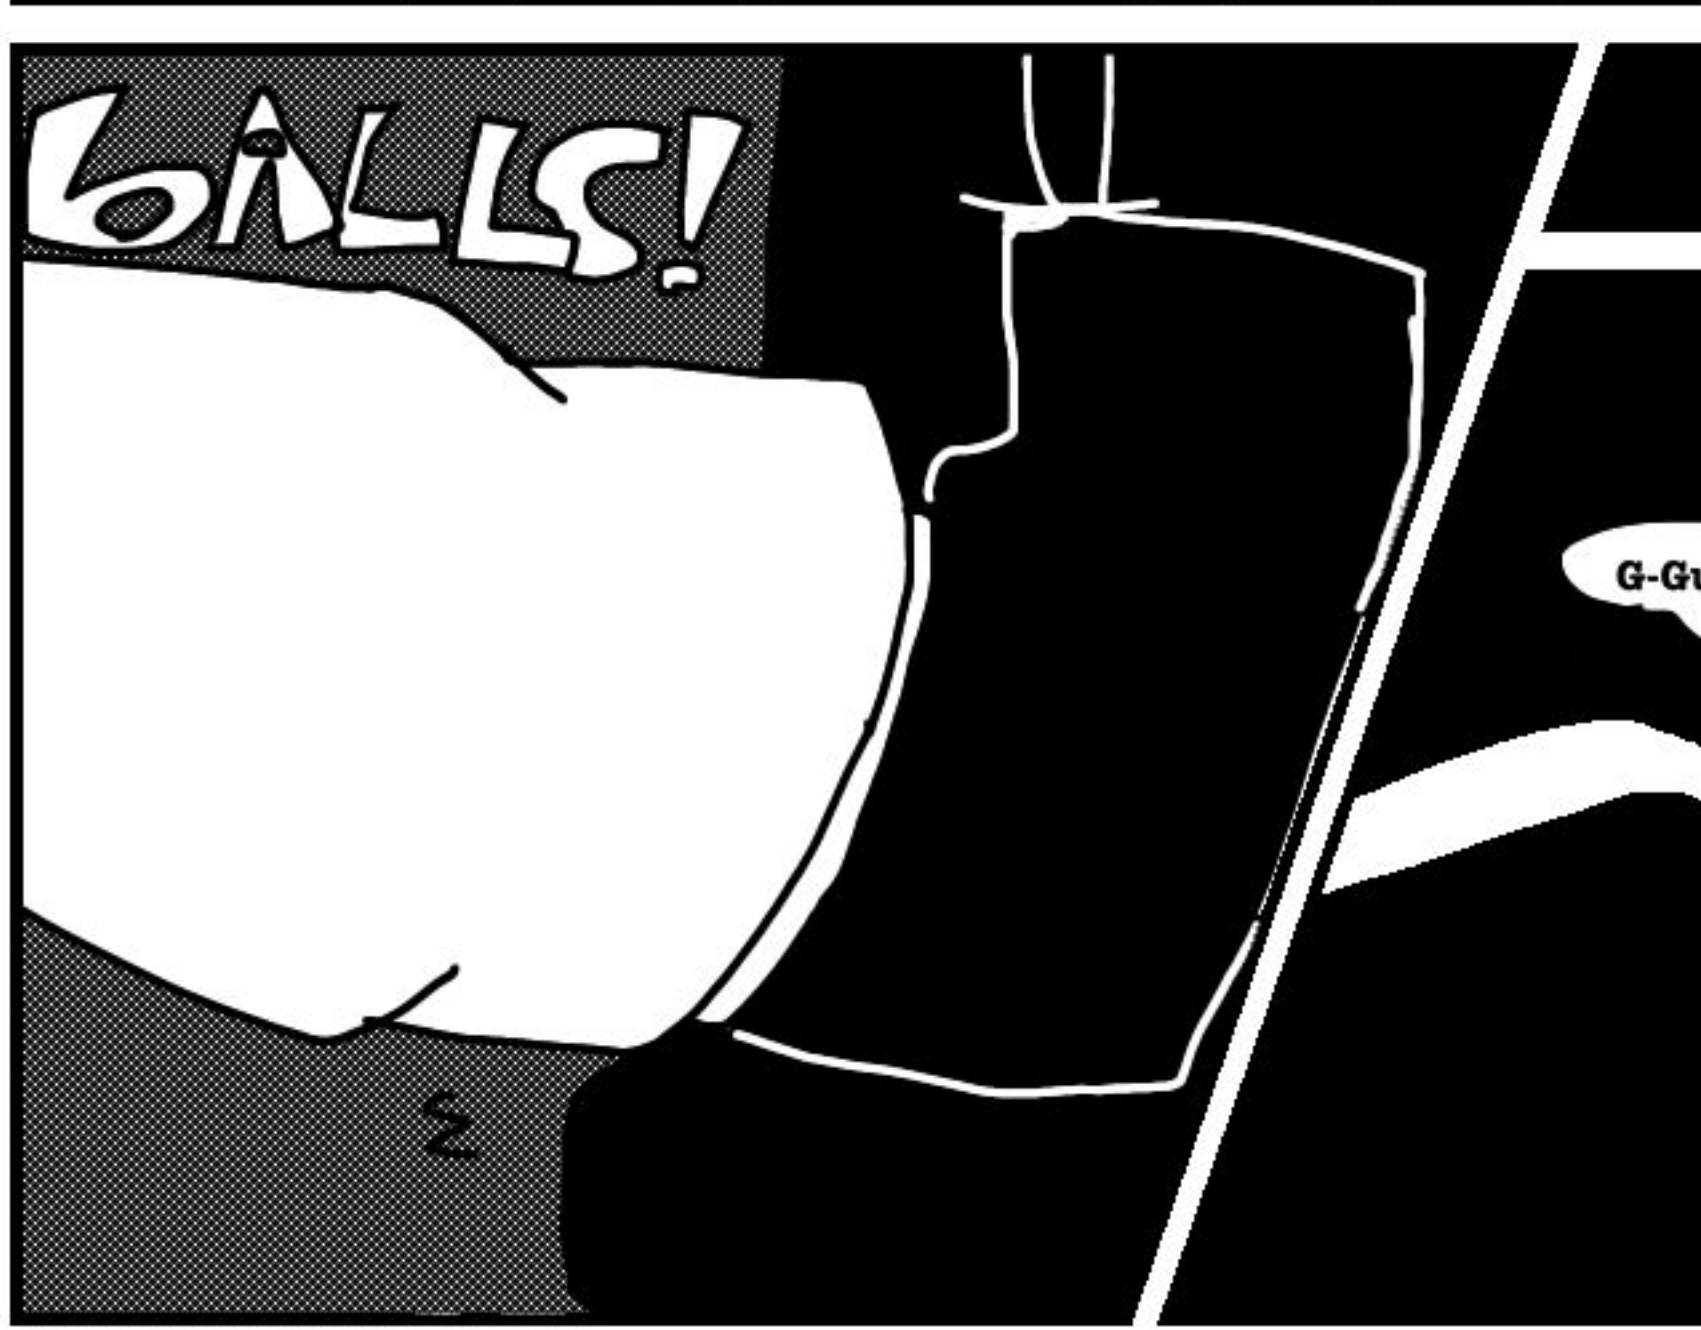

Are you... even scared..?

Ugh... fuck....

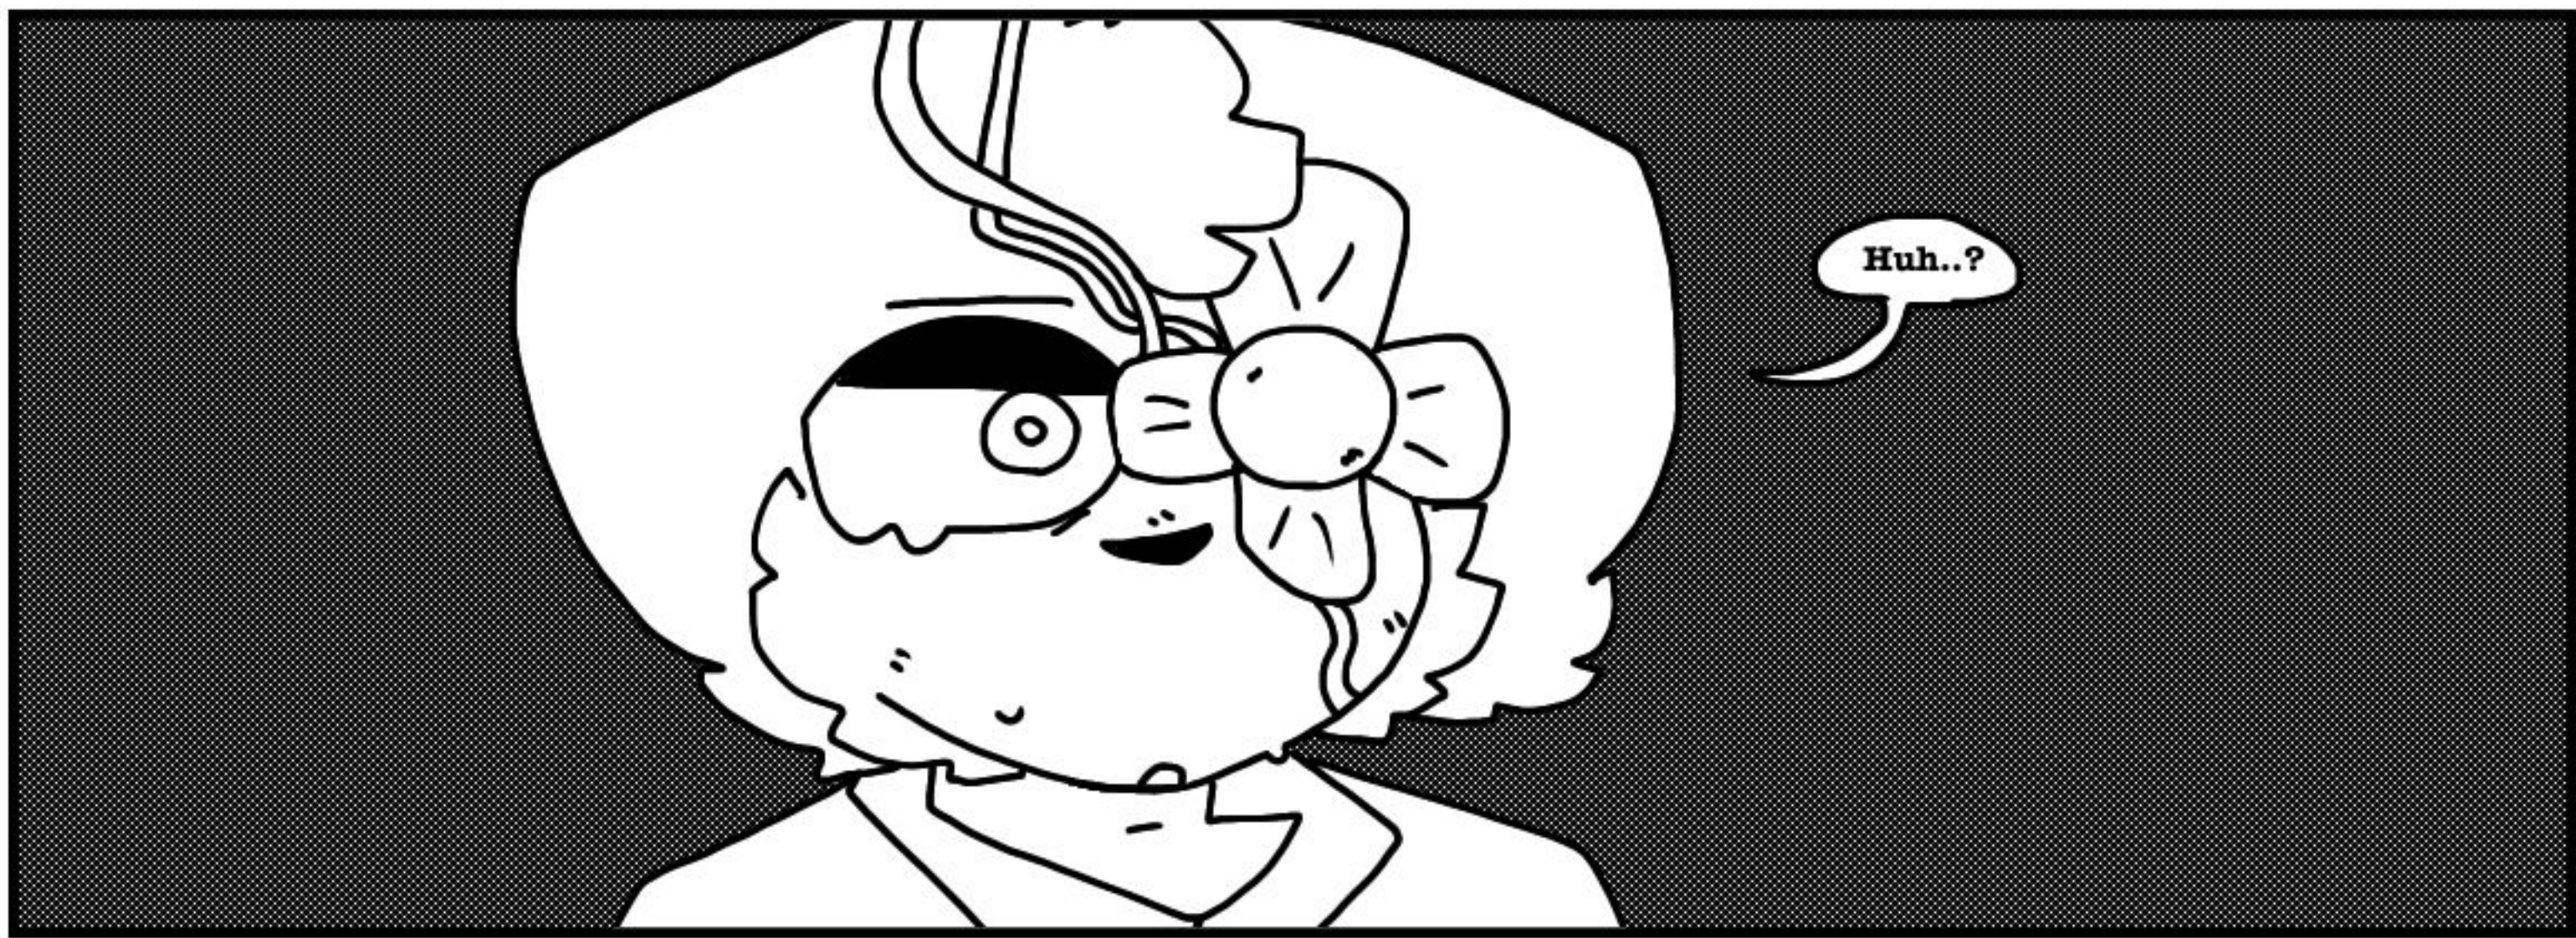

Whatever..

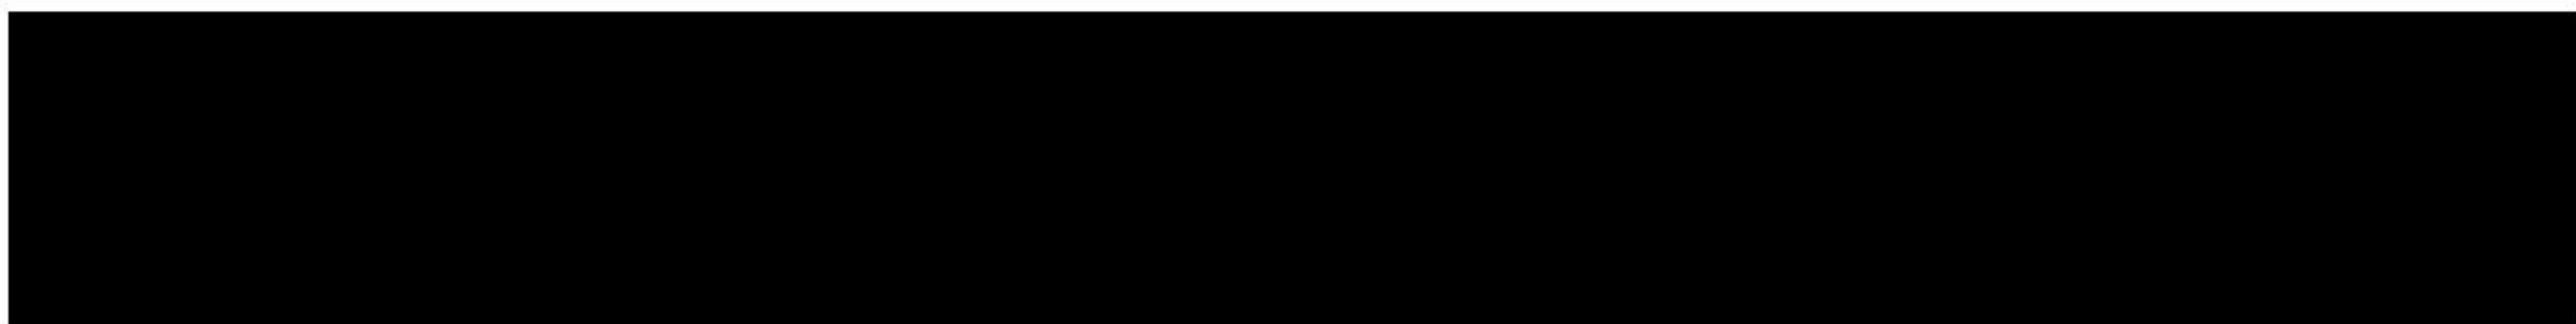

Why did my boss want me to kill you?

Sigh...

They didn't tell you
the reasons why?

N-no?

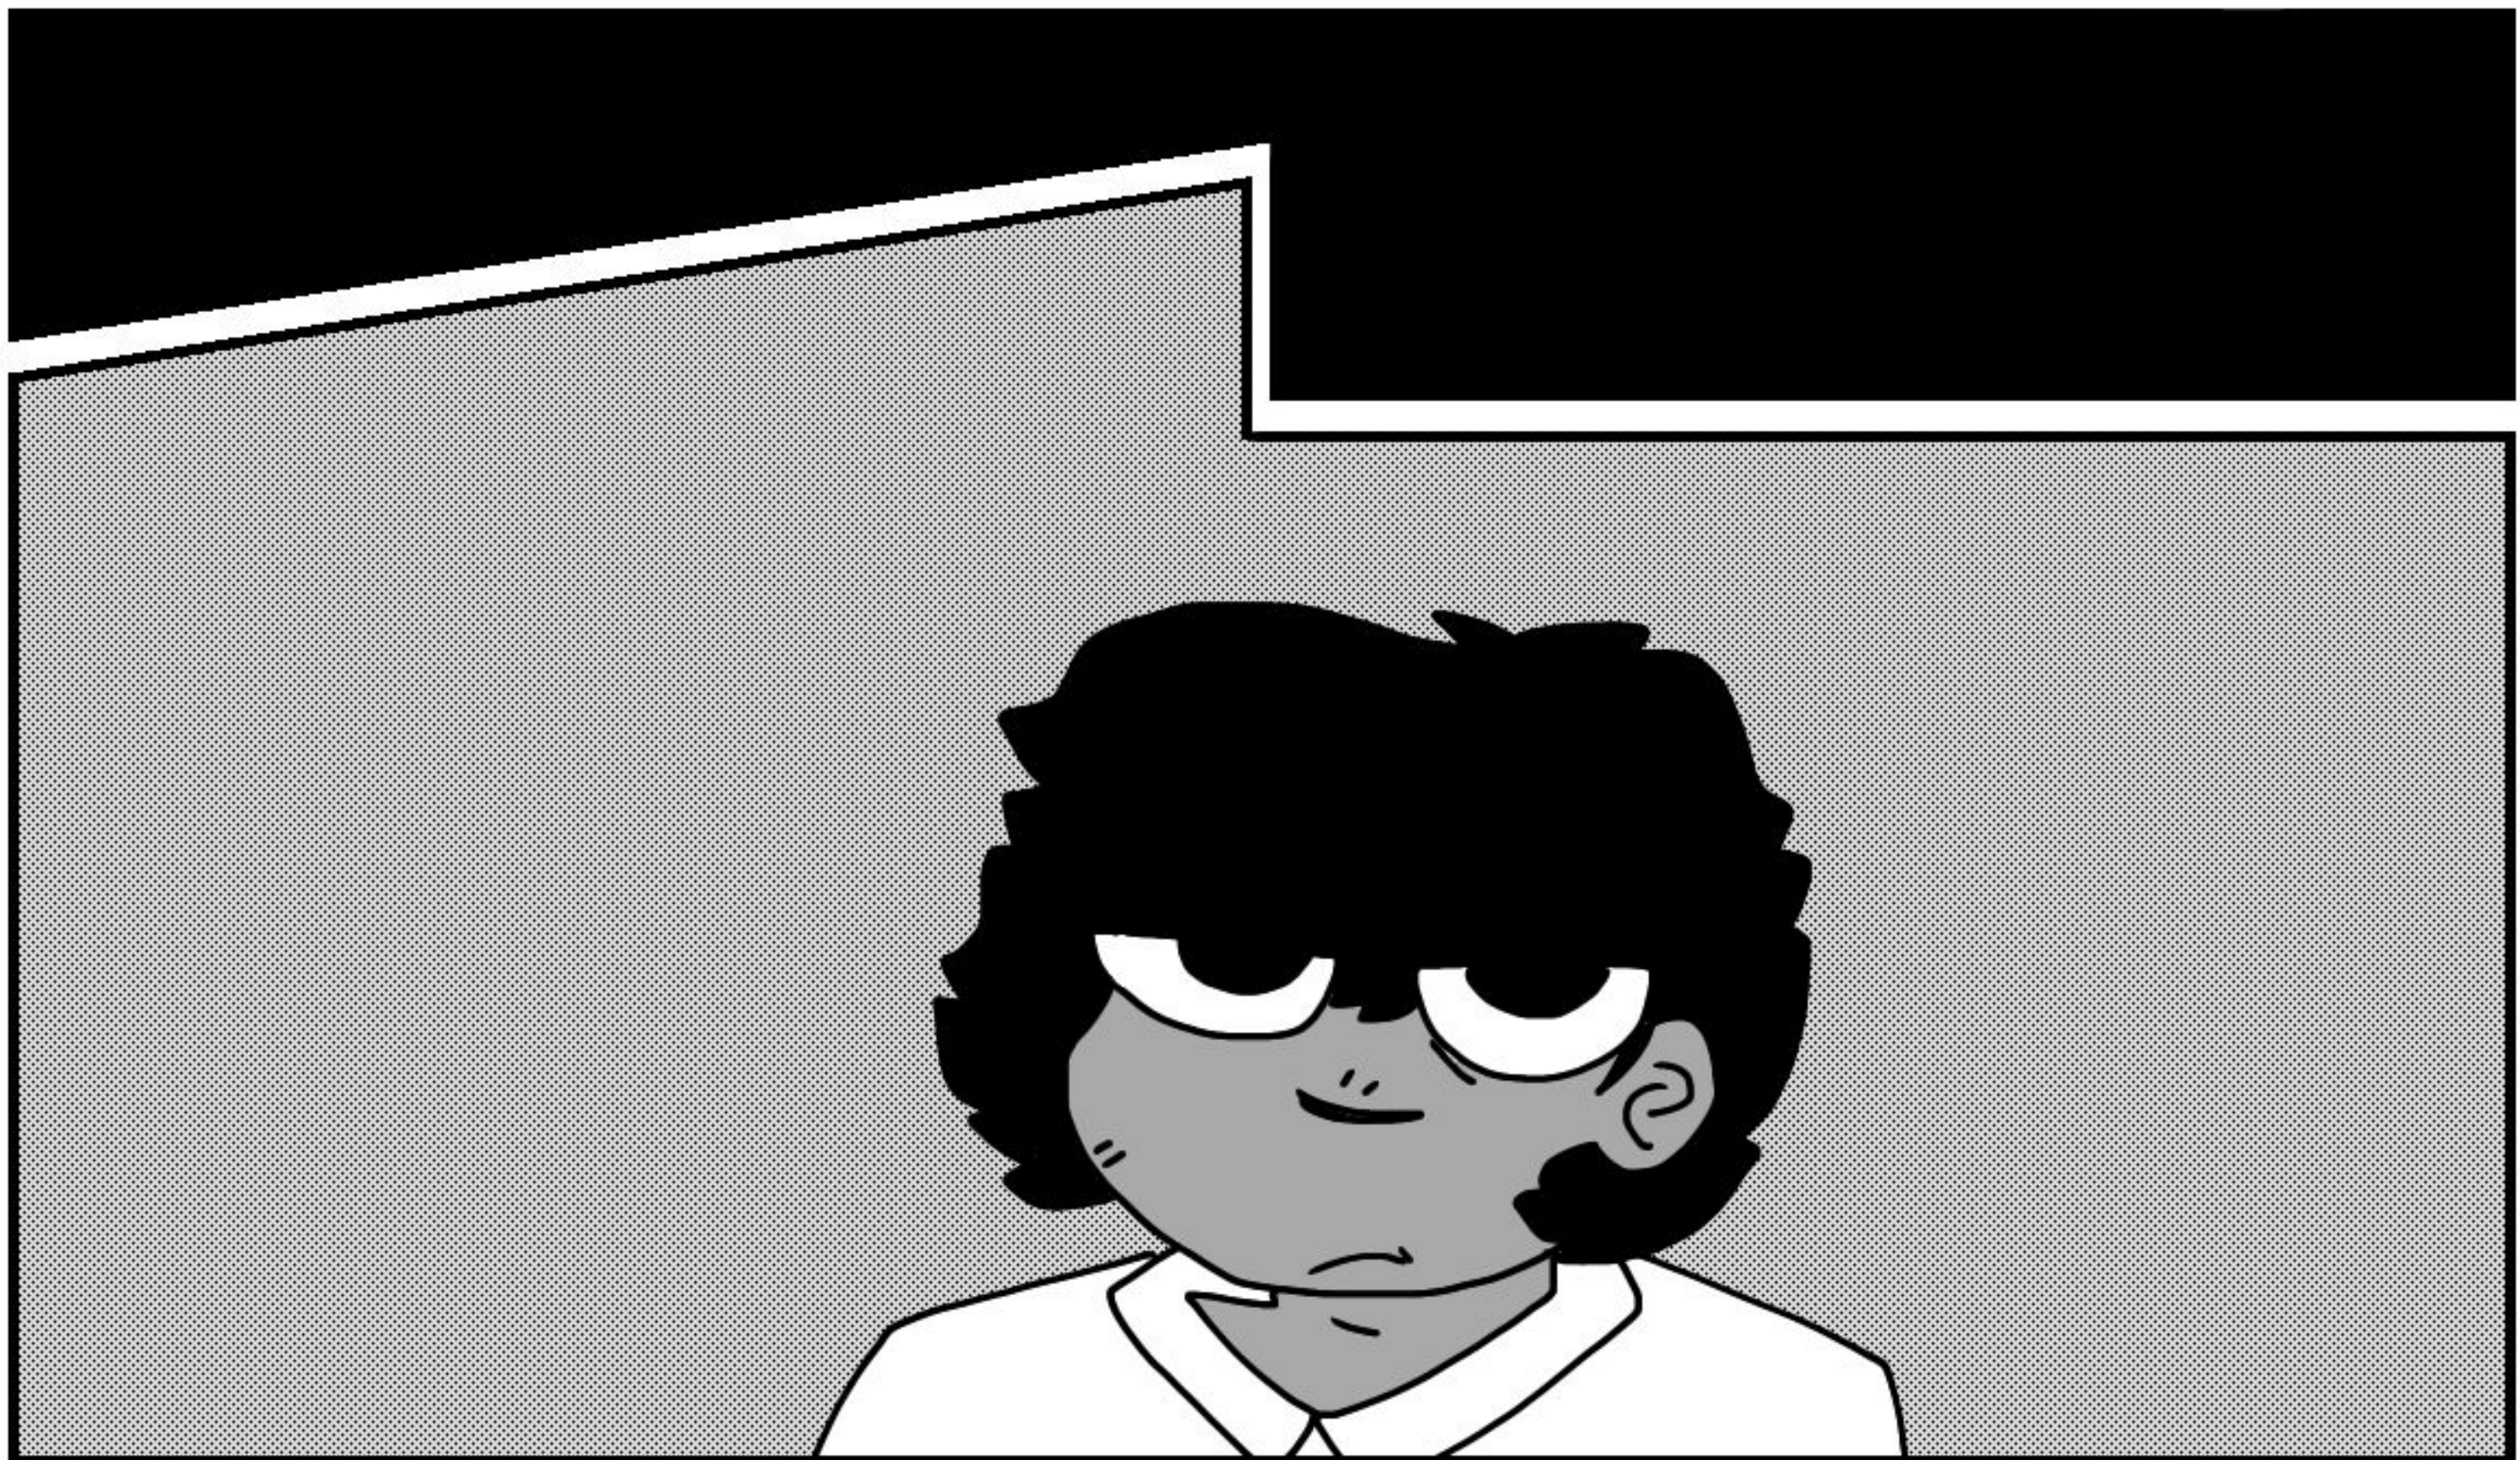

sigh... because your
boss is pissed off that
i left.

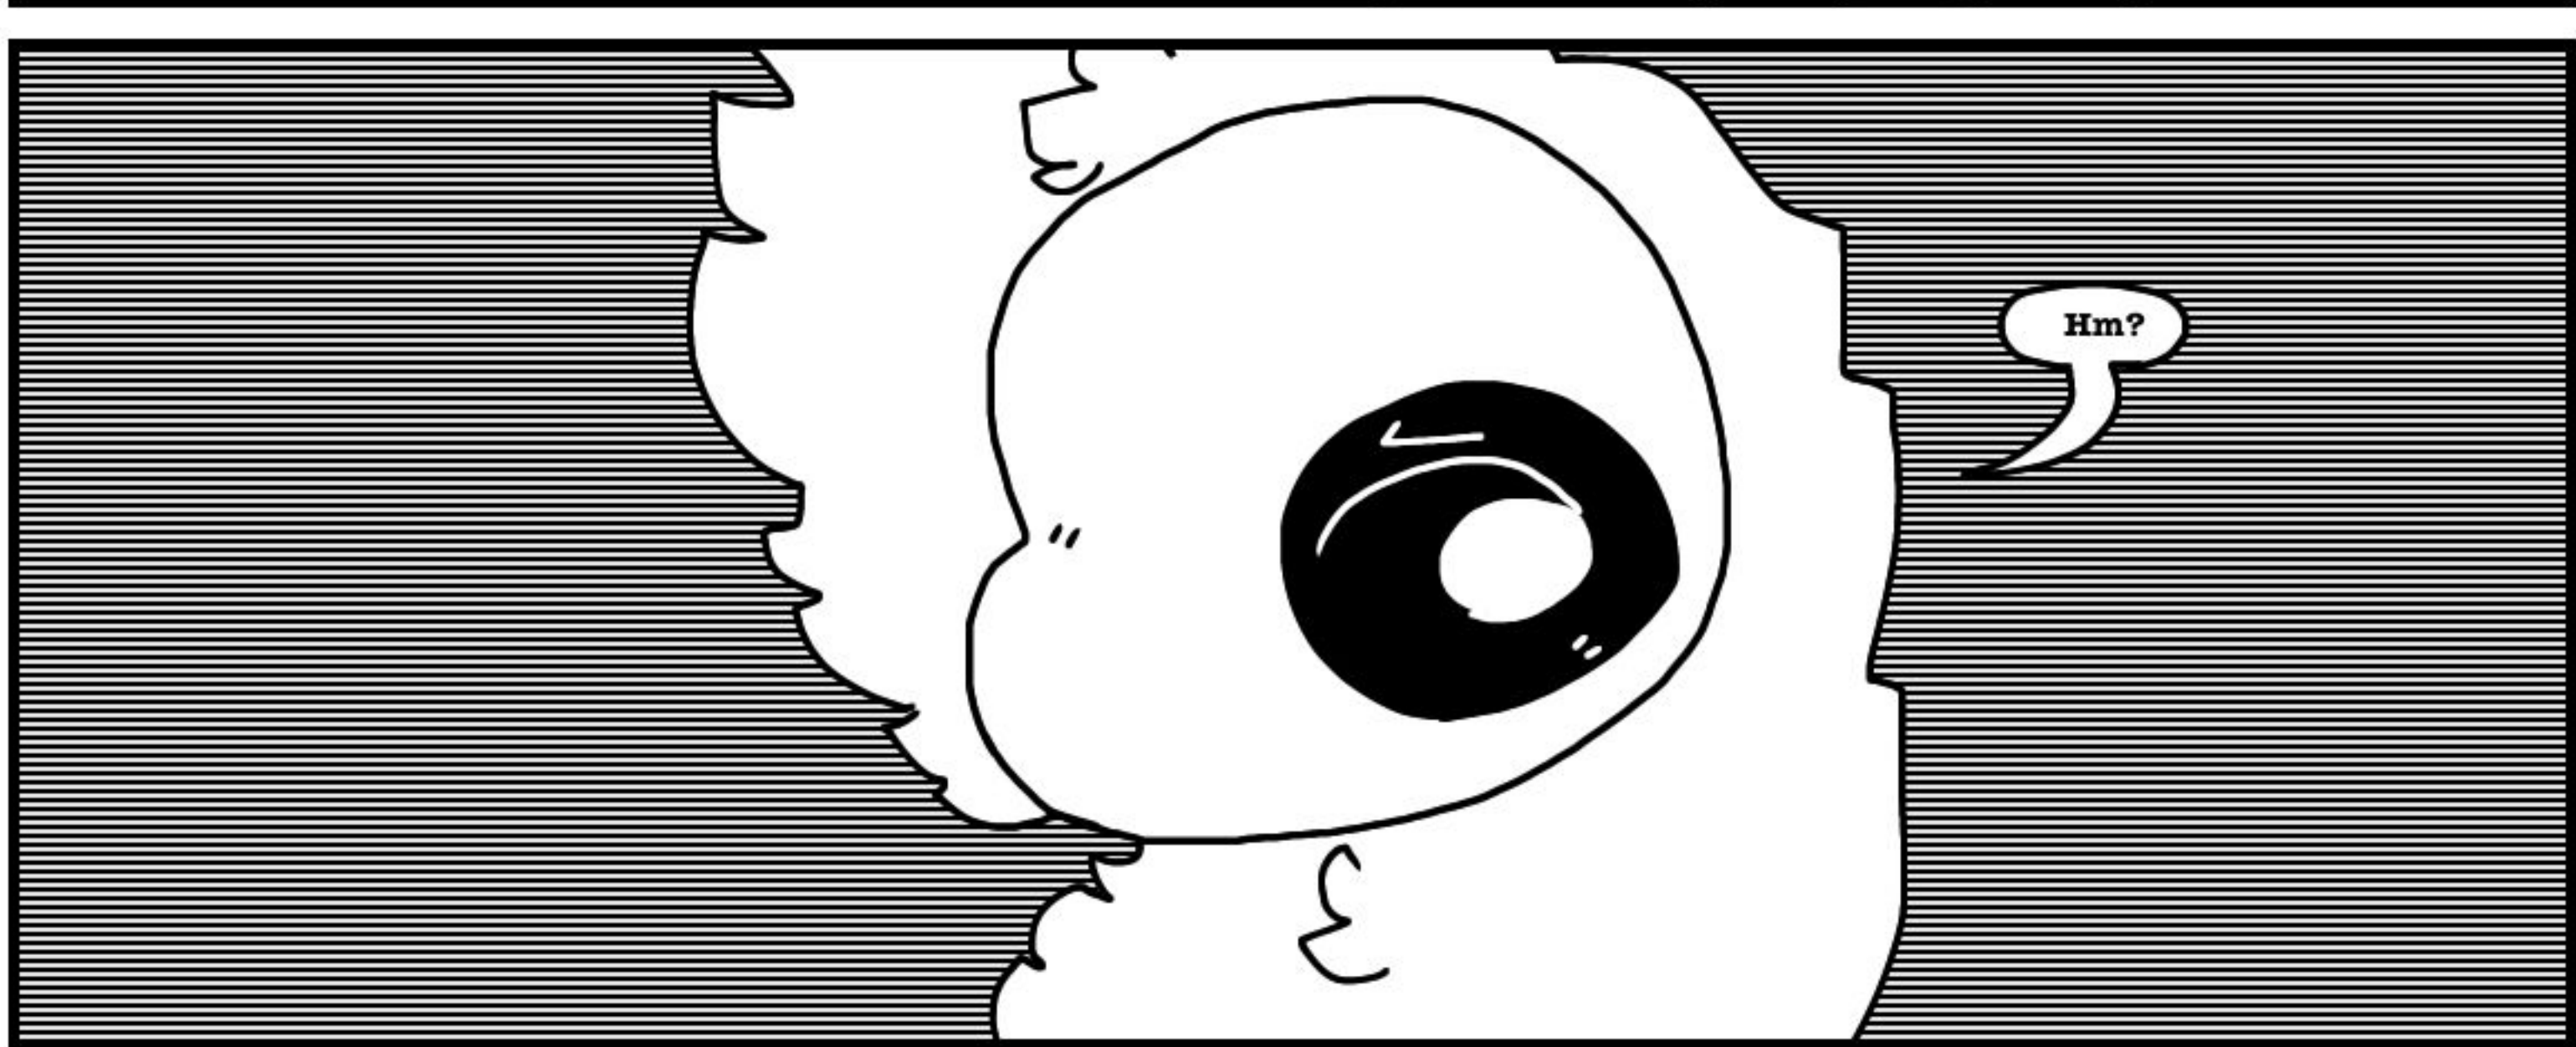

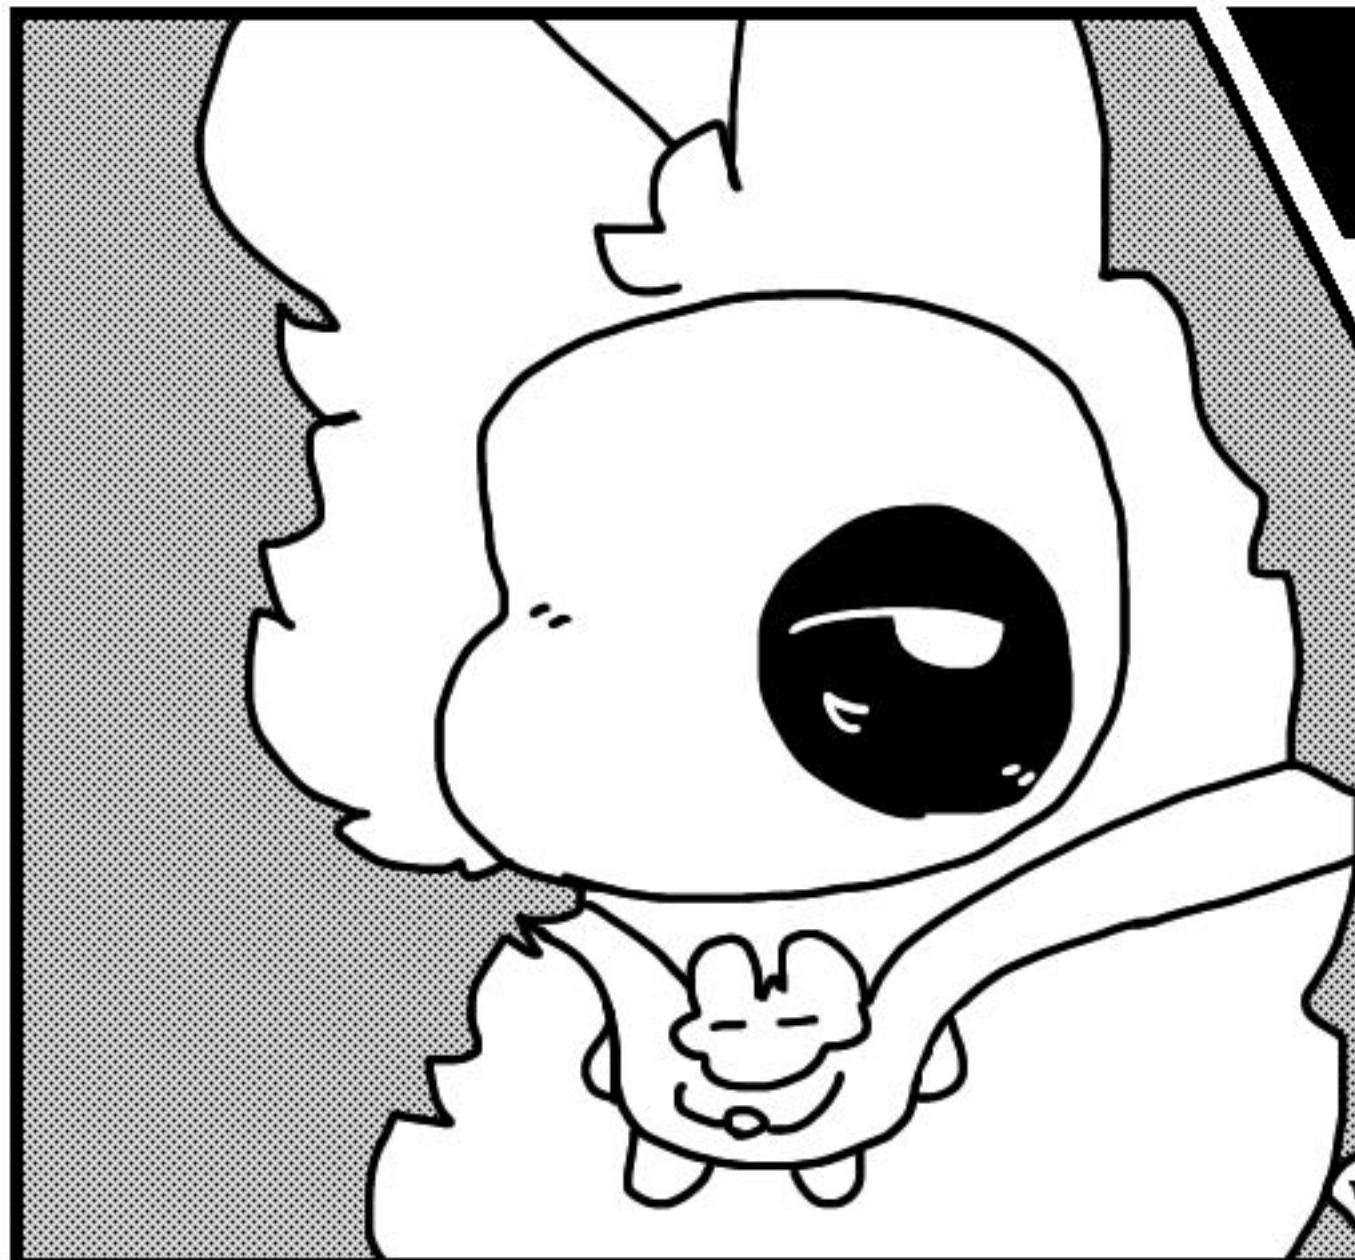

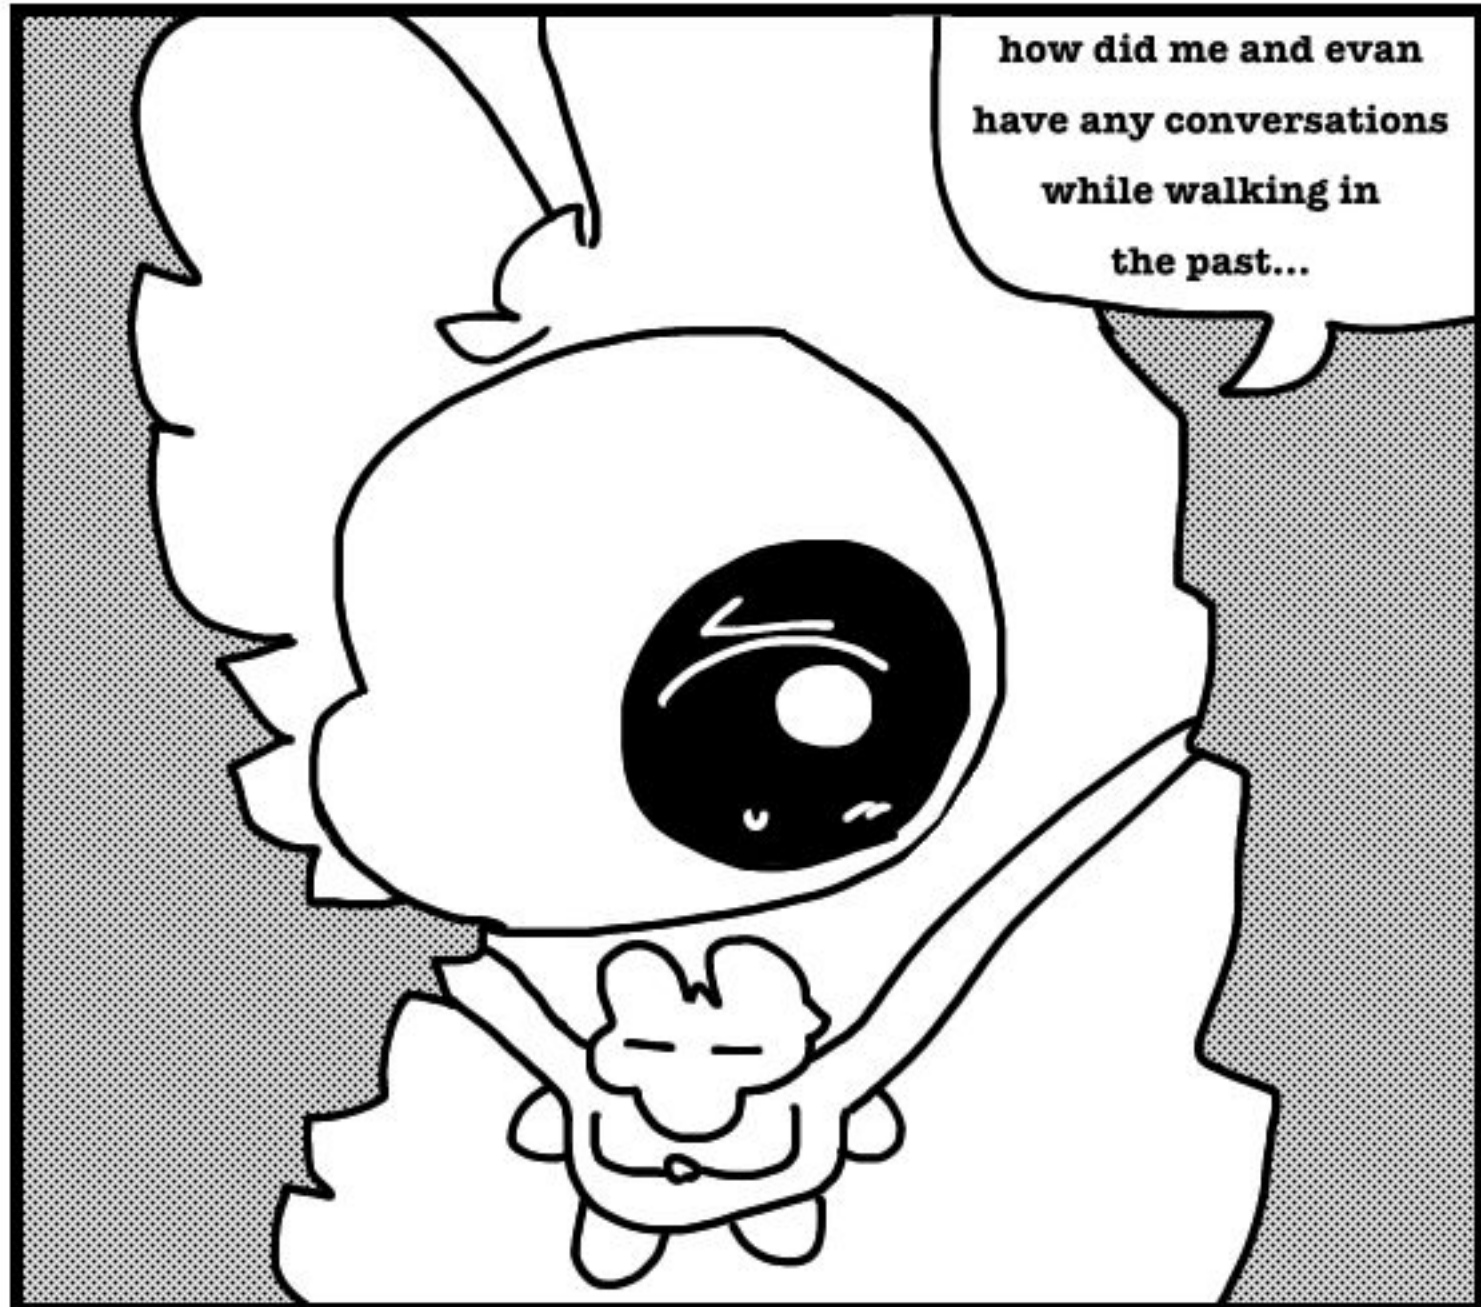

I'm trying to start a conversation... but uh...
nothing's really happening...

yea... nothing
to talk about when
you're just
walking

True...

boring than walking!

Dumbass... *yawn*

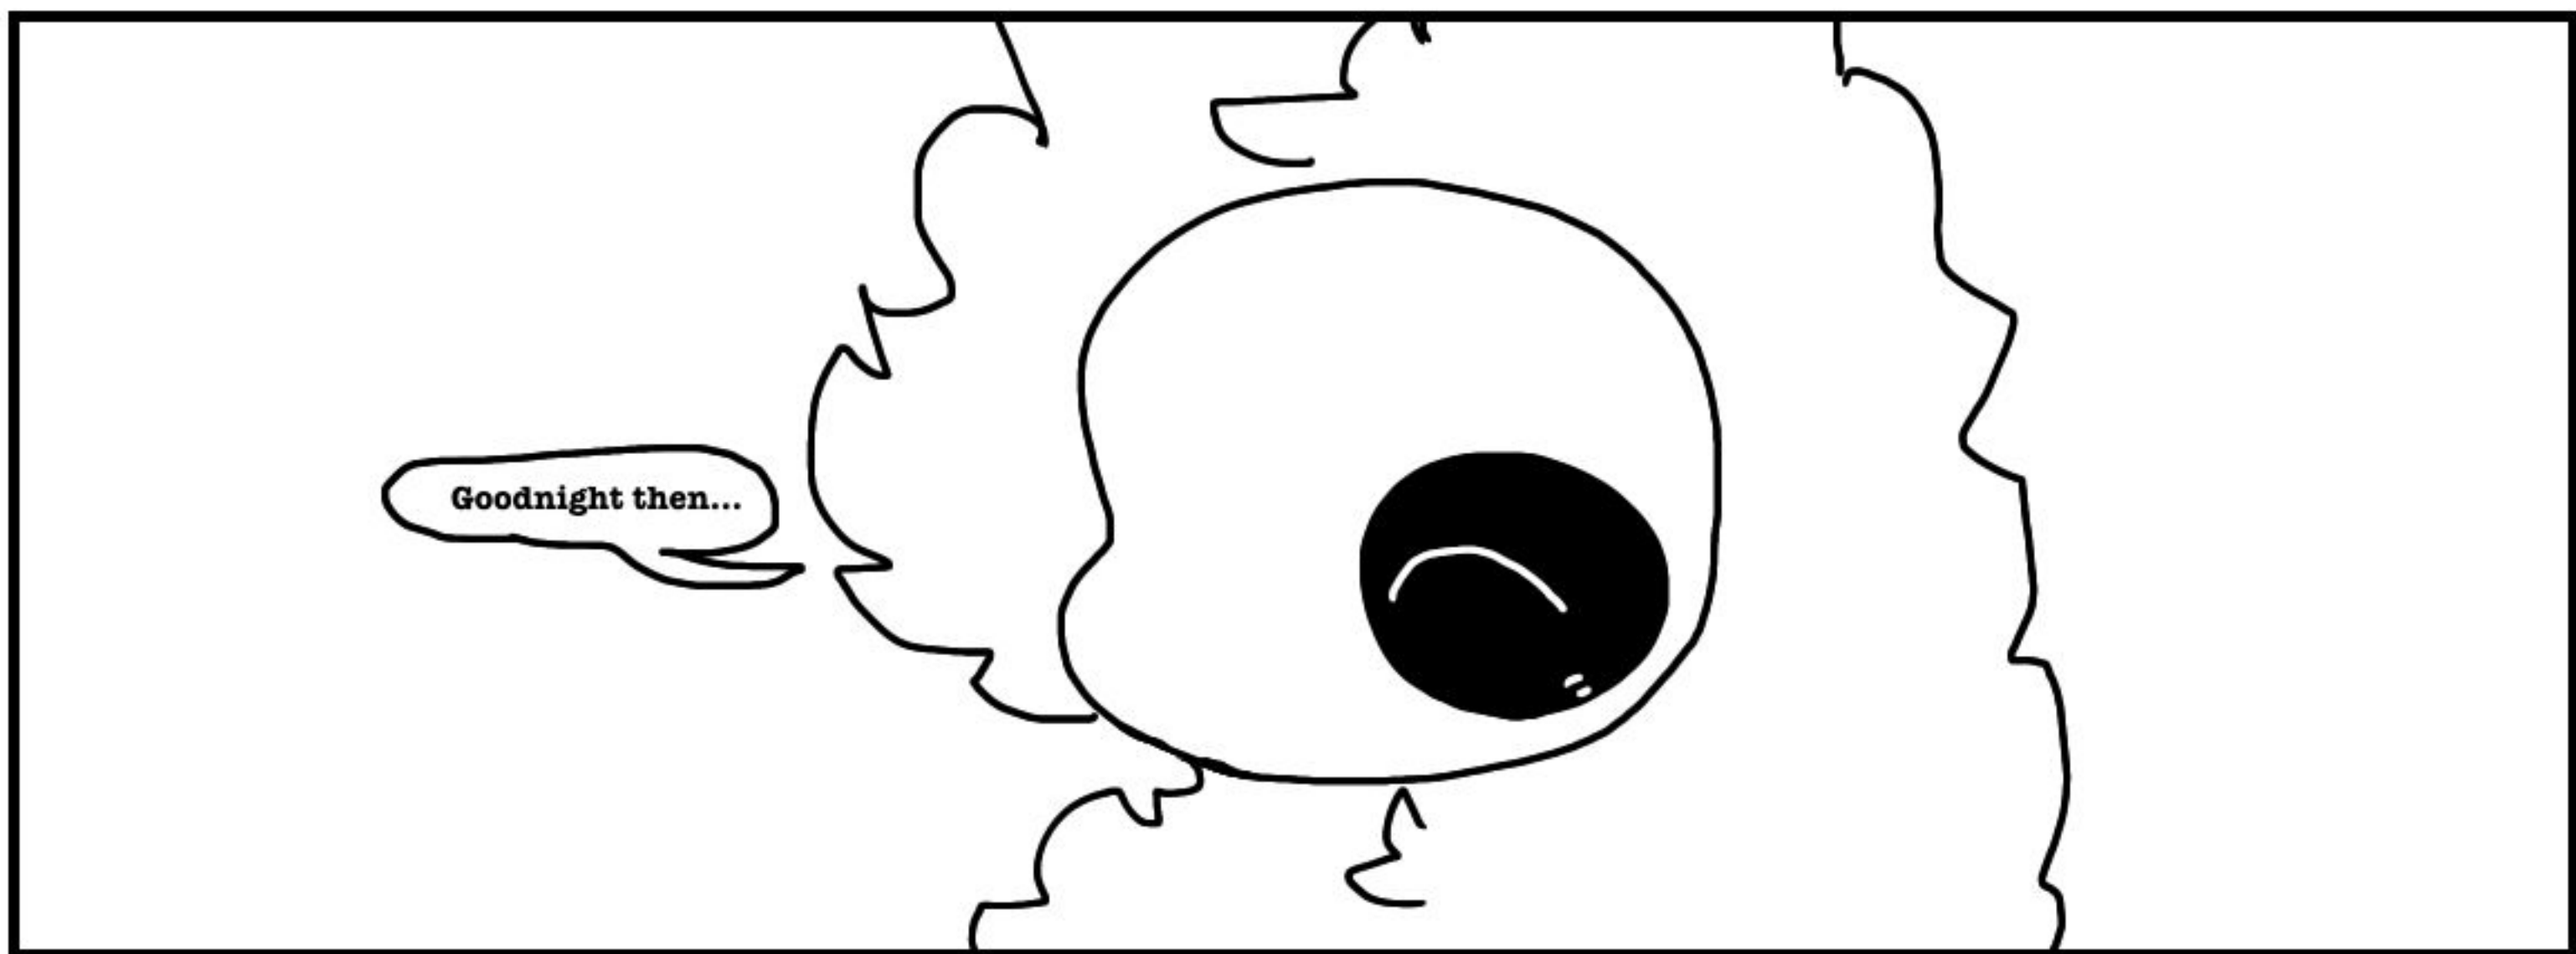

A few minutes later

Hey Mike...

Huh..?

Can I uh...
lay with you..?

something's banging on my window
and I can't get to sleep...

why not lay with Evan.?
You've known him for longer...

he smells like ASS
whenever he sweats...
and he sweats a lot
whenever he sleeps
so uh... he also sleeps
shirtless sometimes
and I don't like that

oh... then yeah...
I guess you can

Thanks..!

Hehe... what am I doing...
